Subject: Public Involvement Meeting Notice

Project ID 583500
County U
CTH S to CTH EE
Towns of Kaukauna, Lawrence, Oneida
Village of Hobart
Brown & Outagamie Counties

Please share this information with your neighbors, tenants, and other interested parties.

Outagamie County has contracted with JT Engineering, Inc. for the design of improvements along County U (County Line Road) in the Towns of Kaukauna and Oneida (Outagamie County) and the Town of Lawrence and Village of Hobart (Brown County). The purpose of the project is to replace the existing pavement and rehabilitate the highway to meet current standards by improving pavement condition and drainage on County U between the intersections of County S and County EE.

The purpose of this letter is to inform you of an upcoming Public Involvement Meeting to discuss the proposed improvements. The meeting will be held at the **Town of Kaukauna Town Hall, W780 Greiner Road, Kaukauna, WI 54130** on **Wednesday, May 29th beginning at 6:00 pm**. A brief presentation will begin at 6:00 pm with the remainder of the meeting following an open house format.

The intent of this meeting is to explain the preliminary design and discuss possible impacts. As stakeholders, your views are important to the design process. The project team is looking for your feedback. At the meeting, please review the preliminary design and share your thoughts either on the comment form provided or with a project team member. Project staff from Outagamie County and JT Engineering will be present to answer your questions. More information regarding the real estate acquisition process will also be shared, with acquisition scheduled to begin in Fall of 2024. The project is tentatively scheduled for construction in 2026.

If you have any questions or are unable to attend the meeting but would like to find out more about the project, please visit the project website (above) or contact the following project representatives:
