FREQUENTLY ASKED QUESTIONS

HOW DO I GET ACCEPTED?

CJTS staff complete eligibility screening for all 2nd and 3rd OWI cases appearing before the Outagamie County Court Commissioner. A letter is filed with the court and the District Attorney's Office. If eligible, the Judge will determine whether to sentence you to SSTOP.

HOW LONG IS THE PROGRAM?

SSTOP is a year long program. The year begins the day you are sentenced to SSTOP. If the date of discharge arrives and the program requirements are not met, the program may be extended for another year, or until all the requirements are completed.

ARE THE OWI/IDP ASSESSMENT AND SSTOP THE SAME THING?

No. The Intoxicated Driver Program (IDP) Assessment is a separate mandatory assessment for every individual convicted of an OWI. In addition to the assessment, a Judge may order an individual to complete SSTOP as part of their sentence. If a person is sentenced to both, they must complete both.

HOW WILL SSTOP EFFECT MY JAIL SENTENCE?

If an individual is sentenced to SSTOP, the Judge will rule that a portion of the sentenced jail days are Stayed. This means the person will not be required to serve those additional Stayed jail days if they successfully complete SSTOP. If SSTOP is not successfully completed, the Judge can impose the Stayed jail days.

WHAT IF I AM CHARGED IN OUTAGAMIE COUNTY, BUT RESIDE IN WINNEBAGO OR WAUPACA COUNTY?

If you are a resident of Waupaca County, your case will not be screened by Outagamie County, and you will have to contact Waupaca County for screening. A Winnebago County resident will still be screened, but will be supervised by Winnebago County SSTOP if sentenced to the program.

WHAT IF I AM CHARGED IN WINNEBAGO OR WAUPACA COUNTY AND RESIDE IN OUTAGAMIE COUNTY?

Residents of Outagamie County with a 2nd or 3rd OWI in Winnebago or Waupaca County may be courtesy supervised in Outagamie County.

HOW LONG WILL THE IGNITION INTERLOCK DEVICE (IID) BE INSTALLED IN MY VEHICLE(S)?

The amount of time a person is required to have an Ignition Interlock Device installed on all vehicles registered in their name is determined by the Judge at the time of sentencing. Be aware, "time" does not start for your IID until you are issued either an occupational license or regular driver's license.

In order to be eligible for GPS, the Outagamie County jail will require installation of the IID on all vehicles registered in your name whether or not you drive them.

BASIC SSTOP REQUIREMENTS
