RE: County JJ  
Industrial Park Ave to Greendale Rd  
Village of Hortonville  
Outagamie County

Outagamie County, in collaboration with the Village of Hortonville, have contracted with McMahon Associates to develop plans to improve County Trunk Highway (CTH) JJ (former State Highway 15) between Industrial Park Ave and Greendale Rd. The proposed project will replace the existing pavement and rehabilitate the highway to meet current standards and improve multimodal accommodations. The bridge over Black Otter Creek is also planned to be reconstructed. The highway is anticipated to remain as a two-lane facility. Construction is currently scheduled as early as 2026.

The purpose of this letter is to inform you of an upcoming Public Involvement Meeting to discuss the proposed improvements. The meeting will be held at the **Village of Hortonville Municipal Building, 527 N Nash St**, on **Tuesday, March 5, 2024 from 6:00 pm to 7:00 pm**. The meeting will be an open-house format and consist of a brief formal presentation followed by a question and answer session.

The intent of this meeting is to explain the concepts and possible impacts of the proposed improvements. As a project stakeholder, your input and feedback is important to the design process. At the meeting, you will have the opportunity to review the conceptual designs and share your thoughts either on the comment form provided or with a project team member. Staff from McMahon, the Village, and Outagamie County will be present to provide information and answer your questions.

If you have questions, would like additional information, or are unable to attend the in-person meeting, please contact us by phone at 920-832-5673, email at [highwayemail@outagamie.org](mailto:highwayemail@outagamie.org), or provide written comments utilizing the enclosed pre-addressed form. Project information will also be made available on our website following the meeting.

We appreciate your cooperation during this project.

Sincerely,

OUTAGAMIE COUNTY HIGHWAY DEPARTMENT
