

# ELDERMATCH

*companions creating connections*

 St. Paul Elder Services, Inc.

Social isolation and loneliness impact the health and well-being of many seniors living in the community. Eldermatch is a program dedicated to matching volunteers with Outagamie County residents 60 years or older to connect via phone calls, in-person visits, or written communications. If you are interested in volunteering or if you are a senior living in Outagamie County and would like a volunteer connection, please contact the St. Paul Elder Services' team members listed.
