

Rebuilding
Together®

Fox Valley

Safe & Healthy Housing

Rebuilding Together Fox Valley helps older adults stay in their homes by providing critical home modifications and repairs at no cost to homeowners. Our agency can:

- Repair/replace locks on exterior doors
- Replace doorknobs with levers
- Install new smoke alarms
- Install CO alarm
- Install Class ABC fire extinguisher
- Replace the dryer vent with metal ducting
- Install non-slip tread in baths
- Install handheld showerhead
- Install shower chair or tub transfer bench
- Install bathtub cutout
- Install grab bars
- Install toilet seat riser
- Repair/replace/install interior handrails
- Replace burnt-out light bulbs
- Install night lights
- Repair small faucet leaks or replace faucets
- Small plumbing repairs
- Repair/replace running or leaking toilets

Outagamie County residents 60 years or older that own and live in their home are eligible for services.

Please Call the ADRC to Learn More (920) 832-5178

Participant donations are welcomed but not required. Participant donations support programming. Safe & Healthy Housing receives federal Older Americans Act funding through Outagamie County Aging Unit.
