PROCEEDINGS
OF THE
BOARD OF SUPERVISORS

OUTAGAMIE COUNTY, WISCONSIN

FROM

APRIL 16, 2024

TO

MARCH 25, 2025

PUBLISHED BY ORDER OF THE BOARD

DAN GABRIELSON
Board Chairperson

KELLY GERRITS
County Clerk

Book of Records 2024-25 – Navigation Tips

The approved minutes of each County Board Meeting are included. Those minutes list the synopsis of the ordinances/resolutions and roll calls at the meeting. At the end of each set of minutes for each meeting, you will find scanned copies for each ordinance/resolution (for further detail) which are appended with the physical roll calls.

Additionally, the Book of Records contains "bookmarks" for easier navigation. To find the bookmarks, locate the bookmark panel in your pdf reader (e.g. Adobe, Kofax), and expand the date of the Board meeting. Each resolution or ordinance is bookmarked-- both the synopsis in the minutes, and the full detail--which follow the set of meeting minutes.

There is also a Table of Contents at the front of the Book, which has separate sections for:

- Appointments
- Miscellaneous (includes Special order of Business, County Budget, Public Hearings)
- Ordinances
- Resolutions
- Reports

Outagamie County Est. 1851

* * OUTAGAMIE COUNTY BOARD * *

Office of the County Clerk, April 16, 2024.

The Board met for the ANNUAL REORGANIZATION MEETING, pursuant to Section 59.11 (1) (c), Wisconsin Statutes, and was called to order by County Clerk Jeff King at 4:00 p.m. in the County Board Room, located at 320 South Walnut Street, Appleton, Wisconsin.

ROLL CALL: 31 present, 5 absent. Members present: Thompson, Johnson, Patience, Gabrielson, Kostelny, Hammen, Lawrence, Krueger, Lamers, Ferguson, McCabe, Hermes, Schroeder, Croatt, Spears, Heiser, Mitchell, Cuff, Hagen, Klemp, Thiede, Janke, Weinberg, Culbertson, Nejedlo, Clegg, Thyssen, VanderHeiden, Rettler, Koury, and Lautenschlager. Members absent: Smith, Wegand, MacDonald, Monfils, Winterfeldt

County Clerk Jeff King requested the Board's confirmation to excuse Supervisors Smith, Wegand, and Monfils. No objections; so ordered.

The Pledge of Allegiance was led by County Clerk Jeff King.

Supervisor MacDonald arrived to the meeting at 4:01 p.m.

OATH OF OFFICE

The Honorable Judge Vincent Biskupic, Outagamie County Circuit Court Branch VI, administered the Oath of Office to the 2024-26 County Board of Supervisors that were present.

VOTING EQUIPMENT TUTORIAL

County Clerk Jeff King presented on the use of tablets and the Open Meetings App that the County Board uses for voting and running County Board meetings.

MINUTES OF THE MARCH 26, 2024 COUNTY BOARD MEETING

Supervisor Patience moved, seconded by Supervisor Spears, to approve the minutes of the March 26, 2024, County Board meeting.

ROLL CALL: 30 yes, 2 abstain (Weinberg, Koury), 4 absent. MINUTES OF THE MARCH 26, 2024, COUNTY BOARD MEETING ARE APPROVED.

ELECTION OF COUNTY BOARD CHAIRPERSON

County Clerk King appointed Supervisors Patience, Krueger, and Hagen to act as tellers.

County Clerk King requested nominations for County Board Chairperson to serve a two-year term.

Supervisor Croatt nominated Supervisor Gabrielson. Supervisor Spears seconded the nomination.

County Clerk King asked two additional times if there were any more nominations. None were given.

Supervisor Culbertson made a motion to close nominations for County Board Chairperson. Supervisor VanderHeiden seconded the motion. No objections; so ordered.

Supervisor Spears made a motion to request unanimous consent to appoint Supervisor Gabrielson as Chairperson. Supervisor Patience seconded the motion. No objections; so ordered.

BY UNANIMOUS CONSENT; SUPERVISOR GABRIELSON IS ELECTED COUNTY BOARD CHAIRPERSON FOR A TWO-YEAR TERM.

Supervisor Gabrielson assumed his duties as Board Chairperson. Chairperson Gabrielson thanked the Supervisors for their support.

ELECTION OF COUNTY BOARD VICE-CHAIRPERSON FOR A TWO-YEAR TERM
Chairperson Gabrielson requested nominations for County Board Vice-Chairperson.

Supervisor Hammen nominated Supervisor Culbertson. Supervisor VanderHeiden seconded the nomination.

Chairperson Gabrielson asked two additional times if there were any more nominations. None were given.

Supervisor Patience made a motion to close nominations and to request unanimous consent to appoint Supervisor Culbertson as Vice-Chairperson. Supervisor Kostelny seconded the motion. No objections; so ordered.

BY UNANIMOUS CONSENT; SUPERVISOR CULBERTSON IS ELECTED COUNTY BOARD VICE-CHAIRPERSON FOR A TWO-YEAR TERM.

ELECTION OF COMMITTEE ON APPOINTMENTS (five-member committee)
Chairperson Gabrielson reported that none of the former Supervisors, who at the previous reorganization were appointed to the Committee on Appointments, should be nominated. In 2022, members elected to the Committee on Appointments were Supervisors Spears, Wegand, Hammen, and Vander Heiden.

Chairperson Gabrielson requested nominations for Committee on Appointments.

Supervisor Croatt nominated Supervisor Patience.
Supervisor Hammen nominated Supervisor Klemp.
Supervisor Spears nominated Supervisor Hagen.
Supervisor VanderHeiden nominated Supervisor Croatt.
Supervisor Lautenschlager nominated Supervisor Weinberg.
Supervisor Cuff nominated Supervisor Thiede.
Supervisor Thiede nominated Supervisor Cuff.
Supervisor Schroeder nominated Supervisor Ferguson.
Supervisor Patience nominated Supervisor Culbertson.
Supervisor Ferguson nominated Supervisor Schroeder.

A hand ballot was voted and read by the tellers.

VOTE: Patience-22; Klemp-9; Hagen-18; Croatt-11; Weinberg-11; Thiede-12; Cuff-15; Ferguson-10; Culbertson-15; Schroeder-8. SUPERVISORS PATIENCE, HAGEN, CUFF, CULBERTSON, AND THIEDE WERE ELECTED TO THE COMMITTEE ON APPOINTMENTS.

APPOINTMENT OF PARLIAMENTARIAN FOR A TERM OF ONE (1) YEAR

Supervisor Lautenschlager moved, seconded by Supervisor Patience, to appoint Corporation Counsel Kyle Sargent as Parliamentarian.

Chairperson Gabrielson requested unanimous consent to appoint Corporation Counsel Kyle Sargent as Parliamentarian. No objections; so ordered.

BY UNANIMOUS CONSENT; KYLE SARGENT IS APPOINTED AS PARLIAMENTARIAN.

ADOPTION OF THE ROBERT'S RULES OF ORDER, LATEST EDITION

Supervisor McCabe moved, seconded by Supervisor MacDonald, for adoption of the Robert's Rules of Order, Latest Edition.

Chairperson Gabrielson requested unanimous consent for adoption of the Robert's Rules of Order. No objections; so ordered.

BY UNANIMOUS CONSENT; ROBERT'S RULES OF ORDER ARE ADOPTED.

ADOPTION OF 2024-26 COUNTY BOARD RULES AND PROCEDURES (OUTAGAMIE COUNTY CODE-CHAPTER 2, ARTICLE II, III, IV)

Outagamie County 4-16-24 County Board Meeting - April 16 2024 06:05:47 PM

April 16, 2024 County Board Meeting

OpenMeeting

ORDINANCE NO.: Z-1—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

AN ORDINANCE TO AMEND THE OUTAGAMIE COUNTY ZONING ORDINANCE. The subject matter of the ordinance having been duly referred and considered by the Outagamie County Agriculture, Extension Education, Zoning and Land Conservation Committee and public hearing having been held after giving requisite notice of said hearing, and a recommendation as required by Section 59.69 of the Wisconsin State Statutes.

Outagamie County Planning Staff Rezoning Review recommends approval. Agriculture, Extension Education, Zoning and Land Conservation Committee recommends approval.

NOW THEREFORE, the following ordinance is presented by the Agriculture, Extension Education, Zoning, and Land Conservation Committee to the County Board.

BE IT ORDAINED, that the Outagamie County Board of Supervisors does recommend adoption of the petition of CVS Real Estate, KTMJ Properties LLC, and Merrick Development (Edgewood Commercial Condominium Association), property owners, to rezone a portion of parcel 200013904, from the Local Commercial District to the Industrial District. The location of the site is south of County Hwy JJ and east of Edgewood Trail, Town of Vandenbroek, Outagamie County, WI, as depicted on the attached review and map, which by reference are made a part hereof, and

BE IT FURTHER ORDAINED, that this ordinance shall be in full force and effect in the Town of Vandenbroek upon approval by the Outagamie County Board of Supervisors, publication per State Statute 59.14 and 66.0103, and

BE IT FINALLY ORDAINED, that the Outagamie County Clerk be directed to forward a certified copy of this ordinance to the Town of Vandenbroek Clerk, the Outagamie County Zoning Administrator and the Municipal Code Corporation for inclusion in the Outagamie County Code of Ordinances.

Dated this 16th day of April 2024.

Respectfully submitted,

AGRICULTURE, EXTENSION EDUCATION, ZONING AND LAND CONSERVATION COMMITTEE

MEMORANDUM

TO: **Outagamie County Zoning Committee**
FROM: **Sadie DiNatale Burda, Principal Planner**
DATE: **February 29, 2024**
RE: **PL202400004 - Rezoning - County Review & Recommendation**

Application Details:

Applicant and Owner:	Kelly Sperl, KTMJ Properties, Applicant and Partial Owner on behalf of Edgewood Commercial Condominium (Owner)
Request:	Rezoning - County
Parcel:	Portion of 200013904
Location:	South of County HWY JJ and East of Edgewood Trail TOWN OF VANDENBROEK
Public Hearing:	March 26, 2024 at 10:30 AM

Background & Analysis:

Kelly Sperl, KTMJ Properties, Applicant and Partial Owner on behalf of Edgewood Commercial Condominium (Owner) requested a County Rezoning. The attached rezoning map depicts the request. The proposal would rezone a portion of parcel 200013904 (roughly the eastern half at 3.42 acres) from the Local Commercial District (CL) to the Industrial District (IND) to accommodate storage uses.

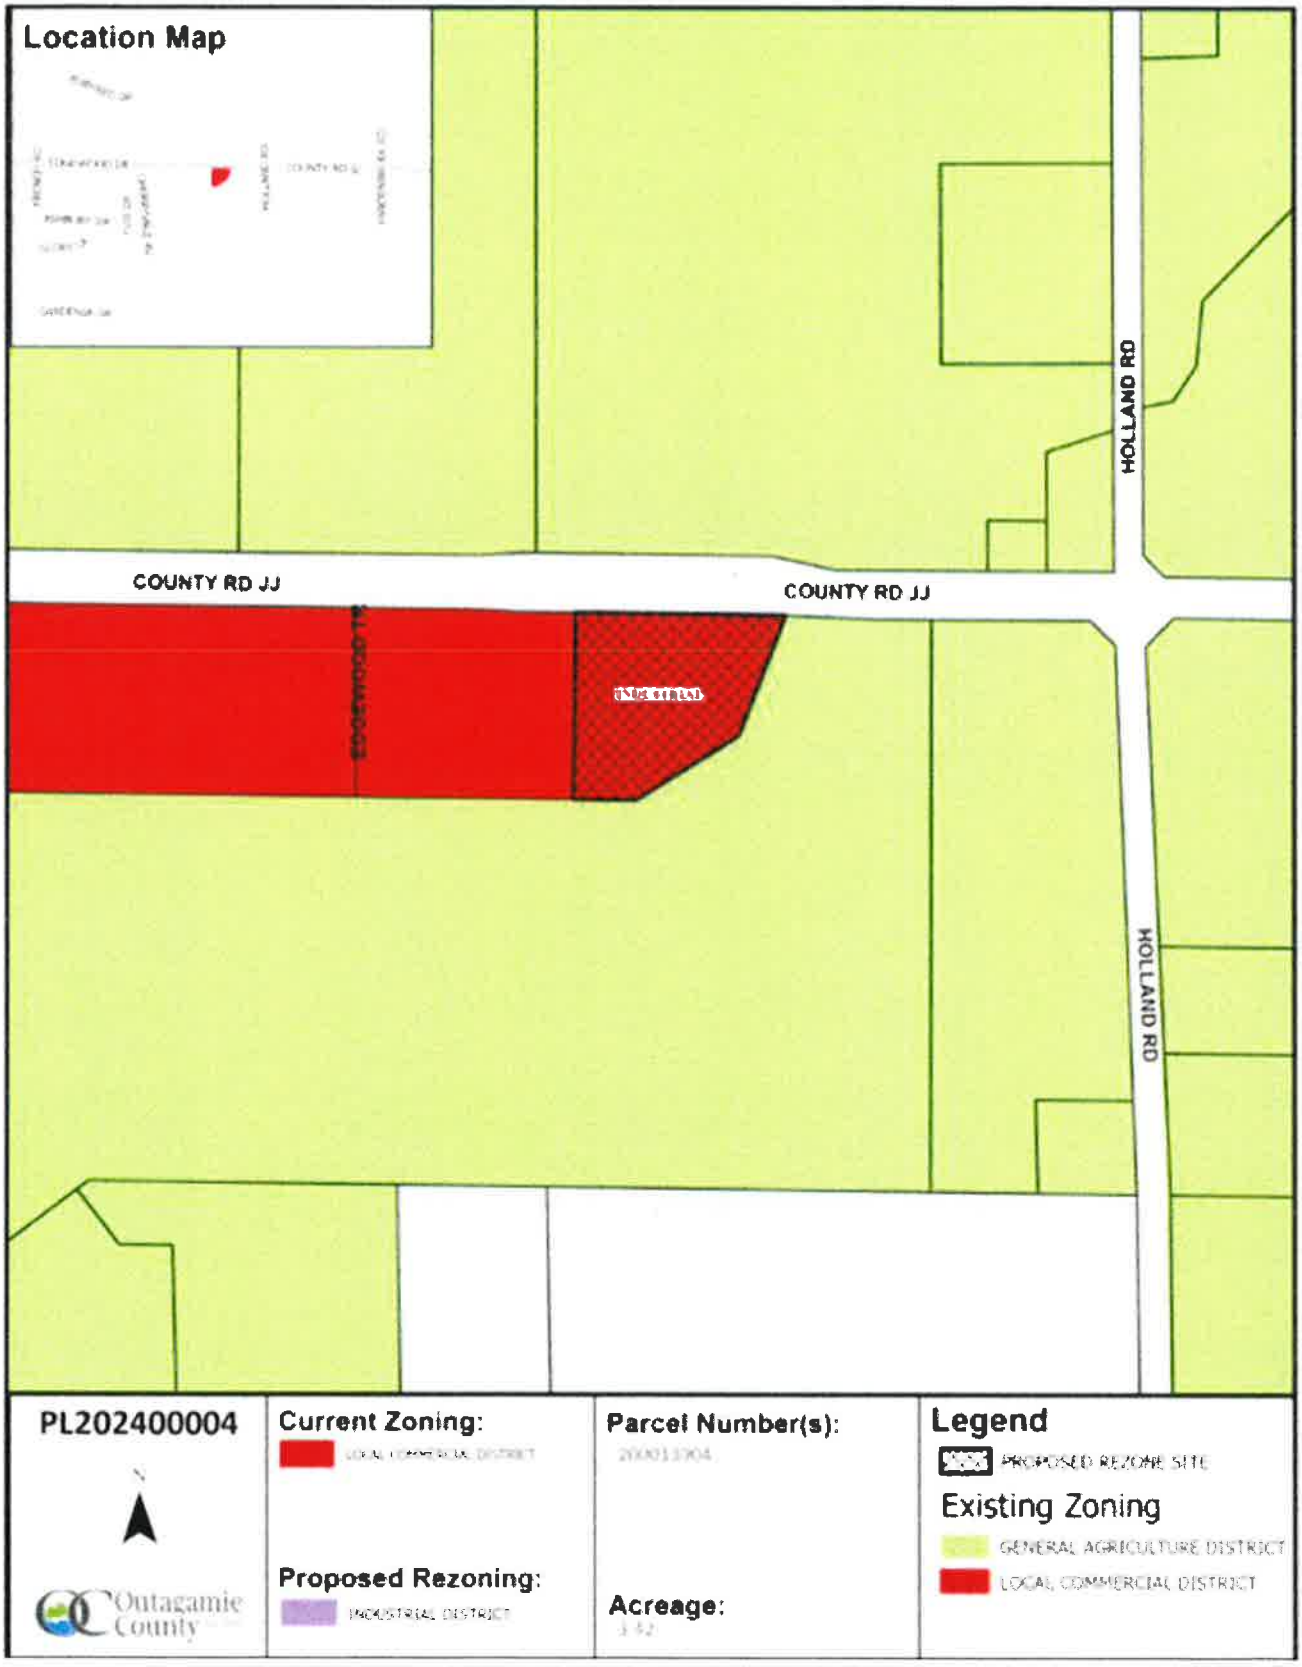
Table 1 presents the existing land use and zoning district patterns surrounding the subject area. The proposed storage uses are compatible with the existing storage uses on the parcel.

Table 1. Surrounding Land Use and Zoning District Patterns, Relative to Subject Site

Area Adjacent to Subject Site	Existing Zoning District	Existing Land Use
North	General Agriculture	Agriculture
South	General Agriculture	Stormwater pond
East	General Agriculture	Stormwater pond
West	Local Commercial	Commercial

The Applicant has been advised that a site plan may be required if the buildings are greater than 30,000 square feet.

The Edgewood Condominium Association is composed of KTMJ Properties (Applicant), CVS Real Estate LLC, and Merrick Development. CVS Real Estate LLC and Merrick Development have authorized the Applicant to pursue this rezone.



The Vandenbroek Town Board reviewed the rezoning request on December 13, 2023 and recommended approval.

The County administers general zoning for the Town of Vandenbroek and the County is statutorily obligated to document consistency with the County Comprehensive Plan, pursuant to Sec. 66.1001(3) Wis. Stats. County staff has identified the proposed rezone to be consistent with the County Comprehensive Plan as the Plan designates this subject area as "Commercial/Industrial." This designation allows a range of uses, including warehousing and storage.

Staff Recommendation:

Based on our review and the above analysis of this proposed Rezoning – County, Staff recommends to: approve the proposed rezoning of a portion of parcel 200013904 from the Local Commercial District to the Industrial District.

RESOLUTION NO.: 1—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Outagamie County Board adopted Resolution 112—2023-24 on March 12, 2024 which approved a lease agreement effective May 1, 2024 with a new concessionaire, SSP America ATW, LLC at the Appleton International Airport. As part of the process for obtaining a "Class B" permit, pursuant to §125.51(5)(b)2, Wis. Stats., a resolution must be adopted by the County Board as owner of the Appleton International Airport. SSP America ATW, LLC has already obtained approval for a Class B permit from the Village of Greenville.

NOW THEREFORE, the undersigned members of the Property, Airport, Recreation and Economic Development Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors, pursuant to §125.51(5)(b)2, Wis. Stats., as owner and operator of the Appleton International Airport, does support granting a "Class B" permit to SSP America ATW, LLC to allow the sale of intoxicating liquor for consumption by the glass and not in the original package or container on the premises, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve the County Board Chairperson and County Clerk to sign the attached AT-105: Application for Airport/Public Facility Permit which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Appleton International Airport Director.

Dated this 16th day of April 2024

Respectfully submitted,

PROPERTY, AIRPORT, RECREATION &
ECONOMIC DEVELOPMENT COMMITTEE

County Board Chair Gabrielson nomination for reappointments of Joy Hagen (chair), Ron Klemp, Dan Nejedlo, and the appointment of Rick Lautenschlager to the Department of Recycling and Solid Waste and Highway Department Facility and Land Use Plan Oversight Committee; terms expiring April 2026.

Supervisor VanderHeiden moved, seconded by Supervisor Cuff, for confirmation of the above-listed reappointments and appointment.

VOICE VOTE CARRIED UNANIMOUSLY. JOY HAGEN (CHAIR), RON KLEMP, AND DAN NEJEDLO ARE REAPPOINTED AND RICK LAUTENSCHLAGER IS APPOINTED TO THE DEPARTMENT OF RECYCLING AND SOLID WASTE AND HIGHWAY DEPARTMENT FACILITY AND LAND USE PLAN OVERSIGHT COMMITTEE.

RECONSIDERATION OF ALL APPOINTMENTS.

Supervisor Patience moved, seconded by Supervisor Smith, to reconsider all appointments.

Vote for reconsideration. ROLL CALL: 27 yes, 9 absent. ALL APPOINTMENTS ARE RECONSIDERED.

Vote for lock in. ROLL CALL: 27 yes, 9 absent. ALL APPOINTMENTS ARE ADOPTED & LOCKED IN.

UNFINISHED BUSINESS – None.

NEW BUSINESS – *NOTE: The minutes that follow list the synopsis of the ordinances/resolutions and roll calls. At the end of this set of minutes, the scanned copies of the each ordinance/resolution will be appended along with the physical roll call.*

Resolution No. Z-1—2024-25 – Agriculture, Extension Education, Zoning and Land Conservation Committee. Approve the rezone request for Russell Obermeier, parcel 101086305, from the Local Commercial District to the R-5 Multifamily Residence District, in the Town of Grand Chute, as noted on the attached review and map.

Supervisor VanderHeiden moved, seconded by Supervisor Koury, for adoption.

ROLL CALL: 26 yes, 1 no (Clegg), 9 absent. RESOLUTION NO. Z-1—2024-25 IS ADOPTED.

Resolution No. Z-2—2024-25 – Agriculture, Extension Education, Zoning and Land Conservation Committee. Approve to recommend denial of the rezone request, outlined in the attached County Rezoning Review and Recommendation report, as required by §59.69(5)(e)4 Wis. Stats., for applicants Chad Reader and Chad Calmes, owners Glen & Cheryl Sprangers, for parcels 200021800, 200021801, 200021802, and 200021803, proposed rezoning from the General Agriculture District to the Industrial District, in the Town of Vandenbroek, as noted on the attached review and map.

Supervisor Mitchell moved, seconded by Supervisor Kostelny, for adoption.

ROLL CALL: 27 yes, 9 absent. RESOLUTION NO. Z-2—2024-25 IS ADOPTED.

Resolution No. Z-3—2024-25 – Agriculture, Extension Education, Zoning and Land Conservation Committee. Approve the Town Zoning Code Text Amendment for the Town of Buchanan which will repeal the entirety of the Town's zoning code text, and replace it with all new language, while preserving the existing zoning map, as noted on the attached staff review and Town Ordinance No. 2024-01.

Supervisor Rettler moved, seconded by Supervisor VanderHeiden, for adoption.

ROLL CALL: 27 yes, 9 absent. RESOLUTION NO. Z-3—2024-25 IS ADOPTED.

Resolution No. 2—2024-25 – Agriculture, Extension Education, Zoning, and Land Conservation Committee. Approve the Land Conservation Department to accept and expend an $18,000 grant from the University of Wisconsin-Green Bay to provide assistance in designing and installing monitoring infrastructure at the Heart of the Valley Sediment Basin and one additional planned agricultural treatment system, and increase the following line items in the Land Conservation Grants (2100400) cost center: Misc Revenue by $18,000; Salary by $2,000; Fringe by $1,000; Supplies by $7,500; and Purchased Services by $7,500, as noted on the attached fiscal note.

Supervisor Cuff moved, seconded by Supervisor VanderHeiden, for adoption.

ROLL CALL: 27 yes, 9 absent. RESOLUTION NO. 2—2024-25 IS ADOPTED.

Resolution No. 3—2024-25 – Finance Committee. Approve to go on record to support the Village of Combined Locks Territory Amendment #1 to Tax Incremental District (TID) No. 3 as detailed in the attached document dated May 7, 2024; and recommend that the representative of Outagamie County on the Village of Combined Locks TID Board of Review vote in favor of the amendment.

Supervisor Krueger moved, seconded by Supervisor Lawrence, for adoption.

ROLL CALL: 26 yes, 1 no (Rettler), 9 absent. RESOLUTION NO. 3—2024-25 IS ADOPTED.

Resolution No. 4—2024-25 – Health and Human Services Committee. Approve the Health and Human Services Public Health Department to apply for, accept and expend the Community Vision Fund Grant for $10,000 to be used to equip members of the community with the resources needed to provide well-being support, and for the line items of Community Health Revenue – Miscellaneous increase by $10,000 and decrease the Community Health Advertising – Promotion by $10,000, as noted on the attached fiscal note.

Supervisor Cuff moved, seconded by Supervisor Kostelny, for adoption.

ROLL CALL: 26 yes, 1 no (Janke), 9 absent. RESOLUTION NO. 4—2024-25 IS ADOPTED.

Resolution No. 5—2024-25 – Property, Airport, Recreation and Economic Development Committee. Approve to transfer $45,000 from the line items of Various Capital Projects (cost center 4661100.6000) to the Various Capital Projects (cost center 4640600.0000) in order to modernize elevators 1, 2, 5, and 7 in the Justice Center, as noted on the attached fiscal note.

Supervisor Smith moved, seconded by Supervisor Klemp, for adoption.

ROLL CALL: 27 yes, 9 absent. RESOLUTION NO. 5—2024-25 IS ADOPTED.

RECONSIDERATION OF RESOLUTION NO. 5—2024-25.

Supervisor Patience moved, seconded by Supervisor Culbertson, to reconsider the above listed resolution.

Vote for reconsideration. ROLL CALL: 27 yes, 9 absent. RESOLUTION NO. 5—2024-25 IS RECONSIDERED.

Vote for lock in. ROLL CALL: 27 yes, 9 absent. RESOLUTION NO. 5—2024-25 IS ADOPTED & LOCKED IN.

Resolution No. 6—2024-25 – Property, Airport, Recreation and Economic Development Committee. Approve an Access Agreement made by and between the State of Wisconsin Department of Natural Resources and Tony J. Farley and Stacey L. Farley for permission to cross the former railroad corridor of Wisconsin Central, Ltd., known as the “Newton Blackmour State Trail” on Parcel Number 190056500 in the Town of Seymour; as noted on the attachments.

Supervisor Culbertson moved, seconded by Supervisor Heiser, for adoption.

ROLL CALL: 27 yes, 9 absent. RESOLUTION NO. 6—2024-25 IS ADOPTED.

Resolution No. 7—2024-25 – Public Safety Committee. Authorize and approve of the "Outagamie County Hazard Mitigation Plan 2024-2029" as an official plan and revisions to meet the Plan approval requirements after adoption will not require Outagamie County to re-adopt any further iterations of the Plan and that subsequent plan updates following the approval period for this Plan will require separate resolutions.

Supervisor Patience moved, seconded by Supervisor Lamers, for adoption.

ROLL CALL: 27 yes, 9 absent. RESOLUTION NO. 7—2024-25 IS ADOPTED.

Resolution No. 8—2024-25 – Finance Committee. Authorize and approve of all excess or deficiency of revenues over/under expenditures and unexpected appropriations of the various accounts reverting back to the County's General Fund or from the General Fund as indicated in the attached fiscal note and Summary of 2023-2024 Revolving Funds, with the exception of those expenses, revenues or transfers, as noted in the resolution and attachments.

Supervisor Lautenschlager moved, seconded by Supervisor Lawrence, for adoption.

ROLL CALL: 27 yes, 9 absent. RESOLUTION NO. 8—2024-25 IS ADOPTED.

CLOSED SESSION PURSUANT TO SECTION 19.85(1)(g) WIS STATS. FOR THE PURPOSE OF CONFERRING WITH LEGAL COUNSEL FOR THE GOVERNMENTAL BODY WHO IS RENDERING ORAL OR WRITTEN ADVICE CONCERNING STRATEGY TO BE ADOPTED BY THE BODY WITH RESPECT TO LITIGATION IN WHICH IT IS OR IS LIKELY TO BECOME INVOLVED REGARDING PREPAYMENT OF PUBLIC BONDS.

Supervisor Lautenschlager moved, seconded by Supervisor VanderHeiden, to enter into Closed Session as noted above.

ROLL CALL: 27 yes, 9 absent. COUNTY BOARD ENTERS CLOSED SESSION AT 7:32 PM.

END CLOSED SESSION

Supervisor Patience moved, seconded by Supervisor Lautenschlager, to end Closed Session and resume normal business.

ROLL CALL: 27 yes, 9 absent. COUNTY BOARD ENDS CLOSED SESSION AT 7:48 PM.

Resolution No. 9—2024-25 – Finance Committee. Approve "RESOLUTION AUTHORIZING THE PARTIAL REDEMPTION OF THE COUNTY'S GENERAL OBLIGATION CAPITAL IMPROVEMENT BONDS, DATED DECEMBER 27, 2012".

Supervisor Lawrence moved, seconded by Supervisor Cuff, for adoption.

ROLL CALL: 27 yes, 9 absent. RESOLUTION NO. 9—2024-25 IS ADOPTED.

RECONSIDERATION OF RESOLUTION NO. 9—2024-25.

Supervisor McCabe moved, seconded by Supervisor Klemp, to reconsider the above listed resolution.

Vote for reconsideration. ROLL CALL: 27 yes, 9 absent. RESOLUTION NO. 9—2024-25 IS RECONSIDERED.

Vote for lock in. ROLL CALL: 27 yes, 9 absent. RESOLUTION NO. 9—2024-25 IS ADOPTED & LOCKED IN.

Outagamie County 4-16-24 County Board Meeting - May 14 2024 07:19:47 PM
April 16, 2024 County Board Meeting
OpenMeeting

RESOLUTION NO.: Z-1—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Town of Grand Chute has adopted a comprehensive Zoning Ordinance separate from that of Outagamie County. Section 60.62 (3) of the Wisconsin State Statutes require that all zoning amendments made by the Town of Grand Chute be approved by Outagamie County before they are effective. The Outagamie County Planning Staff and Zoning Committee both recommend approval.

NOW THEREFORE, the undersigned members of the Agriculture, Extension Education, Zoning and Land Conservation Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does approve of the proposed rezoning request for Russell Obermeier. The proposed rezoning is for parcel 101086305, from the Local Commercial District to the R-5 Multifamily Residence District. The parcel is located north of Schroth Lane and east of McCarthy Road in the Town of Grand Chute, Outagamie County, WI, as depicted on the attached review and map, which by reference are made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a certified copy of this resolution to the Outagamie County Zoning Administrator, the Town of Grand Chute Clerk, the Town of Grand Chute Community Development Director, and the Town of Grand Chute Community Development Administrative Assistant.

Dated this 14th day of May, 2024

MEMORANDUM

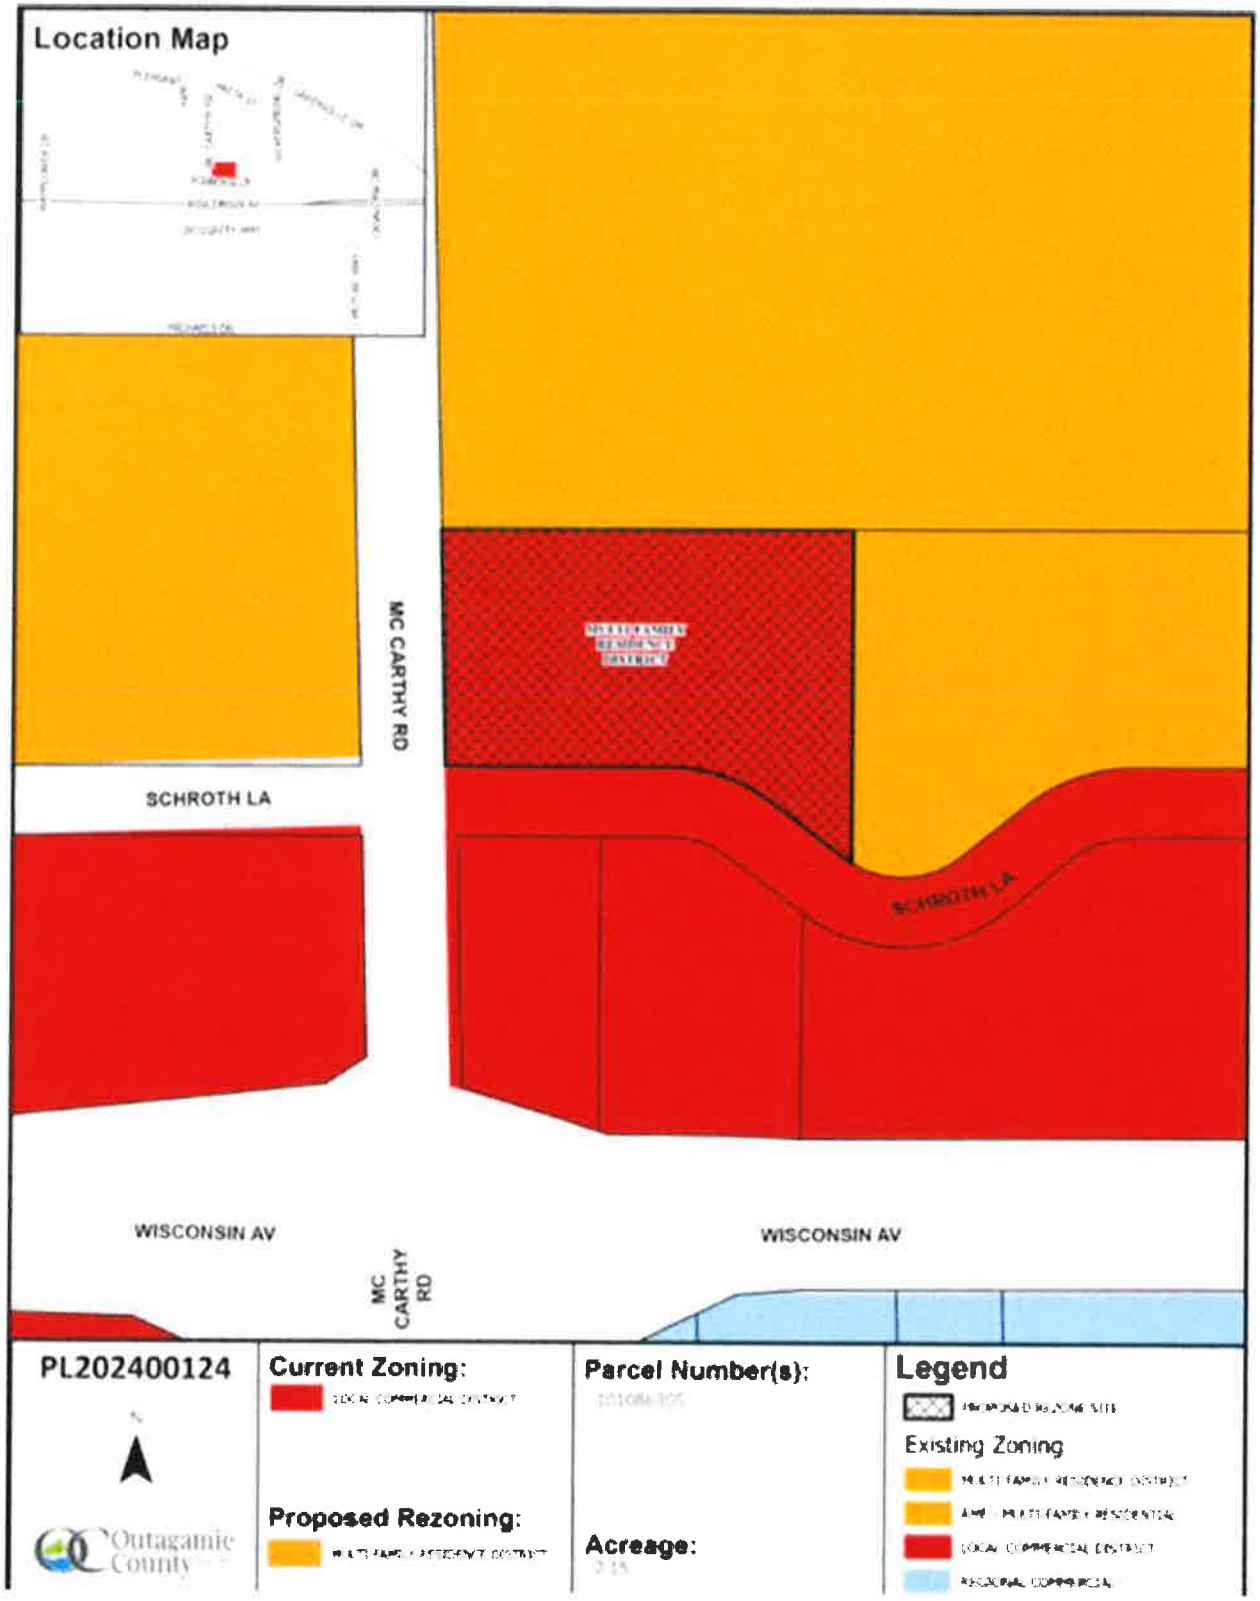
TO: Outagamie County Zoning Committee
FROM: Sadie DiNatale Burda, Principal Planner
DATE: March 25, 2024
RE: PL202400124: Rezoning – Town, Review and Recommendation

Application Details:

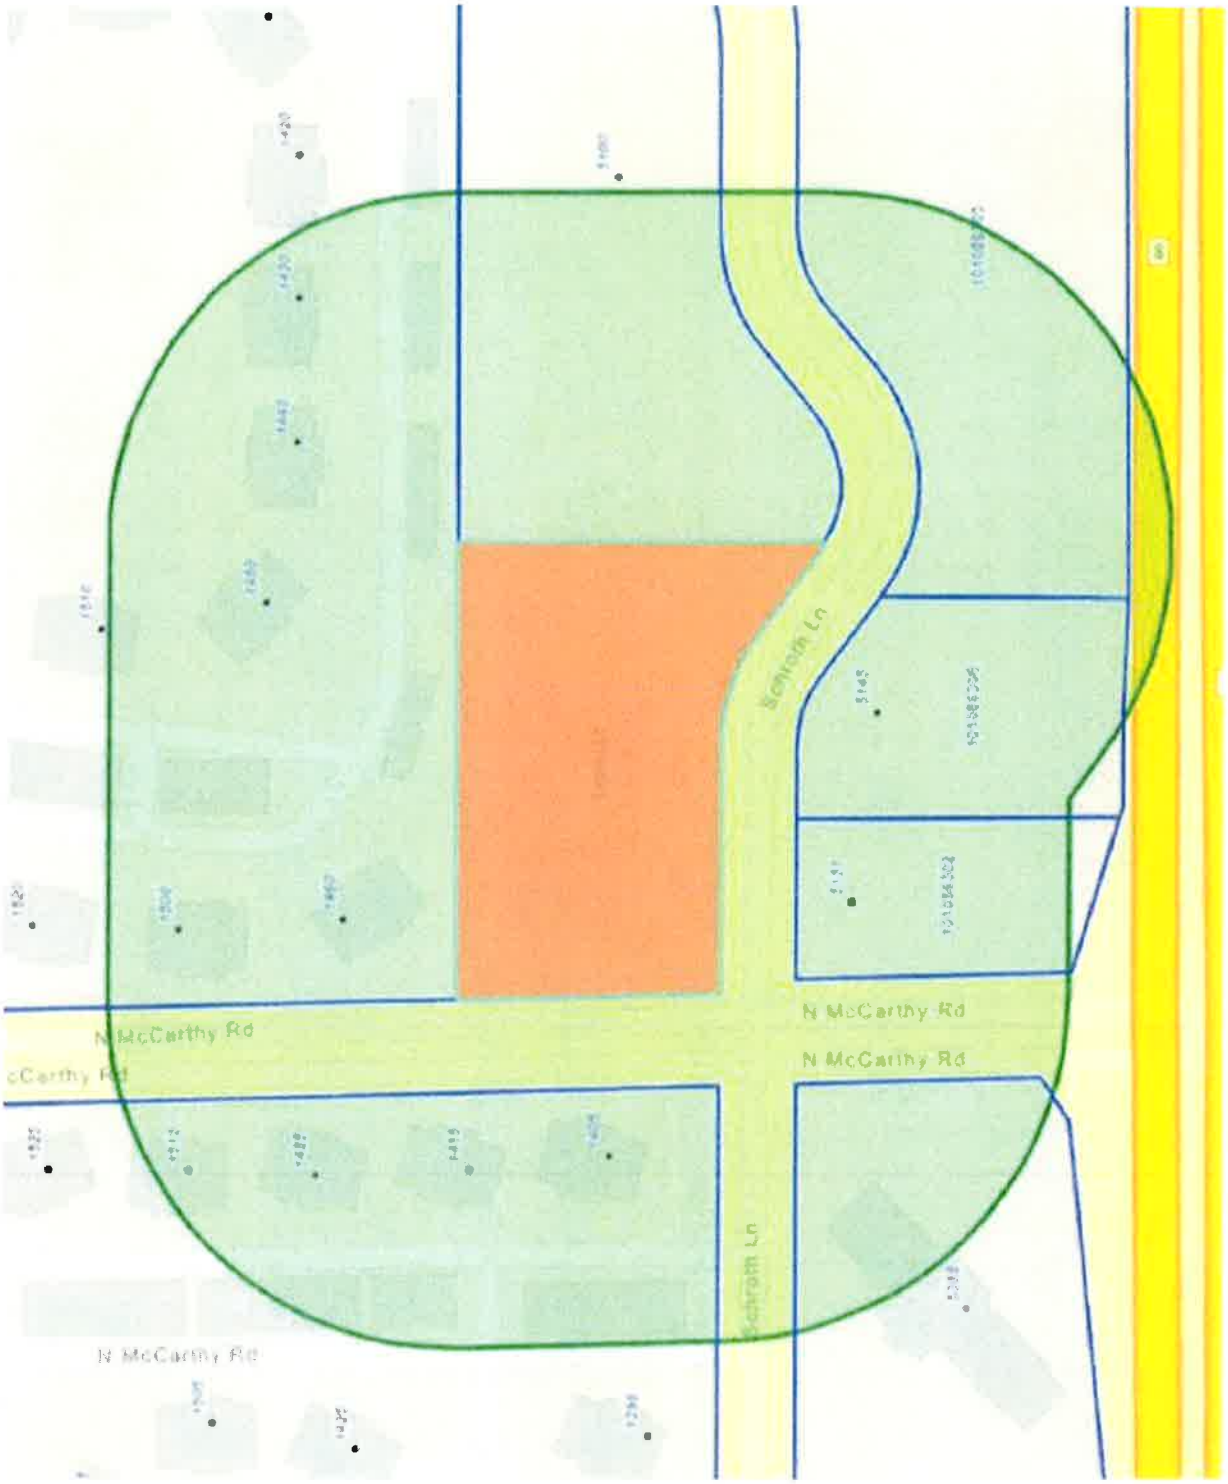
Applicant and Owner:	Town of Grand Chute, Applicant on behalf of Russell Obermeier (Owners)
Request:	Rezoning - Town
Parcel:	101086305
Location:	North of Schroth Lane and East of McCarthy Road TOWN OF GRAND CHUTE
Public Hearing:	March 5, 2024 at 6:00 PM – held by Town of Grand Chute

Background:

Outagamie County received a Town Rezoning request from the Town of Grand Chute, as depicted on the attached Rezoning Map. The proposal would rezone parcel 101086305 (2.15 acres) from the Local Commercial District to the R-5 Multifamily Residence District. The rezoning would allow for the development of a 26-unit assisted living facility that will serve as an expansion to the existing facility to the east.



The Town of Grand Chute exercises village powers and adopted General Town Zoning. The Town of Grand Chute is required to find this rezoning consistent with its Comprehensive Plan. They have identified the rezoning to be consistent with its Comprehensive Plan Future Land Use Map, which identifies the area with the "Urban" designation.



Outagamie County concurs that the rezone is also consistent with its Comprehensive Plan Future Land Map, which identifies the area with the "Community Mixed Use" designation.

The Grand Chute Town Board voted to approve the rezoning request of March 19, 2024.

Staff Recommendation:

Based on County staff's review of this proposed Town Rezoning, Staff recommends to: approve the rezoning of parcel 101086305 from the Local Commercial District to the R-5 Multifamily Residence District.

PLAN COMMISSION
AGENDA MEMORANDUM

MEETING DATE: March 5, 2024
FROM: Michael Patza, Community Development Director
TYPE: Rezoning
APPLICATION NO: Z-02-2024
APPLICANT: Russell L. Obermeier
ADDRESS: Northeast corner of W. Schroth Lane and N. McCarthy Road
TAX PARCEL ID: 101-086305

REQUEST
Applicant requests rezoning of this 2.15 acre parcel from CL Local Commercial District to R-5 Multifamily Residence District.

Background Information/Analysis: The rezoning is requested to allow development of a 26-unit assisted living facility that will serve as an expansion of the existing facility to the east, Silverstone Memory Care, which includes 44 units. A staff connection would be constructed to link the two buildings as shown on the Concept Plan. The intended use of the property and rezone to a multifamily residential classification is consistent with the adjacent multifamily development to the north and east. The site is ideally suited for R-5 Multifamily Residence District zoning classification, as it is a transitional district between existing residential development and commercial areas to the south. Rezoning of this property to R-5 Multifamily Residence District is consistent with the Urban designation for this district as identified in the Town of Grand Chute Comprehensive Plan.

A Certified Survey Map will be required to combine the two existing parcels. Additionally, separate Site Plan approval will be required prior to construction.

Recommended Action: Staff has reviewed and supports a Plan Commission recommendation to rezone the subject property from CL Local Commercial District to R-5 Multifamily Residence District. (Ordinance No. O-03-2024)

Resolution No. Z-2—2024-25 – Agriculture, Extension Education, Zoning and Land Conservation Committee. Approve to recommend denial of the rezone request, outlined in the attached County Rezoning Review and Recommendation report, as required by §59.69(5)(e)4 Wis. Stats., for applicants Chad Reader and Chad Calmes, owners Glen & Cheryl Sprangers, for parcels 200021800, 200021801, 200021802, and 200021803, proposed rezoning from the General Agriculture District to the Industrial District, in the Town of Vandenbroek, as noted on the attached review and map.

Supervisor Mitchell moved, seconded by Supervisor Kostelny, for adoption.

ROLL CALL: 27 yes, 9 absent. RESOLUTION NO. Z-2—2024-25 IS ADOPTED.

RESOLUTION NO.: Z-2—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The subject matter of this resolution was referred to and considered by the Outagamie County Agriculture, Extension Education, Zoning and Land Conservation Committee and a public hearing having been held after giving requisite notice of said hearing, and a recommendation thereon reported to the Board of Supervisors, Outagamie County, Wisconsin, as required by Section 59.69 of the Wisconsin State Statutes.

NOW THEREFORE, the following resolution is presented by the Agriculture, Extension Education, Zoning and Land Conservation Committee to the County Board.

BE IT RESOLVED, the undersigned members of the Agriculture, Extension Education, Zoning and Land Conservation Committee recommend denial of the following rezoning request, outlined in the attached County Rezoning Review and Recommendation report, as required by §59.69(5)(e)4 Wis. Stats., which by reference is made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does deny the proposed rezoning request for Chad Reader and Chad Calmes, applicants for Glen & Cheryl Sprangers, owners. The proposed rezoning is for parcels 200021800, 200021801, 200021802, and 200021803, from the General Agriculture District to the Industrial District. The parcels are located north of Evergreen Drive, in the Town of Vandenbroek, Outagamie County, WI, as depicted on the attached review and map, which by reference are made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a certified copy of this resolution to the Outagamie County Zoning Administrator and the Clerk of the Town of Vandenbroek.

Dated this 14th day of May, 2024.

Respectfully Submitted,

AGRICULTURE, EXTENSION EDUCATION, ZONING & LAND CONSERVATION COMMITTEE

MEMORANDUM

TO: **Outagamie County Zoning Committee**
FROM: **Sadie DiNatale Burda, Deputy Director**
DATE: **April 15, 2024**
RE: **PL202400148: County Rezoning - Review & Recommendation**

Application Details:

Applicant and Owner:	Chad Reader and Chad Calmes, Applicants on behalf of Glen and Cheryl Sprangers (Owner)
Request:	Rezoning - County
Parcel:	200021800, 200021801, 200021802, 200021803
Location:	North of Evergreen Drive TOWN OF VANDENBROEK
Public Hearing:	April 23, 2024 at 10:30 AM

Background & Analysis:

Chad Reader and Chad Calmes, Applicants on behalf of Glen and Cheryl Sprangers (property owners) petitioned for a County Rezone. The attached rezoning map depicts the request. The proposal would rezone parcels 200021800, 200021801, 200021802, and 200021803 (totaling 19.74 acres) from the General Agriculture District (AGD) to the Industrial District (IND) to accommodate storage warehousing establishments. A conceptual site plan is included with the packet for more information.

On March 13, 2024 the Vandenbroek Town Board reviewed the County rezoning request and recommended it for approval. County planning staff acknowledges this recommendation while also expressing reservations regarding the rezone. County staff summarizes three points of concern for consideration.

1. **Alignment with Existing Land Uses**

Table 1 presents an overview of the existing land use and zoning district patterns surrounding the subject site. The surrounding area consists of primarily agricultural land with some existing residential homes located along Evergreen Drive and adjacent to the subject site.

Table 1. Land Use and Zoning District Patterns Surrounding Subject Site

Adjacent Area	Existing Zoning District	Existing Land Use
North	General Agriculture (AGD)	Agriculture
South	General Agriculture (AGD)	Residential
East	General Agriculture (AGD)	Residential & AG
West	General Agriculture (AGD)	Residential & AG

Rezoning the subject site to IND would allow any industrial use authorized within the County's Zoning Ordinance to be constructed at any future time. Permitting industrial uses in proximity to residential areas can create land use conflicts. Land use conflict often arises due to the clash between the operational needs of industrial uses and the desire for residents to have a safe and peaceful living environment.

Given the subject site is adjacent to several existing residential homes, County staff finds this rezone to be incompatible with existing land uses.

2. Alignment with Planned Future Land Uses

The County's Comprehensive Plan, Future Land Use Map designates the subject site and surrounding area as "Suburban Transition." The plan describes Suburban Transition as areas planned for residential development with agriculture and open lands interspersed. The plan states that some non-residential uses, including storage/warehouse uses, are potentially allowed. When evaluating uses that are potentially consistent with the Plan, County staff weighs factors including the surrounding community context. As discussed above, County staff finds that allowing the placement of new industrial uses adjacent to existing residential uses is not appropriate.

Further, both the Village of Little Chute[1] and the City of Kaukauna[2] have planned the subject site and surrounding area for residential development in their Comprehensive Plan's Future Land Use Maps. Both communities have pursued annexations of nearby parcels in the recent past. The potential for future urban residential growth in the surrounding area renders a large industrial zoned parcel further incompatible for the area when considering the anticipated future of the area.

3. Alignment with Recently Implemented Policy

In consideration of Section 1 and 2, County staff finds the proposed storage warehouses to be incompatible with the existing and planned uses near the subject site and the County Board has previously demonstrated support for this perspective. For instance, in 2023, the County Board enacted a Zoning Ordinance amendment:

- That distinguishes storage uses based on size.
  - *Storage establishment* means a structure or structure(s), totaling 40,000 square feet or less, where goods and materials are stored for a fee.
  - *Warehousing* means a structure or structure(s), exceeding 40,000 square feet in total, where goods and materials are stored for a fee.
- That limits where storage and warehousing establishments could be located:
  - Storage establishments are permitted outright in IND. They are permitted as a Special Exception in AGD, except when located within 300 ft. of a residential district, platted residential subdivision, or parcel with a residential use
  - Warehousing establishes are only permitted outright in IND.

---

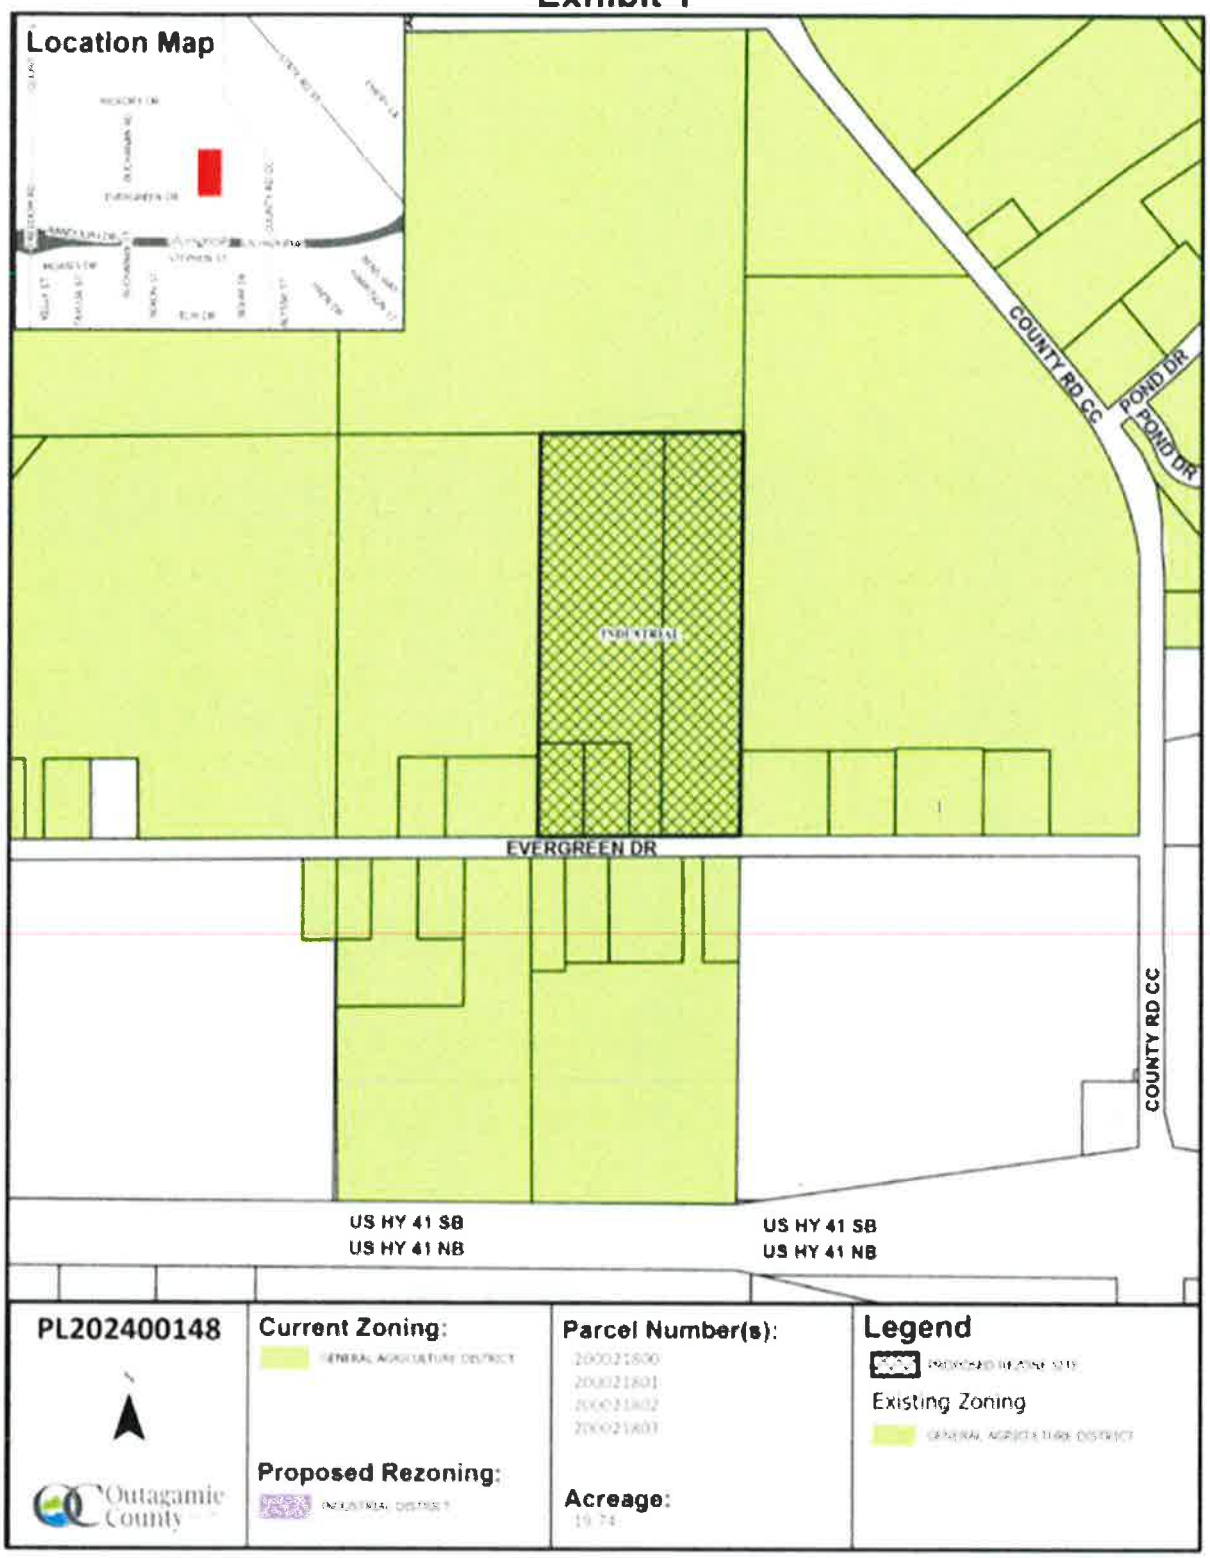
[1] V. Little Chute Future Land Use Map: https://www.littlechutewi.org/DocumentCenter/View/1680/CompPlan-Maps-1-10?bidId=

[2] C. Kaukauna Future Land Use Map (pg. 97): https://kaukauna.gov/wp-content/uploads/2016/06/full-plan-final.pdf

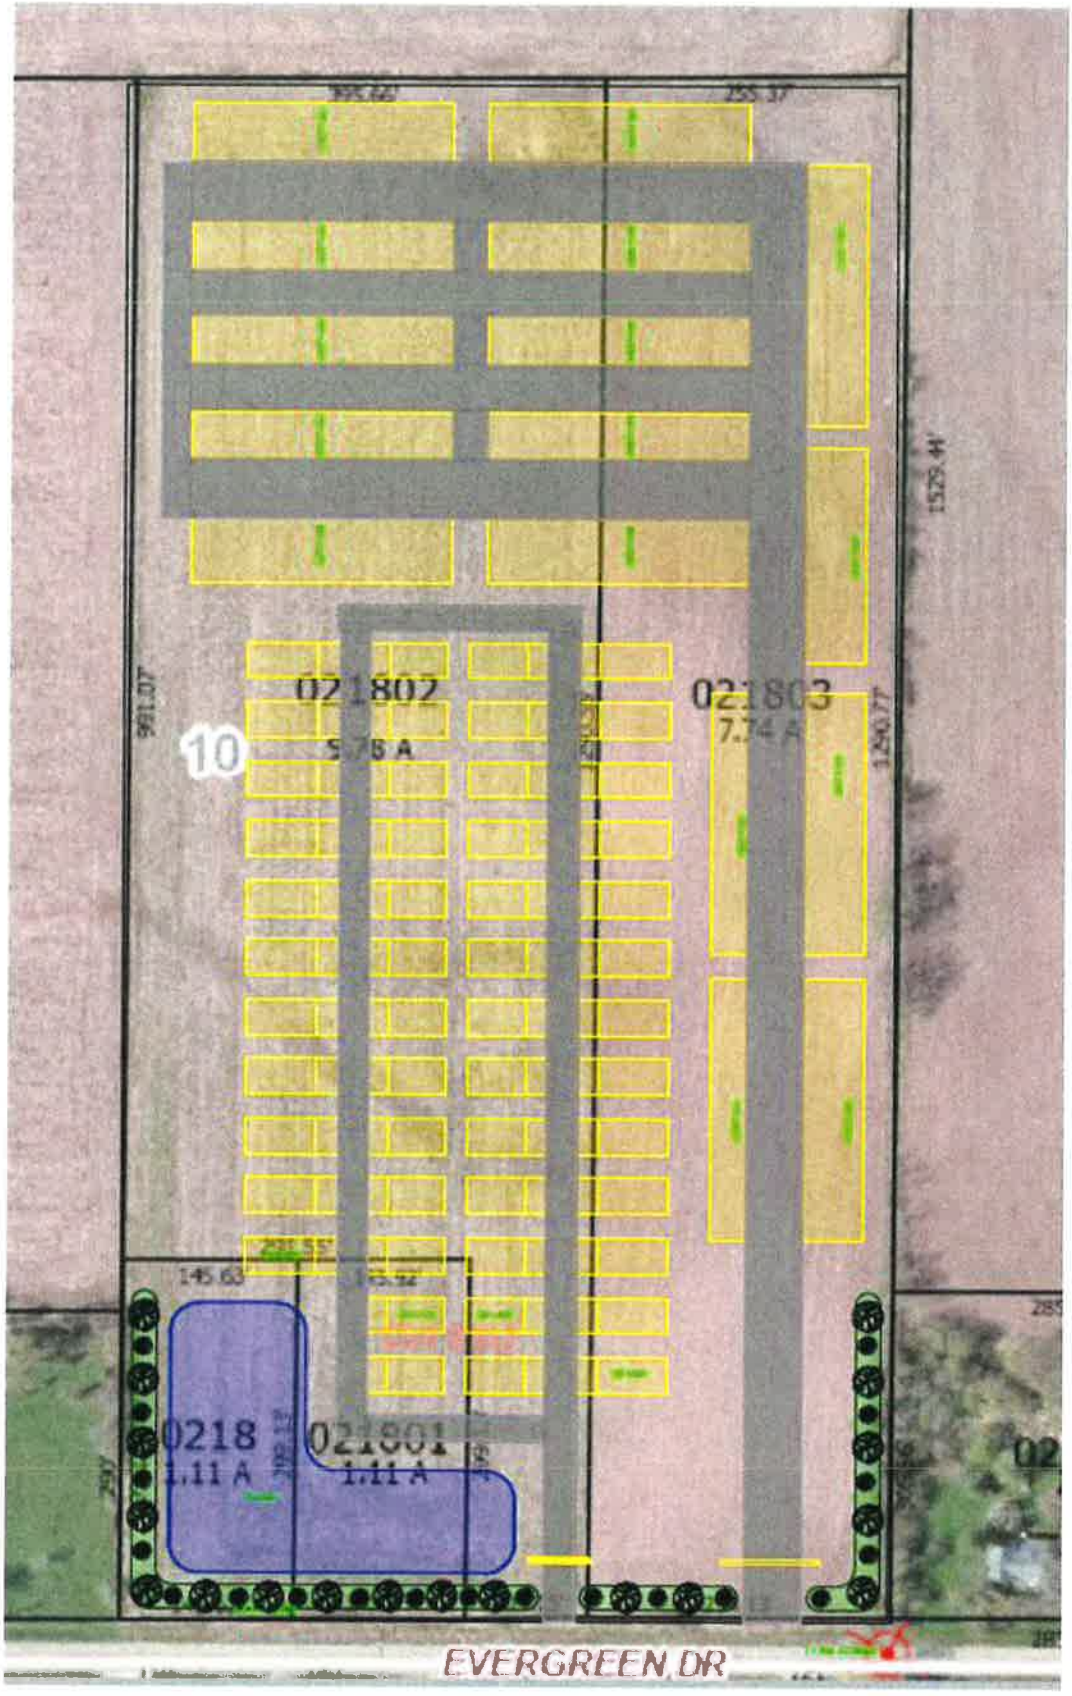
This proposal entails constructing warehouses (the more intense storage establishment type based on size) within 300 ft. of existing residential uses. Thus, County staff has exercised deliberate scrutiny when considering the request to rezone the subject site to IND as it undermines a recent community effort aimed at mitigating this particular land use conflict.

Consistency Finding:

The County administers general zoning for the Town of Vandenbroek and the County is statutorily obligated to document consistency with the County Comprehensive Plan, pursuant to Sec. 66.1001(3) Wis. Stats.



County staff has identified the proposed rezone to be not consistent with the County Comprehensive Plan as the Plan as it interferes with the following Comprehensive Planning Goals:



- Goal 6: Wise land development and conservation practices.
- Goal 8: Proactively anticipating the future becomes standard practice for Outagamie County.

Staff Recommendation:

Based on our review and the above analysis of this proposed County Rezoning, County planning staff recommends to: deny the proposed rezoning of parcels 200021800, 200021801, 200021802, and 200021803 from the General Agriculture District (AGD) to the Industrial District (IND).

Outagamie County WISCONSIN **4-16-24 County Board Meeting - May 14 2024 07:22:14 PM**

April 16, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: Z-3—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Town of Buchanan has adopted a comprehensive Zoning Ordinance separate from that of Outagamie County. Section 60.62 (3) of the Wisconsin State Statutes require that all zoning amendments made by the Town of Buchanan be approved by Outagamie County before they are effective. The Outagamie County Planning Staff and Zoning Committee both recommend approval.

NOW THEREFORE, the undersigned members of the Agriculture, Extension Education, Zoning and Land Conservation Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does approve of the proposed Town Zoning Code Text Amendment which will repeal the entirety of the Town's zoning code text, and replace it with all new language, while preserving the existing zoning map. The proposed zoning code text, and further details are depicted on the attached staff review and Town of Buchanan Ordinance No. 2024-01, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a certified copy of this resolution to the Outagamie County Zoning Administrator and the Clerk of the Town of Buchanan.

Dated this 14th day of May, 2024

Respectfully Submitted,

AGRICULTURE, EXTENSION EDUCATION, ZONING & LAND CONSERVATION COMMITTEE

Debra Vander Heiden

MEMORANDUM

TO: Outagamie County Zoning Committee
FROM: Sadie DiNatale Burda, DLS Deputy Director
DATE: April 4, 2024
RE: PL202400132: Town Ordinance Amendment - Review & Recommendation

Application Details:

Applicant:	Town of Buchanan
Request:	Town Zoning Ordinance Amendment
Parcel(s):	Not applicable – Zoning Ordinance applies town-wide
Location:	Town of Buchanan
Public Hearing:	March 12, 2024 at 7 PM – held by Town of Buchanan

Background & Analysis:

The Town of Buchanan engaged Cedar Corporation in 2022 to update the Town's Zoning Ordinance (attached). The Town held several public meetings to discuss and solicit feedback on the ordinance over the planning and adoption period (February 2022 – March 2024). The Town rewrote their ordinance to:

- Modernize provisions and new uses;
- Better reflect the comprehensive plan vision and goals;
- Address legal inconsistencies with state/federal regulations;
- Clarify ambiguous and confusing standards/terms; and
- Make it more user friendly and efficient with the use of charts, tables and illustrations.

The Town held a public hearing on March 12, 2024. The Town Board found the amendment consistent with the Town of Buchanan Comprehensive Plan and voted to approve the proposed ordinance on March 19, 2024.

The Town of Buchanan has exercised village powers and has adopted General Town Zoning; as such, the County is not statutorily obligated to document consistency with the County Comprehensive Plan, pursuant to Sec. 66.1001(3). However, we do concur that this proposed zoning code amendment is compatible with the County's Comprehensive Plan, as it directly aligns with the following County Comprehensive Plan Goals:

- GOAL 2. Modernized land use and regulatory tools.
- GOAL 6. Wise land development and conservation practices.

Staff Recommendation:

Based on our review and the above analysis of this proposed amendment, County Planning Staff recommends approval of the Town of Buchanan's Zoning Ordinance Amendment, as requested.

TOWN OF BUCHANAN
ORDINANCE NO. 2024-01

AN ORDINANCE REPEALING AND REPLACING CHAPTER 525 ZONING OF THE MUNCIPAL CODE OF THE TOWN OF BUCHANAN

The Town Board of the Town of Buchanan does hereby ordain as follows:

1. Chapter 525 Zoning of the Municipal Code of the Town of Buchanan is hereby repealed and replaced in its entirety as shown on the attached document:

The Town of Buchanan Plan Commission has made a recommendation to the Town of Buchanan Town Board and the Town of Buchanan Town Board hereby finds the proposed amendment to Chapter 525 Zoning is consistent with its Comprehensive Plan.

If this conflicts with any section within the Town of Buchanan Municipal Code, this ordinance shall prevail.

This Ordinance shall take effect upon passage and publication.

Adopted this 19th day of March 2024

Article I
Introduction

§ 525-1 **Statutory authority.**
This chapter is established pursuant to the provisions of § 60.62, Wis. Stats., and shall be known as "the Town of Buchanan Zoning Ordinance."

§ 525-2 **Purpose.**
It is the purpose of this chapter to promote the public health, safety, convenience and general welfare; to protect property values and the property tax base; to permit the careful planning and efficient maintenance of highway systems; to ensure adequate highway, utility, health, educational and recreational facilities; to promote the construction of affordable housing; to recognize the needs of agriculture, forestry, industry and business in future growth; to encourage uses of land and other natural resources which are in accordance with their character and adaptability; to provide adequate light and air, including access to sunlight for solar collectors and to wind for wind energy systems; to encourage the protection of groundwater resources; to preserve wetlands; to conserve soil, water and forest resources; to protect the beauty and amenities of landscape and man-made developments; to provide healthy surroundings for family life; and to promote the efficient and economical use of public and private lands.

§ 525-3 **Applicability and extent of power.**
This chapter is designed to determine, establish, regulate and restrict:

A. The areas within which agriculture, forestry, industry, mining, trades, business and recreation may be conducted.

B. The areas in which residential uses may be regulated or prohibited.

C. The areas in or along natural watercourses, channels, streams and creeks in which trades or industries, filling or dumping, erection of structures and the location of buildings may be prohibited or restricted.

D. Trailer camps or tourist camps and motels, or both, and mobile home parks.

E. Designate certain areas, uses or purposes which may be subjected to special regulation.

F. The location of buildings and structures designed for specific uses and designation of uses for which buildings and structures may not be used or altered.

G. The location, height, bulk, number of stories and size of buildings and other structures.

H. The location of roads, parks, and schools.

I. Building setback lines.

J. The density and distribution of population.

K. The percentage of lot which may be occupied, size of yards, courts and other open spaces.

L. Places, structures or objects with a special character, historic interest, aesthetic interest or other significant value, historic landmarks and historic districts.

M. Burial sites, as defined in § 157.70(1)(b), Wis. Stats.

§ 525-4 **Severability.**
This article and its individual provisions are declared to be severable. If any section, clause, provision, or portion of this article is declared invalid or unconstitutional by a court of competent jurisdiction, this decision shall not affect the validity of the ordinance as a whole. All parts of the ordinance not declared invalid or unconstitutional shall remain in full force and effect.

Article II
Administration and Enforcement

§ 525-5 **Town Zoning Administrator.**
The provisions of this chapter shall be administered and enforced by the Town Zoning Administrator (hereinafter referred to as the "Administrator"). The Town Administrator, or designee, shall act as the Zoning Administrator. The Administrator is authorized to act through aides and assistants. In the performance of the duties of the office of Zoning Administrator, the Administrator may request the assistance of any appropriate officer or agency of the County or State of Wisconsin.

§ 525-6 **Administrator duties and powers.**
The Administrator shall have the following duties and powers:

A. Coordinate with the Town Building Inspector and review applicable permits to verify compliance with the Zoning Ordinance prior to issuance of building permits.

B. Examine all applications for special exceptions and building permits which require submittal and approval of a site plan under **§ 525-11.**

C. Receive all applications for a zoning amendment (text and map), special exception, interpretation, appeal and/or variance and refer such applications to the Plan Commission or Board of Appeals. A variance shall only be issued upon order of the Board of Appeals.

D. Conduct inspections to determine compliance or noncompliance with the provisions of this chapter.

E. Issue stop-work, cease and desist orders, and orders requiring the correction of all conditions found to be in violation of the provisions of this chapter. Such written orders shall be posted on the property in a conspicuous place and/or served personally or by certified mail upon persons deemed by the Administrator to be in violation of the provisions of this chapter. It shall be unlawful for any persons to violate any such order issued by the Administrator.

F. Institute in the name of the Town any appropriate action or proceedings to prevent violations of this chapter.

G. Revoke by order any building permit approved under a misstatement of fact or contrary to the provisions of this chapter.

H. Maintain maps of all special exceptions and maintain a file on each.

I. Upon request of the Town Board, Plan Commission, or Board of Appeals, present to such persons or bodies facts, records or reports which they may request to assist them in making decisions or assist them in any other way as requested.

J. Maintain a map or maps showing the current zoning classification of all lands under the jurisdiction of this chapter. The Administrator shall also ensure that a current copy of the Official Zoning Atlas is available for public inspection.

§ 525-7 **Town Building Inspector.**

A. Upon adoption of this chapter, the Town shall appoint a Town Building Inspector.

B. Town Building Inspector's duties and powers.

(1) Receive and examine all applications for building permits and forthwith transmit copies of all such applications to the Administrator.

(2) Issue building permits only where there is compliance with the provisions of this chapter. Building permits for structures requiring connection to a private domestic sewage treatment and disposal system shall be issued only where there is compliance with applicable sanitary codes. Building permits for development in the floodplain, shoreland and wetland jurisdiction of the Town of Buchanan may be issued contingent upon permits being obtained or verified permits aren't necessary from applicable permitting agencies (County, State, Federal etc.).

(3) Receive and forthwith transmit to the Administrator all applications for building permits which require site plan approval under **§ 525-11** of this chapter.

(4) Conduct inspections to determine compliance or noncompliance with the provisions of this chapter and report any violations of this chapter to the Administrator.

§ 525-8 **Plan Commission.**

A. Refer to Chapter 114 of the Town of Buchanan Code for information on the Plan Commission's roles and responsibilities.

§ 525-9 **Board of Appeals**

A. Establishment of Board. In order that the objectives of this chapter may be more fully and equitably achieved and a means for interpretation provided, there is established a Board of Appeals (hereinafter referred to as "the BOA") for the Town of Buchanan. Membership and terms of office shall be as follows:

(1) Board members. The Board BOA shall consist of five members. The highest elected officer shall appoint the members subject to confirmation by the Town Board. The members of the BOA shall all reside within the Town of Buchanan. The highest elected officer shall designate one of the members as Chairperson.

(2) Terms. The terms of the first appointed shall be for one year, two for two years and two for three years. Successors shall be appointed in such manner at the expiration of each term, and their terms of office shall be three years in all cases, beginning April 30 in the year in which they were appointed and until their successors are appointed.

(3) Vacancies and removal. Vacancies shall be filled for the unexpired term of any member whose office becomes vacant. Members shall be removable by the Town Chairperson for cause upon written charges and after a public hearing.

(4) Compensation. The actual and necessary expenses incurred by the BOA in the performance of its duties shall be paid and allowed by the Town Board as in cases of other claims against the Town. The members of the BOA and their assistants may also be compensated as may be authorized by the Town Board.

B. Rules, meetings, decisions and records.

(1) Rules. The BOA shall adopt rules for the conduct of the business of the BOA in accordance with the provisions of this chapter. The BOA may adopt further rules, as necessary. No rule may be changed without the concurring vote of a majority of the BOA.

(2) Meetings. Meetings of the BOA shall be held at the call of the Chairperson and at such other times as the BOA may determine. Such Chairperson or, in his or her absence, the acting chairperson, may administer oaths and compel the attendance of witnesses. All meetings of the BOA shall be open to the public.

(3) Records and decisions. The BOA shall keep minutes of its proceedings, showing the vote of each member upon each question or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the Town Clerk and shall be a public record.

(4) Votes Required. If a quorum is present, a majority vote of the members of the BOA present shall be necessary to reverse any order, requirement, decision or determination of any such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass or to effect a variation. The grounds of every such determination shall be stated.

C. Jurisdiction of Zoning Board of Appeals. The BOA is hereby vested with the following jurisdiction and authority:

(1) Appeals. To hear and decide appeals where it is alleged there is error in any order, requirement, decision, or determination made by the Administrator or designee in the enforcement of this Chapter.

(2) Variances. To hear and act upon applications for specific variances from the terms provided in this Chapter.

(3) Other matters. To hear and act upon all other matters refereed to it upon which it is required to act under this Chapter.

(4) Assistance. The BOA may request assistance from other Town officers, departments, commissions, and boards.

(5) Oaths. The Chairperson, or in his/her absence the acting Chairperson, may administer oaths and compel the attendance of witnesses.

D. Powers and duties regarding appeals.

(1) Powers. The BOA shall have the power to hear and decide appeals where it is alleged there is an error in any order, requirement, decision or determination made by the Administrator in the enforcement of this chapter. The BOA may reverse or affirm, wholly or partly, or may modify the order, requirement, decision or determination appealed from, and may make such order, requirement, decision or determination as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken and may issue or direct the issuance of a permit.

(2) Procedures. Appeals to the BOA may be taken by any person aggrieved or by any officer, department, board or bureau of Buchanan affected by any decision made by an administrative officer. Such appeal shall be taken within 60 days of the order, requirement, decision or determination appealed from by filing with the Administrator and with the BOA a notice of appeal specifying the grounds thereof. The Administrator shall forthwith transmit to the BOA all the papers constituting the record upon which the action appealed from was taken. The BOA may request the applicant to provide additional information as may be needed to determine the case. A Class 2 notice pursuant to Chapter 985, Wis. Stats. shall be published specifying the date, time, and place of the hearing and the matters to come before the BOA.

(3) Stays. An appeal shall stay all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken shall certify to the BOA after the notice of appeal shall have been filed with him/her that by reason of facts stated in the certificate a stay would cause imminent peril to life or property. In such case proceedings shall not be stayed otherwise than by a restraining order, which may be granted by the BOA or by a court of record on application, on notice to the officer from whom the appeal is taken and on due cause shown.

(4) Withdrawal or amendment.

(a) If the applicant elects to withdraw the appeal any time before final determination is made by the BOA, this fact shall be noted on the application, with the signature of the applicant attesting withdrawal. Copies of the withdrawn application shall be returned to the files of the BOA, to the Administrator and to the applicant.

(b) Amendment of an appeal by the applicant may be permitted at any time prior to or during the public hearing, provided that no such amendment shall be such as to make the case different from its description in the notice of public hearing. If the amendment is requested by the applicant after public notice of the hearing has been given, and such amendment is at variance with the information set forth in the public notice, the applicant shall pay an additional fee to cover the cost of amending the public notice. If the amended notice can be published within the time frame specified for the public hearing, the hearing on the amended appeal may be held on that date, otherwise the Chairperson shall announce that the hearing originally scheduled on the case will be deferred to a future meeting, before which appropriate public notice will be given, and will state the reasons for deferral.

E. Powers and duties regarding variances.

(1) Powers. The BOA shall have the power to authorize upon appeal in specific cases such variance from the terms of this chapter as will not be contrary to the public interest; where, owing to special conditions, a literal enforcement of the provisions of this chapter will result in unnecessary hardship; and so that the spirit of this chapter shall be observed, and substantial justice done.

(2) Procedures. Upon filing with the Town Clerk an application for variance, a reasonable time (not more than 60 days from the filing date) shall be set for a public hearing. A Class 2 notice pursuant to Chapter 985, Wis. Stats., shall be published specifying the date, time, and place of the hearing and matters to come before the BOA.

(3) Requirements for a variance. In general, the power to authorize a variance from the requirements of the Zoning Ordinance shall be sparingly exercised and only under peculiar and exceptional circumstances. No variance shall be granted for actions which require an amendment to this chapter or for use variances. Dimensional/Area variances shall only be granted when the BOA finds that:

(a) The variance is not contrary to the public interest and that such a variance will be in general harmony with the purposes and intent of this Chapter.

(b) The variance will not permit the establishment of a use which is not permitted or permissible in the district; a use variance is not permitted, only dimensional.

(c) Special conditions and circumstances exist which are peculiar to the land, structure or building involved and which are not applicable to other lands, structures, or buildings in the same district.

(d) The literal interpretation of the provisions of this chapter would deprive the applicant of rights commonly enjoyed by other properties in the same district.

(e) The hardship is not shared generally by other land or buildings in the area.

(f) The hardship results from the strict application of this chapter and is not the result of self-created or self-imposed circumstances.

F. Powers and duties regarding interpretations.

(1) The BOA shall have the power to hear and decide applications for interpretations of the zoning regulations and the boundaries of the zoning districts.

G. Appeals from BOA decisions. Any person or persons, jointly or severally, aggrieved by any decision of the BOA or any taxpayer, or any officer, department, board or bureau of the municipality may, within 30 days after the filing of the decision in the office of the Town Clerk, commence an action seeking the remedy available by certiorari.

§ 525-10 **Building Permits.**

A. Applicability. No building or structure (except signs exempt from the provisions of this chapter) shall be erected, constructed, reconstructed, altered, moved or enlarged until a building permit has been obtained from the Administrator or Town Building Inspector and a fee has been paid as listed in the Town Fees and Licenses Schedule.

B. Application for building permit. Application for a building permit shall be made in writing upon a form furnished by the Town of Buchanan and shall include the following information:

(1) Name and address of the owner of the land and the owner of the building or structure, if different.

(2) Plot and construction plans drawn to scale, showing the actual shape and dimensions of the lot to be built upon and the exact sizes and locations on the lot of buildings or structures already existing, if any, and the exact sizes and locations on the lot of buildings or structures proposed to be erected, constructed, reconstructed, altered or enlarged.

(3) The existing and/or proposed use of all buildings or parts thereof on the lot.

(4) The number of families the building is designed to accommodate, the gross leasable floor space of the building, or the number of employees the building is designed to accommodate.

(5) The location and number of required off-street parking and loading spaces.

(6) Such other information with regard to the lot and existing or proposed buildings or structures as may be necessary to determine compliance with and provide enforcement of this chapter, including, but not limited to, a detailed plan of any existing private domestic sewage treatment and disposal system and any requirements deemed necessary as listed in **§ 525-11**.

C. Approval and issuance of building permit. If the Administrator or Town Building Inspector determine that the proposed structure or building will comply with the provisions of this chapter, he/she shall officially approve and sign one set of plans and return it to the owner or applicant and shall issue a building permit which shall be kept on display at the site of the proposed building or structure.

D. Construction to be as provided in applications. Building permits issued on the basis of applications and plans approved by the Administrator or Town Building Inspector authorize only the use, arrangement and construction set forth in such approved applications and plans. Use, arrangement and construction at variance with that authorized shall be deemed a violation of this chapter.

E. Expiration of permit. Construction under a general building permit shall be completed within 12 months of the date of issuance or it shall expire and be null and void; extensions may be granted at the discretion of the Building Inspector. New residential home construction shall comply with the Uniform Dwelling Code. Non-residential construction shall comply with the State Commercial Code.

F. Improper issuance. A building permit which was issued in error or under a misstatement of fact by the applicant shall not create any right in such permit, and the Town shall be entitled to revoke such permit.

G. Prior permits. No building permit lawfully issued by the Administrator or Town Building Inspector prior to the effective date of adoption or amendment of this chapter shall be invalidated by the adoption or amendment of this chapter. Such permit shall remain valid and subsisting, subject only to its own terms.

§ 525-11 **Site Plan Review**

A. Application. An application for a site plan is required to be submitted to and approved by the Administrator prior to:

(1) Performing site work and installation of applicable improvements as required by this Chapter and the Buchanan Municipal Code.

(2) Obtaining an erosion control/stormwater permit as required by this Chapter and the Buchanan Municipal Code.

(3) Obtaining a building permit or other required permit as required by this Chapter and the Buchanan Municipal Code. Interior or exterior remodels, or work considered maintenance that does not expand the existing footprint of a building or structure, does not require a site plan unless otherwise required by this Chapter.

B. Site Plan requirements. The following plans, documents, and information, if applicable as determined by the Administrator or designee, shall be submitted to the Administrator before it shall be considered an official site plan application submittal.

(1) An application on a form provided by the Town.

(2) Plan set to include the following plan sheets unless otherwise waived by the Administrator (a simple building permit for a residential accessory structure/building may not require the same information/plan sheets as a commercial/industrial construction project). Each plan sheet shall provide adequate information to verify all requirements have been met. Plans may be required to be prepared and stamped by a licensed engineer or architect.

(3) Existing conditions sheet to include all existing structures, buildings, utilities, easements, and natural features such as rivers/streams/lakes/wetlands/forested areas, etc. (topographic survey/CSM/Plat).

(4) Standard notes sheet.

(5) Site plan sheet which shall meet the requirements of this Chapter to include but not limited to the applicable zoning district uses, dimensional requirements Access and Visibility and Parking Requirements.

(6) Utility plan sheet.

(7) Erosion control plan sheet, which shall meet the requirements of the Buchanan Municipal Code.

(8) Grading/drainage/stormwater plan sheet, which shall meet the requirements of the Buchanan Municipal Code.

(9) Landscape plan sheet, which shall meet the requirements of this Chapter.

(10) Lighting/photometric plan sheet, which shall meet the requirements of this Chapter.

(11) Sign plan sheet, which shall meet the requirements of this Chapter.

(12) Building elevation sheet in color and black and white, which shall meet the requirements of this Chapter.

(13) Standard details plan sheet(s).

(14) Stormwater Management Report, which shall meet the requirements of the Buchanan Municipal Code and State/County/Federal requirements.

(15) Erosion Control Application.

(16) County, State, and Federal permits and/or approvals if available at the time of submittal. Final approval of the site plan and issuance of erosion control/stormwater/site and building permits to construct may require applicable approvals be submitted to Buchanan.

(17) Any other information that may be required to demonstrate all applicable requirements have been complied with and is consistent with the Comprehensive Plan.

C. Approval. Upon site plan approval, Buchanan shall issue an erosion control and/or stormwater permit as required by the Buchanan Municipal Code, for site work to begin; building permits may be issued once the erosion control permit, if required, has been issued.

D. Inspection and completion.

(1) All improvements required as part of the site plan approval shall be complied with and completed/installed within three months of occupancy of the building or structure unless occupancy/completion occurs between November 1st and May 1st in which case improvements shall be completed no later than July 1st of the following year.

(2) If no building or structure is constructed as part of the project, all improvements required in this Chapter shall be completed/installed within 12 months of issuance of an erosion control/stormwater permit.

(3) If no erosion control/stormwater permit is required, all improvements shall be completed within 12 months of approval of the site plan approval.

(4) Within 30 days of the completion, the owner/developer shall request an inspection of the improvements to verify compliance with the approved site plan and record drawings shall be submitted showing proposed and final grades, utilities, stormwater facilities and any other special features that may need to be identified.

E. Expiration.

(1) If a building permit is required, the site plan approval shall expire if the building permit is not obtained within 12 months of site plan approval.

(2) If a building permit is not required, but an erosion control/stormwater permit is required, the site plan approval shall expire if the erosion control/stormwater permit is not obtained within 12 months of site plan approval.

(3) If a building permit and erosion control/stormwater permit are not required, the site plan approval shall expire if all required improvements are not installed/met within 12 months of site plan approval.

F. Amendments. Changes to site plans shall be reviewed and approved by the Administrator or designee prior to making any changes to the approved site plan or field changes. If it is determined it is a minor change, no fee shall be charged. If it is determined it is a major change, the site plan fee shall be charged.

§ 525-12 **Comprehensive Plan**

A. Statutory authority; adoption of plan. Pursuant to the provisions of § 66.1001 and 60.22, Wis. Stats., the Buchanan Town Board does ordain its authority to prepare and adopt a comprehensive plan as defined in § 66.1001(1)(a) and 66.1001(2), Wis. Stats.

B. Having completed the Town of Buchanan Comprehensive Plan in accordance with the requirements stipulated in Wisconsin's Smart Growth Law, 1999 Act 9, and defined in § 66.1001, Wis. Stats., the Buchanan Town Board hereby adopts the Town of Buchanan Comprehensive Plan as the guide for future land use and development decisions in the Town.

C. All programs and actions of the Town that affect land use, including this zoning ordinance, shall be consistent with the Comprehensive Plan.

§ 525-13 **Special Exceptions.**

A Special Exception is a use or structure that may not be appropriate generally or without restriction throughout a district but, if controlled as to number, area, location, or relation to neighborhood, would promote the public health, safety, welfare, comfort, convenience or the general welfare. Such uses or structures may be permissible in a zoning district as a Special Exception only if specific provision for such use or structure is made in the district. A Special Exception shall not be issued for any use or structure without compliance of this Chapter.

A. Procedure.

(1) Applications for a Special Exception shall be submitted to the Administrator.

(2) A site plan, in compliance with this Chapter, is required for applications for a Special Exception, and it shall be submitted simultaneously with the application. There may be instances where a site plan is not required; in those instances, the Administrator shall have the discretion to determine if a site plan is required and to what level of detail is required to be submitted based on existing site conditions and if physical site or building improvements are required or being proposed.

(3) The application may also be accompanied by any other material or information necessary to demonstrate the grant of a Special Exception will be in harmony with the general intent and purpose of these zoning regulations and will not be injurious to the neighborhood or otherwise detrimental to the public interest. The Administrator shall refer all applications and accompanying materials to the Plan Commission.

B. Public Hearing. A public hearing shall be set within 60 days of filing a complete application to come before the Plan Commission. A Class 2 notice pursuant to Chapter 985, Wis. Stats. shall be published specifying the date, time, and place of the hearing and the matters to come before the Plan Commission.

C. Approval, conditions, and safeguards. Standards for granting Special Exceptions. Special Exceptions shall be recommended by the Plan Commission and approved by the Board when all of the following conditions prevail.

(1) The establishment, maintenance, or operation of the Special Exception will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare of the community.

(2) The Special Exception will not be injurious to the uses of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood in which it is to be located.

(3) The proposed use will not create a look of clutter, garishness, glare, or create an obnoxious noise level, or would generate any other incompatibility with the surrounding neighborhood.

(4) The impact of the use is furthering the purposes of this Chapter or the purposes of the zoning district in which the use is proposed or the adopted Comprehensive Plan.

(5) The establishment of the Special Exception will not impede the normal and orderly development and improvement of the surrounding property.

(6) Adequate facilities, access roads, drainage, and/or necessary services will be provided.

(7) Adequate measures have been or will be taken to provide ingress and egress designed as to minimize traffic congestion in the public streets.

(8) If the Special Exception involves a public use or a use providing public utility service, such use or service shall meet a demonstrable public need and provide a public benefit.

(9) The requirements of this Chapter are met.

(10) It is consistent with the Comprehensive Plan.

D. Conditions, guarantees, and validity period.

(1) Prior to the granting of any Special Exception, the Plan Commission may recommend, and the Board may place such conditions and restrictions as is deemed necessary for the protection of the public interest and to secure compliance with the standards specified in **§525-13 C**. Where Special Exceptions are subject to conditions, the Plan Commission may recommend, and the Board may require evidence and guarantees as it may deem necessary (as proof the stipulated conditions are being and will be complied with).

(2) A Special Exception shall become effective upon approval by the Board and all conditions shall be complied with. A record of the Special Exception shall be kept in the Clerk's files.

(3) If an applicant for a conditional use permit meets or agrees to meet all of the requirements and conditions specified in this Chapter or those imposed by the Board, the Board shall grant the Special Exception. Any condition imposed must be related to the purpose of the ordinance and be based on substantial evidence. Substantial evidence is defined in § 62.23(7)(de)(2)(a) of the Wisconsin Statutes as facts and information, other than merely personal preferences or speculation, directly pertaining to the requirements and conditions an applicant must meet to obtain a conditional use permit and that reasonable persons would accept in support of a conclusion.

(4) The requirements and conditions must be reasonable and, to the extent practicable, measurable and may include conditions such as the permit's duration, transfer, or renewal. The applicant must demonstrate that the application and all requirements and conditions established by Buchanan relating to the Special Exception are or shall be satisfied, both of which must be supported by substantial evidence. Buchanan's decision to approve or deny the permit must be supported by substantial evidence.

E. Inspection and completion.

(1) All conditions and improvements required as part of the Special Exception approval shall be complied with and completed/installed within three months of occupancy of the building or structure unless occupancy/completion occurs between November 1st and May 1st in which case improvements shall be completed no later than July 1st of the following year.

(2) If no building or structure is constructed as part of the project, all improvements required in this Chapter shall be completed/installed within 12 months of issuance of an erosion control/stormwater permit.

(3) If no erosion control/stormwater permit is required, all conditions shall be completed within 12 months of approval of the Special Exception approval.

(4) Within 30 days of the completion, the owner/developer shall request an inspection of the improvements to verify compliance with the approved Special Exception and record drawings shall be submitted in a format as required by Buchanan.

F. Expiration.

(1) If a building permit is required, the Special Exception approval shall expire if the building permit is not obtained within 12 months of Special Exception approval.

(2) If a building permit is not required, but an erosion control/stormwater permit is required, the Special Exception approval shall expire if the erosion control/stormwater permit is not obtained within 12 months of Special Exception approval.

(3) If a building permit and erosion control/stormwater permit are not required, the Special Exception approval shall expire if all required improvements and/or conditions are not installed/met within 12 months of Special Exception approval.

(4) Once granted, a Special Exception shall remain in effect as long as the conditions upon which the permit was issued are followed, but Buchanan may impose conditions such as the permit's duration, transfer, or renewal, in addition to any other conditions specified in the zoning ordinance or by the Plan Commission or Board.

G. Amendments. A minor change to a Special Exception shall be requested by the applicant in writing to be reviewed and voted on by the Plan Commission; no fee shall be charged. If it is determined the modification is a major change, the applicant shall be required to file a new Special Exception permit application with applicable fees.

H. Existing Special Exceptions. Any use or structure existing on the effective date of adoption or amendment of this Chapter which is classified as a Special Exception in the district it is located in shall be deemed to have been granted approval, subject to maintaining the character and extent of such use or structure existing on that date. Any extension, enlargement, or change in such use or structure shall require approval according to the terms of this Chapter.

I. Records and decisions. The Plan Commission and Board shall keep a record of its proceedings under this section and shall be filed immediately as public records. Every final decision under this section shall be in a written Resolution approved by the Board accompanied by findings of fact based on the record.

J. Appeal. If a Special Exception request is denied the decision may be appealed to the Circuit Court.

§ 525-14 **Amendments.**

A. Authority. The Town Board may amend the regulations and requirements of this chapter or change the district boundaries of the Official Zoning Atlas. A petition for the amendment may be made by any property owner in the area to be affected by the amendment, by the Town Board or by any member of the Town Board or Town Plan Commission.

B. Amendments. Amendments to the Official Zoning Atlas shall be approved by the Outagamie County Board of Supervisors in accordance with the provisions of this chapter and § 60.62, Wis. Stats. Amendments shall be effective as provided in § 60.62, Wis. Stats. Amendments shall promptly be portrayed on the appropriate map page and include the ordinance number and effective date of the amendment.

C. Petition and procedures. The petition shall be filed with the Administrator, who shall immediately refer it to the Plan Commission for its consideration, report and recommendations. Procedures shall be in accordance with § 62.23(7), Wis. Stats. A petition filed by a property owner shall be accompanied by a fee as contained in the Town of Buchanan Fees and Licenses Schedule.

§ 525-15 **Fee schedule.**

Fees required under this chapter shall be established in the Town of Buchanan Fees and Licenses Schedule from time to time by resolution of the Town Board. No action shall be taken prior to payment of the required fee.

§ 525-16 **Remedies.**

Compliance with the provisions of this chapter shall be enforced by appropriate fines and penalties. Compliance may also be enforced by injunctional suit of the Town or by the owner or owners of real estate within the district affected by the regulation.

§ 525-17 **Violations and penalties.**

Any person who violates any provision of this chapter or any order, rule or regulation made hereunder shall, upon conviction, forfeit not less than $10 nor more than $500 for such offense, together with the costs of prosecution. Each day that a violation continues to exist shall constitute a separate offense.

§ 525-18 **Notice of violation.**

A. If the Zoning Administrator finds that any of the provisions of this chapter are being violated, he/she shall notify, in writing by registered or certified mail, the person(s) responsible, indicating the nature of the violation and ordering the action necessary to correct the violation. Whenever a person shall have been notified in writing that he/she is in violation of the provisions of this chapter, such person shall commence correction of all violations within five days of notice. If such corrections are not corrected within five days of written notice, each day that a violation continues shall be considered a separate offense.

Article III
General Provisions

§ 525-19 **Reserved**

§ 525-20 **Establishment of zoning districts*.**
To achieve the purposes of this chapter, the Town is hereby divided into the following districts as set forth in this chapter.

AGD	General Agricultural District
RR	Rural Residential District
RSF	Single Family Residential District
RSTF	Single and Two-Family Residential District
RTF	Two-Family Residential District
MDR	Medium Density Residential District
RMF	Multifamily Residential District
CL	Local Commercial District
CR	Regional Commercial District
CP	Planned Commercial District
IND	Industrial District
PI	Public & Institutional District

** Refer to Article VI - Schedule of Special and Overlay Districts for additional district regulations as applicable.*

§ 525-21 **Official Zoning Atlas.**

A. Establishment. The location and boundaries of the districts shall be as shown in a map atlas entitled "the Official Zoning Atlas of Town of Buchanan, Outagamie County, Wisconsin." The district symbol as set out in § **525-20** above and **Article V** of this chapter shall be used to designate each district. The Official Zoning Atlas with all notations, dimensions, designations, references and other data shown shall accompany and be part of this chapter, and upon adoption by the Town of Buchanan Board, each map page shall be signed by the Town Chairperson and attested by the Town Administrator, bearing the date of adoption.

B. Final authority as to zoning status. Regardless of the existence of purported copies of all or part of the Official Zoning Atlas which may from time to time be made or published, the Official Zoning Atlas, which shall be located in the Administrator's office, shall be the final authority as to the current zoning status of any lands.

C. Replacement of Official Zoning Atlas. If the Official Zoning Atlas, or any page or portion thereof, becomes damaged, lost, destroyed or difficult to interpret, the Town Board may by resolution adopt a new Official Zoning Atlas or any page or pages thereof, which shall supersede the prior Official Zoning Atlas, or page or pages thereof. The new Official Zoning Atlas, or page or pages thereof, may correct drafting or other errors or omissions, but no such correction shall have the effect of amending the original Official Zoning Atlas or page or pages thereof. If, in the process of correcting drafting or other errors or omissions, district boundaries are changed or altered, then action may be taken in the form of an amendment.

D. Retention of earlier maps. All zoning maps which have had the force and effect of official zoning maps for the Town of Buchanan prior to the effective date of adoption of this chapter shall be retained as a public record and as a guide to the zoning status of lands prior to such date.

§ 525-22 **Interpretation of district boundaries.**

A. Except as otherwise specifically provided, a district symbol or name shown within district boundaries on the Official Zoning Atlas indicates that the district regulations pertaining to the district extend throughout the whole area surrounded by the boundary line.

B. Where uncertainty exists as to the boundaries of districts shown on the Official Zoning Atlas, the following rules apply:

(1) Boundaries indicated as approximately following the center lines of streets, highways, alleys or rights-of-way shall be construed as following such center lines as they exist on the ground.

(2) Boundaries indicated as approximately following lot lines shall be construed as following such lines; provided, however, that where such boundaries are adjacent to the dedicated street, highway or right-of-way and the zoning status of the street, highway or right-of-way is not indicated, the boundaries shall be construed as running to the middle of the street, highway or right-of-way.

(3) Boundaries indicated as approximately following the limits of incorporated municipalities shall be construed as following such limits.

(4) Boundaries indicated as following railroad tracks shall be construed as being midway between the main tracks.

(5) Where boundaries do not follow property lines and distances are not specified, boundaries shall be determined by the use of the scale on the Official Zoning Atlas.

(6) Where the property layout existing on the ground is at variance with that shown in the Official Zoning Atlas, the Administrator shall interpret the Official Zoning Atlas. The determination by the Administrator may be appealed as provided in § **525-9 E.**

§ 525-23 **Application of regulations.**
The regulations set by this chapter shall be minimum regulations and shall apply uniformly to each class or kind of structure or land, and particularly, except as hereinafter provided:

A. No land, building or structure shall hereafter be used or occupied, and no building, structure or part thereof shall hereafter be erected, constructed, reconstructed, moved or structurally altered except in conformity with all the regulations herein specified for the district in which it is located.

B. No sign shall hereafter be erected, hung, placed, painted, altered, or moved except in conformity with the regulations of the district in which it is located.

C. No part of a yard, open space, or off-street parking or loading space required about or in connection with any building for the purpose of complying with this chapter shall be included as part of a yard, open space, off-street parking or loading space similarly required for any other building.

D. No lot or yard existing at the effective date of adoption of this chapter shall be reduced in dimension or area below the minimum requirements set forth herein. Lots or yards created after the effective date of adoption of this chapter shall meet the minimum requirements established by this chapter.

E. No accessory building, structure or use shall be constructed, erected, moved, or commenced upon a lot until a permit has been issued for the construction of the principal building or use. No accessory building shall be used unless the principal building on the lot is under construction. No cellar or basement shall be used as a dwelling prior to substantial completion of the dwelling of which it is part. If the principal building permit expires prior to construction completion the accessory building shall no longer be allowed to be used until the permit is extended or construction is completed.

§ 525-24 **Interpretation.**
In their interpretation and application, the provisions of this chapter shall be considered minimum requirements, except where a maximum requirement is noted. Where the provisions of this chapter impose greater restrictions than any statutes, other regulations, ordinances or covenants, the provisions of this chapter shall prevail. Where the provisions of any statute, other regulation, ordinance or covenant impose greater restrictions than the provisions of this chapter, the provisions of such statute, other regulation, ordinance or covenant shall prevail.

§ 525-25 **Other regulations**
In addition to the applicability of this chapter, certain lands and structures in the Town of Buchanan are also subject to, without limitation, regulations pertaining to floodplains, subdivisions, erosion control, stormwater management, shorelands and wetlands.

Page intentionally left blank.

Article IV
Definition of Terms and Non-Conformities

§ 525-26 **Word usage.**
For the purpose of this chapter, the following shall apply as indicated throughout the chapter:

A. The word "person" includes a firm, association, organization, partnership, trust, company or corporation as well as an individual.

B. The present tense includes the future tense, and the singular includes the plural.

C. The word "shall" is mandatory; the word "may" is permissive.

D. The words "used" or "occupied" also mean "intended, designed or arranged to be used or occupied."

§ 525-27 **Definition of terms.**
For the purpose of this chapter, the following terms are defined as follows. Additional definitions associated with specific land uses are contained in subsequent Articles and Subsections of this Chapter, most related to those particular uses.

ACCESS
A means of providing vehicular or non-vehicular egress from or ingress to a property, public right-of-way, or private roadway.

ADAPTIVE REUSE
Adapting an existing building originally designed for an institutional, quasi-public, public or other specific/special purpose to a new use.

ADDITION
Any construction that increases the size of a building or structure in terms of site coverage, height, length, width, or gross floor area.

ALLEY
A public or approved private way which affords only a secondary means of access to abutting property.

ALTERATION
A change or rearrangement in the structural parts of a structure, an enlargement of a structure, whether by extending on the side or by increasing the height, or the movement of a structure from one location to another.

BERM
An earthen mound designed to provide visual interest on a site, screen undesirable views, reduce noise, or fulfill other such purposes.

BLOCK
The property abutting the street between the two nearest intersecting or intercepting streets. A railroad right-of-way, the boundary line of un-subdivided acreage, or a body of water shall be regarded the same as an intersecting or intercepting street for the purpose of defining a "block."

BUILD TO LINE
The line parallel to the street along which the primary mass of the front façade should be set. It is measured as a perpendicular distance from the street line to the nearest point of the building facade.

BUILDING
A structure having one or more stories that is fully enclosed with walls/windows/doors and a roof which is used or intended to be used for shelter or enclosure for persons, property or animals.

BUILDING ENVELOPE
The area of a lot or tract formed by lot lines and minimum setback and yard requirements within which an allowed building or structure may be placed.

BUILDING FACADE
The exterior face of a building extending from one corner of the building to another from the ground to the top of the parapet, wall, or eaves, but not including any elements which extend beyond the roof.

BUILDING HEIGHT
A building's vertical measurement from the average grade to the highest point on the roofline of a flat roof or a roof having a pitch ratio of less than 4:12 from the horizontal, and to a point midway between the peak and the eaves of a roof having a pitch ratio of more than 4:12. Height limitations do not apply to belfries, cupolas, water tanks, elevator bulkheads, chimneys, spires, flagpoles, or other appurtenances usually required to be placed above the roof level and not intended for human occupancy.

BUILDING FOOTPRINT
The total horizontal area covered by a building's perimeter at the ground level or cantilevered or a maximum of 24 inches of overhang; overhangs in easements are prohibited.

COMMON OPEN SPACE
A parcel or parcels of land or an area of water or combination of land and water designated and intended for either the recreational use and enjoyment of residents of the development for which it was established and for the general public or for the exclusive recreational use and enjoyment of residents of the development for which it was established. No yard required in connection with any principal use or structure shall be designated or intended for use as common open space.

COMPREHENSIVE PLAN
The long-range plan for the desirable use and development of land in the Town as officially adopted and as amended from time to time by the Plan Commission and certified to the Town Board.

CONDOMINIUM
An estate in real property consisting of an undivided interest in common with other purchasers in a portion of a parcel of real property, together with separate interest in space. A condominium may include, in addition, separate interest in other portions of such property.

COUNTY
Outagamie County, Wisconsin.

COVENANT
A contract between two or more parties which constitutes a restriction of a particular parcel of land.

DEVELOPMENT
Any man-made change to improved or unimproved real estate, including but not limited to construction or additions or substantial improvements to buildings, other structures or accessory uses, mobile homes, mining, dredging, filling, grading, paving, excavation or drilling operations, and deposition of materials.

EASEMENT
Written authorization, recorded in the Register of Deeds office, from a landowner authorizing another party to use any designated part of the land owner's property for a specified purpose.

ELEVATION (BUILDING)
The view of any building or other structure from any one of four sides regardless of the configuration or orientation of a building. Each elevation will generally be identified as a north, south, east or west building elevation. Also see "facade."

ESSENTIAL SERVICES
Services provided by public and private utilities necessary for the exercise of the principal use or service of the principal structure. These services include underground, surface or overhead gas, electricity, steam, water, sanitary sewage, stormwater drainage, and communication systems and accessories thereto, such as poles, towers, wires, mains, drains, vaults, culverts, laterals, sewers, pipes, catch basins, water storage tanks, conduits, cables, fire alarm boxes, police call boxes, traffic signals, pumps, lift stations, and hydrants, but not including buildings.

FAIR MARKET VALUE
Assessed value adjusted for equalized value.

FACADE
The wall planes of a building visible from one side or perspective (e.g., front, side, rear).

FAMILY
One or more persons living together in a single dwelling unit as a traditional family or the functional equivalent of a traditional family. It shall be a rebuttable presumption that four or more persons living together in a single dwelling unit who are not related by blood, adoption or marriage do not constitute the functional equivalent of a traditional family. In determining the functional equivalent of a traditional family, the following criteria shall be present:

A. The group shares the entire dwelling unit.

B. The group lives and cooks together as a single housekeeping unit.
C. The group shares expenses for food, rent, utilities or other household expenses.
D. The group is permanent and stable and not transient or temporary in nature.
E. Any other factor reasonably related to whether the group is the functional equivalent of a family.

FLATWORK
Any flat or horizontal system of construction, such as concrete/asphalt/gravel slabs, pavers, flat stepping stones, sidewalks, patios, driveways, parking lots, etc. installed, placed or laid down to form the surface.

FLOOR AREA
The sum of the gross horizontal areas of the several floors of a building measured from the exterior faces of the exterior walls or from the center line of walls separating two buildings, excluding public corridors, common rest rooms, attic area, unenclosed stairways, elevator structures, heating or other building machinery or equipment, or basement space.

FRONT PLANE
The forward most plane, as related to the parcel frontage, of the main or accessory structure façade on any above grade floor.

GRADE, AVERAGE
The mean level of the finished grade of the ground adjacent to the exterior facade of a building or structure measured to the property lines. If there is an approved grading plan for the lot it shall be used, if there is no approved grading plan then the existing grade of the site shall be used. Grades shall not be altered without applying for a permit and receiving approval from the Administrator.

GRADE, EXISTING
The surface elevation of the ground or pavement at a stated location as it exists prior to disturbance in preparation for a project regulated by the ordinance.

GRADE, FINISHED
The final elevation of the ground surface after man-made alteration, such as grading, grubbing, filling or excavating have been made and is part of an approved grading and drainage plan.

IMPERVIOUS SURFACE
Is a surface that doesn't allow water to seep into the ground and releases as runoff all or a large portion of the precipitation that falls on it, except for frozen soil. Rooftops, sidewalks, driveways, parking lots and streets are examples of surfaces that typically are impervious. Gravel surfaces are considered impervious, unless specifically designed to encourage infiltration.

INFILL SITE
Any vacant lot or parcel within developed areas of the Town, where at least 80 percent of the land within a 300-foot radius of the site has been developed; and where water, sewer, streets, schools, and fire protection have already been developed and are provided.

LANDSCAPING
Landscaping shall consist of, but not be limited to, grass, ground covers, shrubs, vines, hedges, trees, berms and complementary structural landscape architectural features, such as rock, fountains, sculpture, decorative walls and tree wells.

LOT
A parcel of land used or set aside and available for use as the site for one or more buildings and buildings accessory thereto or for any other purpose, in one ownership and not divided by a street nor including any land within the limits of a public or private street right-of-way. The term "record lot" shall mean land designated as a distinct and separate parcel on a legally recorded deed or plat in the Register of Deeds office. Reference **Diagram 525-27-1.**

LOT AREA, GROSS
The total horizontal area within the lot lines of the lot.

LOT AREA, NET
The total area of a lot, tract, or parcel excluding existing and proposed streets and rights-of-way, land under navigable water bodies, and land within the floodway.

LOT COVERAGE
The percentage of the gross lot area covered by all buildings and structures, including flatwork.

LOT DEPTH
Depth of a lot shall be considered to be the distance between the midpoints of straight lines connecting the foremost points of the side lot lines in front and the rearmost point of the side lot lines in the rear.

LOT FRONTAGE
The uninterrupted linear or curvilinear extent of a lot measured along the street right-of-way from the intersection of one side lot line to the intersection of the other side lot line. The measurement of lot frontage shall not include irregularities in the street line and, in the case of a corner lot, shall extend to the point of intersection of the side line of the rights-of-way. If a lot has frontage on more than one street, frontage on one street only may be used to satisfy the minimum lot frontage.

LOT LINE
The property line bounding a lot.

LOT LINE, CORNER SIDE
A lot line abutting a public street but is not a front or rear lot line. There may be multiple corner side lot lines per lot.

LOT LINE, FRONT
The lot line along a public street which is not a corner side lot line and is adjacent to the street for which it has been issued an address.

LOT LINE, INTERIOR SIDE
A lot line not abutting a public street and is not a rear lot line. There may be multiple interior side lot lines per lot.

LOT LINE, REAR
The lot line most distant from, and is, or most nearly is, parallel to the front lot line. There shall only be one rear lot line per lot.

LOT LINE, ZERO
An interior side lot line which has no side setback or yard requirements. Buildings are constructed directly on the zero lot line and may be attached to buildings located on lots adjacent to the zero lot line.

LOT TYPES
Reference **Diagram 525-27-1.**

CORNER LOT
A lot abutting two (2) or more streets at their intersection provided that the corner of such intersection shall have an angle of one hundred thirty five degrees (135°) or less, measured on the lot side.

CORNER LOT, REVERSED
A corner lot oriented so it has its rear lot line coincident with or parallel to the side lot line of the interior lot immediately to its rear.

FLAG/IRREGULAR LOT
An irregular shaped lot where access to a public or private street is provided by means of a narrow access strip between two abutting lots and make the shape of a flag or other irregular shape that has more than four lot lines.

INTERIOR LOT
A lot situated on a single street which is bounded by adjacent lots along each of its other lines and is not a corner lot.

LEGAL NONCONFORMING LOT
A lot lawfully existing at the effective date of this chapter, or any subsequent amendment, which is not in conformance with all provisions of this chapter.

THROUGH LOT
A lot that has a pair of opposite lot lines along two (2) substantially parallel streets and which is not a corner lot. If there are varied front yards and/or setbacks on either side of the through lot, then the deeper front yard and setback requirements shall be used. Structures in the rear yard of a through lot shall be located no closer to the street than structures on adjacent lots.

LOT OF RECORD
Land designated as a distinct and separate lot on a legally recorded deed, Certified Survey Map (CSM) or plat in the Register of Deeds' office.

LOT WIDTH
The minimum horizontal distance between the side lot lines as measured at the required front setback. Reference **Diagram 525-27-2.**

NAVIGABLE WATER(WAY)
All natural inland lakes, rivers, streams, ponds, sloughs, flowages, and other waters within the territorial limits of Wisconsin, including the Wisconsin portion of boundary waters. All bodies of water with a bed differentiated from adjacent uplands and with levels of flow sufficient to support navigation by a recreational craft of the shallowest draft on an annually recurring basis. For the purposes of this Chapter, rivers and streams will be presumed to be navigable if they are designated as either continuous or intermittent waterways on the United States Geological Survey quadrangle maps until such time that the Wisconsin Department of Natural Resources has made a determination that the waterway is not, in fact, navigable.

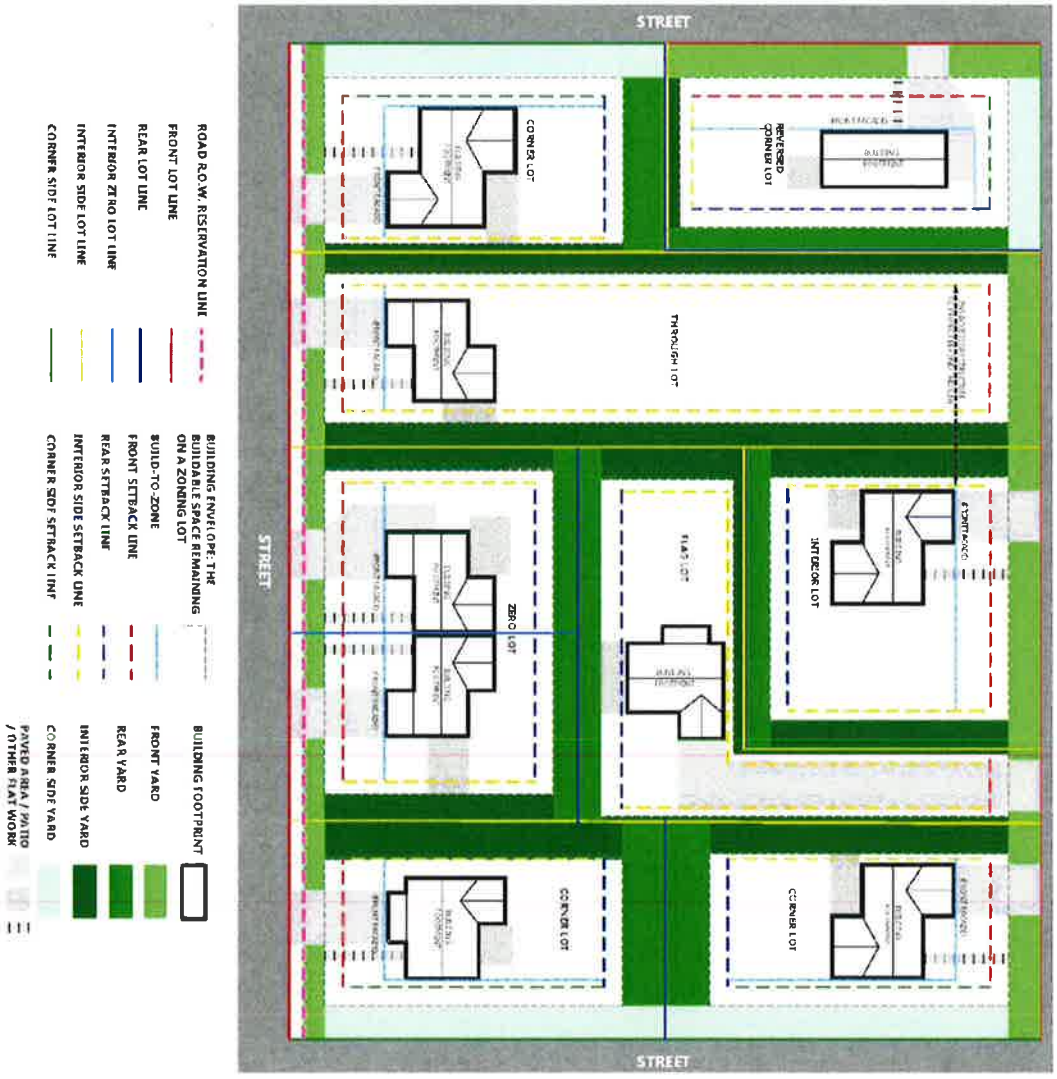
NET ACRES
The total acreage of a lot, tract or parcel of land, excluding land in existing and proposed streets and street rights-of-way, land under navigable water bodies, wetlands and floodplain.

NET / GROSS DENSITY
The term "net density" refers to the number of residential dwelling units permitted per net acre of land and is determined by dividing the number of units by the total area of land within the boundaries of a lot or parcel not including street rights-of-way, outlots, and other public lands. In the determination of the number of dwellings to be permitted on a specific parcel of land, a fractional unit shall not entitle the applicant to an additional unit. The term "gross density" refers to the number of residential dwelling units permitted per gross acre of land and is determined by dividing the number of units by the total area of land within the boundaries of a lot or parcel including street rights-of-way, outlots, and other public lands. In the determination of the number of dwellings to be permitted on a specific parcel of land, a fractional unit shall not entitle the applicant to an additional unit.

NON-CONFORMING USE
Any use of land or structure(s) or any lot or structure(s) which lawfully existed at the effective date of adoption or amendment of this chapter which would not be permitted or permissible by the provisions of this chapter as adopted or amended.

OCCUPANCY
The residing of an individual or individuals overnight in a dwelling unit, or the installation, storage or use of equipment, merchandise or machinery in any public, commercial or industrial building.

Diagram 525-27-1: Lot Types, Lot Lines, Setback Lines, and Yard Definitions



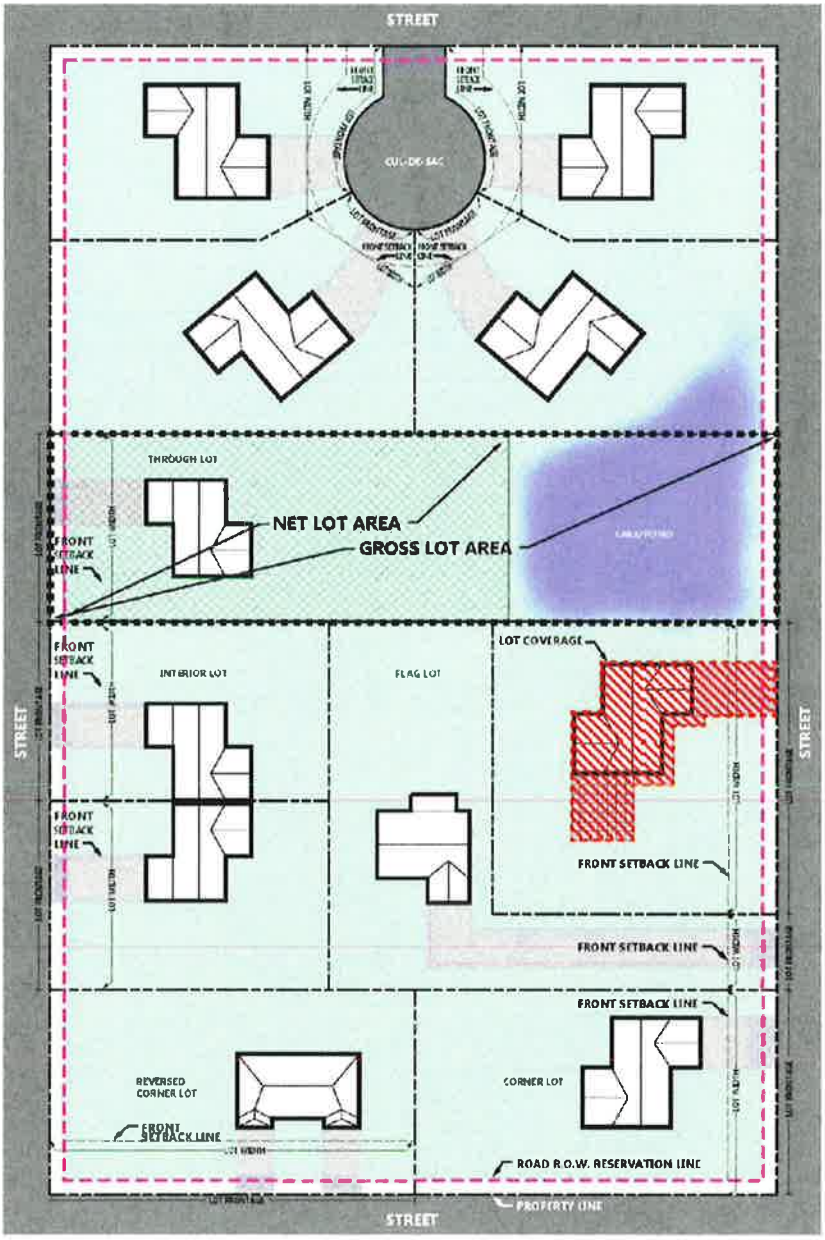


Diagram 525-27-2: Setback Lines, Lot Width, and Lot Area Definitions

29

OCCUPANT
The individual or individuals in actual possession of a premises.

OFFICIAL MAP
The map adopted pursuant to Section 62.23 of the Wis. Stats. which shows existing and proposed streets, highways, parkways, parks and playgrounds, school sites, etc.

OUTDOOR LIGHTING
A light fixture, permanent or portable, used or for use out of doors, including search lights, spotlights and floodlights but not including internally illuminated signs. See also Section **Article VIII Outdoor Lighting** for additional related terms and definitions.

ORDINARY HIGH WATER MARK
A mark delineating the highest water level which has been maintained for a sufficient period of time to leave evidence upon the landscape. The ordinary high water mark is commonly that point where natural vegetation changes from predominately aquatic to predominately terrestrial. In areas where the ordinary high water mark is not evident, setbacks shall be measured from the stream bank of the following water bodies that have permanent flow or open water: the main channel, adjoining side channels, back waters, and sloughs.

OVERLAY ZONING DISTRICT
A zoning district which imposes uniform restrictions on all properties within its area which are in addition to the restrictions specific to the underlying or base zoning districts.

PARKING AREA
An area other than a street used for the temporary parking of motor vehicles.

PLAN COMMISSION
The agency or commission designated by the Town Board pursuant to § 62.23 Wis. Stats.

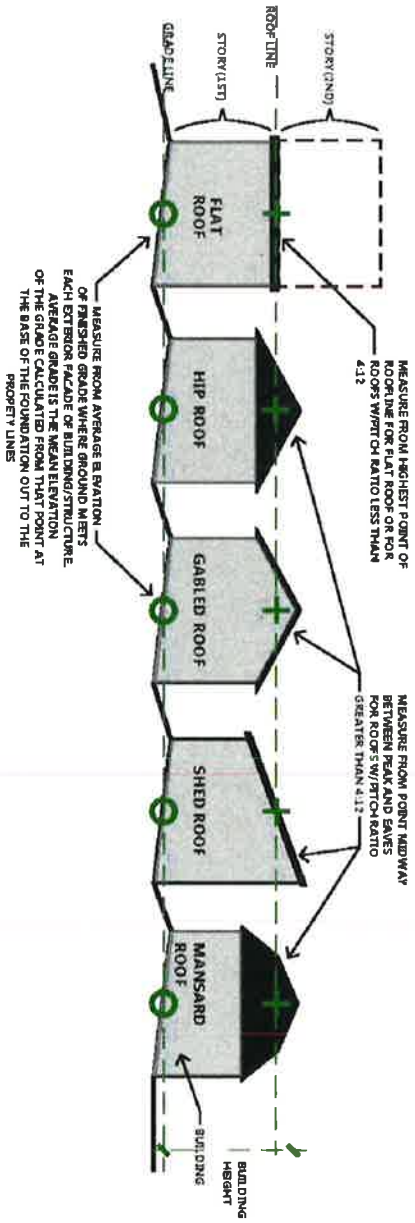
PLANNED UNIT DEVELOPMENT
A residential land development comprehensively planned as an entity via a unitary plan which permits flexibility in building siting, mixtures of housing types, usable open spaces and the preservation of significant natural features.

PUBLIC IMPROVEMENT
Any improvement, facility, or service, together with customary improvements and appurtenances thereto, necessary to provide for public needs, such as: streets, roads, alleys, or pedestrian walks or paths; storm sewers; flood control improvements; water supply and distribution facilities; sanitary sewage disposal and treatment; parks, and public utility and energy services.

RIGHT-OF-WAY RESERVATION LINE
A line designating future right-of-way on a property. The lot area between this line and the front/corner side lot line is reserved for use as right-of-way in the future. For properties with a right-of-way reservation line, required setbacks and yards shall be measured from the right-of-way reservation line instead of the front/corner side lot line.

ROOF
A structural covering over any portion of a building or structure including eaves or similar projections beyond the walls or supports of the building or structure. Refer to **Diagram 525-27-3** for illustrations associated with specific roof types.

SETBACK LINE, BUILDING/YARD
The building setback is the minimum required distance between any buildings and structures and the lot lines of the lot on which it is located. The yard setback is the minimum distance between any flatwork and the lot lines of the lot on which it is located. Flatwork is permitted to extend beyond the building setback up to the yard setback. Reference **Diagrams 525-27-1 and 525-27-2.**



SETBACK LINE, CORNER SIDE (BUILDING/YARD)
A line parallel to the corner side lot line extending between the front building setback line and rear lot line, behind which a building may be constructed. Flatwork is permitted to extend beyond the building setback up to the yard setback .

SETBACK LINE, FRONT (BUILDING/YARD)
A line parallel to the front lot line extending between the interior side lot lines and/or corner side lot line, behind which a building may be constructed. Flatwork is permitted to extend beyond the building setback up to the yard setback.

SETBACK LINE, INTERIOR SIDE (BUILDING/YARD)
A line parallel to the interior side lot line extending between the front setback line and the rear setback line, behind which a building may be constructed. Flatwork is permitted to extend beyond the building setback up to the yard setback.

SETBACK LINE, REAR (BUILDING/YARD)
A line parallel to the rear lot line extending between the interior side lot lines and/or corner side setback line, behind which a building may be constructed. Flatwork is permitted to extend beyond the building setback up to the yard setback.

Diagram 525-27-3: Building and Roof Types

SIGN
See **Article VIII, Signs**

STORY
That portion of a building, other than a basement, which is between the surface of any floor and the surface of the next floor above it or, if there is not a floor above, then the space between such floor and the ceiling next above it.

STREET LINE
The dividing line between the street and the lot. The street line shall be the same as the legal right-of-way line.

STREET TERRACE
The space between the sidewalk and the curb, or the equivalent space where sidewalk or curb are not installed.

STRUCTURE
Anything constructed or erected with a fixed location on the ground or attached to something with a fixed location on the ground. Among other things, structures include buildings, decks, signs, fences, mobile homes and flat work.

STRUCTURE, ACCESSORY
A structure (including buildings) on the same lot with the principal use or structure, and of a nature customarily incidental and subordinate to the principal use or structure. See 525-23E for additional regulations.

STRUCTURE, PRINCIPAL
The primary structure on a lot which is not an accessory structure.

STRUCTURAL ALTERATIONS
Any change in the supporting members of a building or any substantial change in the roof structure or in the exterior walls.

SUBSTANDARD LOT
A lot of record which lawfully existed prior to this Chapter and would not conform to the applicable regulations if the lot were to be created under the current provisions of this Chapter.

UNNECESSARY HARDSHIP
The circumstance where special conditions affecting a particular property, which were not self-created, have made strict conformity with restrictions governing areas, setbacks, frontage, height, or density unnecessarily burdensome or unreasonable in light of the purposes of the ordinance.

USE, ACCESSORY
A use on the same lot with the principal use or structure, and of a nature customarily incidental and subordinate to the principal use or structure. See 525-23E for additional regulations.

USE, PRINCIPAL
The primary use on a lot that is not an accessory use or Special Exception.

USE, SPECIAL EXCEPTION
Reference **§525-13.**

USE, TEMPORARY
A use that is temporary and not permanent and may be allowed without a Principal or Special Exception Use.

VARIANCE
A relaxation of the terms of this chapter where such variance will not be contrary to the public interest and where, owing to conditions peculiar to the property and not the result of the actions of the applicant, a literal enforcement of the ordinance would result in unnecessary and undue hardship. Variances may be granted only if they meet the requirements of Article II of this chapter.

WETLAND
An area that is saturated by surface water or groundwater, with vegetation adapted for life under those soil conditions. See also Section 23.32(1), Wis. Stats.

YARD
The minimum green space area parallel to a lot line and extending into the lot for a distance as required by this Chapter. Buildings and structures shall be prohibited in all yards unless otherwise permitted. Customary accessory flatwork, lawn ornaments, furniture, fences/walls, pedestrian facilities and signs are permitted within the yard setback.

YARD, CORNER SIDE
A yard extending into the lot from the corner side lot line.

YARD, FRONT
A yard extending into the lot from the front lot line.

YARD, INTERIOR SIDE
A yard extending into the lot from the interior side lot line.

YARD, REAR
A yard extending into the lot from the rear lot line.

ZONING ATLAS, OFFICIAL
The map adopted and designated by the Town of Buchanan as being the "Official Zoning Map."

§ 525-28 **Nonconformities**

A. **Applicability and intent**. Any use of land or structures, or any lot or structure which lawfully existed at the effective date of adoption or amendment of this Chapter which would not be permitted or permissible by the provisions of this Chapter as adopted or amended, shall be deemed nonconforming. Reference **Diagrams 525-28-1 and 525-28-2.** It is the intent of this Chapter to permit such nonconformities to continue, subject to certain restrictions listed within this section unless otherwise noted within this Chapter.

B. **Nonconforming uses**.

The continued lawful use of a building, premises, structure, or fixture existing at the time of the adoption or amendment of a zoning ordinance may not be prohibited although the use does not conform with the provisions of the ordinance. The nonconforming use, building, premises, structure or fixture may not be extended. The total structural repairs or alterations in such a nonconforming building, premises, structure, or fixture shall not during its life exceed 50 percent of the assessed value of the building, premises, structure, or fixture unless permanently changed to a conforming use. If the nonconforming use is discontinued for a period of 12 months, any future use of the building, premises, structure, or fixture shall conform to the ordinance.

C. **Repair, rebuilding, and maintenance of certain nonconforming structures**.

In this Section:

(1) Development regulations means the part of this Chapter that applies to elements including setback, height, lot coverage, yards and bulk regulations.

(2) Nonconforming structure means a dwelling or other building that existed lawfully before the current zoning ordinance was enacted or amended, but that does not conform with one or more of the development regulations in the current zoning ordinance.

(3) An ordinance may not prohibit, or limit based on cost, the repair, maintenance, renovation, or remodeling of a nonconforming structure.

D. **Restoration or replacement of certain nonconforming structures.**

(1) Restrictions that are applicable to damaged or destroyed nonconforming structures and that are contained in an ordinance enacted under this subsection may not prohibit the restoration or replacement of a nonconforming structure if the structure will be restored to, or replaced at, the size, subject, location, and use that it had immediately before the damage or destruction occurred, or impose any limits on the costs of the repair, reconstruction, or improvement if all of the following apply:

(a) The nonconforming structure was damaged or destroyed on or after March 2, 2006.

(b) The damage or destruction was caused by violent wind, vandalism, fire, flood, ice, snow, mold, or infestation.

(2) An ordinance enacted under this subsection to which restrictions above apply shall allow for the size of a structure to be larger than the size it was immediately before the damage or destruction if necessary for the structure to comply with applicable state or federal requirements.

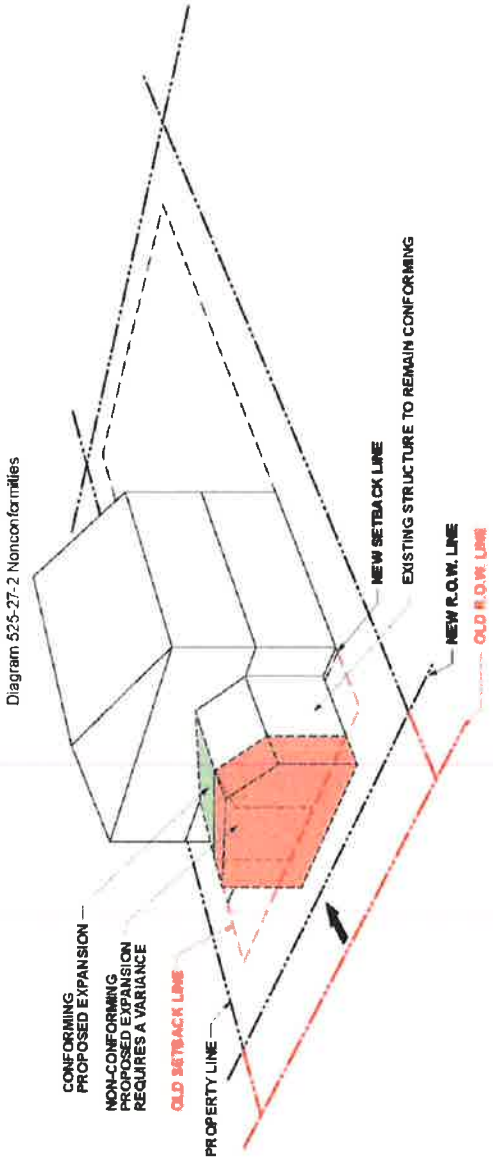
(3) When a structure becomes nonconforming as to setback from a public right-of-way because the public right-of-way was dedicated, reserved, widened, or relocated, such structure shall not be considered a nonconforming structure under this section. However, no such structure shall thereafter be added to or rebuilt closer to the public right-of-way.

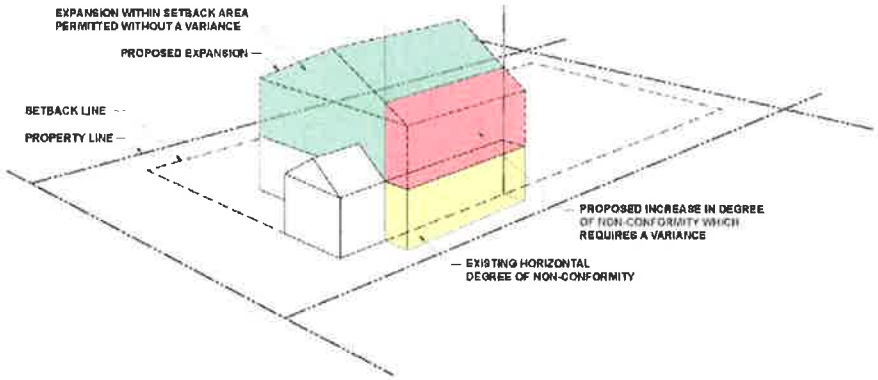
E. **Nonconforming characteristics of use.**

If characteristics of use such as lighting, parking, noise or other matters pertaining to the use of land, structures, and premises are made nonconforming by the provisions of this Chapter as adopted or amended, no change shall thereafter be made in such characteristics of use which increases the nonconformity; provided, however, changes may be made which decrease such nonconformity.

(1) Nonconforming design of structures. If characteristics of the design of a structure such as walls, roofs, equipment, entrances, facades or building materials are made nonconforming by the provisions of this Chapter as adopted or amended, the structure may be altered or enlarged; provided the alteration or enlargement complies with such requirements and does not increase the nonconformity.

Diagram 525-28-1: Nonconformities





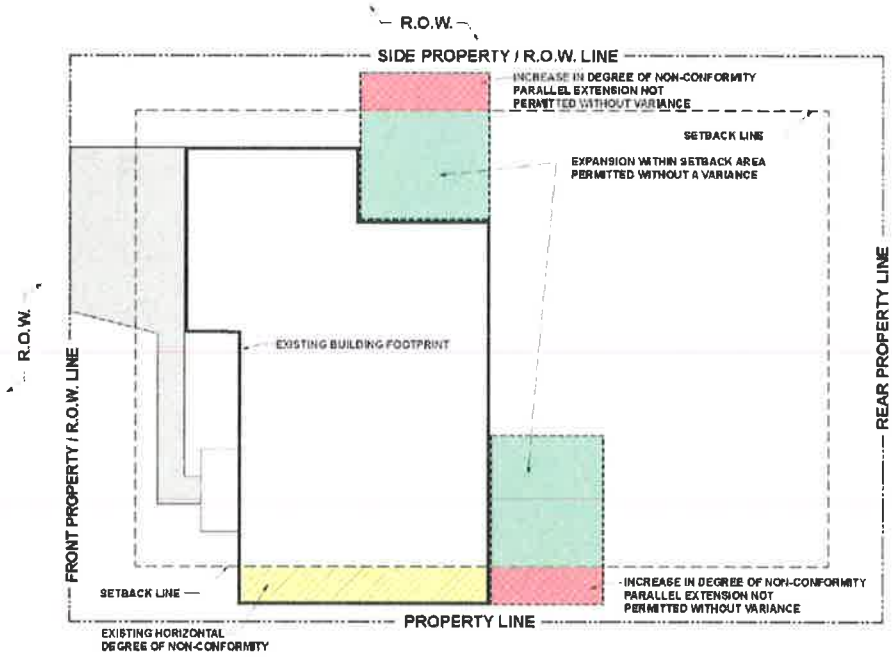


Diagram 525-28-2: Nonconformities

F. **Nonconforming lots of record.**

In any district, any permitted or permissible use may commence, or structure may be erected on a single lot of record at the effective date of adoption or amendment of this Chapter. This provision shall apply even though such lot fails to meet the requirements of lot area, lot width, lot frontage or all three for the district in which it is located, and provided all other requirements for the district are met.

G. **Casual, temporary, or illegal use.**

The casual, temporary, or illegal use of land or structures, or land structures in combination, shall not be sufficient to establish the existence of a nonconforming use or to create rights in the continuance of such use.

Page intentionally left blank.

Article V
Schedule of District Regulations

§ 525-29 **Interpretation and organization.**

A. All uses and structures, dimensional, access/visibility, off-street parking, lighting, landscaping/screening, signage, and architectural regulations and district regulations shall be as set forth in the following articles and as modified and supplemented by this Chapter.

B. Permitted principal and accessory uses and structures listed for any district shall be permitted by right subject to the conditions as specified. Any use or structure not listed for the district shall be prohibited except as provided in **§525-29 E.**

C. Special Exception uses and structures listed for any district are permissible only upon approval as required by the Special Exception Section of this Chapter. Any use or structure not listed for the district shall be prohibited except as provided in **§525-31** of this section.

D. New Compatible Uses and Structures: The Administrator may allow a land use to be considered as a permitted, Special Exception or an accessory use or structure while not identified by name in a zoning district, is deemed to be similar in nature, and clearly compatible with the listed uses. The Administrator may consult with the Plan Commission.

E. Addition of Non-listed Uses to Zoning Ordinance: All non-listed uses and structures eligible for approval may be added to the appropriate use table at the time of periodic updating or upon request by the Plan Commission or Board.

F. No land, building or structure shall hereinafter be used or occupied, and no building, structure, or part thereof shall hereinafter be erected, constructed, reconstructed, moved, or structurally altered except in conformity with all the regulations herein specified for the district in which it is located.

G. No lot or yard existing at the effective date of adoption of this Chapter shall be reduced in dimension or area below the minimum requirements set forth herein. Lots or yards created after the effective date of adoption of this Chapter shall meet the minimum requirements established by this Chapter.

H. A site plan is required in compliance with Site Plans as required by this Chapter and must be approved before installation of improvements, issuance of an erosion control/stormwater permit, and/or issuance of a building permit.

§ 525-30 **District Purposes.**

A. **AGD General Agricultural District.** The intent of this district is to maintain highly productive agricultural lands in agricultural production by effectively limiting encroachment of nonagricultural development; by minimizing land use conflicts between agricultural and nonagricultural uses; and by minimizing public service and facility costs associated with nonagricultural development.

B. **RR Rural Residential District.** The intent of this district is to allow for large-lot rural residential uses generally located outside of the NR-121 defined Sewer Service Area. It is anticipated that the intensity of development will be limited due to a lack of urban facilities and services.

C. **RSF Single Family Residential District.** This district is intended to provide for single-family detached residential development generally located within the NR-121 defined Sewer Service Area. The density of development is based on the availability of public facilities and the extent of coordination and planning as indicated by whether the development is part of an approved and recorded subdivision plat.

D. **RTF Two-Family Residential District.** This district is intended to provide primarily for two-family attached residential development and single-family detached residential as a secondary land use generally located within the NR-121 defined Sewer Service Area. The density of development is based on the availability of public facilities and the extent of coordination and planning as indicated by whether the development is part of an approved and recorded subdivision plat.

E. **RSTF Single and Two-Family Residential District.** This district is intended to provide for single-family detached and two-family attached residential development generally located within the NR-121 defined Sewer Service Area. The density of development is based on the availability of public facilities and the extent of coordination and planning as indicated by whether the development is part of an approved and recorded subdivision plat.

F. **MDR Medium Density Residential District.** This district is intended to provide for higher density, well-designed residential development between three (3) and six (6) dwelling units with allowances for single and two-family residential dwellings generally located within the NR-121defined Sewer Service Area. The density of development is based on the availability of public facilities and the extent of coordination and planning.

G. **RMF Multifamily Residential District.** This district is intended to provide for high-density residential areas with emphasis on multifamily or apartment development with 7 or more dwelling units. This district requires access to public sewer and shall be located within the NR-121 defined Sewer Service Area.

H. **CL Local Commercial District.** This district is intended to apply to commercial establishments located to serve primarily localized commercial markets throughout the Town. It is the intent of this district to encourage grouping of such commercial establishments. The district is not intended to apply to major or large-scale commercial establishments of a regional character.

I. **CR Regional Commercial District.** This district is intended to apply to areas which are now intensely developed or are expected to be intensely developed for commercial uses serving a regional commercial market.

J. **CP Planned Commercial District.** This district is intended to apply to large-scale commercial developments with either single or multiple buildings on a single lot or parcel designed and managed as a single entity. This district should be located such that there is direct access to major arterial streets and highways.

K. **IND Industrial District.** This district is intended primarily for manufacturing and closely related uses. It is intended to preserve such lands for the functions of industrial activity, wholesaling, warehousing and distribution but may also allow for commercial activity. It is further the intent of this district that it be so located in relation to major thoroughfares that resulting traffic generated by industrial activity will not be channeled through residential areas.

L. **PI Public & Institutional District.** This district is intended to eliminate the ambiguity of maintaining, in unrelated use districts, areas which are under public or quasi-public institutional organizations (such as government, schools, non-profits, and other similar uses) and where the use is anticipated to be permanent.

§ 525-**31.1 Principal and Special Exception District Uses, Definitions, and Additional Regulations.**

A. **Principal and special exception uses and structures.** Allowed principal and special exception uses and structures for each district are listed in **Table 525-31-1**

B. **Principal and Special Exception Use Definitions and additional regulations.** For the purpose of this chapter, the following terms and uses are defined as follows. Additional regulations pertaining to specific uses shall apply as listed.

ADULT ENTERTAINMENT ESTABLISHMENTS

A. Purpose: The purpose is to control through zoning regulations certain adult-oriented entertainment uses that have a direct and detrimental effect on the character of the Town's residential neighborhoods and commercial areas. The Town shall not impose a limitation on the content of any communication materials, including sexually oriented materials as protected by the First Amendment.

B. Definitions.

ADULT-ORIENTED ENTERTAINMENT BUSINESS
An adult bookstore, adult theater, adult massage parlor, adult sauna, adult entertainment center, adult cabaret, adult health/sport club, adult steam room/bathhouse facility, or any other business whose primary business activity is characterized by emphasis on matters depicting, describing, or relating to nudity, sexual conduct, sexual excitement or sadomasochistic abuse as defined herein.

NUDITY
The showing of the human male or female genitals or pubic area with less than a fully opaque covering or the depiction of covered male genitals in a discernibly turgid state and/or the appearance of bare buttocks, anus, or female breast.

SEXUAL CONDUCT
Acts of masturbation, sexual intercourse, or physical contact with a person's unclothed genitals, pubic area, buttocks, or, if such person be a female, her breast.

SEXUAL EXCITEMENT
The condition of human male or female genitals when in a state of sexual stimulation or arousal.

C. Applicability. These provisions shall apply to all existing and future adult-entertainment-oriented businesses. However, any such existing business that does not meet the zoning district restrictions or the distance limitations may continue its existence as a nonconforming use; provided, however, that no such business may be enlarged or increased in size or be discontinued for a period of no more than 180 days.

D. General Regulations.

(1) Zoning district. Adult-use-only bookstores, adult theaters, adult massage parlors, adult saunas, adult entertainment centers, adult cabarets, adult health/sport clubs, adult steam room/bathhouse facilities, and other adult-oriented entertainment businesses sexual in nature may be operated or maintained only within the IND Industrial District with a valid special exception as required by this Chapter; and provided that it is located on a minor or major arterial road and subject to the distance limitations noted below.

(2) Distance limitations. No adults-only bookstore, adult theaters, adult massage parlor, adult cabaret, health/sport club, adult steam room/bathhouse facility, or other adult-oriented entertainment businesses as defined shall:

(a) Be operated or maintained within 1,000 feet of the boundary of any residential district.

(b) Be operated or maintained within 1,000 feet of a church, recreational site, licensed day care facility, public library, public or private educational facility which serves persons aged 17 or younger, elementary school, high school, place of worship, or elderly housing facility;

(c) Be operated or maintained so that there are no more than two such businesses within 2,500 feet as measured by the radius from each business;

(d) Be set forth herein shall be measured in a straight line from the main public entrances of said premises or from the lot lines of properties in any residential district.

(e) Be located in the same building or upon the same property as another such use.

(f) Be permitted more than one sign advertising its business, which shall be wall sign only. All such signs shall meet the following criteria:

i. Have no merchandise or pictures of the products or entertainment on the premises displayed in window areas or any area where they can be viewed from the sidewalk in front of the building;

ii. No sign shall be placed in any window. A one-square-foot sign may be placed on the door to state hours of operation and admittance to adults only;

iii. No sign shall contain any flashing lights, moving elements, or mechanically changing messages;

iv. No sign shall contain any depiction of the human form or any part thereof nor shall it contain sexually explicit language such as "nude dancing" or "Girls, Girls, Girls," etc.;

v. No sexually-oriented business may have any off-premises sign;

vi. In order to allow currently operating adult-oriented entertainment businesses to recover their financial investment in current signage, any currently operating adult-oriented entertainment business shall bring its signage into conformity with the provisions of this subsection within one year from the date of passage of these regulations.

(3) Operating standards. All such adult-oriented entertainment businesses shall operate in accordance with the following:
   (a) No employee shall solicit business outside the building in which the business is located;
   (b) No male or female person, while on the premises, shall impose to public view his or her genitals, pubic area, anus, or anal cleft. Full nudity is prohibited;
   (c) No person on the premises shall engage in sexual conduct, sadomasochistic abuse or in any way fondle their genitals;
   (d) Nudity is prohibited for any employee of an adult-oriented business where such person is in direct, personal contact with another person.

(4) Building's exterior appearance. The building's exterior shall meet the following criteria:
   (a) Colors to be earth or neutral tones with primary accent colors to be within the same color family;
   (b) Stripes and geometric patterns are prohibited;
   (c) A color scheme which is directly inherent to a unique recognized architectural style but not otherwise compliant with this article may be reviewed and approved by the Town Board;
   (d) The exterior shall be adequately maintained in good condition.

AGRICULTURE/AGRIBUSINESS USE
Shall be defined as agricultural business where the property owner earns a substantial ($6,000/yr. or $18,000 over three years) part of his or her livelihood from farming operations on the farm parcel by performing the operations themselves or through a lease to a separate operator; uses including but not limited to beekeeping, dairying, floriculture, aquaculture, poultry and livestock raising, stables, and orchards, raising of grain and seed crops, raising of grass and mint, raising of nuts and berries, raising of fruits and vegetables, viticulture, and forest and game management (incidental hunting is an accessory use), sod production, the sale of products produced on-premises and agricultural processing, centralized bulk collection, storage or distribution.

AGRICULTURE/AGRIBUSINESS ADJUNCT USE
Shall be defined as business use which is adjunct to an existing agricultural business where the property owner earns a substantial ($6,000/yr. or $18,000 over three years) part of his or her livelihood from farming operations on the farm parcel by performing the operations themselves or through a lease to a separate operator; provided the owner or proprietor resides on the premises. Uses may include: automobiles, farm equipment, and small engine repair shops; offices and/or shops in connection with skilled tradesmen, including plumbers, electricians, carpenters, welders and the like; and production and/or sales of crafts produced on the premises, provided mechanical or chemical processes are incidental or nonexistent.

AGRITOURISM
Shall be defined as recreational, educational, and entertainment activities in an agricultural setting such as a farm or ranch where the public is able to participate in and experience agricultural uses and activities. Agritourism is differentiated from traditional agriculture in the following ways: customers come to the farm for the "product" rather than the product being taken off the farm to a purchase location; the "product" can be an experience, and; the farm environment is an essential part of what the customer is seeking and would not be the same without the farm setting.

AIRPORT (PUBLIC OR PRIVATE)
Any airport which complies with the definition contained in Ch. 114, Wis. Stats., or any airport which serves or offers to serve common carriers engaged in air transport.

AUTOMOBILE FILLING STATION
Buildings and premises where gasoline, oil, grease, batteries, tires and automobile accessories and convenience retail goods may be supplied, dispensed and sold and where minor repair or maintenance work may be performed, such as ignition service, tire repair, repair and replacement of minor parts such as pumps and filters and the like. A filling station is not a repair or body shop.

AUTOMOBILE SALES, USE AND SERVICES
Shall be defined as a use that buys, sells, trades, rents or services vehicles (including motorcycles and boats) and equipment including but not limited to vehicle dealerships, vehicle rentals, car washes and repair shops; all vehicle and equipment repair shall be conducted indoors, and all vehicles and equipment that are in disrepair or require bodywork shall be stored indoors or screened with landscaping or fencing to provide 100% solid screen. A principal building is required on the same lot for all uses, sales, and service. Maintenance/repair operations of vehicles/equipment for non-automotive uses (i.e., a business repairing its own fleet/equipment) are considered accessory permitted uses and are not included in this definition.

AUTOMOBILE SALVAGE YARD
Premises used for the storing, dismantling, crushing, shredding or disassembly of used motor vehicles or their parts.

A. Automobile salvage yards involving storage of less than 50 vehicles and where no crushing or processing of parts and materials is conducted on the premises, and provided all vehicles and parts are effectively screened from view from any residential lot or public highway.
B. Automobile wrecking or salvage yards provided such use shall not be located closer than 250 feet to any property zoned residential and no portion of the lot within 25 feet of a public street or highway shall be used for any purpose other than off-street parking for employees or patrons. All activities and storage shall be completely enclosed pursuant to the landscaped buffer requirements of **§ 525-46**.

BREWERY/BREWPUB/RESTAURANT
Means an establishment or facility that manufactures fermented malt beverages for sale which may include a tap room, tasting facilities, and/or an independently operated restaurant, and has a permit under current Wisconsin Statues.

BREWERY/MANUFACTURING AND WHOLESALE
Means an establishment or facility that manufactures, packages, and distributes fermented malt beverages for sale and does not include a tap room, tasting facilities, or an independently operated restaurant, and has a permit under current Wisconsin Statues.

BUSINESS, RETAIL
A use that sells or rents goods and commodities to consumers.

BUSINESS, RETAIL SHOPPING CENTER
Means a group of retail or service establishments planned, developed, owned or managed as a unit whereby all businesses operate in an enclosed space.

BUSINESS, SERVICE
A use that provides service to customers either on-premises or at the customer's location; this excludes automobile service.

BUSINESS, VOCATIONAL
Vocational, trade or business schools, both public and private.

CEMETERY
Shall be defined as a premise for burying the dead. Includes crematory service buildings.

CLINIC, HEALTH/MEDICAL
An office or group of offices relating to the health care professions, including physicians, dentists and the like engaged in the treatment of persons.

COMMUNITY LIVING ARRANGEMENT
Facilities defined in § 46.03, Wis. Stats. subject to the provisions and limitations of § 62.23(7)(i), Wis. Stats.

CONVALESCENT HOME and NURSING HOME
A place where regular care is provided to three or more infirmed persons, children or aged persons who are not members of the family which resides on the premises.

CONVENTION / EXPOSITION CENTER
Means a commercial facility used for assemblies or meetings of the members or representatives of groups, including exhibition space. This term does not include banquet halls, clubs, lodges or other meeting facilities of private or nonprofit groups that are primarily used by group members.

DAY CARE, FAMILY
A place where regular day care is provided to not more than eight children and is licensed pursuant to Ch. 48, Wis. Stats.

DAY CARE, GROUP
A place where regular day care is provided to nine or more children and is licensed pursuant to Ch. 48, Wis. Stats.

DRIVE-IN RESTAURANT
Any establishment dispensing or serving food in automobiles, including those establishments where customers serve themselves and may eat or drink in the building or in their automobiles on the premises.

DWELLING, EXISTING AND NEW FARM RESIDENCE
Existing and new farm residence dwellings within agriculturally zoned property shall be defined as a residential dwelling unit farm owners/operators reside in located on the land being farmed and existed prior to the effective date of adoption of this Chapter.

A. For purposes of farm consolidation, farm residences or structures that existed prior to the effective date of adoption of this Chapter may be separated from the larger parcel by CSM only, and new dwellings may be built and occupied by a person or a family who earns a substantial part of their livelihood from farming operations on the farm parcel or is the parent or child of the farm operator.
B. Transfer of property shall only be permitted if it meets the family requirements unless the farmland use/operation ceases, the property is rezoned to residential, the property is platted for a residential subdivision development, or the property is rezoned and used for non-residential purposes. A note to this effect shall be placed on the CSM.
C. Dimensional regulations shall apply per **Table 525-31-2**.

DWELLING, MULTI: Shall be defined as a building containing seven or more dwelling units. The term "multifamily dwelling" shall include cooperative apartments, condominiums, apartments, and the like. Regardless of how rental units are equipped, any multifamily dwelling in which units are available for rental periods of less than one week shall be considered a motel.

DWELLING, SINGLE FAMILY ATTACHED: Shall be defined as a building containing three to six dwelling units attached at the side or "side-by-sides" in a series or group of buildings. Each building shall be separated from the adjoining building or buildings by a party wall or walls extending from footings to underside of roof deck. The term "attached dwelling" is intended to imply townhouses, patio, or atrium houses or any form conforming to this definition.

DWELLING, SINGLE-FAMILY DETACHED
A building containing not more than one dwelling unit, entirely separate from structures on adjacent lots. The term "detached dwelling" shall not include mobile homes, travel trailers, or other forms of portable or temporary housing but shall include manufactured homes. All single-family dwellings shall:

A. Contain not less than 1,200 square feet of living area.
B. Be covered by a roof pitched at a minimum slope of five inches in 12 inches which is permanently covered with nonreflective material.
C. Have overhanging eaves of not less than 18 inches.
D. Be a minimum of 25 feet in width. Attached garages, carports and open decks shall not be included in the measurement of the width.

DWELLING, TWO-FAMILY
One building containing not more than two dwelling units or two buildings, attached at the side, with no more than one dwelling unit per building. The term "two-family dwelling" is intended to imply single-family semidetached buildings and duplexes or any form which conforms to this definition.

ENTERTAINMENT, INDOOR
Shall be defined as a use selling or providing entertainment on-site indoors. Examples include but are not limited to arcades, amusement rides, laser tag, go-carts, movie theaters, bowling alleys, skating rinks, etc.

EQUIPMENT RENTAL
Means an establishment providing the rental of tools, lawn and garden equipment, party supplies and similar goods and equipment, including storage and incidental maintenance. This term does not include a motor vehicle rental facility.

FARM/CONSTRUCTION EQUIPMENT AND MACHINERY SALES AND SERVICE
Shall be defined as a use that buys, sells, trades, rents or services farm and/or construction related vehicles and equipment including but not limited to vehicle dealerships, vehicle rentals, wash and repair shops; all vehicle and equipment repair shall be conducted indoors, and all vehicles and equipment that are in disrepair or require bodywork shall be stored indoors or screened with landscaping or fencing to provide 100% solid screen. A principal building is required on the same lot for all uses, sales, and service. Maintenance/repair operations of vehicles/equipment for non-automotive uses (i.e., a business repairing its own fleet/equipment) are considered accessory permitted uses and are not included in this definition.

FUR FARM
Land, buildings or structures used for the purpose of raising or harboring fur-bearing animals including those defined in § 29.001, Wis. Stats., and also including chinchillas, whether the animals are kept for breeding, slaughtering or petting.

FUNERAL PARLOR/MORTUARY
Means an establishment providing services involving the care, preparation or disposition of human dead. This term includes, but is not limited to, a crematorium or a mortuary.

GARDEN CENTER / PLANT NURSERY
Means an establishment providing the retail sale of plants and the sale or rental of garden and landscape materials and equipment. This term includes outdoor storage of plants, materials or equipment.

GOVERNMENT USE
Shall be defined as any local, county, regional, state, federal, or international governmental use or political unit, including offices, libraries, community centers, facilities (such as public works, wastewater treatment facilities, water storage tanks, well pump houses, and outdoor storage), and utilities providing a service or product for public benefit.

HOSPITAL
Shall be defined as a use where the sick or injured are given medical or surgical care including capacity for overnight and long term care.

HOTEL/MOTEL
An establishment where sleeping accommodations are offered to the public and intended primarily for rental to transients, with daily charge, as distinguished from multifamily dwellings and boardinghouses where rentals are for periods of a week or longer and occupancy is generally by residents rather than transients. Hotels may serve meals to both occupants and others. The term "hotel" is also intended to imply motel, motor court, motor lodge, tourist court or any form which conforms to this definition.

INSTITUTIONAL USE Shall be defined as:

A. Any profit or nonprofit organization that provides services to the public for free or through membership. Examples of organizations include but are not limited to YMCAs, Boys and Girls Clubs, Boy Scouts/Girl Scouts, Lions/Kiwanis/Rotary Clubs, and similar uses.
B. Public and semipublic nonprofit institutional uses, including churches, schools, colleges and universities, and the like, provided principal access shall be directly onto a collector or arterial street.

JUNKYARD
Premises or land, buildings or structures where junk, waste, discarded, salvaged or similar materials such as old metals, wood, lumber, glass, paper, rags, cloth, cordage, barrels, containers, etc., are brought, bought, sold, exchanged, baled, packed, stored or handled, including used lumber and building materials, equipment, wrecking yards and the like. This definition shall not include automobile salvage or wrecking yards or pawnshops and establishments for the sale, storage or purchase of secondhand vehicles, clothing, furniture, appliances or similar household goods, all of which shall be usable, nor shall it apply to the processing of used, discarded or salvageable materials incident to manufacturing activity on the same site.

KENNEL AND PET SHOP
Any establishment for the raising, training, boarding or selling of dogs, cats, birds, mice, rats or other small animals, for hire or profit, or where more than three dogs, cats or other small animals are harbored or kept.

LANDFILL/RECYCLING FACILITY
Shall be defined as a public or private use that accepts yard waste, compost, garbage, and recycling material. This definition includes resource recovery operations which may occur on site.

MANUFACTURING USE
Shall be defined as a use or process including assembling, fabricating, altering, converting, printing, publishing, cleaning, testing, finishing, bottling, processing, treating and packaging, except any use or process specifically excluded and providing such as will not be hazardous, offensive, or objectionable by reason of odor, dust, cinders, gas, fumes, noise, vibrations, radiation, refuse mater or wastewater. Includes woodworking and cabinetmaking. All manufacturing uses are subject to the provisions of **§ 525-49**.

MANUFACTURING USE, LIGHT
Shall be defined as a use or process including uses and structures such as packaging, bottling, storage facilities, and laboratories, provided all activities are conducted within completely enclosed buildings, not involving odor, noise, smoke or other noxious effects detectable to normal senses from off the premises. All manufacturing uses are subject to the provisions of **§ 525-49**.

MANUFACTURING USE, SPECIAL
Shall be defined as uses that require special consideration as a Special Exception in compliance with **§ 525-13 Special Exceptions** and include the following uses: manufacturing and storage of flammable liquids, fertilizer, chemicals, and processes including canneries, sawmills, and slaughterhouses. All manufacturing uses are subject to the provisions of **§ 525-49**.

A. These uses shall have a setback of 1,000 feet from all residential zoning districts and from the right-of-way line closest to the use of all State and County Highways rights-of-way. The 1,000 foot buffer includes all buildings, outdoor vehicles, and parking/pavement areas.

MARINA / HARBOR
Means a facility providing mooring of recreational boats in water, or piers, anchorage areas, launching facilities, boat storage areas or boat sales and service. This term does not include a ship terminal or docking facility or a passenger terminal but does include individual private boathouses.

MODULAR HOME
Per §101.7(6)(a) Wis. Stats. any structure or component thereof which is intended for use as a dwelling and is of closed construction and fabricated or assembled on-site or off-site in manufacturing facilities for installation, connection or assembly and installation at the building site or is a building of open construction which is made or assembled in manufacturing facilities away from the building site for installation, connection, or assembly and installation on the building site and where certification is sought by the manufacturer. "Modular home" does not mean any manufactured home under §101.91 of the Wis. Stats. or any building of open construction, which is not subject to this definition.

MANUFACTURED HOME
A structure certified and labeled as a manufactured home under 42 U.S.C. §§ 5401 to 5426, which, when placed on the site:

A. Is set on an enclosed continuous foundation in accordance with § 70.43(1), Wis. Stats., and Ch. Comm 21, Subchapters III, IV, and V, Wis. Adm. Code, or is set on a comparable enclosed continuous foundation system approved by the Building Inspector, who may require a plan for such foundation to be certified by a registered architect or engineer to ensure proper support for such structure;
B. Is installed in accordance with the manufacturer's instructions.
C. Is properly connected to utilities;
D. Is without any hitch, wheel or axle; and
E. Meets other applicable standards of this chapter.

MOBILE HOME
A vehicle manufactured or assembled prior to June 15, 1976, designed to be towed as a single unit or in sections on a highway by a motor vehicle and equipped and used, or intended to be used, primarily for human habitation, with walls of rigid uncollapsible construction, which has an overall length in excess of 45 feet. "Mobile home" includes a structure which has been certified and labeled as a manufactured home under 42 U.S.C. §§ 5401 to 5426, or which has been certified and labeled as a manufactured home under §§ 101.91 to 101.96, Wis. Stats., and Ch. Comm 26, Wis. Adm. Code, if the structure:

A. Is not set upon an enclosed permanent foundation upon land owned by the mobile home owner;
B. Is on wheels;
C. Is not properly connected to utilities;
D. Has tow bars, wheels or axles attached to it; or
E. Has not been installed in accordance with the manufacturer's instructions or a plan certified by a registered architect or engineer so as to ensure proper support for the structure.

NURSING HOME
Shall be defined as a place where regular care is provided to three or more infirmed persons, children, or aged persons, who are not members of the family who resides on the premises.

OFFICE
A use conducting the affairs of a business, profession or service.

OUTDOOR STORAGE, ACCESSORY TO PRINCIPAL/SPECIAL EXCEPTION
Shall be defined as a use that stores products or goods outside accessory to the principal or approved special exception use of a lot.

A. Residential zoning district. All outdoor storage on residentially zoned property shall be behind the front building face line.
B. Non-Residential District (excluding Agricultural Districts)
C. Outdoor storage shall be prohibited within 250 feet of a residential zoning district.
D. All outdoor storage shall be screened as required in **§525-46 D.(4).**
E. Outdoor storage may be stored on gravel if the following conditions can be met:
   (1) Implementation of dust mitigation techniques to keep the site free from dust.
   (2) Implementation of mitigation techniques to eliminate fines, aggregate and debris from discharging into stormwater facilities.
   (3) If these conditions cannot be maintained once installed and being used the Board may require the surface to be paved.

OUTDOOR MOVIE THEATER
Means an establishment or facility for presenting motion pictures or live performances for observation by patrons in an outdoor environment.

PARK / COMMON OPEN SPACE
A parcel or parcels of land or an area of water or combination of land and water designated and intended for either the recreational use and enjoyment of residents of the development for which it was established and for the general public or for the exclusive recreational use and enjoyment of residents of the development for which it was established. No yard required in connection with any principal use or structure shall be designated or intended for use as common open space.

RADIO / TELEVISION BROADCASTING STUDIO
Means an establishment containing one or more broadcasting studios for over-the-air, cable or satellite delivery of radio or television programs, or studios for the audio or video recording or filming of musical performances, radio or television programs or motion pictures. This term does not include a transmission tower.

RECREATIONAL CAMP
Premises and facilities used occasionally or periodically for the accommodation of members of groups or associations for outdoor recreational activities.

RECREATIONAL USE, INDOOR
Shall be defined as any private indoor commercially operated activities where the public is able to participate in activities including but not limited to sports fields/courts/facilities, skating facilities, swimming pools, golf, archery and shooting ranges, and uses of similar nature.

RECREATIONAL USE, OUTDOOR
Shall be defined as any private outdoor commercially operated activities where the public are able to participate in activities including but not limited to camps, golf courses, campgrounds, golf, archery and shooting ranges, sledding/skiing/skating facilities, sports fields/courts/facilities, swimming pools, and lakes, and uses of similar nature.

RELIGIOUS USE
Shall be defined as any use that offers religious services and a location to assemble for religious purposes.

RESOURCE EXTRACTION
Either (a) the breaking of the surface soil to facilitate or accomplish the extraction or removal of ores or mineral solids for sale or processing or consumption in the regular operation of a business, AND/OR (b) the removal of overburden lying above natural deposits of ore or mineral solids and removal of the mineral deposits exposed, or by removal of ores or mineral solids from deposits lying exposed in their natural state. Resource extraction sites are commonly referred to as mines, pits, or quarries. Removal of overburden and the mining of limited amounts of ores or mineral solids are not considered mining when done only for the purpose of determining location, quantity, or quality of a natural deposit if no ores or mineral solids removed during exploratory excavation or mining are sold, processed for sale, or consumed in the regular operation of a business and if the affected land does not exceed two acres in area. Mining does not include plants engaged in processing minerals except as the plants are an integral on-site part of the removal of ores or mineral solids from natural deposits. Mining does not include excavation or grading when conducted solely in aid of on-site farming or of on-site construction. It is the intent of this definition to permit resource extraction uses in outlying areas as a temporary or transitional use with assurances that later reuse for other permissible uses and structures is possible.

A. Existing operations. The requirements of this section shall not apply to existing operations only where more than 50% of the area (excluding setbacks required herein) of a parcel of record has been excavated at the time of adoption of this chapter. Where less than 50% of the area has been excavated, any extension of operations within the parcel or on adjacent parcels shall comply with the requirements of this section including restoration for the entire parcel(s).

B. Uses and operations. Permitted uses or operations shall include the removal for sale or processing of timber, natural vegetation, topsoil, fill, sand, gravel, rock or any mineral. Processing may include crushing, washing or refining. Storing or stockpiling of such materials on the site is permissible. Permissible uses may also include concrete or asphalt manufacturing.

C. Area and setback requirements. The parcel shall consist of a minimum of five acres with dimensions sufficient to adequately accommodate the proposed uses with minimum adverse effects on adjacent lands. No operations shall be permitted within 100 feet of any exterior boundary of the tract or within 250 feet of any building intended for human occupancy existing at the time of permit application. For operations involving blasting, processing or manufacturing, the Plan Commission may increase required setbacks as a condition of approval.

D. Location. Location shall be appropriate to existing development and development which may reasonably be expected within the time period specified herein for permits. The site shall be so located as to make it unnecessary to conduct trucking operations on any platted street in a residential subdivision.

E. Plan of operation. Each application for a special exception shall be accompanied by a plan of operation for the site including the following information:

(1) Statement of ownership of the parcel and control of the operations.
(2) Extent of the area to be excavated.
(3) Location, width and grade of all easements or rights-of-way on or abutting the parcel.
(4) Existing topography by five-foot contour intervals; existing watercourses and drainageways; existing vegetation and soils; depth to groundwater as indicated by at least four borings; and existing buildings or structures.
(5) Cross section showing extent of sand/gravel deposits and water table.
(6) Estimated type and volume of excavations; method(s) of extracting and processing; and the sequence of operations.
(7) Proposed equipment and proposed locations of equipment; proposed areas for ponding; proposed drainage modifications; proposed processing and storage areas; proposed interior roads and ingress and egress to the site; and proposed areas for the disposition of overburden of topsoil.

G. Plan of reclamation. Each application for a special exception shall be accompanied by a plan of reclamation for the site consistent with Wis. Adm. Code NR-135 and the Outagamie County Code of Ordinances, Chapter 38, Division 4, Sec. 38-111:

H. Time limitations. No special exception permit shall be issued for a period exceeding eight years, consisting of not more than six years for the operational phase and not more than two years for the reclamation phase. Upon expiration of the operational phase, the applicant may request and receive extensions of this phase for three-year periods unless changing conditions indicate the extension will be detrimental to the public health, safety and welfare. Any extension shall require the submission of a new plan of reclamation whether the operation is extended or enlarged. If such extension is denied, the applicant shall complete the reclamation phase within the two-year time period specified.

I. Financial assurance. To ensure completion of the reclamation phase, as proposed within the two-year time period, each applicant shall submit a performance bond or other financial guarantee as required by Wis. Adm. Code NR-135 and the Outagamie County Code of Ordinances, Chapter 38, Division 5, in an amount sufficient to cover the reclamation expense relative to the proposed operation or extension thereto.

RESTAURANT
Shall be defined as any use that prepares, dispenses and serves food for consumption on-site or for carrying out; alcohol may also be served as long as the establishment serves food.

SCHOOL
Shall be defined as a public or private school for pre-school age children through high school. It shall also include public or private colleges, universities, and technical/trade/vocational schools.

SOLAR ENERGY SYSTEM
Reference **§525-52**

STORAGE ESTABLISHMENT
Shall be defined as a building or premises where individuals store their personal possessions for a fee. All possessions stored on-premises shall be within completely enclosed buildings except for motor vehicles, recreational vehicles or boats, and other similar motorized equipment may be stored outdoors on the premises.

TAVERN/DRINKING ESTABLISHMENT
Shall be defined as business who's primary use is serving alcoholic beverages.

TRUCK FREIGHT TERMINAL
Means a facility for truck-based freight service and operations, including but not limited to local pickup, local sorting and terminal operations, line-haul loading and unloading, destination sorting and terminal operations and local delivery.

UTILITY, PUBLIC OR PRIVATE
Shall be defined as an entity that provides a service or product such as water, sewer, electric, gas, and any similar related service or product and includes an above-ground structure or building to operate the utility (i.e., electrical sub-station, utility plant, etc.). Standard underground and above ground lines used to transfer/distribute said utility are exempt from this and shall be permitted on all property. Telephone, television, natural gas, and power transmission lines and similar utilities may be constructed within the setback line, and additions to and replacements of existing lines may be made, provided the utility owner first file with Outagamie County, in the case of a County Highway, and Buchanan, in the case of a local road, an agreement in writing they will remove at their expense all new lines, additions, and replacements constructed after the effective date of this amendment, when such removal is necessary for the improvement of the highway/road or municipal utility.

VETERINARY CLINIC / ANIMAL HOSPITAL
Veterinary clinic, small animal hospital means a place for the medical treatment of common household pets with no provisions made for boarding, outside runs or kennels, except that overnight care incidental to medical treatment and short-term boarding is permitted. This use may be incidental to pet store services.

WAREHOUSING, ACCESSORY TO RETAIL OR SERVICE USE
Shall be defined as building attached to or part of a retail or service use where goods/products, parts, or equipment are stored to be sold on-premises or used for the purpose of the service provided.

WAREHOUSING AND DISTRIBUTION, INDUSTRIAL
Shall be defined as a building where raw material or manufactured goods may be transported to and from and stored before their export or distribution for sale and includes distribution facilities and transportation terminals.

WINERY
See definition for Brewery/Brewpub/Restaurant

§ 525-31.2 **Principal and Special Exception Dimensional Standards and Additional Regulations.**

Dimensional standards for all principal and special exception uses are contained in **Table 525-31-2**.

§ 525-32 **Accessory uses and structures.**

A. **Accessory uses and structures.** Accessory uses and structures for each district are listed in **Table 525-32-1**

B. **Accessory use definitions and additional regulations**. For the purpose of this chapter, the following terms and uses are defined as follows. Additional regulations pertaining to specific uses shall apply as listed.

Table 525-31-2: District Dimensional Standards

District / Dimensional Standards	AGD General Agricultural District		
Use Type	Principal agricultural uses	Preexisting dwellings and accessory dwellings on a separate parcel unrelated to agricultural uses	Other permitted Principal and Special Exception uses and structures
Maximum Number of Uses Per Lot	Unlimited	n/a	Unlimited
Maximum Number of Buildings Per Lot	Unlimited	n/a	Unlimited
Maximum Number of Dwellings Per Lot	One	One	n/a
Min. Lot Size	4 acres	20,000 sq. ft.	1 acre
Min. Lot Width	200 feet	100 feet	150 feet
Min. Lot Street Frontage	200 feet / 180 feet for cul-de-sacs	100 feet / 80 feet for cul-de-sacs	150 feet / 130 feet for cul-de-sacs
Federal/State and County Highway Minimum Building Setback	50 feet / 35 feet	50 feet / 35 feet	50 feet / 35 feet
Front Building Setback	25 feet	25 feet	25 feet
Corner Side Building Setback	25 feet	25 feet	25 feet
Side Building Setback	None	15 feet	30 feet
Rear Building Setback	None	25 feet	50 feet / 35 feet
Yard/Green Space Setbacks	None	Same as Front/Corner Side Building Setback: 0 Feet for Side and Rear	
Maximum Height of Building	None	None	45 ft
Maximum Lot Coverage (incl. accessory buildings and structures)	50%	50%	50%
Other Requirements			Minimum Lot Size and front and rear building setback minimum requirements may be increased as a condition for a special exception permit

Table 525-31-2: District Dimensional Standards

District / Dimensional Standards	CON Conservancy Overlay District
Use Type	All permitted and special exception uses and structures
Maximum Number of Uses Per Lot	Unlimited
Maximum Number of Buildings Per Lot	Unlimited
Maximum Number of Dwellings Per Lot	n/a
Min. Lot Size	None
Min. Lot Width	None
Min. Lot Street Frontage	None
Federal/State and County Highway Minimum Building Setback	50 feet / 35 feet
Front Building Setback	25 feet
Corner Side Building Setback	25 feet
Side Building Setback	None
Rear Building Setback	None
Yard/Green Space Setback	None
Maximum Height of Building	35 ft.
Maximum Lot Coverage (incl. accessory buildings and structures)	25%
Other Requirements

District / Dimensional Standards	RTF Residential Two Family District		
Use Type	Single family detached dwellings	Single-family attached dwellings	Two-family dwellings
Maximum Number of Uses Per Lot	Dimensional requirements as provided in RSF District	n/a	n/a
Maximum Number of Buildings Per Lot		n/a	n/a
Maximum Number of Dwellings Per Lot		1 building/3-6 units	1 building/2 units
Min. Lot Size		12,000 sq. ft.	9,000 sq. ft (4500 sq. ft. per family)
Min. Lot Width		100 feet	75 feet
Min. Lot Street Frontage		60 feet / 60 feet for cul-de-sacs	55 feet / 35 feet for cul-de-sacs
Federal/State and County Highway Minimum Building Setback		50 feet / 35 feet	50 feet / 35 feet
Front Building Setback		25 feet	25 feet
Corner Side Building Setback		25 feet	25 feet
Side Building Setback		10 feet	8 feet
Rear Building Setback		25 feet	25 feet
Yard/Green Space Setbacks		Same as Front/Corner Side Building Setback. 5 Feet for Side and Rear	
Maximum Height of Building		35 ft.	35 ft
Maximum Lot Coverage (incl. accessory buildings and structures)		50%	50%
Other Requirements		Not more than six dwelling units shall be contiguous or in one series or group and not more than two contiguous dwelling units in one group or series shall have the same or approximately the same roofline or building line. Not less than 40% of the total site area shall be landscaped in lawns, gardens, decorative plantings or wooded areas. A site plan under Article XII is required for all single-family attached dwelling developments	

Table 525-31-2: District Dimensional Standards

District / Dimensional Standards	RTF Residential Two Family District	
Use Type	Exception for Zero-Lot-Line single-family attached dwellings (2-6 u. 5-3)	Other permitted Principal and Special Exception uses and structures
Maximum Number of Uses Per Lot	n/a	Dimensional requirements as provided in RTF District
Maximum Number of Buildings Per Lot	n/a	
Maximum Number of Dwellings Per Lot	1	
Min. Lot Size	4,500 sq. feet	
Min. Lot Width	50 feet	
Min. Lot Street Frontage	50 feet / 25 feet for cul-de-sacs	
Federal/State and County Highway Minimum Building Setback	50 feet / 35 feet	
Front Building Setback	25 feet	
Corner Side Building Setback	25 feet	
Side Building Setback	8/0 feet	
Rear Building Setback	25 feet	
Yard/Green Space Setbacks		
Maximum Height of Building	35 ft.	
Maximum Lot Coverage (incl. accessory buildings and structures)	50%	
Other Requirements	1. A note shall be placed on the face of all certified survey maps and subdivision plats creating zero-lot-line lots which states "Prior to attached dwelling units are created, matters of mutual concern to the adjacent property owners due to construction, catastrophe and maintenance shall be guarded against by private covenants and deed restrictions, and the approving authorities shall not be held responsible for same. 2. A restrictive covenant shall be placed on the face of all certified survey maps and subdivision plats creating zero-lot-line lots which states "Building permits are limited to the development of zero-lot-line on Lots ___ through ___, inclusive, unless two adjoining lots are combined and used as a single lot for the construction of a single-family dwelling unit. In this case, an odd number of lots may not be left as a series of consecutive lots. 3. There shall be a common wall. Wherever improvements abut on the common boundary line between adjoining units there shall be a one-hour fire wall running from the lowest floor level (including the basement if it is the common wall) to the underside of the roof sheathing. Such basement wall, if any, shall be waterproofed masonry. 4. When attached dwelling units are created, the plans, specifications and construction of such building shall require the installation and construction of separate sewer, water and other utility services to each dwelling unit.

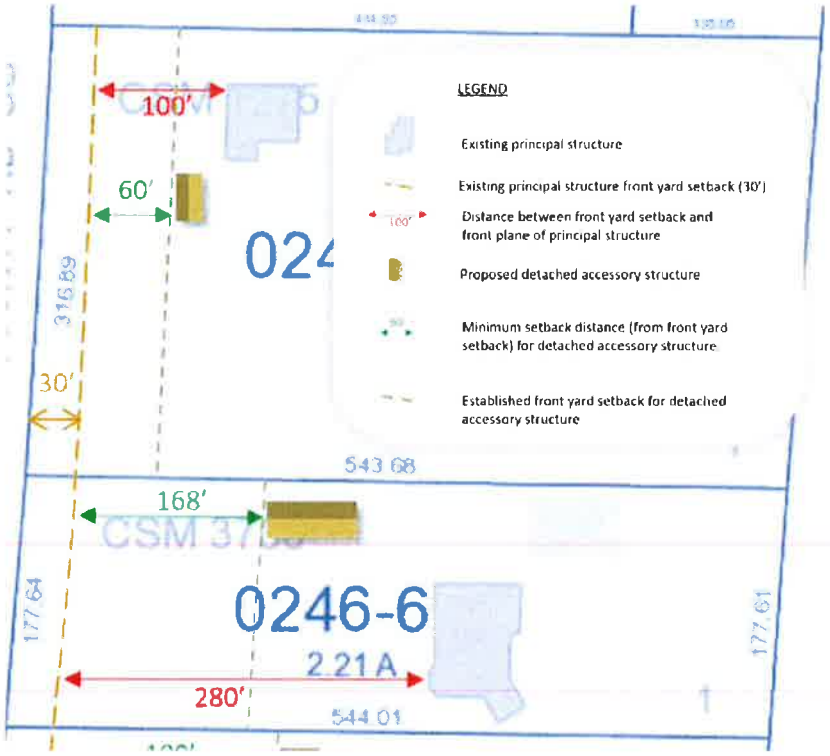
ACCESSORY DWELLING UNIT (ADU)
Shall be defined as a secondary dwelling unit on a lot and include a room or rooms connected together, constituting a separate, independent housekeeping establishment for one family only, for rental, lease or other occupancy on a weekly or longer basis, physically separated from any other rooms or dwelling units, and containing independent cooking and sleeping facilities.

A. Mandatory owner occupancy. The owner of the single-family residence must occupy either the principal residence or the accessory residence.
B. Nature and scale of accessory unit. An accessory dwelling may be a separate building/structure not attached to the principal building or may be incorporated into the principal building, complete housekeeping unit; provided, however, that it is substantially contained within the subordinate part thereof. Permissible modifications to the structure are a limited extension of the structure to the rear and the creation of a separate entrance at the side or rear.
C. The accessory apartment dwelling unit shall not exceed 900 square feet of floor area or 25% of the entire floor area of the principal dwelling, whichever is greater. Any external modification shall be done with a design and materials similar in appearance to the principal structure such that, to the maximum extent possible, the external appearance of the dwelling will remain as a single-family the principal dwelling.
D. Dimensional requirements. Dimensional requirements shall meet those of the zoning district it is in. **Reference Tables 525-32-1 and 525-31-2.**

BED AND BREAKFAST
Shall be defined as an establishment offering overnight accommodations and breakfast in a private home or homestead. The property owner must reside on premises.



BERM
An earthen mound designed to provide visual interest on a site, screen undesirable views, reduce noise, or fulfill other such purposes.

DRIVEWAY
Shall be defined as areas on private property vehicles and equipment park and use to access private property and public right-of-way.

GARAGE
An accessory building greater than 500 sq. ft. designed or used for the parking of personal vehicles, storage of personal property and personal residential uses excluding living quarters unless an ADU is permitted.

Detached accessory garages in the AGD or RR zone on properties of 3 acres or more, not within a recorded subdivision plat, and outside of the Darboy Sanitary District may be placed on the lot in a manner so that the accessory structures' front plane is no closer than 60% of the distance between the existing or planned principal structure's front plane and the established principal structure front yard setback as measured from the closest point of the principal structure. Reference **Diagram 525-32-1.**

Diagram 525-32-1: Setback Example for AGD and RR Zone Detached Accessory Structures

HEATING DEVICES, OUTDOOR
Shall be defined as a detached energy systems using fuel such as wood, coal, or other solid fuel, liquid fuel, or waste oil burners, boilers, or furnaces associated with the production of usable heat or energy, which is located outside of the structure for which the heat is to be supplied either directly or indirectly into the principal or accessory structures on site and in compliance with the following. Outdoor heating devices exclude recreational uses such as fire places, fire pits, portable patio/deck heaters and similar uses.

A. They shall only be allowed outside of the NR-121 Sewer Service Area.
B. They shall be located on a lot greater than one (1) acre.
C. They shall be a minimum of 50 feet from all property lines.
D. No person shall burn fuel in any outdoor heating units other than the fuel recommended by the manufacturer. The following fuels are prohibited: trash, plastics, gasoline, naphtha, household garbage, material treated with petroleum products, particle board, railroad ties, telephone poles, pressure-treated wood, leaves, paper products and cardboard, or any other material that may cause offensive or noxious odors, smoke, airborne ash or debris.
E. The exterior of any outdoor heating unit shall be maintained and kept in good working condition in accordance with the manufacturer's maintenance recommendation. Any storage buildings related to the outdoor heating device will need an additional permit.
F. No detached energy system shall create an undesirable impact upon adjacent property or otherwise create a public nuisance as defined in **Chapter 404 Nuisances** of the Buchanan Municipal Code. Enforcement actions may be taken by the Town to determine if any device is in conflict with the public nuisance ordinance.

HOME OCCUPATION
Means any business, profession, trade or employment conducted in a person's residential dwelling which may involve that person's immediate family and/or household who reside in that residential dwelling. It is the intent of this section to permit home occupations in various zoning districts provided that such use conforms to the standards and conditions set forth in this definition. In general, a home occupation is an accessory use so located and conducted that the average neighbor would not be aware of said use other than for signage as herein permitted. The standards and conditions for home occupations in this section are intended to ensure compatibility with other permitted uses and with the residential character of the neighborhood.

A. Standards for home occupations.

(1) The home occupation shall be clearly incidental to the residential use of the building and parcel and shall not change the essential residential character of the dwelling and parcel.

(2) The home occupation shall not be detrimental to the public health, safety and welfare.

(3) No chemical, mechanical or electrical equipment that is not normally a part of domestic or household equipment shall be used in connection with the home occupation, and no machinery or equipment shall be used in connection with the home occupation that causes noise or other interference in radio or television reception.

(4) No home occupation shall create smoke, odor, glare, noise, dust, vibration, fire hazard or any other nuisance not normally associated with the average residential use in the district.

(5) In no case shall the public have physical access to the home occupation from 10:00 p.m. to 7:00 a.m.

(6) Home occupations may be permitted in the principal or accessory buildings or structures, but no more than 25% of the building or structure shall be used to conduct the home occupation.

(7) The principal person conducting the home occupation must reside at the location of the home occupation. The home occupation can only be performed by members of the immediate family; thus there is no outside employment of individuals.

(8) No traffic shall be generated by a home occupation in greater volumes than would normally be expected in a residential neighborhood, and any need for parking generated by the conduct of such home occupation shall be met off the street and other than in the required front yard.

(9) There shall be no exterior storage of equipment, materials, merchandise, or inventory used for the home occupation, and there shall be no more than two vehicles so marked for the home occupation not contained in a structure at any time.

(10) Deliveries accepted shall be by United States mail, United Parcel Service (UPS), Federal Express or other similar mail carrier. Semi-truck deliveries shall not be accepted.

D. Permitted home occupations.

(1) The following are hereby declared to be home occupations as intended by this section:

(a) Artists, sculptors, photographers, arts and crafts.

(b) Bookkeeping, accountant or tax preparer.

(c) Classes of instruction in areas such as music and dance, provided that no more than eight students are on the premises at any one time.

(d) Child or adult care with eight or fewer children or adults.

(e) Dressmaker or seamstress.

(f) Hair dresser or pet groomer, provided that no more than two patrons are on the premises at any one time.

(g) Manicure/pedicure, provided that no more than two patrons are on the premises at any one time.

(h) Office facilities of a salesperson, sales representative, or manufacturer representative, provided that no retail or wholesale transactions are made in person on the premises.

(i) Office facilities of an architect, writer, attorney, broker, financial consultant, engineer, insurance agent, medical professional, interior designer, land surveyor, marketing analyst, transcriber, word processor or real estate sales.

(j) Office facilities of a minister, rabbi, priest or other clergy.

(k) Office facilities to repair electronic, computer and communication equipment.

(l) Telephone, telemarketing, internet or mail order.

(m) Sales and distribution of products manufactured on or off the premises where the marketing of said products is through home-oriented sales on an appointment-only basis.

(2) It is recognized that it is neither possible nor practicable to list all of the home occupations that are compatible with those listed, and therefore it is intended that the aforementioned list of home occupations be illustrative only. Any individual aggrieved by a failure to list a particular home occupation in this section shall have the right to file a petition with the Administrator for a determination as to the similarity of the intended home occupation with the home occupations listed.

E. Prohibited home occupations.

(1) The following are hereby declared to be prohibited home occupations: any permitted use or special exception use as identified in CL - Local Commercial, CP – Planned Commercial, CR - Regional Commercial or IND - Industrial Zoning Districts except for uses identified in Subsection D as a permitted home occupation.

(2) All other uses shall be declared prohibited.

F. Signs. One sign shall be allowed not exceeding three square feet in area, nonilluminated and mounted flat against the wall of the principal building.

HUNTING BLIND
Shall be defined as a structure that is used for hunting. It shall be a maximum of 100 square feet and may be located on the ground or be elevated. It shall not be used as a dwelling unit.

OUTDOOR STORAGE, TEMPORARY
The storage of materials and products outdoors, excluding vehicles, for a limited period of time.
A. Storage area shall be enclosed by a fence of solid material not less than six feet in height.
B. Storage shall be limited to no more than 60 consecutive days and a maximum of 90 days annually.

PATIO
Shall be defined as a flat structure that is constructed with brick, block, concrete, asphalt, or another similar surface.

PORTABLE STORAGE UNIT
An individual, self-enclosed movable storage container used for temporary storage, typically during construction or the act of moving. The following, including, but not limited to, truck, truck tractor, truck trailer, canopy, bus, railroad car, camper, camping trailer, utility trailer, motorhome or similar vehicle or structure, or portion thereof, are not considered to be portable storage units and such vehicles shall not be used for storage purposes, as a principal use and/or structure or an accessory use and/or structure in any zoning district.

A. Portable storage units shall be allowed on all zoned property. All property zoned or used for residential purposes shall not be allowed for no more than 30 consecutive days and no more than 60 total days per calendar year. If a building permit for a new home has been issued, the portable storage units shall be removed within 30 days of occupancy.

B. The unit may be placed on pervious surface; however, it shall meet current stormwater management regulations.

SHED
Shall be defined as an accessory building designed or used for inside parking of private motor vehicles, recreational vehicles or boats, storage of personal property, and commonly accepted accessory uses related to and by the occupant of the principal building/use. Sheds shall be 500 square feet or less. Metal storage containers (shipping containers) or Portable Storage Units for residential use shall be prohibited.

STOCKPILE / CONSTRUCTION STOCKPILE
An accumulation of maintained useable materials on a construction or business site that are: (1) segregated by type, and (2) specifically intended for particular on-site uses as part of the permitted construction or business activities taking place thereon. Temporary stockpiles may only be allowed during permitted construction activity. Permanent stockpiles must be screened as required by **§ 525-46** and must follow setback standards per the underlying zoning district.

SWIMMING POOL, PRIVATE
Means any depression in the ground, either temporary or permanent, or a container of water, either temporary or permanent and either above or below the ground, in which water more than 18 inches deep is contained and which is used primarily for the purpose of bathing or swimming.

A. No person shall construct, install or enlarge a residential swimming pool not enclosed in a permanent building in the Town except in accordance with the following regulations.

B. Provide a site plan drawn to scale showing the following:

(1) Location of pool on lot, distance from lot lines and distance from structure.

(2) Location of any septic tank, filter bed and sewer and water lines.

(3) Pool dimensions and volume of water in gallons.

(4) Location of proposed fence, and type, size and gate location.

(5) Existing overhead wiring relative to proposed pool.

(6) Underground utilities.

C. Construction requirements.

(1) No pool shall be located, erected, constructed or maintained closer to any side or rear lot line than allowed by this chapter for permitted accessory building uses, and the waterline of any pool shall not be less than 10 feet from any lot line or building.

(2) No connection shall be made to the sanitary sewer or septic system.

(3) Where topography requires, a permanent wall of concrete, masonry or material approved by the Building Inspector shall be constructed to prevent ground and fill from spilling onto adjoining property.

(4) Gaseous chlorination systems shall not be used for disinfecting pool waters.

(5) No above ground pool shall be less than 15 feet from any septic system.

D. Swimming Pool Fences.

(1) All in-ground swimming pools not enclosed within a permanent building shall be completely enclosed by a fence of sufficient strength to prevent access to the pool, not less than four feet in height and so constructed as not to have void, holes or openings more than four inches in one dimension. Gates or doors shall be constructed so as to be capable of being locked, and shall be closed and secured so as to prevent unlatching by persons outside the pool at all times when the pool is not in actual use.

(a) A pool dome or pool-top fencing attached to the pool to extend not less than four feet in height or a pool cover capable of supporting 100 pounds per square foot of cover area are acceptable substitutes for fencing. The pool cover shall be secured at all times when the pool is not in actual use.

E. Utility sheds and other outbuildings shall not be located closer than five feet to the pool waterline area.

F. Electrical requirements.

(1) To comply with electrical codes. All electrical installations shall require separate permits and shall be governed by the Town Electrical Code.

(2) Pool lights. If overhead floor or other artificial lights are used to illuminate the pool at night, such lights shall be shielded to direct light only on the pool.

§ 525-33 **Accessory use dimensional standards.**

Accessory use dimensional standards are listed in **Table 525-33-1**.

§ 525-34 **Accessory use design standards.**

The overall intent is to promote and encourage a variety of architectural styles. However, basic harmony with the principal building is intended to prevail so that no one structure detracts from the other; the accessory buildings and structures shall be consistent in design and material as to the principal building.

§ 525-35 **Fences, walls, hedges.**

A. Definitions.

FENCES/WALLS
Constructed barriers intended to enclose, screen, or separate areas and constructed out of traditional fence/wall material and require a permit.

GARDEN FENCES
Fences six feet in height or less enclosing gardens. A permit is not required.

Table 525-33-1: Detached Accessory Use Dimensional Standards

Zoning District -->	AGD General Agricultural (Not within recorded subdivision)	AGD General Agricultural (Within recorded subdivision)	CON Conservancy Overlay

SECURITY GATES
Movable fence structures installed at a driveway to allow ingress and egress through a controlled means and shall be eight feet in height or less and not wider than the driveway and require a permit.

A. Purpose. The purpose of this subsection is to provide guidance for landowners wishing to construct a fence. The intention is to allow landowners to construct fences for the purpose of enhancing their privacy, increasing or maintaining property value, or improving the aesthetics of the property. At the same time, it is important that these structures do not infringe upon safety, or nearby current or future neighbors, by unreasonably restricting their view or quality of life or negatively impacting property value. Additionally, fences allowed to be constructed must be maintained to preserve the quality originally intended.

B. General regulations.

(1) Athletic fields/courts fences/walls are exempt from height restrictions and permit requirements.

(2) Fences and walls on lots and parcels zoned for residential uses may be permitted in any required yard or along the edge of any required yard, unless prohibited by other restrictions. No fence or wall may exceed a height of four feet within the building setback limits adjacent to a street right-of-way, except, in "back yards" adjacent to collector or arterial street right-of-way (i.e., double frontage or corner side lots) where there is no access to a street right-of-way, the maximum height may be six feet. No fence or wall may exceed a height of six feet in any other required yard or along the edge of any required yard. Height shall be measured from the average grade. Changing the grade or installing a berm to make the fence taller is not permitted unless required by this Chapter for screening purposes.

(3) Fences and walls on lots and parcels zoned and being used for agricultural, commercial, industrial, institutional and open space purposes may not exceed a height of eight feet; provided, however, that a security topper not to exceed two feet may be added to any fence along any property line except a property line adjoining a road. Height shall be measured from the average grade. Changing the grade or installing a berm to make the fence taller is not permitted unless required by this Chapter for screening purposes.

(4) The finished or decorative side of a fence or wall shall face the adjoining property, and no part of a fence or wall shall project over the property line.

(5) No fence or wall is permitted within any storm water, water or sanitary sewer easement. Other utility easements may also have restrictions.

(6) All fences and walls must provide for natural surface water flow.

(7) Height limitations shall be referenced to any town-approved drainage and grading plan.

(8) Temporary fences for short-term planting, construction, hazard, or temporary event shall be marked with colored streamers or other warning devices at four-foot intervals. Temporary fences shall comply with all fence requirements of this section and shall be removed upon completion of the temporary activity.

(9) Electric, barbed wire and razor wire fences are prohibited in all residential districts and residential uses.

(10) See **§ 525-50** for corner visibility requirements.

§ 525-36 **Accessory Parking and Storage.**

A. These regulation apply to properties used for residential.

(1) Definitions. For the purpose of this subsection, the following terms are defined. All other words and phrases shall be given their common, ordinary meaning, unless the context requires otherwise. Words and phrases not defined but defined elsewhere in this chapter shall be given the meaning set forth therein.

BOAT
Any description of watercraft used or capable of being used as a means of transportation on water.

RECREATIONAL VEHICLE
Recreational vehicle means any of the following:

A. Travel Trailer. A vehicular, portable structure built on a chassis and on wheels; that is, between 10 and 36 feet long, including the hitch, and 8 feet or less in width; designated to be used as a temporary dwelling for travel, recreation, vacation or other uses and towed by a car, station wagon or truck. It includes so-called fifth-wheel units.

B. Pick-up Coach. A structure designed to be mounted on a truck chassis for use as a temporary dwelling for travel, recreation, vacation or other uses.

C. Motor Home. A portable, temporary dwelling to be used for travel, recreation, vacation, or other uses, constructed as an integral part of a self-propelled vehicle.

D. Camping Trailer. A canvas or folding structure mounted on wheels and designed for travel, recreation, vacation or other uses.

E. Chassis Mounts, Motor Homes and Mini-Motor Homes. Recreational structures constructed integrally with a truck or motor van chassis and incapable of being separated therefrom.

F. Converted and Chopped Van. Recreational structures which are created by altering or changing an existing auto van to make it a recreational vehicle.

G. Boat. Every description of watercraft used or capable of being used as a means of transportation on water.

H. Boat, Snowmobile or All-Terrain, Utility Trailer. A vehicle on which a boat, ATV or snowmobile may be transported and is towable by a motor vehicle. When removed from the trailer, a boat or snowmobile, for purposes of this section is termed an unmounted boat or snowmobile.

TRAILER
An unpowered utility, storage, or transport vehicle designed to be towed by another vehicle. When a trailer is being used to hold a boat or recreational vehicle it shall not be counted as a separate unit for the purposes of this section.

(2) Permitted parking or storage of boats, recreational vehicles and trailers. In all residential districts provided for in this Chapter, it is permissible to park or store one boat or recreational vehicle or trailer on private property in the following manner:

(a) Within all yards on a paved or gravel surface only. Further restrictions shall also apply as follows:

[1] Parking or storage between the front/corner side lot line and the plane of the house shall be only allowed for the time period of April 1 to October 31, except for snowmobiles.

[2] All paved parking or storage areas shall be surfaced with a dustless all-weather material capable of carrying a wheel load of 4,000 pounds (normally, a two-inch blacktop on a four-inch base or five inches of cement will meet this requirement). Gravel surfaces which can also meet this requirement are allowed.

[3] Parking or storage in side yards shall be subject to a minimum setback of three feet from all lot lines and five feet from the rear lot line.

(b) Only vehicles owned by a resident on whose property the unit is parked or stored may be stored thereon. No storage or parking shall be allowed on any vacant parcel of land without a principal structure.

(c) No part of the boat, vehicle or trailer may extend or be located in the public right-of-way, within a drainage easement or beyond the paved or gravel portion of a parking or storage area if located in the front or side yard.

(d) Notwithstanding the restrictions in this section, a unit may be parked anywhere on the premises during active loading or unloading, and the use of electricity or propane fuel is permitted when necessary to prepare a vehicle for use not to exceed 24 consecutive hours.

(e) Trailers which are not used to tow, hold or store a boat or recreational vehicle that have a hauling gross weight of less than 3,000 pounds and have single axles shall be exempt from restrictions except for **Subsection I(2)(a)[3]**, **(b)** and **(c)**.

(f) Parking is permitted only for storage purposes. Vehicles shall not be:

[1] Used for dwelling purposes, except for overnight sleeping for a maximum of two consecutive days. Cooking is not permitted at any time in any parked or stored vehicle.

[2] Permanently connected to sewer lines, water lines or electricity. The vehicle may be connected to electricity temporarily for charging batteries and other purposes.

[3] Used for storage of goods, materials or equipment other than those items considered to be part of the unit or essential for its immediate use.

Article VI
Schedule of Special and Overlay District Regulations

§ 525-37 **Interpretation and organization.**

A. District regulations shall be as set forth in this article and as modified and supplemented by Articles **VII** and **VIII**.

B. Permitted principal and accessory uses and structures listed for any district shall be permitted by right subject to the conditions as specified.

C. Special exception uses and structures listed for any district are permissible only upon approval by the Town of Buchanan Plan Commission after notice and hearing subject to the conditions as specified and any other conditions as may be imposed by the Plan Commission to promote the general health, safety and welfare.

D. In those instances where district regulations set forth a list of permitted or permissible uses followed by the phrase "and uses of a similar nature," it is understood that the list of permitted or permissible uses is not exhaustive or all-inclusive but that other uses of a like or similar nature are also permitted or permissible. Determination of whether a specific use, not enumerated, is of a like or similar nature shall be made by the Administrator. The determination by the Administrator may be appealed as provided in **§ 525-9**.

E. All uses and structures, dimensional, sign and off-street parking regulations shall be subject to Articles **V**, **VI**, **VII** and **VIII**.

F. All uses and structures, as specified in the Schedule of Special and Overlay District Regulations shall be subject to the regulations and requirements for the use as provided in **Articles V, VI, VII, and VIII.**

§ 525-38 **Special and overlay district purposes**

A. **CON Conservancy Overlay District.** The Conservancy District is established as an overlay district to preserve and perpetuate in an open state certain areas such as lowland swamps, marshes and wetlands, floodplains and stream beds, slopes, bluffs, wooded areas and other areas of aesthetic value which, because of their unique physical features, are deemed desirable to be retained for the benefit of this and future generations. The regulations of the Conservancy District are intended not only to preserve and perpetuate open space land and water areas consistent with the intent and purpose of this chapter, but also to protect the community and the Town from costs and **consequences** which may be incurred when unsuitable development occurs in such areas. For the purposes of this ordinance, the Conservancy District shall include all mapped floodways, delineated wetlands, a 50-foot wetland buffer, navigable stream buffers consistent with the Outagamie County Shoreland Protection Ordinance, and all wooded lands over five (5) acres in size.

§ 525-39 **Special and overlay district principal and special exception uses and dimensional standards.**

A. **Principal and special exception uses and structures.** Principal and special exception uses and structures within Special and Overlay Districts are listed in **Table 525-31-1.**

B. **Principal and special exception dimensional standards**. Principal and special exception dimensional standards within Special and Overlay Districts are listed in **Table 525-31-2.**

§ 525-40 **Reserved**

§ 525-41 **PUD Planned Unit Development.**

A. Intent. This overlay is intended to encourage quality and desirable development by allowing for greater flexibility and design freedom than permitted under other zoning district regulations. These regulations are established to permit and encourage mixed-use; create diversification, variation and imagination in the layout of development; to encourage the preservation of open space; and to encourage more rational, economic development with respect to the provision of public services.

B. Definition. Mixed-Use shall be defined as a development practice blending two or more land uses either within a single building (vertical mixed-use) or multiple buildings/uses across a single parcel, a street/block or entire neighborhood (horizontal mixed-use) and is considered pedestrian-friendly and walkable when at a street/block or neighborhood level and incorporates common neighborhood design principals.

C. Applicability and procedure.

(1) A pre-application meeting shall be required with the Administrator.

(2) Once the pre-application meeting has been held a Planned Unit Development Concept Plan application shall be submitted to the Administrator. Upon plan submittal, the Administrator or designee shall schedule a meeting with the Plan Commission to review the plan. The plan shall be reviewed against the requirements of the Municipal Code, this Chapter, and consistency with the Comprehensive Plan.

(3) The Plan Commission shall review the plan and either recommend approval or denial to the Board or postpone action until the plan has been modified based on the recommendations of the Plan Commission.

(4) Upon the Board receiving a recommendation from the Plan Commission the Board shall approve or deny the plan or postpone action on the plan until it has been modified.

(5) Upon approval of the concept plan, the applicant shall submit an application for a Special

Exception for Planned Unit Development, in compliance with **§525-13 Special Exceptions**, along with any other applicable zoning/development application requests that may be required.

(6) Expiration. The concept plan shall expire if required approvals (Special Exception, rezoning, platting/CSM and/or site plan or any other applicable approvals) aren't obtained within 12 months of the concept plan approval.

D. Regulations.

(1) Planned Unit Developments. Planned Unit Developments shall meet the following standards.

(a) Meet the Planned Unit Development intent per **§525-41A**.

(b) Meet the definition of Mixed-Use per §525-41B.

(c) Have at least two (2) or more land uses as permitted in **Table 525-31-1.**

(d) Be a minimum of five (5) acres in size.

(e) Be consistent with the Comprehensive Plan.

(2) All regulations within the Buchanan Municipal Code shall be complied with except Article V Schedule of District Regulations, Article VII Performance Standards and Article VIII Signs of this Chapter which may be modified and shall be proposed during the concept plan approval process and shall be approved as part of the Special Exception approval for the Planned Unit Development.

(3) Conditions and Safeguards. The Plan Commission may recommend to the Board, and the Board may require additional conditions and safeguards be established through the Special Exception approval to ensure the protection and safety of the public interest.

E. Expiration. The Planned Unit Development Special Exception shall expire consistent with the requirements of **§ 525-13 F.** for Special Exceptions.

Page intentionally left blank.

Article VII
Performance Standards

§ 525-42 **General application.**
The regulations set forth herein shall supplement or modify the regulations set forth in Articles **V**, Schedule of District Regulations and **VI**, Schedule of Special and Overlay District Regulations. Requirements for uses and structures specified in this article shall apply to such uses and structures whether permitted by right or by special exception.

§ 525-43 **Lots, yards and access.**

A. Development in mapped streets. Where an official line has been established for the future widening or opening of a street, per the Town of Buchanan Official Map, the depth of a front yard or the width of a side yard shall be measured from such official line to the nearest line of the building.

B. Access. Every building housing a principal use hereafter erected or moved shall be on a lot with access to a public street and all such buildings shall be so located as to provide safe and convenient access for servicing and off-street parking, unless otherwise specified in Articles **V** and **VI**.

C. Building groups. In any nonresidential district, a group of buildings separated only by common or party walls shall be considered as one building.

D. Yard encroachments. Every part of every required front and side yard shall be open and unobstructed by structures from 30 inches above the general ground level of the graded lot upward to the sky, except as hereinafter provided or as otherwise permitted in this chapter.

(1) Roof eaves may project into a required side yard not more than three feet where the required side yard is eight feet or more in width. Roof eaves may project into a required side yard not more than two feet where the required side yard is less than eight feet.

(2) Sills, belt courses, cornices, vertical solar blocking/filtering screens and other ornamental features may project not over one foot into a required yard.

(3) Fire escapes, stairways and balconies, whether unroofed, open and unenclosed or enclosed, shall not intrude into required yards.

§ 525-44 **Building and construction design standards and requirements**

A. Applicability. This following sections shall be applicable to any new commercial and industrial buildings in the CL, CR, CP, and IND Districts; multi-family buildings in the MF and MDR Districts; and public/institutional buildings in the PI District, as well as additions to commercial and industrial buildings and multi-family buildings in which a site plan review is required in accordance with § **525-11**.

§ 525-45 **Dumpster and dumpster enclosures.**

A. Intent. The intent of this section is to establish rules for enclosed dumpster areas in order to:

(1) Prevent accumulations of garbage and rubbish from spreading throughout the Town and endangering health of citizens.

(2) Enhance the aesthetic appearance of the community.

B. Screening requirements for existing dumpsters. This section is intended to regulate existing dumpsters located on the property.

(1) Existing dumpsters which, in the judgment of the Administrator, meet the intent of this section shall be exempt from the specific requirements herein. Existing dumpsters located within the Industrial District shall be exempt from requirements unless the dumpster is located within 100 feet of an existing residential land use.

(2) Existing dumpsters which, in the judgment of the Administrator, do not meet the intent of this section shall either be removed or the owner shall cause the following improvements to be made:

(a) Installation of any screening needed to prevent the dumpster from being seen from:

[1] Right-of-way of any public or private street; or

[2] Any residential structure (regardless of zoning).

(b) Screening may be accomplished by:

[1] Full dumpster enclosure;

[2] Partial dumpster enclosure (one, two or three sides);

[3] Six-foot opaque fencing located between dumpster and the viewer's location;

[4] Year-round landscaping (coniferous/evergreen) or berming;

[5] Any combination of the above.

(3) Any person aggrieved by a decision of the Administrator under this section may appeal the same to the Board of Appeals in accordance with § **525-9**

C. Screening requirements for new dumpsters. All new dumpsters placed on the property shall meet the following requirements:

(1) All properties that utilize a dumpster shall utilize an enclosed dumpster area.

(2) All dumpster enclosures shall be located behind the structure on the side designated as having the rear yard. If topography or other conditions will not allow the dumpster enclosure to meet this requirement, the Administrator shall approve an appropriate location.

(3) Dumpster enclosures shall not be located any closer than five feet to a lot line.

(4) Dumpster enclosures shall not be located on any required parking spaces or within any required easements.

(5) Dumpsters shall be surrounded by an opaque enclosure that is compatible with the design and color of the principal building. Chain link fencing shall not be permitted as an enclosure.

(6) Dumpster enclosures shall have a minimum height of six feet. If the dumpster is taller than four feet, the enclosure shall be two feet taller in height than the dumpster. Dumpster enclosure area shall have no overhead obstructions (wires, trees, roof overhangs, etc.).

(7) Dumpster enclosures shall have a single or double access gate on one side only. Gates shall have a closing latch and must remain closed at all times except during service.

(8) All dumpster enclosures shall be placed on a concrete pad with a concrete apron.

§ 525-46 **Landscaping.**

A. Intent. The intent of this section is to enhance the appearance of the Town by improving the quality of landscaping. Criteria and standards are provided to ensure building sites and off-street parking areas are sufficiently landscaped to protect and preserve the appearance, character and value of surrounding properties and public right-of-way, thereby promoting the general welfare, safety and aesthetic quality of the Town of Buchanan.

B. Additional applicability. In addition to applicability as listed in **§ 525-44 A.**, this section shall also apply to existing occupied developments that do not conform to the provisions of this Article. These developments may be continued until such time a site plan is required by this Chapter. Where a building, parking or other site improvement is proposed, landscaping requirements in this Article shall apply to those areas on the property; if the remaining areas of the property not proposed for improvements are non-conforming they may continue as legal non-conforming, but it is recommended they be brought into conformance as much as possible. Flexibility on relief shall be allowed on a case by case basis, as approved by the Administrator, as the standards set in this Section may not be able to be applied due to existing physical or environmental constraints. It is the intent to meet the standards in this Section where practical.

C. Landscape plan submittal and requirements. A landscape plan shall be submitted for review and shall be drawn to an appropriate scale and shall include at a minimum the following information:

(1) The name and address of owner/developer, and name of the landscape architect/designer.

(2) Date of plan preparation, date and description of all plan revisions, name of project or development, scale of plan and North marker.

(3) The location of all lot lines, locations of all existing and proposed easements and rights-of-way, and elevation, topography, and cross-section details as determined necessary by the Administrator.

(4) The location of all existing and proposed structures, parking and loading areas, driveways, sidewalks, ground signs, dumpster enclosure areas, fences, freestanding electrical and other utility equipment and other related site improvement features.

(5) The location and contours at one-foot intervals of all proposed berms.

(6) The location, caliper size and species (common and/or botanical name) of all existing plant material on the site and designation of intended treatment (save, move, remove).

(7) The location, caliper size at planting and species (common and/or botanical name) of all proposed plant materials, and location and description of all ground cover and turf grasses.

(8) A schedule of all new plants proposed for planting, and those existing plants that will be saved, including planned installation date.

(9) A schedule itemizing the total square foot area of all greenspace proposed on the lot, the total square foot area of off-street parking, the number of off-street parking spaces, the number and square foot area of each interior island and peninsula.

D. Landscape standards. Landscaping required under this section shall be of four types as specified below: lot line landscaping, interior landscaping, buffer yard landscaping and screening requirements:

(1) Lot line landscaping. A minimum five-foot-wide area extending along the lot adjacent to all road right-of-way plus a minimum five-foot-wide area along all other lot lines shall be landscaped as described below. (Requirements shall not apply for any development with an approved zero-lot line.)

(a) Lot line landscaping areas shall be planted with a minimum of one shade tree and six shrubs per 40 linear feet of frontage, excluding driveway openings.

(b) Where it is deemed appropriate or desirable to construct a berm in the lot line landscaping area, the slope of the berm shall be planted with a minimum of one shade tree and three shrubs per 40 lineal feet of frontage, excluding driveway openings.

(2) Buffer yard landscaping. Any commercial, industrial or other non-residential use adjacent to a residential use or zoning district shall provide a landscaped buffer yard along the full length of the affected side to afford protection to the residential uses from the glare of lights, from visual encroachment, and from the transmission of noise. Required buffer yards shall be landscaped as described below. Combinations of trees, shrubs, berms, and fences shall create screening, which is at least 50% impervious at planting to sight.

(a) Buffer yards required for commercial/non-residential uses zoned AGD, CL, CR, CP, IND and PI shall be a minimum 10 feet wide and shall be planted with a variety of conifer species spaced 20 feet on center and a minimum of one shade tree at fifty-foot centers (shade trees shall be defined as any tree with a mature height of 30 feet or greater).

(b) Buffer yards required for industrial/non-residential uses zoned IND shall be a minimum 25 feet wide and shall be planted with a double row of a variety of conifer species spaced 20 feet on center and a minimum of one shade tree at fifty-foot centers (shade trees shall be defined as any tree with a mature height of 30 feet or greater).

(c) As an alternative to these buffer yard landscaping requirements, a six-foot-high sight-tight fence may be constructed near the lot line, except chain-link fences with or without privacy slats shall be prohibited, with the remainder of the required buffer yard planted with a minimum of one shade tree at fifty-foot centers (shade trees shall be defined as any tree with a mature height of 30 feet or greater). The required trees shall be located between the lot line and fence.

(d) The required buffer yard shall be a greenspace where no portion of a building, parking, and driving, loading, or storage area may be located.

(e) Mulch, stone or other acceptable organic material shall be placed around the base of all plant material and maintained on regular basis.

(4) Screening requirements. The intent of these requirements is to provide a visual screen around service equipment, outdoor storage, shipping and receiving docks, and trash collections areas contained within commercial, industrial, and non-residential properties.

(a) At the time of installation or planting, screening materials of a variety of conifer plantings must be at least 50% impervious at planting to sight and be sufficiently high and long to accomplish the desired blockage of view year-round. These plantings shall be located adjacent to the area being screened.

(b) As an alternative to the landscaping requirements, a six-foot-high sight-tight fence may be constructed near the lot line (chain link fences with or without privacy slats shall be prohibited), with the remainder of the required strip planted with a minimum of one shade tree at fifty-foot centers (shade trees shall be defined as any tree with a mature height of 30 feet or greater). The required strip shall be a greenspace where no portion of a building, parking, and driving, loading, or storage area may be located.

E. Planting specifications. Plant materials provided in conformance with the requirements of this section shall be equal to or better in quality than the standards of the American Nursery and Landscape Association. The minimum sizes of plant materials that shall satisfy the requirements of this section are as follows:

(1) Shade tree: caliper of 2 1/2 inches.

(2) Ornamental tree: caliper of 1 1/2 inches.

(3) Evergreen tree: five feet in height.

(4) Shrub: eighteen-to-twenty-four-inch height or spread.

F. Substitutions and modifications.

(1) To meet unique site design conditions or to overcome obstructions, conflicts or other factors, the Administrator may approve planting substitutions as described below.

(a) Two ornamental trees may be substituted in place of one shade tree.

(b) Two evergreen trees may be substituted in place of one shade tree.

(c) One evergreen tree may be substituted in place of five shrubs.

(d) One shade tree may be substituted in place of 10 shrubs.

(2) While plant materials should generally be distributed proportionately on the lot in accordance with the standards of this section, the Administrator can require alterations and variations in the planting pattern, on a case-by-case basis, to maximize the effectiveness of the installed landscaping.

(3) Flexibility on relief may be provided in meeting the landscape standards in cases where quantity and location of planting material would be difficult to install due to site/environmental or life/safety reasons, including restrictions within vision triangles, or unique land uses being proposed for development. In these cases, required plant material shall be relocated elsewhere on the site. The Plan Commission shall review and may approve a reduction in plant quantity due to the circumstances listed above if there isn't room on site to relocate the required plant material. If a reduction is approved, the Plan Commission shall require fee-in-lieu, based on the market rate of the plant material being reduced, to be used for landscaping within the public right-of-way or on public property.

G. Installation/certification. All landscaping, buffering and screening improvements required under this section must be completed on a schedule approved by the Administrator. Within 30 days of the installation of plat materials, the owner/developer shall submit written certification to the Town that healthy plant materials were properly installed in accordance with the approved landscape plan and the Town shall conduct an inspection to verify conformance with the approved plans.

H. Maintenance. The owner of the lot on which landscaping has been provided shall be responsible for protecting and maintaining all plant materials and landscape areas in a healthy and growing condition and shall be responsible for keeping them free from refuse, debris and weeds. Failure to maintain or replace dead or diseased plant materials during the next appropriate planting period shall constitute a violation of the provisions of this section.

§ 525-47 **Outdoor lighting.**

A. Intent. The intent of this section is to regulate outdoor lighting in order to reduce and prevent light pollution within the Town of Buchanan, promoting the public health, safety, prosperity, aesthetics and general welfare of the community. This means, to the extent reasonably possible, the reduction or prevention of glare and light trespass, the conservation of energy, and promotion of safety and security.

B. Definitions. As used in this section, the following terms shall have the meanings indicated:

DARK SKY CUTOFF
Any light fixture that emits its light below 45° when measured from 0 to 180° vertical. Dark sky cutoff fixtures keep most of their light from reaching the night sky and also minimize ground reflection and reduce light scatter beyond the property line.

DARK SKY FIXTURE / FULLY SHIELDED LUMINAIRE
A light fixture that emits its light below 90° when measured from 0 to 180° vertical. Dark sky fixtures keep most of their light from reaching the night sky.

DARK SKY SHADE OR SHIELD
Anything that is used to shade or shield a light fixture so that it behaves as a dark sky fixture. These include, but are not limited to, fixtures outfitted with caps or housings or installed under canopies, building overhangs, roof eaves, or shaded by other structures, objects or devices.

FIXTURE or LUMINAIRE
A complete lighting unit including the lamps or bulbs, together with the parts required to distribute the light, to position and protect the lamps, and to connect the lamps to the power supply.

FOOTCANDLE
The unit of measure expressing the quantity of light received on a surface. One footcandle is the illuminance produced by a candle on a surface one foot square from a distance of one foot.

FULL CUT-OFF
A light fixture that prevents all transmissions of light above the horizontal.

FULL SHIELD
A fixture with housing or attachment which prevents a line of sight to the bulb when viewed from another property and which prevents a line of sight to any part of the light source at or above a horizontal plane running through the lowest portion of the fixture.

LIGHT POLLUTION
A general sky glow caused by the scattering of artificial light in the atmosphere and resulting in decreased ability to see the natural night sky.

LIGHT TRESPASS
Light emitted by a fixture that shines beyond the property on which the fixture is installed causing private nuisance to adjacent property owners.

MOTION SENSOR
Any device that turns a light fixture on when it detects motion and off when motion stops.

SHIELDING
Restricts light rays being emitted by a fixture above the horizontal plane running through the lowest point of the fixture where light is emitted.

SWITCH
Any device that can be manually controlled by a person to turn a light fixture on and off.

TEMPORARY LIGHTING
Refers to lighting as required to carry out legally approved activities for durations for those activities. These include, but are not limited to, for example, activities such as nighttime agricultural operations, construction work lighting and seasonal decorations.

C. General prohibitions. Except as specifically permitted by this article, all non-dark-sky lights and fixtures are prohibited.

D. Light fixtures permitted.

(1) Existing light fixtures. All light fixtures existing as of the effective date of this article are grandfathered, approved and permitted by this article. However, at such time as such fixture is replaced, the provisions of this article shall apply.

(2) Dark sky fixtures. All light fixtures that are dark sky fixtures and dark sky cutoff fixtures are approved and permitted by this article.

(3) Dark sky shade or shield. All light fixtures that have a dark sky shade or dark sky shield (fully shielded) are approved and permitted by this article.

(4) Other light fixtures encouraged but not required:

(a) Light fixtures with motion sensors are encouraged to minimize the duration of nighttime lighting.

(b) Light fixtures with soft yellow or orange lights instead of harsh white lights are encouraged to protect the view of the night sky.

(c) Dark sky shades and dark sky shields are encouraged for existing fixtures to protect the view of the night sky, minimize ground reflection and reduce light scatter beyond the property line.

E. Approval procedure. A photometric plan is required in conjunction with **§ 525-11**, Site plans, of this chapter and must be approved before installation of improvements, issuance of an erosion control/stormwater permit, and issuance of a building permit.

F. Exterior lighting, whether freestanding or mounted on a building or structure, shall be certified by the International Dark-Sky Association (IDA) as dark-sky compliant; documentation shall be provided to verify certification. Lighting shall be fully shielded and oriented so as not to exceed the following light levels on adjacent properties:

(1) Zero point two (0.2) horizontal footcandles on residentially zoned property or non-residentially zoned property that has a residential use.

(2) Two point zero (2.0) horizontal footcandles on non-residentially zoned property.

(3) Fifteen (15.0) horizontal footcandles on public road right-of-way; if light spills onto property across a public right-of-way, the zero-point-two (0.2) and two-point-zero (2.0) horizontal footcandle restrictions shall apply accordingly as identified in this subsection.

G. Inspection and completion. See **§ 525-11 B.** for inspection and completion requirements.

§ 525-48 **Building material and architectural requirements.**

A. Intent: achieve a cohesive, aesthetically pleasing and consistent architectural character in new construction, additions and redevelopment through the use of exterior building materials and details that are similar to or compatible with adjacent buildings.

B. Building material and facade requirements.

(1) Materials must be selected to adequately suit the type of building and style in which it is intended to serve.

(2) Buildings must have the same materials, or those which are architecturally harmonious, used for all building elevations. A primary facade material must be used consistently on all building elevations to limit the number of compatible secondary facade materials.

(3) The sides and rear of buildings shall be as visually attractive as the front through the design of rooflines, use of similar architectural detailing and building materials.

(4) Examples of appropriate facade materials: brick, nonreflective glass, wood, stucco, decorative architectural tile, integrally colored textured concrete, natural or cultured stone, architectural block, architectural metal panels.

(5) Examples of limited facade materials for accent only: particle board, shingle siding (except for cedar shake siding), vinyl siding, wood siding (plywood paneling), highly reflective or glare-producing glass, industrial metal panels with or without exposed fasteners, concrete masonry units, exposed aggregate precast concrete, metal.

C. Architectural requirements.

(1) Building designs shall minimize the effects of size and scale by use of variable rooflines, door and window openings, facade protrusions or recesses, and use of porticos, overhangs, arcades, arches, patios and other similar features.

(2) Building entrances must be designed to be clearly identifiable and easily recognizable from parking lots and pedestrian access points.

(3) Colors shall be compatible, coherent and harmonious with existing materials in the immediate area. Color schemes shall be used consistently throughout the property. Fluorescent, day-glow and/or neon colors and light tubing shall not be permitted.

(4) For all visible roofs, roofing materials and construction must be high quality, such as but not limited to standing seam metal, slate, cedar or architectural shingles. Roofing materials and shape must be compatible with the architectural style of the building and with surrounding buildings and roofs.

§ 525-49 **Industrial development.**

A. Intent. It is the intent of this section to use performance standards for the regulation of industrial uses to facilitate a more objective and equitable basis for control, and to ensure that the community is adequately protected from potential hazardous and nuisance-like effects.

B. Standards of operations.

(1) Vibration. No operation or activity shall transmit any physical vibration that is above the vibration perception threshold of an individual at or beyond the Industrial District boundaries. Vibration perception threshold means the minimum ground- or structure-borne vibrational motion necessary to cause a normal person to be aware of the vibration by such direct means as, but not limited to, sensation by touch or visual observation of moving objects. Vibrations not directly under the control of the property uses and vibrations from temporary construction or maintenance activities shall be exempt from the above standard.

(2) External lighting. No operation or activity shall produce any intense glare or lighting with the source directly visible beyond the Industrial District boundaries.

(3) Odor. No operation or activity shall emit any substance or combination of substances in such quantities that create an objectionable odor, as defined in Ch. NR 429, Wis. Adm. Code.

(4) Particulate emissions. No operation or activity shall emit any particulate matter into the ambient air which exceeds the limitations as established in Ch. NR 415, Wis. Adm. Code.

(5) Visible emissions. No operation or activity shall emit into the ambient air from any direct or portable source any matter that will affect visibility in excess of the limitations established in Ch. NR 431, Wis. Adm. Code.

(6) Hazardous pollutants. No operation or activity shall emit any hazardous substances in such a quantity, concentration or duration as to be injurious to human health or property, and all emissions of hazardous substances shall not exceed the limitations established in Ch. NR 445, Wis. Adm. Code.

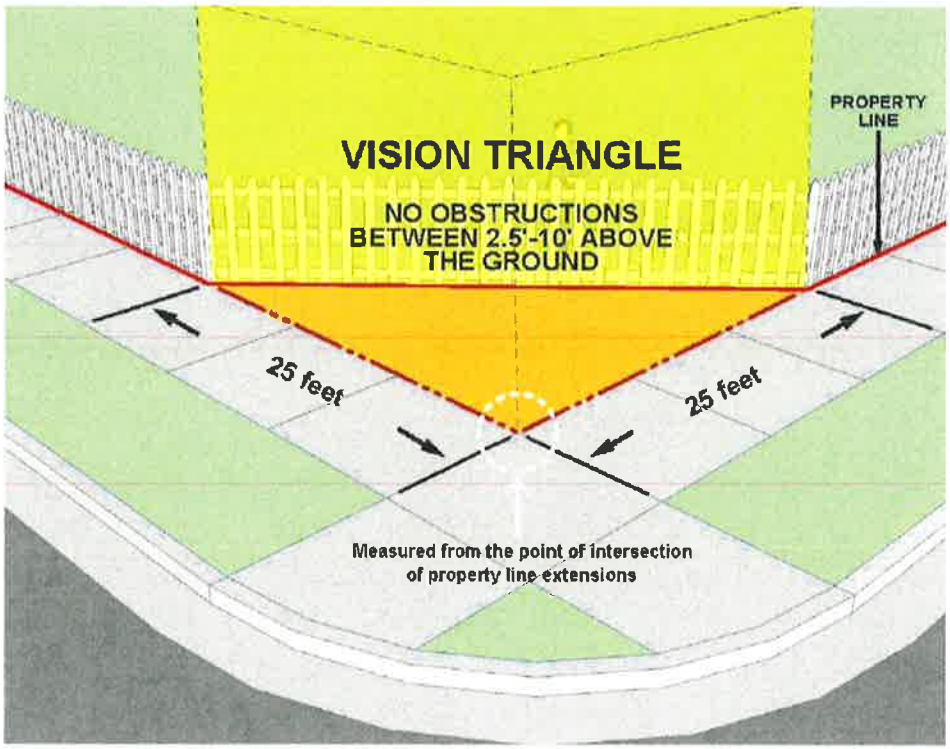
(7) Noise.

(a) No activity in an Industrial District shall produce a sound level outside the district boundary that exceeds the following sound level measured by a sound level meter and associated octave band filter as shown in **Table 525-49-1**:

Table 525-49-1: Sound Level Limitations

Octave Band Frequency (cycles per second)	**Sound Level** (decibels)
0 to 75	79
75 to 150	74
150 to 300	66
300 to 600	59
600 to 1,200	53
1,200 to 2,400	47
2,400 to 4,800	41
Above 4,800	39

(b) All noise shall be so muffled or otherwise controlled as not to become objectionable due to intermittence, duration, beat frequency, impulse character, periodic character or shrillness.



C. Administration. Determinations necessary for the administration and enforcement of these standards range from those which can be made by a reasonable person using normal senses and no mechanical equipment to those requiring substantial technical competence and complex equipment. It is the intent of this section that the methods to be used in determining compliance shall be the responsibility of the Building Inspector and Administrator, subject to the following procedures:

(1) Approval of building permits. Prior to approving a building permit for any industrial use or any change thereof, the Building Inspector and Administrator shall have received from the applicant evidence or assurance that the proposed use or changing use will satisfy the air quality, vibration, noise and exterior lighting standards of this chapter.

(2) Violation of standards. Whenever the Building Inspector or Administrator have reason to believe the air quality, vibration, noise and exterior lighting standards of this chapter have been violated, written notice shall be made by certified mail to the person or persons responsible for the alleged violation. Such notice shall describe the alleged violation and shall require an answer or correction of the alleged violation within 30 days. Failure to reply or correct the alleged violation within 30 days may cause lawful action to be taken to cause correction as provided in this chapter or referral of the alleged violation to the Wisconsin Department of Natural Resources.

§ 525-50 **Corner visibility.**
On any corner lot in all zoning districts, no fence, wall, hedge, planting or structure shall be erected, placed, planted or allowed to grow in such a manner as to obstruct the vision clearance triangle between a height of 2 1/2 feet and 10 feet above the center-line grades of the intersecting streets in the area bounded by the right-of-way lines of such corner lots and a line joining the points along said right-of-way lines 25 feet from the point of intersection. **See Diagram 525-50-1.**

Diagram 525-50-1: Vision Clearance Triangle

§ 525-51 **Off-street parking.**

A. Requirements not specified. Minimum parking standards are not required for all non-residential uses in the CL, CR, CP, IND and PI districts except as shown in **Table 525-51-1**. However, when off-street parking facilities are provided, such facilities shall be provided in accordance with the design provision of this subsection, except in respect to the required number of spaces.

Table 525-51-1: Off Street Parking Requirements

Zoning District	AGD General Agricultural	CON Conservancy Overlay	RR Rural Residential	RSF Single Family Residential	RTF Two Family Residential	STFR Single and Two-Family Residential	MDR Medium Density Residential	RMF Multifamily Residential	CL Local Commercial	CR Regional Commercial	CP Planned Commercial	IND Industrial	PI Public/Institutional
Minimum Off Street Parking Spaced Required	None	None	1.5 spaces per dwelling unit	1.5 spaces per dwelling unit	1.5 spaces per dwelling unit	1.5 spaces per dwelling unit	1.0 space per dwelling unit	1.0 space per dwelling unit	None	None	None	None	Churches: 1 per 3 fixed seats. High schools: 1 per 3 students plus 1 per employee. Elementary school, junior high school, day nurseries: 1 per employee. Libraries, exhibits, community centers: 1 per 3 persons of maximum capacity. Convalescent home, children's home, nursing home: 1 per 4 beds plus 1 per employee.

B. Parking requirements for a use not specified shall be the same as required for a use of similar nature, or sufficient off-street parking shall be provided such that no public street shall be used for parking.

C. Fractional spaces. Where computation of the required parking spaces results in a fractional number, only the fraction of 1/2 or larger shall be counted as one.

D. Changes in buildings or use. Whenever a building or use is enlarged to the extent of 50% or more in floor area, such spaces shall be provided on the basis of the enlargement or change.

E. Joint use. Two or more uses may provide required off-street parking spaces in a common parking facility less than the sum of the spaces required for each use individually, provided such uses are not operating during the same hours. A written agreement shall accompany any joint use arrangement.

F. Off-lot parking. Required off-street parking spaces shall be located on the same lot with the principal use or, when this requirement cannot be met, such parking spaces may be located off lot, provided the parking spaces are located in the same district. Off-lot parking spaces must also be held in fee simple ownership by the owner of the use requiring such parking or be leased or rented through a written agreement. Off-lot parking spaces for residential uses shall be within 200 feet of the principal entrance or the entrance for the individual occupants for whom the spaces are reserved.

G. Design standards. Parking lots shall be designed using the standards contained in **Table 525-51-2**.

Table 525-51-2: Parking Lot Design Standards

Design Standard	30°	45°	60°	90°
Stall width perpendicular to parking stall: Surface Parking	9 ft.	9 ft.	9 ft.	9 ft.
Stall depth	18 ft.	19 ft.	20.5 ft.	18 ft.
One-way drive aisle width	12 ft.	13 ft.	18 ft.	24 ft.
Two-way drive aisle width	22 ft.	22 ft.	24 ft.	24 ft.
Parallel parking	9 ft. x 22 ft.			
Note: All parking areas shall be surfaced with a durable, dustproof surface consisting of concrete or bituminous concrete unless otherwise permitted.				

§ 525-52 **Solar Energy Systems (SES)**

A. **Purpose.** The purpose of this Section is to provide a regulatory scheme through a Solar Energy System (SES) permit application process to review the construction and operation of all Solar Energy Systems in the Town of Buchanan, Outagamie County, Wisconsin. All regulations contained herein are adopted to preserve and protect the public health and safety. The Town understands that local restrictions on Large-Scale Solar Energy Systems may be limited as they may be affected by State Statute provisions, project details, and necessary Wisconsin Public Service Commission project approvals.

B. **Definitions.** As used in this section, the following terms shall have the meanings indicated:

AGRIVOLTAICS
A solar energy system co-located on the same parcel of land as agricultural production, including crop production, grazing, apiaries, or other agricultural products or services.

BATTERY ENERGY STORAGE SYSTEM
A system of battery devices that enable energy from renewables, like solar and wind, to be stored and then released when customers need power most.

COMMUNITY SOLAR GARDEN
A solar energy system that provides retail electric power (or a financial proxy for retail power) to multiple community members or businesses residing or located off-site from the location of the solar energy system. Also referred to as shared solar.

EXISTING SOLAR ENERGY SYSTEMS
A solar energy system lawfully existing at the time of the adoption or amendment of this ordinance may be continued even if such a system does not conform to the provisions of this chapter. However, it shall be deemed a nonconforming use or structure, and the provisions of **§ 525-28 Nonconformities** of this ordinance shall apply.

GRID-INTERTIE SOLAR ENERGY SYSTEM
A photovoltaic solar energy system that is connected to an electric circuit served by an electric utility company.

MICROGRID
A self-sufficient energy system that serves individual or multiple buildings and/or a discrete geographic footprint, such as a college campus, medical center, business center or neighborhood. Microgrids must be local, independent, and intelligent. Microgrids may include the use of Battery Energy Storage Systems.

PASSIVE SOLAR ENERGY SYSTEM
A solar energy system that captures solar light or heat without transforming it to another form of energy or transferring the energy via a heat exchanger.

PHOTOVOLTAIC SYSTEM
A solar energy system that converts solar energy directly into electricity.

RENEWABLE ENERGY EASEMENT, SOLAR ENERGY EASEMENT
An easement that limits the height or location, or both, of permissible development on the burdened land in terms of a structure or vegetation, or both, for the purpose of providing access for the benefited land to wind or sunlight passing over the burdened land, consistent with Wis. Stats.700.35.

ROOF-MOUNT
A form of building-mounted solar energy system in which solar panels are mounted on a rack that is fastened to or ballasted on a structure's roof. Roof-mount systems are accessory to the principal use.

ROOF PITCH
The final exterior slope of a roof calculated by the rise over the run, typically but not exclusively expressed in twelfths such as 3/12, 9/12, 12/12.

SOLAR ACCESS
Unobstructed access to direct sunlight on a lot or building through the entire year, including access across adjacent parcel air rights, for the purpose of capturing direct sunlight to operate a solar energy system.

SOLAR CARPORT
A solar energy system of any size that is installed on a carport structure that is accessory to a parking area, and which may include electric vehicle supply equipment or energy storage facilities.

SOLAR COLLECTOR
A device, structure or a part of a device or structure for which the primary purpose is to transform solar radiant energy into thermal, mechanical, chemical, or electrical energy. The collector does not include frames, supports, or mounting hardware.

SOLAR DAYLIGHTING
Capturing and directing the visible light spectrum for use in illuminating interior building spaces in lieu of artificial lighting, usually by adding a device or design element to the building envelope.

SOLAR ENERGY
Radiant energy received from the sun which can be collected in the form of heat or light by a solar collector.

SOLAR ENERGY SYSTEM (SES)
A device, array of devices, or structural design feature, the purpose of which is to provide for generation or storage of electricity from sunlight, or the collection, storage and distribution of solar energy for space heating or cooling, daylight for interior lighting, or water heating. "Solar Energy Systems" are further defined in this section, but exclude the following which are permitted accessory uses in all districts:

A. Solar powered light fixtures that are ground or wall mounted.
B. Solar powered electric fences.

SOLAR ENERGY SYSTEM, LARGE SCALE (100MW+)
A commercial solar energy system that converts sunlight into electricity for the primary purpose of wholesale sales of generated electricity. A large-scale solar energy system is the principal land use for a parcel(s) generating 100MW or more and will require approval by the Wisconsin Public Service Commission.

SOLAR ENERGY SYSTEM, MID-SCALE (30kW to 100MW)
Either a privately owned solar energy system that converts sunlight into electricity for the purpose of providing power to structures and facilities on the same site, or a commercial solar energy system that converts sunlight into electricity for the primary purpose of wholesale sales of generated electricity. A mid-scale solar energy system can be a principal or accessory land use for a parcel(s) generating between 30kW to 100MW and does not require approval by the Wisconsin Public Service Commission. These may be allowed as an accessory use if a Special Exception is granted.

SOLAR ENERGY SYSTEM, SMALL-SCALE (Less than 30kW)
A privately owned solar energy system that converts sunlight into electricity for the primary purpose of providing power to structures and facilities on the same site. A small-scale solar energy system is an accessory land use for a parcel(s) generating less than 30kW and does not require approval by the Wisconsin Public Service Commission. A small-scale SES may be ground-mounted or building mounted.

SOLAR ENERGY SYSTEM, BUILDING INTEGRATED
A solar energy system that is an integral part of a principal or accessory building, rather than a separate mechanical device, replacing or substituting for an architectural or structural component of the building. Building-integrated systems include but are not limited to photovoltaic or hot water solar energy systems that are contained within roofing materials, windows, skylights, and awnings.

SOLAR ENERGY SYSTEM, BUILDING MOUNTED
A form of small-scale or mid-scale SES considered as an accessory use which consists of the installation of equipment mounted on a building or incorporated into exterior building materials that uses sunlight to produce electricity or provide heat or water to a building: These systems require a building permit that shall be reviewed and issued by the Building Inspector.

SOLAR ENERGY SYSTEM, GROUND-MOUNTED
A form of SES mounted on a rack or pole that rests or is attached to the ground. Ground-mount systems can be either accessory or principal uses depending on its scale classification.

SOLAR HOT AIR SYSTEM, SOLAR AIR HEAT, OR SOLAR FURNACE
A solar energy system that includes a solar collector to provide direct supplemental space heating by heating and re-circulating conditioned building air. The most efficient performance includes a solar collector to preheat air or supplement building space heating, typically using a vertically mounted collector on a south-facing wall.

SOLAR HOT WATER SYSTEM
A system that includes a solar collector and a heat exchanger that heats or preheats water for building heating systems or other hot water needs, including residential domestic hot water and hot water for commercial processes.

SOLAR MOUNTING DEVICES
Racking, frames, or other devices that allow the mounting of a solar collector onto a roof surface or the ground.

SOLAR RESOURCE
A view of the sun from a specific point on a lot or building that is not obscured by any vegetation, building, or object for a minimum of four hours between the hours of 9:00 AM and 3:00 PM Standard time on all days of the year and can be measured in annual watts per square meter.

C. **Permit Required.** No Solar Energy System (SES) may be installed or maintained in the Town of Buchanan without a building permit, or a Solar Energy System Permit granted pursuant to this ordinance based on the type of system as described below:

(1) **Large-Scale SES (100 MW+).** The Town understands that local restrictions on Large-Scale Solar Energy Systems may be limited as they may be affected by State Statute provisions, project details, and necessary Wisconsin Public Service Commission project approvals. Given that, such systems are allowed only as a special exception use in the AGD district and requires a building permit from the Town. The Town will require a special exception permit and/or developer's agreement as long as no conditions, in the opinion of the SES developer, inhibit or preclude the project, per Section 196.491(3)(i), Wis. Stats. An Outagamie County Shoreland/Floodplain Zoning permit, if applicable, may also be required.

(2) **Mid-Scale SES (< 100 MW and > 30 kW)** – Are subject to the special exception permit conditions set forth in Article VIII of this ordinance and the requirements set forth in the Town's building permit requirements, the County's applicable Shoreland/Floodplain requirements, and any other applicable state or federal requirements. Such systems are allowed only in the AGD, RMF, CL, CR, CP, PI and IND districts.

(3) **Small-Scale SES (30 kW or less)** – Are considered to be permitted accessory use in all districts, whether they be ground-mounted, building-integrated, or building-mounted systems. Such systems are allowed whether or not a principal structure exists on the parcel. A building permit from the Town is required, and an Outagamie County Shoreland/Floodplain Zoning permit may also be required, if applicable.

D. **Application Required.** Every application for a Solar Energy System Permit shall be made in writing and shall include the following information:

(1) Name and address of the applicant and the name and contact information for a designated representative of the applicant.

(2) Listing of affected parcel ID numbers and evidence that the applicant is the owner of the property involved or has the written permission of the owner to make such an application.

(3) All materials identified in **§525-11**. Site Plan Submittal Requirements.

(4) Solar Energy System Permit applications and associated fees for must be submitted to the Town Clerk.

(5) Applications for Small-Scale Building-Mounted or Building-Integrated systems meeting the design standards of this ordinance shall be granted administrative approval of their Solar Energy Permit by the Building Inspector within 60 days of complete application submittal and shall not require Plan Commission review.

(6) Applications for Large-Scale Ground-Mounted and Mid-Scale SESs will be addressed by the Plan Commission within 60 days of complete application submittal.

F. **Applicant Fees.** Application fees shall be paid consistent with the Town's Annual Fee Schedule.

(1) An application fee shall be charged as set in the Fee Schedule by the Town Board.

G. **Site Plan Approval Required**. All solar energy systems requiring a building permit from the Town shall seek a Solar Energy System Permit and shall provide a site plan for review in accordance with **§525-11**.

(1) Site Plan Submittal Requirements:

(a) Site layout maps and drawings which show the location of the system on the building or on the property for a ground-mount system, including: surrounding land uses, property lines, existing structures, the SES, as well as the total extent of system components, and the interconnection points with the electrical grid. For Mid-Scale and Large-Scale SESs, a map indicating neighboring lots within 1,000 feet of the perimeter of the subject site shall be provided.

(b) To-scale horizontal and vertical (elevation) drawings illustrating the SES's dimensions, its height above ground level, orientation, and slope from horizontal.

(c) For Mid-Scale and Large-Scale SESs, a landscape plan and/or agrivoltaics plan that includes proposed topography, grubbing and clearing along with plantings and final vegetation.

(d) Solar energy system specifications, including the manufacturer and model, generating capacity, total height, collector square footage, wiring plan, means of interconnecting with the electrical grid, and any agreements with public utilities with regard to connecting to their systems.

(e) Installers' qualifications and signatures certifying that the SES will be installed in compliance with all Town ordinances and any other applicable codes.

(f) Calculations showing the percentage of land (lot) coverage by the SES when panels are in the position that has the largest horizontal area.

(g) For Mid and Large-Scale Systems only, a decommissioning plan as established in Section **§526-52 J.**

(2) **Small-Scale Solar Uses & Design Standards**. Permitted accessory use Small-Scale SESs are subject to the requirements as set forth below. Solar carports and associated electric vehicle charging equipment are a permitted accessory use on surface parking lots in all districts regardless of the existence of another building.

(a) **Height**. Solar energy systems must meet the following height requirements:

[1] Building or roof-mounted solar energy systems shall not exceed the maximum allowed height in any zoning district. For purposes of height measurement, solar energy systems other than building-integrated systems shall be given an equivalent exception to height standards as building- mounted mechanical devices or equipment.

[2] Ground or pool-mounted solar energy systems shall not exceed 15 feet in height when oriented at maximum tilt.

[3] Solar carports in non-residential districts shall not exceed 20 feet in height.

(b) **Setbacks.** Solar energy systems must meet the accessory structure setback for the zoning district and primary land use associated with the lot on which the system is located, except as allowed below:

[1] **Roof or Building-Mounted Solar Energy Systems.** The following setback requirements apply:

[i] Collector surface and mounting devices for roof-mounted solar energy systems shall not extend beyond the exterior perimeter of the building on which the system is mounted or built, unless the collector and mounting system has been explicitly engineered to safely extend beyond the edge, and setback standards are not violated.

[ii] Exterior piping for solar hot water systems shall be allowed to extend beyond the perimeter of the building on a side-yard exposure. Solar collectors mounted on the sides of buildings and serving as awnings are considered to be building-integrated systems and are regulated as awnings.

[iii] The panels of a system that are mounted on a flat roof may be either fixed or movable and may be placed at an angle to optimize efficiency of the system.

[iv] A solar energy system may be mounted on the façade of a commercial building provided the installation does not project more than four feet from the face of a wall.

[2] **Ground-mounted Solar Energy Systems**. Ground- mounted solar energy systems may not extend into the side-yard or rear setback when oriented at minimum design tilt, except as otherwise allowed for by building mechanical systems.

(c) **Visibility**. Solar energy systems in residential districts shall be designed to minimize visual impacts from the public right- of-way, as described this section to the extent that doing so does not affect the cost or efficacy of the system, consistent with WI Statute §66.0401.

(d) **Building Integrated Photovoltaic Systems**. Building integrated photovoltaic solar energy systems shall be allowed regardless of whether the system is visible from the public right-of-way, provided the building component in which the system is integrated meets all required setback, land use or performance standards for the district in which the building is located.

(e) **Aesthetic restrictions**. Roof-mount or ground-mount solar energy systems shall not be restricted for aesthetic reasons if the system is not visible from the closest edge of any public right-of-way other than an alley, or if the system meets the following standards:

[1] Roof-mounted systems on pitched roofs that are visible from the nearest edge of the front right-of-way shall have the same finished pitch as the roof and be no more than ten inches above the roof.

[2] Roof-mount systems on flat roofs that are visible from the nearest edge of the front right-of-way shall not be more than five feet above the finished roof and are exempt from any rooftop equipment or mechanical system screening.

(f) **Reflectors**. All solar energy systems using a reflector to enhance solar production shall minimize glare from the reflector affecting adjacent or nearby properties.

(g) **Lot Coverage.** Ground-mount systems total collector area shall not exceed half the building footprint of the principal structure.

[1] Ground-mount systems shall be exempt from lot coverage or impervious surface standards if the soil under the collector is maintained in vegetation and not compacted.

[2] Ground-mounted systems shall not count toward accessory structure limitations.

[3] Solar carports in non-residential districts are exempt from lot coverage limitations.

(h) **Historic Buildings.** Solar energy systems on buildings within designated historic districts or on locally designated historic buildings (exclusive of State or Federal historic designation) must receive approval of the Town Board.

(i) **Approved Solar Components.** All panels shall be certified by one of the following (or their equivalent as determined by the Town): Underwriters Laboratories, Inc.; National Renewable Energy Laboratory; Solar Rating and Certification Corporation. Solar hot water systems must have an SRCC rating.

(j) **Compliance with Building Code**. All solar energy systems shall meet approval of local building code officials, consistent with the State of Wisconsin Building Code or the Building Code adopted by the local jurisdiction, and solar thermal systems shall comply with HVAC-related requirements of the Energy Code.

(k) **Compliance with State Electric Code**. All photovoltaic systems shall comply with the Wisconsin State Electric Code.

(l) **Compliance with State Plumbing Code**. Solar thermal systems shall comply with applicable Wisconsin State Plumbing Code requirements.

(m) **Utility Notification.** All grid-intertie solar energy systems shall comply with the interconnection requirements of the electric utility. Off-grid systems are exempt from this requirement.

I. **Mid-Scale and Large-Scale SES General Design Standards.** Mid-Scale and Large-Scale SESs, whether a principal or accessory use shall be subject to the following requirements:

(1) Site Design

(a) **Setbacks**. The SES must meet the following setbacks:

[1] Property line setback for buildings or structures in the district in which the system is located, except as other determined in **Sub-section I.(1)(a)[5]** below.

[2] Roadway setback of 150 feet from the ROW centerline of State highways and County highways, 100 feet for other roads, except as otherwise determined in H.(1)i.e. below.

[3] Housing unit setback of 150 feet from any existing dwelling unit, except as other determined in **Sub-section I.(1)(a)[5]** below.

[4] Setback distance should be measured from the edge of the solar energy system array, excluding security fencing, screening, or berm.

[5] All setbacks can be reduced by 50% if the array is fully screened from the setback point of measurement.

(b) **Screening.** SESs shall be screened from existing residential dwellings.

[1] A screening plan shall be submitted that identifies the type and extent of screening.

[2] Screening shall be consistent with Town's screening ordinance or standards typically applied for other land uses requiring screening.

[3] Screening shall not be required along property lines within the same zoning district, except where the adjoining lot has an existing residential use.

[4] The Town may require screening where it determines there is a clear community interest in maintaining a viewshed.

(c) **Ground cover and buffer areas.** The following provisions shall apply to preservation of existing vegetation and establishment of vegetated ground cover. Vegetated ground cover standards shall not apply if an agrivoltaics plan is approved as part of **Sub-section G (1) (c).** Additional site-specific conditions may apply as required by the Town.

[1] Large-scale removal of mature trees on the site is discouraged. The Town may set additional restrictions on tree clearing or require mitigation for cleared trees.

[2] The applicant shall submit a vegetative management plan prepared by a qualified professional or reviewed and approved by a natural resource agency or authority, such as the Wisconsin Department of Natural Resources, County Soil and Water Conservation District, Land and Water Conservation Department or Natural Resource Conservation Service. The plan shall identify:

[i] The natural resource professionals consulted or responsible for the plan.

[ii] The conservation, habitat, eco-system, or agricultural goals, which may include: providing habitat for pollinators such as bees and monarch butterflies, providing habitat for wildlife such as upland nesting birds and other wildlife, establishing vegetation for livestock grazing, reducing on-site soil erosion, and improving or protecting surface or ground-water quality.

[iii] The intended mix of vegetation upon establishment.

[iv] The management methods and schedules for how the vegetation will be managed on an annual basis, with particular attention given to the establishment period of approximately three years.

[3] Soils shall be planted and maintained in perennial vegetation for the full operational life of the project, to prevent erosion, manage run off and build soil.

[4] Vegetative cover should include a mix of perennial grasses and wildflowers that will preferably result in a short stature prairie with a diversity of forbs or flowering plants that bloom throughout the growing season. Blooming shrubs may be used in buffer areas as appropriate for visual screening. Perennial vegetation (grasses and forbs) are preferably native to Wisconsin, but where appropriate to the vegetative management plan goals, may also include other naturalized and non-invasive species which provide habitat for pollinators and wildlife and/or other ecosystem services (i.e., clovers).

[5] Plant material must not have been treated with systemic insecticides, particularly neonicotinoids.

(d) **Foundations.** A qualified engineer shall certify that the foundation and design of the solar panel racking, and support is within accepted professional standards, given local soil and climate conditions.

(e) **Power and communication lines**. Running between banks of solar panels and to nearby electric substations or interconnections with buildings shall be buried underground. All above ground, exposed powerlines shall be placed in conduit. Exemptions may be granted by the Town in instances where shallow bedrock, water courses, or other elements of the natural landscape interfere with the ability to bury lines, or distance makes undergrounding infeasible, at the discretion of the Administrator.

(f) **Fencing**. Perimeter fencing for the site shall not include barbed wire or woven wire designs and shall preferably use wildlife-friendly fencing standards that include clearance at the bottom. Alternative fencing can be used if the site is incorporating agrivoltaics.

(g) **Stormwater and NPDES** – Mid-Scale SESs are subject to the Town's stormwater management and erosion and sediment control provisions and NPDES permit requirements. Solar collectors shall not be considered impervious surfaces if the project complies with ground cover standards, as described in **Sub-section I. (1) (c)**. of this ordinance.

(h) **Other standards and codes.** All SESs shall follow all applicable local, state and federal regulatory codes, including the State of Wisconsin Uniform Building Code, as amended; and the National Electric Code, as amended.

(i) **Agricultural Protection**. Mid-Scale and Large-Scale SESs must comply with site assessment or soil identification standards that are intended to identify agricultural soils. The Town may require mitigation for use of prime soils for solar array placement, including the following:

[1] Demonstrating co-location of agricultural uses (agrivoltaics) on the project site.

[2] Using a Joint Development Agreement (JDA), that requires the site to be returned to agriculture at the end of life of the solar installation.

[3] Placing agricultural conservation easements on an equivalent number of prime soil acres adjacent to or surrounding the project in a wellhead protection area for the purpose of removing agricultural uses from high-risk recharge areas.

(j) **Decommissioning**. A decommissioning plan shall be required as spelled out in **Section §525-52 J**. to ensure that facilities are properly removed after their useful life.

J. **Decommissioning**. A decommissioning plan shall be required to ensure that facilities are properly removed after their useful life.

(1) Decommissioning of the system must occur in the event the project reaches the end of its usable life or is inoperable for a continuous period of twelve months. If the Town determines that more than fifty percent of the panels (measured by total area) have not been operational for a continuous period of twelve months the Town shall order the removal of the inoperable panels.

(2) Decommissioning shall consist of removal of the SES structures and subsurface foundations and equipment, disposal of all solid and hazardous waste in accordance with all applicable waste disposal regulations, and stabilization of soils and/or revegetation of the site as necessary to minimize erosion.

(3) The decommissioning methods shall be established, and cost estimates shall be made by a competent party such as a professional engineer experienced in such matters, a contractor capable of decommissioning, or a party found by the Town to have suitable expertise or experience with decommissioning.

(4) The Town may require the posting of a bond, letter of credit or the establishment of an escrow account to ensure proper decommissioning.

(5) The Town Plan Commission shall review the decommissioning plan and request changes that may be needed to comply with the special exception permit or to protect the safety and welfare of the community and town properties.

(6) The plan shall provide that decommissioning will begin within 180 days from the end of the SES useful life or if the SES is not in use for 12 consecutive months. Decommissioning shall be completed within 9 months from the start of decommissioning activities.

K. **Review of Solar Energy System Permit Application.** The Town will consider each SES Permit on a case-by-case basis following the procedures in **Article II, Special Exceptions** when necessary except as modified in this Section.

(1) In addition to the notice requirements set forth in Article VIII, Special Exceptions, for Mid-Scale (principal use) and Large-Scale SESs, the Town shall provide written notice of its application to the owners and occupants of all properties located within 1,000 feet of any parcel upon which any portion of the proposed Mid-Scale or Large-Scale SES will be located.

(2) Any Mid-Scale or Large-Scale Solar Energy System Permit must be approved by the Town Board. The Town Board may deny a permit for a Mid-Scale or Large-Scale Solar Energy System or may impose restrictions on a Mid-Scale or Large-Scale Solar Energy System if the Town finds that the denial or restrictions satisfy one of the following conditions:

(a) The denial or restriction serves to preserve or protect the public health or safety.

(b) The denial or restriction does not significantly increase the cost of the system or significantly decrease its efficiency.

(c) The denial or restriction allows for an alternative system of comparable cost efficiency.

L. **Solar Energy System Restrictions.** The Town may impose restrictions on a Solar Energy System relating to any of the following:

(1) Location of the Solar Energy System if potentially impacting existing wetlands or other natural features of concern.

(2) Setbacks from inhabited structures, property lines, public roads, communication and electrical lines, and other sensitive structures and locations.

(3) Wiring and electrical controls of the Solar Energy System.

(4) Reimbursement for emergency services required as a result of the Solar Energy System.

(5) Solar Energy System ground clearance.

(6) Solar Energy System height.

(7) Shared revenue, payments in lieu of taxes and other financial matters. All financial matters shall be approved as part of a Joint Development Agreement (JDA).

(8) Financial security, such as bonds, cash deposits, or letters of credit.

(9) Decommissioning.

(10) Compensation to affected property owners.

(11) Any other matters that are measurable and based on substantial evidence the Town finds appropriate.

M. **Revocation.** Any Solar Energy System Permit granted for the installation or maintenance of a Solar Energy System may be revoked by the Town if the permit holder, its heirs, or assigns, violates the provisions of this ordinance or the provisions of a permit granted pursuant to this ordinance.

§ 525-53 **Electric Vehicle Charging Stations (EVCS).**

A. Intent.

(1) This Section is to support the increased popularity of electric vehicles by encouraging the safe and efficient installation of electric vehicle charging stations (EVCS) and parking spaces through the Town's parking regulations and other standards. The goals are to:

(a) Provide adequate and convenient EVCS parking spaces to serve the needs of the traveling public.

(b) Provide opportunities for residents to have safe and efficient personal EVCSs located at or near their place of residence.

(c) Provide the opportunity and incentive for non-residential uses to supply EVCSs to their customers and employees.

(d) Create standard criteria to encourage and promote safe, efficient, and cost-effective electric vehicle charging opportunities in all zoning districts and settings for convenience of service to those that use electric vehicles.

B. Definitions.

CHARGING LEVEL
The amount of voltage provided to charge an electric vehicle varies depending on the type of EVCS as follows and as shown on **Diagram 525-53-1:**

A. Level 1 is considered slow charging and operates on a 15 to 20 amp breaker on a 120 volt AC circuit.

B. Level 2 is considered medium charging and operates on a 40 to 100 amp breaker on a 208 or 240 volt AC circuit.

C. Level 3 is considered "fast" or "rapid" charging and typically operates on a 60 amp or higher breaker on a 480 volt or higher three phase circuit with special grounding equipment. Level 3 stations are primarily for commercial and public applications and are typically characterized by industrial grade electrical outlets that allow for faster recharging of electric vehicles.

Diagram 525-53-1: Electric Vehicle Charging Station Types

ELECTRIC VEHICLE
An EV means any motor vehicle that is licensed and registered for operation on public and private highways, roads, and streets, and that operates either partially or exclusively, on electrical energy from the grid, or an off-board source, which is stored on-board via a battery for motive purpose. Electric Vehicle does not include an electric bicycle. Electric Vehicle includes:

A. A battery electric vehicle; and
B. A plug-in hybrid electric vehicle.

ELECTRIC VEHICLE CHARGING STATION (EVCS)
The equipment, including the cables, cords, conductors, connectors, couplers, enclosures, attachment plugs, power outlets, power electronics, transformer, switchgear, switches and controls, network interfaces, point of sale equipment, and associated apparatus designed and used for the purpose of transferring energy from the electric supply system to a plug-in electric vehicle. "EVCS" may deliver either alternating current or, consistent with fast charging equipment standards, direct current electricity.

ELECTRIC VEHICLE CHARGING STATION FACILITY (EVCSF)
A facility whose primary use it to provide multiple EVCSs for charging electric vehicles as a retail commercial entity, similar to an Automobile Filling Station.

ELECTRIC VEHICLE SUPPLY EQUIPMENT (EVSE)
EVSE are the conductors, including the ungrounded, grounded, and equipment grounding conductors, and the electric vehicle connectors, attachment plugs, and all other fittings, devices, power outlets, or apparatus installed specifically for the purpose of transferring energy between the premises wiring and the electric vehicle.

PRIVATE EVCS
An EVCS(s) that has restricted access to specific users (e.g., single and two-family homes, executive parking fleet parking with no access to the general public). Such EVCSs are not subject to these regulations and requirements.

PUBLICLY ACCESSIBLE EVCS
An EVCS(s) that is publicly available (e.g., park & ride, public parking lots and garages, on-street parking, shopping center parking, non-reserved parking in multi-family parking lots, etc.). This also includes chargers which are part of an EVCSF's as noted above.

C. Electric Vehicle Charging Station Suggested Standards. Parking facilities should be designed and built to meet the following requirements within all multi-family residential (7+ units), commercial, industrial, and institutional districts:

(1) Suggested Applicability. The requirements of this subdivision should be considered:

(a) Where 6 or more parking spaces are being provided for multi-family (3+ units) residential uses, at least 2% of all spaces should have an EVCS.

(b) Where 6 or more parking spaces are being provided for commercial and industrial uses, should provide EVCSs for at least 2% of the total number of employees estimated at the time of site plan approval. Examples include:

[1] Manufacturing;
[2] Restaurants;
[3] Retail;
[4] Service Business; or,
[5] Warehousing and Storage

(c) Where parking is being provided for certain uses where people park vehicles in excess of two hours, at least 10% of all spaces should have an EVCS. Examples of such uses include:

[1] College, University or Similar Institutions of Higher Learning;
[2] Hotel, Inn, Motel;
[3] Hospital and Health Clinic;
[4] Professional or Medical Office;
[5] Parking Facility, Private and Public;

[6] Schools, Arts, Technical or Trade;

(d) Handicap Accessible Stations. Accessible charging stations should be provided if more than three installed EVCS's exist.

D. EVCS Siting & Design Standards.

(1) Electric vehicle charging stations (EVCS) may be permitted as an accessory use in all Residential, Commercial, Industrial, and Public/Institutional Districts, including Mixed Use PUDs, when in compliance with the standards and development criteria outlined in this section.

(2) If an EVCS(s) is proposed as the principal use, or an EVCS Facility (EVCSF), the proposal shall be subject to the review requirements for an Automobile Filling Service Station, as permitted under **Article V**.

(3) Proposed locations shall be identified on a site plan and reviewed by the Building Inspector and other Town departments, as necessary, for compliance with all applicable Town requirements. If the Building Inspector determines that the proposal significantly alters a previously approved plan, the proposal shall be forwarded to the Plan Commission for review and approval.

(4) For the purposes of this section, an EVCS shall mean a public or private parking space that is served by battery charging station equipment for the purpose of transferring electric energy (by conductive or inductive means) to a battery or other energy storage device within an electric vehicle.

(a) An EVCS shall be an accessory use to the main use of the property.

(b) An EVCS shall be either a Level 2 or Level 3 charger. If a charging station has more than one (1) port, each port shall count as a charging station.

(c) The required parking space dimensions for an EVCS are a minimum of ten (10) feet wide by twenty (20) feet long when new spaces are installed for such use.

(d) The charging station/equipment shall be protected by wheel stops or bollards to prevent crash hazards.

(e) Each parking space designated for an EVCS shall be clearly marked as reserved for electric vehicles and EV charging uses only.

(f) Charging station equipment shall not exceed eight (8) feet in height.

(g) Overhead canopies are permitted as long as they are constructed out of traditional permanent materials and meet building code requirements; temporary type structures/materials are not permitted.

(h) The location, legend, and mounting height details for any proposed electric vehicle parking sign shall be included on the plans and submitted with the building permit application.

(i) An electrical permit shall be required as part of building permit application prior to installation.

(j) Any branding or advertising located on the charging station shall be limited to the manufacturer's information and vehicle compatibility information and not for advertising of the business or site on which the EVCS is located unless the EV charger is attached to the building. There shall be no appurtenances attached to the charger other than what is necessary for operation.

(k) All proposed lighting shall be in conformance with the lighting requirements outlined in **Section 525-47 Outdoor Lighting**. Security cameras are recommended.

(l) Any landscaping impacted by the installation of an EVCS shall be replaced.

(m) The EVCS shall comply with the current National Electric Code (NEC) standards and shall be inspected once a year. Proof of inspection shall be made available to the Town upon request.

(n) When proposed in a Residential District, EVCSs shall only be permitted for occupants or patrons of the lot on which the EVCS is located and shall not be used for commercial purposes, unless allowed and properly permitted.

Page intentionally left blank.

Article VIII
Signs

§ 525-54 **Purpose.**
The purpose of these regulations is to create the legal framework to regulate, administer, and enforce outdoor sign advertising and display. These regulations recognize the need to protect the safety and welfare of the public and the need for well-maintained and attractive sign displays within the community and the need for adequate business identification, advertising, and communication. Signs shall also be consistent with the Comprehensive Plan. No sign shall hereafter be erected, hung, placed, altered, or moved except in conformity with the regulations of this Article.

§ 525-55 **Authorization.**
These regulations authorize the use of signs provided the signs are:

A. Complying with the zoning regulations.

B. Designed, constructed, installed, and maintained in such a manner they do not endanger public safety or traffic safety.

C. Legible, readable, and visible in the circumstances they are used.

D. Respectful of the reasonable rights of other advertisers whose messages are displayed.

§ 525-56 **Permits and construction specifications.**

A. Permits required. It shall be unlawful for any person to erect, construct, enlarge or structurally modify a sign or cause the same to be done in Buchanan without first obtaining a sign permit for each sign as required by this article.

B. Permits shall not be required for a change of copy of any sign, nor for the repainting, cleaning and other normal maintenance and repair of the sign and sign structure.

C. Application for a permit. Application for a permit shall be filed with Administrator upon forms provided by the department and shall contain the following information:

(1) The name, address and telephone number of the sign owner, the property owner, where the sign is or will be located and the sign contractor of the proposed sign.

(2) Clear and legible drawings with description and nominal dimensions of the proposed sign, the construction, size, dimensions, and kind of materials to be used in such structure. The site plan shall show the buildings on the premises upon which the structure is to be erected and maintained together with locations, setbacks, size, and types of existing signs on the premises where the proposed sign is to be located. All dimensions shall be indicated for the sign and the site plan elements.

(3) Calculations or evidence showing the structure and design meet the requirements of these regulations for wind pressure load.

(4) Such other information as may be required to show full compliance with this and all other applicable laws.

D. Construction Specifications.

(1) Every sign or advertising structure hereafter erected shall have marked in a conspicuous place thereon the date of erection, the manufacturer's name, the permit number, and the voltage of any electrical apparatus used in connection therewith.

(2) All signs shall comply with the provisions of **Chapter 230 – Building Construction**, the current National Electrical Code, and the additional construction standards hereinafter set forth.

(3) All ground sign structures shall be self-supporting structures and permanently attached to sufficient foundations.

(4) Electrical service to ground signs shall be concealed wherever possible.

(5) All signs, except those attached flat against the wall of a building and those signs of which no portion exceeds a height of three feet and are no greater than nine square feet in area, shall be constructed to withstand wind loads of 30 pounds per square foot of the sign and structure, with correct engineering adjustments for the height of the sign above grade.

(6) No sign shall be suspended by chains or other devices to allow the sign to swing due to wind action. Signs shall be anchored to prevent any lateral movement that could cause wear on supporting members or connections.

(7) Supports and braces shall be an integral part of the sign design. Angle irons, chain or wires used for supports or braces shall be hidden from public view to the extent technically feasible.

E. Permit fees. A fee shall be required prior to issuance of permits and shall be set from time to time by the Board. Signs installed without a permit shall be removed after proper notice.

F. Permit issuance and denial. The Building Inspector or designee shall issue a permit for the erection, structural alteration, enlargement, or relocation of a sign when the permit application is properly made, all appropriate fees have been made, and the sign complies with the appropriate laws and regulations. If the sign permit is denied, written notice of the denial shall be provided to the applicant, together with a brief statement of the reasons for the denial, along with the return of all permit fees and papers.

G. Sign permit appeal. In the event any of the requirements herein contained cause undue or unnecessary hardship on any person, firm, or corporation, a variance from dimensional requirements may be applied for to the Board of Appeals. An application for a variance must be made within 10 days after receipt of the notice the sign involved does not conform to the regulations. In the event the appeal is not made in writing to the Board of Appeals within such ten-day period, a variance shall not be granted. The Board of Appeals shall take action on any variance request within 60 days of receipt of the variance application. The Administrator or designee shall comply with and enforce the Board of Appeals' decision.

H. Sign Exemption. A sign may be determined to be exempt from the sign regulations herein if it can be shown the sign is necessary for safety reasons and there are no other alternatives to complying with the regulations herein. The Administrator or designee shall make this determination upon a written request from the applicant stating the reasons for exemption.

I. Indemnification for sign installation and maintenance. All persons engaging in the installation or maintenance of signs which involves in whole or in part the erection, alteration, relocation, maintenance of a sign or other sign work in, over or immediately adjacent to a public right-of-way or public property, when such property is used or encroached upon, shall agree to hold harmless and indemnify Buchanan, its officers, agents, employees from any and all claims resulting from erection, alteration, relocation, maintenance of the sign or any other sign work insofar as these regulations has not specifically directed the placement of the sign.

§ 525-57 **Sign Type Definitions.**
The following definitions shall be applicable in this Article:

ABANDONED SIGN
A sign which no longer correctly identifies or advertises a bona fide business, lessor, owner, product or activity.

A-FRAME SIGN
A sign shaped like an "A" or sandwich board sign and is used on a more temporary basis and is moveable around a site.

BANNER SIGN
Any sign that is displayed between two posts affixed to the ground or affixed flat against a wall. The banner may consist of the following materials and is able to be rolled or folded up, all other materials shall be prohibited: canvas. cloth, fabric, vinyl and similar materials.

CANOPY SIGN
Any sign incorporated into or attached to a canopy, marquee, or awning.

CHANGEABLE MESSAGE SIGN
A sign displaying words, lines, logos, or symbols which can be changed manually, mechanically, or electronically to provide different information without altering the face or surface of such sign. Changeable message signs include but are not limited to time and temperature signs and reader boards.

DIRECTIONAL SIGN
Any sign limited to providing directions and information necessary or convenient for visitors or clients coming onto a premise. This includes but is not limited to such signs as those identifying restrooms, delivery areas, parking areas, entrances, and exits.

DRIVE-THRU SIGN
Any non-illuminated or illuminated, digital sign located on the premises of a drive-thru use used to communicate information between buyer and seller and may have an intercom and/or speaker(s).

GOVERNMENT SIGN
Any sign for control of traffic and other regulatory purposes, danger signs, railroad crossings signs, and signs of public utilities, including danger and aids to service and safety erected by or on the order of a public officer in the performance of his/her public duty.

ELECTRIC SIGN
Any sign containing or using electrical wiring but not including signs illuminated by an exterior light source.

FLAG SIGN
Any sign that is attached to one post affixed to the ground or attached to one post that is affixed to a wall. The flag may consist of the following materials which are able to be rolled or folded up, all other materials shall be prohibited: canvas, cloth, fabric, vinyl and similar materials.

FLASHING SIGN
Any sign containing an intermittent or flashing light source or includes the illusion of intermittent or flashing light by means of animation or an externally mounted intermittent light source including scrolling signs/messages but excluding changeable message signs.

ILLUMINATED SIGN
A sign, lit by an artificial light source, either directed upon it or illuminated from an interior source.

INFLATABLE SIGN
Any sign, advertising device, or balloon larger than 18" in diameter that is or can be filled with air or gas. This includes any three-dimensional ambient air-filled in the shape of a container, figure, or product.

INTERIOR SIGN
Any sign located within the interior of any building or structure excluding window signs.

LEGAL NONCONFORMING SIGN
A sign meeting regulations at the time it was originally installed but does not conform to the current sign regulations.

MEMORIAL SIGN/PLAQUE
Memorial signs or tablets, names of buildings, and date of erection, cut into masonry surface or inlaid so as to be part of a building, or when constructed of bronze or other noncombustible material.

MONUMENT GROUND SIGN
Any sign that is independent from any building which has a structural base of not less than 75% the width of the sign. (Example: a sign that is eight feet wide would require a structural base of six feet or more in width.)

NONCONFORMING SIGN
A sign not in conformance with Code regulations, excluding legal nonconforming signs.

PERMANENT SIGN
Any sign which is intended to be permanently affixed to the ground or structure as permitted in these regulations and is not a temporary sign.

PORTABLE SIGN
Any sign designed or intended to be moved easily and not permanently embedded in the ground or affixed to a building or other structure. Portable signs include but are not limited to trailer signs or other signs with wheels or similar type signs (menu and sandwich boards, and A-frame signs are excluded).

PROJECTING SIGN
A sign, which may be double-faced, attached to and projects horizontally out from a structure or building fascia.

PUBLIC NOTICE
Any official notice posted by public officers or employers in the performance of their duties as may be required by State Statute.

PUBLIC SIGN
Any sign required as specifically authorized for a public purpose by any law, statute, or ordinance.

ROOF SIGN
A sign erected upon, against, or above a roof wholly supported by the roof structure.

SWINGING SIGN
A sign installed on an arm, mast, or spar in which the sign is able to swing or move.

TEMPORARY SIGN
A sign intended or designed for temporary display which is not a permanent sign as defined in these regulations.

WALL SIGN
A sign attached to the wall of a building. They shall not project away from the wall more than 12 inches. This includes signs painted directly on a wall.

WINDOW SIGN
A sign installed in or on a window for purposes of viewing from outside the premises.

VEHICULAR SIGN
Any temporary sign displayed on the exterior of a truck, bus, trailer, or other vehicle, which is parked primarily for the display of a sign. Displayed is defined as a temporary sign that is hung, taped, stapled or otherwise affixed to the vehicle that isn't already integrated into the body of the vehicle.

§ 525-58 **General Definitions.**

COPY AREA
The geometric area in square feet enclosing the sign copy.

GROSS AREA
The area of a sign determined by the outside perimeter dimensions of the sign, excluding any necessary supports on which the sign may be placed except that the structural base of a ground monument sign shall be included in the area of the sign. If the sign consists of more than one modular section, their areas will be totaled. If the modules are formed in the shape of letters or symbols, the rules for copy area apply.

HEIGHT OF SIGN
The vertical distance measured from the average grade of a sign to the highest point of such sign or structure.

SIGN
Any emblem, painting, banner, pennant, placard, design, identification, description, illustration or device, illuminated or non-illuminated, used to advertise, identify, convey information or direct attention to a product, service, place, activity, person, institution, or business of solicitation, including any permanently installed or situated merchandise. Signs shall also include all sign structures.

SIGN COPY
Any combination of letters, numbers, or images intended to inform, direct, advertise, or otherwise transmit information.

SIGN CONTRACTOR
Any person, partnership, or corporation engaged in whole or in part in the erection or maintenance of signs, excluding the business or entity the sign advertises.

§ 525-59 **Legal nonconforming signs.**

A. Notification of nonconformance. Upon determination a sign is nonconforming, the Administrator or designee shall use reasonable efforts to notify, either personally or in writing, the user or owner of the property on which the sign is located of the following:

(1) The sign's nonconformity.

(2) Whether the sign is eligible for characterization as a legal nonconforming sign or is unlawful.

B. Signs eligible for characterization as legal nonconforming. Any sign located within Buchanan on the date of adoption of these regulations which does not conform with the provisions of these regulations is eligible for characterization as a legal nonconforming sign and is permitted, providing it also meets the following requirements:

(1) The sign was covered by a proper sign permit prior to the date of adoption of this Article.

(2) No permit was required under applicable law for the sign in question, and the sign was, in all respects, in compliance with applicable law on the date of adoption of this Article.

C. Loss of legal nonconforming status. A sign loses its nonconforming status if one or more of the following occurs:

(1) The sign is structurally altered in any way, except for normal maintenance or repair, which tends to or makes the sign less in compliance with the requirements before alteration.

(2) The sign is relocated.

(3) The sign fails to conform to this Article regarding maintenance and repair, abandonment, or dangerous or defective signs.

(4) The sign is destroyed by any means to the extent of more than 50% of its fair market value, except as provided in § 60.61(5m), Wis. Stats.

(5) On the date of occurrence of any of the above, the sign shall be immediately brought in compliance with this Article with a new permit secured or shall be removed.

D. Legal nonconforming sign maintenance and repair. Nothing in these regulations shall relieve the owner or user of a legal nonconforming sign or the owner of the property in which the sign is located from the provisions of these regulations regarding safety, maintenance, and repair of signs.

§ 525-60 **Removal and disposition of signs.**

A. Maintenance and repair.

(1) Every sign, including, but not limited to, those signs for which permits are required, shall be maintained in a safe, presentable and good structural condition at all times, including replacement of defective parts, painting (except when a weathered or natural surface is intended), repainting, cleaning and other acts required for the maintenance of said sign.

(2) The Administrator or designee may require compliance with all standards of these regulations. If the sign is not modified to comply with the safety standards outlined in these regulations, the Administrator or designee may require its removal in accordance with this article.

B. Abandoned signs. All signs or sign messages shall be removed by the owner or lessee of the premises upon which an on-premises sign is located when the business it advertises is no longer conducted or, for an off-premises sign, when lease payments and rental income are no longer provided. The Administrator or designee shall give the owner 60 days' written notice to remove the sign. If the sign is not removed, Buchanan may cause removal to be executed, the expenses of which may be assessed on the tax roll to the property on which the abandoned sign is located.

C. Deteriorated or dilapidated signs. The Administrator or designee shall cause to be removed any deteriorated or dilapidated signs.

§ 525-61 **Prohibited signs.**
The following signs shall be prohibited within Buchanan unless otherwise permitted:

A. Abandoned signs.

B. Flashing signs. All blinking and flashing signs are prohibited. Changeable-message signs are permitted.

C. Portable signs.

D. Signs within the right-of-way other than traffic control signs and those signs permitted by the department of transportation having jurisdiction over the said right-of-way.

E. Swinging signs.

F. Reflective signs.

G. Roof signs.

H. Unclassified signs which include signs imitating or resemble in shape, size, copy or color an official traffic sign or signal.

I. Vehicular Signs on parked vehicles, including but not limited to cars, trucks, semi-trailers, containers or trailers, with the intention of using as a sign.

§ 525-62 **Signs not requiring a permit.**
No sign shall be located within the required vision triangle or within the right-of-way. The following signs do not require a permit and are permitted in all zoning districts in addition to the temporary signs identified in **Table 525-62-1.**

A. Government signs.

B. House numbers and name plates. Each building in Buchanan, which has a street address, shall be in compliance with Outagamie County requirements and standards.

C. Interior signs.

D. Memorial signs and plaques. Not more than four square feet in gross area.

E. Public notices.

F. Public signs.

§ 525-63 **Permitted Temporary signs**
Permitted temporary signs are allowed in zoning districts as shown in **Table 525-63-1 and Diagram 525-63-1** with dimensional standards contained in **Table 525-63-2.**

Diagram 525-64-1 Permanent Signs

§ 525-65 **Lighting of Signs.**

A. Signs may be floodlighted or internally illuminated, subject to the following restrictions.

(1) Lighting shall be effectively shielded as to prevent beams or rays of light from being directed at any portion of the traveled ways of a public right-of-way and are of such intensity or brilliance as to cause glare or to impair the vision of the driver of any motor vehicle, or otherwise interfere with any driver's operation of a motor vehicle.

(2) Lighting shall be effectively shielded as to prevent beams or rays of light from being directed at any residential property and which are of such intensity or brilliance as to cause a public nuisance.

(3) No sign shall be so floodlighted or illuminated allowing it to interfere with the effectiveness of or obscures an official traffic sign, device or signal.

§ 525-66 **Electronic messaging signs.**
Electronic messaging signs may be permitted subject to the following regulations, Reference: **Table 525-64-1** and **Table 525-64-2**:

A. Time and temperature and gas station price signs are exempt from these regulations.

B. The changeable messaging sign copy area shall be incorporated into the design of the gross area of the sign.

C. Setback from residential. The leading edge of the electronic messaging sign shall be set back a minimum distance of 200 feet from an abutting residential district boundary.

D. The area of electronic messaging sign copy shall not exceed 50% of the maximum gross area of the sign to which they are incorporated.

E. No sign shall be erected or maintained or be so placed or illuminated that it interferes with the effectiveness or obscures any official traffic sign, device, or signal, or any official sign as determined by the Administrator.

F. All signs shall have installed ambient light monitors and shall at all times allow such monitors to automatically adjust the brightness level of the electronic sign based on ambient light conditions.

G. Maximum brightness levels for electronic signs shall not exceed 5,000 nits when measured from the sign's face at its maximum brightness, during daylight hours and 500 nits when measured from the sign's face at its maximum brightness between dusk and dawn.

H. At no time shall the sign be operated at a brightness level greater than the manufacturer's recommended levels.

I. Audio speakers shall not be permitted with any electronic messaging sign except for drive-thru signs.

J. Any form of pyrotechnics is prohibited in association with an electronic messaging signs.

K. Electronic messaging displays are defined in four basic levels of operational modes for message transitions:

(1) Level 1. Static display only (messages change with no transition).

(a) Minimum display time. The electronic display shall not change at intervals of less than 4 seconds.

(b) Message change sequence. The change of messages shall be accomplished immediately.

(2) Level 2. Static display with "fade" or "dissolve" transitions, or similar transitions and frame effects not having the appearance of moving text or images.

(a) Minimum display time. The electronic display shall not change at intervals of less than 4 seconds.

(b) Operational limitations. Such displays shall contain static messages only, changed only through dissolve or fade transitions, or with the use of other subtle transitions and frame effects not having the appearance of moving text or images, but may otherwise not have movement, or the appearance of movement, or the appearance or optical illusion of movement, of any part of the sign structure, designs, or pictorial segment of the sign, including the movement of any illumination or flashing, scintillating, or varying of light intensity.

(3) Level 3. Static display with "travel" or "scrolling" transitions, or similar transitions or frame effects that have text, graphics, or symbols that appear to move or change size, or can be revealed sequentially rather than all at once.

(a) All Level 3 electronic messaging signs are prohibited.

(4) Level 4. Graphic display signs including video, flashing, or full animation.

(b) All Level 4 electronic messaging signs are prohibited.

L. Existing Electronic Message Board Signs. Electronic message board signs existing prior to adoption of these standards shall be allowed to continue as is but it is encouraged to comply with the above standards.

Outagamie County

4-16-24 County Board Meeting - May 14 2024 07:23:24 PM

April 16, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 2—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Outagamie County Land Conservation Department (LCD) entered into an agreement with the University of Wisconsin-Green Bay to provide assistance in designing and installing monitoring infrastructure at the Heart of the Valley Sediment Basin (HOV) and one additional planned agricultural treatment system. The total grant award is $18,000 of which $3,000 is for staffing costs, $7,500 is for supplies, and $7,500 is for purchased services. The project period runs from December 1, 2023 to December 31, 2024.

The total impact of these adjustments are budget neutral and require no additional County funding.

NOW THEREFORE, the undersigned members of the Agriculture, Extension Education, Zoning, and Land Conservation Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve the Land Conservation Department to accept and expend an $18,000 grant from the University of Wisconsin-Green Bay to provide assistance in designing and installing monitoring infrastructure at the Heart of the Valley Sediment Basin and one additional planned agricultural treatment system, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve of increasing the following line items in the Land Conservation Grants (2100400) cost center: Misc Revenue by $18,000; Salary by $2,000; Fringe by $1,000; Supplies by $7,500; Purchased Services by $7,500 as noted on the attached fiscal note which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Land Conservation Department Director and the Outagamie County Finance Director.

Dated this 14th day of May 2024

Respectfully Submitted,

AGRICULTURE, EXTENSION EDUCATION, ZONING AND LAND CONSERVATION COMMITTEE

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1675), Controller (1674) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** LCD Request to accept and expend a grant from the University of Wisconsin-Green Bay

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

The Land Conservation Department (LCD) entered into an agreement with the University of Wisconsin-Green Bay to provide assistance in designing and installing monitoring infrastructure at the Heart of the Valley Sediment Basin (HOV) and one additional planned agricultural treatment system. This grant is for $3,000 to cover staffing costs, $7,500 for supplies, and $7,500 for purchased services.

The project period runs from December 1, 2023 to December 31, 2024. LCD is requesting approval to accept and expend these funds, along with approval for a budget adjustment which includes an increase in Intergovernmental Revenue by $18,000 with a corresponding increase in Salary/Fringe of $3,000, Supplies of $7,500, and Purchased Services of $7,500. This proposed adjustment is budget neutral, requiring no county funding.

Current Year Budget Impact (Check one or more of the following boxes)

[x] Revenues [x] Expenses (Cost) [ ] None

3. Is the specific cost or revenue included in the current year's budget? yes ( ) no (x) partially ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no (x) n/a ( )

5. Is the proposal to accept additional revenues only? yes ( ) no (x)

6. Does this request modify/adjust the current year budget? If no, skip to question 8 below. yes (x) no ( )

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

COST CENTER NAME	LINE ITEM (i.e. Salaries, Supplies, Etc.)	COST CENTER (i.e. 1004100.5100, 1004100.5400, etc.)	(DECREASE) AMOUNT
LC Grants (2100400)	Misc Revenue	2100400.4260.99	18,000
LC Grants (2100400)	Salary	2100400.5100	2,000
LC Grants (2100400)	Fringe	2100400.5200	1,000
LC Grants (2100400)	Supplies	2100400.5400	7,500
LC Grants (2100400)	Purchased Services	2100400.5500	7,500

Annual and Long-Term Impact

8. Is the above Increase/Decrease a nonrecurring one-time expense or revenue? yes (X) no ( )

9. What is the anticipated annual and/or long-term cost or revenue impact? Annual Cost - Annual Revenue -

Outagamie County — 4-16-24 County Board Meeting - May 14 2024 07:24:32 PM

April 16, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 3—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Village of Combined Locks (the Village) has submitted Territory Amendment #1 to Tax Incremental District No. 3 (TID No. 3).

The Village created TID No. 3 in July, 2019 as a "Mixed-Use District." If approved, the TID will remain as a Mixed-Use District. The proposed amendment involves the addition of five parcels to the overall district boundary with a proposed certified survey map amending the five parcels to become four with what is being described on the certified survey map as parcels 030068200, 030069400, and 030062200 being combined to create Lot 1 and a portion of 030062200 being carved out to create Outlot 1 which will not be included in the new TID #3 territory boundary. Parcels 030068200, 030069400, and 030062200 were annexed from the Town of Buchanan into the Village as of November 6, 2023. These parcels are planned to be added in the effort to facilitate redevelopment for commercial and residential uses that, other than for the TID, may not happen in the district. In accordance with Wisconsin State Statute §66.1105(4)(h), to add the parcels within TID #3, a continuous connection via parcels of land must be made to the existing TID #3 boundary.

NOW THEREFORE, the undersigned members of the Finance Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does go on record in support of the Village of Combined Locks Territory Amendment #1 to Tax Incremental District No. 3 as detailed in the attached Territory Amendment #1 Tax Incremental District No. 3 in the Village of Combined Locks, Wisconsin document dated May 7, 2024, which by reference is made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors recommend that the representative of Outagamie County on the Village of Combined Locks TID Board of Review vote in favor of the Village of Combined Locks Territory Amendment #1 to TID No. 3, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Village of Combined Locks, the Outagamie County Finance Director, the Outagamie County Development and Land Services Director, and the Outagamie County Executive.

Dated this 14th day of May 2024

Village of Combined Locks
TID #3 Territory Amendment #1

Introduction and Description of Territory Amendment

Tax Incremental District No. 3 (the "TID #3" or the "District") was created by the Village under the authority provided by Wisconsin Statute Section 66.1105 on July 2, 2019. The TID prior to and including this amendment is considered a "Mixed-Use District" based on the findings that no less than 50 percent, by area, of the TID is suitable for a combination of commercial and residential uses. The amended TID boundary will keep the TID as a Mixed-Use District.

Wisconsin Statutes Section 66.1105(4)(h)2 allows a municipality to modify the TID boundaries no more than four times during the life of the TID. This amendment is the first territory amendment in TID #3.

This first amendment involves the addition of five parcels to the overall district boundary with a proposed certified survey map amending the five parcels to become 4 with what is being described on the certified survey map as parcels 030068200, 030069400, and 030062200 being combined to create Lot 1 and a portion of 030062200 being carved out to create Outlot 1 which will not be included in the new TID # 3 territory boundary. Parcels 030068200, 030069400, and 030062200 were annexed from the Town of Buchanan into the Village of Combined Locks as of 11/6/2023. These parcels are planned to be added in the efforts to facilitate redevelopment for commercial and residential uses that but for TIF, may not happen in the district. In accordance with Wisconsin Statute Section 66.1105(4)(h), to add the parcels within TID # 3, a contiguous connection via parcels of land must be made to the existing TID #3 boundary.

As proposed, the TID #3 territory amendment would keep the village under the 12% TID value threshold using 2023 valuation numbers.

This first territory and project plan amendment only addresses the elements or subject areas (required by Statute) that are affected by the territory and project plan amendment. All other subject areas remain unchanged and can be referenced in the original TID#3 project plan. This first amendment does not remove any projects contemplated in the original TID #3 project plan.

The village confirms with the amendment 34.95% of the district is land proposed for newly platted residential development adhering to the statue compliance requirement of being less than 35%. Residential Housing density is at least three units per acre.

Village of Combined Locks
TID #3 Territory Amendment #1

The maps on page 7 shows the district before this amendment and the map on page 8 shows upon the addition of territory parcels TID # 3 will continue to be contiguous. The new territory boundary demonstrates that the entire District area remains contiguous.

Page 9 of this project plan contains the list of specific parcels to be added and overlapped with this first amendment.

The village anticipates additional public improvement project cost expenditures related towards the amendment of approximately $7,500,000 during the TID's 20-year expenditure period. Proposed public project improvements may include, but not limited to infrastructure, professional and organizational services, administrative costs, and finance costs. As part of the project plan, Developer incentives may be provided by the village to developers of property within the TID in the form of cash grants.

As a result of the amendment of this TID, the village projects a preliminary and conservative cash flow analysis indicating $8,676,450 in increments. The TID increment will primarily be used to pay the debt service costs of the TID, and project development incentives.

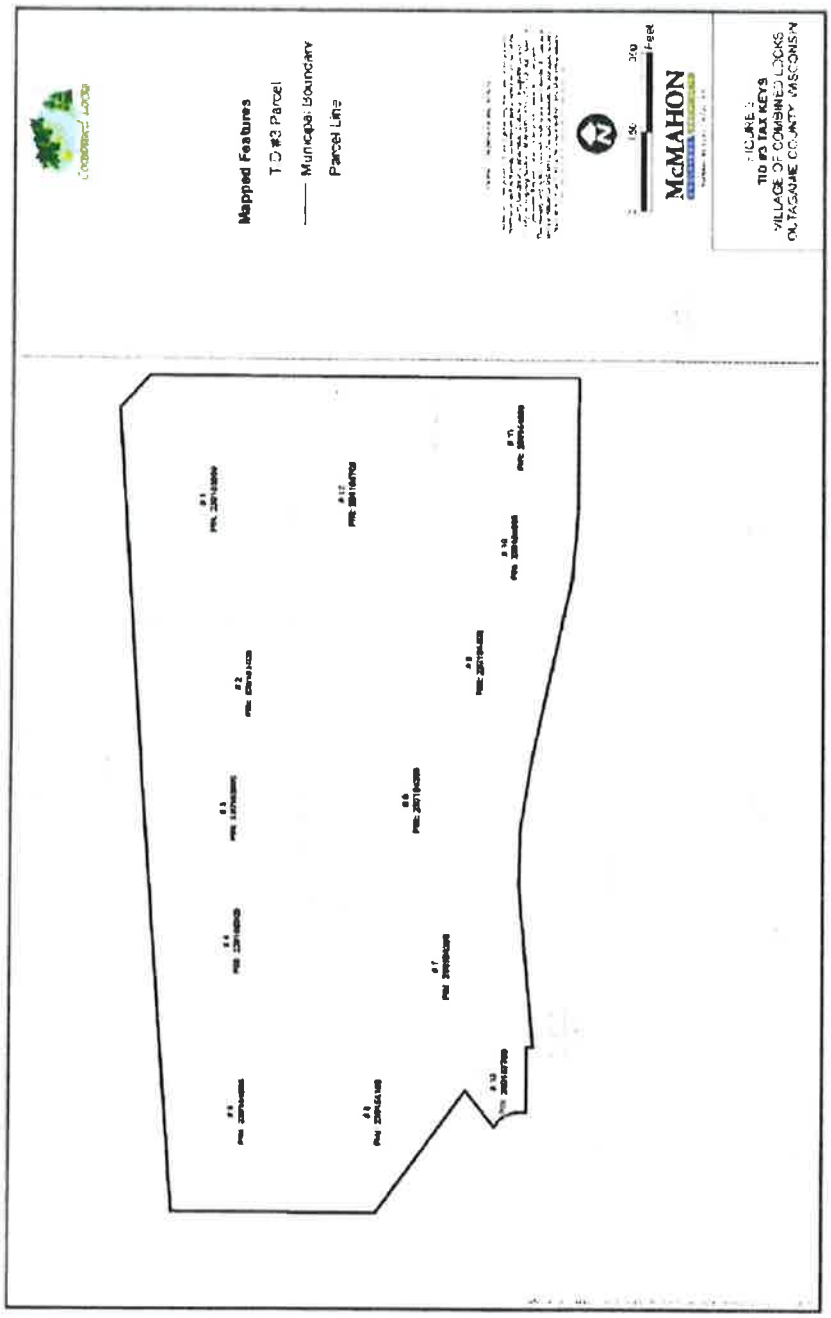

Exhibit A demonstrates revenues for TID #3 are generally trending toward meeting our expenditure commitments (bonds) for projects within the TID boundaries. Although the final year of revenues for TID #3 remains several years off (2040), any additional property tax increment that can be captured by the TID would help to meet the expenditure commitments ahead of time and potentially help with additional redevelopment efforts within the TID. TID #3 has a maximum statutory life of 20 years, closing no later than December 15, 2040, with final tax collection in 2041. The final year to incur TIF related expenditures is 2034. Based on current cash flow projection, TID #3 is expected to close by the end of its maximum statutory life.

The legal description in Exhibit C describes the full TID #3 territory updated for the amended area.

Village of Combined Locks
TID #3 Territory Amendment #1

Equalized Valuation Test

The following calculations demonstrate that the Village is in compliance with Wisconsin State Statute Section 66.1105(4)(gm)4.c. Wis. Stats., which requires that the equalized value of the taxable property in the proposed TID, plus the value increment of any existing Tax Incremental Districts, does not exceed 12% of the total equalized value of taxable property within the Village. With the amendment to TID #3, the value increment of all existing Tax Increment Districts will be approximately 2.4%.

Valuation Test Compliance Calculation

2023 Equalized Valuation (TID IN)	$460,005,600
Limit for 12% Test	$55,200,672
Increment Value of Existing TIDs	$9,878,300
Projected Base Value of TID Amendment	$783,400
Total Value Subject to Test	$10,661,700
Compliance ($10,661,700< $55,200,672)	Meets Requirement

Statement of Kind, Number and Location of Proposed Projects

The Village expects to implement the proposed public project improvements indicating within the originally project plan and the following additional costs to those sections indicated below. Any costs including eligible administrative costs necessary or convenient to the district or directly or indirectly related to the public works and other projects are considered "project costs" and eligible to be paid with tax increment revenues of the TID.

1. STREETS AND STREETSCAPE
LOCATION: Debruin Road & Block Road
TOTAL: $2,100,000
DESCRIPTION: **STREET IMPROVEMENTS.** There are inadequate street improvements serving portions of the district. To allow development to occur, the village may need to construct and reconstruct streets. Eligible Project Costs include but are not limited to excavation; removal or placement of fill; construction of road base; asphalt or concrete paving or repaving; installation of curb and gutter; installation of sidewalks and bicycle lanes; installation of culverts; utility relocation; street lighting; installation of traffic control signage and traffic signals; pavement

marking; right-of-way restoration; installation of retaining walls; and installation of fences, berms, and landscaping.

STREETSCAPING AND LANDSCAPING. To attract development and redevelopment consistent with the objectives of this Plan, the village may install amenities to enhance development sites, rights-of-way, and other public spaces. These amenities include but are not limited to landscaping; lighting of streets, sidewalks, parking areas and public areas; installation of planters, benches, clocks, tree rings, trash receptacles and similar items; and installation of brick or other decorative walks, terraces, and street crossings. These and any other similar amenities installed by the village are eligible Project Costs.

2. CASH GRANTS (DEVELOPMENT INCENTIVES).
LOCATION: Entire TID.
TOTAL: $3,000,000
DESCRIPTION: The village may enter into agreements with property owners, lessees, or developers of land located within the district for the purpose of sharing costs to encourage the desired kind of improvements and assure tax base is generated sufficient to recover project costs. No cash grants will be provided until the village executes a developer agreement with the recipient of the cash grant. Any payments of cash grants made by the village are eligible Project Costs.

3. PARKS/RECREATIONAL TRAIL IMPROVEMENTS.
LOCATION: Entire TID.
TOTAL: $1,500,000
DESCRIPTION: The Village is planning for the creation of a recreational trail to start on the south side of County Highway CE and Debruin Road and would go westward towards County Highway K/Buchanan Road. This trail will connect the southside of our community to the pedestrian underpass at County Highway K. This will eliminate the current traffic flow of pedestrians having to utilize the roundabout to get to walking paths.

4. MISCELLANEOUS
LOCATION: Entire TID.
TOTAL: $900,000

DESCRIPTION: **PROPERTY TAX PAYMENTS TO TOWN.** Property tax payments due to the Town under Wisconsin Statutes Section 66.1105(4)(gm)1. because of the inclusion of lands annexed after January 1, 2004, within the boundaries of the district are an eligible Project Cost.

17

PROFESSIONAL SERVICE AND ORGANIZATIONAL COSTS. The costs of professional services rendered, and other costs incurred, in relation to the creation, administration and termination of the district, and the undertaking of the projects contained within this Plan, are eligible Project Costs. Professional services include but are not limited to architectural; environmental; planning; engineering; legal, audit; financial; and the costs of informing the public with respect to the creation of the district and the implementation of the Plan.

ADMINISTRATIVE COSTS. The Village may charge to the district as eligible Project Costs reasonable allocations of administrative costs, including, but not limited to, employee salaries. Costs allocated will bear a direct connection to the time spent by Village employees in connection with the implementation of the Plan.

FINANCING COSTS. Interest expense, debt issuance expenses, redemption premiums, and any other fees and costs incurred in conjunction with obtaining financing for projects undertaken under this Plan are eligible Project Costs.

With all projects the costs of engineering, design, survey, inspection, materials, construction, restoring property to its original condition, apparatus necessary for the public works, legal and other consultant fees, testing, environmental studies, permits, updating Village ordinances and plans, judgments or claims for damages and other expenses are included as project costs. In the event any of the public works project expenditures are not reimbursable out of the special TIF fund under Wisconsin Statute Section 66.1105, in the written opinion of nationally recognized bond counsel retained by the Village for such purpose or a court of record so rules in a final order, then such project or projects shall be deleted here from and the remainder of the projects hereunder shall be deemed the entirety of the projects for purposes of this Project Plan (the "Plan"). **The Village reserves the right to implement only those projects that remain viable as the Plan period proceeds.**

Project costs are any expenditures made, estimated to be made, or monetary obligations incurred or estimated to be incurred, by the Village and as outlined in this Plan. Project costs will be diminished by any income, special assessments, or other revenues, including user fees or charges. To the extent the costs benefit the municipality outside the district, a proportionate share of the cost is not a project cost. Costs identified in this Plan are preliminary estimates made prior to design considerations and are subject to change after planning is completed. Proration of costs in the Plan are also estimates and subject to change based upon implementation, future assessment policies and user fee adjustments. The city anticipates special assessing property owners for the portion of infrastructure which will benefit their adjoining properties. At this time of the creation of this territory amendment the estimated cost is at $1,620,000.

Village of Combined Locks
TID #3 Territory Amendment #1

Detailed List of Project Amendment Costs

1. STREETS AND STREETSCAPE	2,100,000
2. CASH GRANTS (DEVELOPMENT INCENTIVES).	3,000,000
3. PARKS/RECREATIONAL TRAIL IMPROVEMENTS	1,500,000
4. MISCELLANEOUS	900,000
Total	**$7,500,000**

The project cost is based on current prices and preliminary estimates. The Village reserves the right to increase this cost to reflect inflationary increases and other uncontrollable circumstances between the creation of the TID and the time of construction. The tax increment allocation is preliminary and is subject to adjustment based upon the implementation of the Plan.

This Plan is not meant to be a budget nor an appropriation of funds for specific projects, but a framework within which to manage projects. All costs included in the Plan are estimates based on the best information available. The Village retains the right to delete or pursue future projects listed in the prior paragraph, and shown on the map, or change the scope and/or timing of projects implemented as they are individually authorized by the Village Board, without amending the Plan.

The Plan authorizes the expenditure of funds for project costs within a 1/2-mile radius of the TID boundary.

Village Attorney Opinion

Combined Locks, WI 54113

RE: Territory Amendment #1 for Tax Incremental District No. 3 in the Village of Combined Locks, Wisconsin

Dear President Neumeier and Village Board Trustees:

Tax incremental financing project plans must include an opinion of the village attorney advising whether the plan is complete and complies with Wis. Stat. sec. 66.1105(4)(f).

I have been retained to represent the Village of Combined as its appointed Village Attorney. I have reviewed the Project Plan for Tax Incremental District No. 3 and the Territory Amendment #1 for Tax Incremental District No. 3. It is my opinion that the amendment and project plan contain and adequately address the prerequisites set forth in Wis. Stat. sec. 66.1105.

Sincerely,

Outagamie County — 4-16-24 County Board Meeting - May 14 2024 07:25:30 PM

April 16, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 4—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Community Vision Fund Grant 2024 is offered by the Community Foundation of the Fox Valley Region. The Community Foundation of the Fox Valley Region includes a Community Vision Fund and its purpose is to fulfill community needs and advance well-being for all in Calumet, Outagamie, Shawano, Waupaca and the Neenah-Menasha area of Winnebago County.

The Health and Human Services (HHS) Public Health Department is requesting to apply for, accept and expend the Community Vision Fund Grant for a total project budget of $10,000 in order to equip members of the community with the resources needed to provide well-being support.

The NEW Mental Health Connection Mind Your Wellness Survey (administered in 2021 with results and recommendations shared in May 2023) revealed that 70% of the community members are more comfortable seeking mental well-being help from friends and family rather than the professionals. Because community members feel unprepared to offer this kind of help, this project aims to equip members of the community with the resources needed to provide well-being support. This grant request would cover the costs of the advertising campaign for the project. Included in the advertising campaign is a mural which is the cornerstone of the campaign and will establish a brand for an online resource hub. A local artist created the design and is scheduled to be completed in the second quarter to align with the month of May being Mental Health Awareness Month. The design will further be used on other promotional materials that will be distributed to target audiences identified through the community health improvement plan workgroup such as men, the Black community, Hmong community, and LGBTQ+ community. A QR code will be used as well as a website URL to direct people to the online resource hub. The mural will be located in downtown Appleton as it is an area that receives a lot of foot traffic, increasing the chances someone will stop by and scan the QR code or search for the URL. Additionally, the intention is to create a traveling mural for community events, place in libraries or schools, etc. This aspect of the campaign will be interactive with community involvement. Community members will be able to write message on a blank canvas next to the mural with words of encouragement, how they support, how they listen, or even how they would like to be supported. Additionally, a social media blitz is planned both before and after the mural is created as well as additional targeted ads to different demographics.

NOW THEREFORE, the undersigned members of the Health and Human Services Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve the Health and Human Services Public Health Department to apply for, accept and expend the Community Vision Fund Grant in the amount of $10,000 to be used to equip members of the community with the resources needed to provide well-being support, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve of increasing the Community Health Revenue – Miscellaneous line item by $10,000 and decreasing the Community Health Advertising – Promotion line item by $10,000 as noted on the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Health and Human Services Director and the Outagamie County Finance Director.

Dated this 14th day of May 2024

Respectfully Submitted,

HEALTH AND HUMAN SERVICES COMMITTEE

Jeff McCabe

Justin Krueger

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1675), Controller (1674) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** Department of Health and Human Services Request to Apply for Community Vision Fund Grant for 2024

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

The Community Vision Fund Grant 2024 is offered by the Community Foundation of the Fox Valley Region. The Community Foundation of the Fox Valley Region includes a Community Vision Fund and its purpose is to fulfill community needs and advance well-being for all in Calumet, Outagamie, Shawano, Waupaca, and the Neenah-Menasha area of Winnebago counties.

HHS Public Health is requesting to apply for the Community Vision Fund Grant for a total project budget of $10,000, to equip members of our community with the resources needed to provide well-being support.

The NEW Mental Health Connection Mind Your Wellness Survey (administered in 2021 with results and recommendations shared in May 2023) revealed that 70% of community members are more comfortable seeking mental well-being help from friends and family rather than from professionals. Because community members feel unprepared to offer this kind of help, this project aims to equip members of our community with the resources needed to provide well-being support. This grant request would cover the costs of the advertising campaign for the project. Included in the advertising campaign is a mural. The mural is the cornerstone of the campaign and will establish a brand for our online resource hub. A local artist created the design and we intend to have it completed in the second quarter to align with May being Mental Health Awareness Month. The design will further be used on other promotional materials that will be distributed to target audiences identified through our community health improvement plan workgroup such as men, the Black community, Hmong community, LGBTQ+ community. We will be using a QR code and website URL to direct people to our online resource hub. The mural would be located in downtown Appleton as it is an area that receives a lot of foot traffic, increasing the chances someone will stop by and scan the QR code or search for the URL. We also want to create a traveling mural that we can take to community events, place in libraries or schools, etc. This aspect of the campaign would be interactive and we want community involvement. Community members would be able to write messages on a blank canvas next to our mural with words of encouragement, how they support, how they listen, or even how they would like to be supported. We also intend on doing a social media blitz before the mural is created and after as well as additional targeted ads to different demographics.

The department of Health and Human Services is requesting to apply for the Community Vision Fund grant 2024 issued through the Community Foundation of the Fox Valley, for a total project budget of $10,000.

Current Year Budget Impact (Check one or more of the following boxes)

[X] Revenues [ ] Expenses (Cost) [ ] None

3. Is the specific cost or revenue included in the current year's budget? yes ( ) no (X) partially ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no ( ) n/a (X)

5. Is the proposal to accept additional revenues only? yes (X) no ( )

6. Does this request modify/adjust the current year budget? If no, skip to question 8 below. yes (X) no ( )

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Maintenance Department is requesting an intra-budget transfer of $45,000 in the Capital Project cost center for elevator modifications. The 2023 budget cost center 4640600 included $191,260 to modernize elevators 5 and 7 in the Justice Center. However, while posting two separate Request for Bids, no contractor bids were received. The 2024 budget cost center 4661100 includes $297,000 to modernize elevators 1 and 2 in the Justice Center. Bids were received from two separate contractors to modernize all four elevators. The bids for elevators 5 and 7 (cost center 4640600) came in $26,738 over budget and the bids for elevators 1 and 3 (cost center 4661100) came in $84,742 under budget. Therefore, transferring $45,000 from cost center 4661100 to cost center 4640600 will bring the modification of all four elevators within budget and will also allow for contingency and owner related costs for all four elevator modifications.

NOW THEREFORE, the undersigned members of the Property, Airport, Recreation and Economic Development Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors, does authorize and approve transferring $45,000 from the Various Capital Projects line item (cost center 4661100.6000) to the Various Capital Projects line item (cost center 4640600.0000) in order to modernize elevators 1, 2, 5, and 7 in the Justice Center as noted in the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Facilities Director and the Outagamie County Finance Director.

Dated this 14th day of May 2024

Respectfully submitted,

PROPERTY, AIRPORT, RECREATION & ECONOMIC DEVELOPMENT COMMITTEE

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1675), Controller (1674) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** Approve Maintenance Department Capital Inter-Budget Transfer for Elevator Modifications

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

The Maintenance Department is requesting an Inter-budget transfer of $45,000 from capital projects cost center 4661100 to cost center 4640600. Cost Center 4640600 included $191,260 in the 2023 budget to modernize elevators 5 & 7 within the Justice Center; however, while posting two separate RFBs in 2023 we did not receive any contractor bids for this work. Cost Center 4661100 includes $297,000 in the 2024 budget to modernize elevators 1 & 2 in the Justice Center. We recently received bids from 2 different contractors to modernize all 4 elevators, however the bids for elevators 5 & 7 under cost center 4640600 came in $26,738 over budget and the bids for elevators 1 & 3 under cost center 4661100 came in $84,742 under budget. Transferring $45,000 from cost center 4661100 to cost center 4640600 will bring the modification for all 4 elevators within budget and will also allow for contingency and owner related costs for all 4 elevator modifications.

Current Year Budget Impact (Check one or more of the following boxes)

☐ Revenues ☐ Expenses (Cost) ☒ None

3. Is the specific cost or revenue included in the current year's budget? yes (X) no ( ) partially ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes (X) no ( ) n/a ( )

5. Is the proposal to accept additional revenues only? yes ( ) no (X)

6. Does this request modify/adjust the current year budget? yes (X) no ( )
If no, skip to question 8 below.

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

COST CENTER NAME	LINE ITEM (i.e. Salaries, Supplies, Etc.)	ACCOUNT NUMBER INCLUDING COST CENTER (i.e. 1004100.5100, 1004100.5400, etc.)	INCREASE (DECREASE) AMOUNT
Various	Capital Projects	4661100.6000	($45,000)
Various	Capital Projects	4640600.0000	$45,000

Annual and Long-Term Impact

8. Is the above Increase/Decrease a nonrecurring one-time expense or revenue? yes (X) no ( ) n/a ( )

9. What is the anticipated annual and/or long-term cost or revenue impact?
Annual Cost 0
Annual Revenue 0

RESOLUTION NO.: 6—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Outagamie County Parks Department is requesting approval of an Access Agreement made by and between the State of Wisconsin Department of Natural Resources (DNR) and Tony J. Farley and Stacey L. Farley for permission to cross the former railroad corridor of Wisconsin Central Ltd., known today as the "Newton Blackmour State Trail" (Trail) on Outagamie County Wisconsin Tax Parcel Number 190056500 in the Town of Seymour in order to access farm lands owned by relatives.

NOW THEREFORE, the undersigned members of the Property, Airport, Recreation and Economic Development Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does hereby and herewith approve an Access Agreement made by and between the State of Wisconsin Department of Natural Resources and Tony J. Farley and Stacey L. Farley for permission to cross the former railroad corridor of Wisconsin Central, Ltd., known today as the "Newton Blackmour State Trail" on Outagamie County Wisconsin Tax Parcel Number 190056500 in the Town of Seymour; said land is described and shown on the attached Access Agreement and Exhibit A Map, which by reference are made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Parks Director.

ACCESS AGREEMENT
(Cooperative Trail-Over 5 Years)

Section 23.09(10), Wis. Stats.
Form 2200-117b
Rev. 05/2021

THIS ACCESS AGREEMENT ("Agreement") is made by and between the State of Wisconsin Department of Natural Resources ("Owner") and Tony J. Farley, and Stacey L. Farley, collectively ("Permittee").

RECITALS

WHEREAS, the Owner is the successor in title to the former railroad corridor of Wisconsin Central Ltd., known today as the "Newton Blackmour State Trail" ("Trail");

WHEREAS, the portion of the Trail to which this Agreement pertains is located in the NW ¼ of the SW ¼ of Section 31, Township 24 North, Range 18 East, Town of Seymour, Outagamie County, Wisconsin; this portion is further described below and referred to in this Agreement as the "Premises";

WHEREAS, the Owner has contracted the trail management and operations for the Trail to Outagamie County ("Trail Manager") through an Easement;

Recording Area
Return: Department of Natural Resources
Bureau of Facilities and Lands – LF/6
P.O. Box 7921
Madison, WI 53707-7921
Attn: Closing Officer (LU-7291)

Parcel Identification Number (PIN) #:
Owner: N/A
Permittee: 190056604

WHEREAS, the Permittee presently owns certain real property adjacent to the Premises;

WHEREAS, the Permittee seeks permission from the Owner to cross the Premises in order to access farm lands owned by relatives on Outagamie County Wisconsin Tax Parcel Number 190056500; and

WHEREAS, the Owner is willing to grant Permittee permission to cross the Premises for the period of time and for the purpose(s) set forth below.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration of the sum of $500.00 this non-exclusive Agreement is subject to the following mutual terms and conditions:

1. **Recitals.** The Owner and the Permittee confirm and agree that the recitals set forth above are true and correct and incorporate the same herein for all purposes.

2. **Permittee.** The term "Permittee" shall be construed and apply to any of the Permittee's family, guests, tenants, licensees, members, invitees, or agents.

3. **Parties.** The terms Owner and Permittee when used herein shall mean either singular or plural and the Owner and Permittee are collectively referred to herein as "Parties."

4. **Purpose.** The Owner hereby grants to the Permittee non-exclusive permission for ingress and egress over

and across the Trail; using a portion of the Trail (the Premises) which more particularly described as:

A 30-foot-wide right-of-way centered upon an existing road, to provide access to the Permittee across the Premises which is further described as;

Commencing at the Southwest corner of the NW ¼ of the SW ¼ of said Section 31; Thence S 89°15'35" E approximately 117.71 feet to the North Line of the Railroad Right-of-Way; Thence N 52°43'06" E along the North Line of the Railroad Right-of-Way approximately 670.35 feet to the Point of Beginning; Thence S 2°04'39" E approximately 123.90 feet to the South Line of the Railroad Right-of-Way and the Point of Termination.

This road is also known as "farm crossing" and is hereinafter referred to as the "**Access Road**." The approximate location of the Access Road is depicted on **Exhibit "A"**, which is attached hereto and made a part hereof.

5. **Term.** This Agreement shall be in effect for a Fifteen (15) year period, commencing April 1, 2024 and ending March 31, 2039. If the Permittee desires an extension of the Agreement, it may request the same at least 90 days prior to the expiration of this Agreement. The Owner may choose to extend the Agreement if the Permittee has complied with all of the terms and conditions of this Agreement and if the total Agreement term will not exceed 15 years.

6. **Termination.** The Owner may terminate this Agreement by giving thirty (30) day written notice to the Permittee if the Owner determines that further use of the Premises by the Permittee will interfere with present or future management objectives of the Owner, or if the Permittee breaches any terms or conditions contained in this Agreement.

7. **Access Road.** The Owner reserves the right to require and permit alternative access across the Trail if the location of the Access Road interferes with Owner's or the Owner's Trail Manager's use and management of the Premises. The Owner and the Owner's Trail Manager also reserve the right to temporarily close the Access Road to vehicle access in times when the Owner's Trail Manager deems road conditions are too poor to allow vehicular travel.

8. **Non-Transferable.** It is understood and agreed that this Agreement is permissive only, i.e., personal to the named Permittee, nontransferable and subject to revocation by the Owner. Neither this Agreement nor any permission under this Agreement may be assigned except as set forth herein. The terms and conditions contained herein shall not be construed to confer any rights on the Permittee other than those of a permit and do not run with the title to Permittee's real estate. This Agreement does not transfer to, nor can it be used to provide access to any subdivisions, lots or parcels created off the Permittee's present ownership. Any purported assignment of this Agreement shall constitute a material breach of this Agreement and the Agreement shall be automatically considered null and void.

9. **Allowed Vehicle Use.** The Permittee shall have the right to use the Access Road only by non-motorized means and by motorized vehicles licensed for use on public highways. The use of ATVs, UTVs, and/or off-road-motorcycles shall not be allowed on the Access Road unless a separate agreement is made between the parties hereto, or unless otherwise permitted by the Owner. The Access Road shall not be used for parking.

10. **Maintenance of Access Road.**

A. The Permittee shall maintain the Access Road in a safe and usable condition at all times such that the Permittee shall cause no obstruction to free and uninhibited use of the Access Road or the Trail by the general public. The Permittee understands that the Trail is open for use to all members of the general public without regard to race, creed, marital status, color, sex, national origin, age, handicap, ancestry, sexual orientation, arrest record or conviction record.

B. Any and all desired new construction or improvements to be performed on the Access Road by the Permittee shall only be done with prior written approval of the Owner.

C. The Permittee agrees to repair or reimburse the Owner for any damage to the Access Road or the Trail that is caused by the Permittee's or the Permittee's guests, invitees, agents, or contractors' use of or maintenance of the Access Road. Permittee shall promptly repair and restore the damaged area in a timely, workmanlike manner consistent with the original condition of the Access Road /Trail at the time when this Agreement was first executed.

D. The Owner shall have no obligation to improve, repair or maintain the Access Road, other than to repair damage caused by the Owner or its agents.

11. **Vegetative Management.** No cutting or trimming of trees shall be done without the prior written approval of the Owner, except that dead and downed trees that obstruct passage on the Access Road may be removed without such written approval. Any trees removed from the Access Road remain the property of the Owner. All trees having commercial value, including firewood, shall be cut in standard lengths and piled at the side of the road for use or disposal by the Owner. All stumps, slash, waste materials and other debris resulting from construction or maintenance, if any, of the Access Road shall be disposed of by the Permittee as directed by the Owner.

19. **NR 45 Enforcement.** The Owner retains management, supervision and control over the Premises for the purpose of enforcing pertinent state laws needed to protect the Premises, its natural resources or the general public, including Chapter NR 45, Wis. Admin. Code, which governs the conduct of visitors to state lands.

12. **Signage.** No gates, signs (other than fire numbers) or other articles of the Permittee will be allowed on Premises without the written consent of the Owner.

13. **Reservations.** The Owner reserves the right to permit other access on the Access Road, including utility easements in, under or through the Access Road consistent with the rights granted herein.

14. **Violations.** In the event the terms and conditions of this Agreement are found to have been violated, the Owner at its discretion may give written notice to the Permittee of the violation(s) and may identify the ways in which the Permittee can rectify the violations.

15. **AREMA Compliance.** The Premises may be encumbered by federal or state railroad interest and subject to future restoration and reconstruction of the right-of-way for rail purposes consistent with Section 208 of the National Trails System Act Amendment of 1983, Publ. L. No. 98-11 (16 U.S.C. 1247(d)) or Wis. Stat. § 85.09, including possible termination of this Agreement, and subject to reservations, exceptions and leases, agreements and permits authorized by the former railroad company or the Grantor prior to the execution of this Agreement. Grantor shall provide written notice of the necessity for the reestablishment of railroad, which may result in the termination of this Agreement upon the discretion of the railroad. Grantee shall: (1) not materially change the grade or topography of the Trail or the Premises; (2) not construct and install or remove any permanent improvement which violates American Railway Engineering and Maintenance-of-Way Association ("AREMA"), or its successors' published practices and procedures or would make such reestablishment of railroad impracticable; and (3) not allow the installation of any facility, above or below grade that does not conform to AREMA's standards or clearances for railroad.

16. **Indemnification.** The Permittee agrees to protect, indemnify, and save harmless the Owner, its agents and employees, from and against any and all claims, demands, suits, liability, costs and expense, by reason of loss or damage to any property (state or other) or bodily injury to or death of any person whatsoever, that may arise directly or indirectly
    a. from the Permittee's maintenance, repair or use of the Access Road;
    b. out of the Permittee's exercise of any and all permissions allowed by this Agreement; and/or
    c. out of the Permittee's failure to exercise of any and all rights, duties and responsibilities granted by this Agreement.

17. **Entire Agreement.** This Agreement sets forth the entire understanding of the Owner and the Permittee and may not be modified or amended except by a written document executed and acknowledged by the Owner and the Permittee.

18. **Invalidity.** If any provision or specific application of this Agreement is found to be invalid by a court of competent jurisdiction, the remainder of this Agreement, or the application of the term or condition to persons or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby, and each term and condition shall be valid and enforceable to the fullest extent permitted by law.

19. **Enforcement.** It is intended that this Agreement shall be construed as being an adequate and legally enforceable agreement. Owner may enforce this Agreement through proceedings at law or in equity, either to restrain or prevent the violation or to obtain any other relief.

20. **Headings.** The headings of clauses contained in this Agreement are used for convenience and ease of reference only and do not limit the scope or intent of the clause.

21. **Governing Law.** This Agreement shall be construed and enforced in accordance with the laws of the State of Wisconsin.

22. **Additional Conditions.** Additional Terms and Conditions specifically pertinent to this Agreement will be valid if enumerated below:

    A. This Agreement does not grant authority to enter upon lands north of the Newton Blackmour State Trail. Permittee must have permission from landowner(s) for Outagamie County Wisconsin Tax Parcel Number 190056500 to enter said property.

RESOLUTION NO.: 7—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

Outagamie County recognizes the threat that natural hazards pose to people and property within Outagamie County. The Outagamie County Emergency Management Department has prepared a multi-hazard mitigation plan, hereby known as "Outagamie County Hazard Mitigation Plan 2024-2029" (the Plan) in accordance with federal laws, including the Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended; the National Flood Insurance Act of 1968, as amended; and the National Dam Safety Program Act, as amended. The Outagamie County Hazard Mitigation Plan 2024-2029 identifies mitigation goals and actions to reduce or eliminate long-term risk to people and property in Outagamie County from the impacts of future hazards and disasters. Adoption of the Plan by the Outagamie County Board of Supervisors demonstrates its commitment to hazard mitigation and achieving the goals outlined in the Plan.

NOW THEREFORE, the undersigned members of the Public Safety Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve of the "Outagamie County Hazard Mitigation Plan 2024-2029" as an official plan, which can be reviewed in the Legislative Services Office, the County Clerk's Office, or the Emergency Management Department, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does approve that while content related to Outagamie County may require revisions to meet the Plan approval requirements, changes occurring after adoption will not require Outagamie County to re-adopt any further iterations of the Plan and that subsequent plan updates following the approval period for this Plan will require separate resolutions, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Emergency Management Director.

Dated this 14th day of May 2024

Respectfully submitted,

PUBLIC SAFETY COMMITTEE

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

It is necessary that various accounts of Outagamie County be closed as of December 31, 2023, except special funds, commonly known as Revolving Funds, which are in the best interest of Otuagamie County to remain intact. The budget adjustments will be made to the 2024 budget. These Revolving Funds cover all county funds except County Roads and Bridges, which will be brought forward with a separate resolution.

NOW THEREFORE, the undersigned members of the Finance Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve of all excess or deficiency of revenues over/under expenditures and unexpected appropriations of the various accounts reverting back to the County's General Fund or from the General Fund as indicated in the attached fiscal note and Summary of 2023-2024 Revolving Funds, with the exception of those expenses, revenues or transfers as detailed in the attachments, which by reference are made a part hereof, and

BE IT FURTHER RESOLVED, unless detailed otherwise on the attachment, that should any closed projects have excess funding (except those with highway project funding that will be applied in the following year's budget), those funds will be returned to the General Fund, or if legally required, to the Debt Service fund, and

BE IT STILL FURTHER RESOLVED, that all of the following accounts shall not lapse to the County's General Fund: all Special Revenues, except Health and Human Services; all Debt Service Funds; all Capital Project Funds; all Enterprise Funds, except for Brewster Village; and all Internal Service Funds, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director.

Dated this 14th day of May 2024

Respectfully Submitted,

FINANCE COMMITTEE

Chris Croatt

John Cuff

Karen Lawrence

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1674), Controller (1675) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** Revolving Funds Requests 2023 to 2024 – All Funds (except County Road & Bridges)

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

See attached for the complete schedule of requested Revolving Funds from the 2023 budget into the 2024 budget. The budget adjustments will be made to the 2024 budget. This includes all funds, except County Roads and Bridges Fund.

Current Year Budget Impact (Check one or more of the following boxes)

[X] Revenues [X] Expenses (Cost) [ ] None

3. Is the specific cost or revenue included in the current year's budget? yes ( ) no (X) partially ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no (X) n/a ( )

5. Is the proposal to accept additional revenues only? yes ( ) no (X)

6. Does this request modify/adjust the current year budget? If no, skip to question 8 below. yes (X) no ( )

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

COST CENTER NAME	LINE ITEM (i.e. Salaries, Supplies, Etc.)	ACCOUNT NUMBER INCLUDING COST CENTER (i.e. 1004100.5100, 1004100.5400, etc.)	INCREASE (DECREASE) AMOUNT
See attached.			

Annual and Long-Term Impact

8. Is the above Increase/Decrease a nonrecurring one-time expense or revenue? yes ( ) no ( ) n/a (X)

9. What is the anticipated annual and/or long-term cost or revenue impact? Annual Cost 0 Annual Revenue 0

See attached for details of rollovers by category and fund.

Please note the above summary and detailed attachments currently do not include most of the revolving funds for the Highway or County Road and Bridge Fund. Due to employee turnover, the revolving funds for the Highway have not yet been completed. Administration will bring forward the Highway's revolving funds in a separate resolution when they are completed. We felt it necessary to bring all other funds forward at this time so these departments could start working on these projects and incur these expenditures as soon as the resolution is passed.

4-16-24 County Board Meeting - May 14 2024 07:48:44 PM

April 16, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 9—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

RESOLUTION AUTHORIZING THE PARTIAL REDEMPTION OF THE COUNTY'S GENERAL OBLIGATION CAPITAL IMPROVEMENT BONDS, DATED DECEMBER 27, 2012

Outagamie County, Wisconsin (the "County") has outstanding its General Obligation Capital Improvement Bonds, dated December 27, 2012 (the "Bonds").

The County Board has determined that it is necessary and desirable to redeem the 2024 maturity of the Bonds (the "Refunded Obligations") on June 17, 2024, with funds of the County on hand.

NOW THEREFORE, the undersigned members of the Finance Committee recommend adoption of the following resolution.

BE IT RESOLVED, by the County Board of Outagamie County, that the Refunded Obligations are called for prior payment on June 17, 2024, at the price of par plus accrued interest to the date of redemption, and

BE IT FURTHER RESOLVED, the County hereby directs the County Clerk to work with PMA Securities, LLC to cause timely notice of redemption of the Refunded Obligations, in substantially the form attached hereto as Exhibit A and incorporated herein by this reference (the "Notice"), to be provided at the times, to the parties and in the manner set forth on the Notice. Further, the County Clerk shall cause the funds necessary to redeem the Refunded Obligations to be provided to The Depository Trust Company, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director and the Outagamie County Corporation Counsel.

Dated this 14th day of May 2024

Respectfully Submitted,
FINANCE COMMITTEE

Chris Croatt

John Cuff

Karen Lawrence

NOTICE OF PARTIAL CALL*

Regarding

OUTAGAMIE COUNTY, WISCONSIN
GENERAL OBLIGATION CAPITAL IMPROVEMENT BONDS
DATED DECEMBER 27, 2012

NOTICE IS HEREBY GIVEN that the Bonds of the above-referenced issue which mature on the date and in the amount; bear interest at the rate; and have a CUSIP No. as set forth below have been called by the County for prior payment on June 17, 2024 at a redemption price equal to 100% of the principal amount thereof plus accrued interest to the date of prepayment:

Maturity Date	Principal Amount	Interest Rate	CUSIP No.
12/01/2024	$400,000	2.00%	689900WW4

The County shall deposit federal or other immediately available funds sufficient for such redemption at the office of The Depository Trust Company on or before June 17, 2024.

Said Bonds will cease to bear interest on June 17, 2024.

By Order of the
County Board
Outagamie County
County Clerk

Dated _____

* To be provided by registered or certified mail, overnight express delivery, facsimile transmission, electronic transmission or in any other manner required by The Depository Trust Company, to The Depository Trust Company, Attn: Supervisor, Call Notification Department, 570 Washington Blvd., Jersey County, NJ 07310, not less than thirty (30) days nor more than sixty (60) days prior to June 17, 2024 and to the MSRB electronically through the Electronic Municipal Market Access (EMMA) System website at www.emma.msrb.org.

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1675), Controller (1674) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** Request to redeem the 2024 maturity of Bonds

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

Request to redeem 2024 maturity of callable bonds with county funds. The outstanding principal on the bonds is $400,000 and calling will save $3,644 on interest.

Current Year Budget Impact (Check one or more of the following boxes)

☐ Revenues ☒ Expenses (Cost) ☐ None – 2024 Budget

3. Is the specific cost or revenue included in the current year's budget? yes (x) no ( ) partially ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no (x) n/a ( )

5. Is the proposal to accept additional revenues only? yes ( ) no (x)

6. Does this request modify/adjust the current year budget? If no, skip to question 8 below yes (x) no ( )

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

COST CENTER NAME	LINE ITEM (i.e. Salaries, Supplies, Etc.)	ACCOUNT NUMBER INCLUDING COST CENTER (i.e. 1004100.5100, 1004100.5400, etc.)	INCREASE (DECREASE) AMOUNT
GO Bonds 2012A	Bond Principal payment	3590100.5856	200,000
GO Bonds 2012A	Fund balance applied	3590100.8955	200,000

Annual and Long-Term Impact

8. Is the above Increase/Decrease a nonrecurring one-time expense or revenue? yes ( ) no ( ) n/a ( )

9. What is the anticipated annual and/or long-term cost or revenue impact? Annual Cost _____ Annual Revenue _____

The Board Chairperson requested the Board's confirmation to excuse Supervisor Krueger, Supervisor Hermes, Supervisor Croatt, Supervisor Cuff, and Supervisor Winterfeldt. No objections; so ordered.

The Pledge of Allegiance was led by Chairperson Gabrielson.

MINUTES OF THE MAY 14, 2024 COUNTY BOARD MEETING
Supervisor Koury moved, seconded by Supervisor Kostelny, to approve the minutes of the May 14, 2024, County Board meeting.

ROLL CALL: 26 yes, 4 abstain (Ferguson, MacDonald, Thiede, Thyssen), 6 absent. MINUTES OF THE MAY 14, 2024, COUNTY BOARD MEETING ARE APPROVED.

SPECIAL ORDER OF BUSINESS – Kevin Englebert, DLS Director, will provide an ARPA funding update

DLS Director, Kevin Englebert gave an overview of ARPA (American Rescue Plan Funds), ARPA internal funding, and ARPA external grants.

- Outagamie County received $36.5M in ARPA funding in 2021.
  - Under the final rule of the US Treasury, the County is required to obligate all funding by 12/31/24.
  - The funds must be spent by 12/31/2026.
  - The goal is to have all funds spent or allocated by the end of 2024.
  - Examples of obligations – subawards for affordable housing projects (RISE, Habitat), contract with Miron for the 9-1-1 Center, and the purchase order for HVAC cooling coil.
  - Obligations are not scope of work agreements with amounts unspecified, budget line items in future years, or CIP projects.
- Under ARPA regulations, there are two categories of the ARPA portfolio:
  - Funding that needs to be used for ARPA eligible use. ($26.5M)
    - Respond to public health and economic impacts of the pandemic.
    - Offer premium pay for essential workers, retention payments.
    - Invest in water, sewer, and broadband.
    - Miscellaneous uses – affordable housing, behavioral health, tourism, and child care.

    - The other type of ARPA funding received is for lost revenue. ($10M)
        - This funding is for local units of government to be made whole from impacts of the pandemic.
        - The lost revenue funding is more flexible and can be used for most government services.
        - ARPA cannot be used to fund debt service, offsets of a reduction in tax revenue, or pension contributions.
- Allocations are different from obligations. Allocations are resolutions passed by the County Board directing funding to categories or projects.
    - All allocations must be made by either County Board resolutions or through the budget process.
    - As of 5/15/24: $17,034,471 of ARPA funding has been spent, $12,722,090 is the unobligated total, and $2,064,804 of those funds are lost revenue.
- There have been 62 ARPA allocations made to date (25 completed projects).
    - Of the closed projects, we know that there is $1.6M available to reallocate at this time.
    - This amount is likely to increase throughout the year as the other projects mature.
    - It is estimated that $1.6M-$4.0M will be available to reallocate this year.
    - The County Board must reallocate via resolution.
    - Options include county eligible expenses in the 2024 budget, new community grant/beneficiary programs, and additional funding for existing projects.

DLS Director Englebert reviewed ARPA internal funding:

- Approximately $22M via 60 projects.
- Top 5 projects:
    - 9-1-1 Communications Center - $5.6M
    - Plamann Park Sewer - $3.0M
    - IT Projects - $2.0M
    - Staff Retention Bonuses - $1.7M
    - Airport Terminal Expansion - $1.0M
- Other highlights: $683k for Sheriff's equipment, $615k for facilities upgrades, $488k for Cover Crop Program, $250k for Plamann Park ash tree removal, and $175k for budget software.

DLS Director Englebert reviewed ARPA external funding:

- Outagamie County set aside $3.5M for affordable housing.
    - RISE
        - $1M grant to MF Housing Partners.
        - It is located in downtown Appleton, north of the Appleton Public Library.
        - This project includes eight 3-bedroom townhomes with attached garages and 40-unit apartments in a mid-rise building.
        - Ten units are at or below 30% of AMI.
    - Habitat for Humanity
        - $1M grant to Habitat for Humanity.
        - Includes 10 single-family detached homes.
        - This is a scattered site project with various locations throughout the Greater Fox Cities area.
    - Archive
        - $1.5M grant to MF housing partners.
        - This is a four-story building with 40-unit apartments.
        - Nine of the units are at or below 30% of AMI.
- Childcare grants
    - $750k grant to Child Care Resource & Referral.

        - Funding an Essential Services Program to provide childcare providers with services they would not otherwise be able to afford.
            - Centralized staffing (substitutes) – a float pool of 3 Full Time Employees
            - Maintenance services
            - Janitorial (deep cleaning) services
            - Technological
            - Educational support services
        - The grant will fund this program from 2024-2026.
        - Participants are estimated to save approximately $700 per month along with a time savings.
    - Family Resource Center
        - First Five Fox Valley
        - $2M grant
        - Will offer a centralized location with various community partners throughout the county offering support and services to families at free or low cost.
- Workforce Development
    - Riverview Gardens - $305k grant for their ServiceWorks Culinary Program.
    - Children's Wisconsin - $695k grant for their Healthcare Career Exploration, Pathway, and Training Program.
- Behavior Health
    - Community Connections Program - $500k grant – provides behavioral health training for behavioral health professionals.
    - Triage Services Center - $2.25M – grant to fund the creation of a Triage Services Center to reduce the demand in emergency rooms for behavioral health patients.
        - There was one application that was received and the evaluation committee chose not to fund this grant. Staff will bring forward a proposal to repurpose the funds in the future.
- Broadband
    - Last Mile Grant ($2.75M). This grant opportunity was announced on February 15th and applications were due on April 18th.
    - There were three applications received and the evaluation team narrowed it down to one. It is expected that funds will be obligated by the end of June after a pre-award meeting.
    - This is a sizeable investment for Outagamie County.

In conclusion, DLS Director Englebert stated that Outagamie County's ARPA portfolio is well distributed and Outagamie County is doing what was intended with these funds under the final rule. Outagamie County is making investments in the community that may have otherwise not been possible. There is no need for immediate action at this time. However, there may be funds available in the future to reallocate to other projects.

ESTABLISH ORDER OF THE DAY – Chairperson Gabrielson reported the request to have all appointments, ordinances, resolutions locked in at the meeting.

Chairperson Gabrielson asked for unanimous consent to handle all reconsiderations and lock ins at the end of the meeting as noted. No objections; so ordered.

COMMUNICATIONS –

No.	Adopted Date	Received From	Subject	Referred To
1	03/12/2024	St. Croix County	Resolution No. 13 (2024) Resolution Supporting Wisconsin Senate Bill 916 Related to Refugee Resettlement	Health and Human Services Committee
2	03/12/2024	St. Croix County	Resolution No. 14 (2024) Resolution Supporting The "CARE ACT" Proposed by Congressman Tom Tiffany Related to Amending Section 412 of the Immigration and Nationality Act	Health and Human Services Committee
3	03/12/2024	St. Croix County	Resolution No. 15 (2024) Resolution Requesting an Immediate Pause on Refugee Resettlement in St. Croix County	Health and Human Services Committee

Chairperson Gabrielson summarized the following communications:

- Loop the Lox celebration and ribbon cutting will be taking place on Wednesday, June 5th at 1:00 p.m. Anyone interested in attending should meet at the Sunset Park boat launch in Kimberly. Please note that this event is not eligible for mileage or per diem reimbursement.
- There are two Supervisors that have not completed the March security training that was due on April 10th. Please contact Legislative Services if you need a link to the training.
- There is a new IT security training that is to be completed by the end of May.
- County Clerk Jeff King has turned in his letter of resignation. Clerk King is moving on to another opportunity outside of the area. We will miss his dedication and the hard work that he has done for Outagamie County.

Outagamie County **4-16-24 County Board Meeting - May 28 2024 07:34:29 PM**

April 16, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: Z-4—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Town of Buchanan has adopted a comprehensive Zoning Ordinance separate from that of Outagamie County. Section 60.62 (3) of the Wisconsin State Statutes require that all zoning amendments made by the Town of Buchanan be approved by Outagamie County before they are effective. The Outagamie County Planning Staff and Zoning Committee both recommend approval.

NOW THEREFORE, the undersigned members of the Agriculture, Extension Education, Zoning and Land Conservation Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does approve of the proposed rezoning request for Roger and Vanice Sprangers. The proposed rezoning is for parcels 030060100, 030060101, and 030063000 from the General Agriculture District to the Local Commercial District, and parcel 030060200 from the Industrial District to the Local Commercial District. The parcel is located north of County HWY KK in the TOWN OF BUCHANAN, Outagamie County, WI, as depicted on the attached review and map, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a certified copy of this resolution to the Outagamie County Zoning Administrator and the Clerk of the Town of Buchanan.

Dated this 28th day of May, 2024

Respectfully Submitted,

AGRICULTURE, EXTENSION EDUCATION, ZONING & LAND CONSERVATION COMMITTEE

Debra Vander Heiden

MEMORANDUM

TO: Outagamie County Zoning Committee
FROM: Sadie DiNatale Burda, Deputy Director
DATE: May 1, 2024
RE: PL202400207: Town Rezoning, Review and Recommendation

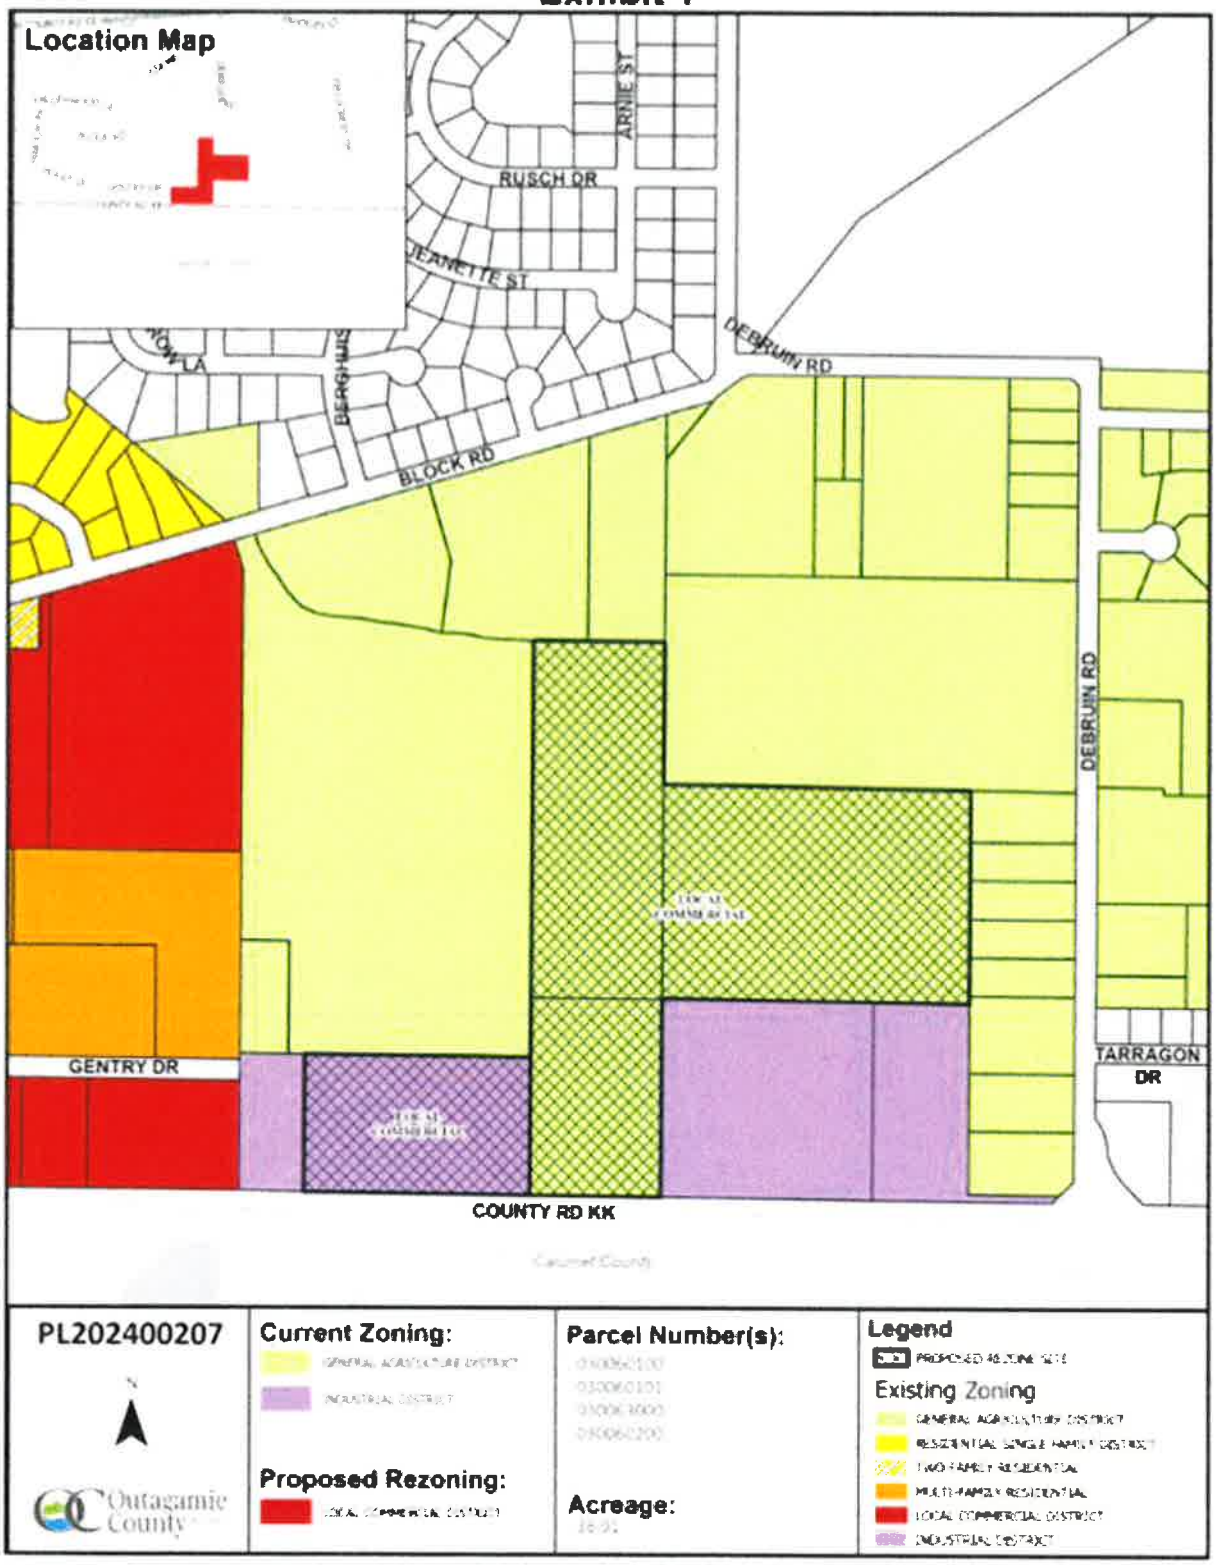
Application Details:

Applicant/Owner:	Town of Buchanan, Applicant on behalf of Roger & Vanice Sprangers (Owners)
Request:	Rezoning - Town
Parcels:	030060100, 030060101, 030063000, 030060200
Location:	North of County HWY KK TOWN OF Buchanan
Public Hearing:	April 9, 2024 at 7:00 PM held by the Town of Buchanan

Background:

Outagamie County received a Town Rezoning request from the Town of Buchanan, as depicted on the attached Rezoning Map. The proposal would rezone parcels 030060100, 030060101 and 030063000 from the General Agriculture District to the Local Commercial District and parcel 030060200 from the Industrial District to the Local Commercial District (parcels total 36.91 acres). The rezoning would allow for the redevelopment of the Sprangers Apple Orchard by Schmalz Landscaping.

The Town of Buchanan exercises village powers and adopted General Town Zoning. The Town of Buchanan is required to find this rezoning consistent with its Comprehensive Plan. They have identified the rezoning to be consistent with its Comprehensive Plan Future Land Use Map, which identifies the area as "Short-term Mixed-Use Residential District" and "Commercial and Retail Service Hub."



Outagamie County concurs that the rezone is also consistent with its Comprehensive Plan Future Land Map, which identifies the area as "Community Mixed Use."

The Buchanan Town Board voted to approve the rezoning request on April 23, 2024.

Staff Recommendation:

Based on County staff's review of this proposed Town Rezoning, Staff recommends to: approve the rezoning of parcels 030060100, 030060101 and 030063000 from the General Agriculture District to the Local Commercial District and parcel 030060200 from the Industrial District to the Local Commercial District.

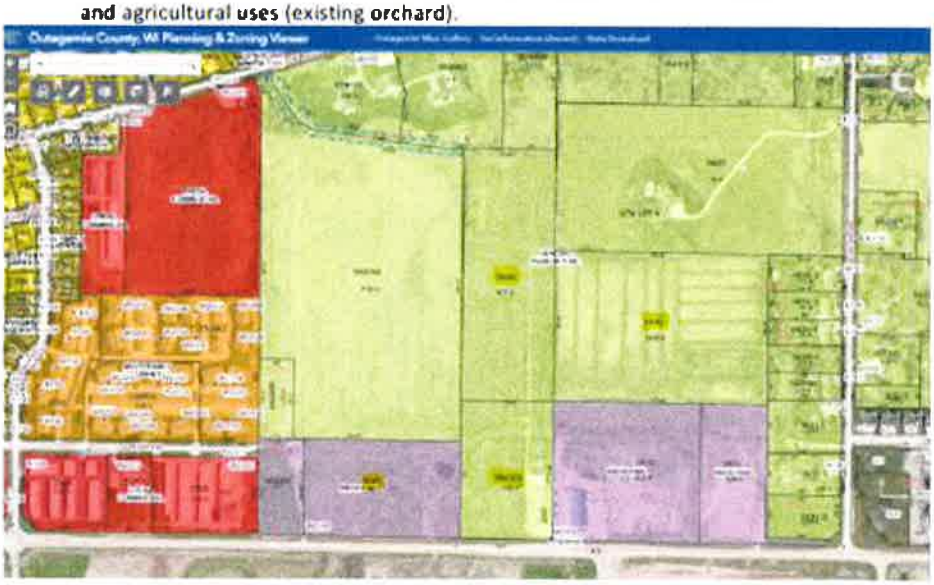
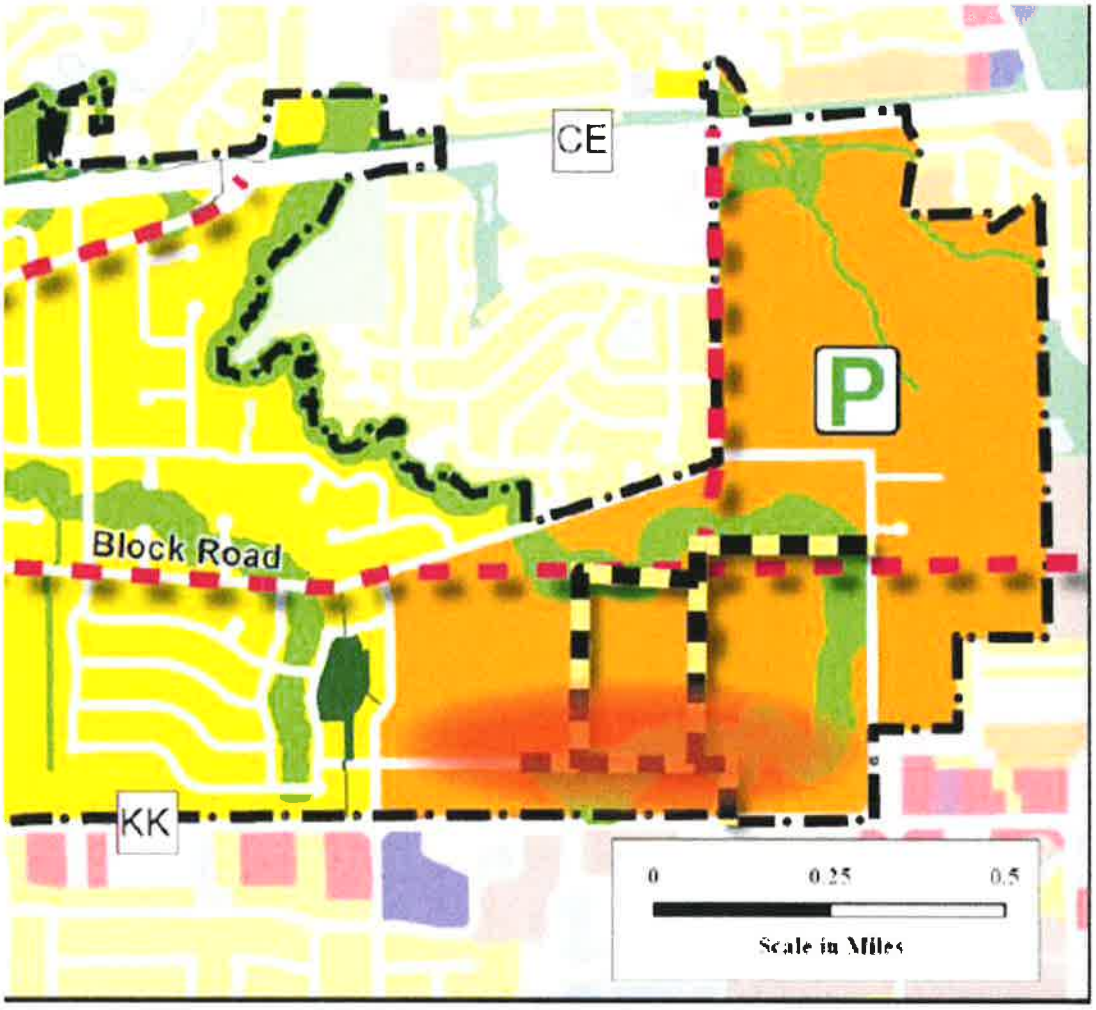
PLAN COMMISSION MEETING:	**April 9, 2024**	**AGENDA ITEM #: 7a & 7b**
ACTION TYPE:	**Quasi-Judicial**	**(For Approval/Denial)**

"In the Spirit of Town Government"



AGENDA MEMORANDUM

To: Plan Commission Chairperson and Members
From: Michael J.D. Brown, Town Administrator
Date: April 9, 2024
RE: **Rezoning and Special Exception for Schmalz Landscaping**



SUMMARY: At the February 13, 2024 Joint Plan Commission and Town Board meeting, Schmalz Landscaping presented a concept plan for redevelopment of the Sprangers Apple Orchard located at W2100 CTH KK on Parcels 030060100, 030060101 and 030063000 which is zoned General Agriculture and are currently an orchard and agricultural land and Parcel 030060200 which is zoned Industrial and is currently an orchard. Their existing site located at the northeast corner of CTH KK and Hoplensperger, would remain and gradually operations would shift to the new location with more customer focused operations at the new location with more internal business operations staying at the existing site.

In order for the proposed uses to meet zoning requirements the property would require rezoning to CL Local Commercial and Special Exception approval would be required for some uses. The following uses have been proposed and identified as either permitted or Special Exception based on a CL Local Commercial zoning classification.

- Permitted Uses: Nursery, Retail, Landscape construction office
- Special Exception Uses: Wholesale and Warehousing (storage buildings), contractor's storage yard and agricultural uses (existing orchard).

REZONING: The request is to rezone parcels 030060100, 030060101 and 030063000 from General Agriculture to Local Commercial and Parcel 030060200 from Industrial to Local Commercial. The Comprehensive Plan and Future Land Use Map identify this area as Short-term Mixed-Use Residential District and Commercial and Retail Service Hub; the proposed uses appear to be considered consistent with these future land use districts. By Statute, the Town must find a rezoning request to be consistent with the Comprehensive Plan in order to approve the rezoning; however, it is not obligated to approve the rezoning as it is a discretionary decision.

SPECIAL EXCEPTION: Per Section 525-86 of the Zoning Ordinance Special Exceptions shall be granted if the Plan Commission and Town Board find the proposed use meets the following conditions:

1. The proposed use or structure shall be compatible in scale and intensity with surrounding property including but not limited to traffic-generated noise, lighting, hours of operation and other externalities.
2. The design and layout of the proposed use are compatible with existing and future permitted uses and structures of surrounding properties. Generally, a buffered perimeter shall be provided.
3. Ingress and egress access shall be located and designed to minimize traffic hazards and congestion.
4. Adequate public facilities and services are available or will be provided for the proposed use.

The Plan Commission may recommend and the Town Board may impose appropriate additional conditions and requirements as deemed necessary to ensure the proposed use or structure will serve the objectives of this chapter and promote the public health, safety, comfort, convenience and general welfare. The requirements and conditions must be reasonable and, to the extent practicable, measurable. The requirements and conditions must be based on substantial evidence consisting of facts and information.

At the February 13th meeting the Plan Commission and Town Board expressed concerns about noise, aesthetics, dust, and drainage. The applicant has proposed ways to mitigate these concerns in their applications. Staff has developed recommended conditions to mitigate these concerns as identified in the proposed resolution that would approve the special exception.

RECOMMENDED ACTION: If the Plan Commission finds the rezoning request is consistent with the Comprehensive Plan and the conditions to grant a Special Exception have been met, staff recommends approval and the following motions may be made:

Motion to recommend approval of Ordinance 2024-02 to the Town Board.

Motion to recommend approval of Resolution 2024-04 to the Town Board.

ORDINANCE NO.: Z-2—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Agriculture, Extension Education, Zoning and Land Conservation Committee is requesting to amend the County Code of Ordinances as pertains to Chapter 54, Zoning; Section 54-4 Definitions, Division 3- AGD General Agriculture District, Section 54-128 Permitted principal uses and structures, Division 7 – CL Local Commercial District, Section 54-233 Permitted principal uses and structures, Division 10- IND Industrial District, Section 54-306 Permitted principal uses and structures, as listed below.

NOW THEREFORE, the undersigned members of the Agriculture, Extension Education, Zoning and Land Conservation Committee recommend adoption of the following ordinance.

BE IT ORDAINED, that the Outagamie County Board of Supervisors does amend Chapter 54, Section 54-4- Definitions; Section 54-128- Permitted principal uses and structures; Section 54-233 – Permitted principal uses and structures; Section 54-306- Permitted principal uses and structures, of the Outagamie County Code of Ordinances to read as follows (additions are in **bold and underlined**):

Chapter 54 – Zoning

…

Sec. 54-4. Definitions.

Governmental Facility **means municipal or county-owned building, structure, or land used for public purposes, including town halls, maintenance facilities, public safety facilities, and uses of a similar nature.**

DIVISION 3. - AGD GENERAL AGRICULTURE DISTRICT

…

Sec. 54-128. Permitted principal uses and structures.

(5) Governmental Facility, provided equipment and material storage yards are effectively screened from view from any residential lot or public street.

…

DIVISION 7. – CL LOCAL COMMERCIAL DISTRICT

…

Sec. 54-233. Permitted principal uses and structures.

(15) Governmental Facility, provided equipment and material storage yards are effectively screened from view from any residential lot or public street.

…

DIVISION 10. – IND INDUSTRIAL DISTRICT

…

Sec. 54-306. Permitted principal uses and structures.

(12) Governmental Facility, provided equipment and material storage yards are effectively screened from view from any residential lot or public street.

BE IT FURTHER ORDAINED, that this ordinance shall be in effect upon completion of publication in accordance with Wisconsin State Statutes, and

BE IT FINALLY ORDAINED, that the Outagamie County Clerk be directed to forward a copy of this ordinance to the Outagamie County Corporation Counsel, Outagamie County Development and Land Services Director, and Municipal Code Corporation for inclusion in the Outagamie County Code of Ordinances.

MEMORANDUM

TO: Outagamie County Zoning Committee
FROM: Isaac Uitenbroek, Zoning Administrator
DATE: May 2, 2024
RE: PL202400176 – Proposed Minor Code Amendment to Chapter 54, Pertaining to Governmental Facilities

Background and Analysis

The County Comprehensive Plan was adopted in February 2020, following community outreach/feedback and review spanning several years. Within that plan, clear policy direction was provided to modernize our land use codes. In particular, the following goals and recommendations are found in the plan:

- Goal 2: Modernized land use and regulatory tools.
  - *Rec. 2.1.* Evaluate the zoning, subdivision, and other land use codes for compliance with statutory changes, urban, suburban, and rural land use patterns, and community and county goals....Identify areas where greater clarity could be added. Recommend changes where appropriate.
- Goal 3: Cooperative, intergovernmental land-use decisions.
  - *Rec. 3.2.* Continue to improve coordination and communication with towns for land use planning and zoning actions, creating a partnership between county staff and town officials.

Based on this policy direction, the day-to-day administration of our zoning code, and recent feedback from one of our towns, County zoning staff is recommending a minor amendment to Outagamie County's Zoning Ordinance (Chapter 54) related to the treatment of governmental facility uses.

Prior to adoption of the existing ordinance in July 1989, governmental facility uses (e.g., town halls, emergency services, highway garages/yards, and similar public buildings) were permitted in a majority of zoning districts, including agricultural and industrial districts. As a result of adoption of the County's 1989 Zoning Ordinance, governmental facility uses were removed as permitted uses within the County's General Agricultural District (AGD), Industrial District (IND), and Local Commercial District (CL).

The rationale behind that change is unknown; however, in present discourse, County staff perceives this change to have created unintended consequences. For instance, existing governmental facility uses located within these districts became nonconforming – severely limiting the ability for these uses to expand to accommodate growing community needs. In addition, the change overlooked the fact that some governmental uses would fit appropriately in agricultural or industrial districts; for example, a

public works facility shop would generally be deemed compatible with other industrial-type activities in industrial zoned areas.

The minor text amendment, proposed in Exhibit 1, would reintroduce governmental facility uses as permitted uses within the General Agricultural District (AGD), Industrial District (IND), and Local Commercial District (CL). This will create opportunities for the expansion of existing public facilities and allow for the construction of new government facilities within these districts when needed to ensure government entities within Outagamie County can effectively address the rising demand for public services and enhance service delivery standards.

Staff Recommendation

Based on our analysis, DLS staff requests that the County Zoning Committee: **approve the minor code amendment to Ch. 54, Outagamie Code of Ordinances, as proposed in Exhibit 1.**

Exhibits

- Exhibit 1: Proposed Amendments to Chapter 54

Exhibit 1: Proposed Amendments to Chapter 54

Proposed Amendments, related to Definitions

Amend how governmental uses are defined to improve fairness in reviewing applications for zoning compliance, as staff must consider the extent to which a definition meets an applicant's intended use.

1. In Sec. 54-4, **ADD** the following definition:

   Governmental Facility means municipal or county-owned building, structure, or land used for public purposes, including town halls, maintenance facilities, public safety facilities, and uses of a similar nature.

Proposed Amendments, related to Placement

Amend where Governmental Facility uses may be permitted outright (P). Table 1 summarizes existing placement restrictions and proposed changes.

Table 1. Summary of Existing and Proposed Placement Requirements for Governmental Facility Uses

	General Agriculture (AGD)	Industrial (IND)	Local Commercial (CL)
Governmental Uses			
Existing	Special Exception w/ Criteria	Not permitted	Not Permitted
Proposed	P	P	P

2. In Sec. 54-128 (Permitted Principal Uses in AGD), **ADD** the following category:

   (5) Governmental Facility, provided equipment and material storage yards are effectively screened from view from any residential lot or public street.

3. In Sec. 54-233 (Permitted Principal Uses in CL), **ADD** the following category:

   (15) Governmental Facility, provided equipment and material storage yards are effectively screened from view from any residential lot or public street.

4. In Sec. 54-306 (Permitted Principal Uses in IND), **ADD** the following category:

   (12) Governmental Facility, provided equipment and material storage yards are effectively screened from view from any residential lot or public street.

Outagamie County **4-16-24 County Board Meeting - May 28 2024 07:36:25 PM**

April 16, 2024 County Board Meeting

OpenMeeting

ORDINANCE NO.: Z-3—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Agriculture, Extension Education, Zoning and Land Conservation Committee is requesting to amend the County Code of Ordinances as pertains to Chapter 54, Zoning; Division 1 – Generally, Section 54-70 Interpretation and organization, as listed below.

NOW THEREFORE, the undersigned members of the Agriculture, Extension Education, Zoning and Land Conservation Committee recommend adoption of the following ordinance.

BE IT ORDAINED, that the Outagamie County Board of Supervisors does amend Chapter 54, Section 54-70 –Interpretation and organization of the Outagamie County Code of Ordinances to add one additional criterion, to read as follows (additions are in **bold and underlined**):

Chapter 54 – Zoning

...

DIVISION 1. - GENERALLY

...

Sec. 54-70. Interpretation and organization.

(g) There shall not be more than one (1) zoning district on any parcel of land with the exception of the application of an overlay district which has been applied over a base-zoning district and which has been approved by the County.

BE IT FURTHER ORDAINED, that this ordinance shall be in effect upon completion of publication in accordance with Wisconsin State Statutes, and

BE IT FINALLY ORDAINED, that the Outagamie County Clerk be directed to forward a copy of this ordinance to the Outagamie County Corporation Counsel, Outagamie County Development and Land Services Director, and Municipal Code Corporation for inclusion in the Outagamie County Code of Ordinances.

Dated this 28th day of May, 2024

Respectfully Submitted,

AGRICULTURE, EXTENSION EDUCATION, ZONING & LAND CONSERVATION COMMITTEE

Debra Vander Heiden

Mike Janke

MEMORANDUM

TO: Outagamie County Zoning Committee
FROM: Isaac Uitenbroek, Zoning Administrator
DATE: May 2, 2024
RE: PL202400192 – Proposed Minor Code Amendment to Chapter 54, Pertaining to Split-Zoned Land Parcels.

Background and Analysis

The County Comprehensive Plan was adopted in February 2020, following community outreach/feedback and review spanning several years. Within that plan, clear policy direction was provided to modernize our land use codes. In particular, the following goals and recommendations are found in the plan:

- Goal 2: Modernized land use and regulatory tools.
  - *Rec. 2.1.* Evaluate the zoning, subdivision, and other land use codes for compliance with statutory changes, urban, suburban, and rural land use patterns, and community and county goals....Identify areas where greater clarity could be added. Recommend changes where appropriate.

Drawing from the above policy framework and the practical application of our zoning regulations in daily operations, County zoning staff proposes a minor amendment to Outagamie County's Zoning Ordinance (Chapter 54). This amendment pertains specifically to parcels of land that are divided among multiple zoning districts, commonly known as split-zoned parcels.

Having more than one zoning district on a single parcel of land can create confusion, inconsistency, and hinder efficient land use. It complicates development processes, as property owners and staff must navigate multiple sets of regulations and requirements. Split-zoned parcels can also result in disjointed land development, as different zoning district regulations vary in terms of building heights, setbacks, and permitted land uses. Additionally, enforcing and administering multiple zoning districts on one parcel can lead to inconsistencies in the application of regulations and can further complicate enforcement. Ultimately, it undermines the clarity and predictability that zoning regulations are intended to provide.

The proposed minor text amendment outlined in Exhibit 1 will enhance the existing ordinance by incorporating language that explicitly prohibits the establishment of split-zoned parcels. This addition will offer increased transparency to both the public and the zoning staff responsible for implementing the ordinance.

Staff Recommendation

Based on our analysis, DLS staff requests that the County Zoning Committee: **approve the minor code amendment to Ch. 54, Outagamie Code of Ordinances, as proposed in Exhibit 1.**

Exhibits

- Exhibit 1: Proposed Amendments to Chapter 54

Exhibit 1: Proposed Amendments to Chapter 54

Proposed Amendments, related to Split-Zoned Parcels

Amend Section 54-70, interpretation and organization of district regulations, to include the following language:

1. In Sec. 54-70, **ADD** the following:

   (g) There shall not be more than one (1) zoning district on any parcel of land with the exception of the application of an overlay district which has been applied over a base-zoning district and which has been approved by the County.

4-16-24 County Board Meeting - May 28 2024 07:37:06 PM

April 16, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 10—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

In June of 2022, Friends of CERT, Inc. (FOCERT) a 501c3 charitable organization, began a Capital Campaign to raise funds to purchase a new support trailer for Outagamie County CERT. The trailer will be purchased jointly by FOCERT and Outagamie County Emergency Management for use by Outagamie County CERT. To date, of the $135,000 needed to purchase the trailer, $60,000 has been raised. The County Executive and Finance Committee approved using $70,000 in ARPA funds to be obligated to help fund the remaining balance needed to purchase the new CERT support trailer.

NOW THEREFORE, the undersigned members of the Finance Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve of using $70,000 of ARPA funds to be obligated to help fund the remaining balance needed to purchase a new CERT support trailer for use by Outagamie County CERT, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does approve of increasing the ARPA Revenue line item and ARPA Capital line item by $70,000 each, as detailed on the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director and the Outagamie County Emergency Management Director.

Dated this 28th day of May 2024

Respectfully Submitted,

FINANCE COMMITTEE

Chris Croatt

John Cuff

Karen Lawrence

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1675), Controller (1674) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** Request approval to appropriate ARPA funds to purchase a CERT trailer in conjunction with the Friends of CERT.

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

In June of 2022, Friends of CERT, Inc (FOCERT) 501c3 charitable organization, began a Capital Campaign to raise funds to purchase a new support trailer for Outagamie County CERT. The trailer will be purchased jointly by FOCERT and Outagamie County Emergency for Outagamie County CERT's use. To date, $60,000 has been raised of the $135,000 needed to purchase the trailer. County executive, Thomas Nelson, approved ARPA funds to be obligated to help fund the remaining balance needed to purchase the new CERT support trailer. $70,000 was the amount requested to help FOCERT meet their goal and close the Capital Campaign

Outagamie County 4-16-24 County Board Meeting - May 28 2024 07:38:03 PM
April 16, 2024 County Board Meeting
OpenMeeting

RESOLUTION NO.: 11—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Highway Department previously entered into a State/Municipal Agreement for the CTH N from CTH KK to CTH CE project in order for engineering to begin in 2021.

The Highway Department is now requesting approval to enter into a revised State/Municipal Agreement for the County Highway N project from CTH KK to CTH CE. The State has increased the amount of funding for the project. The Highway Department is requesting to enter into an agreement to fund 20% of the project plus the balance as part of the reconstruction, said funds to be included in a future budget (2026).

NOW THEREFORE, the undersigned members of the Highway, Recycling and Solid Waste Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize the Outagamie County Highway Commissioner to enter into a revised State/Municipal Financial Agreement for the CTH N from CTH KK to CTH CE project, as noted on the attached 1st Revision State/Municipal Agreement for a State-Let Urbanized Area STP-Urban Project document which by reference is made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize funding for the county share of the project costs to be included in a future budget (2026) as noted on the attached fiscal note which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Highway Commissioner and the Outagamie County Finance Director.

Dated this 28th day of May 2024

Respectfully Submitted,

HIGHWAY, RECYCLING AND SOLID WASTE COMMITTEE

Joy Hagen

1st Revision
STATE/MUNICIPAL AGREEMENT FOR A STATE- LET URBANIZED AREA STP-URBAN PROJECT

This agreement supersedes the agreement signed by the Municipality on July 17, 2020 and signed by the DOT on July 27, 2020.

Program Name: URBANIZED AREA STP-URBAN

Population Group: over 200,000

Sub-program #: 206

Cycle: 2020-2025

Revised Date: March 11, 2024
Date: MAY 13, 2020
I.D.: 4676-04-00/71
Road Name: CTH N
Limits: CTH KK – CTH CE
County: OUTAGAMIE
Roadway Length: 0.7 MILES
Functional Classification: MINOR ARTERIAL
Project Sponsor: OUTAGAMIE COUNTY

The signatory, Outagamie County, hereinafter called the Municipality, through its undersigned duly authorized officers or officials, hereby requests the State of Wisconsin Department of Transportation, hereinafter called the State, to initiate and effect the highway or street improvement hereinafter described.

The authority for the Municipality to enter into this agreement with the State is provided by Sections 86.25(1), (2), and (3) and Section 66.0301 of the Statutes.

NEEDS AND ESTIMATE SUMMARY:

All components of the project must be defined in the environmental document if any portion of the project is federally funded. The Municipality agrees to complete all participating and any non-participating work included in this improvement consistent with the environmental document. No work on final engineering and design may occur prior to approval of the environmental document.

Existing Facility - Describe and give reason for request: **The existing roadway is a 2-lane asphalt roadway with an overall total pavement width of 32'. The roadway has a rural cross section with 8-foot shoulders consisting of asphalt and gravel. The last improvement was in 1994. The pavement has significant to severe cracking and surface deterioration and has a pavement rating of 4. The existing single lane roundabout at Emons Road and Buchanan Road was constructed in 2007 with a known 10-year useful life. It is under-sized and in need of expansion.**

Proposed Improvement - Nature of work: **The proposed project is to reconstruct CTH N with a 3-lane urban cross section which includes a two-way left turn lane (TWLTL), paved shoulders for bike accommodations, curb and gutter, storm sewer replacement. A 10-foot multi-modal path will be constructed on the east side of the roadway. The Emons Road / Buchanan Road roundabout will be reconstructed with added capacity to include an additional through lane on CTH N and a westbound right turn lane from Buchanan Road. Spot improvements for street lighting will be included. Pavement markings and new permanent signing. Real estate acquisition will be in the form of fee and temporary limited easements.**

Describe non-participating work included in the project and other work necessary to completely finish the project that will be undertaken independently by the Municipality. Please note that non-participating components of a project/contract are considered part of the overall project and will be subject to applicable federal requirements: **None identified at this time.**

The Municipality agrees to the following 2020-2025 Urbanized Area project funding conditions:

Project design and construction costs are funded with up to 80% federal funding up to a funding limit of $4,991,360. The Municipality agrees to provide the remaining 20% and any funds in excess of the $4,991,360 federal/state funding limit. **Real estate is 100% locally funded by the Municipality.** Non-participating costs are 100% the responsibility of the Municipality. Any work performed by the Municipality prior to federal authorization is not eligible for federal funding. The Municipality will be notified by the State that the project is authorized and available for charging.

This project is currently scheduled in State Fiscal Year 2026. **In accordance with the State's sunset policy for Urbanized Area STP-Urban projects, the subject 2020-2025 Urbanized Area STP-Urban improvement must be constructed and in final acceptance within six years from the start of State Fiscal Year 2021, or by June 30, 2027.** Extensions may be available upon approval of a written request by or on behalf of the Municipality to State. The written request shall explain the reasons for project implementation delay and revised timeline for project completion.

The dollar amounts shown in the Summary of Costs Table below are estimates. The final Municipal share is dependent on the final federal participation, and actual costs will be used in the final division of cost for billing and reimbursement. In no event shall federal or State funding exceed the estimate of $4,991,360 in the Summary of Costs Table, unless such increase is approved in writing by the State through the State's Change Management Policy prior to the Municipality incurring the increased costs.

	SUMMARY OF COSTS				
PHASE	Total Est. Cost	Federal Funds	%	Municipal Funds	%
ID 4676-04-00					
Design	$460,000	$331,240	80% *	$128,760	20% + BAL
State Review	$22,200	$15,800	80% *	$6,400	20% + BAL
ID 4676-04-71					
Participating Construction	$5,260,000	$4,208,000	80% *	$1,052,000	20% + BAL
Non-Participating Construction	$0	$0	0% *	$0	100%
State Review	$545,400	$436,320	80% *	$109,080	20% + BAL
Total Est. Cost Distribution	$6,287,600	$4,991,360	N/A	$1,296,240	N/A

*Design ID# 4676-04-00 federal funding is limited to **$347,040.**
*Construction ID# 4676-04-71 federal funding is limited to **$4,644,320.**

This request is subject to the terms and conditions that follow (pages 3 - 7) and is made by the undersigned under proper authority to make such request for the designated Municipality and upon signature by the State and delivery to the Municipality shall constitute agreement between the Municipality and the State. No term or provision of neither the State/Municipal Agreement nor any of its attachments may be changed, waived or terminated orally but only by an instrument in writing executed by both parties to the State/Municipal Agreement.

Signatures certify the content has not been altered by the municipality.

GENERAL TERMS AND CONDITIONS:

1. All projects must be in an approved Transportation Improvement Program (TIP) or State Transportation Improvement Program (STIP) prior to requesting authorization.

2. Work prior to federal authorization is ineligible for federal funding.

3. The Municipality, throughout the entire project, commits to comply with and promote all applicable federal and state laws and regulations that include, but are not limited to, the following:

   a. Environmental requirements, including but not limited to those set forth in the 23 U.S.C. 139 and National Environmental Policy Act (42 U.S.C. 4321 et seq.)

   b. Equal protection guaranteed under the U.S. Constitution, WI Constitution, Title VI of the Civil Rights Act and Wis. Stat. 16.765. The municipality agrees to comply with and promote applicable Federal and State laws, Executive Orders, regulations, and implementing requirements intended to provide for the fair and equitable treatment of individuals and the fair and equitable delivery of services to the public. In addition the Municipality agrees not to engage in any illegal discrimination in violation of applicable Federal or State laws and regulations. This includes but is not limited to Title VI of the Civil Rights Act of 1964 which provides that "no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance." The Municipality agrees that public funds, which are collected in a nondiscriminatory manner, should not be used in ways that subsidize, promote, or perpetuate illegal discrimination based on prohibited factors such as race, color, national origin, sex, age, physical or mental disability, sexual orientation, or retaliation.

   c. Prevailing wage requirements, including but not limited to 23 U.S.C 113.

   d. Buy America Provision and its equivalent state statutes, set forth in 23 U.S.C. 313 and Wis. Stat. 16.754.

   e. Competitive bidding and confidentiality requirements set forth in 23 U.S.C 112 and Wis. Stat. 84.06. This includes the sharing of financial data prior to the conclusion of the competitive bid period.

   f. All applicable Disadvantaged Business Enterprise (DBE) requirements that the State specifies.

   g. Federal statutes that govern the Surface Transportation Program (STP), including but not limited to 23 U.S.C. 133.

   h. General requirements for administering federal and state aid set forth in Wis. Stat. 84.03.

STATE RESPONSIBILITIES AND REQUIREMENTS:

4. Funding of each project phase is subject to inclusion in Wisconsin's approved 2020-2025 Urbanized Area STP-Urban program. Federal funding will be limited to participation in the costs of the following items, as applicable to the project:

   a. The grading, base, pavement, and curb and gutter, sidewalk, and replacement of disturbed driveways in kind.

   b. The substructure, superstructure, grading, base, pavement, and other related bridge and approach items.

   c. Storm sewer mains necessary for the surface water drainage.

   d. Catch basins and inlets for surface water drainage of the improvement, with connections to the storm sewer main.

   e. Construction engineering incident to inspection and supervision of actual construction work (except for inspection, staking, and testing of sanitary sewer and water main).

f. Signing and pavement marking.

g. New installations or alteration of street lighting and traffic signals or devices.

h. Landscaping.

i. Preliminary engineering and design.

j. State review services.

5. The work will be administered by the State and may include items not eligible for federal participation.

6. As the work progresses, the State will bill the Municipality for work completed which is not chargeable to federal funds. Upon completion of the project, a final audit will be made to determine the final division of costs subject to project funding limits in the Summary of Costs Table. If reviews or audits show any of the work to be ineligible for federal funding, the Municipality will be responsible for any withdrawn costs associated with the ineligible work.

MUNICIPAL RESPONSIBILITIES AND REQUIREMENTS:

7. Work necessary to complete the 2020-2025 Urbanized Area STP-Urban improvement project to be financed entirely by the Municipality or other utility or facility owner includes the items listed below.

   a. New installations of or alteration of sanitary sewers and connections, water, gas, electric, telephone, telegraph, fire or police alarm facilities, parking meters, and similar utilities.

   b. Damages to abutting property after project completion due to change in street or sidewalk widths, grades or drainage.

   c. Detour routes and haul roads. The municipality is responsible for determining the detour route.

   d. Conditioning, if required and maintenance of detour routes.

   e. Repair of damages to roads or streets caused by reason of their use in hauling materials incident to the improvement.

   f. All work related to underground storage tanks and contaminated soils.

   g. Street and bridge width in excess of standards, in accordance with the current *WisDOT Facilities Development Manual*.

   h. Real estate for the improvement.

   i. Other 100% Municipality funded items: None identified at this time.

8. The construction of the subject improvement will be in accordance with the appropriate standards unless an exception to standards is granted by State prior to construction. The entire cost of the construction project, not constructed to standards, will be the responsibility of the Municipality unless such exception is granted.

9. Work to be performed by the Municipality without federal funding participation necessary to ensure a complete improvement acceptable to the Federal Highway Administration and/or the State may be done in a manner at the election of the Municipality but must be coordinated with all other work undertaken during construction.

10. The Municipality is responsible for financing administrative expenses related to Municipal project responsibilities.

11. The Municipality will include in all contracts executed by them a provision obligating the contractor not to discriminate against any employee or applicant for employment because of age, race, religion, color,

handicap, sex, physical condition, developmental disability as defined in Wis. Stat.51.01 (5), sexual orientation as defined in Wis. Stat. 111.32 (13m), or national origin.

12. The Municipality will pay to the State all costs incurred by the State in connection with the improvement that exceed federal financing commitments or are ineligible for federal financing. To guarantee the Municipality's foregoing agreements to pay the State, the Municipality, through its above duly authorized officers or officials, agrees and authorizes the State to set off and withhold the required reimbursement amount as determined by the State from any moneys otherwise due and payable by the State to the Municipality.

13. **In accordance with the State's sunset policy for Urbanized Area STP-Urban projects, the subject 2020-2025 Urbanized Area STP-Urban improvement must be constructed and in final acceptance within six years from the start of State Fiscal Year 2021, or by June 30, 2027.** Extensions may be available upon approval of a written request by or on behalf of the Municipality to State. The written request shall explain the reasons for project implementation delay and revised timeline for project completion.

14. If the Municipality should withdraw the project, it will reimburse the State for any costs incurred by the State on behalf of the project.

15. The Municipality will at its own cost and expense:

    a. Maintain all portions of the project that lie within its jurisdiction (to include, but not limited to, cleaning storm sewers, removing debris from sumps or inlets, and regular maintenance of the catch basins, curb and gutter, sidewalks and parking lanes [including snow and ice removal]) for such maintenance in a manner consistent with reasonable industry standards, and will make ample provision for such maintenance each year.

    b. Regulate [or prohibit] parking at all times in the vicinity of the proposed improvements during construction.

    c. Regulate [or prohibit] all parking at locations where and when the pavement area usually occupied by parked vehicles will be needed to carry active traffic in the street.

    d. Assume general responsibility for all public information and public relations for the project and to make fitting announcement to the press and such outlets as would generally alert the affected property owners and the community of the nature, extent, and timing of the project and arrangements for handling traffic within and around the project.

    e. Provide complete plans, specifications, and estimates to State upon request.

    f. Provide relocation orders and real estate plats to State upon request.

    g. Use the *WisDOT Utility Accommodation Policy* unless it adopts a policy, which has equal or more restrictive controls.

    h. Provide maintenance and energy for lighting.

    i. Provide proper care and maintenance of all landscaping elements of the project including replacement of any plant materials damaged by disease, drought, vandalism or other cause.

16. It is further agreed by the Municipality that:

    a. The Municipality assumes full responsibility for the design, installation, testing and operation of any sanitary sewer and water main infrastructure within the improvement project and relieves the state and all of its employees from liability for all suits, actions, or claims resulting from the sanitary sewer and water main construction under this agreement.

    b. The Municipality assumes full responsibility for the plans and special provisions provided by their designer or anyone hired, contracted or otherwise engaged by the Municipality. The Municipality is responsible for any expense or cost resulting from any error or omission in such plans or special

provisions. The Municipality will reimburse State if State incurs any cost or expense in order to correct or otherwise remedy such error or omission or consequences of such error or omission.

c. The Municipality will be 100% responsible for all costs associated with utility issues involving the contractor, including costs related to utility delays.

d. All signs and traffic control devices and other protective structures erected on or in connection with the project including such of these as are installed at the sole cost and expense of the Municipality or by others, will be in conformity with such *Manual of Uniform Traffic Control Devices* as may be adopted by the American Association of State Highway and Transportation Officials, approved by the State, and concurred with by the Federal Highway Administration.

e. The right-of-way available or provided for the project will be held and maintained inviolate for public highway or street purposes. Those signs prohibited under federal aid highway regulations, posters, billboards, roadside stands, or other private installations prohibited by Federal or State highway regulations will not be permitted within the right-of-way limits of the project. The Municipality, within its jurisdictional limits, will remove or cause to be removed from the right-of-way of the project all private installations of whatever nature which may be or cause an obstruction or interfere with the free flow of traffic, or which may be or cause a hazard to traffic, or which impair the usefulness of the project and all other encroachments which may be required to be removed by the State at its own election or at the request of the Federal Highway Administration, and that no such installations will be permitted to be erected or maintained in the future.

f. The Municipality is responsible for any damage caused by legally hauled loads, including permitted oversize and overweight loads. The contractor is responsible for any damage caused to haul roads if they do not obey size and weight laws, use properly equipped and maintained vehicles, and do not prevent spilling of materials onto the haul road (*WisDOT Standard Specifications* 618.1, 108.7, 107.8). The local maintaining authority can impose special or seasonal weight limitations as defined in Wis. Stat. 349.16, but this should not be used for the sole purpose of preventing hauling on the road.

The bid item 618.0100 Maintenance and Repair of Haul Roads (project) is ineligible for federal funding on local program projects as per the State/Municipal Agreement. The repair of damages as a result of hauling materials for the project is the responsibility of the Municipality as specified in the State/Municipal Agreement Terms and Conditions under Municipal Responsibilities and Requirements.

LEGAL RELATIONSHIPS:

17. The State shall not be liable to the Municipality for damages or delays resulting from work by third parties. The State also shall be exempt from liability to the Municipality for damages or delays resulting from injunctions or other restraining orders obtained by third parties.

18. The State will not be liable to any third party for injuries or damages resulting from work under or for the Project. The Municipality and the Municipality's surety shall indemnify and save harmless the State, its officers and employees, from all suits, actions or claims of any character brought because of any injuries or damages received or sustained by any person, persons or property on account of the operations of the Municipality and its sureties; or on account of or in consequence of any neglect in safeguarding the work; or because of any act or omission, neglect or misconduct of the Municipality or its sureties; or because of any claims or amounts recovered for any infringement by the Municipality and its sureties of patent, trademark or copyright; or from any claims or amounts arising or recovered under the Worker's Compensation Act, relating to the employees of the Municipality and its sureties; or any other law, ordinance, order or decree relating to the Municipality's operations.

19. Contract modification: This State/Municipal Agreement can only modified by written instruments duly executed by both parties. No term or provision of either this State/Municipal Agreement or any of its attachments may be changed, waived or terminated orally.

20. Binding effects: All terms of this State/Municipal Agreement shall be binding upon and inure to the benefits of the legal representatives, successors and executors. No rights under this State/Municipal Agreement

may be transferred to a third party. This State/Municipal Agreement creates no third-party enforcement rights.

21. Choice of law and forum: This State/Municipal Agreement shall be interpreted and enforced in accordance with the laws of the State of Wisconsin. The Parties hereby expressly agree that the terms contained herein and in any deed executed pursuant to this State/Municipal Agreement are enforceable by an action in the Circuit Court of Dane County, Wisconsin.

PROJECT FUNDING CONDITIONS

22. Non-appropriation of funds: With respect to any payment required to be made by the State under this State/Municipal Agreement, the parties acknowledge the State's authority to make such payment is contingent upon appropriation of funds and required legislative approval sufficient for such purpose by the Legislature. If such funds are not so appropriated, either the Municipality or the State may terminate this State/Municipal Agreement after providing written notice not less than thirty (30) days before termination.

23. Maintenance of Records: During the term of performance of this State/Municipal Agreement, and for a period not less than three years from the date of final payment to the Municipality, records and accounts pertaining to the performance of this State/Municipal Agreement are to be kept available for inspection and audit by representatives of the Department. The Department reserves the right to audit and inspect such records and accounts at any time. The Municipality shall provide appropriate accommodations for such audit and inspection.

    In the event that any litigation, claim or audit is initiated prior to the expiration of said records maintenance period, the records shall be retained until such litigation, claim or audit involving the records is complete.

24. The Municipality agrees to the following 2020-2025 Urbanized Area STP-Urban project funding conditions:

    a. ID 4676-04-00: Design is funded with 80% federal funding, when the Municipality agrees to provide the remaining 20%. This phase includes plan development and state review. The work includes project review, approval of required reports and documents and processing the final Plan, Specification & Estimate (PS&E) document for award of the contract. Costs for this phase include an estimated amount for state review activities, to be funded 80% with federal funding and 20% by the Municipality.

    b. Real estate is funded 100% by the Municipality. Real estate acquisition is 100% the responsibility of the Municipality.

    c. ID 4676-04-71: Construction:

        i. Costs for roadway reconstruction are funded with 80% federal funding when the municipality agrees to provide the remaining 20%.

        ii. Non-participating costs are funded 100% by the Municipality. Costs include construction delivery.

        iii. Costs for this phase include an estimated amount for state review activities, to be funded 80% with federal funding and 20% by the Municipality.

[End of Document]

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1674), Controller (1675) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** The Highway Department is requesting approval to enter into a State Municipal Financial Agreement for the County Highway N from CTH KK to CTH CE.

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

The Highway Department is requesting approval to enter into a State Municipal Financial Agreement for the County Highway N project from CTH KK to CTH CE. The State has increased the amount of funding for the project. The Highway Department has asked to enter into an agreement to fund 20% plus the balance as part of the reconstruction.

Current Year Budget Impact (Check one or more of the following boxes)

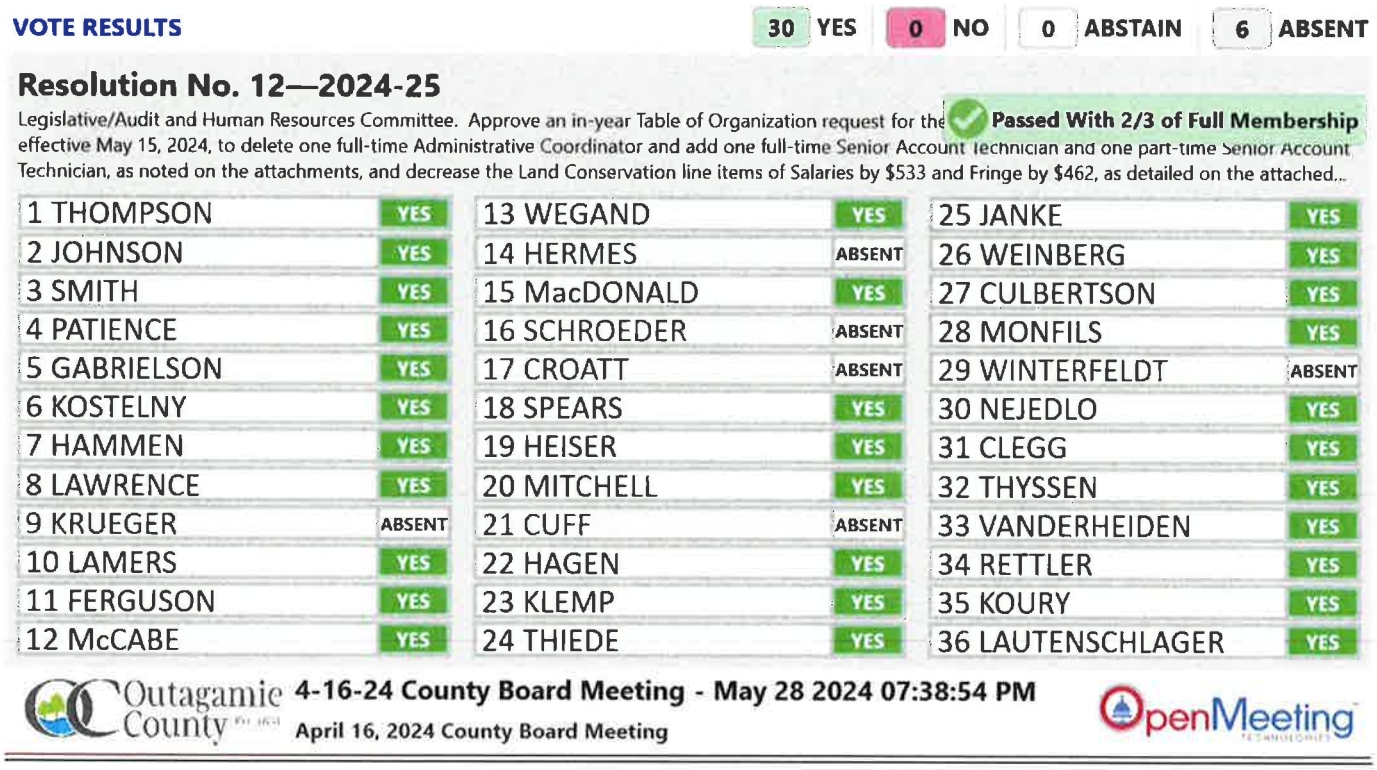
Outagamie County — 4-16-24 County Board Meeting - May 28 2024 07:46:28 PM



April 16, 2024 County Board Meeting

OpenMeeting

Resolution No. 12—2024-25 – Legislative/Audit and Human Resources Committee. Approve an in-year Table of Organization request for the Land Conservation Department positions, effective May 15, 2024, to delete one full-time Administrative Coordinator and add one full-time Senior Account Technician and one part-time Senior Account Technician, as noted on the attachments, and decrease the Land Conservation line items of Salaries by $533 and Fringe by $462, as detailed on the attached fiscal note.

Supervisor Spears moved, seconded by Supervisor Weinberg, for adoption.

ROLL CALL: 30 yes, 6 absent. RESOLUTION NO. 12—2024-25 IS ADOPTED.

RESOLUTION NO.: 12—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Land Conservation Department is requesting to approve the following amendments to their Table of Organization:

- Delete one (1) full-time Administrative Coordinator position
- Add one (1) full-time Senior Account Technician position
- Add one (1) part-time Senior Account Technician position

The Land Conservation Department has elected to create a new Senior Account Technician position rather than fill the Administrative Coordinator position. The new position will not have the supervisory responsibility of the Administrative Coordinator, which has shifted to other department management staff. The change in positions will be a net reduction of $995 to the budget.

The creation of a part-time Senior Account Technician is due to the amount of grant reporting and requirements, which is significant administrative work that exceeds current capacity. The addition of the position will cost $46,530 in 2024. The position funding will be with existing grants with no budget impact.

NOW THEREFORE, the undersigned members of the Legislative/Audit and Human Resources Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does approve an in-year Table of Organization request for the Land Conservation Department effective May 15, 2024 to delete one (1) full-time Administrative Coordinator position and add one (1) full-time Senior Account Technician position and one (1) part-time Senior Account Technician position as noted on the attached Position Deletion Form – In Year Change, Position Addition Forms – In Year Change (2), Job Description, and Table of Organization, which by reference are made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does approve of decreasing the Land Conservation Salaries line item by $533 and decreasing the Land Conservation Fringe line item by $462, as noted on the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director, the Outagamie County Human Resources Director, and the Outagamie County Land Conservation Director.

Dated this 28th day of May 2024

Respectfully Submitted,

LEGISLATIVE/AUDIT & HUMAN RESOURCES COMMITTEE

Cathy Spears

Sara MacDonald

Ryan Ferguson

John Kostelny

Job Title: Senior Account Technician

Department: Outagamie County Land Conservation Department

Position Purpose

Reporting to the Programs Supervisor/GIS Analyst, the Senior Account Technician performs general administrative duties and assumes a lead role in the administration of one or more programs within the department.

Key Responsibilities

The following duties are normal for this position. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Assists the County Conservationist with preparation and tracking of the departmental budget, performs reconciliation of monthly budget reports, tracks revenue to expenditures, labor, supplies, etc.
- Prepares, maintains, and updates program and department records, reports, confidential records and files.
- Documents and compiles program statistical information.
- Corresponds with various county, state, and federal offices, the general public, and professionals to obtain and provide necessary information.
- Coordinates departmental payroll processes, including approval of timesheets and time off requests in absence of the Director.
- Assists in the preparation of bid documents and specifications required for competitive pricing of purchased equipment, materials, and labor in compliance with department and county procedures, assists with ordering supplies for maintenance, projects, equipment, and departmental fleet of vehicles, maintains records for inventory and maintenance activities.
- Works with Departmental staff in the preparation of cost-share contracts and tracking of contracts as related to various grant-funded conservation projects.
- Processes incoming and outgoing mail.
- Serves as receptionist, answers the telephone, takes messages, greets the public, directs and assists customers, provides program information and makes referrals to various agencies/services when appropriate.
- Maintains regular and predictable attendance, works overtime/extra hours as required.
- Performs other duties as assigned.

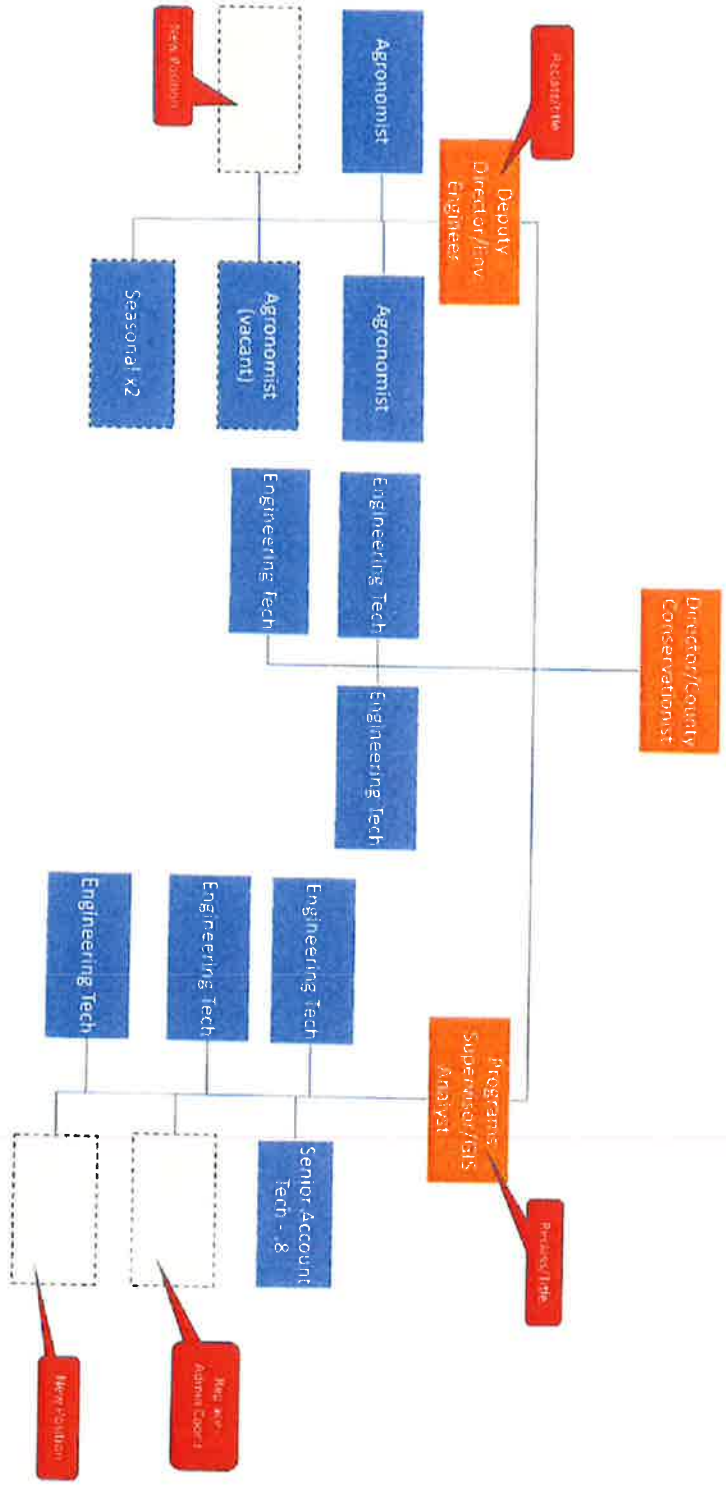
Determined by the department, the following Duties and Responsibilities are also essential for the Senior Account Technician:

Land Conservation Department

- Serves as Outreach/Social Media coordinator for the Department; plans, designs and prints pamphlets, brochures, news releases and other promotional material for the Department promotes Departmental programs via advertising and other forms of public relation including social media, website, and YouTube.
- Coordinates departmental youth education programming and events.
- Coordinates annual County Tree and Wildflower Sale Program.
- Assists in preparation and monitoring of Departmental grant budgets – prepares requisitions, vouchers, grant invoicing, and reporting.

- Coordinates the departmental equipment rental program.
- Assists departmental staff with CityView permitting system.

- Regularly attend seminars, conferences and meetings pertaining to the various programming and related grants in order to stay up-to-date with local, state and federal mandates.



Education/Certifications/Experience Requirements

Associates Degree in Office Administration, Accounting or related field with relevant business classes, computer background, strong typing skills, and at least two years of general office experience. OR, any combination of education and experience that provides equivalent knowledge, skills, and abilities.

Required or Preferred Skills

- Knowledge of and ability to use modern office practices, procedures, and equipment such as calculator, typewriter, computer, photocopies, FAX machine, telephone, etc.
- Proficient in the use of MS Office Suite, website and social media platforms.
- Familiarity with LaserFiche, JD Edwards, Tyler Munis and CityView or similar documents imaging, financial, human resource and permitting/workflow software is a plus.
- Knowledge of and demonstrated skill in performing general administrative duties.
- Knowledge of pertinent laws, statutes, codes, regulations, and terminology.
- Ability to work semi-independently, make sound decisions, and use good judgment.
- Ability to understand and utilize a variety of advisory information or data in support of the position such as financial statements, vouchers, budget reports, general ledgers, journal entries, annual reports, grant applications and reports, resolutions, state statutes, meeting agendas and minutes, department and other agency forms, contracts, bank statements, time sheets, press releases, newsletters, maps, procedure guidelines, and non-routine correspondence.
- Ability to maintain accurate and complete records, and prepare clear and comprehensive reports.
- Demonstrated proficiency with typing and other office functions.
- Ability to maintain composure and effectively use tact and diplomacy with co-workers, agencies, general public, etc.
- Ability to budget time and schedule work to efficiently complete tasks.
- Ability to understand and follow written and oral instructions.
- Ability to add, subtract, multiply, divide, and figure mathematical calculations.
- Ability to lift, carry, push, pull, or otherwise move objects up to 25 pounds, understanding and utilizing proper body mechanics.

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1675), Controller (1674) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** Land Conservation request for in year position additions and deletion

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

Land Conservation is submitting an in-year request to approve an amendment in their Table of Organization for the following position change:

- Delete the Administrative Coordinator position
- Add a Senior Account Technician
- Add a part time Senior Account Technician

The department has elected to create the new Senior Account Technician rather than refill the Administrative Coordinator position. The new position will not have the supervisory responsibility of the Administrative Coordinator, which has shifted to other Management Staff. The charge in positions will see a savings of $995.
The creation of a part time Senior Account Technician is due to the amount of grant reporting and requirements, which is significant administrative work that exceeds current capacity. The addition of the position will cost for 2024 will be $46,530. The position funding will be with existing grants, so there will be no budget impact.

Current Year Budget Impact **(Check one or more of the following boxes)**

[ ] Revenues [ ] Expenses (Cost) [X] None – 2024 Budget

3. Is the specific cost or revenue included in the current year's budget? yes ( ) no ( ) partially (x)

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no ( ) n/a (x)

5. Is the proposal to accept additional revenues only? yes ( ) no (x)

6. Does this request modify/adjust the current year budget? yes ( ) no ( )
If no, skip to question 8 below

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

COST CENTER NAME	(i.e. Salaries, Supplies, Etc.)	(i.e. 1004100.5100, 1004100.5400, etc.)	AMOUNT
Land Conservation	Salaries	1008200.5100	(533)
Land Conservation	Fringe	1008200.5500	(462)

Annual and Long-Term Impact

8. Is the above Increase/Decrease a nonrecurring one-time expense or revenue? yes ( ) no (x) n/a ( )

9. What is the anticipated annual and/or long-term cost or revenue impact? Annual Cost Including in future budgets

Outagamie County

4-16-24 County Board Meeting - May 28 2024 07:39:38 PM

April 16, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 13—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Highway Department is requesting to approve the following amendment to their Table of Organization:

- Delete one (1) full-time Administrative/Real Estate Coordinator position
- Add one (1) full-time Management Assistant position

Due to the recent retirement of the Administrative/Real Estate Coordinator position, the Highway Department evaluated the position, and with the licensing required, determined it would not be easily filled. Therefore, the Highway Department is requesting to repurpose to a Management Assistant position doing many of the same duties, but contracting out the real estate portion. The change in position will save the Highway Department approximately $20,000 per year in administrative costs, and the real estate costs will be absorbed in project budgets. Therefore, no budget adjustment is needed at this time.

NOW THEREFORE, the undersigned members of the Legislative/Audit and Human Resources Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does approve an in-year Table of Organization request for the Highway Department effective May 6, 2024 to delete one (1) full-time Administrative/Real Estate Coordinator position and add one (1) full-time Management Assistant position with no budget adjustment needed, as noted on the attached Position Deletion Form – 2025 Budget, Position Addition Form – 2025 Budget, Job Description, Table of Organization and fiscal note, which by reference are made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director, the Outagamie County Human Resources Director, and the Outagamie County Highway Commissioner.

Dated this 28th day of May 2024

Respectfully Submitted,

	Part Time:	
If adding a position to offset this deletion; which position(s) will be added?	**Yes, Management Assistant**	
Position Justification		
Briefly summarize why this position is no longer needed, as well as areas of revenue and savings.		
The real estate function is such a highly specialized field that takes years of experience to learn, and therefore reducing potential candidates to fill the position. The highway department will contract out to real estate consultants on a project by project basis going forward. The new Management Assistant position fills the accounting and administrative functions.

Highway Department 2024 Table of Organization

S:\HWY\Accounting\CIP & BUDGET\2025 Budget\Personnel Changes\Table of Organization Hwy 2024.docx

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1674), Controller (1675) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** The Highway Department is requesting an in year position request to delete the Administrative/Real Estate Coordinator and add a Management Assistant.

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

With the retirement of the Administrative/Real Estate Coordinator, the Highway Department evaluated the position and with the licensing required determined it would not be easily filled. Therefore, the Highway Department would repurpose to a Management Assistant position doing many of the same duties, but contracting out the real estate portion. The change in position will save the Highway Department approximately $20,000 per year in the administrative costs, however the real estate costs would be absorbed in project budgets.

Current Year Budget Impact **(Check one or more of the following boxes)**

[ ] Revenues [x] Expenses (Cost) [ ] None

3. Is the specific cost or revenue included in the current year's budget? yes (x) no ( ) partially ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no ( ) n/a ( )

5. Is the proposal to accept additional revenues only? yes ( ) no (x)

6. Does this request modify/adjust the current year budget? yes ( ) no (x)
If no, skip to question 8 below.

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

RESOLUTION NO.: 14—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Appleton International Airport and Milis Enterprise, LLC desire to enter into a hangar land lease agreement for Lot #18 located at the Airport. The lease agreement will be for approximately 6,015 square feet of land in the general aviation area. The rental rate will be $.17 per square foot or $1,022.55 per year. The lease will commence on June 1, 2024 and will continue for 30 years. The Airport is requesting a budget adjustment for the period of June 1, 2024 through December 31, 2024.

NOW THEREFORE, the undersigned members of the Property, Airport, Recreation and Economic Development Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does hereby and herewith authorize and approve a Hangar Land Lease Agreement for Lot #18 at the Appleton International Airport between Outagamie County and Milis Enterprise, LLC as noted on the attached Hangar Land Lease Agreement Lot #18 Between Outagamie County and Milis Enterprise, LLC, which by reference is made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does approve of increasing the Appleton Flight Center General Aviation Land Leases line item by $596 and decreasing the Airport Terminal Fund Balance Applied line item by $596 as noted on the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Appleton International Airport Director and the Outagamie County Finance Director.

Dated this 28th day of May 2024

HANGAR LAND LEASE AGREEMENT

THIS AGREEMENT, made and entered into this 4 day of April 2024, 2024 by and between OUTAGAMIE COUNTY, a municipal corporation, hereinafter referred to as "Lessor" and Milis Enterprise, LLC, a Land Lessee hereinafter referred to as "Lessee".

PRELIMINARY RECITALS

The Lessor is the owner and operator of Appleton International Airport, an airport situated in Outagamie County, Wisconsin (the "Airport").

The Lessee desires to lease from the Lessor a parcel of land at the Airport to be used for the construction of an aircraft storage facility (a hangar).

NOW, THEREFORE, in consideration of the mutual promises of the Lessor and Lessee as set forth below, the Lessor and Lessee agree as follows:

ARTICLE I
TERM AND EXTENSION

1. Commencement: This Agreement shall commence on June 1, 2024, and shall terminate on May 31, 2054, for a thirty (30) year period unless terminated sooner as permitted by this Agreement.

2. Renewal Option: Lessee shall have two (2) five (5) year options to renew this lease subject to the terms and conditions hereof, including the provisions governing the renegotiations of rental fees, unless no later than 180 days prior to the expiration of the Lease, the Lessee or Lessor serves upon the other notice in writing by registered mail addressed to such person at the address herein set forth stating the intention not to renew this lease.

A. Notice to exercise the option to renew this lease shall be submitted to the Lessor in writing 90 days prior to the expiration date at the address herein set forth.

B. Upon receipt of notice to exercise option, the Lessor shall prepare an addendum to the Lease agreement, which shall reflect the Lessor's current terms and conditions for Hangar Land Leases. Any modifications to the lease terms and conditions shall commence with the start of the option period.

ARTICLE II
LEASED PREMISES-PURPOSE

The Lessor leases to the Lessee the following described portion of the Airport and unless specifically stated otherwise, is referred to in this Agreement as the "Leased Premises".

A parcel of land approximately 85.93 feet wide by 70 feet long and containing approximately 6,015 square feet located south of Runway 3/21 hereinafter referred to as the "GA Area", which is more specifically shown on Exhibit A which is attached to and made a part of this Agreement. The leased parcel is to be used for the construction of a hanger facility by Lessee that will be used for the following purposes:

A. The inside storage of aircraft owned by Lessee and the storage of related materials and supplies and for no other purpose unless approved in writing by the Lessor.
B. Construction of hangar for lease or for sale by Lessee requires the following:
    1. If for lease, requires a Hangar Keepers agreement with Lessor
    2. If for resale, requires approval from Lessor to assign lease

ARTICLE III
FEES AND RENTALS

1. Rent: From and after the commencement date, Lessee agrees to pay Lessor the amounts semi-annually specified in EXHIBIT B as amended as described herein, payable in advance of the first day of billing period, for the duration of this agreement. No demand for payment need at any time be given; it shall be the duty of the Lessee to pay all monies when due.

2. Calculations of rentals for Leased Premises shall be adjusted by 3% on the third (3rd) anniversary of the commencement date and every three years thereafter during the initial term and any extension term, if exercised.

3. Pro-ration of Rents: In the event that the commencement or termination of the term, with respect to any of the particular premises, facilities, rights, licenses, services, and privileges herein provided, fall an any other date than the first or last day of a calendar month, the applicable rentals, fees, and charges for that month shall be paid pro-rata according to the number of days in that month during which said privileges were enjoyed.

4. Lessee agrees to pay an assessment for the cost of installation of sewer and water utilities to the subject property. Such costs to be determined by the Airport Director and will be prorated to fairly apportion the total cost of such utility installation among potential users. Such assessment shall not exceed actual costs

incurred. Costs shall include, but not be limited to, costs of materials, engineering costs, costs of installation, and utility district assessments. The method of payment of the assessment shall be determined by the Airport Director.

ARTICLE IV
GENERAL AVIATION HANGAR BUILDING MINIMUM SPECIFICATIONS

The provisions set forth in Exhibit "C" entitled Appleton International Airport General Aviation Hangar Building Minimum Specifications and any subsequent amendments thereto, are incorporated by reference and are made a part of this. If this Agreement and the Appleton International Airport General Aviation Hangar Building Minimum Specifications are in conflict in what they require of the Lessee, or in what they obligate the Lessee to do or not to do, the Appleton International Airport General Aviation Hangar Building Minimum Specifications shall control.

ARTICLE V
RESTRICTIONS UPON USAGE AND CONSTRUCTION

The property, which is the subject of the Lease, shall be used only for aviation related purposes as the term is defined in FAA regulations. Any improvements, including all buildings and appurtenance thereto, which may be constructed upon the Leased Premises, shall abide by all FAA regulations. In addition to meeting FAA regulations, all such improvements and their proposed locations shall be in accord with any other federal, state, or local building codes and/or other restrictions.

ARTICLE VI
RIGHTS AND PRIVILEGES OF LESSEE

Subject to the terms and conditions hereinafter set forth, Lessee is hereby given the following rights and privileges.

1. Ingress and Egress – Subject to rules and regulations governing the use of the Airport as may be established by the Lessor, the Lessee, its employees, suppliers of materials, furnishers of service, sub-lessees, business visitors, and invitees shall have the right of ingress and egress to and from the Premises leased exclusively to Lessee.

2. Quiet Enjoyment – The Lessor covenants that upon paying the rent and performing the covenants and conditions herein contained, Lessee shall peacefully and quietly have, hold, and enjoy the Leased Premises for the term of this Agreement. Lessee agrees that temporary inconveniences, such as noise, disturbances, traffic detours, temporary inaccessibility and the like, caused by or associated with the construction of Airport improvements or Airport events shall not constitute a breach of quiet enjoyment of the Leased Premises.

3. Storage – Lessee has the right to store aircraft on Lessee's Leased Premises; however, Lessee shall not engage in any other business or operation without the written consent of the Lessor. Lessee understands that a violation of this paragraph is a material default and breach of the Agreement, which gives the Lessor the rights set forth in Article XII.

4. Aeronautical Facility Use – Lessee shall be permitted to use, in common with others, existing and future aeronautical facilities at the Airport as they may exist or be modified, augmented, or deleted from time to time. These facilities include, but are not limited to the landing areas, their extensions and additions, roadways, aprons, and any air navigation facilities or other conveniences for the flying, landing, and taking-off of aircraft. Nothing herein shall prohibit the Lessor from modifying, augmenting, or deleting any such facilities.

5. Nonexclusive Use – This agreement shall not be construed in any manner to grant Lessee or those claiming under it the exclusive right to the use of the premises and facilities of the Airport other than those premises leased exclusively to the Lessee hereunder. Lessor reserves and retains the right for the use of the Airport by others who may desire to use the same pursuant to applicable laws, ordinances, codes, and rules and regulations pertaining to such use.

6. Sub-lease of hangar (requires Hangar Keepers Agreement) or lease assignment if so approved by Lessor. The Lessee shall not be allowed to sub-lease or re-lease land only.

ARTICLE VII
OBLIGATIONS OF LESSEE

Except as otherwise specifically provided herein, Lessee shall have the following obligations.

1. Conditions of Premises – Lessee accepts the Leased Premises in its present condition and, without expense to the Lessor, will maintain any installation thereon.

2. Construction – Lessee shall construct an aircraft storage unit (hangar) on the Leased Premises. A final set of construction plans that have been approved and stamped by a registered, professional engineer shall be submitted to and approved by the Airport Director before any construction begins. The construction plans shall include a site plan. The site plan shall include the location of utilities and utility connections, existing and proposed grades, site drainage information, paving details and all other items on the "Development Checklist." Lessee acknowledges having received a copy of the

"Development Checklist." Lessee is prohibited from deviating from the Lessor approved construction plans without written permission from the Lessor. Construction must begin within six (6) months from the execution of this Agreement and must be completed within six (6) months from the time construction begins. Construction scheduling and operations shall be coordinated with, and approved by the Airport Director before construction shall begin, such approval not to be unreasonably withheld. Lessee shall restore any and all portions of the Airport that are disturbed by Lessee or its contractors during construction at its expense, to the same condition as before construction began.

3. Maintenance, Exterior Storage, and Housekeeping – Lessee shall at its expense, keep, maintain, and repair the Leased Premises, any improvements thereto, and all equipment and buildings in a presentable and operable condition, consistent with good business practices, and in a manner preserve and protect the general appearance and value of other premises in the immediate vicinity. This shall include, but not be limited to roof, exterior painting, all doors, paved areas, lighting, grass, and landscaped areas within lease lines.

   Lessee further agrees that there will be no outside storage of equipment, materials, supplies, or damaged or partially dismantled aircraft on the Leased Premises, and will remove at its expense all trash, garbage, and drain oil, and not deposit the same on any part of the Airport except temporarily in conjunction with collection or removal.

   In the event Lessee does not keep the Leased Premises in a presentable condition, the Lessor has the right to issue a written notice to remedy the condition forthwith. Should Lessee fail to perform satisfactorily within ten (10) days of such notification, or show cause for extension of said time period, the Lessor shall have the right to perform, or have performed by an outside contractor the necessary work without liability, and Lessee aggress to pay the Lessor one hundred twenty five percent (125%) of such expenses within fifteen (15) days upon invoice receipt.

   In the event of fire or any other casualty to buildings or other structures owned by Lessee, Lessee shall either repair or replace the building or remove the damaged building and restore the Leased Premises to its original condition; such action must be accomplished within one hundred twenty (120) days of the date the damage occurred. Upon petition by Lessee, the Lessor may grant, at its sole discretion, an extension of time if warranted.

4. Commercial Operations – Lessee warrants that no commercial operations of any kind, including maintenance of aircraft for payment, or flight instruction for payment are permitted within or near the Leased Premises.

5. Additions of Alterations – Lessee shall have the right during the term of this Lease to make alterations, attach fixtures, or make other changes to the

structure in or upon the Leased Premises upon advance written approval of plans by the Airport Director.

6. Signage and Illumination – Lessee will not paint upon, attach, exhibit or display in or about the said Leased Premises any sign without the written consent of the Airport Director first being obtained regarding the nature and construction of said sign, such approval not to be unreasonable withheld.

7. Locks and Gate Access – Lessee agrees that all walk doors will be equipped with a heavy-duty lockset sufficient to meet all security requirements. One key shall be provided to Lessor. In the event Lessor needs to access Lessee's hangar and Lessor has not been issued a key, Lessor reserves the right to remove the lock. Lessee shall be responsible for charges associated with removal of the lock and cost of the new lock. Lessee shall pay a $10.00 as a deposit for each gate key. Gate keys shall not be duplicated. When a gate key is lost, stolen or unaccountable, it must be immediately reported to the Airport Public Safety at (920) 832-1633. The fee for a replacement gate access key is $10.00. Lessee agrees that the above-mentioned gate will remain locked in accordance with the Airport Security Plan (Article XXI). If the gate is inoperable or incapable of being fully closed, Public Safety must be notified.

8. Utilities – Lessee agrees to provide its own connections with utilities and to make separate arrangements with the agencies responsible for these utilities. Lessee shall pay for all utility service supplied to the Leased Premises, and if required by the utility agencies as a condition of providing the services, Lessee will install and pay for standard metering devices for the measurement of such services. In the event it shall become necessary to make utility service or facility changes, Lessee will either make such changes and installations, at its expense, as directed and required by the utility organizations, or pay the utility organization for such changes made. The Lessor shall have the right, without cost to the Lessee, to install and maintain in, on or across the Leased Premises, sewer, water, gas, electric, and telephone lines, electric substations, or other installations necessary to the operation of the Airport, or to service other tenants of the Lessor; provided, however, that the Lessor shall carry out such work and locate any above ground structures in a manner so as not to unreasonably interfere with the Lessee's use of the Leased Premises.

9. Discrimination – Lessee, for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration thereof, does hereby covenant and agree that: a) no person on the grounds of race, sex, color, physical handicap, or national origin shall be excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in the use of said facilities, b) that in the construction of any improvements on, over, or under such land and the furnishings of services, thereon, no person on the grounds of race, sex color, physical handicap, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be

subjected to discrimination, and c) that the Lessee shall use the Leased Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

10. Costs of Enforcement – Lessee covenants and agrees to pay and discharge all reasonable costs, attorneys' fees, and expenses that shall be made and incurred by the Lessor in the enforcing the covenants and agreements of this Lease.

11. Taxes, Licenses, and Permits – Lessee shall obtain and keep current all municipal, county, state and federal licenses and permits that may be required in its operation. Also, the Lessee will bear, pay, and discharge all taxes, assessments and levies of every nature and kind which may be taxed, charged or assessed lawfully against the Leased Premises and improvements thereon, or which may be lawfully levied or imposed upon the leasehold by a governmental agency.

12. Liens – Lessee agrees to promptly pay all sums legally due and payable on account of any labor performed on, or materials furnished for the Leased Premises. Lessee shall not permit any liens to be placed against the Leased Premises on account of labor performed or material furnished, and in the event such a lien is placed against the Leased Premises, Lessee agrees to save the Lessor harmless from any and all such asserted claims and liens and to remove or cause to be removed any and all such asserted claims or liens as soon as reasonably possible.

13. Parking – Lessee agrees to prohibit vehicle parking on the Airport premises other than those vehicles specifically associated with the use of the Leased Premises, and no other. Lessee, its employees, sub-lessees, guests and invitees shall park only on Lessee's Leased Premises. Lessee, its agents or guests, are expressly prohibited from operating any vehicle on any area of the Airport considered a "movement area" by the Federal Aviation Administration, and agrees to hold Lessor indemnified from any such incursions. Lessee shall at all times comply with posted signs regulating the movement of vehicles.

14. Laws, Ordinances, Rules and Regulations – Lessee shall comply with, at its own expense, all applicable federal, state, or local laws, ordinances, rules or regulations of the Airport now in effect or hereafter promulgated. Any violation of this paragraph shall be construed as a material breach of this Lease Agreement authorizing the termination thereof at the election of the Airport Director, unless Lessee, upon receipt of written notice, takes immediate remedial measures acceptable to the Airport Director.

15. Storage of Flammable Fluids – Lessee agrees that the storage of gasoline or other flammable fluids in bulk quantities shall be limited to the Airport Fuel Farm or to such area as designated by the Airport Director. Lessee agrees that the storage of all other gasoline or flammable fluids shall be in an approved steel locker labeled "FLAMMABLE". The Airport Director may, in his discretion, prohibit or impose restrictions on the storage of said materials if, in the Director's opinion, the storage is determined as a safety hazard. The disposal of any hazardous chemicals or fluids on the Airport premises is prohibited. The Lessee further agrees not to transport, or cause to be transported, onto airport premises, gasoline or other flammable fluids for the purpose of self-fueling aircraft. The Lessee further agrees that fueling of aircraft on airport premises will be done only at airport approved locations or facilities.

16. Snow Plowing – Lessor agrees to be responsible for the plowing of snow on runways and taxiways, consistent with priorities established and specified in the Airport Snow and Ice Control Plan. It shall be the Lessee's responsibility to remove any snow on pavement areas from taxiway to their hangar. Lessee shall also be responsible for removing snow in vehicle parking stalls.

ARTICLE VIII
LESSOR'S RIGHT TO MORTGAGE LEASEHOLD INTEREST

1. Lessee shall at all times have the right to encumber by mortgage or other instruments, as security for an actual indebtedness, all of Lessee's right, title and interest in this Ground Lease including without limiting the generality of the foregoing, its right to use and occupy the Leased Premises together with its rights and interests in and to all Lessee's improvements now or hereafter placed on the Leased Premises; in all respects, however, subordinate and inferior to Lessee's fee interest or estate and its rights, title, privileges, liens or interests as provided in this Ground Lease and subject to all the covenants, terms and conditions of this Ground Lease and all the rights and remedies of Lessor hereunder. It is expressly understood and agreed that Lessee in no event shall have the right to encumber Lessor's fee interest or reversionary estate in any way. In the issuance of any mortgage or other instrument by Lessee, as security for an actual indebtedness, Lessee shall specifically exclude all the right, title interest and estate of Lessor.

2. Upon the written request of any such Mortgagee, or other secured person (hereinafter referred to as the Mortgagee) giving its address, Lessor shall mail to such Mortgagee at such address a duplicate copy of any and all written notices which Lessor may, from time to time, give to or serve upon Lessee under the terms of this Ground Lease.

3. To the extent that Lessee may grant the right to such Mortgagee under this Ground Lease, the Mortgagee may at its option at any time before termination of this Ground Lease pay any amount or do any act or thing required of Lessee by

the terms of this Ground Lease; and all payments so made and all acts or things so done and performed by such Mortgagee shall be as effective to prevent a termination of the Ground Lease or forfeiture of Lessee hereunder as the same would have been if done and performed by Lessee. Any such mortgage or other instrument given as security for an actual indebtedness of Lessee may provide, if Lessee so desires, that as between such Mortgagee and Lessee, said Mortgagee, on making good any default or debits of Lessee, shall thereby be subrogated to any and all of the rights of Lessee under the terms and provisions of this Ground Lease.

4. Such Mortgagee of Lessee's leasehold estate under a leasehold mortgage given pursuant to the provisions of this paragraph, shall not become personally liable for the obligations of Lessee under this Ground Lease unless and until it becomes the owner of Lessee's leasehold estate by foreclosure, assignment in lieu of foreclosure or otherwise, and thereafter shall remain liable for such obligations only so long as it remains the owner of such leasehold estate. In the event such Mortgagee becomes the owner of Lessee's leasehold estate as aforesaid, it may assign this Ground Lease provided all other requirements of this Ground Lease regarding assignment are satisfied. Lessor consent will not be unreasonably withheld.

5. The mortgage shall provide that, notwithstanding any other provisions of the mortgage, in the event of any default in the performance or observance of any of the terms and conditions of the mortgage, or the note or other indebtedness secured thereby (which such default shall not have been cured within the grace periods therefore accorded to Lessee, as Mortgagor, in the Mortgagee), the Mortgagee shall give written notice to Lessor of the continuance of such default and shall grant to Lessor an additional period (over and above any such grace periods) of ten (10) days from the date of Lessor's receipt of such notice within which to cure such default, and shall provide that any payment made by Lessor pursuant to such provision shall be recognized by the Mortgagee as fully as if made by Lessee; provided, however, that neither such provision nor any other provision of the mortgage shall be construed so as to impose any liability whatsoever on Lessor to make any payment or to perform or observe any covenant or condition of the mortgage or note or other indebtedness secured thereby.

6. The mortgage may provide for the assignment to the Mortgagee of any rents due and payable to Lessee with respect to any sublease or occupancy of portions of the property by parties other than Lessee. Said assignment of rents will be effective only upon default in the payment or performance of any obligations imposed by the terms of the mortgage or note or other indebtedness secured thereby; and the Lessee's right to collect rents from the subtenants shall be subordinate to the right of mortgage, in the event of a default under the mortgage, to collect such rents.

ARTICLE IX
RIGHTS AND PRIVILEGES OF THE LESSOR

Lessor, in addition to any rights herein retained by it, reserves the following privileges:

1. Lessor Representative – The Airport Director is hereby designated as the official representative for the enforcement of all provisions in this Agreement with full power to represent the Lessor in dealings with the Lessee in connection with the rights and obligations herein provided, actions relating to policy determination, modification of this Agreement, subsequent permissive authorization under this Agreement, termination of this Agreement, and any similar matters affecting the terms of this Agreement.

2. Airport Development – The Lessor has the right, but shall not be obligated to Lessee, to develop or improve the landing areas and other portions of the Airport as it sees fit, regardless of the desires or views of the Lessee, and without interference or hindrance. If the development of the Airport requires it, the Lessor has the right to either:
   a. Substitute another parcel of land for the Leased Premises and relocate Lessee's improvement(s) to that new parcel at no cost to the Lessee, or
   b. Purchase Lessee's improvements at fair market value, established by appraisal by a registered appraiser selected by mutual agreement, and terminate this Agreement. In the event of a substitution and relocation or a purchase and Agreement termination as permitted by this section, the Lessor shall have no liability to the Lessee for any loss, expense, damage or cost of any nature whatsoever that results from or is occasioned by the substitution and relocation or the purchase and Agreement termination.

3. Access to Leased Premises – To the extent necessary to protect the rights and interests of the Lessor, or to investigate compliance with the terms of this agreement, the Airport Director or his designee shall at any and all times have the right to inspect the Leased Premises, including all buildings, structures, and improvements erected thereon, subject to reasonable notice given to Lessee.

4. War, National Emergency, Riot, or Natural Disaster – During time of war, national emergency, riot, or natural disaster, the Lessor shall have the right to lease the entire airport or any part thereof to the United States Government or State of Wisconsin for military or National Guard use; and, if any such lease is executed, the provisions of this instrument, insofar as they are inconsistent with the provisions of the lease to the Government, shall be suspended.

5. Aerial Approaches – The Lessor reserves the right to take any action it considers necessary to protect the aerial approaches and transition surfaces of the Airport against obstructions, together with the right to prevent Lessee or sub-lessee from erecting, or permitting to be erected, any building or other structure on the Airport which, in the opinion of the Lessor, would limit the usefulness of the Airport or constitute a hazard to aircraft.

6. Unrestricted Right of Flight – There is hereby reserved to the County of Outagamie, Wisconsin, its successors and assigns, for the use and benefit of the public, a free and unrestricted right of flight for the passage of aircraft in the airspace above the surface of the premises herein conveyed, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in the air, using said airspace or landing at, taking off from, or operating on or about the Airport.

ARTICLE X
OBLIGATIONS OF THE LESSOR

Except as otherwise specifically provided herein, Lessor, during the term of this Lease, shall, within its financial ability, operate, maintain, and keep in good repair all appurtenances, facilities, and services now or hereafter connected with the Airport including, without limiting the generality hereof, all field lighting and other appurtenances, facilities, and services which Lessor has agreed to furnish and supply herein; provided, however, that Lessor shall not be required to perform maintenance and make repairs occasioned by the negligence of Lessee or guests. However, Lessor may perform such maintenance or make such repairs and charge the cost of same to Lessee, and Lessee aggress to reimburse Lessor for all costs incurred by Lessor in performing such maintenance and repair work. Lessor shall keep the Airport free from obstructions, including the clearing and removal of snow, grass, stones, or other foreign objects, as reasonably necessary and with reasonable promptness in accordance with established priorities, from the runways and taxiways, for the safe, convenient and proper use of the Airport by Lessee, and shall maintain and operate the Airport in all respects in a manner at least equal to the standards or ratings issued by the Federal Aviation Administration (FAA) for airports of substantially similar size and character.

ARTICLE XI
INSURANCE

1. Lessee shall comply with all Federal, State and local codes, laws regulations, standards, and ordinances, including those of the Occupational Safety and Health Administration (OSHA), the Wisconsin Department of Industry, Labor and Human Relations (DILHR) and all County rules and orders governing the performance of the work.

2. In order to protect itself and the County, its Officers, Boards, Employees or Representatives under the indemnity provisions of the paragraph above, Lessee will at all times during this Agreement keep in force as insurance as described in Exhibit D.

3. Limits established herein shall be subject to five (5) year review and may be increased by the Lessor due to general inflationary conditions provided at least sixty (60) days notice of such increased requirements shall be given to the Lessee.

4. Policies shall be issued by a company or companies authorized to do business in the State of Wisconsin and licensed by the Wisconsin Insurance Department. Coverage afforded shall apply as primary, with the County, its Boards, Officers, Employees and Representatives as additional insured's. The Lessor shall be given thirty (30) days advance notice of cancellation or non-renewal during the term of this Agreement. Upon execution of this Agreement, Lessee shall furnish Lessor with a certificate of insurance and, upon request, certified copies of the required insurance policies, which said certificate policy copies shall be filed with the Office of the County Clerk of Outagamie County. In the event any action, suit or other proceedings is brought against the Lessee upon any matter herein indemnified against, the Lessee shall, within five (5) working days, give notice thereof to the Lessor and shall cooperate with their attorneys in the defense of the action, suit or other proceedings.

ARTICLE XII
INDEMNIFICATION AND HOLD HARMLESS

Lessee agrees at all times during the term of this agreement to indemnify, hold harmless and defend the County, its Boards, Officers, Employees and Representatives against any and all liability, including claims, demands, losses, damages, costs or expenses, including attorney fees, which the County, its Boards, Officers, Employees and Representatives may sustain, incur or be required to pay by reason of bodily injury, personal injury or property damage of whatsoever nature or kind arising from the lease, Lessee's conduct under the lease, or Lessee's conduct or action on airport grounds, unless such liability arises out of the sole negligence of the County.

Lessee further agrees to indemnify, hold harmless and defend the County, its Boards, Officers, Employees and Representatives against any and all claims, demands, losses, damages, costs or expenses, including attorney fees, which the County, its Boards, Officers, Employees and Representatives may sustain, incur or be required to pay resulting from the spill, discharge, dispersal, seepage, migration, release or escape of any pollutants being utilized by the Lessee or in the custody or control of the Lessee.

Nothing contained in this agreement is intended to be a waiver or estoppels of the County to rely upon the limitations, defenses, and immunities contained within Wisconsin law, including, but not limited to, those contained within Wisconsin Statutes 893.80, 895.52 and 345.05. To the extent that indemnification is available and enforceable, neither the municipality nor its insurer shall not be liable in indemnity and

contribution for an amount greater than the limits of liability for municipal claims established by Wisconsin law.

ARTICLE XIII
SUBLEASE or ASSIGNMENT

The Lessee shall not sublease the Leased Premises, or any part of the Leased Premises without the express written consent of the Lessor, such consent not to be unreasonably withheld. However the Lessee shall have the specific right to assign the Lease and all of its rights and duties hereunder to a bona-fide lending institution, and the Lessor hereby permits the Lessee to encumber and grant a security interest in any property or property rights, real or personal, it may have in the Leased Premises or property located thereon. Further, the Lessor will not unreasonably withhold its consent to the use of the Leased Premises by any person, persons or company obtained by any of Lessee's lenders in the event any lender forecloses on any of the above mentioned property. This lease may be so assigned and the Leased Premises so sublet for another air-oriented purpose other than that described in this lease if the Lessor approves such purpose. Any assumption of this lease under these or other provisions, shall obligate the person or persons to pay any and all past due rent before approval of transfer will be given. At a minimum, the Lessor will require that any sublease agreement be in writing and that it include: that the agreement be subject to the terms and conditions of this Agreement; that sub-lessees maintain aircraft liability insurance in the amounts and in the manor prescribed in this agreement.

ARTICLE XIV
DEFAULTS AND REMEDIES

The occurrence of any one or more of the following events shall constitute a material default and breach of this Agreement by the Lessee.

1. The filing by Lessee of a voluntary petition in bankruptcy.
2. The institution of proceedings in bankruptcy against Lessee and the adjudication of Lessee as bankrupt to such proceedings.
3. The taking by a court of jurisdiction of Lessee and its assets pursuant to proceedings brought under the provisions of any Federal Reorganization Act.
4. The appointment of a receiver of Lessee's assets, or any general assignment for the benefit to Lessee's creditors.
5. The divestiture of Lessee's estate herein by other operation of law.
6. If the Lessee shall abandon the building(s) and improvements or vacate the Leased Premises and not desire to sell or remove the building(s) before the expiration of this Agreement, the Airport Director shall be at liberty, at his option, to re-let the same. Abandonment, for this Agreement, shall be defined as the non-use of the Leased Premises from its specified purpose during a consecutive six (6) month time period. Any proceed received by Lessor under this paragraph shall be applied first to the payment of rent under article three (3) of this Agreement; second to the reduction of any debt incurred by the

Lessee to finance construction of any building(s) on the Leased Premises or the acquisition of any equipment of the Leased Premises abandoned by the Lessee; and third to the benefit of the Lessee.

7. The filing of any lien against the Airport or any of its property as the result of any act or omission of Lessee, if the lien is not discharged or contested in good faith by Lessee (as determined by the Lessor) within fifteen (15) days of Lessee's receipt of notice of the lien, unless Lessee posts a bond within this time period equal to the amount of the lien.
8. The transfer of Lessee's interest herein by other operation of the law.
9. Lessee becomes in arrears in the payment of the whole or any part of the amount(s) agreed upon hereafter for a period of sixty (60) days after such a payment becomes due.
10. The nonpayment of any real estate and/or personal property taxes levied by Outagamie County against Lessee's property after such taxes become due.
11. The falsification by the Lessee of any of its records or figures so as to deprive the Lessor of any of its rights under this Agreement.
12. The failure by Lessee to perform any of the covenants, conditions, or obligations imposed on it by this Agreement where the failure continues for a period of fifteen (15) days after written notice by the Lessor.
13. Notification of the Lessor by the Federal Aviation Administration (FAA) that Lessee's building(s) violates Federal Aviation Regulations (FARs), including obstacle clearance criteria, and requires the building(s) and appurtenances to be removed prior to continued federal funding for Airport Improvement Projects (AIP) or other projects at the Airport.
14. The transfer or assignment, or attempted transfer or assignment of this Agreement by Lessee, without securing prior written approval of the Lessor, such approval not to be unreasonably withheld. It shall be understood for the purpose of this part that negotiations by Lessee for the assignment or transfer of this Agreement shall not be construed as "attempted transfer".

In the event of a breach of this Agreement by Lessee, the Lessor shall be entitled to any and all legal and equitable remedies available to it under applicable law. Without limitation, these remedies shall include the following, which are cumulative and not exclusive:

1. Specific performance of any obligation of Lessee.
2. Declaratory and injunctive relief.
3. The recovery of all damages of any nature that result from the Lessee's breach, which damage include unpaid rent, fees and other payments, and the loss of future rent.
4. Reasonable attorney fees for services related to Lessee's breach of this Agreement, including fees for attorneys who are County employees
5. The termination of this Agreement and repossession of the Leased Premises by the Lessor. If this Agreement is terminated, the Lessee shall remove all property owned by it from the Leased Premises and restore and surrender the Leased Premises to the Lessor in the same condition as when originally received. If the Lessee fails to remove its property and to restore and

surrender the Leased Premises as required, the Lessor may do so and the Lessee shall be liable to the Lessor for all expenses of removing the property (including storage fees, if any) and restoring the Leased Premises.

The failure of the Lessor to declare this Agreement terminated for any of the reasons set out above shall not bar the right of the Lessor to subsequently terminate this Agreement for any of the reasons set out above. Further, the acceptance of rental or fees by the Lessor for any period after a default by Lessee shall not be deemed a waiver of any right on the part of the Lessor to terminate this Agreement.

ARTICLE XV
CANCELLATION BY LESSEE

Lessee may cancel this Agreement at any time it is not in default in its obligations by giving the Airport Director thirty (30) days written notice to be severed as hereinafter provided after the happening of any of the following events, if such event materially impairs the conduct of Lessee's normal business on the Airport:

1. The issuance by a court of competent jurisdiction of any injunction in any way preventing or restraining normal use of the Airport or any substantial part of it, and the remaining in force of such injunction for a period of sixty (60) consecutive days, such injunction not being the result of any fault of Lessee;

2. The inability of Lessee to use, for a period of six (6) consecutive months, the Airport or any substantial part of it due to enactment or enforcement of any law or regulation, or because of fire, earthquake, or similar casualty of Acts of God or the public enemy; or

3. The lawful assumption by the United States Government of the operation, control or use of the Airport or any substantial part of it for military purposes in time of war or national emergency for a period of at least sixty (60) days.

However, should Lessee choose not to cancel this Agreement, all fees and charges payable by Lessee under this Agreement shall abate until such time that operations return and the term of this Agreement shall be extended for the time of such suspension.

Failure of Lessee to declare this Agreement canceled for any of the reasons set out above shall not operate to bar or destroy the right of Lessee to cancel this Agreement by reason of any subsequent occurrence of the described events.

ARTICLE XVI
REMEDIES CUMULATIVE; NO WAIVER

All of the rights and remedies given to the Lessor in this Agreement are cumulative and no one is exclusive of any other. The Lessor shall have the right to pursue any one or all of such remedies or any other remedy or relief that may be provided by law, whether

stated in this Agreement or not. The failure of the Lessor to take action with respect to any breach by Lessee of any covenant, condition, or obligation in this Agreement shall not be waiver of such covenant, condition, or obligation. The acceptance by the Lessor of any rent or other payment shall not be a waiver by it of any breach by Lessee of any covenant, condition or obligation.

ARTICLE XVII
INDEPENDENCE OF CONTRACT

It is further mutually understood and agreed that nothing herein contained is intended or shall be construed as in any way creating or establishing the relationship of co-partners between parties hereto or as constituting the Lessee as the agent or representative or employee of the Lessor for any purpose or in any manner whatsoever.

ARTICLE XVIII
WAIVER OF SUBROGATION

The Lessor and Lessee hereby release each other from any and all responsibility to the other for any loss of damage to property caused by fire or other peril if the property is insured for such loss or damage in any policy of insurance, even if such loss or damage is caused by the fault or negligence of the other party or anyone for whom such party is responsible. The Lessor and the Lessee agree that to the extent any such policy of insurance provides a right of subrogation in the insurer, or to the extent a right of subrogation exists independent of such policy, each will indemnify and hold the other harmless for any loss, claim or expense suffered as the result of any action taken pursuant to the right of subrogation. Both Lessor and Lessee shall have their property and aircraft physical damage insurance carriers add the "waiver of subrogation" to their respective insurance policies.

ARTICLE XIX
SEVERABILITY

In the event that any provision herein contained is held to be invalid by any court of competent jurisdiction, the invalidity of any such provision shall in no way affect any other provision contained herein, provided that the invalidity of any such provision does not materially prejudice either the Lessor or Lessee in their respective rights and obligations contained in the valid provisions of this Agreement.

ARTICLE XX
SECURITY PLAN

The Lessor has implemented an Airport Security Plan in a form acceptable to the Transportation Security Administration (TSA) pursuant to 14 Code of Federal Regulations Part 1542. The Lessor reserves the right to modify that plan from time to time, as it deems necessary to accomplish its purposes. Lessee shall at all times comply

with the Security Plan and indemnify and hold harmless the Lessor from any violations of said Security Plan committed by the Lessee, its agents, guests, invites, or persons admitted by the Lessee to the Leased Premises. Any violation of this paragraph is considered a material breach of this Agreement, which gives the Lessor the rights set forth in Article XII.

1. Lessee acknowledges Lessor's responsibility to maintain the integrity of the airfield security perimeter and agrees to comply with all Airport rules and regulations, security procedures and Federal Aviation rules, regulations and guidelines pertaining to the security and safety of the Leased Premises and adjacent area and the airfield operations area, including the ingress and egress thereto.
2. Lessee shall read the attached Air Operations Training Program (Exhibit D), in accordance with 49 CFR 1542.213(c), and shall certify, by signing the certification form, that this has been completed and Lessee fully understands the obligations of having access to the Air Operations Area. Furthermore, Lessee shall ensure that any members or guests of the hangar are informed of this training.
3. Should the Transportation Security Administration determine that security has been breached due to the negligence of Lessee and fine the Airport, Lessee agrees to reimburse Airport for the fine.
4. Lessee acknowledges the Airports has established an ID Badge System for the entire Airport and agrees to cooperate in the badging of it employees or agents. Lessee agrees to pay the fees as established by the Airport for such purpose.

ARTICLE XXI
RULES AND REGULATIONS

County shall adopt and enforce reasonable rules, regulations and ordinances which Lessee agrees to observe and obey, with respect to the use of the Airport, which shall provide for the safety of those using the same; provided that such rules, regulations and ordinances shall be consistent with safety and with rules, regulations and orders of the FAA with respect to aircraft operations safety and security at the Airport; and provided further, that such rules and regulations shall not be inconsistent with the provisions of this Agreement or the procedures prescribed or approved from time to time by the FAA. Lessee shall not violate, or knowingly permit its agents, contractors or employees acting on behalf of Lessee to violate any such Rules and Regulations.

ARTICLE XXII
NOISE ABATEMENT

1. Lessor and Lessee agree that Lessor does not, in any manner, either expressly or impliedly, covenant or represent that the Leased Premises may be used free from any noise restrictions that may now or hereafter be in force with regard thereto and that Lessee shall bear sole responsibility for the extent of noise created by its use of the Leased Premises.

2. Lessee shall abide with all standards established for engine run-up and noise abatement rules, regulations and procedures as specifically set forth by Federal and State regulation, Outagamie County Ordinances, and/or Airport Policies lawfully developed for aircraft operations at Appleton International Airport, provided Lessee shall have an opportunity to participate in the development of such policies.

ARTICLE XXIII
EPA STANDARDS

Lessee shall abide with all standards established for Environmental Protection of storm water runoff as per the approved plan for Outagamie County.

ARTICLE XXIV
ENVIRONMENTAL MATTERS

1. Lessee represents and warrants that any handling, transportation, storage, treatment or usage of toxic or hazardous substances by Lessee that will occur on the Leased Premises during the term of the Lease or any renewals thereof shall be in compliance with all applicable federal, state and local laws, regulations and ordinances.

2. Lessee hereby agrees to indemnify, defend, protect and hold harmless Lessor and Lessor's agents, and their respective successors and assigns, from any and all claims, judgments, damages, penalties, fines, costs, liabilities, and losses (including, without limitation, loss, or restriction on use of rentable space or of any amenity of the premises and sums paid in settlement of claims, attorneys' fees, consultant's fees, and expert's fees) that arise during or after the leased term directly or indirectly from the presence of hazardous materials on, in, or about the Leased Premises which is caused by Lessee or Lessee's agents. This indemnification by Lessee of Lessor and Lessor's representatives includes, without limitation, any and all costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal, or restoration work required by any federal, state, or local governmental agency or political subdivision because of the presence of such hazardous material in, on, or about the Leased Premises or the soil or ground water on or under the building or any portion thereof. Lessee shall promptly notify Lessor of any release of hazardous materials in, on, or about the Leased Premises that Lessee or Lessee's agent becomes aware of during the leased term of this Lease, whether caused by Lessee, Lessee's agent, or other persons or entities.

ARTICLE XXV
DELINQUENT CHARGES

Late payment of all rents, fees and charges outlined in this Agreement are subject to the following interest charges; unless waived by the County Board of Supervisors, Lessee

shall be responsible for payment of interest on amounts not remitted in accordance with the requirements of this Agreement. The rate of interest shall be equivalent to the statutory rate in effect for delinquent County property taxes (presently 1 percent per month or fraction of a month) as described in Subsection 74.80(1), Wisconsin Statutes. The obligation for payment and calculation thereof shall commence thirty (30) days after the due date(s) established within this Agreement for the various rents, fees and charges.

ARTICLE XXVI
SUCCESSORS AND ASSIGNS BOUND

All of the provisions of this Agreement shall bind the legal representatives, successors, and assigns of the respective parties.

ARTICLE XXVII
GOVERNING LAW; VENUE FOR DISPUTES

This agreement shall be deemed to have been made in, and shall be construed in accordance with the laws of the State of Wisconsin. Any lawsuit related to or arising out of disputes under this Agreement, shall be commenced and tried in the circuit court of Outagamie County, Wisconsin, and Lessor and Lessee submit to the exclusive jurisdiction of the circuit court for such violation.

ARTICLE XXVIII
ENTIRE AGREEMENT

This agreement contains and embodies the entire Agreement between the Lessor and the Lessee and supersedes and replaces any and all prior agreements, understandings, and promises on the same subject, whether they are written or oral.

ARTICLE XXIX
HOLDOVER POSSESSION OF PREMISES BY LESSEE

In the event that the Lessee should hold over and remain in possession of the Leased Premises after the expiration of this Agreement or termination for any other cause, such holding over shall be deemed not to operate as a renewal or extension of this Agreement and shall create a tenancy from month to month which may be terminated at any time by the Lessor or Lessee.

ARTICLE XXX
RIGHTS UPON TERMINATION

Upon expiration of this Agreement or upon termination of this Agreement, the Lessor may, in its sole discretion, do any of the following:

1. Negotiate a new agreement with Lessee;

2. Take title to all structures located on the Leased Premises; or

3. Order and require Lessee to remove all structures located on the Leased Premises and restore the site to its original condition within sixty (60) days.

Lessee has the right, upon termination, to remove all structures and improvements from the Leased Premises and restore the Leased Premises to its original condition.

ARTICLE XXXI
PARAGRAPH HEADINGS

All paragraph headings contained in this Agreement are for convenience in reference only, and are not intended to define or limit the scope of any provision.

ARTICLE XXXII
NOTICES

All fees due under this Agreement shall be made payable to Outagamie County Treasurer, and shall be remitted to the Outagamie County Courthouse, 320 South Walnut Street, Appleton, Wisconsin 54911.

Notices shall be sufficient if hand delivered or sent by certified mail, postage prepaid, addressed to:

RESOLUTION NO.: 15—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Appleton International Airport and Milis Enterprise, LLC desire to enter into three hangar land lease agreements for Lot #15, #16, and #17 located at the Airport. The lease agreements will be for approximately 6,015 square feet of land each (18,045 total square feet) in the general aviation area. The rental rate will be $.17 per square foot or $3,067.65 per year. The leases will commence on May 1, 2024 and will continue for 30 years. The Airport is requesting a budget adjustment for the period of May 1, 2024 through December 31, 2024.

NOW THEREFORE, the undersigned members of the Property, Airport, Recreation and Economic Development Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does hereby and herewith authorize and approve three (3) Hangar Land Lease Agreements for Lot #15, #16, and #17 at the Appleton International Airport between Outagamie County and Milis Enterprise, LLC as noted on the attached Hangar Land Lease Agreements Lot #15, #16, and #17 Between Outagamie County and Milis Enterprise, LLC, which by reference are made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does approve of increasing the Appleton Flight Center General Aviation Land Leases line item by $2,045 and decreasing the Airport Terminal Fund Balance Applied line item by $2,045 as noted on the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Appleton International Airport Director and the Outagamie County Finance Director.

Dated this 28th day of May 2024

Respectfully submitted,

PROPERTY, AIRPORT, RECREATION &

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1674), Controller (1675) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** Milis Enterprise, LLC Lease Agreements

2. Description: This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

The Appleton International Airport and Milis Enterprise, LLC desire to enter into 3 lease agreements for land (Lots 15, 16, and 17). The lease agreements will be for approximately 6,015 square feet of land each (18,045 sq feet total) in the general aviation area. The rental rate will be $.17 per square foot or $3,067.65 per year. The lease will commence on May 1, 2024 and will continue for 30 years. The Airport is requested a budget adjustment for the period of May 1, 2024 through December 31, 2024.

Current Year Budget Impact (Check one or more of the following boxes)

[X] Revenues [ ] Expenses (Cost) [ ] None

3. Is the specific cost or revenue included in the current year's budget? yes ( ) no (X) partially () n/a ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no ( ) n/a (X)

5. Is the proposal to accept additional revenues only? yes (X) no ( )

6. Does this request modify/adjust the current year budget? If no, skip to question 8 below. yes (X) no ( ) To be determined

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

COST CENTER NAME	LINE ITEM (i.e. Salaries, Supplies, Etc.)	ACCOUNT NUMBER INCLUDING COST CENTER (i.e. 1004100.5100, 1004100.5400, etc.)	INCREASE (DECREASE) AMOUNT
Appleton Flight Center	General Aviation Land Leases	5000119.4467.08	2,045
Airport Terminal	Fund Balance Applied	5000110.8955	(2,045)

Annual and Long-Term Impact

8. Is the above Increase/Decrease a nonrecurring one-time expense or revenue? yes ( ) no (x) n/a ( )

9. What is the anticipated annual and/or long-term cost or revenue impact?

HANGAR LAND LEASE AGREEMENT

THIS AGREEMENT, made and entered into this _____day of _____, 2024 by and between OUTAGAMIE COUNTY, a municipal corporation, hereinafter referred to as "Lessor" and Milis Enterprise, LLC, a Land Lessee hereinafter referred to as "Lessee".

PRELIMINARY RECITALS

The Lessor is the owner and operator of Appleton International Airport, an airport situated in Outagamie County, Wisconsin (the "Airport").

The Lessee desires to lease from the Lessor a parcel of land at the Airport to be used for the construction of an aircraft storage facility (a hangar).

NOW, THEREFORE, in consideration of the mutual promises of the Lessor and Lessee as set forth below, the Lessor and Lessee agree as follows:

ARTICLE I
TERM AND EXTENSION

1. Commencement: This Agreement shall commence on May 1, 2024, and shall terminate on April 30, 2054, for a thirty (30) year period unless terminated sooner as permitted by this Agreement.

2. Renewal Option: Lessee shall have two (2) five (5) year options to renew this lease subject to the terms and conditions hereof, including the provisions governing the renegotiations of rental fees, unless no later than 180 days prior to the expiration of the Lease, the Lessee or Lessor serves upon the other notice in writing by registered mail addressed to such person at the address herein set forth stating the intention not to renew this lease.

A. Notice to exercise the option to renew this lease shall be submitted to the Lessor in writing 90 days prior to the expiration date at the address herein set forth.

B. Upon receipt of notice to exercise option, the Lessor shall prepare an addendum to the Lease agreement, which shall reflect the Lessor's current terms and conditions for Hangar Land Leases. Any modifications to the lease terms and conditions shall commence with the start of the option period.

ARTICLE II
LEASED PREMISES-PURPOSE

The Lessor leases to the Lessee the following described portion of the Airport and unless specifically stated otherwise, is referred to in this Agreement as the "Leased Premises".

A parcel of land approximately 85.93 feet wide by 70 feet long and containing approximately 6,015 square feet located south of Runway 3/21 hereinafter referred to as the "GA Area", which is more specifically shown on Exhibit A which is attached to and made a part of this Agreement. The leased parcel is to be used for the construction of a hanger facility by Lessee that will be used for the following purposes:

A. The inside storage of aircraft owned by Lessee and the storage of related materials and supplies and for no other purpose unless approved in writing by the Lessor.
B. Construction of hangar for lease or for sale by Lessee requires the following:
    1. If for lease, requires a Hangar Keepers agreement with Lessor
    2. If for resale, requires approval from Lessor to assign lease

ARTICLE III
FEES AND RENTALS

1. Rent: From and after the commencement date, Lessee agrees to pay Lessor the amounts semi-annually specified in EXHIBIT B as amended as described herein, payable in advance of the first day of billing period, for the duration of this agreement. No demand for payment need at any time be given; it shall be the duty of the Lessee to pay all monies when due.

2. Calculations of rentals for Leased Premises shall be adjusted by 3% on the third (3rd) anniversary of the commencement date and every three years thereafter during the initial term and any extension term, if exercised.

3. Pro-ration of Rents: In the event that the commencement or termination of the term, with respect to any of the particular premises, facilities, rights, licenses, services, and privileges herein provided, fall an any other date than the first or last day of a calendar month, the applicable rentals, fees, and charges for that month shall be paid pro-rata according to the number of days in that month during which said privileges were enjoyed.

4. Lessee agrees to pay an assessment for the cost of installation of sewer and water utilities to the subject property. Such costs to be determined by the Airport Director and will be prorated to fairly apportion the total cost of such utility installation among potential users. Such assessment shall not exceed actual costs

incurred. Costs shall include, but not be limited to, costs of materials, engineering costs, costs of installation, and utility district assessments. The method of payment of the assessment shall be determined by the Airport Director.

ARTICLE IV
GENERAL AVIATION HANGAR BUILDING MINIMUM SPECIFICATIONS

The provisions set forth in Exhibit "C" entitled Appleton International Airport General Aviation Hangar Building Minimum Specifications and any subsequent amendments thereto, are incorporated by reference and are made a part of this. If this Agreement and the Appleton International Airport General Aviation Hangar Building Minimum Specifications are in conflict in what they require of the Lessee, or in what they obligate the Lessee to do or not to do, the Appleton International Airport General Aviation Hangar Building Minimum Specifications shall control.

ARTICLE V
RESTRICTIONS UPON USAGE AND CONSTRUCTION

The property, which is the subject of the Lease, shall be used only for aviation related purposes as the term is defined in FAA regulations. Any improvements, including all buildings and appurtenance thereto, which may be constructed upon the Leased Premises, shall abide by all FAA regulations. In addition to meeting FAA regulations, all such improvements and their proposed locations shall be in accord with any other federal, state, or local building codes and/or other restrictions.

ARTICLE VI
RIGHTS AND PRIVILEGES OF LESSEE

Subject to the terms and conditions hereinafter set forth, Lessee is hereby given the following rights and privileges.

1. Ingress and Egress – Subject to rules and regulations governing the use of the Airport as may be established by the Lessor, the Lessee, its employees, suppliers of materials, furnishers of service, sub-lessees, business visitors, and invitees shall have the right of ingress and egress to and from the Premises leased exclusively to Lessee.

2. Quiet Enjoyment – The Lessor covenants that upon paying the rent and performing the covenants and conditions herein contained, Lessee shall peacefully and quietly have, hold, and enjoy the Leased Premises for the term of this Agreement. Lessee agrees that temporary inconveniences, such as noise, disturbances, traffic detours, temporary inaccessibility and the like, caused by or associated with the construction of Airport improvements or Airport events shall not constitute a breach of quiet enjoyment of the Leased Premises.

3. Storage – Lessee has the right to store aircraft on Lessee's Leased Premises; however, Lessee shall not engage in any other business or operation without the written consent of the Lessor. Lessee understands that a violation of this paragraph is a material default and breach of the Agreement, which gives the Lessor the rights set forth in Article XII.

4. Aeronautical Facility Use – Lessee shall be permitted to use, in common with others, existing and future aeronautical facilities at the Airport as they may exist or be modified, augmented, or deleted from time to time. These facilities include, but are not limited to the landing areas, their extensions and additions, roadways, aprons, and any air navigation facilities or other conveniences for the flying, landing, and taking-off of aircraft. Nothing herein shall prohibit the Lessor from modifying, augmenting, or deleting any such facilities.

5. Nonexclusive Use – This agreement shall not be construed in any manner to grant Lessee or those claiming under it the exclusive right to the use of the premises and facilities of the Airport other than those premises leased exclusively to the Lessee hereunder. Lessor reserves and retains the right for the use of the Airport by others who may desire to use the same pursuant to applicable laws, ordinances, codes, and rules and regulations pertaining to such use.

6. Sub-lease of hangar (requires Hangar Keepers Agreement) or lease assignment if so approved by Lessor. The Lessee shall not be allowed to sub-lease or re-lease land only.

ARTICLE VII
OBLIGATIONS OF LESSEE

Except as otherwise specifically provided herein, Lessee shall have the following obligations.

1. Conditions of Premises – Lessee accepts the Leased Premises in its present condition and, without expense to the Lessor, will maintain any installation thereon.

2. Construction – Lessee shall construct an aircraft storage unit (hangar) on the Leased Premises. A final set of construction plans that have been approved and stamped by a registered, professional engineer shall be submitted to and approved by the Airport Director before any construction begins. The construction plans shall include a site plan. The site plan shall include the location of utilities and utility connections, existing and proposed grades, site drainage information, paving details and all other items on the "Development Checklist." Lessee acknowledges having received a copy of the

"Development Checklist." Lessee is prohibited from deviating from the Lessor approved construction plans without written permission from the Lessor. Construction must begin within six (6) months from the execution of this Agreement and must be completed within six (6) months from the time construction begins. Construction scheduling and operations shall be coordinated with, and approved by the Airport Director before construction shall begin, such approval not to be unreasonably withheld. Lessee shall restore any and all portions of the Airport that are disturbed by Lessee or its contractors during construction at its expense, to the same condition as before construction began.

3. Maintenance, Exterior Storage, and Housekeeping – Lessee shall at its expense, keep, maintain, and repair the Leased Premises, any improvements thereto, and all equipment and buildings in a presentable and operable condition, consistent with good business practices, and in a manner preserve and protect the general appearance and value of other premises in the immediate vicinity. This shall include, but not be limited to roof, exterior painting, all doors, paved areas, lighting, grass, and landscaped areas within lease lines.

   Lessee further agrees that there will be no outside storage of equipment, materials, supplies, or damaged or partially dismantled aircraft on the Leased Premises, and will remove at its expense all trash, garbage, and drain oil, and not deposit the same on any part of the Airport except temporarily in conjunction with collection or removal.

   In the event Lessee does not keep the Leased Premises in a presentable condition, the Lessor has the right to issue a written notice to remedy the condition forthwith. Should Lessee fail to perform satisfactorily within ten (10) days of such notification, or show cause for extension of said time period, the Lessor shall have the right to perform, or have performed by an outside contractor the necessary work without liability, and Lessee aggress to pay the Lessor one hundred twenty five percent (125%) of such expenses within fifteen (15) days upon invoice receipt.

   In the event of fire or any other casualty to buildings or other structures owned by Lessee, Lessee shall either repair or replace the building or remove the damaged building and restore the Leased Premises to its original condition; such action must be accomplished within one hundred twenty (120) days of the date the damage occurred. Upon petition by Lessee, the Lessor may grant, at its sole discretion, an extension of time if warranted.

4. Commercial Operations – Lessee warrants that no commercial operations of any kind, including maintenance of aircraft for payment, or flight instruction for payment are permitted within or near the Leased Premises.

5. Additions of Alterations – Lessee shall have the right during the term of this Lease to make alterations, attach fixtures, or make other changes to the

structure in or upon the Leased Premises upon advance written approval of plans by the Airport Director.

6. Signage and Illumination – Lessee will not paint upon, attach, exhibit or display in or about the said Leased Premises any sign without the written consent of the Airport Director first being obtained regarding the nature and construction of said sign, such approval not to be unreasonable withheld.

7. Locks and Gate Access – Lessee agrees that all walk doors will be equipped with a heavy-duty lockset sufficient to meet all security requirements. One key shall be provided to Lessor. In the event Lessor needs to access Lessee's hangar and Lessor has not been issued a key, Lessor reserves the right to remove the lock. Lessee shall be responsible for charges associated with removal of the lock and cost of the new lock. Lessee shall pay a $10.00 as a deposit for each gate key. Gate keys shall not be duplicated. When a gate key is lost, stolen or unaccountable, it must be immediately reported to the Airport Public Safety at (920) 832-1633. The fee for a replacement gate access key is $10.00. Lessee agrees that the above-mentioned gate will remain locked in accordance with the Airport Security Plan (Article XXI). If the gate is inoperable or incapable of being fully closed, Public Safety must be notified.

8. Utilities – Lessee agrees to provide its own connections with utilities and to make separate arrangements with the agencies responsible for these utilities. Lessee shall pay for all utility service supplied to the Leased Premises, and if required by the utility agencies as a condition of providing the services, Lessee will install and pay for standard metering devices for the measurement of such services. In the event it shall become necessary to make utility service or facility changes, Lessee will either make such changes and installations, at its expense, as directed and required by the utility organizations, or pay the utility organization for such changes made. The Lessor shall have the right, without cost to the Lessee, to install and maintain in, on or across the Leased Premises, sewer, water, gas, electric, and telephone lines, electric substations, or other installations necessary to the operation of the Airport, or to service other tenants of the Lessor; provided, however, that the Lessor shall carry out such work and locate any above ground structures in a manner so as not to unreasonably interfere with the Lessee's use of the Leased Premises.

9. Discrimination – Lessee, for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration thereof, does hereby covenant and agree that: a) no person on the grounds of race, sex, color, physical handicap, or national origin shall be excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in the use of said facilities, b) that in the construction of any improvements on, over, or under such land and the furnishings of services, thereon, no person on the grounds of race, sex color, physical handicap, or national origin shall be

excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, and c) that the Lessee shall use the Leased Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

10. Costs of Enforcement – Lessee covenants and agrees to pay and discharge all reasonable costs, attorneys' fees, and expenses that shall be made and incurred by the Lessor in the enforcing the covenants and agreements of this Lease.

11. Taxes, Licenses, and Permits – Lessee shall obtain and keep current all municipal, county, state and federal licenses and permits that may be required in its operation. Also, the Lessee will bear, pay, and discharge all taxes, assessments and levies of every nature and kind which may be taxed, charged or assessed lawfully against the Leased Premises and improvements thereon, or which may be lawfully levied or imposed upon the leasehold by a governmental agency.

12. Liens – Lessee agrees to promptly pay all sums legally due and payable on account of any labor performed on, or materials furnished for the Leased Premises. Lessee shall not permit any liens to be placed against the Leased Premises on account of labor performed or material furnished, and in the event such a lien is placed against the Leased Premises, Lessee agrees to save the Lessor harmless from any and all such asserted claims and liens and to remove or cause to be removed any and all such asserted claims or liens as soon as reasonably possible.

13. Parking – Lessee agrees to prohibit vehicle parking on the Airport premises other than those vehicles specifically associated with the use of the Leased Premises, and no other. Lessee, its employees, sub-lessees, guests and invitees shall park only on Lessee's Leased Premises. Lessee, its agents or guests, are expressly prohibited from operating any vehicle on any area of the Airport considered a "movement area" by the Federal Aviation Administration, and agrees to hold Lessor indemnified from any such incursions. Lessee shall at all times comply with posted signs regulating the movement of vehicles.

14. Laws, Ordinances, Rules and Regulations – Lessee shall comply with, at its own expense, all applicable federal, state, or local laws, ordinances, rules or regulations of the Airport now in effect or hereafter promulgated. Any violation of this paragraph shall be construed as a material breach of this Lease Agreement authorizing the termination thereof at the election of the Airport Director, unless Lessee, upon receipt of written notice, takes immediate remedial measures acceptable to the Airport Director.

15. Storage of Flammable Fluids – Lessee agrees that the storage of gasoline or other flammable fluids in bulk quantities shall be limited to the Airport Fuel Farm or to such area as designated by the Airport Director. Lessee agrees that the storage of all other gasoline or flammable fluids shall be in an approved steel locker labeled "FLAMMABLE". The Airport Director may, in his discretion, prohibit or impose restrictions on the storage of said materials if, in the Director's opinion, the storage is determined as a safety hazard. The disposal of any hazardous chemicals or fluids on the Airport premises is prohibited. The Lessee further agrees not to transport, or cause to be transported, onto airport premises, gasoline or other flammable fluids for the purpose of self-fueling aircraft. The Lessee further agrees that fueling of aircraft on airport premises will be done only at airport approved locations or facilities.

16. Snow Plowing – Lessor agrees to be responsible for the plowing of snow on runways and taxiways, consistent with priorities established and specified in the Airport Snow and Ice Control Plan. It shall be the Lessee's responsibility to remove any snow on pavement areas from taxiway to their hangar. Lessee shall also be responsible for removing snow in vehicle parking stalls.

ARTICLE VIII
LESSOR'S RIGHT TO MORTGAGE LEASEHOLD INTEREST

1. Lessee shall at all times have the right to encumber by mortgage or other instruments, as security for an actual indebtedness, all of Lessee's right, title and interest in this Ground Lease including without limiting the generality of the foregoing, its right to use and occupy the Leased Premises together with its rights and interests in and to all Lessee's improvements now or hereafter placed on the Leased Premises; in all respects, however, subordinate and inferior to Lessee's fee interest or estate and its rights, title, privileges, liens or interests as provided in this Ground Lease and subject to all the covenants, terms and conditions of this Ground Lease and all the rights and remedies of Lessor hereunder. It is expressly understood and agreed that Lessee in no event shall have the right to encumber Lessor's fee interest or reversionary estate in any way. In the issuance of any mortgage or other instrument by Lessee, as security for an actual indebtedness, Lessee shall specifically exclude all the right, title interest and estate of Lessor.

2. Upon the written request of any such Mortgagee, or other secured person (hereinafter referred to as the Mortgagee) giving its address, Lessor shall mail to such Mortgagee at such address a duplicate copy of any and all written notices which Lessor may, from time to time, give to or serve upon Lessee under the terms of this Ground Lease.

3. To the extent that Lessee may grant the right to such Mortgagee under this Ground Lease, the Mortgagee may at its option at any time before termination of

this Ground Lease pay any amount or do any act or thing required of Lessee by the terms of this Ground Lease; and all payments so made and all acts or things so done and performed by such Mortgagee shall be as effective to prevent a termination of the Ground Lease or forfeiture of Lessee hereunder as the same would have been if done and performed by Lessee. Any such mortgage or other instrument given as security for an actual indebtedness of Lessee may provide, if Lessee so desires, that as between such Mortgagee and Lessee, said Mortgagee, on making good any default or debits of Lessee, shall thereby be subrogated to any and all of the rights of Lessee under the terms and provisions of this Ground Lease.

4. Such Mortgagee of Lessee's leasehold estate under a leasehold mortgage given pursuant to the provisions of this paragraph, shall not become personally liable for the obligations of Lessee under this Ground Lease unless and until it becomes the owner of Lessee's leasehold estate by foreclosure, assignment in lieu of foreclosure or otherwise, and thereafter shall remain liable for such obligations only so long as it remains the owner of such leasehold estate. In the event such Mortgagee becomes the owner of Lessee's leasehold estate as aforesaid, it may assign this Ground Lease provided all other requirements of this Ground Lease regarding assignment are satisfied. Lessor consent will not be unreasonably withheld.

5. The mortgage shall provide that, notwithstanding any other provisions of the mortgage, in the event of any default in the performance or observance of any of the terms and conditions of the mortgage, or the note or other indebtedness secured thereby (which such default shall not have been cured within the grace periods therefore accorded to Lessee, as Mortgagor, in the Mortgagee), the Mortgagee shall give written notice to Lessor of the continuance of such default and shall grant to Lessor an additional period (over and above any such grace periods) of ten (10) days from the date of Lessor's receipt of such notice within which to cure such default, and shall provide that any payment made by Lessor pursuant to such provision shall be recognized by the Mortgagee as fully as if made by Lessee; provided, however, that neither such provision nor any other provision of the mortgage shall be construed so as to impose any liability whatsoever on Lessor to make any payment or to perform or observe any covenant or condition of the mortgage or note or other indebtedness secured thereby.

6. The mortgage may provide for the assignment to the Mortgagee of any rents due and payable to Lessee with respect to any sublease or occupancy of portions of the property by parties other than Lessee. Said assignment of rents will be effective only upon default in the payment or performance of any obligations imposed by the terms of the mortgage or note or other indebtedness secured thereby; and the Lessee's right to collect rents from the subtenants shall be subordinate to the right of mortgage, in the event of a default under the mortgage, to collect such rents.

ARTICLE IX
RIGHTS AND PRIVILEGES OF THE LESSOR

Lessor, in addition to any rights herein retained by it, reserves the following privileges:

1. Lessor Representative – The Airport Director is hereby designated as the official representative for the enforcement of all provisions in this Agreement with full power to represent the Lessor in dealings with the Lessee in connection with the rights and obligations herein provided, actions relating to policy determination, modification of this Agreement, subsequent permissive authorization under this Agreement, termination of this Agreement, and any similar matters affecting the terms of this Agreement.

2. Airport Development – The Lessor has the right, but shall not be obligated to Lessee, to develop or improve the landing areas and other portions of the Airport as it sees fit, regardless of the desires or views of the Lessee, and without interference or hindrance. If the development of the Airport requires it, the Lessor has the right to either:
    a. Substitute another parcel of land for the Leased Premises and relocate Lessee's improvement(s) to that new parcel at no cost to the Lessee, or
    b. Purchase Lessee's improvements at fair market value, established by appraisal by a registered appraiser selected by mutual agreement, and terminate this Agreement. In the event of a substitution and relocation or a purchase and Agreement termination as permitted by this section, the Lessor shall have no liability to the Lessee for any loss, expense, damage or cost of any nature whatsoever that results from or is occasioned by the substitution and relocation or the purchase and Agreement termination.

3. Access to Leased Premises – To the extent necessary to protect the rights and interests of the Lessor, or to investigate compliance with the terms of this agreement, the Airport Director or his designee shall at any and all times have the right to inspect the Leased Premises, including all buildings, structures, and improvements erected thereon, subject to reasonable notice given to Lessee.

4. War, National Emergency, Riot, or Natural Disaster – During time of war, national emergency, riot, or natural disaster, the Lessor shall have the right to lease the entire airport or any part thereof to the United States Government or State of Wisconsin for military or National Guard use; and, if any such lease is executed, the provisions of this instrument, insofar as they are inconsistent with the provisions of the lease to the Government, shall be suspended.

5. Aerial Approaches – The Lessor reserves the right to take any action it considers necessary to protect the aerial approaches and transition surfaces of the Airport against obstructions, together with the right to prevent Lessee or sub-lessee from erecting, or permitting to be erected, any building or other structure on the Airport which, in the opinion of the Lessor, would limit the usefulness of the Airport or constitute a hazard to aircraft.

6. Unrestricted Right of Flight – There is hereby reserved to the County of Outagamie, Wisconsin, its successors and assigns, for the use and benefit of the public, a free and unrestricted right of flight for the passage of aircraft in the airspace above the surface of the premises herein conveyed, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in the air, using said airspace or landing at, taking off from, or operating on or about the Airport.

ARTICLE X
OBLIGATIONS OF THE LESSOR

Except as otherwise specifically provided herein, Lessor, during the term of this Lease, shall, within its financial ability, operate, maintain, and keep in good repair all appurtenances, facilities, and services now or hereafter connected with the Airport including, without limiting the generality hereof, all field lighting and other appurtenances, facilities, and services which Lessor has agreed to furnish and supply herein; provided, however, that Lessor shall not be required to perform maintenance and make repairs occasioned by the negligence of Lessee or guests. However, Lessor may perform such maintenance or make such repairs and charge the cost of same to Lessee, and Lessee aggress to reimburse Lessor for all costs incurred by Lessor in performing such maintenance and repair work. Lessor shall keep the Airport free from obstructions, including the clearing and removal of snow, grass, stones, or other foreign objects, as reasonably necessary and with reasonable promptness in accordance with established priorities, from the runways and taxiways, for the safe, convenient and proper use of the Airport by Lessee, and shall maintain and operate the Airport in all respects in a manner at least equal to the standards or ratings issued by the Federal Aviation Administration (FAA) for airports of substantially similar size and character.

ARTICLE XI
INSURANCE

1. Lessee shall comply with all Federal, State and local codes, laws regulations, standards, and ordinances, including those of the Occupational Safety and Health Administration (OSHA), the Wisconsin Department of Industry, Labor and Human Relations (DILHR) and all County rules and orders governing the performance of the work.

2. In order to protect itself and the County, its Officers, Boards, Employees or Representatives under the indemnity provisions of the paragraph above, Lessee will at all times during this Agreement keep in force as insurance as described in Exhibit D.

3. Limits established herein shall be subject to five (5) year review and may be increased by the Lessor due to general inflationary conditions provided at least sixty (60) days notice of such increased requirements shall be given to the Lessee.

4. Policies shall be issued by a company or companies authorized to do business in the State of Wisconsin and licensed by the Wisconsin Insurance Department. Coverage afforded shall apply as primary, with the County, its Boards, Officers, Employees and Representatives as additional insured's. The Lessor shall be given thirty (30) days advance notice of cancellation or non-renewal during the term of this Agreement. Upon execution of this Agreement, Lessee shall furnish Lessor with a certificate of insurance and, upon request, certified copies of the required insurance policies, which said certificate policy copies shall be filed with the Office of the County Clerk of Outagamie County. In the event any action, suit or other proceedings is brought against the Lessee upon any matter herein indemnified against, the Lessee shall, within five (5) working days, give notice thereof to the Lessor and shall cooperate with their attorneys in the defense of the action, suit or other proceedings.

ARTICLE XII
INDEMNIFICATION AND HOLD HARMLESS

Lessee agrees at all times during the term of this agreement to indemnify, hold harmless and defend the County, its Boards, Officers, Employees and Representatives against any and all liability, including claims, demands, losses, damages, costs or expenses, including attorney fees, which the County, its Boards, Officers, Employees and Representatives may sustain, incur or be required to pay by reason of bodily injury, personal injury or property damage of whatsoever nature or kind arising from the lease, Lessee's conduct under the lease, or Lessee's conduct or action on airport grounds, unless such liability arises out of the sole negligence of the County.

Lessee further agrees to indemnify, hold harmless and defend the County, its Boards, Officers, Employees and Representatives against any and all claims, demands, losses, damages, costs or expenses, including attorney fees, which the County, its Boards, Officers, Employees and Representatives may sustain, incur or be required to pay resulting from the spill, discharge, dispersal, seepage, migration, release or escape of any pollutants being utilized by the Lessee or in the custody or control of the Lessee.

Nothing contained in this agreement is intended to be a waiver or estoppels of the County to rely upon the limitations, defenses, and immunities contained within Wisconsin law, including, but not limited to, those contained within Wisconsin Statutes 893.80, 895.52 and 345.05. To the extent that indemnification is available and enforceable, neither the municipality nor its insurer shall not be liable in indemnity and

contribution for an amount greater than the limits of liability for municipal claims established by Wisconsin law.

ARTICLE XIII
SUBLEASE or ASSIGNMENT

The Lessee shall not sublease the Leased Premises, or any part of the Leased Premises without the express written consent of the Lessor, such consent not to be unreasonably withheld. However the Lessee shall have the specific right to assign the Lease and all of its rights and duties hereunder to a bona-fide lending institution, and the Lessor hereby permits the Lessee to encumber and grant a security interest in any property or property rights, real or personal, it may have in the Leased Premises or property located thereon. Further, the Lessor will not unreasonably withhold its consent to the use of the Leased Premises by any person, persons or company obtained by any of Lessee's lenders in the event any lender forecloses on any of the above mentioned property. This lease may be so assigned and the Leased Premises so sublet for another air-oriented purpose other than that described in this lease if the Lessor approves such purpose. Any assumption of this lease under these or other provisions, shall obligate the person or persons to pay any and all past due rent before approval of transfer will be given. At a minimum, the Lessor will require that any sublease agreement be in writing and that it include: that the agreement be subject to the terms and conditions of this Agreement; that sub-lessees maintain aircraft liability insurance in the amounts and in the manor prescribed in this agreement.

ARTICLE XIV
DEFAULTS AND REMEDIES

The occurrence of any one or more of the following events shall constitute a material default and breach of this Agreement by the Lessee.

1. The filing by Lessee of a voluntary petition in bankruptcy.
2. The institution of proceedings in bankruptcy against Lessee and the adjudication of Lessee as bankrupt to such proceedings.
3. The taking by a court of jurisdiction of Lessee and its assets pursuant to proceedings brought under the provisions of any Federal Reorganization Act.
4. The appointment of a receiver of Lessee's assets, or any general assignment for the benefit to Lessee's creditors.
5. The divestiture of Lessee's estate herein by other operation of law.
6. If the Lessee shall abandon the building(s) and improvements or vacate the Leased Premises and not desire to sell or remove the building(s) before the expiration of this Agreement, the Airport Director shall be at liberty, at his option, to re-let the same. Abandonment, for this Agreement, shall be defined as the non-use of the Leased Premises from its specified purpose during a consecutive six (6) month time period. Any proceed received by Lessor under this paragraph shall be applied first to the payment of rent under article three (3) of this Agreement; second to the reduction of any debt incurred by the

Lessee to finance construction of any building(s) on the Leased Premises or the acquisition of any equipment of the Leased Premises abandoned by the Lessee; and third to the benefit of the Lessee.

7. The filing of any lien against the Airport or any of its property as the result of any act or omission of Lessee, if the lien is not discharged or contested in good faith by Lessee (as determined by the Lessor) within fifteen (15) days of Lessee's receipt of notice of the lien, unless Lessee posts a bond within this time period equal to the amount of the lien.
8. The transfer of Lessee's interest herein by other operation of the law.
9. Lessee becomes in arrears in the payment of the whole or any part of the amount(s) agreed upon hereafter for a period of sixty (60) days after such a payment becomes due.
10. The nonpayment of any real estate and/or personal property taxes levied by Outagamie County against Lessee's property after such taxes become due.
11. The falsification by the Lessee of any of its records or figures so as to deprive the Lessor of any of its rights under this Agreement.
12. The failure by Lessee to perform any of the covenants, conditions, or obligations imposed on it by this Agreement where the failure continues for a period of fifteen (15) days after written notice by the Lessor.
13. Notification of the Lessor by the Federal Aviation Administration (FAA) that Lessee's building(s) violates Federal Aviation Regulations (FARs), including obstacle clearance criteria, and requires the building(s) and appurtenances to be removed prior to continued federal funding for Airport Improvement Projects (AIP) or other projects at the Airport.
14. The transfer or assignment, or attempted transfer or assignment of this Agreement by Lessee, without securing prior written approval of the Lessor, such approval not to be unreasonably withheld. It shall be understood for the purpose of this part that negotiations by Lessee for the assignment or transfer of this Agreement shall not be construed as "attempted transfer".

In the event of a breach of this Agreement by Lessee, the Lessor shall be entitled to any and all legal and equitable remedies available to it under applicable law. Without limitation, these remedies shall include the following, which are cumulative and not exclusive:

1. Specific performance of any obligation of Lessee.
2. Declaratory and injunctive relief.
3. The recovery of all damages of any nature that result from the Lessee's breach, which damage include unpaid rent, fees and other payments, and the loss of future rent.
4. Reasonable attorney fees for services related to Lessee's breach of this Agreement, including fees for attorneys who are County employees
5. The termination of this Agreement and repossession of the Leased Premises by the Lessor. If this Agreement is terminated, the Lessee shall remove all property owned by it from the Leased Premises and restore and surrender the Leased Premises to the Lessor in the same condition as when originally received. If the Lessee fails to remove its property and to restore and

surrender the Leased Premises as required, the Lessor may do so and the Lessee shall be liable to the Lessor for all expenses of removing the property (including storage fees, if any) and restoring the Leased Premises.

The failure of the Lessor to declare this Agreement terminated for any of the reasons set out above shall not bar the right of the Lessor to subsequently terminate this Agreement for any of the reasons set out above. Further, the acceptance of rental or fees by the Lessor for any period after a default by Lessee shall not be deemed a waiver of any right on the part of the Lessor to terminate this Agreement.

ARTICLE XV
CANCELLATION BY LESSEE

Lessee may cancel this Agreement at any time it is not in default in its obligations by giving the Airport Director thirty (30) days written notice to be severed as hereinafter provided after the happening of any of the following events, if such event materially impairs the conduct of Lessee's normal business on the Airport:

1. The issuance by a court of competent jurisdiction of any injunction in any way preventing or restraining normal use of the Airport or any substantial part of it, and the remaining in force of such injunction for a period of sixty (60) consecutive days, such injunction not being the result of any fault of Lessee;

2. The inability of Lessee to use, for a period of six (6) consecutive months, the Airport or any substantial part of it due to enactment or enforcement of any law or regulation, or because of fire, earthquake, or similar casualty of Acts of God or the public enemy; or

3. The lawful assumption by the United States Government of the operation, control or use of the Airport or any substantial part of it for military purposes in time of war or national emergency for a period of at least sixty (60) days.

However, should Lessee choose not to cancel this Agreement, all fees and charges payable by Lessee under this Agreement shall abate until such time that operations return and the term of this Agreement shall be extended for the time of such suspension.

Failure of Lessee to declare this Agreement canceled for any of the reasons set out above shall not operate to bar or destroy the right of Lessee to cancel this Agreement by reason of any subsequent occurrence of the described events.

ARTICLE XVI
REMEDIES CUMULATIVE; NO WAIVER

All of the rights and remedies given to the Lessor in this Agreement are cumulative and no one is exclusive of any other. The Lessor shall have the right to pursue any one or all of such remedies or any other remedy or relief that may be provided by law, whether

stated in this Agreement or not. The failure of the Lessor to take action with respect to any breach by Lessee of any covenant, condition, or obligation in this Agreement shall not be waiver of such covenant, condition, or obligation. The acceptance by the Lessor of any rent or other payment shall not be a waiver by it of any breach by Lessee of any covenant, condition or obligation.

ARTICLE XVII
INDEPENDENCE OF CONTRACT

It is further mutually understood and agreed that nothing herein contained is intended or shall be construed as in any way creating or establishing the relationship of co-partners between parties hereto or as constituting the Lessee as the agent or representative or employee of the Lessor for any purpose or in any manner whatsoever.

ARTICLE XVIII
WAIVER OF SUBROGATION

The Lessor and Lessee hereby release each other from any and all responsibility to the other for any loss of damage to property caused by fire or other peril if the property is insured for such loss or damage in any policy of insurance, even if such loss or damage is caused by the fault or negligence of the other party or anyone for whom such party is responsible. The Lessor and the Lessee agree that to the extent any such policy of insurance provides a right of subrogation in the insurer, or to the extent a right of subrogation exists independent of such policy, each will indemnify and hold the other harmless for any loss, claim or expense suffered as the result of any action taken pursuant to the right of subrogation. Both Lessor and Lessee shall have their property and aircraft physical damage insurance carriers add the "waiver of subrogation" to their respective insurance policies.

ARTICLE XIX
SEVERABILITY

In the event that any provision herein contained is held to be invalid by any court of competent jurisdiction, the invalidity of any such provision shall in no way affect any other provision contained herein, provided that the invalidity of any such provision does not materially prejudice either the Lessor or Lessee in their respective rights and obligations contained in the valid provisions of this Agreement.

ARTICLE XX
SECURITY PLAN

The Lessor has implemented an Airport Security Plan in a form acceptable to the Transportation Security Administration (TSA) pursuant to 14 Code of Federal Regulations Part 1542. The Lessor reserves the right to modify that plan from time to time, as it deems necessary to accomplish its purposes. Lessee shall at all times comply

with the Security Plan and indemnify and hold harmless the Lessor from any violations of said Security Plan committed by the Lessee, its agents, guests, invites, or persons admitted by the Lessee to the Leased Premises. Any violation of this paragraph is considered a material breach of this Agreement, which gives the Lessor the rights set forth in Article XII.

1. Lessee acknowledges Lessor's responsibility to maintain the integrity of the airfield security perimeter and agrees to comply with all Airport rules and regulations, security procedures and Federal Aviation rules, regulations and guidelines pertaining to the security and safety of the Leased Premises and adjacent area and the airfield operations area, including the ingress and egress thereto.
2. Lessee shall read the attached Air Operations Training Program (Exhibit D), in accordance with 49 CFR 1542.213(c), and shall certify, by signing the certification form, that this has been completed and Lessee fully understands the obligations of having access to the Air Operations Area. Furthermore, Lessee shall ensure that any members or guests of the hangar are informed of this training.
3. Should the Transportation Security Administration determine that security has been breached due to the negligence of Lessee and fine the Airport, Lessee agrees to reimburse Airport for the fine.
4. Lessee acknowledges the Airports has established an ID Badge System for the entire Airport and agrees to cooperate in the badging of it employees or agents. Lessee agrees to pay the fees as established by the Airport for such purpose.

ARTICLE XXI
RULES AND REGULATIONS

County shall adopt and enforce reasonable rules, regulations and ordinances which Lessee agrees to observe and obey, with respect to the use of the Airport, which shall provide for the safety of those using the same; provided that such rules, regulations and ordinances shall be consistent with safety and with rules, regulations and orders of the FAA with respect to aircraft operations safety and security at the Airport; and provided further, that such rules and regulations shall not be inconsistent with the provisions of this Agreement or the procedures prescribed or approved from time to time by the FAA. Lessee shall not violate, or knowingly permit its agents, contractors or employees acting on behalf of Lessee to violate any such Rules and Regulations.

ARTICLE XXII
NOISE ABATEMENT

1. Lessor and Lessee agree that Lessor does not, in any manner, either expressly or impliedly, covenant or represent that the Leased Premises may be used free from any noise restrictions that may now or hereafter be in force with regard thereto and that Lessee shall bear sole responsibility for the extent of noise created by its use of the Leased Premises.

2. Lessee shall abide with all standards established for engine run-up and noise abatement rules, regulations and procedures as specifically set forth by Federal and State regulation, Outagamie County Ordinances, and/or Airport Policies lawfully developed for aircraft operations at Appleton International Airport, provided Lessee shall have an opportunity to participate in the development of such policies.

ARTICLE XXIII
EPA STANDARDS

Lessee shall abide with all standards established for Environmental Protection of storm water runoff as per the approved plan for Outagamie County.

ARTICLE XXIV
ENVIRONMENTAL MATTERS

1. Lessee represents and warrants that any handling, transportation, storage, treatment or usage of toxic or hazardous substances by Lessee that will occur on the Leased Premises during the term of the Lease or any renewals thereof shall be in compliance with all applicable federal, state and local laws, regulations and ordinances.

2. Lessee hereby agrees to indemnify, defend, protect and hold harmless Lessor and Lessor's agents, and their respective successors and assigns, from any and all claims, judgments, damages, penalties, fines, costs, liabilities, and losses (including, without limitation, loss, or restriction on use of rentable space or of any amenity of the premises and sums paid in settlement of claims, attorneys' fees, consultant's fees, and expert's fees) that arise during or after the leased term directly or indirectly from the presence of hazardous materials on, in, or about the Leased Premises which is caused by Lessee or Lessee's agents. This indemnification by Lessee of Lessor and Lessor's representatives includes, without limitation, any and all costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal, or restoration work required by any federal, state, or local governmental agency or political subdivision because of the presence of such hazardous material in, on, or about the Leased Premises or the soil or ground water on or under the building or any portion thereof. Lessee shall promptly notify Lessor of any release of hazardous materials in, on, or about the Leased Premises that Lessee or Lessee's agent becomes aware of during the leased term of this Lease, whether caused by Lessee, Lessee's agent, or other persons or entities.

ARTICLE XXV
DELINQUENT CHARGES

Late payment of all rents, fees and charges outlined in this Agreement are subject to the following interest charges; unless waived by the County Board of Supervisors, Lessee

shall be responsible for payment of interest on amounts not remitted in accordance with the requirements of this Agreement. The rate of interest shall be equivalent to the statutory rate in effect for delinquent County property taxes (presently 1 percent per month or fraction of a month) as described in Subsection 74.80(1), Wisconsin Statutes. The obligation for payment and calculation thereof shall commence thirty (30) days after the due date(s) established within this Agreement for the various rents, fees and charges.

ARTICLE XXVI
SUCCESSORS AND ASSIGNS BOUND

All of the provisions of this Agreement shall bind the legal representatives, successors, and assigns of the respective parties.

ARTICLE XXVII
GOVERNING LAW; VENUE FOR DISPUTES

This agreement shall be deemed to have been made in, and shall be construed in accordance with the laws of the State of Wisconsin. Any lawsuit related to or arising out of disputes under this Agreement, shall be commenced and tried in the circuit court of Outagamie County, Wisconsin, and Lessor and Lessee submit to the exclusive jurisdiction of the circuit court for such violation.

ARTICLE XXVIII
ENTIRE AGREEMENT

This agreement contains and embodies the entire Agreement between the Lessor and the Lessee and supersedes and replaces any and all prior agreements, understandings, and promises on the same subject, whether they are written or oral.

ARTICLE XXIX
HOLDOVER POSSESSION OF PREMISES BY LESSEE

In the event that the Lessee should hold over and remain in possession of the Leased Premises after the expiration of this Agreement or termination for any other cause, such holding over shall be deemed not to operate as a renewal or extension of this Agreement and shall create a tenancy from month to month which may be terminated at any time by the Lessor or Lessee.

ARTICLE XXX
RIGHTS UPON TERMINATION

Upon expiration of this Agreement or upon termination of this Agreement, the Lessor may, in its sole discretion, do any of the following:

1. Negotiate a new agreement with Lessee;

2. Take title to all structures located on the Leased Premises; or

3. Order and require Lessee to remove all structures located on the Leased Premises and restore the site to its original condition within sixty (60) days.

Lessee has the right, upon termination, to remove all structures and improvements from the Leased Premises and restore the Leased Premises to its original condition.

ARTICLE XXXI
PARAGRAPH HEADINGS

All paragraph headings contained in this Agreement are for convenience in reference only, and are not intended to define or limit the scope of any provision.

ARTICLE XXXII
NOTICES

All fees due under this Agreement shall be made payable to Outagamie County Treasurer, and shall be remitted to the Outagamie County Courthouse, 320 South Walnut Street, Appleton, Wisconsin 54911.

Notices shall be sufficient if hand delivered or sent by certified mail, postage prepaid, addressed to:

Lessor	Lessee
Airport Director	Dylan Milis
Appleton International Airport	Milis Enterprise, LLC
W6390 Challenger Drive, Suite 201	W4567 County Road KK
Appleton, WI 54914-9119	Kaukauna, WI 54130

Or to such other addresses as the parties may designate to each other in writing from time to time.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals this day of 3/22, 2024.

GENERAL AVIATION HANGAR BUILDING MINIMUM SPECIFICATIONS

Below are the minimum specifications for building an aircraft hangar at the Appleton International Airport. Please contact the Airport Director for consideration of and deviations to these minimum specifications.

PART ONE - GENERAL REQUIRMENTS

A. Application
    1. This building code applies to all buildings constructed for the storage of aircraft within the boundaries of Appleton International Airport, Outagamie County, Wisconsin.
    2. Hangars are intended for non-commercial single engine or light twin engine aircraft.
B. Approvals
    1. State of Wisconsin
        a. Building plans must meet all applicable requirements of the Wisconsin Administrative Code and the Department of Safety and Professional Services.
    2. Local Building Permits Required:
        a. Town of Greenville
    3. Airport Director
        a. Review and approval is required for all building plans and specifications.
            1. Submit complete set of plans. Specifications and shop drawings.
            2. Submit color chips for color selection.
            3. Provide copies of local building permit for Airport Records
        b. Compliance with Appleton International Airport height and zoning ordinances is required.
        c. Variances
            1. Requests for variances from these requirements shall be submitted in writing and will be reviewed by the Airport Director on a case-by-case basis.
            2. Costs of engineering or architectural review that may be required for variance approval shall be paid by the applicant.
    4. All plans must be sealed by an architect or professional engineer licensed to practice in the State of Wisconsin.

C. Size Requirements
    1. Single or Light Twin Engine Aircraft
        a. Each hangar shall be a minimum of 1400 square feet.
        b. Each hangar shall be a maximum size to accommodate lot size and setback requirements.
D. Setback requirements
    1. Side yard: 10 feet
    2. Front yard: 25 feet
    3. Rear yard: 25 feet from taxiway
    4. Must meet state and local building code requirements.

E. Design Requirements
1. Roof Load: 30 psf minimum plus snow drift loading.
2. Wind Load: 20 psf minimum
3. Building plans must show dead weights attributable to suspended equipment, etc.

PART TWO-QUALITY ASSURANCE

A. Reference Specifications
1. American Concrete Institute:
ACI 301 Specifications for Structural Concrete for Buildings
ACI 302 Guide for Concrete Floor and Slab Construction
ACI 303 Guide to Cast-in-Place Architectural Concrete Practice
ACI 304 Recommended Practice for Measuring, Mixing, Transporting, and Placing Concrete
ACI 533 Precast Concrete Wall Panels
2. American Institute of Steel Construction:
AISC Steel Construction Manual
3. American Institute of Timber Construction:
AITC Timber Construction Manual
4. American Iron and Steel Institute:
AISI Light Gauge Formed Steel Design Manual
5. American National Standards Institute:
ANSI A41.1 American Standard Building Code for Masonry
6. American Society for Testing and Materials:
ASTM C94 Ready Mixed Concrete
ASTM C90 Hollow Load-Bearing concrete Masonry Units
ASTM C144 Aggregate for Masonry Mortar
ASTM C150 Portland Concrete
7. National Concrete Masonry Association:
NCMA TR90 Architectural and Engineering Concrete Masonry Details for Buildings
8. National Fire Protection Association:
NFPA 10 Standard for Portable Fire Extinguishers
NFPA 70 National Electrical Code
NFPA 409 Standard on Aircraft Hangar
9. Precast Concrete Institute:
PCIMNL 117 Manual for Quality Control for Plants and Production of Architectural Precast Concrete Products
10. Wisconsin Commercial Building Codes:
COMM 61, Part 412 Aircraft Hangars
11. Wisconsin Department of Transportation:
WisDOT 209 Granular Backfill
WisDOT 212 Granular Subbase Course
WisDOT 304 Crushed Aggregate Base Course
WisDOT 405 Plant Mixed Asphaltic Bases Pavements - General Requirements
WisDOT 407 Asphaltic Concrete Pavement
WisDOT 408 Seal Coat
WisDOT 415 Concrete Pavement
WisDOT 505 Steel Reinforcement
WisDOT 625 Topsoil and Salvaged Topsoil
WisDOT 630 Seeding

B. All reference specifications shall be the latest available edition, including supplemental specifications.

PARTTHREE- MATERIALS AND EXECUTION

A. Building systems
   1. Acceptable Building Systems
      a. Heavy timber frame with steel sheathing.
         1. Pole buildings will be allowed only on a case-by-case basis.
      b. Steel frame with steel sheathing.
      c. Requests for other building systems shall be submitted and will be reviewed by the Airport Director on a case-by-case basis.
   2. Structural Requirements
      a. Structural members and bearing walls shall be of combustion-resistant materials.
      b. Structural steel shall be designed in accordance with AISC requirements.
         1. Exposed material, which is not galvanized or painted, shall be given and coat of aluminum or zinc chloride shop primer as appropriate prior to erection.
         2. Bolts shall be eletro-galvanized.
      c. Structural timber shall be designed in accordance with AITC requirements.
         1. Anchors, connectors, hangers and nailing clips shall be galvanized or black copolymer coated steel.
   3. Steel Sheathing Requirements
      a. Cold formed steel shall be designed in accordance with AISI requirements.
      b. All materials, whether exposed or not to the elements, shall be galvanized, galvalume or aluminized.
      c. Bolts
         1. Bolts furnished with galvanized materials shall be electro-galvanized.
         2. Bolts furnished with aluminized or galvalume steel panels shall be AISI Type 430 stainless steel.
         3. All bolts exposed to the weather shall be furnished with a contained nylon washer under the head for sealing.
      d. Exterior metal-to-metal laps shall be sealed with a sealer approved by or supplied by the panel fabricator.
         1. Sealer shall not run, separate or deteriorate rapidly with age.
      e. Wall Panels
         1. Panels shall be roll-formed from flat steel to the following Specifications:
            a) Thickness: 22 ga minimum
            b) Pattern: 7/8" corrugated metal with exposed fasteners. Vertical panels.
            c) Major Rib spacing: 2.67 inches
            d) Panel Coverage: 32 inches

         2. Panels shall be galvanized, galvalume or aluminized coated steel with epoxy and polyester finish.
         3. Panels shall overlap a minimum of 1 ½ inches at all seams and be securely fastened and sealed.

4. Flashing and closure pieces shall be manufactured from materials of similar quality as the panels.
5. Exposed fasteners shall match or be painted to match the panels.
6. Wall panels shall be erected with sufficient intermediate support to withstand the design wind loads.

f. Roof Panels
1. Panels shall be roll-formed from flat steel to the following specifications:
a) Thickness: 24 ga minimum
b) Pattern: 3" high vertical ribs, 24" panel width

2. Panels shall be galvanized, galvalume or aluminized coated steel.
a) G90 galvanized coating or,
b) .65 ounce per square foot of aluminum.
3. Longitudinal seam shall be of the crimped standing seam type and be securely fastened and sealed.
4. End splices shall be formed with a minimum overlap of 6 inches and be securely fastened and sealed.
5. Seams and splices shall be completely weathertight and capable of developing the entire bending moment and axial load capability of the panel.
6. Provide pre-formed ridge cap.
7. Provide metal closures at the eave and ridge.

g. Decorative Panels
1. Use of brick masonry for ornamentations shall conform to the recommendations of the Brick Institute of America.
2. Use of stone for ornamentation shall conform to the recommendations of the Building Stone Institute.

B. Detail Requirements
1. Floors:
a. Floors shall be liquid-tight and sloped toward the aircraft door and apron.
b. Materials:
1. Floor sections shall be designed to accommodate the intended aircraft loading.
2. Floor sections shall be constructed of Portland Cement Concrete or Asphaltic concrete pavement and shall be sufficient to meet aircraft loads.

2. Aircraft Doors.
a. Types.
1. Vertical bi-fold.
2. Canopy.
3. Vertical lift.

b. Materials.
1. Door panels shall meet the applicable requirements for steel wall panels.

c. Electric door operators.
1. All electric controls shall be designed to meet NFPA 70 standards, including Article 513, Aircraft Hangars, and shall be "weatherproof".

3. Walk Doors
    a. All walk doors must meet state and local building code requirements.
    b. All walk doors must be constructed of metal.
    c. All walk doors must be equipped with a lockset- heavy-duty Schlage- Rhoads or equivalent, with an E-keyway.

4. Interior Partitions
    a. Areas shall meet state and local building code requirements.
5. Finishes
    a. Exterior
        1. Wall color shall be silver metallic
        2. Trim color shall be silver metallic
        3. Roof color shall be silver metallic
    b. Color samples must be submitted to the Airport Director and shall be approved by the Airport Director prior to painting.
6. Fire Extinguishers.
    a. Sufficient fire extinguishers shall be provided so that no part of the hangar structure is more than 75 feet away from an extinguisher.
    b. Extinguishers shall be wall mounted using compatible hardware adjacent to a fire exit, and clearly identified.
    c. Extinguishers shall meet NFPA 10 standards.
    d. Approved types.
        1. Multi-purpose Dry Chemical UL 20A-120 B/C.
        2. Carbon Dioxide UL 120 B/C.
        3. Halon 1211 UL 4A-80 B/C.
7. Utilities.
    a. Electricity.
        1. Underground electrical service will be furnished to a nearby distribution point.
        2. Connections to the building shall be the responsibility of the hangar owner(s).
        3. Interior wiring shall be the responsibility of the hangar owner(s).
        4. Separate meters will be required for each building.
        5. AH wiring shall be done in accordance with NFPA 70, including Article 513 (Aircraft Hangars).
    b. Telephone.
        1. Underground telephone service is optional and will be provided at the hangar owner's expense.
    c. Water.
        1. Potable water service is optional and will be provided at the hangar owner's expense.
        2. Service must be requested prior to start of construction.
        3. Connections to watermains will be provided upon main installation.
    d. Sanitary Sewer.
        1. Sanitary sewer service is optional and will be provided at the hangar owner's expense.
        2. Service must be requested prior to start of construction.
        3. Connections to sanitary sewer mains will be provided upon main installation.

e. Gas Service
    1. Underground gas service will be furnished to a nearby distribution center.
    2. Connections to building shall be the responsibility of the hangar owner(s).
    3. Separate meters will be required for each building.
    4. All connections shall meet state and local building codes.

8. Foundation
    a. The foundation must meet appropriate state and local building codes
9. Drainage
    a. Installation of gutters and roof drains may be required for the protection of adjacent structures.
    b. Connection of roof drains or area inlets to storm sewers may be required for the protection of adjacent structures.

C. Storage and Erection
1. Provide erosions control measures and, when required, implementation plan as required by governing agencies prior to start of site work.
2. Building material stored on site prior to erection shall be stacked on platforms or pallets covered with suitable watertight wind-resistant coverings.
3. Storage and erection shall be conducted in such a manner that there is no interference with aircraft operations from adjacent hangar sites or from elsewhere on the airfield.
4. Erection practices shall conform to the applicable ACI, AISC, and AITC standards.

D. Site Requirements
1. Approach paving
    a. Hangar owner will be responsible for approach paving from the hangar door to the taxiway.
    b. Approach paving shall be designed to accommodate the intended aircraft loading and a minimum of 3 inches of asphalt on an appropriate base course.
    c. Approach paving shall be graded appropriately, sloped away from building to taxiway and to meet existing grades between the buildings and taxiway.
2. Site Restoration
    a. Unpaved portions of the site shall be level graded and covered with a minimum of 4 inches of salvaged topsoil according to the requirements of WisDOT Specification 625.
    b. Top soiled areas shall be seeded and maintained in accordance with lease specifications.
3. External Storage
    a. External storage of materials of any kind will not be permitted.
        1. Parking will be provided on site.
        2. Parking on the hangar approach or taxiway will not be permitted.

E. Security Fence
1. Hangar owner must coordinate the removal of the existing chain link fence with the Airport Director before beginning construction.

2. Hangar owner will be responsible for maintaining a security fence during the construction process.
3. Hangar owner must erect a minimum 7-foot-high fence with 1-foot barb wire chain link security up to and between buildings. In coordination with the Airport Director, the existing security fence may be reused to meet this requirement. Fence poles must be a minimum of 2 inches, located a maximum of 3 inches from the building, and poured into a concrete base.

EXHIBIT D

Insurance Requirements for Independent Contractors and Vendors

Section 1 - Indemnification and Hold Harmless Clause (This language is required in all contracts):

_____ (Contractor / Vendor Name) agrees at all times during the term of the agreement to indemnify, hold harmless and defend the County, its Boards, Committees, Officers, Employees, Authorized Representatives and Volunteers against any and all liabilities, losses, damages costs or expenses (including, without limitation, actual attorney's and consultant's fees) which the County, its Boards, Committees, Officers, Employees and Representatives may sustain, incur or be required to pay by reason of or in any way related to bodily injury, personal injury or property damage of whatsoever nature or in connection with or in any way related to the performance of the work by _____ (Contractor/Vendor Name), its employees, agents and anyone employed directly or indirectly by any of them or by anyone for whose acts any of them may be liable, provided, however, that the provisions of this section shall not apply to liabilities, losses, charges, costs or expenses caused solely by or resulting from the gross negligent acts or omissions of the County, its Agencies, Boards, Committees, Officers, Employees, Authorized Representatives or Volunteers. It is agreed that Contractor/Vendor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. Contractor's/Vendor's indemnity obligations shall not be limited by any worker's compensation statute, disability benefit or other employee benefit or similar law or by any other insurance maintained by or required of Contractor/Vendor. Nothing contained in this agreement is intended to be a waiver or estoppels of the County to rely upon the limitations, defenses, and immunities contained within Wisconsin law, including, but not limited to, those contained within Wisconsin Statutes 893.80, 895.52 and 345.05. To the extent that indemnification is available and enforceable, neither the municipality nor its insurer shall not be liable in indemnity and contribution for an amount greater than the limits of liability for municipal claims established by Wisconsin law.

Section 2 - Compliance with Laws, Regulations, Permits, Etc. Clause (This language is required in all contracts):

The _____ (Contractor/Vendor Name) shall comply with all Federal, State and local codes, laws, regulations, standards, and ordinances, including, without limitation, those of the Occupational Safety and Health Administration (OSHA), the Wisconsin Department of Safety and Professional Services and all County rules and orders governing the performance of the work performed by the Contractor/Vendor, its employees, agents and subcontractors or anyone employed directly or indirectly by any of them or by anyone for whose acts any of them may be liable. In addition, any material, equipment or supplies provided to the County must comply with all safety requirements as set forth by the Wisconsin Administrative Code, Rules of the Industrial Commission on Safety and all applicable OSHA Standards. Effective May 1, 2007 employers performing work on qualified public works construction projects in Wisconsin for municipal government and state building projects will be required to have a written substance abuse testing program in place. The provisions of this requirement are contained in Wisconsin Statute § 103.503.

Section 3 - Subcontractors Clause (This language is required in all contracts):

The _____ (Contractor/Vendor Name) shall require each of their Subcontractors to take out and maintain, during the life of their subcontract the same insurance coverages as required under section 6, below, including without limitation naming the County, its Boards, Committees, Officers, Employees, Authorized Representatives and Volunteers as additional insureds with respect to all commercial general liability insurance policies. Each Subcontractor shall furnish to the _____ (Contractor/Vendor Name) two (2) copies of all certificates of insurance in a form acceptable to the County. The _____ (Contractor/Vendor Name) shall furnish one copy of

each of the certificates of insurance, and any other evidence of insurance requested by the County, to the County prior to the commencement of any work to be performed by Contractor/Vendor or its Subcontractors. The County reserves the right to immediately terminate the contract with no liability or obligation to Contractor/Vendor or its Subcontractors, if the Subcontractor is not in compliance with these insurance requirements.

Section 4 - Proof of Insurance (This language is required in all contracts):

Policies shall be issued by a company or companies authorized to do business in the State of Wisconsin and licensed by the Wisconsin Insurance Department and having an "AM Best" rating of A- or better. Acceptance of Contractor's insurance by County shall not relieve or decrease the liability of the Contractor hereunder. Any deductible or self-insured retention amount or other similar obligation under the policies shall be the sole responsibility of the Contractor. Coverage afforded shall apply as primary and non-contributory, with the County, its Boards, Committees, Officers, Employees, Authorized Representatives and Volunteers named as **additionally insureds (with respects to any and all insurance policies identified in Section 6, as allowed by law)**. All liability insurance policies (except professional liability policies) to be maintained hereunder by Contractor/Vendor shall be occurrence based and not claims made policies. The County shall be given thirty (30) days advance notice of cancellation or nonrenewal of any and all required insurance coverages during the term of this agreement. Prior to the execution of this agreement, the _____ (Contractor/Vendor name) shall furnish the County with certificates of insurance (Acord Form 25-S or equivalent) signed by the insurer's representative and, upon request, certified copies of the required insurance policies and any other insurance related information, evidencing the insurance coverage requirements referenced below. **Certificates of insurance shall be sent to the following address: Outagamie County, Attention: Risk Administrator, 320 South Walnut Street, Appleton, WI 54911**. The County reserves the right to immediately terminate the contract with no liability or obligation to Contractor/Vendor or any of its Subcontractors, if the _____ (Contractor/Vendor Name) is not in compliance with these insurance requirements.

Section 5 – Applicable Law (This language is required in all contracts):

Any lawsuits related to or arising out of disputes under this agreement shall be commenced and tried in the Circuit Court of Outagamie County, Wisconsin and the County and _____ (Contractor/Vendor Name) shall submit exclusively and specifically to the jurisdiction of the Outagamie County Circuit Court for such lawsuits. This agreement will be governed and construed according to the laws of the State of Wisconsin.

Section 6 – Insurance Coverage Requirements:

This language is required in all contracts: The insurance requirements herein are minimum requirements for this Contract and in no way limit the indemnity covenants contained in this Contract. **Outagamie County in no way warrants that the minimum limits contained herein are sufficient to protect the Contractor/Vendor from liabilities that might arise out of the performance of work under this contract by the Contractor, it agents, representatives, employees or subcontractors, and Contractor is free to purchase additional insurance.** _____ (Contractor/Vendor Name) agrees that in order to protect itself and the County, its Boards, Committees, Employees, Authorized Representatives and Volunteers under the indemnity provisions of Section 1, it will at all times during the term of the agreement provide and maintain at its own expense, the following minimum limits of insurance covering its operations:

Minimum Insurance Coverages and Limits (Note to County Departments: these coverage amounts, except for worker's compensation, should be increased as the size of the project and the exposure risk increases. To determine adequate coverage limits, contact the Risk Administrator.)

1) Worker's Compensation & Employer's Liability
   a) Applicable State – Statutory Limits as Required by the State of Wisconsin
   b) Applicable Federal (e.g. U.S. Longshoremen's and Harbor Worker's Act, Admiralty (Jones) Act, and Federal Employer's Liability Act) – Statutory Limit
   c) Employer's Liability - $100,000 each occurrence / $100,000 each person (disease) / $500,000 total limit (disease)

   Add this language – Except as may be otherwise set forth herein, the County shall not be liable to _____ (Contractor/Vendor Name), its employees, or subcontractors, or anyone employed directly or indirectly by any of them or by anyone for whose acts any of them may be liable, for any injuries to any of them arising out of or in any way related to the performance of the work under this agreement. _____ (Contractor/Vendor Name) agrees that the indemnification and hold harmless provisions within this agreement extend to any claims brought by or on behalf of any such employees, subcontractors or anyone employed directly or indirectly by any of them or by anyone for whose acts any of them may be liable.

2) Automobile Liability – Owned, Non-Owned, Hired
   a) Bodily Injury and Property Damage Combined - $1,000,000 for bodily injury and property damage per occurrence limit covering all vehicles to be used in connection with the performance of Contractor's/Vendor's obligations under this Agreement.
   b) Coverage for commercial automobile liability insurance shall be at least as broad as Insurance Services Office (ISO) Business Auto Coverage (Form CA 0001), covering Symbol 1 (any vehicle).

   Add this language - If Contractor/Vendor/Subcontractor or Contractor's/ Vendor's/Subcontractor's employees use personal vehicles to perform any services or work to be performed by Contractor/Vendor or Subcontractor under this Agreement, the Contractor/Vendor/Subcontractor must provide, to the County, a copy of the Certificate of Insurance (and any other documentation requested by the County) for Personal Automobile Liability coverage for each employee of Contractor/Vendor/Subcontractor who will be using their personal vehicle to perform such services or work as evidence of satisfactory compliance.

3) Commercial General Liability (Including Broad Liability Endorsement)
   a) Bodily Injury and Property Damage Combined - $1,000,000, Each Occurrence
   b) Personal Injury - $1,000,000
   c) X,C,U - $1,000,000 Each Occurrence
   d) Coverage for commercial general liability insurance shall be at least as broad as Insurance Services Office (ISO) Commercial General Liability Coverage (Occurrence Form CG 0001)

4) Umbrella or Excess Liability
   a) $1,000,000 following form excess of the primary General Liability, Automobile Liability and Employers Liability Coverages.

Other Insurance Coverage's & Minimum Limits (use as necessary)
(Note to County Departments: these coverage amounts should be increased as the size of the project and the exposure risk increases. To determine the adequate coverage limits, contact the Risk Administration Department.)

1) Professional Liability (*This coverage is needed when any intangible item is involved such as, but not limited to, the use of architects, engineers, testing services and consultants.*)

a) Coverage Limit - $1,000,000 per claim or event

Add this language – The _____ (Contractor /Vendor Name) shall maintain insurance covering negligent acts, errors and omissions, arising out of performance of, or the failure to perform, any professional services required under this Agreement. Additionally, the _____ (Contractor/Vendor Name) shall require its consultants and their sub-consultants, if any, to maintain professional liability insurance. If the policy coverage is a claims made policy and not occurrence based, then all such insurance coverages shall be maintained for a minimum of ten (10) years following completion or earlier termination of the Project.

2) Completed Operations (*This coverage is needed for any construction or installation project.*)
   a) $1,000,000 / Each Accident

   Add this language – Coverage shall be maintained for a period of two (2) years after the final payment to Contractor/Vendor.

3) X,C,U [*This coverage is needed for the following: (**X** – use of explosives that might damage property), (**C** – covers property damage rising out of the following: grading of land, excavation, burrowing, filling or backfilling, tunneling, pile driving, or coffer dam or caisson work; also includes moving, shoring, underpinning, razing, or demolition of any building or structure.), and (**U**- underground damage; includes damage to wires, conduits, pipes, mains, sewers, tanks, tunnels, or any similar property beneath the surface of the ground or water caused by and occurring during the use of mechanical equipment for the purpose of grading land, paving, excavating, drilling, burrowing, filling backfilling or pile driving)*:
   a) $1,000,000 / Each Accident
4) Product Liability (*This coverage is needed in instances such as, but not limited to, a vendor serving food at the Airport Restaurant.*)
   a) $1,000,000 / Each Accident

   Add this language – Coverage shall be maintained for a period of two (2) years after the final payment to Contractor/Vendor.

5) Malpractice / Professional Liability (*This coverage is needed for all contracted medical services, including but not limited to, assisted physician services, laboratory equipment maintenance, and patient testing.)*
   a) In an amount not less than $1,000,000 per occurrence and $3,000,000 in the aggregate

   Add this language – For claims made, the retroactive date of coverage for all policies in force during this agreement shall be not later than the inception date of the agreement. Coverage shall be extended beyond this agreement and policy year either by a supplemental extended reporting period for at least two (2) years after the termination of this agreement or by providing a retroactive date no later than the inception date of this agreement for any policy issued within two (2) years after the termination of this agreement.

6) Pollution Liability *(This coverage is needed if an agreement involves a hazardous substance such as but not limited to waste oil, waste batteries, etc.)*
   a) In an amount not less than $1,000,000 per occurrence and $2,000,000 in the aggregate (with 1 year extended reporting period)

7) Aircraft Liability (*This coverage is needed if the agreement involves the use of any aircraft.*)
   a) Piston - $5,000,000 per occurrence
   b) Jet - $25,000,000 per occurrence

8) Cyber/Privacy Liability (*This coverage is needed for Contracted vendors who maintain protected personal information ("personal information" means information that identifies an individual, including an individual's photograph, social security number, driver identification number, name, address (but not the 5-digit zip code), telephone number, and medical or disability information, financial information such as credit information, etc.) concerning clients and/or employees of Outagamie County*)

a) $1,000,000 per occurrence / $3,000,000 aggregate

Add this language - Coverage shall include, but not be limited to, coverage for unauthorized access, denial of service attacks, computer viruses, transmission of malicious code, and failure of security; breach of privacy and the failure to protect and disclosure of personally identifiable information, payment card information, and health information; and violation of any federal, state or local law or regulation in connection with the protection of information, including coverage for fines and penalties to the extent allowed by applicable law. If such policy is a "claims made" policy, all renewals thereof during the life of the Contract shall include "prior acts coverage" covering at all times all claims made with respect to Contractor's work performed under the Contract

Please contact the Risk Administrator (extension 5494) for further questions.

AIR OPERATIONS AREA (AOA) AWARENESS PROGRAM

49 CFR Part 1542.213 (c) requires that the airport operator may not authorize an individual access to the AOA unless that individual has been provided information in accordance with the airport security program.

DEFINITIONS

Security Identification display area (SIDA) – A portion of the airport which requires the display of one's ID badge. (See attached SIDA/ Secured Area Map)

> **Terminal SIDA** – The concrete apron surrounding the terminal concourse, the baggage makeup areas west of the airline operations offices, and the incoming baggage staging areas south of the baggage carousels.
>
> **Air Cargo SIDA** – The concrete apron east of the air freight facility. The western portion of the Fed Ex building used for receiving, sorting, loading, or unloading cargo and the concrete apron west of the facility.

Secured Area – A portion of the airport, where airport operators enplane and deplane passengers and sort and load baggage, and any adjacent areas that are not separated by adequate security systems, measures, or procedures. All secured areas are called SIDA's and require the display of one's ID badge.

Air Operations Area – A portion of the airport that includes aircraft movement areas, aircraft parking areas, loading ramps, safety areas, and any adjacent areas (such as general aviation areas) that are not separated by adequate security systems, measures, or procedures. This area does not include the secured area and does NOT require a SIDA badge be worn.

Airport Security Coordinator – The airport operator's primary contact for security- related activities and related communications with the TSA. At the Appleton International Airport, the Airport Security Coordinator is Gary Wunsch, Deputy Chief Airport Department of Public Safety. The alternate ASCs are the terminal maintenance supervisor and the ADPS Fire Chief.
The Security Coordinator can be reached at (920) 832-2186 or (920) 419-2215.

RESPONSIBILITIES

Transportation Security Administration – Federal oversight responsibility including the publishing of safety and security regulations, and monitoring and ensuring compliance with those regulations.

Airport Operator – The entity issued an airport operating certificate by the FAA under FAR Part 139, which enables that entity to conduct airport operations subject to FAA regulations and oversight. The airport operator's role includes development of the airport security program and compliance with applicable Transportation Security Regulations, including providing law enforcement support.

EXHIBIT E

Approved Individual

Each Person shall:

1. Stay in the designated work areas at all times
2. Provide photo identification upon request from ADPS or TSA Officers while in this area.
3. Be under Escort at all times.

No person shall, or cause another person to:

1. Tamper with a locking mechanism that would cause a secure door to not function properly.
2. Attempt to perform unauthorized self-testing of any security system or procedure.
3. Attempt to gain access to the AOA, SIDA, or secured area via methods not outlined in the security plan.
4. Enter, or be present within, a secured area, AOA, SIDA or sterile area without complying with the systems, measures, or procedures being applied to control access to, or presence or movement in, such areas.
5. Divulge, record, transmit, or give the pass code to another.

VEHICLE OPERATIONS/RESTRICTIONS

All unescorted vehicles authorized in these areas are identified with a beacon, or orange and white checked flag, on the top of the vehicle. All personnel entering the SIDA must wear identification authorizing them to be in this area or be escorted by an individual who has been granted unescorted access to the SIDA. Vehicles in the SIDA are limited to:

1. Vehicles owned and operated by Appleton International Airport and used in direct support of air operations, maintenance and fire fighting.
2. Vehicles operated by airlines and used in support of air carrier operations and maintenance.
3. Vehicles owned and operated by the Federal Government and used in direct support of NAVAID maintenance and repair.
4. FBO vehicles used in support of general aviation and air carrier operations.
5. Construction vehicles with the appropriate markings and authorized by the Airport Security Coordinator.

TSA SECURITY INSPECTION ENFORCEMENT ACTIVITES:

** The TSA randomly conducts inspections of our facility and tests our security practices. If a security breach is found, we can be fined up to $10,000.
** The Outagamie County has an ordinance that addresses security violations. Violations of this ordinance may result in a progressive fine. $10.00 first offense, $25.00 second offense and $50.00 for third offense. The Airport D.P.S., Sheriff's Dept. and Airport Director have authority to issue these fines.

1. Allowing someone to piggyback through secure door/gate.
2. Not following stop/wait policy at vehicle gates.

LAW ENFORCEMENT

The Appleton International Airport operated under a TSA approved Flexible Response system. Under this system, the Outagamie County Sheriff's Department will respond, within minutes of being summoned, with a uniformed Sheriff's Deputy to any event requiring a law enforcement officer.

The Airport Department of Public Safety phone number is (920) 832-1633.

HANGAR LAND LEASE AGREEMENT

THIS AGREEMENT, made and entered into this _____day of _____, 2024 by and between OUTAGAMIE COUNTY, a municipal corporation, hereinafter referred to as "Lessor" and Milis Enterprise, LLC, a Land Lessee hereinafter referred to as "Lessee".

PRELIMINARY RECITALS

The Lessor is the owner and operator of Appleton International Airport, an airport situated in Outagamie County, Wisconsin (the "Airport").

The Lessee desires to lease from the Lessor a parcel of land at the Airport to be used for the construction of an aircraft storage facility (a hangar).

NOW, THEREFORE, in consideration of the mutual promises of the Lessor and Lessee as set forth below, the Lessor and Lessee agree as follows:

ARTICLE I
TERM AND EXTENSION

1. Commencement: This Agreement shall commence on May 1, 2024, and shall terminate on April 30, 2054, for a thirty (30) year period unless terminated sooner as permitted by this Agreement.

2. Renewal Option: Lessee shall have two (2) five (5) year options to renew this lease subject to the terms and conditions hereof, including the provisions governing the renegotiations of rental fees, unless no later than 180 days prior to the expiration of the Lease, the Lessee or Lessor serves upon the other notice in writing by registered mail addressed to such person at the address herein set forth stating the intention not to renew this lease.

A. Notice to exercise the option to renew this lease shall be submitted to the Lessor in writing 90 days prior to the expiration date at the address herein set forth.

B. Upon receipt of notice to exercise option, the Lessor shall prepare an addendum to the Lease agreement, which shall reflect the Lessor's current terms and conditions for Hangar Land Leases. Any modifications to the lease terms and conditions shall commence with the start of the option period.

ARTICLE II
LEASED PREMISES-PURPOSE

The Lessor leases to the Lessee the following described portion of the Airport and unless specifically stated otherwise, is referred to in this Agreement as the "Leased Premises".

A parcel of land approximately 85.93 feet wide by 70 feet long and containing approximately 6,015 square feet located south of Runway 3/21 hereinafter referred to as the "GA Area", which is more specifically shown on Exhibit A which is attached to and made a part of this Agreement. The leased parcel is to be used for the construction of a hanger facility by Lessee that will be used for the following purposes:

A. The inside storage of aircraft owned by Lessee and the storage of related materials and supplies and for no other purpose unless approved in writing by the Lessor.
B. Construction of hangar for lease or for sale by Lessee requires the following:
    1. If for lease, requires a Hangar Keepers agreement with Lessor
    2. If for resale, requires approval from Lessor to assign lease

ARTICLE III
FEES AND RENTALS

1. Rent: From and after the commencement date, Lessee agrees to pay Lessor the amounts semi-annually specified in EXHIBIT B as amended as described herein, payable in advance of the first day of billing period, for the duration of this agreement. No demand for payment need at any time be given; it shall be the duty of the Lessee to pay all monies when due.

2. Calculations of rentals for Leased Premises shall be adjusted by 3% on the third (3rd) anniversary of the commencement date and every three years thereafter during the initial term and any extension term, if exercised.

3. Pro-ration of Rents: In the event that the commencement or termination of the term, with respect to any of the particular premises, facilities, rights, licenses, services, and privileges herein provided, fall an any other date than the first or last day of a calendar month, the applicable rentals, fees, and charges for that month shall be paid pro-rata according to the number of days in that month during which said privileges were enjoyed.

4. Lessee agrees to pay an assessment for the cost of installation of sewer and water utilities to the subject property. Such costs to be determined by the Airport Director and will be prorated to fairly apportion the total cost of such utility installation among potential users. Such assessment shall not exceed actual costs

incurred. Costs shall include, but not be limited to, costs of materials, engineering costs, costs of installation, and utility district assessments. The method of payment of the assessment shall be determined by the Airport Director.

ARTICLE IV
GENERAL AVIATION HANGAR BUILDING MINIMUM SPECIFICATIONS

The provisions set forth in Exhibit "C" entitled Appleton International Airport General Aviation Hangar Building Minimum Specifications and any subsequent amendments thereto, are incorporated by reference and are made a part of this. If this Agreement and the Appleton International Airport General Aviation Hangar Building Minimum Specifications are in conflict in what they require of the Lessee, or in what they obligate the Lessee to do or not to do, the Appleton International Airport General Aviation Hangar Building Minimum Specifications shall control.

ARTICLE V
RESTRICTIONS UPON USAGE AND CONSTRUCTION

The property, which is the subject of the Lease, shall be used only for aviation related purposes as the term is defined in FAA regulations. Any improvements, including all buildings and appurtenance thereto, which may be constructed upon the Leased Premises, shall abide by all FAA regulations. In addition to meeting FAA regulations, all such improvements and their proposed locations shall be in accord with any other federal, state, or local building codes and/or other restrictions.

ARTICLE VI
RIGHTS AND PRIVILEGES OF LESSEE

Subject to the terms and conditions hereinafter set forth, Lessee is hereby given the following rights and privileges.

1. Ingress and Egress – Subject to rules and regulations governing the use of the Airport as may be established by the Lessor, the Lessee, its employees, suppliers of materials, furnishers of service, sub-lessees, business visitors, and invitees shall have the right of ingress and egress to and from the Premises leased exclusively to Lessee.

2. Quiet Enjoyment – The Lessor covenants that upon paying the rent and performing the covenants and conditions herein contained, Lessee shall peacefully and quietly have, hold, and enjoy the Leased Premises for the term of this Agreement. Lessee agrees that temporary inconveniences, such as noise, disturbances, traffic detours, temporary inaccessibility and the like, caused by or associated with the construction of Airport improvements or Airport events shall not constitute a breach of quiet enjoyment of the Leased Premises.

3. Storage – Lessee has the right to store aircraft on Lessee's Leased Premises; however, Lessee shall not engage in any other business or operation without the written consent of the Lessor. Lessee understands that a violation of this paragraph is a material default and breach of the Agreement, which gives the Lessor the rights set forth in Article XII.

4. Aeronautical Facility Use – Lessee shall be permitted to use, in common with others, existing and future aeronautical facilities at the Airport as they may exist or be modified, augmented, or deleted from time to time. These facilities include, but are not limited to the landing areas, their extensions and additions, roadways, aprons, and any air navigation facilities or other conveniences for the flying, landing, and taking-off of aircraft. Nothing herein shall prohibit the Lessor from modifying, augmenting, or deleting any such facilities.

5. Nonexclusive Use – This agreement shall not be construed in any manner to grant Lessee or those claiming under it the exclusive right to the use of the premises and facilities of the Airport other than those premises leased exclusively to the Lessee hereunder. Lessor reserves and retains the right for the use of the Airport by others who may desire to use the same pursuant to applicable laws, ordinances, codes, and rules and regulations pertaining to such use.

6. Sub-lease of hangar (requires Hangar Keepers Agreement) or lease assignment if so approved by Lessor. The Lessee shall not be allowed to sub-lease or re-lease land only.

ARTICLE VII
OBLIGATIONS OF LESSEE

Except as otherwise specifically provided herein, Lessee shall have the following obligations.

1. Conditions of Premises – Lessee accepts the Leased Premises in its present condition and, without expense to the Lessor, will maintain any installation thereon.

2. Construction – Lessee shall construct an aircraft storage unit (hangar) on the Leased Premises. A final set of construction plans that have been approved and stamped by a registered, professional engineer shall be submitted to and approved by the Airport Director before any construction begins. The construction plans shall include a site plan. The site plan shall include the location of utilities and utility connections, existing and proposed grades, site drainage information, paving details and all other items on the "Development Checklist." Lessee acknowledges having received a copy of the

"Development Checklist." Lessee is prohibited from deviating from the Lessor approved construction plans without written permission from the Lessor. Construction must begin within six (6) months from the execution of this Agreement and must be completed within six (6) months from the time construction begins. Construction scheduling and operations shall be coordinated with, and approved by the Airport Director before construction shall begin, such approval not to be unreasonably withheld. Lessee shall restore any and all portions of the Airport that are disturbed by Lessee or its contractors during construction at its expense, to the same condition as before construction began.

3. Maintenance, Exterior Storage, and Housekeeping – Lessee shall at its expense, keep, maintain, and repair the Leased Premises, any improvements thereto, and all equipment and buildings in a presentable and operable condition, consistent with good business practices, and in a manner preserve and protect the general appearance and value of other premises in the immediate vicinity. This shall include, but not be limited to roof, exterior painting, all doors, paved areas, lighting, grass, and landscaped areas within lease lines.

   Lessee further agrees that there will be no outside storage of equipment, materials, supplies, or damaged or partially dismantled aircraft on the Leased Premises, and will remove at its expense all trash, garbage, and drain oil, and not deposit the same on any part of the Airport except temporarily in conjunction with collection or removal.

   In the event Lessee does not keep the Leased Premises in a presentable condition, the Lessor has the right to issue a written notice to remedy the condition forthwith. Should Lessee fail to perform satisfactorily within ten (10) days of such notification, or show cause for extension of said time period, the Lessor shall have the right to perform, or have performed by an outside contractor the necessary work without liability, and Lessee aggress to pay the Lessor one hundred twenty five percent (125%) of such expenses within fifteen (15) days upon invoice receipt.

   In the event of fire or any other casualty to buildings or other structures owned by Lessee, Lessee shall either repair or replace the building or remove the damaged building and restore the Leased Premises to its original condition; such action must be accomplished within one hundred twenty (120) days of the date the damage occurred. Upon petition by Lessee, the Lessor may grant, at its sole discretion, an extension of time if warranted.

4. Commercial Operations – Lessee warrants that no commercial operations of any kind, including maintenance of aircraft for payment, or flight instruction for payment are permitted within or near the Leased Premises.

5. Additions of Alterations – Lessee shall have the right during the term of this Lease to make alterations, attach fixtures, or make other changes to the

structure in or upon the Leased Premises upon advance written approval of plans by the Airport Director.

6. Signage and Illumination – Lessee will not paint upon, attach, exhibit or display in or about the said Leased Premises any sign without the written consent of the Airport Director first being obtained regarding the nature and construction of said sign, such approval not to be unreasonable withheld.

7. Locks and Gate Access – Lessee agrees that all walk doors will be equipped with a heavy-duty lockset sufficient to meet all security requirements. One key shall be provided to Lessor. In the event Lessor needs to access Lessee's hangar and Lessor has not been issued a key, Lessor reserves the right to remove the lock. Lessee shall be responsible for charges associated with removal of the lock and cost of the new lock. Lessee shall pay a $10.00 as a deposit for each gate key. Gate keys shall not be duplicated. When a gate key is lost, stolen or unaccountable, it must be immediately reported to the Airport Public Safety at (920) 832-1633. The fee for a replacement gate access key is $10.00. Lessee agrees that the above-mentioned gate will remain locked in accordance with the Airport Security Plan (Article XXI). If the gate is inoperable or incapable of being fully closed, Public Safety must be notified.

8. Utilities – Lessee agrees to provide its own connections with utilities and to make separate arrangements with the agencies responsible for these utilities. Lessee shall pay for all utility service supplied to the Leased Premises, and if required by the utility agencies as a condition of providing the services, Lessee will install and pay for standard metering devices for the measurement of such services. In the event it shall become necessary to make utility service or facility changes, Lessee will either make such changes and installations, at its expense, as directed and required by the utility organizations, or pay the utility organization for such changes made. The Lessor shall have the right, without cost to the Lessee, to install and maintain in, on or across the Leased Premises, sewer, water, gas, electric, and telephone lines, electric substations, or other installations necessary to the operation of the Airport, or to service other tenants of the Lessor; provided, however, that the Lessor shall carry out such work and locate any above ground structures in a manner so as not to unreasonably interfere with the Lessee's use of the Leased Premises.

9. Discrimination – Lessee, for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration thereof, does hereby covenant and agree that: a) no person on the grounds of race, sex, color, physical handicap, or national origin shall be excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in the use of said facilities, b) that in the construction of any improvements on, over, or under such land and the furnishings of services, thereon, no person on the grounds of race, sex color, physical handicap, or national origin shall be

excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, and c) that the Lessee shall use the Leased Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

10. Costs of Enforcement – Lessee covenants and agrees to pay and discharge all reasonable costs, attorneys' fees, and expenses that shall be made and incurred by the Lessor in the enforcing the covenants and agreements of this Lease.

11. Taxes, Licenses, and Permits – Lessee shall obtain and keep current all municipal, county, state and federal licenses and permits that may be required in its operation. Also, the Lessee will bear, pay, and discharge all taxes, assessments and levies of every nature and kind which may be taxed, charged or assessed lawfully against the Leased Premises and improvements thereon, or which may be lawfully levied or imposed upon the leasehold by a governmental agency.

12. Liens – Lessee agrees to promptly pay all sums legally due and payable on account of any labor performed on, or materials furnished for the Leased Premises. Lessee shall not permit any liens to be placed against the Leased Premises on account of labor performed or material furnished, and in the event such a lien is placed against the Leased Premises, Lessee agrees to save the Lessor harmless from any and all such asserted claims and liens and to remove or cause to be removed any and all such asserted claims or liens as soon as reasonably possible.

13. Parking – Lessee agrees to prohibit vehicle parking on the Airport premises other than those vehicles specifically associated with the use of the Leased Premises, and no other. Lessee, its employees, sub-lessees, guests and invitees shall park only on Lessee's Leased Premises. Lessee, its agents or guests, are expressly prohibited from operating any vehicle on any area of the Airport considered a "movement area" by the Federal Aviation Administration, and agrees to hold Lessor indemnified from any such incursions. Lessee shall at all times comply with posted signs regulating the movement of vehicles.

14. Laws, Ordinances, Rules and Regulations – Lessee shall comply with, at its own expense, all applicable federal, state, or local laws, ordinances, rules or regulations of the Airport now in effect or hereafter promulgated. Any violation of this paragraph shall be construed as a material breach of this Lease Agreement authorizing the termination thereof at the election of the Airport Director, unless Lessee, upon receipt of written notice, takes immediate remedial measures acceptable to the Airport Director.

15. Storage of Flammable Fluids – Lessee agrees that the storage of gasoline or other flammable fluids in bulk quantities shall be limited to the Airport Fuel Farm or to such area as designated by the Airport Director. Lessee agrees that the storage of all other gasoline or flammable fluids shall be in an approved steel locker labeled "FLAMMABLE". The Airport Director may, in his discretion, prohibit or impose restrictions on the storage of said materials if, in the Director's opinion, the storage is determined as a safety hazard. The disposal of any hazardous chemicals or fluids on the Airport premises is prohibited. The Lessee further agrees not to transport, or cause to be transported, onto airport premises, gasoline or other flammable fluids for the purpose of self-fueling aircraft. The Lessee further agrees that fueling of aircraft on airport premises will be done only at airport approved locations or facilities.

16. Snow Plowing – Lessor agrees to be responsible for the plowing of snow on runways and taxiways, consistent with priorities established and specified in the Airport Snow and Ice Control Plan. It shall be the Lessee's responsibility to remove any snow on pavement areas from taxiway to their hangar. Lessee shall also be responsible for removing snow in vehicle parking stalls.

ARTICLE VIII
LESSOR'S RIGHT TO MORTGAGE LEASEHOLD INTEREST

1. Lessee shall at all times have the right to encumber by mortgage or other instruments, as security for an actual indebtedness, all of Lessee's right, title and interest in this Ground Lease including without limiting the generality of the foregoing, its right to use and occupy the Leased Premises together with its rights and interests in and to all Lessee's improvements now or hereafter placed on the Leased Premises; in all respects, however, subordinate and inferior to Lessee's fee interest or estate and its rights, title, privileges, liens or interests as provided in this Ground Lease and subject to all the covenants, terms and conditions of this Ground Lease and all the rights and remedies of Lessor hereunder. It is expressly understood and agreed that Lessee in no event shall have the right to encumber Lessor's fee interest or reversionary estate in any way. In the issuance of any mortgage or other instrument by Lessee, as security for an actual indebtedness, Lessee shall specifically exclude all the right, title interest and estate of Lessor.

2. Upon the written request of any such Mortgagee, or other secured person (hereinafter referred to as the Mortgagee) giving its address, Lessor shall mail to such Mortgagee at such address a duplicate copy of any and all written notices which Lessor may, from time to time, give to or serve upon Lessee under the terms of this Ground Lease.

3. To the extent that Lessee may grant the right to such Mortgagee under this Ground Lease, the Mortgagee may at its option at any time before termination of

this Ground Lease pay any amount or do any act or thing required of Lessee by the terms of this Ground Lease; and all payments so made and all acts or things so done and performed by such Mortgagee shall be as effective to prevent a termination of the Ground Lease or forfeiture of Lessee hereunder as the same would have been if done and performed by Lessee. Any such mortgage or other instrument given as security for an actual indebtedness of Lessee may provide, if Lessee so desires, that as between such Mortgagee and Lessee, said Mortgagee, on making good any default or debits of Lessee, shall thereby be subrogated to any and all of the rights of Lessee under the terms and provisions of this Ground Lease.

4. Such Mortgagee of Lessee's leasehold estate under a leasehold mortgage given pursuant to the provisions of this paragraph, shall not become personally liable for the obligations of Lessee under this Ground Lease unless and until it becomes the owner of Lessee's leasehold estate by foreclosure, assignment in lieu of foreclosure or otherwise, and thereafter shall remain liable for such obligations only so long as it remains the owner of such leasehold estate. In the event such Mortgagee becomes the owner of Lessee's leasehold estate as aforesaid, it may assign this Ground Lease provided all other requirements of this Ground Lease regarding assignment are satisfied. Lessor consent will not be unreasonably withheld.

5. The mortgage shall provide that, notwithstanding any other provisions of the mortgage, in the event of any default in the performance or observance of any of the terms and conditions of the mortgage, or the note or other indebtedness secured thereby (which such default shall not have been cured within the grace periods therefore accorded to Lessee, as Mortgagor, in the Mortgagee), the Mortgagee shall give written notice to Lessor of the continuance of such default and shall grant to Lessor an additional period (over and above any such grace periods) of ten (10) days from the date of Lessor's receipt of such notice within which to cure such default, and shall provide that any payment made by Lessor pursuant to such provision shall be recognized by the Mortgagee as fully as if made by Lessee; provided, however, that neither such provision nor any other provision of the mortgage shall be construed so as to impose any liability whatsoever on Lessor to make any payment or to perform or observe any covenant or condition of the mortgage or note or other indebtedness secured thereby.

6. The mortgage may provide for the assignment to the Mortgagee of any rents due and payable to Lessee with respect to any sublease or occupancy of portions of the property by parties other than Lessee. Said assignment of rents will be effective only upon default in the payment or performance of any obligations imposed by the terms of the mortgage or note or other indebtedness secured thereby; and the Lessee's right to collect rents from the subtenants shall be subordinate to the right of mortgage, in the event of a default under the mortgage, to collect such rents.

ARTICLE IX
RIGHTS AND PRIVILEGES OF THE LESSOR

Lessor, in addition to any rights herein retained by it, reserves the following privileges:

1. Lessor Representative – The Airport Director is hereby designated as the official representative for the enforcement of all provisions in this Agreement with full power to represent the Lessor in dealings with the Lessee in connection with the rights and obligations herein provided, actions relating to policy determination, modification of this Agreement, subsequent permissive authorization under this Agreement, termination of this Agreement, and any similar matters affecting the terms of this Agreement.

2. Airport Development – The Lessor has the right, but shall not be obligated to Lessee, to develop or improve the landing areas and other portions of the Airport as it sees fit, regardless of the desires or views of the Lessee, and without interference or hindrance. If the development of the Airport requires it, the Lessor has the right to either:
    a. Substitute another parcel of land for the Leased Premises and relocate Lessee's improvement(s) to that new parcel at no cost to the Lessee, or
    b. Purchase Lessee's improvements at fair market value, established by appraisal by a registered appraiser selected by mutual agreement, and terminate this Agreement. In the event of a substitution and relocation or a purchase and Agreement termination as permitted by this section, the Lessor shall have no liability to the Lessee for any loss, expense, damage or cost of any nature whatsoever that results from or is occasioned by the substitution and relocation or the purchase and Agreement termination.

3. Access to Leased Premises – To the extent necessary to protect the rights and interests of the Lessor, or to investigate compliance with the terms of this agreement, the Airport Director or his designee shall at any and all times have the right to inspect the Leased Premises, including all buildings, structures, and improvements erected thereon, subject to reasonable notice given to Lessee.

4. War, National Emergency, Riot, or Natural Disaster – During time of war, national emergency, riot, or natural disaster, the Lessor shall have the right to lease the entire airport or any part thereof to the United States Government or State of Wisconsin for military or National Guard use; and, if any such lease is executed, the provisions of this instrument, insofar as they are inconsistent with the provisions of the lease to the Government, shall be suspended.

5. Aerial Approaches – The Lessor reserves the right to take any action it considers necessary to protect the aerial approaches and transition surfaces of the Airport against obstructions, together with the right to prevent Lessee or sub-lessee from erecting, or permitting to be erected, any building or other structure on the Airport which, in the opinion of the Lessor, would limit the usefulness of the Airport or constitute a hazard to aircraft.

6. Unrestricted Right of Flight – There is hereby reserved to the County of Outagamie, Wisconsin, its successors and assigns, for the use and benefit of the public, a free and unrestricted right of flight for the passage of aircraft in the airspace above the surface of the premises herein conveyed, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in the air, using said airspace or landing at, taking off from, or operating on or about the Airport.

ARTICLE X
OBLIGATIONS OF THE LESSOR

Except as otherwise specifically provided herein, Lessor, during the term of this Lease, shall, within its financial ability, operate, maintain, and keep in good repair all appurtenances, facilities, and services now or hereafter connected with the Airport including, without limiting the generality hereof, all field lighting and other appurtenances, facilities, and services which Lessor has agreed to furnish and supply herein; provided, however, that Lessor shall not be required to perform maintenance and make repairs occasioned by the negligence of Lessee or guests. However, Lessor may perform such maintenance or make such repairs and charge the cost of same to Lessee, and Lessee aggress to reimburse Lessor for all costs incurred by Lessor in performing such maintenance and repair work. Lessor shall keep the Airport free from obstructions, including the clearing and removal of snow, grass, stones, or other foreign objects, as reasonably necessary and with reasonable promptness in accordance with established priorities, from the runways and taxiways, for the safe, convenient and proper use of the Airport by Lessee, and shall maintain and operate the Airport in all respects in a manner at least equal to the standards or ratings issued by the Federal Aviation Administration (FAA) for airports of substantially similar size and character.

ARTICLE XI
INSURANCE

1. Lessee shall comply with all Federal, State and local codes, laws regulations, standards, and ordinances, including those of the Occupational Safety and Health Administration (OSHA), the Wisconsin Department of Industry, Labor and Human Relations (DILHR) and all County rules and orders governing the performance of the work.

2. In order to protect itself and the County, its Officers, Boards, Employees or Representatives under the indemnity provisions of the paragraph above, Lessee will at all times during this Agreement keep in force as insurance as described in Exhibit D.

3. Limits established herein shall be subject to five (5) year review and may be increased by the Lessor due to general inflationary conditions provided at least sixty (60) days notice of such increased requirements shall be given to the Lessee.

4. Policies shall be issued by a company or companies authorized to do business in the State of Wisconsin and licensed by the Wisconsin Insurance Department. Coverage afforded shall apply as primary, with the County, its Boards, Officers, Employees and Representatives as additional insured's. The Lessor shall be given thirty (30) days advance notice of cancellation or non-renewal during the term of this Agreement. Upon execution of this Agreement, Lessee shall furnish Lessor with a certificate of insurance and, upon request, certified copies of the required insurance policies, which said certificate policy copies shall be filed with the Office of the County Clerk of Outagamie County. In the event any action, suit or other proceedings is brought against the Lessee upon any matter herein indemnified against, the Lessee shall, within five (5) working days, give notice thereof to the Lessor and shall cooperate with their attorneys in the defense of the action, suit or other proceedings.

ARTICLE XII
INDEMNIFICATION AND HOLD HARMLESS

Lessee agrees at all times during the term of this agreement to indemnify, hold harmless and defend the County, its Boards, Officers, Employees and Representatives against any and all liability, including claims, demands, losses, damages, costs or expenses, including attorney fees, which the County, its Boards, Officers, Employees and Representatives may sustain, incur or be required to pay by reason of bodily injury, personal injury or property damage of whatsoever nature or kind arising from the lease, Lessee's conduct under the lease, or Lessee's conduct or action on airport grounds, unless such liability arises out of the sole negligence of the County.

Lessee further agrees to indemnify, hold harmless and defend the County, its Boards, Officers, Employees and Representatives against any and all claims, demands, losses, damages, costs or expenses, including attorney fees, which the County, its Boards, Officers, Employees and Representatives may sustain, incur or be required to pay resulting from the spill, discharge, dispersal, seepage, migration, release or escape of any pollutants being utilized by the Lessee or in the custody or control of the Lessee.

Nothing contained in this agreement is intended to be a waiver or estoppels of the County to rely upon the limitations, defenses, and immunities contained within Wisconsin law, including, but not limited to, those contained within Wisconsin Statutes 893.80, 895.52 and 345.05. To the extent that indemnification is available and enforceable, neither the municipality nor its insurer shall not be liable in indemnity and

contribution for an amount greater than the limits of liability for municipal claims established by Wisconsin law.

ARTICLE XIII
SUBLEASE or ASSIGNMENT

The Lessee shall not sublease the Leased Premises, or any part of the Leased Premises without the express written consent of the Lessor, such consent not to be unreasonably withheld. However the Lessee shall have the specific right to assign the Lease and all of its rights and duties hereunder to a bona-fide lending institution, and the Lessor hereby permits the Lessee to encumber and grant a security interest in any property or property rights, real or personal, it may have in the Leased Premises or property located thereon. Further, the Lessor will not unreasonably withhold its consent to the use of the Leased Premises by any person, persons or company obtained by any of Lessee's lenders in the event any lender forecloses on any of the above mentioned property. This lease may be so assigned and the Leased Premises so sublet for another air-oriented purpose other than that described in this lease if the Lessor approves such purpose. Any assumption of this lease under these or other provisions, shall obligate the person or persons to pay any and all past due rent before approval of transfer will be given. At a minimum, the Lessor will require that any sublease agreement be in writing and that it include: that the agreement be subject to the terms and conditions of this Agreement; that sub-lessees maintain aircraft liability insurance in the amounts and in the manor prescribed in this agreement.

ARTICLE XIV
DEFAULTS AND REMEDIES

The occurrence of any one or more of the following events shall constitute a material default and breach of this Agreement by the Lessee.

1. The filing by Lessee of a voluntary petition in bankruptcy.
2. The institution of proceedings in bankruptcy against Lessee and the adjudication of Lessee as bankrupt to such proceedings.
3. The taking by a court of jurisdiction of Lessee and its assets pursuant to proceedings brought under the provisions of any Federal Reorganization Act.
4. The appointment of a receiver of Lessee's assets, or any general assignment for the benefit to Lessee's creditors.
5. The divestiture of Lessee's estate herein by other operation of law.
6. If the Lessee shall abandon the building(s) and improvements or vacate the Leased Premises and not desire to sell or remove the building(s) before the expiration of this Agreement, the Airport Director shall be at liberty, at his option, to re-let the same. Abandonment, for this Agreement, shall be defined as the non-use of the Leased Premises from its specified purpose during a consecutive six (6) month time period. Any proceed received by Lessor under this paragraph shall be applied first to the payment of rent under article three (3) of this Agreement; second to the reduction of any debt incurred by the

Lessee to finance construction of any building(s) on the Leased Premises or the acquisition of any equipment of the Leased Premises abandoned by the Lessee; and third to the benefit of the Lessee.

7. The filing of any lien against the Airport or any of its property as the result of any act or omission of Lessee, if the lien is not discharged or contested in good faith by Lessee (as determined by the Lessor) within fifteen (15) days of Lessee's receipt of notice of the lien, unless Lessee posts a bond within this time period equal to the amount of the lien.
8. The transfer of Lessee's interest herein by other operation of the law.
9. Lessee becomes in arrears in the payment of the whole or any part of the amount(s) agreed upon hereafter for a period of sixty (60) days after such a payment becomes due.
10. The nonpayment of any real estate and/or personal property taxes levied by Outagamie County against Lessee's property after such taxes become due.
11. The falsification by the Lessee of any of its records or figures so as to deprive the Lessor of any of its rights under this Agreement.
12. The failure by Lessee to perform any of the covenants, conditions, or obligations imposed on it by this Agreement where the failure continues for a period of fifteen (15) days after written notice by the Lessor.
13. Notification of the Lessor by the Federal Aviation Administration (FAA) that Lessee's building(s) violates Federal Aviation Regulations (FARs), including obstacle clearance criteria, and requires the building(s) and appurtenances to be removed prior to continued federal funding for Airport Improvement Projects (AIP) or other projects at the Airport.
14. The transfer or assignment, or attempted transfer or assignment of this Agreement by Lessee, without securing prior written approval of the Lessor, such approval not to be unreasonably withheld. It shall be understood for the purpose of this part that negotiations by Lessee for the assignment or transfer of this Agreement shall not be construed as "attempted transfer".

In the event of a breach of this Agreement by Lessee, the Lessor shall be entitled to any and all legal and equitable remedies available to it under applicable law. Without limitation, these remedies shall include the following, which are cumulative and not exclusive:

1. Specific performance of any obligation of Lessee.
2. Declaratory and injunctive relief.
3. The recovery of all damages of any nature that result from the Lessee's breach, which damage include unpaid rent, fees and other payments, and the loss of future rent.
4. Reasonable attorney fees for services related to Lessee's breach of this Agreement, including fees for attorneys who are County employees
5. The termination of this Agreement and repossession of the Leased Premises by the Lessor. If this Agreement is terminated, the Lessee shall remove all property owned by it from the Leased Premises and restore and surrender the Leased Premises to the Lessor in the same condition as when originally received. If the Lessee fails to remove its property and to restore and

surrender the Leased Premises as required, the Lessor may do so and the Lessee shall be liable to the Lessor for all expenses of removing the property (including storage fees, if any) and restoring the Leased Premises.

The failure of the Lessor to declare this Agreement terminated for any of the reasons set out above shall not bar the right of the Lessor to subsequently terminate this Agreement for any of the reasons set out above. Further, the acceptance of rental or fees by the Lessor for any period after a default by Lessee shall not be deemed a waiver of any right on the part of the Lessor to terminate this Agreement.

ARTICLE XV
CANCELLATION BY LESSEE

Lessee may cancel this Agreement at any time it is not in default in its obligations by giving the Airport Director thirty (30) days written notice to be severed as hereinafter provided after the happening of any of the following events, if such event materially impairs the conduct of Lessee's normal business on the Airport:

1. The issuance by a court of competent jurisdiction of any injunction in any way preventing or restraining normal use of the Airport or any substantial part of it, and the remaining in force of such injunction for a period of sixty (60) consecutive days, such injunction not being the result of any fault of Lessee;

2. The inability of Lessee to use, for a period of six (6) consecutive months, the Airport or any substantial part of it due to enactment or enforcement of any law or regulation, or because of fire, earthquake, or similar casualty of Acts of God or the public enemy; or

3. The lawful assumption by the United States Government of the operation, control or use of the Airport or any substantial part of it for military purposes in time of war or national emergency for a period of at least sixty (60) days.

However, should Lessee choose not to cancel this Agreement, all fees and charges payable by Lessee under this Agreement shall abate until such time that operations return and the term of this Agreement shall be extended for the time of such suspension.

Failure of Lessee to declare this Agreement canceled for any of the reasons set out above shall not operate to bar or destroy the right of Lessee to cancel this Agreement by reason of any subsequent occurrence of the described events.

ARTICLE XVI
REMEDIES CUMULATIVE; NO WAIVER

All of the rights and remedies given to the Lessor in this Agreement are cumulative and no one is exclusive of any other. The Lessor shall have the right to pursue any one or all of such remedies or any other remedy or relief that may be provided by law, whether

stated in this Agreement or not. The failure of the Lessor to take action with respect to any breach by Lessee of any covenant, condition, or obligation in this Agreement shall not be waiver of such covenant, condition, or obligation. The acceptance by the Lessor of any rent or other payment shall not be a waiver by it of any breach by Lessee of any covenant, condition or obligation.

ARTICLE XVII
INDEPENDENCE OF CONTRACT

It is further mutually understood and agreed that nothing herein contained is intended or shall be construed as in any way creating or establishing the relationship of co-partners between parties hereto or as constituting the Lessee as the agent or representative or employee of the Lessor for any purpose or in any manner whatsoever.

ARTICLE XVIII
WAIVER OF SUBROGATION

The Lessor and Lessee hereby release each other from any and all responsibility to the other for any loss of damage to property caused by fire or other peril if the property is insured for such loss or damage in any policy of insurance, even if such loss or damage is caused by the fault or negligence of the other party or anyone for whom such party is responsible. The Lessor and the Lessee agree that to the extent any such policy of insurance provides a right of subrogation in the insurer, or to the extent a right of subrogation exists independent of such policy, each will indemnify and hold the other harmless for any loss, claim or expense suffered as the result of any action taken pursuant to the right of subrogation. Both Lessor and Lessee shall have their property and aircraft physical damage insurance carriers add the "waiver of subrogation" to their respective insurance policies.

ARTICLE XIX
SEVERABILITY

In the event that any provision herein contained is held to be invalid by any court of competent jurisdiction, the invalidity of any such provision shall in no way affect any other provision contained herein, provided that the invalidity of any such provision does not materially prejudice either the Lessor or Lessee in their respective rights and obligations contained in the valid provisions of this Agreement.

ARTICLE XX
SECURITY PLAN

The Lessor has implemented an Airport Security Plan in a form acceptable to the Transportation Security Administration (TSA) pursuant to 14 Code of Federal Regulations Part 1542. The Lessor reserves the right to modify that plan from time to time, as it deems necessary to accomplish its purposes. Lessee shall at all times comply

with the Security Plan and indemnify and hold harmless the Lessor from any violations of said Security Plan committed by the Lessee, its agents, guests, invites, or persons admitted by the Lessee to the Leased Premises. Any violation of this paragraph is considered a material breach of this Agreement, which gives the Lessor the rights set forth in Article XII.

1. Lessee acknowledges Lessor's responsibility to maintain the integrity of the airfield security perimeter and agrees to comply with all Airport rules and regulations, security procedures and Federal Aviation rules, regulations and guidelines pertaining to the security and safety of the Leased Premises and adjacent area and the airfield operations area, including the ingress and egress thereto.
2. Lessee shall read the attached Air Operations Training Program (Exhibit D), in accordance with 49 CFR 1542.213(c), and shall certify, by signing the certification form, that this has been completed and Lessee fully understands the obligations of having access to the Air Operations Area. Furthermore, Lessee shall ensure that any members or guests of the hangar are informed of this training.
3. Should the Transportation Security Administration determine that security has been breached due to the negligence of Lessee and fine the Airport, Lessee agrees to reimburse Airport for the fine.
4. Lessee acknowledges the Airports has established an ID Badge System for the entire Airport and agrees to cooperate in the badging of it employees or agents. Lessee agrees to pay the fees as established by the Airport for such purpose.

ARTICLE XXI
RULES AND REGULATIONS

County shall adopt and enforce reasonable rules, regulations and ordinances which Lessee agrees to observe and obey, with respect to the use of the Airport, which shall provide for the safety of those using the same; provided that such rules, regulations and ordinances shall be consistent with safety and with rules, regulations and orders of the FAA with respect to aircraft operations safety and security at the Airport; and provided further, that such rules and regulations shall not be inconsistent with the provisions of this Agreement or the procedures prescribed or approved from time to time by the FAA. Lessee shall not violate, or knowingly permit its agents, contractors or employees acting on behalf of Lessee to violate any such Rules and Regulations.

ARTICLE XXII
NOISE ABATEMENT

1. Lessor and Lessee agree that Lessor does not, in any manner, either expressly or impliedly, covenant or represent that the Leased Premises may be used free from any noise restrictions that may now or hereafter be in force with regard thereto and that Lessee shall bear sole responsibility for the extent of noise created by its use of the Leased Premises.

2. Lessee shall abide with all standards established for engine run-up and noise abatement rules, regulations and procedures as specifically set forth by Federal and State regulation, Outagamie County Ordinances, and/or Airport Policies lawfully developed for aircraft operations at Appleton International Airport, provided Lessee shall have an opportunity to participate in the development of such policies.

ARTICLE XXIII
EPA STANDARDS

Lessee shall abide with all standards established for Environmental Protection of storm water runoff as per the approved plan for Outagamie County.

ARTICLE XXIV
ENVIRONMENTAL MATTERS

1. Lessee represents and warrants that any handling, transportation, storage, treatment or usage of toxic or hazardous substances by Lessee that will occur on the Leased Premises during the term of the Lease or any renewals thereof shall be in compliance with all applicable federal, state and local laws, regulations and ordinances.

2. Lessee hereby agrees to indemnify, defend, protect and hold harmless Lessor and Lessor's agents, and their respective successors and assigns, from any and all claims, judgments, damages, penalties, fines, costs, liabilities, and losses (including, without limitation, loss, or restriction on use of rentable space or of any amenity of the premises and sums paid in settlement of claims, attorneys' fees, consultant's fees, and expert's fees) that arise during or after the leased term directly or indirectly from the presence of hazardous materials on, in, or about the Leased Premises which is caused by Lessee or Lessee's agents. This indemnification by Lessee of Lessor and Lessor's representatives includes, without limitation, any and all costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal, or restoration work required by any federal, state, or local governmental agency or political subdivision because of the presence of such hazardous material in, on, or about the Leased Premises or the soil or ground water on or under the building or any portion thereof. Lessee shall promptly notify Lessor of any release of hazardous materials in, on, or about the Leased Premises that Lessee or Lessee's agent becomes aware of during the leased term of this Lease, whether caused by Lessee, Lessee's agent, or other persons or entities.

ARTICLE XXV
DELINQUENT CHARGES

Late payment of all rents, fees and charges outlined in this Agreement are subject to the following interest charges; unless waived by the County Board of Supervisors, Lessee

shall be responsible for payment of interest on amounts not remitted in accordance with the requirements of this Agreement. The rate of interest shall be equivalent to the statutory rate in effect for delinquent County property taxes (presently 1 percent per month or fraction of a month) as described in Subsection 74.80(1), Wisconsin Statutes. The obligation for payment and calculation thereof shall commence thirty (30) days after the due date(s) established within this Agreement for the various rents, fees and charges.

ARTICLE XXVI
SUCCESSORS AND ASSIGNS BOUND

All of the provisions of this Agreement shall bind the legal representatives, successors, and assigns of the respective parties.

ARTICLE XXVII
GOVERNING LAW; VENUE FOR DISPUTES

This agreement shall be deemed to have been made in, and shall be construed in accordance with the laws of the State of Wisconsin. Any lawsuit related to or arising out of disputes under this Agreement, shall be commenced and tried in the circuit court of Outagamie County, Wisconsin, and Lessor and Lessee submit to the exclusive jurisdiction of the circuit court for such violation.

ARTICLE XXVIII
ENTIRE AGREEMENT

This agreement contains and embodies the entire Agreement between the Lessor and the Lessee and supersedes and replaces any and all prior agreements, understandings, and promises on the same subject, whether they are written or oral.

ARTICLE XXIX
HOLDOVER POSSESSION OF PREMISES BY LESSEE

In the event that the Lessee should hold over and remain in possession of the Leased Premises after the expiration of this Agreement or termination for any other cause, such holding over shall be deemed not to operate as a renewal or extension of this Agreement and shall create a tenancy from month to month which may be terminated at any time by the Lessor or Lessee.

ARTICLE XXX
RIGHTS UPON TERMINATION

Upon expiration of this Agreement or upon termination of this Agreement, the Lessor may, in its sole discretion, do any of the following:

1. Negotiate a new agreement with Lessee;

2. Take title to all structures located on the Leased Premises; or

3. Order and require Lessee to remove all structures located on the Leased Premises and restore the site to its original condition within sixty (60) days.

Lessee has the right, upon termination, to remove all structures and improvements from the Leased Premises and restore the Leased Premises to its original condition.

ARTICLE XXXI
PARAGRAPH HEADINGS

All paragraph headings contained in this Agreement are for convenience in reference only, and are not intended to define or limit the scope of any provision.

ARTICLE XXXII
NOTICES

All fees due under this Agreement shall be made payable to Outagamie County Treasurer, and shall be remitted to the Outagamie County Courthouse, 320 South Walnut Street, Appleton, Wisconsin 54911.

Notices shall be sufficient if hand delivered or sent by certified mail, postage prepaid, addressed to:

Lessor
Airport Director
Appleton International Airport
W6390 Challenger Drive, Suite 201
Appleton, WI 54914-9119

Lessee

GENERAL AVIATION HANGAR BUILDING MINIMUM SPECIFICATIONS

Below are the minimum specifications for building an aircraft hangar at the Appleton International Airport. Please contact the Airport Director for consideration of and deviations to these minimum specifications.

PART ONE - GENERAL REQUIRMENTS

A. Application
   1. This building code applies to all buildings constructed for the storage of aircraft within the boundaries of Appleton International Airport, Outagamie County, Wisconsin.
   2. Hangars are intended for non-commercial single engine or light twin engine aircraft.

B. Approvals
   1. State of Wisconsin
      a. Building plans must meet all applicable requirements of the Wisconsin Administrative Code and the Department of Safety and Professional Services.
   2. Local Building Permits Required:
      a. Town of Greenville
   3. Airport Director
      a. Review and approval is required for all building plans and specifications.
         1. Submit complete set of plans. Specifications and shop drawings.
         2. Submit color chips for color selection.
         3. Provide copies of local building permit for Airport Records
      b. Compliance with Appleton International Airport height and zoning ordinances is required.
      c. Variances
         1. Requests for variances from these requirements shall be submitted in writing and will be reviewed by the Airport Director on a case-by-case basis.
         2. Costs of engineering or architectural review that may be required for variance approval shall be paid by the applicant.
   4. All plans must be sealed by an architect or professional engineer licensed to practice in the State of Wisconsin.

C. Size Requirements
   1. Single or Light Twin Engine Aircraft
      a. Each hangar shall be a minimum of 1400 square feet.
      b. Each hangar shall be a maximum size to accommodate lot size and setback requirements.

D. Setback requirements
   1. Side yard: 10 feet
   2. Front yard: 25 feet
   3. Rear yard: 25 feet from taxiway
   4. Must meet state and local building code requirements.

E. Design Requirements
1. Roof Load: 30 psf minimum plus snow drift loading.
2. Wind Load: 20 psf minimum
3. Building plans must show dead weights attributable to suspended equipment, etc.

PART TWO-QUALITY ASSURANCE

A. Reference Specifications
1. American Concrete Institute:
ACI 301 Specifications for Structural Concrete for Buildings
ACI 302 Guide for Concrete Floor and Slab Construction
ACI 303 Guide to Cast-in-Place Architectural Concrete Practice
ACI 304 Recommended Practice for Measuring, Mixing, Transporting, and Placing Concrete
ACI 533 Precast Concrete Wall Panels
2. American Institute of Steel Construction:
AISC Steel Construction Manual
3. American Institute of Timber Construction:
AITC Timber Construction Manual
4. American Iron and Steel Institute:
AISI Light Gauge Formed Steel Design Manual
5. American National Standards Institute:
ANSI A41.1 American Standard Building Code for Masonry
6. American Society for Testing and Materials:
ASTM C94 Ready Mixed Concrete
AST14 C90 Hollow Load-Bearing concrete Masonry Units
ASTM C144 Aggregate for Masonry Mortar
ASTM C150 Portland Concrete
7. National Concrete Masonry Association:
NCMA TR90 Architectural and Engineering Concrete Masonry Details for Buildings
8. National Fire Protection Association:
NFPA 10 Standard for Portable Fire Extinguishers
NFPA 70 National Electrical Code
NFPA 409 Standard on Aircraft Hangar
9. Precast Concrete Institute:
PCI MNL 117 Manual for Quality Control for Plants and Production of Architectural Precast Concrete Products
10. Wisconsin Commercial Building Codes:
COMM 61, Part 412 Aircraft Hangars
11. Wisconsin Department of Transportation:
WisDOT 209 Granular Backfill
WisDOT 212 Granular Subbase Course
WisDOT 304 Crushed Aggregate Base Course
WisDOT 405 Plant Mixed Asphaltic Bases Pavements - General Requirements
WisDOT 407 Asphaltic Concrete Pavement
WisDOT 408 Seal Coat
WisDOT 415 Concrete Pavement
WisDOT 505 Steel Reinforcement
WisDOT 625 Topsoil and Salvaged Topsoil
WisDOT 630 Seeding

B. All reference specifications shall be the latest available edition, including supplemental specifications.

PART THREE- MATERIALS AND EXECUTION

A. Building systems
   1. Acceptable Building Systems
      a. Heavy timber frame with steel sheathing.
         1. Pole buildings will be allowed only on a case-by-case basis.
      b. Steel frame with steel sheathing.
      c. Requests for other building systems shall be submitted and will be reviewed by the Airport Director on a case-by-case basis.
   2. Structural Requirements
      a. Structural members and bearing walls shall be of combustion-resistant materials.
      b. Structural steel shall be designed in accordance with AISC requirements.
         1. Exposed material, which is not galvanized or painted, shall be given and coat of aluminum or zinc chloride shop primer as appropriate prior to erection.
         2. Bolts shall be eletro-galvanized.
      c. Structural timber shall be designed in accordance with AITC requirements.
         1. Anchors, connectors, hangers and nailing clips shall be galvanized or black copolymer coated steel.
   3. Steel Sheathing Requirements
      a. Cold formed steel shall be designed in accordance with AISI requirements.
      b. All materials, whether exposed or not to the elements, shall be galvanized, galvalume or aluminized.
      c. Bolts
         1. Bolts furnished with galvanized materials shall be electro-galvanized.
         2. Bolts furnished with aluminized or galvalume steel panels shall be AISI Type 430 stainless steel.
         3. All bolts exposed to the weather shall be furnished with a contained nylon washer under the head for sealing.
      d. Exterior metal-to-metal laps shall be sealed with a sealer approved by or supplied by the panel fabricator.
         1. Sealer shall not run, separate or deteriorate rapidly with age.
      e. Wall Panels
         1. Panels shall be roll-formed from flat steel to the following Specifications:
            a) Thickness: 22 ga minimum
            b) Pattern: 7/8" corrugated metal with exposed fasteners. Vertical panels.
            c) Major Rib spacing: 2.67 inches
            d) Panel Coverage: 32 inches

         2. Panels shall be galvanized, galvalume or aluminized coated steel with epoxy and polyester finish.
         3. Panels shall overlap a minimum of 1 ½ inches at all seams and be securely fastened and sealed.

4. Flashing and closure pieces shall be manufactured from materials of similar quality as the panels.
5. Exposed fasteners shall match or be painted to match the panels.
6. Wall panels shall be erected with sufficient intermediate support to withstand the design wind loads.

f. Roof Panels
1. Panels shall be roll-formed from flat steel to the following specifications:
a) Thickness: 24 ga minimum
b) Pattern: 3" high vertical ribs, 24" panel width

2. Panels shall be galvanized, galvalume or aluminized coated steel.
a) G90 galvanized coating or,
b) .65 ounce per square foot of aluminum.
3. Longitudinal seam shall be of the crimped standing seam type and be securely fastened and sealed.
4. End splices shall be formed with a minimum overlap of 6 inches and be securely fastened and sealed.
5. Seams and splices shall be completely weathertight and capable of developing the entire bending moment and axial load capability of the panel.
6. Provide pre-formed ridge cap.
7. Provide metal closures at the eave andridge.

g. Decorative Panels
1. Use of brick masonry for ornamentations shall conform to the recommendations of the Brick Institute of America.
2. Use of stone for ornamentation shall conform to the recommendations of the Building Stone Institute.

B. Detail Requirements
1. Floors:
a. Floors shall be liquid-tight and sloped toward the aircraft door and apron.
b. Materials:
1. Floor sections shall be designed to accommodate the intended aircraft loading.
2. Floor sections shall be constructed of Portland Cement Concrete or Asphaltic concrete pavement and shall be sufficient to meet aircraft loads.

2. Aircraft Doors.
a. Types.
1. Vertical bi-fold.
2. Canopy.
3. Vertical lift.
b. Materials.
1. Door panels shall meet the applicable requirements for steel wall panels.
c. Electric door operators.
1. All electric controls shall be designed to meet NFPA 70 standards, including Article 513, Aircraft Hangars, and shall be "weatherproof".

3. Walk Doors
    a. All walk doors must meet state and local building code requirements.
    b. All walk doors must be constructed of metal.
    c. All walk doors must be equipped with a lockset- heavy-duty Schlage- Rhoads or equivalent, with an E-keyway.

4. Interior Partitions
    a. Areas shall meet state and local building code requirements.
5. Finishes
    a. Exterior
        1. Wall color shall be silver metallic
        2. Trim color shall be silver metallic
        3. Roof color shall be silver metallic
    b. Color samples must be submitted to the Airport Director and shall be approved by the Airport Director prior to painting.
6. Fire Extinguishers.
    a. Sufficient fire extinguishers shall be provided so that no part of the hangar structure is more than 75 feet away from an extinguisher.
    b. Extinguishers shall be wall mounted using compatible hardware adjacent to a fire exit, and clearly identified.
    c. Extinguishers shall meet NFPA 10 standards.
    d. Approved types.
        1. Multi-purpose Dry Chemical UL 20A-120 B/C.
        2. Carbon Dioxide UL 120 B/C.
        3. Halon 1211 UL 4A-80 B/C.
7. Utilities.
    a. Electricity.
        1. Underground electrical service will be furnished to a nearby distribution point.
        2. Connections to the building shall be the responsibility of the hangar owner(s).
        3. Interior wiring shall be the responsibility of the hangar owner(s).
        4. Separate meters will be required for each building.
        5. All wiring shall be done in accordance with NFPA 70, including Article 513 (Aircraft Hangars).
    b. Telephone.
        1. Underground telephone service is optional and will be provided at the hangar owner's expense.
    c. Water.
        1. Potable water service is optional and will be provided at the hangar owner's expense.
        2. Service must be requested prior to start of construction.
        3. Connections to watermains will be provided upon main installation.
    d. Sanitary Sewer.
        1. Sanitary sewer service is optional and will be provided at the hangar owner's expense.
        2. Service must be requested prior to start of construction.
        3. Connections to sanitary sewer mains will be provided upon main installation.

e. Gas Service
1. Underground gas service will be furnished to a nearby distribution center.
2. Connections to building shall be the responsibility of the hangar owner(s).
3. Separate meters will be required for each building.
4. All connections shall meet state and local building codes.

8. Foundation
a. The foundation must meet appropriate state and local building codes
9. Drainage
a. Installation of gutters and roof drains may be required for the protection of adjacent structures.
b. Connection of roof drains or area inlets to storm sewers may berequired for the protection of adjacent structures.

C. Storage and Erection
1. Provide erosions control measures and, when required, implementation plan as required by governing agencies prior to start of site work.
2. Building material stored on site prior to erection shall be stacked on platforms or pallets covered with suitable watertight wind-resistant coverings.
3. Storage and erection shall be conducted in such a manner that there is no interference with aircraft operations from adjacent hangar sites or from elsewhere on the airfield.
4. Erection practices shall conform to the applicable ACI, AISC, and AITC standards.

D. Site Requirements
1. Approach paving
a. Hangar owner will be responsible for approach paving from the hangar door to the taxiway.
b. Approach paving shall be designed to accommodate the intended aircraft loading and a minimum of 3 inches of asphalt on an appropriate base course.
c. Approach paving shall be graded appropriately, sloped away from building to taxiway and to meet existing grades between the buildings and taxiway.
2. Site Restoration
a. Unpaved portions of the site shall be level graded and covered with a minimum of 4 inches of salvaged topsoil according to the requirements of WisDOT Specification 625.
b. Top soiled areas shall be seeded and maintained in accordance with lease specifications.
3. External Storage
a. External storage of materials of any kind will not be permitted.
1. Parking will be provided on site.
2. Parking on the hangar approach or taxiway will not be permitted.

E. Security Fence
1. Hangar owner must coordinate the removal of the existing chain link fence with the Airport Director before beginning construction.

2. Hangar owner will be responsible for maintaining a security fence during the construction process.
3. Hangar owner must erect a minimum 7-foot-high fence with 1-foot barb wire chain link security up to and between buildings. In coordination with the Airport Director, the existing security fence may be reused to meet this requirement. Fence poles must be a minimum of 2 inches, located a maximum of 3 inches from the building, and poured into a concrete base.

EXHIBIT D

Insurance Requirements for Independent Contractors and Vendors

Section 1 - Indemnification and Hold Harmless Clause (This language is required in all contracts):

_____ (Contractor / Vendor Name) agrees at all times during the term of the agreement to indemnify, hold harmless and defend the County, its Boards, Committees, Officers, Employees, Authorized Representatives and Volunteers against any and all liabilities, losses, damages costs or expenses (including, without limitation, actual attorney's and consultant's fees) which the County, its Boards, Committees, Officers, Employees and Representatives may sustain, incur or be required to pay by reason of or in any way related to bodily injury, personal injury or property damage of whatsoever nature or in connection with or in any way related to the performance of the work by _____ (Contractor/Vendor Name), its employees, agents and anyone employed directly or indirectly by any of them or by anyone for whose acts any of them may be liable, provided, however, that the provisions of this section shall not apply to liabilities, losses, charges, costs or expenses caused solely by or resulting from the gross negligent acts or omissions of the County, its Agencies, Boards, Committees, Officers, Employees, Authorized Representatives or Volunteers. It is agreed that Contractor/Vendor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. Contractor's/Vendor's indemnity obligations shall not be limited by any worker's compensation statute, disability benefit or other employee benefit or similar law or by any other insurance maintained by or required of Contractor/Vendor. Nothing contained in this agreement is intended to be a waiver or estoppels of the County to rely upon the limitations, defenses, and immunities contained within Wisconsin law, including, but not limited to, those contained within Wisconsin Statutes 893.80, 895.52 and 345.05. To the extent that indemnification is available and enforceable, neither the municipality nor its insurer shall not be liable in indemnity and contribution for an amount greater than the limits of liability for municipal claims established by Wisconsin law.

Section 2 - Compliance with Laws, Regulations, Permits, Etc. Clause (This language is required in all contracts):

The _____ (Contractor/Vendor Name) shall comply with all Federal, State and local codes, laws, regulations, standards, and ordinances, including, without limitation, those of the Occupational Safety and Health Administration (OSHA), the Wisconsin Department of Safety and Professional Services and all County rules and orders governing the performance of the work performed by the Contractor/Vendor, its employees, agents and subcontractors or anyone employed directly or indirectly by any of them or by anyone for whose acts any of them may be liable. In addition, any material, equipment or supplies provided to the County must comply with all safety requirements as set forth by the Wisconsin Administrative Code, Rules of the Industrial Commission on Safety and all applicable OSHA Standards. Effective May 1, 2007 employers performing work on qualified public works construction projects in Wisconsin for municipal government and state building projects will be required to have a written substance abuse testing program in place. The provisions of this requirement are contained in Wisconsin Statute § 103.503.

Section 3 - Subcontractors Clause (This language is required in all contracts):

The _____ (Contractor/Vendor Name) shall require each of their Subcontractors to take out and maintain, during the life of their subcontract the same insurance coverages as required under section 6, below, including without limitation naming the County, its Boards, Committees, Officers, Employees, Authorized Representatives and Volunteers as additional insureds with respect to all commercial general liability insurance policies. Each Subcontractor shall furnish to the _____ (Contractor/Vendor Name) two (2) copies of all certificates of insurance in a form acceptable to the County. The _____ (Contractor/Vendor Name) shall furnish one copy of

each of the certificates of insurance, and any other evidence of insurance requested by the County, to the County prior to the commencement of any work to be performed by Contractor/Vendor or its Subcontractors. The County reserves the right to immediately terminate the contract with no liability or obligation to Contractor/Vendor or its Subcontractors, if the Subcontractor is not in compliance with these insurance requirements.

Section 4 - Proof of Insurance (This language is required in all contracts):

Policies shall be issued by a company or companies authorized to do business in the State of Wisconsin and licensed by the Wisconsin Insurance Department and having an "AM Best" rating of A- or better. Acceptance of Contractor's insurance by County shall not relieve or decrease the liability of the Contractor hereunder. Any deductible or self-insured retention amount or other similar obligation under the policies shall be the sole responsibility of the Contractor. Coverage afforded shall apply as primary and non-contributory, with the County, its Boards, Committees, Officers, Employees, Authorized Representatives and Volunteers named as **additionally insureds (with respects to any and all insurance policies identified in Section 6, as allowed by law)**. All liability insurance policies (except professional liability policies) to be maintained hereunder by Contractor/Vendor shall be occurrence based and not claims made policies. The County shall be given thirty (30) days advance notice of cancellation or nonrenewal of any and all required insurance coverages during the term of this agreement. Prior to the execution of this agreement, the _____ (Contractor/Vendor name) shall furnish the County with certificates of insurance (Acord Form 25-S or equivalent) signed by the insurer's representative and, upon request, certified copies of the required insurance policies and any other insurance related information, evidencing the insurance coverage requirements referenced below. **Certificates of insurance shall be sent to the following address: Outagamie County, Attention: Risk Administrator, 320 South Walnut Street, Appleton, WI 54911**. The County reserves the right to immediately terminate the contract with no liability or obligation to Contractor/Vendor or any of its Subcontractors, if the _____ (Contractor/Vendor Name) is not in compliance with these insurance requirements.

Section 5 – Applicable Law (This language is required in all contracts):

Any lawsuits related to or arising out of disputes under this agreement shall be commenced and tried in the Circuit Court of Outagamie County, Wisconsin and the County and _____ (Contractor/Vendor Name) shall submit exclusively and specifically to the jurisdiction of the Outagamie County Circuit Court for such lawsuits. This agreement will be governed and construed according to the laws of the State of Wisconsin.

Section 6 – Insurance Coverage Requirements:

This language is required in all contracts: The insurance requirements herein are minimum requirements for this Contract and in no way limit the indemnity covenants contained in this Contract. **Outagamie County in no way warrants that the minimum limits contained herein are sufficient to protect the Contractor/Vendor from liabilities that might arise out of the performance of work under this contract by the Contractor, it agents, representatives, employees or subcontractors, and Contractor is free to purchase additional insurance.** _____ (Contractor/Vendor Name) agrees that in order to protect itself and the County, its Boards, Committees, Employees, Authorized Representatives and Volunteers under the indemnity provisions of Section 1, it will at all times during the term of the agreement provide and maintain at its own expense, the following minimum limits of insurance covering its operations:

Minimum Insurance Coverages and Limits (Note to County Departments: these coverage amounts, except for worker's compensation, should be increased as the size of the project and the exposure risk increases. To determine adequate coverage limits, contact the Risk Administrator.)

1) Worker's Compensation & Employer's Liability
   a) Applicable State – Statutory Limits as Required by the State of Wisconsin
   b) Applicable Federal (e.g. U.S. Longshoremen's and Harbor Worker's Act, Admiralty (Jones) Act, and Federal Employer's Liability Act) – Statutory Limit
   c) Employer's Liability - $100,000 each occurrence / $100,000 each person (disease) / $500,000 total limit (disease)

   Add this language – Except as may be otherwise set forth herein, the County shall not be liable to _____ (Contractor/Vendor Name), its employees, or subcontractors, or anyone employed directly or indirectly by any of them or by anyone for whose acts any of them may be liable, for any injuries to any of them arising out of or in any way related to the performance of the work under this agreement. _____ (Contractor/Vendor Name) agrees that the indemnification and hold harmless provisions within this agreement extend to any claims brought by or on behalf of any such employees, subcontractors or anyone employed directly or indirectly by any of them or by anyone for whose acts any of them may be liable.

2) Automobile Liability – Owned, Non-Owned, Hired
   a) Bodily Injury and Property Damage Combined - $1,000,000 for bodily injury and property damage per occurrence limit covering all vehicles to be used in connection with the performance of Contractor's/Vendor's obligations under this Agreement.
   b) Coverage for commercial automobile liability insurance shall be at least as broad as Insurance Services Office (ISO) Business Auto Coverage (Form CA 0001), covering Symbol 1 (any vehicle).

   Add this language - If Contractor/Vendor/Subcontractor or Contractor's/ Vendor's/Subcontractor's employees use personal vehicles to perform any services or work to be performed by Contractor/Vendor or Subcontractor under this Agreement, the Contractor/Vendor/Subcontractor must provide, to the County, a copy of the Certificate of Insurance (and any other documentation requested by the County) for Personal Automobile Liability coverage for each employee of Contractor/Vendor/Subcontractor who will be using their personal vehicle to perform such services or work as evidence of satisfactory compliance.

3) Commercial General Liability (Including Broad Liability Endorsement)
   a) Bodily Injury and Property Damage Combined - $1,000,000, Each Occurrence
   b) Personal Injury - $1,000,000
   c) X,C,U - $1,000,000 Each Occurrence
   d) Coverage for commercial general liability insurance shall be at least as broad as Insurance Services Office (ISO) Commercial General Liability Coverage (Occurrence Form CG 0001)

4) Umbrella or Excess Liability
   a) $1,000,000 following form excess of the primary General Liability, Automobile Liability and Employers Liability Coverages.

Other Insurance Coverage's & Minimum Limits (use as necessary)

(Note to County Departments: these coverage amounts should be increased as the size of the project and the exposure risk increases. To determine the adequate coverage limits, contact the Risk Administration Department.)

1) Professional Liability (*This coverage is needed when any intangible item is involved such as, but not limited to, the use of architects, engineers, testing services and consultants.*)

a) Coverage Limit - $1,000,000 per claim or event

Add this language – The _____ (Contractor /Vendor Name) shall maintain insurance covering negligent acts, errors and omissions, arising out of performance of, or the failure to perform, any professional services required under this Agreement. Additionally, the _____ (Contractor/Vendor Name) shall require its consultants and their sub-consultants, if any, to maintain professional liability insurance. If the policy coverage is a claims made policy and not occurrence based, then all such insurance coverages shall be maintained for a minimum of ten (10) years following completion or earlier termination of the Project.

2) Completed Operations (*This coverage is needed for any construction or installation project.*)
   a) $1,000,000 / Each Accident

   Add this language – Coverage shall be maintained for a period of two (2) years after the final payment to Contractor/Vendor.

3) X,C,U [*This coverage is needed for the following: (**X** – use of explosives that might damage property), (**C** – covers property damage rising out of the following: grading of land, excavation, burrowing, filling or backfilling, tunneling, pile driving, or coffer dam or caisson work; also includes moving, shoring, underpinning, razing, or demolition of any building or structure.), and (**U**- underground damage; includes damage to wires, conduits, pipes, mains, sewers, tanks, tunnels, or any similar property beneath the surface of the ground or water caused by and occurring during the use of mechanical equipment for the purpose of grading land, paving, excavating, drilling, burrowing, filling backfilling or pile driving):*
   a) $1,000,000 / Each Accident
4) Product Liability (*This coverage is needed in instances such as, but not limited to, a vendor serving food at the Airport Restaurant.*)
   a) $1,000,000 / Each Accident

   Add this language – Coverage shall be maintained for a period of two (2) years after the final payment to Contractor/Vendor.

5) Malpractice / Professional Liability (*This coverage is needed for all contracted medical services, including but not limited to, assisted physician services, laboratory equipment maintenance, and patient testing.)*
   a) In an amount not less than $1,000,000 per occurrence and $3,000,000 in the aggregate

   Add this language – For claims made, the retroactive date of coverage for all policies in force during this agreement shall be not later than the inception date of the agreement. Coverage shall be extended beyond this agreement and policy year either by a supplemental extended reporting period for at least two (2) years after the termination of this agreement or by providing a retroactive date no later than the inception date of this agreement for any policy issued within two (2) years after the termination of this agreement.

6) Pollution Liability *(This coverage is needed if an agreement involves a hazardous substance such as but not limited to waste oil, waste batteries, etc.)*
   a) In an amount not less than $1,000,000 per occurrence and $2,000,000 in the aggregate (with 1 year extended reporting period)

7) Aircraft Liability (*This coverage is needed if the agreement involves the use of any aircraft.*)
   a) Piston - $5,000,000 per occurrence
   b) Jet - $25,000,000 per occurrence

8) Cyber/Privacy Liability (*This coverage is needed for Contracted vendors who maintain protected personal information ("personal information" means information that identifies an individual, including an individual's photograph, social security number, driver identification number, name, address (but not the 5-digit zip code), telephone number, and medical or disability information, financial information such as credit information, etc.) concerning clients and/or employees of Outagamie County*)
   a) $1,000,000 per occurrence / $3,000,000 aggregate
      Add this language - Coverage shall include, but not be limited to, coverage for unauthorized access, denial of service attacks, computer viruses, transmission of malicious code, and failure of security; breach of privacy and the failure to protect and disclosure of personally identifiable information, payment card information, and health information; and violation of any federal, state or local law or regulation in connection with the protection of information, including coverage for fines and penalties to the extent allowed by applicable law. If such policy is a "claims made" policy, all renewals thereof during the life of the Contract shall include "prior acts coverage" covering at all times all claims made with respect to Contractor's work performed under the Contract

Please contact the Risk Administrator (extension 5494) for further questions.

EXHIBIT E

APPLETON AIRPORT
INTERNATIONAL

AIR OPERATIONS AREA (AOA) AWARENESS PROGRAM

49 CFR Part 1542.213 (c) requires that the airport operator may not authorize an individual access to the AOA unless that individual has been provided information in accordance with the airport security program.

DEFINITIONS

Security Identification display area (SIDA) – A portion of the airport which requires the display of one's ID badge. (See attached SIDA/ Secured Area Map)

Terminal SIDA – The concrete apron surrounding the terminal concourse, the baggage makeup areas west of the airline operations offices, and the incoming baggage staging areas south of the baggage carousels.

Air Cargo SIDA – The concrete apron east of the air freight facility. The western portion of the Fed Ex building used for receiving, sorting, loading, or unloading cargo and the concrete apron west of the facility.

Secured Area – A portion of the airport, where airport operators enplane and deplane passengers and sort and load baggage, and any adjacent areas that are not separated by adequate security systems, measures, or procedures. All secured areas are called SIDA's and require the display of one's ID badge.

Air Operations Area A portion of the airport that includes aircraft movement areas, aircraft parking areas, loading ramps, safety areas, and any adjacent areas (such as general aviation areas) that are not separated by adequate security systems, measures, or procedures. This area does not include the secured area and does NOT require a SIDA badge be worn.

Airport Security Coordinator – The airport operator's primary contact for security- related activities and related communications with the TSA. At the Appleton International Airport, the Airport Security Coordinator is Gary Wunsch, Deputy Chief Airport Department of Public Safety. The alternate ASCs are the terminal maintenance supervisor and the ADPS Fire Chief.
The Security Coordinator can be reached at (920) 832-2186 or (920) 419-2215.

RESPONSIBILITIES

Transportation Security Administration – Federal oversight responsibility including the publishing of safety and security regulations, and monitoring and ensuring compliance with those regulations.

Airport Operator – The entity issued an airport operating certificate by the FAA under FAR Part 139, which enables that entity to conduct airport operations subject to FAA regulations and oversight. The airport operator's role includes development of the airport security program and compliance with applicable Transportation Security Regulations, including providing law enforcement support.

EXHIBIT E

Approved Individual

Each Person shall:

1. Stay in the designated work areas at all times
2. Provide photo identification upon request from ADPS or TSA Officers while in this area.
3. Be under Escort at all times.

No person shall, or cause another person to:

1. Tamper with a locking mechanism that would cause a secure door to not function properly.
2. Attempt to perform unauthorized self-testing of any security system or procedure.
3. Attempt to gain access to the AOA, SIDA, or secured area via methods not outlined in the security plan.
4. Enter, or be present within, a secured area, AOA, SIDA or sterile area without complying with the systems, measures, or procedures being applied to control access to, or presence or movement in, such areas.
5. Divulge, record, transmit, or give the pass code to another.

VEHICLE OPERATIONS/RESTRICTIONS

All unescorted vehicles authorized in these areas are identified with a beacon, or orange and white checked flag, on the top of the vehicle. All personnel entering the SIDA must wear identification authorizing them to be in this area or be escorted by an individual who has been granted unescorted access to the SIDA. Vehicles in the SIDA are limited to:

1. Vehicles owned and operated by Appleton International Airport and used in direct support of air operations, maintenance and fire fighting.
2. Vehicles operated by airlines and used in support of air carrier operations and maintenance.
3. Vehicles owned and operated by the Federal Government and used in direct support of NAVAID maintenance and repair.
4. FBO vehicles used in support of general aviation and air carrier operations.
5. Construction vehicles with the appropriate markings and authorized by the Airport Security Coordinator.

TSA SECURITY INSPECTION ENFORCEMENT ACTIVITES:

** The TSA randomly conducts inspections of our facility and tests our security practices. If a security breach is found, we can be fined up to $10,000.
** The Outagamie County has an ordinance that addresses security violations. Violations of this ordinance may result in a progressive fine: $10.00 first offense, $25.00 second offense and $50.00 for third offense. The Airport D.P.S., Sheriff's Dept. and Airport Director have authority to issue these fines.

1. Allowing someone to piggyback through secure door/gate.
2. Not following stop/wait policy at vehicle gates.

LAW ENFORCEMENT

The Appleton International Airport operated under a TSA approved Flexible Response system. Under this system, the Outagamie County Sheriff's Department will respond, within minutes of being summoned, with a uniformed Sheriff's Deputy to any event requiring a law enforcement officer.

The Airport Department of Public Safety phone number is (920) 832-1633.

HANGAR LAND LEASE AGREEMENT

THIS AGREEMENT, made and entered into this _____day of_____, 2024 by and between OUTAGAMIE COUNTY, a municipal corporation, hereinafter referred to as "Lessor" and Milis Enterprise, LLC, a Land Lessee hereinafter referred to as "Lessee".

PRELIMINARY RECITALS

The Lessor is the owner and operator of Appleton International Airport, an airport situated in Outagamie County, Wisconsin (the "Airport").

The Lessee desires to lease from the Lessor a parcel of land at the Airport to be used for the construction of an aircraft storage facility (a hangar).

NOW, THEREFORE, in consideration of the mutual promises of the Lessor and Lessee as set forth below, the Lessor and Lessee agree as follows:

ARTICLE I
TERM AND EXTENSION

1. Commencement: This Agreement shall commence on May 1, 2024, and shall terminate on April 30, 2054, for a thirty (30) year period unless terminated sooner as permitted by this Agreement.

2. Renewal Option: Lessee shall have two (2) five (5) year options to renew this lease subject to the terms and conditions hereof, including the provisions governing the renegotiations of rental fees, unless no later than 180 days prior to the expiration of the Lease, the Lessee or Lessor serves upon the other notice in writing by registered mail addressed to such person at the address herein set forth stating the intention not to renew this lease.

A. Notice to exercise the option to renew this lease shall be submitted to the Lessor in writing 90 days prior to the expiration date at the address herein set forth.

B. Upon receipt of notice to exercise option, the Lessor shall prepare an addendum to the Lease agreement, which shall reflect the Lessor's current terms and conditions for Hangar Land Leases. Any modifications to the lease terms and conditions shall commence with the start of the option period.

ARTICLE II
LEASED PREMISES-PURPOSE

The Lessor leases to the Lessee the following described portion of the Airport and unless specifically stated otherwise, is referred to in this Agreement as the "Leased Premises".

A parcel of land approximately 85.93 feet wide by 70 feet long and containing approximately 6,015 square feet located south of Runway 3/21 hereinafter referred to as the "GA Area", which is more specifically shown on Exhibit A which is attached to and made a part of this Agreement. The leased parcel is to be used for the construction of a hanger facility by Lessee that will be used for the following purposes:

A. The inside storage of aircraft owned by Lessee and the storage of related materials and supplies and for no other purpose unless approved in writing by the Lessor.
B. Construction of hangar for lease or for sale by Lessee requires the following:
    1. If for lease, requires a Hangar Keepers agreement with Lessor
    2. If for resale, requires approval from Lessor to assign lease

ARTICLE III
FEES AND RENTALS

1. Rent: From and after the commencement date, Lessee agrees to pay Lessor the amounts semi-annually specified in EXHIBIT B as amended as described herein, payable in advance of the first day of billing period, for the duration of this agreement. No demand for payment need at any time be given; it shall be the duty of the Lessee to pay all monies when due.

2. Calculations of rentals for Leased Premises shall be adjusted by 3% on the third (3rd) anniversary of the commencement date and every three years thereafter during the initial term and any extension term, if exercised.

3. Pro-ration of Rents: In the event that the commencement or termination of the term, with respect to any of the particular premises, facilities, rights, licenses, services, and privileges herein provided, fall an any other date than the first or last day of a calendar month, the applicable rentals, fees, and charges for that month shall be paid pro-rata according to the number of days in that month during which said privileges were enjoyed.

4. Lessee agrees to pay an assessment for the cost of installation of sewer and water utilities to the subject property. Such costs to be determined by the Airport Director and will be prorated to fairly apportion the total cost of such utility installation among potential users. Such assessment shall not exceed actual costs

incurred. Costs shall include, but not be limited to, costs of materials, engineering costs, costs of installation, and utility district assessments. The method of payment of the assessment shall be determined by the Airport Director.

ARTICLE IV
GENERAL AVIATION HANGAR BUILDING MINIMUM SPECIFICATIONS

The provisions set forth in Exhibit "C" entitled Appleton International Airport General Aviation Hangar Building Minimum Specifications and any subsequent amendments thereto, are incorporated by reference and are made a part of this. If this Agreement and the Appleton International Airport General Aviation Hangar Building Minimum Specifications are in conflict in what they require of the Lessee, or in what they obligate the Lessee to do or not to do, the Appleton International Airport General Aviation Hangar Building Minimum Specifications shall control.

ARTICLE V
RESTRICTIONS UPON USAGE AND CONSTRUCTION

The property, which is the subject of the Lease, shall be used only for aviation related purposes as the term is defined in FAA regulations. Any improvements, including all buildings and appurtenance thereto, which may be constructed upon the Leased Premises, shall abide by all FAA regulations. In addition to meeting FAA regulations, all such improvements and their proposed locations shall be in accord with any other federal, state, or local building codes and/or other restrictions.

ARTICLE VI
RIGHTS AND PRIVILEGES OF LESSEE

Subject to the terms and conditions hereinafter set forth, Lessee is hereby given the following rights and privileges.

1. Ingress and Egress – Subject to rules and regulations governing the use of the Airport as may be established by the Lessor, the Lessee, its employees, suppliers of materials, furnishers of service, sub-lessees, business visitors, and invitees shall have the right of ingress and egress to and from the Premises leased exclusively to Lessee.

2. Quiet Enjoyment – The Lessor covenants that upon paying the rent and performing the covenants and conditions herein contained, Lessee shall peacefully and quietly have, hold, and enjoy the Leased Premises for the term of this Agreement. Lessee agrees that temporary inconveniences, such as noise, disturbances, traffic detours, temporary inaccessibility and the like, caused by or associated with the construction of Airport improvements or Airport events shall not constitute a breach of quiet enjoyment of the Leased Premises.

3. Storage – Lessee has the right to store aircraft on Lessee's Leased Premises; however, Lessee shall not engage in any other business or operation without the written consent of the Lessor. Lessee understands that a violation of this paragraph is a material default and breach of the Agreement, which gives the Lessor the rights set forth in Article XII.

4. Aeronautical Facility Use – Lessee shall be permitted to use, in common with others, existing and future aeronautical facilities at the Airport as they may exist or be modified, augmented, or deleted from time to time. These facilities include, but are not limited to the landing areas, their extensions and additions, roadways, aprons, and any air navigation facilities or other conveniences for the flying, landing, and taking-off of aircraft. Nothing herein shall prohibit the Lessor from modifying, augmenting, or deleting any such facilities.

5. Nonexclusive Use – This agreement shall not be construed in any manner to grant Lessee or those claiming under it the exclusive right to the use of the premises and facilities of the Airport other than those premises leased exclusively to the Lessee hereunder. Lessor reserves and retains the right for the use of the Airport by others who may desire to use the same pursuant to applicable laws, ordinances, codes, and rules and regulations pertaining to such use.

6. Sub-lease of hangar (requires Hangar Keepers Agreement) or lease assignment if so approved by Lessor. The Lessee shall not be allowed to sub-lease or re-lease land only.

ARTICLE VII
OBLIGATIONS OF LESSEE

Except as otherwise specifically provided herein, Lessee shall have the following obligations.

1. Conditions of Premises – Lessee accepts the Leased Premises in its present condition and, without expense to the Lessor, will maintain any installation thereon.

2. Construction – Lessee shall construct an aircraft storage unit (hangar) on the Leased Premises. A final set of construction plans that have been approved and stamped by a registered, professional engineer shall be submitted to and approved by the Airport Director before any construction begins. The construction plans shall include a site plan. The site plan shall include the location of utilities and utility connections, existing and proposed grades, site drainage information, paving details and all other items on the "Development Checklist." Lessee acknowledges having received a copy of the

"Development Checklist." Lessee is prohibited from deviating from the Lessor approved construction plans without written permission from the Lessor. Construction must begin within six (6) months from the execution of this Agreement and must be completed within six (6) months from the time construction begins. Construction scheduling and operations shall be coordinated with, and approved by the Airport Director before construction shall begin, such approval not to be unreasonably withheld. Lessee shall restore any and all portions of the Airport that are disturbed by Lessee or its contractors during construction at its expense, to the same condition as before construction began.

3. Maintenance, Exterior Storage, and Housekeeping – Lessee shall at its expense, keep, maintain, and repair the Leased Premises, any improvements thereto, and all equipment and buildings in a presentable and operable condition, consistent with good business practices, and in a manner preserve and protect the general appearance and value of other premises in the immediate vicinity. This shall include, but not be limited to roof, exterior painting, all doors, paved areas, lighting, grass, and landscaped areas within lease lines.

   Lessee further agrees that there will be no outside storage of equipment, materials, supplies, or damaged or partially dismantled aircraft on the Leased Premises, and will remove at its expense all trash, garbage, and drain oil, and not deposit the same on any part of the Airport except temporarily in conjunction with collection or removal.

   In the event Lessee does not keep the Leased Premises in a presentable condition, the Lessor has the right to issue a written notice to remedy the condition forthwith. Should Lessee fail to perform satisfactorily within ten (10) days of such notification, or show cause for extension of said time period, the Lessor shall have the right to perform, or have performed by an outside contractor the necessary work without liability, and Lessee aggress to pay the Lessor one hundred twenty five percent (125%) of such expenses within fifteen (15) days upon invoice receipt.

   In the event of fire or any other casualty to buildings or other structures owned by Lessee, Lessee shall either repair or replace the building or remove the damaged building and restore the Leased Premises to its original condition; such action must be accomplished within one hundred twenty (120) days of the date the damage occurred. Upon petition by Lessee, the Lessor may grant, at its sole discretion, an extension of time if warranted.

4. Commercial Operations – Lessee warrants that no commercial operations of any kind, including maintenance of aircraft for payment, or flight instruction for payment are permitted within or near the Leased Premises.

5. Additions of Alterations – Lessee shall have the right during the term of this Lease to make alterations, attach fixtures, or make other changes to the

structure in or upon the Leased Premises upon advance written approval of plans by the Airport Director.

6. Signage and Illumination – Lessee will not paint upon, attach, exhibit or display in or about the said Leased Premises any sign without the written consent of the Airport Director first being obtained regarding the nature and construction of said sign, such approval not to be unreasonable withheld.

7. Locks and Gate Access -- Lessee agrees that all walk doors will be equipped with a heavy-duty lockset sufficient to meet all security requirements. One key shall be provided to Lessor. In the event Lessor needs to access Lessee's hangar and Lessor has not been issued a key, Lessor reserves the right to remove the lock. Lessee shall be responsible for charges associated with removal of the lock and cost of the new lock. Lessee shall pay a $10.00 as a deposit for each gate key. Gate keys shall not be duplicated. When a gate key is lost, stolen or unaccountable, it must be immediately reported to the Airport Public Safety at (920) 832-1633. The fee for a replacement gate access key is $10.00. Lessee agrees that the above-mentioned gate will remain locked in accordance with the Airport Security Plan (Article XXI). If the gate is inoperable or incapable of being fully closed, Public Safety must be notified.

8. Utilities – Lessee agrees to provide its own connections with utilities and to make separate arrangements with the agencies responsible for these utilities. Lessee shall pay for all utility service supplied to the Leased Premises, and if required by the utility agencies as a condition of providing the services, Lessee will install and pay for standard metering devices for the measurement of such services. In the event it shall become necessary to make utility service or facility changes, Lessee will either make such changes and installations, at its expense, as directed and required by the utility organizations, or pay the utility organization for such changes made. The Lessor shall have the right, without cost to the Lessee, to install and maintain in, on or across the Leased Premises, sewer, water, gas, electric, and telephone lines, electric substations, or other installations necessary to the operation of the Airport, or to service other tenants of the Lessor; provided, however, that the Lessor shall carry out such work and locate any above ground structures in a manner so as not to unreasonably interfere with the Lessee's use of the Leased Premises.

9. Discrimination – Lessee, for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration thereof, does hereby covenant and agree that: a) no person on the grounds of race, sex, color, physical handicap, or national origin shall be excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in the use of said facilities, b) that in the construction of any improvements on, over, or under such land and the furnishings of services, thereon, no person on the grounds of race, sex color, physical handicap, or national origin shall be

excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, and c) that the Lessee shall use the Leased Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

10. Costs of Enforcement – Lessee covenants and agrees to pay and discharge all reasonable costs, attorneys' fees, and expenses that shall be made and incurred by the Lessor in the enforcing the covenants and agreements of this Lease.

11. Taxes, Licenses, and Permits – Lessee shall obtain and keep current all municipal, county, state and federal licenses and permits that may be required in its operation. Also, the Lessee will bear, pay, and discharge all taxes, assessments and levies of every nature and kind which may be taxed, charged or assessed lawfully against the Leased Premises and improvements thereon, or which may be lawfully levied or imposed upon the leasehold by a governmental agency.

12. Liens – Lessee agrees to promptly pay all sums legally due and payable on account of any labor performed on, or materials furnished for the Leased Premises. Lessee shall not permit any liens to be placed against the Leased Premises on account of labor performed or material furnished, and in the event such a lien is placed against the Leased Premises, Lessee agrees to save the Lessor harmless from any and all such asserted claims and liens and to remove or cause to be removed any and all such asserted claims or liens as soon as reasonably possible.

13. Parking – Lessee agrees to prohibit vehicle parking on the Airport premises other than those vehicles specifically associated with the use of the Leased Premises, and no other. Lessee, its employees, sub-lessees, guests and invitees shall park only on Lessee's Leased Premises. Lessee, its agents or guests, are expressly prohibited from operating any vehicle on any area of the Airport considered a "movement area" by the Federal Aviation Administration, and agrees to hold Lessor indemnified from any such incursions. Lessee shall at all times comply with posted signs regulating the movement of vehicles.

14. Laws, Ordinances, Rules and Regulations – Lessee shall comply with, at its own expense, all applicable federal, state, or local laws, ordinances, rules or regulations of the Airport now in effect or hereafter promulgated. Any violation of this paragraph shall be construed as a material breach of this Lease Agreement authorizing the termination thereof at the election of the Airport Director, unless Lessee, upon receipt of written notice, takes immediate remedial measures acceptable to the Airport Director.

15. Storage of Flammable Fluids – Lessee agrees that the storage of gasoline or other flammable fluids in bulk quantities shall be limited to the Airport Fuel Farm or to such area as designated by the Airport Director. Lessee agrees that the storage of all other gasoline or flammable fluids shall be in an approved steel locker labeled "FLAMMABLE". The Airport Director may, in his discretion, prohibit or impose restrictions on the storage of said materials if, in the Director's opinion, the storage is determined as a safety hazard. The disposal of any hazardous chemicals or fluids on the Airport premises is prohibited. The Lessee further agrees not to transport, or cause to be transported, onto airport premises, gasoline or other flammable fluids for the purpose of self-fueling aircraft. The Lessee further agrees that fueling of aircraft on airport premises will be done only at airport approved locations or facilities.

16. Snow Plowing – Lessor agrees to be responsible for the plowing of snow on runways and taxiways, consistent with priorities established and specified in the Airport Snow and Ice Control Plan. It shall be the Lessee's responsibility to remove any snow on pavement areas from taxiway to their hangar. Lessee shall also be responsible for removing snow in vehicle parking stalls.

ARTICLE VIII
LESSOR'S RIGHT TO MORTGAGE LEASEHOLD INTEREST

1. Lessee shall at all times have the right to encumber by mortgage or other instruments, as security for an actual indebtedness, all of Lessee's right, title and interest in this Ground Lease including without limiting the generality of the foregoing, its right to use and occupy the Leased Premises together with its rights and interests in and to all Lessee's improvements now or hereafter placed on the Leased Premises; in all respects, however, subordinate and inferior to Lessee's fee interest or estate and its rights, title, privileges, liens or interests as provided in this Ground Lease and subject to all the covenants, terms and conditions of this Ground Lease and all the rights and remedies of Lessor hereunder. It is expressly understood and agreed that Lessee in no event shall have the right to encumber Lessor's fee interest or reversionary estate in any way. In the issuance of any mortgage or other instrument by Lessee, as security for an actual indebtedness, Lessee shall specifically exclude all the right, title interest and estate of Lessor.

2. Upon the written request of any such Mortgagee, or other secured person (hereinafter referred to as the Mortgagee) giving its address, Lessor shall mail to such Mortgagee at such address a duplicate copy of any and all written notices which Lessor may, from time to time, give to or serve upon Lessee under the terms of this Ground Lease.

3. To the extent that Lessee may grant the right to such Mortgagee under this Ground Lease, the Mortgagee may at its option at any time before termination of

this Ground Lease pay any amount or do any act or thing required of Lessee by the terms of this Ground Lease; and all payments so made and all acts or things so done and performed by such Mortgagee shall be as effective to prevent a termination of the Ground Lease or forfeiture of Lessee hereunder as the same would have been if done and performed by Lessee. Any such mortgage or other instrument given as security for an actual indebtedness of Lessee may provide, if Lessee so desires, that as between such Mortgagee and Lessee, said Mortgagee, on making good any default or debits of Lessee, shall thereby be subrogated to any and all of the rights of Lessee under the terms and provisions of this Ground Lease.

4. Such Mortgagee of Lessee's leasehold estate under a leasehold mortgage given pursuant to the provisions of this paragraph, shall not become personally liable for the obligations of Lessee under this Ground Lease unless and until it becomes the owner of Lessee's leasehold estate by foreclosure, assignment in lieu of foreclosure or otherwise, and thereafter shall remain liable for such obligations only so long as it remains the owner of such leasehold estate. In the event such Mortgagee becomes the owner of Lessee's leasehold estate as aforesaid, it may assign this Ground Lease provided all other requirements of this Ground Lease regarding assignment are satisfied. Lessor consent will not be unreasonably withheld.

5. The mortgage shall provide that, notwithstanding any other provisions of the mortgage, in the event of any default in the performance or observance of any of the terms and conditions of the mortgage, or the note or other indebtedness secured thereby (which such default shall not have been cured within the grace periods therefore accorded to Lessee, as Mortgagor, in the Mortgagee), the Mortgagee shall give written notice to Lessor of the continuance of such default and shall grant to Lessor an additional period (over and above any such grace periods) of ten (10) days from the date of Lessor's receipt of such notice within which to cure such default, and shall provide that any payment made by Lessor pursuant to such provision shall be recognized by the Mortgagee as fully as if made by Lessee; provided, however, that neither such provision nor any other provision of the mortgage shall be construed so as to impose any liability whatsoever on Lessor to make any payment or to perform or observe any covenant or condition of the mortgage or note or other indebtedness secured thereby.

6. The mortgage may provide for the assignment to the Mortgagee of any rents due and payable to Lessee with respect to any sublease or occupancy of portions of the property by parties other than Lessee. Said assignment of rents will be effective only upon default in the payment or performance of any obligations imposed by the terms of the mortgage or note or other indebtedness secured thereby; and the Lessee's right to collect rents from the subtenants shall be subordinate to the right of mortgage, in the event of a default under the mortgage, to collect such rents.

ARTICLE IX
RIGHTS AND PRIVILEGES OF THE LESSOR

Lessor, in addition to any rights herein retained by it, reserves the following privileges:

1. Lessor Representative – The Airport Director is hereby designated as the official representative for the enforcement of all provisions in this Agreement with full power to represent the Lessor in dealings with the Lessee in connection with the rights and obligations herein provided, actions relating to policy determination, modification of this Agreement, subsequent permissive authorization under this Agreement, termination of this Agreement, and any similar matters affecting the terms of this Agreement.

2. Airport Development – The Lessor has the right, but shall not be obligated to Lessee, to develop or improve the landing areas and other portions of the Airport as it sees fit, regardless of the desires or views of the Lessee, and without interference or hindrance. If the development of the Airport requires it, the Lessor has the right to either:
    a. Substitute another parcel of land for the Leased Premises and relocate Lessee's improvement(s) to that new parcel at no cost to the Lessee, or
    b. Purchase Lessee's improvements at fair market value, established by appraisal by a registered appraiser selected by mutual agreement, and terminate this Agreement. In the event of a substitution and relocation or a purchase and Agreement termination as permitted by this section, the Lessor shall have no liability to the Lessee for any loss, expense, damage or cost of any nature whatsoever that results from or is occasioned by the substitution and relocation or the purchase and Agreement termination.

3. Access to Leased Premises – To the extent necessary to protect the rights and interests of the Lessor, or to investigate compliance with the terms of this agreement, the Airport Director or his designee shall at any and all times have the right to inspect the Leased Premises, including all buildings, structures, and improvements erected thereon, subject to reasonable notice given to Lessee.

4. War, National Emergency, Riot, or Natural Disaster – During time of war, national emergency, riot, or natural disaster, the Lessor shall have the right to lease the entire airport or any part thereof to the United States Government or State of Wisconsin for military or National Guard use; and, if any such lease is executed, the provisions of this instrument, insofar as they are inconsistent with the provisions of the lease to the Government, shall be suspended.

5. Aerial Approaches – The Lessor reserves the right to take any action it considers necessary to protect the aerial approaches and transition surfaces of the Airport against obstructions, together with the right to prevent Lessee or sub-lessee from erecting, or permitting to be erected, any building or other structure on the Airport which, in the opinion of the Lessor, would limit the usefulness of the Airport or constitute a hazard to aircraft.

6. Unrestricted Right of Flight – There is hereby reserved to the County of Outagamie, Wisconsin, its successors and assigns, for the use and benefit of the public, a free and unrestricted right of flight for the passage of aircraft in the airspace above the surface of the premises herein conveyed, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used for navigation of or flight in the air, using said airspace or landing at, taking off from, or operating on or about the Airport.

ARTICLE X
OBLIGATIONS OF THE LESSOR

Except as otherwise specifically provided herein, Lessor, during the term of this Lease, shall, within its financial ability, operate, maintain, and keep in good repair all appurtenances, facilities, and services now or hereafter connected with the Airport including, without limiting the generality hereof, all field lighting and other appurtenances, facilities, and services which Lessor has agreed to furnish and supply herein; provided, however, that Lessor shall not be required to perform maintenance and make repairs occasioned by the negligence of Lessee or guests. However, Lessor may perform such maintenance or make such repairs and charge the cost of same to Lessee, and Lessee aggress to reimburse Lessor for all costs incurred by Lessor in performing such maintenance and repair work. Lessor shall keep the Airport free from obstructions, including the clearing and removal of snow, grass, stones, or other foreign objects, as reasonably necessary and with reasonable promptness in accordance with established priorities, from the runways and taxiways, for the safe, convenient and proper use of the Airport by Lessee, and shall maintain and operate the Airport in all respects in a manner at least equal to the standards or ratings issued by the Federal Aviation Administration (FAA) for airports of substantially similar size and character.

ARTICLE XI
INSURANCE

1. Lessee shall comply with all Federal, State and local codes, laws regulations, standards, and ordinances, including those of the Occupational Safety and Health Administration (OSHA), the Wisconsin Department of Industry, Labor and Human Relations (DILHR) and all County rules and orders governing the performance of the work.

2. In order to protect itself and the County, its Officers, Boards, Employees or Representatives under the indemnity provisions of the paragraph above, Lessee will at all times during this Agreement keep in force as insurance as described in Exhibit D.

3. Limits established herein shall be subject to five (5) year review and may be increased by the Lessor due to general inflationary conditions provided at least sixty (60) days notice of such increased requirements shall be given to the Lessee.

4. Policies shall be issued by a company or companies authorized to do business in the State of Wisconsin and licensed by the Wisconsin Insurance Department. Coverage afforded shall apply as primary, with the County, its Boards, Officers, Employees and Representatives as additional insured's. The Lessor shall be given thirty (30) days advance notice of cancellation or non-renewal during the term of this Agreement. Upon execution of this Agreement, Lessee shall furnish Lessor with a certificate of insurance and, upon request, certified copies of the required insurance policies, which said certificate policy copies shall be filed with the Office of the County Clerk of Outagamie County. In the event any action, suit or other proceedings is brought against the Lessee upon any matter herein indemnified against, the Lessee shall, within five (5) working days, give notice thereof to the Lessor and shall cooperate with their attorneys in the defense of the action, suit or other proceedings.

ARTICLE XII
INDEMNIFICATION AND HOLD HARMLESS

Lessee agrees at all times during the term of this agreement to indemnify, hold harmless and defend the County, its Boards, Officers, Employees and Representatives against any and all liability, including claims, demands, losses, damages, costs or expenses, including attorney fees, which the County, its Boards, Officers, Employees and Representatives may sustain, incur or be required to pay by reason of bodily injury, personal injury or property damage of whatsoever nature or kind arising from the lease, Lessee's conduct under the lease, or Lessee's conduct or action on airport grounds, unless such liability arises out of the sole negligence of the County.

Lessee further agrees to indemnify, hold harmless and defend the County, its Boards, Officers, Employees and Representatives against any and all claims, demands, losses, damages, costs or expenses, including attorney fees, which the County, its Boards, Officers, Employees and Representatives may sustain, incur or be required to pay resulting from the spill, discharge, dispersal, seepage, migration, release or escape of any pollutants being utilized by the Lessee or in the custody or control of the Lessee.

Nothing contained in this agreement is intended to be a waiver or estoppels of the County to rely upon the limitations, defenses, and immunities contained within Wisconsin law, including, but not limited to, those contained within Wisconsin Statutes 893.80, 895.52 and 345.05. To the extent that indemnification is available and enforceable, neither the municipality nor its insurer shall not be liable in indemnity and

contribution for an amount greater than the limits of liability for municipal claims established by Wisconsin law.

ARTICLE XIII
SUBLEASE or ASSIGNMENT

The Lessee shall not sublease the Leased Premises, or any part of the Leased Premises without the express written consent of the Lessor, such consent not to be unreasonably withheld. However the Lessee shall have the specific right to assign the Lease and all of its rights and duties hereunder to a bona-fide lending institution, and the Lessor hereby permits the Lessee to encumber and grant a security interest in any property or property rights, real or personal, it may have in the Leased Premises or property located thereon. Further, the Lessor will not unreasonably withhold its consent to the use of the Leased Premises by any person, persons or company obtained by any of Lessee's lenders in the event any lender forecloses on any of the above mentioned property. This lease may be so assigned and the Leased Premises so sublet for another air-oriented purpose other than that described in this lease if the Lessor approves such purpose. Any assumption of this lease under these or other provisions, shall obligate the person or persons to pay any and all past due rent before approval of transfer will be given. At a minimum, the Lessor will require that any sublease agreement be in writing and that it include: that the agreement be subject to the terms and conditions of this Agreement; that sub-lessees maintain aircraft liability insurance in the amounts and in the manor prescribed in this agreement.

ARTICLE XIV
DEFAULTS AND REMEDIES

The occurrence of any one or more of the following events shall constitute a material default and breach of this Agreement by the Lessee.

1. The filing by Lessee of a voluntary petition in bankruptcy.
2. The institution of proceedings in bankruptcy against Lessee and the adjudication of Lessee as bankrupt to such proceedings.
3. The taking by a court of jurisdiction of Lessee and its assets pursuant to proceedings brought under the provisions of any Federal Reorganization Act.
4. The appointment of a receiver of Lessee's assets, or any general assignment for the benefit to Lessee's creditors.
5. The divestiture of Lessee's estate herein by other operation of law.
6. If the Lessee shall abandon the building(s) and improvements or vacate the Leased Premises and not desire to sell or remove the building(s) before the expiration of this Agreement, the Airport Director shall be at liberty, at his option, to re-let the same. Abandonment, for this Agreement, shall be defined as the non-use of the Leased Premises from its specified purpose during a consecutive six (6) month time period. Any proceed received by Lessor under this paragraph shall be applied first to the payment of rent under article three (3) of this Agreement; second to the reduction of any debt incurred by the

Lessee to finance construction of any building(s) on the Leased Premises or the acquisition of any equipment of the Leased Premises abandoned by the Lessee; and third to the benefit of the Lessee.

7. The filing of any lien against the Airport or any of its property as the result of any act or omission of Lessee, if the lien is not discharged or contested in good faith by Lessee (as determined by the Lessor) within fifteen (15) days of Lessee's receipt of notice of the lien, unless Lessee posts a bond within this time period equal to the amount of the lien.
8. The transfer of Lessee's interest herein by other operation of the law.
9. Lessee becomes in arrears in the payment of the whole or any part of the amount(s) agreed upon hereafter for a period of sixty (60) days after such a payment becomes due.
10. The nonpayment of any real estate and/or personal property taxes levied by Outagamie County against Lessee's property after such taxes become due.
11. The falsification by the Lessee of any of its records or figures so as to deprive the Lessor of any of its rights under this Agreement.
12. The failure by Lessee to perform any of the covenants, conditions, or obligations imposed on it by this Agreement where the failure continues for a period of fifteen (15) days after written notice by the Lessor.
13. Notification of the Lessor by the Federal Aviation Administration (FAA) that Lessee's building(s) violates Federal Aviation Regulations (FARs), including obstacle clearance criteria, and requires the building(s) and appurtenances to be removed prior to continued federal funding for Airport Improvement Projects (AIP) or other projects at the Airport.
14. The transfer or assignment, or attempted transfer or assignment of this Agreement by Lessee, without securing prior written approval of the Lessor, such approval not to be unreasonably withheld. It shall be understood for the purpose of this part that negotiations by Lessee for the assignment or transfer of this Agreement shall not be construed as "attempted transfer".

In the event of a breach of this Agreement by Lessee, the Lessor shall be entitled to any and all legal and equitable remedies available to it under applicable law. Without limitation, these remedies shall include the following, which are cumulative and not exclusive:

1. Specific performance of any obligation of Lessee.
2. Declaratory and injunctive relief.
3. The recovery of all damages of any nature that result from the Lessee's breach, which damage include unpaid rent, fees and other payments, and the loss of future rent.
4. Reasonable attorney fees for services related to Lessee's breach of this Agreement, including fees for attorneys who are County employees
5. The termination of this Agreement and repossession of the Leased Premises by the Lessor. If this Agreement is terminated, the Lessee shall remove all property owned by it from the Leased Premises and restore and surrender the Leased Premises to the Lessor in the same condition as when originally received. If the Lessee fails to remove its property and to restore and

surrender the Leased Premises as required, the Lessor may do so and the Lessee shall be liable to the Lessor for all expenses of removing the property (including storage fees, if any) and restoring the Leased Premises.

The failure of the Lessor to declare this Agreement terminated for any of the reasons set out above shall not bar the right of the Lessor to subsequently terminate this Agreement for any of the reasons set out above. Further, the acceptance of rental or fees by the Lessor for any period after a default by Lessee shall not be deemed a waiver of any right on the part of the Lessor to terminate this Agreement.

ARTICLE XV
CANCELLATION BY LESSEE

Lessee may cancel this Agreement at any time it is not in default in its obligations by giving the Airport Director thirty (30) days written notice to be severed as hereinafter provided after the happening of any of the following events, if such event materially impairs the conduct of Lessee's normal business on the Airport:

1. The issuance by a court of competent jurisdiction of any injunction in any way preventing or restraining normal use of the Airport or any substantial part of it, and the remaining in force of such injunction for a period of sixty (60) consecutive days, such injunction not being the result of any fault of Lessee;

2. The inability of Lessee to use, for a period of six (6) consecutive months, the Airport or any substantial part of it due to enactment or enforcement of any law or regulation, or because of fire, earthquake, or similar casualty of Acts of God or the public enemy; or

3. The lawful assumption by the United States Government of the operation, control or use of the Airport or any substantial part of it for military purposes in time of war or national emergency for a period of at least sixty (60) days.

However, should Lessee choose not to cancel this Agreement, all fees and charges payable by Lessee under this Agreement shall abate until such time that operations return and the term of this Agreement shall be extended for the time of such suspension.

Failure of Lessee to declare this Agreement canceled for any of the reasons set out above shall not operate to bar or destroy the right of Lessee to cancel this Agreement by reason of any subsequent occurrence of the described events.

ARTICLE XVI
REMEDIES CUMULATIVE; NO WAIVER

All of the rights and remedies given to the Lessor in this Agreement are cumulative and no one is exclusive of any other. The Lessor shall have the right to pursue any one or all of such remedies or any other remedy or relief that may be provided by law, whether

stated in this Agreement or not. The failure of the Lessor to take action with respect to any breach by Lessee of any covenant, condition, or obligation in this Agreement shall not be waiver of such covenant, condition, or obligation. The acceptance by the Lessor of any rent or other payment shall not be a waiver by it of any breach by Lessee of any covenant, condition or obligation.

ARTICLE XVII
INDEPENDENCE OF CONTRACT

It is further mutually understood and agreed that nothing herein contained is intended or shall be construed as in any way creating or establishing the relationship of co-partners between parties hereto or as constituting the Lessee as the agent or representative or employee of the Lessor for any purpose or in any manner whatsoever.

ARTICLE XVIII
WAIVER OF SUBROGATION

The Lessor and Lessee hereby release each other from any and all responsibility to the other for any loss of damage to property caused by fire or other peril if the property is insured for such loss or damage in any policy of insurance, even if such loss or damage is caused by the fault or negligence of the other party or anyone for whom such party is responsible. The Lessor and the Lessee agree that to the extent any such policy of insurance provides a right of subrogation in the insurer, or to the extent a right of subrogation exists independent of such policy, each will indemnify and hold the other harmless for any loss, claim or expense suffered as the result of any action taken pursuant to the right of subrogation. Both Lessor and Lessee shall have their property and aircraft physical damage insurance carriers add the "waiver of subrogation" to their respective insurance policies.

ARTICLE XIX
SEVERABILITY

In the event that any provision herein contained is held to be invalid by any court of competent jurisdiction, the invalidity of any such provision shall in no way affect any other provision contained herein, provided that the invalidity of any such provision does not materially prejudice either the Lessor or Lessee in their respective rights and obligations contained in the valid provisions of this Agreement.

ARTICLE XX
SECURITY PLAN

The Lessor has implemented an Airport Security Plan in a form acceptable to the Transportation Security Administration (TSA) pursuant to 14 Code of Federal Regulations Part 1542. The Lessor reserves the right to modify that plan from time to time, as it deems necessary to accomplish its purposes. Lessee shall at all times comply

with the Security Plan and indemnify and hold harmless the Lessor from any violations of said Security Plan committed by the Lessee, its agents, guests, invites, or persons admitted by the Lessee to the Leased Premises. Any violation of this paragraph is considered a material breach of this Agreement, which gives the Lessor the rights set forth in Article XII.

1. Lessee acknowledges Lessor's responsibility to maintain the integrity of the airfield security perimeter and agrees to comply with all Airport rules and regulations, security procedures and Federal Aviation rules, regulations and guidelines pertaining to the security and safety of the Leased Premises and adjacent area and the airfield operations area, including the ingress and egress thereto.
2. Lessee shall read the attached Air Operations Training Program (Exhibit D), in accordance with 49 CFR 1542.213(c), and shall certify, by signing the certification form, that this has been completed and Lessee fully understands the obligations of having access to the Air Operations Area. Furthermore, Lessee shall ensure that any members or guests of the hangar are informed of this training.
3. Should the Transportation Security Administration determine that security has been breached due to the negligence of Lessee and fine the Airport, Lessee agrees to reimburse Airport for the fine.
4. Lessee acknowledges the Airports has established an ID Badge System for the entire Airport and agrees to cooperate in the badging of it employees or agents. Lessee agrees to pay the fees as established by the Airport for such purpose.

ARTICLE XXI
RULES AND REGULATIONS

County shall adopt and enforce reasonable rules, regulations and ordinances which Lessee agrees to observe and obey, with respect to the use of the Airport, which shall provide for the safety of those using the same; provided that such rules, regulations and ordinances shall be consistent with safety and with rules, regulations and orders of the FAA with respect to aircraft operations safety and security at the Airport; and provided further, that such rules and regulations shall not be inconsistent with the provisions of this Agreement or the procedures prescribed or approved from time to time by the FAA. Lessee shall not violate, or knowingly permit its agents, contractors or employees acting on behalf of Lessee to violate any such Rules and Regulations.

ARTICLE XXII
NOISE ABATEMENT

1. Lessor and Lessee agree that Lessor does not, in any manner, either expressly or impliedly, covenant or represent that the Leased Premises may be used free from any noise restrictions that may now or hereafter be in force with regard thereto and that Lessee shall bear sole responsibility for the extent of noise created by its use of the Leased Premises.

2. Lessee shall abide with all standards established for engine run-up and noise abatement rules, regulations and procedures as specifically set forth by Federal and State regulation, Outagamie County Ordinances, and/or Airport Policies lawfully developed for aircraft operations at Appleton International Airport, provided Lessee shall have an opportunity to participate in the development of such policies.

ARTICLE XXIII
EPA STANDARDS

Lessee shall abide with all standards established for Environmental Protection of storm water runoff as per the approved plan for Outagamie County.

ARTICLE XXIV
ENVIRONMENTAL MATTERS

1. Lessee represents and warrants that any handling, transportation, storage, treatment or usage of toxic or hazardous substances by Lessee that will occur on the Leased Premises during the term of the Lease or any renewals thereof shall be in compliance with all applicable federal, state and local laws, regulations and ordinances.

2. Lessee hereby agrees to indemnify, defend, protect and hold harmless Lessor and Lessor's agents, and their respective successors and assigns, from any and all claims, judgments, damages, penalties, fines, costs, liabilities, and losses (including, without limitation, loss, or restriction on use of rentable space or of any amenity of the premises and sums paid in settlement of claims, attorneys' fees, consultant's fees, and expert's fees) that arise during or after the leased term directly or indirectly from the presence of hazardous materials on, in, or about the Leased Premises which is caused by Lessee or Lessee's agents. This indemnification by Lessee of Lessor and Lessor's representatives includes, without limitation, any and all costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal, or restoration work required by any federal, state, or local governmental agency or political subdivision because of the presence of such hazardous material in, on, or about the Leased Premises or the soil or ground water on or under the building or any portion thereof. Lessee shall promptly notify Lessor of any release of hazardous materials in, on, or about the Leased Premises that Lessee or Lessee's agent becomes aware of during the leased term of this Lease, whether caused by Lessee, Lessee's agent, or other persons or entities.

ARTICLE XXV
DELINQUENT CHARGES

Late payment of all rents, fees and charges outlined in this Agreement are subject to the following interest charges; unless waived by the County Board of Supervisors, Lessee

shall be responsible for payment of interest on amounts not remitted in accordance with the requirements of this Agreement. The rate of interest shall be equivalent to the statutory rate in effect for delinquent County property taxes (presently 1 percent per month or fraction of a month) as described in Subsection 74.80(1), Wisconsin Statutes. The obligation for payment and calculation thereof shall commence thirty (30) days after the due date(s) established within this Agreement for the various rents, fees and charges.

ARTICLE XXVI
SUCCESSORS AND ASSIGNS BOUND

All of the provisions of this Agreement shall bind the legal representatives, successors, and assigns of the respective parties.

ARTICLE XXVII
GOVERNING LAW; VENUE FOR DISPUTES

This agreement shall be deemed to have been made in, and shall be construed in accordance with the laws of the State of Wisconsin. Any lawsuit related to or arising out of disputes under this Agreement, shall be commenced and tried in the circuit court of Outagamie County, Wisconsin, and Lessor and Lessee submit to the exclusive jurisdiction of the circuit court for such violation.

ARTICLE XXVIII
ENTIRE AGREEMENT

This agreement contains and embodies the entire Agreement between the Lessor and the Lessee and supersedes and replaces any and all prior agreements, understandings, and promises on the same subject, whether they are written or oral.

ARTICLE XXIX
HOLDOVER POSSESSION OF PREMISES BY LESSEE

In the event that the Lessee should hold over and remain in possession of the Leased Premises after the expiration of this Agreement or termination for any other cause, such holding over shall be deemed not to operate as a renewal or extension of this Agreement and shall create a tenancy from month to month which may be terminated at any time by the Lessor or Lessee.

ARTICLE XXX
RIGHTS UPON TERMINATION

Upon expiration of this Agreement or upon termination of this Agreement, the Lessor may, in its sole discretion, do any of the following:

1. Negotiate a new agreement with Lessee;

2. Take title to all structures located on the Leased Premises; or

3. Order and require Lessee to remove all structures located on the Leased Premises and restore the site to its original condition within sixty (60) days.

Lessee has the right, upon termination, to remove all structures and improvements from the Leased Premises and restore the Leased Premises to its original condition.

ARTICLE XXXI
PARAGRAPH HEADINGS

All paragraph headings contained in this Agreement are for convenience in reference only, and are not intended to define or limit the scope of any provision.

ARTICLE XXXII
NOTICES

All fees due under this Agreement shall be made payable to Outagamie County Treasurer, and shall be remitted to the Outagamie County Courthouse, 320 South Walnut Street, Appleton, Wisconsin 54911.

Notices shall be sufficient if hand delivered or sent by certified mail, postage prepaid, addressed to:

GENERAL AVIATION HANGAR BUILDING MINIMUM SPECIFICATIONS

Below are the minimum specifications for building an aircraft hangar at the Appleton International Airport. Please contact the Airport Director for consideration of and deviations to these minimum specifications.

PART ONE - GENERAL REQUIRMENTS

A. Application
    1. This building code applies to all buildings constructed for the storage of aircraft within the boundaries of Appleton International Airport, Outagamie County, Wisconsin.
    2. Hangars are intended for non-commercial single engine or light twin engine aircraft.
B. Approvals
    1. State of Wisconsin
        a. Building plans must meet all applicable requirements of the Wisconsin Administrative Code and the Department of Safety and Professional Services.
    2. Local Building Permits Required:
        a. Town of Greenville
    3. Airport Director
        a. Review and approval is required for all building plans and specifications.
            1. Submit complete set of plans. Specifications and shop drawings.
            2. Submit color chips for color selection.
            3. Provide copies of local building permit for Airport Records
        b. Compliance with Appleton International Airport height and zoning ordinances is required.
        c. Variances
            1. Requests for variances from these requirements shall be submitted in writing and will be reviewed by the Airport Director on a case-by-case basis.
            2. Costs of engineering or architectural review that may be required for variance approval shall be paid by the applicant.
    4. All plans must be sealed by an architect or professional engineer licensed to practice in the State of Wisconsin.

C. Size Requirements
    1. Single or Light Twin Engine Aircraft
        a. Each hangar shall be a minimum of 1400 square feet.
        b. Each hangar shall be a maximum size to accommodate lot size and setback requirements.
D. Setback requirements
    1. Side yard: 10 feet
    2. Front yard: 25 feet
    3. Rear yard: 25 feet from taxiway
    4. Must meet state and local building code requirements.

E. Design Requirements
1. Roof Load: 30 psf minimum plus snow drift loading.
2. Wind Load: 20 psf minimum
3. Building plans must show dead weights attributable to suspended equipment, etc.

PART TWO-QUALITY ASSURANCE

A. Reference Specifications
1. American Concrete Institute:
ACI 301 Specifications for Structural Concrete for Buildings
ACI 302 Guide for Concrete Floor and Slab Construction
ACI 303 Guide to Cast-in-Place Architectural Concrete Practice
ACI 304 Recommended Practice for Measuring, Mixing, Transporting, and Placing Concrete
ACI 533 Precast Concrete Wall Panels
2. American Institute of Steel Construction:
AISC Steel Construction Manual
3. American Institute of Timber Construction:
AITC Timber Construction Manual
4. American Iron and Steel Institute:
AISI Light Gauge Formed Steel Design Manual
5. American National Standards Institute:
ANSI A41.1 American Standard Building Code for Masonry
6. American Society for Testing and Materials:
ASTM C94 Ready Mixed Concrete
AST14 C90 Hollow Load-Bearing concrete Masonry Units
ASTM Cl44 Aggregate for Masonry Mortar
ASTM Cl 50 Portland Concrete
7. National Concrete Masonry Association:
NCMA TR90 Architectural and Engineering Concrete Masonry Details for Buildings
8. National Fire Protection Association:
NFPA 10 Standard for Portable Fire Extinguishers
NFPA 70 National Electrical Code
NFPA 409 Standard on Aircraft Hangar
9. Precast Concrete Institute:
PCIMNL 117 Manual for Quality Control for Plants and Production of Architectural Precast Concrete Products
10. Wisconsin Commercial Building Codes:
COMM 61, Part 412 Aircraft Hangars
11. Wisconsin Department of Transportation:
WisDOT 209 Granular Backfill
WisDOT 212 Granular Subbase Course
WisDOT 304 Crushed Aggregate Base Course
WisDOT 405 Plant Mixed Asphaltic Bases Pavements - General Requirements
WisDOT 407 Asphaltic Concrete Pavement
WisDOT 408 Seal Coat
WisDOT 415 Concrete Pavement
WisDOT 505 Steel Reinforcement
WisDOT 625 Topsoil and Salvaged Topsoil
WisDOT 630 Seeding

B. All reference specifications shall be the latest available edition, including supplemental specifications.

PARTTHREE- MATERIALS AND EXECUTION

A. Building systems
   1. Acceptable Building Systems
      a. Heavy timber frame with steel sheathing.
         1. Pole buildings will be allowed only on a case-by-case basis.
      b. Steel frame with steel sheathing.
      c. Requests for other building systems shall be submitted and will be reviewed by the Airport Director on a case-by-case basis.
   2. Structural Requirements
      a. Structural members and bearing walls shall be of combustion-resistant materials.
      b. Structural steel shall be designed in accordance with AISC requirements.
         1. Exposed material, which is not galvanized or painted, shall be given and coat of aluminum or zinc chloride shop primer as appropriate prior to erection.
         2. Bolts shall be eletro-galvanized.
      c. Structural timber shall be designed in accordance with AITC requirements.
         1. Anchors, connectors, hangers and nailing clips shall be galvanized or black copolymer coated steel.
   3. Steel Sheathing Requirements
      a. Cold formed steel shall be designed in accordance with AISI requirements.
      b. All materials, whether exposed or not to the elements, shall be galvanized, galvalume or aluminized.
      c. Bolts
         1. Bolts furnished with galvanized materials shall be electro-galvanized.
         2. Bolts furnished with aluminized or galvalume steel panels shall be AISI Type 430 stainless steel.
         3. All bolts exposed to the weather shall be furnished with a contained nylon washer under the head for sealing.
      d. Exterior metal-to-metal laps shall be sealed with a sealer approved by or supplied by the panel fabricator.
         1. Sealer shall not run, separate or deteriorate rapidly with age.
      e. Wall Panels
         1. Panels shall be roll-formed from flat steel to the following Specifications:
            a) Thickness: 22 ga minimum
            b) Pattern: 7/8" corrugated metal with exposed fasteners. Vertical panels.
            c) Major Rib spacing: 2.67 inches
            d) Panel Coverage: 32 inches

         2. Panels shall be galvanized, galvalume or aluminized coated steel with epoxy and polyester finish.
         3. Panels shall overlap a minimum of 1 ½ inches at all seams and be securely fastened and sealed.

4. Flashing and closure pieces shall be manufactured from materials of similar quality as the panels.
5. Exposed fasteners shall match or be painted to match the panels.
6. Wall panels shall be erected with sufficient intermediate support to withstand the design wind loads.

f. Roof Panels
1. Panels shall be roll-formed from flat steel to the following specifications:
a) Thickness: 24 ga minimum
b) Pattern: 3" high vertical ribs, 24" panel width

2. Panels shall be galvanized, galvalume or aluminized coated steel.
a) G90 galvanized coating or,
b) .65 ounce per square foot of aluminum.
3. Longitudinal seam shall be of the crimped standing seam type and be securely fastened and sealed.
4. End splices shall be formed with a minimum overlap of 6 inches and be securely fastened and sealed.
5. Seams and splices shall be completely weathertight and capable of developing the entire bending moment and axial load capability of the panel.
6. Provide pre-formed ridge cap.
7. Provide metal closures at the eave andridge.

g. Decorative Panels
1. Use of brick masonry for ornamentations shall conform to the recommendations of the Brick Institute of America.
2. Use of stone for ornamentation shall conform to the recommendations of the Building Stone Institute.

B. Detail Requirements
1. Floors:
a. Floors shall be liquid-tight and sloped toward the aircraft door and apron.
b. Materials:
1. Floor sections shall be designed to accommodate the intended aircraft loading.
2. Floor sections shall be constructed of Portland Cement Concrete or Asphaltic concrete pavement and shall be sufficient to meet aircraft loads.

2. Aircraft Doors.
a. Types.
1. Vertical bi-fold.
2. Canopy.
3. Vertical lift.
b. Materials.
1. Door panels shall meet the applicable requirements for steel wall panels.
c. Electric door operators.
1. All electric controls shall be designed to meet NFPA 70 standards, including Article 513, Aircraft Hangars, and shall be "weatherproof".

3. Walk Doors
    a. All walk doors must meet state and local building code requirements.
    b. All walk doors must be constructed of metal.
    c. All walk doors must be equipped with a lockset- heavy-duty Schlage- Rhoads or equivalent, with an E-keyway.

4. Interior Partitions
    a. Areas shall meet state and local building code requirements.
5. Finishes
    a. Exterior
        1. Wall color shall be silver metallic
        2. Trim color shall be silver metallic
        3. Roof color shall be silver metallic
    b. Color samples must be submitted to the Airport Director and shall be approved by the Airport Director prior to painting.
6. Fire Extinguishers.
    a. Sufficient fire extinguishers shall be provided so that no part of the hangar structure is more than 75 feet away from an extinguisher.
    b. Extinguishers shall be wall mounted using compatible hardware adjacent to a fire exit, and clearly identified.
    c. Extinguishers shall meet NFPA 10 standards.
    d. Approved types.
        1. Multi-purpose Dry Chemical UL 20A-120 B/C.
        2. Carbon Dioxide UL 120 B/C.
        3. Halon 1211 UL 4A-80 B/C.
7. Utilities.
    a. Electricity.
        1. Underground electrical service will be furnished to a nearby distribution point.
        2. Connections to the building shall be the responsibility of the hangar owner(s).
        3. Interior wiring shall be the responsibility of the hangar owner(s).
        4. Separate meters will be required for each building.
        5. AH wiring shall be done in accordance with NFPA 70, including Article 513 (Aircraft Hangars).
    b. Telephone.
        1. Underground telephone service is optional and will be provided at the hangar owner's expense.
    c. Water.
        1. Potable water service is optional and will be provided at the hangar owner's expense.
        2. Service must be requested prior to start of construction.
        3. Connections to watermains will be provided upon main installation.
    d. Sanitary Sewer.
        1. Sanitary sewer service is optional and will be provided at the hangar owner's expense.
        2. Service must be requested prior to start of construction.
        3. Connections to sanitary sewer mains will be provided upon main installation.

e. Gas Service
    1. Underground gas service will be furnished to a nearby distribution center.
    2. Connections to building shall be the responsibility of the hangar owner(s).
    3. Separate meters will be required for each building.
    4. All connections shall meet state and local building codes.

8. Foundation
    a. The foundation must meet appropriate state and local building codes
9. Drainage
    a. Installation of gutters and roof drains may be required for the protection of adjacent structures.
    b. Connection of roof drains or area inlets to storm sewers may be required for the protection of adjacent structures.

C. Storage and Erection
1. Provide erosions control measures and, when required, implementation plan as required by governing agencies prior to start of site work.
2. Building material stored on site prior to erection shall be stacked on platforms or pallets covered with suitable watertight wind-resistant coverings.
3. Storage and erection shall be conducted in such a manner that there is no interference with aircraft operations from adjacent hangar sites or from elsewhere on the airfield.
4. Erection practices shall conform to the applicable ACI, AISC, and AITC standards.

D. Site Requirements
1. Approach paving
    a. Hangar owner will be responsible for approach paving from the hangar door to the taxiway.
    b. Approach paving shall be designed to accommodate the intended aircraft loading and a minimum of 3 inches of asphalt on an appropriate base course.
    c. Approach paving shall be graded appropriately, sloped away from building to taxiway and to meet existing grades between the buildings and taxiway.
2. Site Restoration
    a. Unpaved portions of the site shall be level graded and covered with a minimum of 4 inches of salvaged topsoil according to the requirements of WisDOT Specification 625.
    b. Top soiled areas shall be seeded and maintained in accordance with lease specifications.
3. External Storage
    a. External storage of materials of any kind will not be permitted.
        1. Parking will be provided on site.
        2. Parking on the hangar approach or taxiway will not be permitted.

E. Security Fence
1. Hangar owner must coordinate the removal of the existing chain link fence with the Airport Director before beginning construction.

2. Hangar owner will be responsible for maintaining a security fence during the construction process.
3. Hangar owner must erect a minimum 7-foot-high fence with 1-foot barb wire chain link security up to and between buildings. In coordination with the Airport Director, the existing security fence may be reused to meet this requirement. Fence poles must be a minimum of 2 inches, located a maximum of 3 inches from the building, and poured into a concrete base.

EXHIBIT D

Insurance Requirements for Independent Contractors and Vendors

Section 1 - Indemnification and Hold Harmless Clause (This language is required in all contracts):

_____ (Contractor / Vendor Name) agrees at all times during the term of the agreement to indemnify, hold harmless and defend the County, its Boards, Committees, Officers, Employees, Authorized Representatives and Volunteers against any and all liabilities, losses, damages costs or expenses (including, without limitation, actual attorney's and consultant's fees) which the County, its Boards, Committees, Officers, Employees and Representatives may sustain, incur or be required to pay by reason of or in any way related to bodily injury, personal injury or property damage of whatsoever nature or in connection with or in any way related to the performance of the work by _____ (Contractor/Vendor Name), its employees, agents and anyone employed directly or indirectly by any of them or by anyone for whose acts any of them may be liable, provided, however, that the provisions of this section shall not apply to liabilities, losses, charges, costs or expenses caused solely by or resulting from the gross negligent acts or omissions of the County, its Agencies, Boards, Committees, Officers, Employees, Authorized Representatives or Volunteers. It is agreed that Contractor/Vendor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. Contractor's/Vendor's indemnity obligations shall not be limited by any worker's compensation statute, disability benefit or other employee benefit or similar law or by any other insurance maintained by or required of Contractor/Vendor. Nothing contained in this agreement is intended to be a waiver or estoppels of the County to rely upon the limitations, defenses, and immunities contained within Wisconsin law, including, but not limited to, those contained within Wisconsin Statutes 893.80, 895.52 and 345.05. To the extent that indemnification is available and enforceable, neither the municipality nor its insurer shall not be liable in indemnity and contribution for an amount greater than the limits of liability for municipal claims established by Wisconsin law.

Section 2 - Compliance with Laws, Regulations, Permits, Etc. Clause (This language is required in all contracts):

The _____ (Contractor/Vendor Name) shall comply with all Federal, State and local codes, laws, regulations, standards, and ordinances, including, without limitation, those of the Occupational Safety and Health Administration (OSHA), the Wisconsin Department of Safety and Professional Services and all County rules and orders governing the performance of the work performed by the Contractor/Vendor, its employees, agents and subcontractors or anyone employed directly or indirectly by any of them or by anyone for whose acts any of them may be liable. In addition, any material, equipment or supplies provided to the County must comply with all safety requirements as set forth by the Wisconsin Administrative Code, Rules of the Industrial Commission on Safety and all applicable OSHA Standards. Effective May 1, 2007 employers performing work on qualified public works construction projects in Wisconsin for municipal government and state building projects will be required to have a written substance abuse testing program in place. The provisions of this requirement are contained in Wisconsin Statute § 103.503.

Section 3 - Subcontractors Clause (This language is required in all contracts):

The _____ (Contractor/Vendor Name) shall require each of their Subcontractors to take out and maintain, during the life of their subcontract the same insurance coverages as required under section 6, below, including without limitation naming the County, its Boards, Committees, Officers, Employees, Authorized Representatives and Volunteers as additional insureds with respect to all commercial general liability insurance policies. Each Subcontractor shall furnish to the _____ (Contractor/Vendor Name) two (2) copies of all certificates of insurance in a form acceptable to the County. The _____ (Contractor/Vendor Name) shall furnish one copy of

each of the certificates of insurance, and any other evidence of insurance requested by the County, to the County prior to the commencement of any work to be performed by Contractor/Vendor or its Subcontractors. The County reserves the right to immediately terminate the contract with no liability or obligation to Contractor/Vendor or its Subcontractors, if the Subcontractor is not in compliance with these insurance requirements.

Section 4 - Proof of Insurance (This language is required in all contracts):

Policies shall be issued by a company or companies authorized to do business in the State of Wisconsin and licensed by the Wisconsin Insurance Department and having an "AM Best" rating of A- or better. Acceptance of Contractor's insurance by County shall not relieve or decrease the liability of the Contractor hereunder. Any deductible or self-insured retention amount or other similar obligation under the policies shall be the sole responsibility of the Contractor. Coverage afforded shall apply as primary and non-contributory, with the County, its Boards, Committees, Officers, Employees, Authorized Representatives and Volunteers named as **additionally insureds (with respects to any and all insurance policies identified in Section 6, as allowed by law)**. All liability insurance policies (except professional liability policies) to be maintained hereunder by Contractor/Vendor shall be occurrence based and not claims made policies. The County shall be given thirty (30) days advance notice of cancellation or nonrenewal of any and all required insurance coverages during the term of this agreement. Prior to the execution of this agreement, the _____ (Contractor/Vendor name) shall furnish the County with certificates of insurance (Acord Form 25-S or equivalent) signed by the insurer's representative and, upon request, certified copies of the required insurance policies and any other insurance related information, evidencing the insurance coverage requirements referenced below. **Certificates of insurance shall be sent to the following address: Outagamie County, Attention: Risk Administrator, 320 South Walnut Street, Appleton, WI 54911**. The County reserves the right to immediately terminate the contract with no liability or obligation to Contractor/Vendor or any of its Subcontractors, if the _____ (Contractor/Vendor Name) is not in compliance with these insurance requirements.

Section 5 – Applicable Law (This language is required in all contracts):

Any lawsuits related to or arising out of disputes under this agreement shall be commenced and tried in the Circuit Court of Outagamie County, Wisconsin and the County and _____ (Contractor/Vendor Name) shall submit exclusively and specifically to the jurisdiction of the Outagamie County Circuit Court for such lawsuits. This agreement will be governed and construed according to the laws of the State of Wisconsin.

Section 6 – Insurance Coverage Requirements:

This language is required in all contracts: The insurance requirements herein are minimum requirements for this Contract and in no way limit the indemnity covenants contained in this Contract. **Outagamie County in no way warrants that the minimum limits contained herein are sufficient to protect the Contractor/Vendor from liabilities that might arise out of the performance of work under this contract by the Contractor, it agents, representatives, employees or subcontractors, and Contractor is free to purchase additional insurance.** _____ (Contractor/Vendor Name) agrees that in order to protect itself and the County, its Boards, Committees, Employees, Authorized Representatives and Volunteers under the indemnity provisions of Section 1, it will at all times during the term of the agreement provide and maintain at its own expense, the following minimum limits of insurance covering its operations:

Minimum Insurance Coverages and Limits (Note to County Departments: these coverage amounts, except for worker's compensation, should be increased as the size of the project and the exposure risk increases. To determine adequate coverage limits, contact the Risk Administrator.)

1) Worker's Compensation & Employer's Liability
   a) Applicable State – Statutory Limits as Required by the State of Wisconsin
   b) Applicable Federal (e.g. U.S. Longshoremen's and Harbor Worker's Act, Admiralty (Jones) Act, and Federal Employer's Liability Act) – Statutory Limit
   c) Employer's Liability - $100,000 each occurrence / $100,000 each person (disease) / $500,000 total limit (disease)

      Add this language – Except as may be otherwise set forth herein, the County shall not be liable to _____ (Contractor/Vendor Name), its employees, or subcontractors, or anyone employed directly or indirectly by any of them or by anyone for whose acts any of them may be liable, for any injuries to any of them arising out of or in any way related to the performance of the work under this agreement. _____ (Contractor/Vendor Name) agrees that the indemnification and hold harmless provisions within this agreement extend to any claims brought by or on behalf of any such employees, subcontractors or anyone employed directly or indirectly by any of them or by anyone for whose acts any of them may be liable.

2) Automobile Liability – Owned, Non-Owned, Hired
   a) Bodily Injury and Property Damage Combined - $1,000,000 for bodily injury and property damage per occurrence limit covering all vehicles to be used in connection with the performance of Contractor's/Vendor's obligations under this Agreement.
   b) Coverage for commercial automobile liability insurance shall be at least as broad as Insurance Services Office (ISO) Business Auto Coverage (Form CA 0001), covering Symbol 1 (any vehicle).

      Add this language - If Contractor/Vendor/Subcontractor or Contractor's/ Vendor's/Subcontractor's employees use personal vehicles to perform any services or work to be performed by Contractor/Vendor or Subcontractor under this Agreement, the Contractor/Vendor/Subcontractor must provide, to the County, a copy of the Certificate of Insurance (and any other documentation requested by the County) for Personal Automobile Liability coverage for each employee of Contractor/Vendor/Subcontractor who will be using their personal vehicle to perform such services or work as evidence of satisfactory compliance.

3) Commercial General Liability (Including Broad Liability Endorsement)
   a) Bodily Injury and Property Damage Combined - $1,000,000, Each Occurrence
   b) Personal Injury - $1,000,000
   c) X,C,U - $1,000,000 Each Occurrence
   d) Coverage for commercial general liability insurance shall be at least as broad as Insurance Services Office (ISO) Commercial General Liability Coverage (Occurrence Form CG 0001)

4) Umbrella or Excess Liability
   a) $1,000,000 following form excess of the primary General Liability, Automobile Liability and Employers Liability Coverages.

Other Insurance Coverage's & Minimum Limits (use as necessary)
(Note to County Departments: these coverage amounts should be increased as the size of the project and the exposure risk increases. To determine the adequate coverage limits, contact the Risk Administration Department.)

1) Professional Liability (*This coverage is needed when any intangible item is involved such as, but not limited to, the use of architects, engineers, testing services and consultants.*)

a) Coverage Limit - $1,000,000 per claim or event

Add this language – The _____ (Contractor /Vendor Name) shall maintain insurance covering negligent acts, errors and omissions, arising out of performance of, or the failure to perform, any professional services required under this Agreement. Additionally, the _____ (Contractor/Vendor Name) shall require its consultants and their sub-consultants, if any, to maintain professional liability insurance. If the policy coverage is a claims made policy and not occurrence based, then all such insurance coverages shall be maintained for a minimum of ten (10) years following completion or earlier termination of the Project.

2) Completed Operations (*This coverage is needed for any construction or installation project.*)
   a) $1,000,000 / Each Accident

   Add this language – Coverage shall be maintained for a period of two (2) years after the final payment to Contractor/Vendor.

3) X,C,U [*This coverage is needed for the following: (**X** – use of explosives that might damage property), (**C** – covers property damage rising out of the following: grading of land, excavation, burrowing, filling or backfilling, tunneling, pile driving, or coffer dam or caisson work; also includes moving, shoring, underpinning, razing, or demolition of any building or structure.), and (**U**- underground damage; includes damage to wires, conduits, pipes, mains, sewers, tanks, tunnels, or any similar property beneath the surface of the ground or water caused by and occurring during the use of mechanical equipment for the purpose of grading land, paving, excavating, drilling, burrowing, filling backfilling or pile driving):*
   a) $1,000,000 / Each Accident
4) Product Liability (*This coverage is needed in instances such as, but not limited to, a vendor serving food at the Airport Restaurant.*)
   a) $1,000,000 / Each Accident

   Add this language – Coverage shall be maintained for a period of two (2) years after the final payment to Contractor/Vendor.

5) Malpractice / Professional Liability (*This coverage is needed for all contracted medical services, including but not limited to, assisted physician services, laboratory equipment maintenance, and patient testing.)*
   a) In an amount not less than $1,000,000 per occurrence and $3,000,000 in the aggregate

   Add this language – For claims made, the retroactive date of coverage for all policies in force during this agreement shall be not later than the inception date of the agreement. Coverage shall be extended beyond this agreement and policy year either by a supplemental extended reporting period for at least two (2) years after the termination of this agreement or by providing a retroactive date no later than the inception date of this agreement for any policy issued within two (2) years after the termination of this agreement.

6) Pollution Liability *(This coverage is needed if an agreement involves a hazardous substance such as but not limited to waste oil, waste batteries, etc.)*
   a) In an amount not less than $1,000,000 per occurrence and $2,000,000 in the aggregate (with 1 year extended reporting period)

7) Aircraft Liability (*This coverage is needed if the agreement involves the use of any aircraft.*)
   a) Piston - $5,000,000 per occurrence
   b) Jet - $25,000,000 per occurrence

8) Cyber/Privacy Liability (*This coverage is needed for Contracted vendors who maintain protected personal information ("personal information" means information that identifies an individual, including an individual's photograph, social security number, driver identification number, name, address (but not the 5-digit zip code), telephone number, and medical or disability information, financial information such as credit information, etc.) concerning clients and/or employees of Outagamie County*)
   a) $1,000,000 per occurrence / $3,000,000 aggregate
      Add this language - Coverage shall include, but not be limited to, coverage for unauthorized access, denial of service attacks, computer viruses, transmission of malicious code, and failure of security; breach of privacy and the failure to protect and disclosure of personally identifiable information, payment card information, and health information; and violation of any federal, state or local law or regulation in connection with the protection of information, including coverage for fines and penalties to the extent allowed by applicable law. If such policy is a "claims made" policy, all renewals thereof during the life of the Contract shall include "prior acts coverage" covering at all times all claims made with respect to Contractor's work performed under the Contract
      .

Please contact the Risk Administrator (extension 5494) for further questions.

APPLETON AIRPORT
INTERNATIONAL

AIR OPERATIONS AREA (AOA) AWARENESS PROGRAM

49 CFR Part 1542.213 (c) requires that the airport operator may not authorize an individual access to the AOA unless that individual has been provided information in accordance with the airport security program.

DEFINITIONS

Security Identification display area (SIDA) – A portion of the airport which requires the display of one's ID badge. (See attached SIDA/ Secured Area Map)

> **Terminal SIDA** – The concrete apron surrounding the terminal concourse, the baggage makeup areas west of the airline operations offices, and the incoming baggage staging areas south of the baggage carousels.
>
> **Air Cargo SIDA** – The concrete apron east of the air freight facility. The western portion of the Fed Ex building used for receiving, sorting, loading, or unloading cargo and the concrete apron west of the facility.

Secured Area – A portion of the airport, where airport operators enplane and deplane passengers and sort and load baggage, and any adjacent areas that are not separated by adequate security systems, measures, or procedures. All secured areas are called SIDA's and require the display of one's ID badge.

Air Operations Area – A portion of the airport that includes aircraft movement areas, aircraft parking areas, loading ramps, safety areas, and any adjacent areas (such as general aviation areas) that are not separated by adequate security systems, measures, or procedures. This area does not include the secured area and does NOT require a SIDA badge be worn.

Airport Security Coordinator – The airport operator's primary contact for security- related activities and related communications with the TSA. At the Appleton International Airport, the Airport Security Coordinator is Gary Wunsch, Deputy Chief Airport Department of Public Safety. The alternate ASCs are the terminal maintenance supervisor and the ADPS Fire Chief.
The Security Coordinator can be reached at (920) 832-2186 or (920) 419-2215.

RESPONSIBILITIES

Transportation Security Administration – Federal oversight responsibility including the publishing of safety and security regulations, and monitoring and ensuring compliance with those regulations.

Airport Operator – The entity issued an airport operating certificate by the FAA under FAR Part 139, which enables that entity to conduct airport operations subject to FAA regulations and oversight. The airport operator's role includes development of the airport security program and compliance with applicable Transportation Security Regulations, including providing law enforcement support.

EXHIBIT E

Approved Individual

Each Person shall:

1. Stay in the designated work areas at all times
2. Provide photo identification upon request from ADPS or TSA Officers while in this area.
3. Be under Escort at all times.

No person shall, or cause another person to:

1. Tamper with a locking mechanism that would cause a secure door to not function properly.
2. Attempt to perform unauthorized self-testing of any security system or procedure.
3. Attempt to gain access to the AOA, SIDA, or secured area via methods not outlined in the security plan.
4. Enter, or be present within, a secured area, AOA, SIDA or sterile area without complying with the systems, measures, or procedures being applied to control access to, or presence or movement in, such areas.
5. Divulge, record, transmit, or give the pass code to another.

VEHICLE OPERATIONS/RESTRICTIONS

All unescorted vehicles authorized in these areas are identified with a beacon, or orange and white checked flag, on the top of the vehicle. All personnel entering the SIDA must wear identification authorizing them to be in this area or be escorted by an individual who has been granted unescorted access to the SIDA. Vehicles in the SIDA are limited to:

1. Vehicles owned and operated by Appleton International Airport and used in direct support of air operations, maintenance and fire fighting.
2. Vehicles operated by airlines and used in support of air carrier operations and maintenance.
3. Vehicles owned and operated by the Federal Government and used in direct support of NAVAID maintenance and repair.
4. FBO vehicles used in support of general aviation and air carrier operations.
5. Construction vehicles with the appropriate markings and authorized by the Airport Security Coordinator.

TSA SECURITY INSPECTION ENFORCEMENT ACTIVITES:

** The TSA randomly conducts inspections of our facility and tests our security practices. If a security breach is found, we can be fined up to $10,000.
** The Outagamie County has an ordinance that addresses security violations. Violations of this ordinance may result in a progressive fine: $10.00 first offense, $25.00 second offense and $50.00 for third offense. The Airport D.P.S., Sheriff's Dept. and Airport Director have authority to issue these fines.

1. Allowing someone to piggyback through secure door/gate.
2. Not following stop/wait policy at vehicle gates.

LAW ENFORCEMENT

The Appleton International Airport operated under a TSA approved Flexible Response system. Under this system, the Outagamie County Sheriff's Department will respond, within minutes of being summoned, with a uniformed Sheriff's Deputy to any event requiring a law enforcement officer.

The Airport Department of Public Safety phone number is (920) 832-1633.

Outagamie County

4-16-24 County Board Meeting - May 28 2024 07:42:47 PM

April 16, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 16—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Outagamie County Clerk of Courts Office is statutorily required to provide a Deputy Court Clerk to the Judges and Court Commissioners at hearings. Due to the recent retirement of a Deputy Court Clerk, it is necessary to replace this position as quickly as possible. Therefore, the Clerk of Courts Office is requesting a transfer from the Small Department Vacation / Sick Leave Fund in the amount of $31,841 ($29,578 for Salaries and $2,263 for Fringe Benefits) which is the projected net amount that the department is unable to absorb for this position. This will allow the department to fill the position promptly in order for the department to carry out the required duties in a cost efficient and timely manner. It is essential for the Deputy Court Clerk position to be trained a full year in their office division (criminal, civil, small claims, traffic, juvenile, family and paternity cases) as well as in the courtroom and the various types of hearings held in each courtroom (initial appearance, preliminary hearings, plea and sentencing, jury trials, adoptions, termination of parental rights, dispositions, motions, court trials, temporary restraining orders, bail/bond hearings, etc.). In addition, there is required training on courtroom equipment that will be operated by the Deputy Court Clerk.

The current balance of the Small Department Vacation / Sick Leave Fund as of April 1, 2024 is $479,906. If this request is approved, the revised available balance will be $448,065.

NOW THEREFORE, the undersigned members of the Public Safety Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve the request to transfer $31,841 from the Small Department Vacation / Sick Leave Payout Fund to the Clerk of Courts Salaries line item for $29,578, and Fringe Benefits line item for $2,263, and increase the General Funds Applied, Fund Balance Applied line item by $31,841, and decrease the General Fund, Committed Fund Balance for Small Depts Vac/Sick Payouts line item by $31,841, and increase the General Fund, Fund Balance Unassigned line item by $31,841 as noted on the attached fiscal note and Small Departments Vacation and Sick Leave Payout Budget Request Form, which by reference are made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Clerk of Courts and the Outagamie County Finance Director.

Dated this 28th day of May 2024

Respectfully submitted,

PUBLIC SAFETY COMMITTEE

Katrin Patience

Christine Lamers

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1675), Controller (1674) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** Request for transfer from small department sick and vacation payout fund for Clerk of Courts

2. **Description:** This section must be completed for all fiscal notes. **Briefly and concisely describe the request. State assumptions used** and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

The Clerk of Courts is statutorily required to provide a Deputy Court Clerk to the Judges and Court Commissioners for the hearings held before them. Due to a recent retirement of a Deputy Court Clerk, it is necessary to replace this position as quickly as possible. As such, the Department is requesting a transfer from the Small Department Vacation/Sick Leave Fund in the amount of $31,841 ($29,578 for Salaries and $2,263 for Fringe Benefits) which is the projected net amount that the Department is unable to absorb for this position. This will allow the department to fill the position more promptly to allow the Department to carry out their required duties in a cost efficient and timely manner. The Deputy Court clerk position needs a full year to be trained in their office division (criminal, civil, small claims, traffic, civil, juvenile, family and paternity cases) as well as in the courtroom and the various types of hearings (initial appearance, preliminary hearings, plea and sentencing, jury trials, adoptions, termination of parental rights, dispositions, motions, court trials, temporary restraining orders, bail/bond hearings, etc.) held in each courtroom. In addition, there is courtroom equipment that needs to be operated by the Deputy Court Clerk and training is required on that as well.

The current balance of the small department sick and vacation payout fund at April 1, 2024 is $479,906 prior to the request. If the departmental request is approved, the revised available balance will then be $448,065.

Current Year Budget Impact (Check one or more of the following boxes)

[ ] Revenues [X] Expenses (Cost) [ ] None

3. Is the specific cost or revenue included in the current year's budget? yes ( ) no (X) partially ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no (X) n/a ( )

5. Is the proposal to accept additional revenues only? yes ( ) no (X)

6. Does this request modify/adjust the current year budget? yes (X) no ( )
If no, skip to question 8 below.

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

COST CENTER NAME	LINE ITEM (i.e. Salaries, Supplies, Etc.)	ACCOUNT NUMBER INCLUDING COST CENTER (i.e. 1004100.5100, 1004100.5400, etc.)	INCREASE (DECREASE) AMOUNT
Clerk of Courts	Salaries	1000500.5100	29,578
Clerk of Courts	Fringe Benefits	1000500.5200	2,263

RESOLUTION NO.: 17—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Criminal Justice Treatment Services Department (CJTS) is requesting approval to apply for, accept, and expend the 2024 Veterans Treatment Court Innovations Grant issued by the Justice for Vets in the amount of $37,379. CJTS will use $10,518 of this grant to cover a portion of a new treatment court case management system that is scheduled to be implemented in 2024. Additionally, $26,861 will be used for travel expenses for the Veterans Treatment Court Team to attend various trainings and conferences approved by the grantor that are yet to be determined. The Veterans Treatment Court team consists of representatives from Circuit Courts, District Attorney's Office, Public Defender's Office, CJTS, Veterans Affairs, Department of Corrections, and private treatment providers.

NOW THEREFORE, the undersigned members of the Public Safety Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve the Criminal Justice Treatment Services Department to apply for, accept, and expend the 2024 Veterans Treatment Court Innovations Grant issued by the Justice for Vets in the amount of $37,379, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve of increasing the following line items in the Treatment Courts cost center: Intergovernmental Revenue by $37,379; Purchased Services by $10,518; and Travel/Training by $26,861, as noted on the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Director of Criminal Justice Treatment Services and the Outagamie County Finance Director.

Dated this 28th day of May 2024

Respectfully submitted,

PUBLIC SAFETY COMMITTEE

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1675), Controller (1674) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** CRIMINAL JUSTICE TREATMENT SERVICES (CJTS) TO APPLY, ACCEPT AND EXPEND GRANT FUNDS FOR THE JUSTICE FOR VETS GRANT

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

CJTS requests approval to apply, accept and expend the 2024 Veterans Treatment Court Innovations grant issues by Justice for Vets. The grant award for 2024 is $37,379. CJTS will use $10,518 of this grant to cover a portion of a new treatment court case management system that is scheduled to be implemented in 2024. $26,861 will be used for travel expenses for the Veterans Treatment Court Team to attend various trainings and conferences approved by the grantor that are yet to be determined. The Veterans Treatment Court team consists of representatives from Circuit Courts, District Attorney's Office, Public Defenders Office, CJTS, Veterans Affairs, Department of Corrections and private treatment providers.

Current Year Budget Impact (Check one or more of the following boxes)

[x] Revenues [x] Expenses (Cost) [ ] None – 2024 Budget

3. Is the specific cost or revenue included in the current year's budget? yes ( ) no (x) partially ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no ( ) n/a (x)

5. Is the proposal to accept additional revenues only? yes ( ) no (x)

6. Does this request modify/adjust the current year budget? If no, skip to question 8 below yes (x) no ( )

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

Outagamie County 4-16-24 County Board Meeting - May 28 2024 07:44:41 PM

April 16, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 18—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

It is necessary that various accounts of Outagamie County be closed as of December 31, 2023, except special funds, commonly known as Revolving Funds, which are in the best interest of Outagamie County to remain intact. The budget adjustments will be made to the 2024 budget.

Resolution 8—2024-25, presented to the County Board on May 14, 2024 included the majority of the requested County's Revolving Funds for the year 2023 into 2024. However, the resolution did not include the Highway Department revolving funds, ARPA revolving funds, or Other Miscellaneous revolving funds as the amounts were not available at that time.

This resolution approves the Highway Department related revolving funds, ARPA related revolving funds, and other Miscellaneous revolving funds that were not included in the original adopted resolution. These items will be included in the budget adjustments that will be made to the 2024 budget.

NOW THEREFORE, the undersigned members of the Finance Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve of all excess or deficiency of revenues over/under expenditures and unexpended appropriations of the various accounts reverting back to the County's General Fund or from the General Fund as indicated in the attached fiscal note and summary pages, with the exception of those expenses, revenues or transfers as detailed in the attachments, which by reference are made a part hereof, and

BE IT FURTHER RESOLVED, unless detailed otherwise on the attachment, that should any closed projects have excess funding (except highway project funded that will be applied to the following year's budget), those funds will be returned to the General Fund, or if legally required, to the Debt Service fund, and

BE IT STILL FURTHER RESOLVED, that all of the following accounts shall not lapse to the County's General Fund: County Roads & Bridges Fund; Highway Fund; Capital projects – Highway Related; ARPA funds; Other Miscellaneous Funds, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director.

Dated this 28th day of May 2024

Respectfully Submitted,

FINANCE COMMITTEE

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1674), Controller (1675) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** Revolving Funds Requests 2023 to 2024 – Highway and ARPA related funds not included in previous revolving funds resolution

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

Resolution #8-2024/2025 was the original resolution that includes the majority of the requested County's Revolving Funds for the year 2023 into 2024. This resolution is going to the Board also on May 14th. That original resolution did not include the Highway Revolving Funds as the amounts were not available at that time. This fiscal note and attachment includes the Highway related revolving funds not included in that original request and resolution. These items will be included in the budget adjustments that will be made to the 2024 budget.

Current Year Budget Impact (Check one or more of the following boxes)

[X] Revenues [X] Expenses (Cost) [ ] None

3. Is the specific cost or revenue included in the current year's budget? yes ( ) no (X) partially ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no (X) n/a ( )

5. Is the proposal to accept additional revenues only? yes ( ) no (X)

6. Does this request modify/adjust the current year budget? If no, skip to question 8 below. yes (X) no ( )

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

COST CENTER NAME	LINE ITEM (i.e. Salaries, Supplies, Etc.)	ACCOUNT NUMBER INCLUDING COST CENTER (i.e. 1004100.5100, 1004100.5400, etc.)	INCREASE (DECREASE) AMOUNT
See attached.			

Annual and Long-Term Impact

8. Is the above Increase/Decrease a nonrecurring one-time expense or revenue? yes ( ) no ( ) n/a (X)

9. What is the anticipated annual and/or long-term cost or revenue impact? Annual Cost 0 Annual Revenue 0

Outagamie County 4-16-24 County Board Meeting - May 28 2024 07:45:50 PM

April 16, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 19—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Appleton International Airport intends to submit a new Passenger Facility Charge Application to the Federal Aviation Administration (FAA) authorizing the continuation of a $4.50 Passenger Facility Charge (PFC) at the Appleton International Airport. A PFC is authorized by federal law and this user fee is imposed only on eligible enplaned passengers utilizing Airports. The Appleton International Airport has used PFCs to fund capital projects since 1994. This resolution authorizes the continuation of a PFC charge in the amount of $4.50, which is necessary to accomplish capital projects designed to preserve and enhance capacity, safety, security and development of the Appleton International Airport.

NOW THEREFORE, the undersigned members of the Property, Airport, Recreation and Economic Development Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does hereby and herewith authorize filing a new application and amendment, as necessary, of any open applications with the Federal Aviation Administration (FAA), authorizing the continuation of the imposition of a Passenger Facility Charge (PFC) in the amount of $4.50, and the expenditure of revenues from the Appleton International Airport, in accordance with the Capital Improvement Program, and the assurances and understandings contained in Application #10, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does acknowledge the attached Appleton International Airport (ATW) Passenger Facility Charge Application #10 Proposed Project Information, which by reference is made a part hereof, and that the projects are subject to change based on FAA approval, needs and funding capability of the Appleton International Airport, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Appleton International Airport Director and the Outagamie County Finance Director.

Dated this 28th day of May 2024

Respectfully submitted,

PROPERTY, AIRPORT, RECREATION & ECONOMIC DEVELOPMENT COMMITTEE

Dean Culbertson

Lee W. Hammen

Ronald Klemp

Yvonne Monfils

Appleton International Airport (ATW)
Passenger Facility Charge Application #10
Proposed Project Information

10-001 Passenger Terminal Building Concourse Expansion and Rehabilitation

This project includes the design and construction of an expansion to the Airport's passenger concourse, modifications at the connection between the new expansion to the existing concourse, and rehabilitation of the existing concourse. The project is expected to include approximately 62,472 square feet of expanded space. The project will add four common use gates to the concourse and includes four passenger boarding bridges. In addition to the gates, the project will provide public restrooms, a mother's room, a service animal relief area, and a concessions area. The project also includes the acquisition of public holdroom seating. The project includes the relocation of an existing passenger boarding bridge, an elevator and generators, a hearing loop, and solar and microgrid sustainability infrastructure.

This project is necessary to accommodate the passenger traffic growth that has occurred and is anticipated at ATW. Enplanements at the Airport have increased more than 75% since 2018. Historical enplanements (as reported by the FAA from 2018 through 2022; 2023 enplanements per ATW) are as follows:

Calendar Year	Enplanements	% Growth
2018	275,835	-
2019	386,737	40.2%
2020	184,128	(52.4%)
2021	352,006	91.2%
2022	416,390	18.3%
2023	484,714	16.4%

Additionally, the FAA's January 2024 Terminal Area Forecast estimates enplanements at ATW will grow to over 580,000 by 2030 and over 715,000 by 2040. In 2018, the Airport served ten destinations. That number grew to sixteen destinations in 2023 with two additional destinations planned for 2024. With the advent of larger regional and narrow-body jet aircraft serving ATW over the last few years, terminal and concourse facilities became more congested during peak operations. Development of the new concourse expansion will provide facilities that will meet higher levels of service for passenger enplanements and improvements to aircraft operations.

This project started in November 2023 and be completed in December 2025. The total estimated costs and anticipated funding sources for this project are as follows:

Estimated Costs:	
Design	$5,794,737
Construction (Based on Bids)	66,938,123
Construction Administration	3,298,504
Total Estimated Capital Costs	**$76,031,364**
Financing & Interest	8,650,661
Total Estimated Costs	**$84,682,025**
Funding Sources:	
AIP Entitlement Funds (FY23 and FY24)	$4,430,375
BIL/AIG Funds (FY22 and FY23)	6,171,627
AIP Discretionary	17,251,412
BIL/ATP Funds (FY24)	3,420,000
Wisconsin State Funding	7,000,000
PFC Bond Capital	15,000,000
PFC Pay-as-you-go funds	11,204,623
Local Funds	11,553,327
Total Capital Funding Sources	**$76,031,364**
PFC Financing & Interest	8,650,661
Total Funding Sources	**$84,682,025**
Total PFCs Requested	**$34,855,284**

10-002 PFC Administration Fees

PFC-eligible general formation costs included in this PFC project are the necessary expenditures to prepare and administer the new PFC application. This includes funds necessary to prepare, amend and close the application. Development associated with the approved projects in this application will preserve and enhance capacity at the Airport. The total cost of this project is $100,000. PFCs are anticipated to provide 100% funding for this project. This project started in July 2023 and will be complete in January 2055.

I, Kelly Gerrits, County Clerk for the County of Outagamie Wisconsin do hereby certify that the foregoing is a true and correct copy of the May 28, 2024 County Board Minutes approved by a majority vote at a meeting of the County Board on June 25, 2024 and recorded in the minutes of said meeting a quorum of members being present.

In testimony whereof, I have hereunto set my hand and the seal of the County of Outagamie, Wisconsin, this 26th Day of June, 2024.

/s/ Kelly Gerrits
County Clerk

Please call the Outagamie County Clerk's Office (832-5077) if you would like further elaboration of these minutes.

RUN: July 5, 2024

* * MINUTES * *
* * OUTAGAMIE COUNTY BOARD * *

Office of the County Clerk, June 25, 2024.

The Board met pursuant to adjournment, and was called to order by Chairperson Gabrielson at 7:00 p.m. in the County Board Room, located at 320 South Walnut Street, Appleton, Wisconsin.

ROLL CALL: 30 present, 6 absent. Members present: Thompson, Johnson, Smith, Patience, Gabrielson, Kostelny, Hammen, Lawrence, Krueger, Lamers, Ferguson, McCabe, MacDonald, Schroeder, Croatt, Spears, Heiser, Mitchell, Cuff, Hagen, Klemp, Janke, Weinberg, Culbertson, Monfils, Winterfeldt, Nejedlo, Clegg, Rettler, and Lautenschlager. Members absent: Wegand, Hermes, Thiede, Thyssen, VanderHeiden, and Koury.

The Board Chairperson requested the Board's confirmation to excuse Supervisor Wegand, Supervisor Hermes, Supervisor Thiede, Supervisor Thyssen, and Supervisor VanderHeiden. Supervisor Koury will be arriving late. No objections; so ordered.

The Pledge of Allegiance was led by Chairperson Gabrielson.

MINUTES OF THE MAY 28, 2024 COUNTY BOARD MEETING
Supervisor Patience moved, seconded by Supervisor Klemp, to approve the minutes of the May 28, 2024, County Board meeting.

ROLL CALL: 29 yes, 1 abstain (Winterfeldt), 6 absent. MINUTES OF THE MAY 28, 2024, COUNTY BOARD MEETING ARE APPROVED.

SPECIAL ORDER OF BUSINESS – County Board Supervisors Yvonne Monfils and Chris Croatt and County Executive Thomas Nelson will give a UWO Fox Cities Campus update

Supervisor Yvonne Monfils, UWO-Fox Cities Board of Trustees member, provided an update on the recent announcement by UW Oshkosh.

- It was recently released in the news that on June 30, 2025, UWO Fox Cities will cease operations. The buildings on the campus will become the full responsibility of both Outagamie and Winnebago Counties. UW Oshkosh has a $7.6M deficit and UWO Fox Cities is 20% of their budget. Other factors contributing to the announcement: enrollment has been declining throughout the entire UW system, there is a declining high school population, many people are getting their degree online, and upgraded competition from other colleges.
- During the peak of enrollment in 2010, enrollment was at 1,239 students. In 2023, there were 415 full time students and 148 part time students. In 2024, there are less than 500 students enrolled.
- Supervisor Monfils further explained the partnership of UWO Fox Cities. In June of 1970, Outagamie County, Winnebago County and UW Oshkosh got together to create a campus to serve the educational needs of the people of the counties by maintaining a branch campus of the University of Wisconsin. This agreement still stands today and has not had any updates. The agreement that was entered into by the three parties states that the UW system would pay for education and custodial staff, utilities, grounds maintenance and all moveable equipment. The Counties would pay for major building repairs, labor & supplies, and any permanent construction/remodeling.

- The University of Wisconsin-Oshkosh, Fox Cities Campus (formerly the University of Wisconsin-Fox Valley) is a branch campus of UW Oshkosh. It is comprised of 42 acres on Midway Road in Menasha, WI, in Winnebago County. The land is deeded to both Outagamie and Winnebago Counties.

Supervisor Chris Croatt, UWO-Fox Cities Board of Trustees member, further explained the role of the Board of Trustees and table of organization.

- The Board of Trustees consists of two members from Outagamie County and two members from Winnebago County, and alternates. The role of the trustees is to review campus maintenance expenditures, approve building and grounds improvements, assess facility problems, review campus use policies, review and prioritize the CIP budget, communications between County Facility Directors and Fox Cities Facility Director, and follow the MOU.
- Supervisor Croatt shared pictures and highlights of the facility. Key assets include: the Weis Earth Science Museum, The Barlow Planetarium, Aylward Art Gallery, the Communication Arts Center and Perry Hall, a full-sized gymnasium, a child care facility, and the UW Platteville engineering lab building.
- Supervisor Croatt also reviewed the budget. Maintenance funds are in the General Budget by both Outagamie County and Winnebago County. Costs are split evenly. The annual Outagamie County budget is approximately $150,000. CIP budgeted amounts are currently on hold. Costs are split between Outagamie County and Winnebago County.

County Executive Nelson presented what has transpired over the last few months, what is recently in the news and where things stand going forward.

- County Executive Nelson submitted an open records request on May 21, 2024. A writ to force disclosure was issued on June 10, 2024. On June 13, 2024, the announcement was made that UWO Fox Cities would be ceasing operations in June 2025. Two hours after the announcement, twelve documents were released pertaining to the open records request.
- The UWO Fox Cities campus is a 54-year investment and includes millions of dollars of assets.
- County Executive Nelson explained that before there can be discussion on future plans, it needs to be determined what the legal structure and framework is. There have been many ideas that have come forward since the announcement.
- This is the beginning of what will be a long journey. There are more questions than answers at this time.

Supervisor Koury arrived at the meeting at 7:10 p.m.

Supervisor questions and comments followed.

Supervisor Spears moved, seconded by Supervisor Patience, to suspend County Board rules and allow Facilities Director, Paul Farrell, to address the board.

ESTABLISH ORDER OF THE DAY – Chairperson Gabrielson reported the request to have all appointments, ordinances, and resolutions locked in at the meeting.

Chairperson Gabrielson asked for unanimous consent to handle all reconsiderations and lock ins at the end of the meeting as noted. No objections; so ordered.

COMMUNICATIONS –
Chairperson Gabrielson summarized the following communications:

- Ten Supervisors have not completed the security training that was due by the end of May. There is one Supervisor that needs to complete the March security training that was due on April 10th. Please contact Legislative Services if you need a link to the training.
- The Outagamie County Back to School Program is in need of new supplies, backpacks, or monetary donations. If you are interested in donating to this program, please contact Legislative Services for more information.
- The Outagamie County Fair runs from June 26th through June 30th.
- A reminder was given that there is a long-standing agreement between the County Board and the County Executive that communication with department heads is done by the chair of the governing committee or with that chairs permission. Supervisors should not directly discuss business with department heads. Please see Chairman Gabrielson with any questions.

PUBLIC PARTICIPATION IS LIMITED TO ONLY MATTERS LISTED ON THE AGENDA AND FOR A TOTAL OF FIFTEEN MINUTES WHICH MAY BE EXTENDED TO 30 MINUTES AT THE DISCRETION OF THE CHAIR – None.

APPOINTMENTS –

County Executive Nelson nomination for reappointments of Greg Peterson and Steve Van Dyn Hoven to the Criminal Justice Coordinating Council; terms expiring April 30, 2026.

June 25, 2024 County Board Meeting
OpenMeeting

RESOLUTION NO.: 20—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Wisconsin Worker's Compensation Act (the Act) provides that employers covered by the Act either insure their liability with worker's compensation insurance carriers authorized to do business in Wisconsin, or to be exempted (self-insured) from insuring liabilities with a carrier and thereby assuming the responsibility for its own worker's compensation risk and payment. Outagamie County is a qualified political subdivision of the State of Wisconsin, and as such may self-insure worker's compensation without a special order from the Department of Workforce Development (The Department) if they agree to report faithfully all compensable injuries and agree to comply with the Act and rules of the Department. This resolution approves continuation of the self-insured worker's compensation program.

NOW THEREFORE, the undersigned members of the Finance Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve the continuation of a self-insured worker's compensation program that is currently in effect and in compliance with the Wisconsin Administrative Code DWD 80.60(3), and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Executive, the Outagamie County Finance Director, the Outagamie County Risk Administrator, and Brittany J. Webb, Department of Workforce Development, Workers Compensation Division, Self Insurance, P.O. Box 7901, Madison, WI 53707-7901.

Dated this 25th day of June 2024

Respectfully Submitted,

FINANCE COMMITTEE

Outagamie County 6-25-24 County Board Meeting - June 25 2024 08:01:39 PM
June 25, 2024 County Board Meeting
OpenMeeting

RESOLUTION NO.: 21—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Wisconsin Department of Transportation (WisDOT) has allocated funding to create a program for assessing Local Small Structures. Local Small Structures are defined as any structure that is greater than six (6) feet in length and less than or equal to twenty (20) feet in length. The program is broken into two (2) phases: inventory and assessment/inspection. The program requires that these structures be inventoried and assessed following requirements set forth by WisDOT. After completion of the work, WisDOT will reimburse the County if it satisfies the defined criteria. The reimbursements will be $100 for each structure inventory completed and $350 for each structure inspected.

This resolution grants the Highway Commissioner authority to enter into an agreement with WisDOT for a Local Small Structures Inspection and Inventory Program with no budget adjustment needed at this time.

NOW THEREFORE, the undersigned members of the Highway, Recycling and Solid Waste Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize the Outagamie County Highway Commissioner to enter into the attached 2024-2025 Local Small Structures Inspection and Inventory Program Agreement with the Wisconsin Department of Transportation (WisDOT), which by reference is made a part hereof, for the inventory and inspection of Local Small Structures, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize funding for the county share of the project costs to be included in future budgets as noted on the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Highway Commissioner and the Outagamie County Finance Director.

Dated this 25th day of June 2024

Respectfully Submitted,

2024 – 2025
Local Small Structures
Inspection and Inventory
Program Agreement

Date: 4/23/2024

County of Outagamie

The signatory County, hereinafter COUNTY, by and through its duly authorized officers or officials and the State of Wisconsin Department of Transportation, hereinafter Wis DOT , hereby enter into this Local Small Structures Inspection and Inventory Program Agreement (Agreement) for the inventory and inspection of local bridges and culverts greater than six (6) and less than or equal to twenty (20) feet in length (Local Small Structures).

The Wisconsin State 2023-25 Budget allocated funding to create a program for assessing Local Small Structures as follows:

> Provide $12,500,000 to the Joint Committee on Finance SEG supplemental biennial appropriation in 2023-24 for assessment of local bridges and culverts that are less than 20 feet in length and create a biennial DOT SEG appropriation that could receive the funds. Direct DOT to develop a program for counties to assess local bridges and culverts that are 20 feet or under in length, but greater than six feet in length.

Based on this budget item, the Wisconsin legislature created Wis. Stat. Sec.85.64 which provides:

> Assessment of local bridges and culverts. The department shall administer a program for counties to inventory and assess the condition of local bridges and culverts that are 20 feet or less in length but greater than 6 feet in length.

Wis. Stat. Sec. 85.64 authorizes COUNTY and WisDOT to enter into this Agreement. The Wisconsin Legislature has required WisDOT to develop a program for COUNTY to assess Local Small Structures. Through this Agreement, COUNTY will perform inventory and inspection work in the manner set forth by WisDOT. Upon completion of the work, WisDOT will reimburse COUNTY if it satisfies the criteria outlined herein (Program).

1. Inventory Work

COUNTY shall collect and submit inventory information for Local Small Structures as set forth in the "Local Small Structures – Inventory" memo, a copy of which is attached hereto and incorporated by reference herein (Inventory Work). COUNTY shall submit an invoice to WisDOT for reimbursement itemizing each Local Small Structure inventoried. COUNTY will make every effort to include all Local Small Structures inventoried in as few invoices as possible. WisDOT will verify that the information for the Inventory Work submitted by COUNTY appears accurate and meets the parameters of the Program. WisDOT will reimburse COUNTY for verified inventory information at a rate of $100.00 for each Local Small Structure inventory received.

DocuSign Envelope ID: 9F533159-4D6E-4D51-9B3A-ED4C52567709

WisDOT, at its own discretion, may reject inventory information submitted by COUNTY that is incomplete, inaccurate, or does not meet the required parameters of the Program. WisDOT will not reimburse COUNTY for Inventory Work if it rejects the inventory information submitted and will notify COUNTY of such rejection. COUNTY may correct the inventory information and resubmit to WisDOT within the timeframe of this Agreement.

WisDOT shall reimburse COUNTY for all verified and accepted Inventoried Local Small Structure or notify COUNTY of rejecting the inventory information no later than sixty (60) days after receiving inventory submittals. For purposes of this Agreement "received" means actual receipt by WisDOT. COUNTY shall reimburse local governments $100.00 per structure inventoried (as appropriate) no later than sixty (60) days upon receipt of reimbursement from WisDOT and shall certify to WisDOT within sixty (60) days that it has reimbursed all local governments as required by this Agreement.

Inventory information may be submitted for reimbursement through December 31, 2025. WisDOT will not issue reimbursement for Inventory Information received after December 31, 2025.

2. Inspection Work

COUNTY, using Wisconsin certified bridge inspectors, shall collect and submit inspection information per the "Local Small Structures - Assessment/Inspection" memo, a copy of which is attached hereto and incorporated by reference herein (Inspection Work). COUNTY shall submit an invoice to WisDOT for reimbursement for each Local Small Structure Inspected. WisDOT will verify that the inspection information submitted by COUNTY appears accurate and meets the parameters of the Program. WisDOT will reimburse COUNTY for verified inspection information at a rate of $350.00 for each Local Small Structure inspection received.

WisDOT, at its own discretion, may reject inspection information submitted by COUNTY that is incomplete, inaccurate, or does not meet the required parameters of the Program. WisDOT will not reimburse COUNTY for Inspection Work if it rejects the inspection information submitted and will notify COUNTY of such rejection. COUNTY may correct the inspection information and resubmit to WisDOT within the timeframe of this Agreement.

WisDOT shall reimburse COUNTY for all verified and accepted inspected Local Small Structure or notify COUNTY of rejecting the inspection information no later than sixty (60) days after receiving inspection submittals. For purposes of this Agreement "received" means actual receipt by WisDOT. COUNTY shall reimburse local governments $350.00 per Local Small Structure inspected (as appropriate) no later than sixty (60) days upon receipt of reimbursement from WisDOT and shall certify to WisDOT within sixty (60) days that it has reimbursed all local governments as required by this Agreement.

Inspection information may be submitted for reimbursement through December 31, 2025. WisDOT will not issue reimbursement for inspection information received after December 31, 2025.

DocuSign Envelope ID: 9F533159-4D6E-4D51-9B3A-ED4C52567709

3. Scope and Terms and Conditions

The entire cost of the Inventory Work and/or Inspection Work will be the responsibility of COUNTY unless reimbursement is granted.

Payments to COUNTY will be made after the Inventory Work and/or Inspection Work is completed, verified by WisDOT.

In order to guarantee COUNTY'S agreement to pay local governments, if applicable, COUNTY, through its above duly authorized officers or officials, agrees and authorizes WisDOT to set off and withhold the required reimbursement amount as determined by WisDOT from any moneys otherwise due and payable by WisDOT the COUNTY.

COUNTY will keep records of the cost of the Inventory Work and Inspection Work and will have them available for inspection by representatives of WisDOT and will furnish copies when requested.

This Agreement is subject to the availability of State funds appropriated for this program. The continuance of this agreement beyond the limits of funds already available to the Wisconsin Department of Transportation is contingent upon appropriation of the necessary funds by the Wisconsin Legislature and the Governor. (Reference 66 OAG 408; State ex rel. LaFollette v. Reuter, 36 Wis. 2d 96, 119 [1967])

This Agreement shall be in effect until June 30, 2026.

COUNTY represents that its undersigned representative is authorized to conduct official business for COUNTY.

EXECUTED the date last below signed.

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1675), Controller (1674) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** Request to support future funding for Local Small Structures 6 to 20 feet.

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

The Highway Department submitted an application for the county share of the project costs to be included in future budgets. The project includes allocated funds from WisDOT to create a program for assessing Local Small Structures defined as any structure greater than six and less than or equal to twenty feet in length. The program requires that these structures be inventoried and assessed following WisDOT requiements. After completion of work, WisDOT will reimburse the County if it satisfies the defined criteria. The reimbursement will be $100 for each structure inventory completed and $350 for each structure inspected.

Therefore, the Highway Department is seeking support from the County Board to grant the Highway Commissioner authority to enter into an agreement with WisDOT to enter into this Local Small Structures Inspection and Inventory Program Agreement.

Current Year Budget Impact (Check one or more of the following boxes)

[ ] Revenues [ ] Expenses (Cost) [X] None

3. Is the specific cost or revenue included in the current year's budget? yes ( ) no ( ) n/a (x)

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no ( ) n/a (x)

5. Is the proposal to accept additional revenues only? yes ( ) no (X)

6. Does this request modify/adjust the current year budget? yes ( ) no (X)
If no, skip to question 8 below.

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

Outagamie County 6-25-24 County Board Meeting - June 25 2024 08:02:29 PM

June 25, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 22—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Highway Department submitted an application for Highway Safety Improvement Program (HSIP) funds and was approved for 90% federal funding for the CTH A & CTH JJ-West intersection and pavement rehabilitation project. The project includes construction of a single lane roundabout at the intersection of CTH A & CTH JJ. The cost of the project is anticipated to be $2,138,422 of which the federal funding is capped at $1,924,580. The county's share is estimated to be $213,842, which is 10% of the project and any excess. Estimated costs cover design, construction, and state review with construction currently scheduled for State Fiscal Year 2029. The county share of the project costs are anticipated to be funded in future budgets.

This resolution authorizes the Outagamie County Highway Commissioner to enter into a State/Municipal Agreement for the project and support future funding of the CTH A & CTH JJ-West intersection improvement project.

NOW THEREFORE, the undersigned members of the Highway, Recycling and Solid Waste Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize the Outagamie County Highway Commissioner to enter into a State/Municipal Agreement for the CTH A & CTH JJ-West intersection project, as noted on the attached State/Municipal Agreement for a State-Let Highway Safety Improvement Program (HSIP) Project document, which by reference is made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize funding for the county share of the project costs to be included in future budgets as noted on the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Highway Commissioner and the Outagamie County Finance Director.

Dated this 25th day of June 2024

Respectfully Submitted,

HIGHWAY, RECYCLING AND SOLID WASTE COMMITTEE

Joy Hagen

STATE/MUNICIPAL AGREEMENT FOR A STATE- LET HIGHWAY SAFETY IIMPROVEMENT PROGRAM (HSIP) PROJECT **Program Name: HSIP PROGRAM** **Sub-program #: 206** **Cycle: 2024-2027**	Date: April 24, 2024 I.D.: 6521-06-00/70 Road Name: CTH A Limits: CTH JJ Intersection County: Outagamie Roadway Length: 0.07 miles Functional Classification: Minor Arterial Project Sponsor: Outagamie County

The signatory, **Outagamie County**, hereinafter called the Municipality, through its undersigned duly authorized officers or officials, hereby requests the State of Wisconsin Department of Transportation, hereinafter called the State, to initiate and effect the highway or street improvement hereinafter described.

The authority for the Municipality to enter into this agreement with the State is provided by Sections 86.25(1), (2), and (3) and Section 66.0301 of the Statutes.

NEEDS AND ESTIMATE SUMMARY:

All components of the project must be defined in the environmental document if any portion of the project is federally funded. The Municipality agrees to complete all participating and any non-participating work included in this improvement consistent with the environmental document. No work on final engineering and design may occur prior to approval of the environmental document.

Existing Facility – The existing intersection of CTH A and CTH JJ is a T-intersection with free flow traffic along CTH A moving northbound and southbound and a stop condition for eastbound traffic along CTH JJ. The intersection contains right turn lanes for southbound and eastbound traffic and a bypass lane for northbound traffic. Safety at the intersection is a concern due to the rising traffic and truck volumes as well as the geometry of the intersection. Over the five-year period from 2019-2023 there were a total of eleven crashes that occurred, resulting in one fatality, two injuries, and three possible injury crashes.

Proposed Improvement - Nature of work: The proposed improvement involves constructing a single lane roundabout at the intersection.

Describe non-participating work included in the project and other work necessary to completely finish the project that will be undertaken independently by the Municipality. Please note that non-participating components of a project/contract are considered part of the overall project and will be subject to applicable federal requirements: NONE

The Municipality agrees to the following 2024-2027 HSIP project funding conditions:

Project design and construction costs are funded with up to 90% federal funding when the Municipality agrees to provide the remaining 10% and any funds in excess of the federal funding limit. Non-participating costs are 100% the responsibility of the Municipality. Any work performed by the Municipality prior to federal authorization is not eligible for federal funding. The Municipality will be notified by the State that the project is authorized and available for charging.

This project is currently scheduled in State Fiscal Year 2029. **In accordance with the State's sunset policy for HSIP projects, the subject 2024-2027 HSIP improvement must be let by June 30, 2034.** Extensions may be available upon approval of a written request by or on behalf of the Municipality to State. The written

DocuSign Envelope ID: 14440E6D-5622-4084-8CB0-C88A10B12BED

request shall explain the reasons for project implementation delay and revised timeline for project completion.

The dollar amounts shown in the Summary of Costs Table below are estimates. The final Municipal share is dependent on the final federal participation, and actual costs will be used in the final division of cost for billing and reimbursement. In no event shall federal funding exceed the estimate of **$1,924,580** in the Summary of Costs Table, unless such increase is approved in writing by the State through the State's Change Management Policy prior to the Municipality incurring the increased costs.

	SUMMARY OF COSTS

GENERAL TERMS AND CONDITIONS:

1. All projects must be in an approved Transportation Improvement Program (TIP) or State Transportation Improvement Program (STIP) prior to requesting authorization.

2. Work prior to federal authorization is ineligible for federal funding.

3. The Municipality, throughout the entire project, commits to comply with and promote all applicable federal and state laws and regulations that include, but are not limited to, the following:

    a. Environmental requirements, including but not limited to those set forth in the 23 U.S.C. 139 and National Environmental Policy Act (42 U.S.C. 4321 et seq.)

    b. Equal protection guaranteed under the U.S. Constitution, WI Constitution, Title VI of the Civil Rights Act and Wis. Stat. 16.765. The municipality agrees to comply with and promote applicable Federal and State laws, Executive Orders, regulations, and implementing requirements intended to provide for the fair and equitable treatment of individuals and the fair and equitable delivery of services to the public. In addition, the Municipality agrees not to engage in any illegal discrimination in violation of applicable Federal or State laws and regulations. This includes but is not limited to Title VI of the Civil Rights Act of 1964 which provides that "no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance." The Municipality agrees that public funds, which are collected in a nondiscriminatory manner, should not be used in ways that subsidize, promote, or perpetuate illegal discrimination based on prohibited factors such as race, color, national origin, sex, age, physical or mental disability, sexual orientation, or retaliation.

    c. Prevailing wage requirements, including but not limited to 23 U.S.C 113.

    d. Buy America Provision and its equivalent state statutes, set forth in 23 U.S.C. 313 and Wis. Stat. 16.754.

    e. Competitive bidding and confidentiality requirements set forth in 23 U.S.C 112 and Wis. Stat. 84.06. This includes the sharing of financial data prior to the conclusion of the competitive bid period.

    f. All applicable Disadvantaged Business Enterprise (DBE) requirements that the State specifies.

    g. Federal statutes that govern the Surface Transportation Program (STP), including but not limited to 23 U.S.C. 133.

    h. General requirements for administrating federal and state aids set forth in Wis. Stat. 84.03.

STATE RESPONSIBILITIES AND REQUIREMENTS:

4. Funding of each project phase is subject to inclusion in Wisconsin's approved 2024-2027 HSIP program. Federal funding will be limited to participation in the costs of the following items, as applicable to the project:

    a. The grading, base, pavement, and curb and gutter, sidewalk, and replacement of disturbed driveways in kind.

    b. The substructure, superstructure, grading, base, pavement, and other related bridge and approach items.

    c. Storm sewer mains necessary for the surface water drainage.

    d. Catch basins and inlets for surface water drainage of the improvement, with connections to the storm sewer main.

DocuSign Envelope ID: 14440E6D-5622-4084-8CB0-C88A10B12BED

e. Construction engineering incident to inspection and supervision of actual construction work (except for inspection, staking, and testing of sanitary sewer and water main).

f. Signing and pavement marking.

g. New installations or alteration of street lighting and traffic signals or devices.

h. Landscaping.

i. Preliminary engineering and design.

j. State review services

5. The work will be administered by the State and may include items not eligible for federal participation.

6. As the work progresses, the State will bill the Municipality for work completed that is not chargeable to federal/state funds. Upon completion of the project, a final audit will be made to determine the final division of costs subject to funding limits in the Summary of Costs Table. If reviews or audits show any of the work to be ineligible for federal/state funding, the Municipality will be responsible for any withdrawn costs associated with the ineligible work.

MUNICIPAL RESPONSIBILITIES AND REQUIREMENTS:

7. Work necessary to complete the 2024-2027 HSIP improvement project to be financed entirely by the Municipality or other utility or facility owner includes the items listed below.

   a. New installations of or alteration of sanitary sewers and connections, water, gas, electric, telephone, telegraph, fire or police alarm facilities, parking meters, and similar utilities.

   b. Damages to abutting property after project completion due to change in street or sidewalk widths, grades, or drainage.

   c. Detour routes and haul roads. The municipality is responsible for determining the detour route.

   d. Conditioning, if required and maintenance of detour routes.

   e. Repair of damages to roads or streets caused by reason of their use in hauling materials incident to the improvement.

   f. All work related to underground storage tanks and contaminated soils.

   g. Street and bridge width in excess of standards, in accordance with the current WisDOT Facilities Development Manual (FDM).

   h. Other 100% Municipality funded items:

8. The construction of the subject improvement will be in accordance with the appropriate standards unless an exception to standards is granted by State prior to construction. The entire cost of the construction project, not constructed to standards, will be the responsibility of the Municipality unless such exception is granted.

9. Work to be performed by the Municipality without federal funding participation necessary to ensure a complete improvement acceptable to the Federal Highway Administration and/or the State may be done in a manner at the election of the Municipality but must be coordinated with all other work undertaken during construction.

10. The Municipality is responsible for financing administrative expenses related to Municipal project responsibilities.

DocuSign Envelope ID: 14440E6D-5622-4084-8CB0-C88A10B12BED

11. The Municipality will include in all contracts executed by them a provision obligating the contractor not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability as defined in Wis. Stat. 51.01 (5), sexual orientation as defined in Wis. Stat. 111.32 (13m), or national origin.

12. The Municipality will pay to the State all costs incurred by the State in connection with the improvement that exceed federal/state financing commitments or are ineligible for federal/state financing. To guarantee the Municipality's foregoing agreements to pay the State, the Municipality, through its above duly authorized officers or officials, agrees and authorizes the State to set off and withhold the required reimbursement amount as determined by the State from any moneys otherwise due and payable by the State to the Municipality.

13. **In accordance with the State's sunset policy for HSIP projects, the subject 2024-2027 HSIP improvement must be let by June 30, 2034.** Extensions may be available upon approval of a written request by or on behalf of the Municipality to State. The written request shall explain the reasons for project implementation delay and revised timeline for project completion.

14. If the Municipality should withdraw the project, it will reimburse the State for any costs incurred on behalf of the project.

15. The Municipality will at its own cost and expense:

    a. Maintain all portions of the project that lie within its jurisdiction (to include, but not limited to, cleaning storm sewers, removing debris from sumps or inlets, and regular maintenance of the catch basins, curb and gutter, sidewalks, and parking lanes [including snow and ice removal]) for such maintenance in a manner consistent with reasonable industry standards, and will make ample provision for such maintenance each year.

    b. Regulate [or prohibit] parking at all times in the vicinity of the proposed improvements during their construction.

    c. Regulate [or prohibit] all parking at locations where and when the pavement area usually occupied by parked vehicles will be needed to carry active traffic in the street.

    d. Assume general responsibility for all public information and public relations for the project and to make fitting announcement to the press and such outlets as would generally alert the affected property owners and the community of the nature, extent, and timing of the project and arrangements for handling traffic within and around the project.

    e. Provide complete plans, specifications, and estimates to State upon request.

    f. Provide relocation orders and real estate plats to State upon request.

    g. Use the *WisDOT Utility Accommodation Policy* unless it adopts a policy, which has equal or more restrictive controls.

    h. Provide maintenance and energy for lighting.

    i. Provide proper care and maintenance of all landscaping elements of the project including replacement of any plant materials damaged by disease, drought, vandalism, or other cause.

16. It is further agreed by the Municipality that:

    a. The Municipality assumes full responsibility for the design, installation, testing and operation of any sanitary sewer and water main infrastructure within the improvement project and relieves the state and all of its employees from liability for all suits, actions, or claims resulting from the sanitary sewer and water main construction under this agreement.

DocuSign Envelope ID: 14440E6D-5622-4084-8CB0-C88A10B12BED

b. The Municipality assumes full responsibility for the plans and special provisions provided by their designer, or anyone hired, contracted, or otherwise engaged by the Municipality. The Municipality is responsible for any expense or cost resulting from any error or omission in such plans or special provisions. The Municipality will reimburse State if State incurs any cost or expense in order to correct or otherwise remedy such error or omission or consequences of such error or omission.

c. The Municipality will be 100% responsible for all costs associated with utility issues involving the Contractor, including costs related to utility delays.

d. All signs and traffic control devices and other protective structures erected on or in connection with the project including such of these as are installed at the sole cost and expense of the Municipality or by others, will be in conformity with such *Manual of Uniform Traffic Control Devices* as may be adopted by the American Association of State Highway and Transportation Officials, approved by the State, and concurred in by the Federal Highway Administration.

e. The right-of-way available or provided for the project will be held and maintained inviolate for public highway or street purposes. Those signs prohibited under federal aid highway regulations, posters, billboards, roadside stands, or other private installations prohibited by federal or state highway regulations will not be permitted within the right-of-way limits of the project. The Municipality, within its jurisdictional limits, will remove or cause to be removed from the right-of-way of the project all private installations of whatever nature which may be or cause an obstruction or interfere with the free flow of traffic, or which may be or cause a hazard to traffic, or which impair the usefulness of the project and all other encroachments which may be required to be removed by the State at its own election or at the request of the Federal Highway Administration, and that no such installations will be permitted to be erected or maintained in the future.

f. The Municipality is responsible for any damage caused by legally hauled loads, including permitted oversize and overweight loads. The contractor is responsible for any damage caused to haul roads if the contractor does not obey size and weight laws, use properly equipped and maintained vehicles, and does not prevent spilling of materials onto the haul road (WisDOT *Standard Specifications* 618.1, 108.7, 107.8). The local maintaining authority can impose special or seasonal weight limitations as defined in Wis. Stat. 349.16, but this should not be used for the sole purpose of preventing hauling on the road.

   The bid item 618.0100 Maintenance and Repair of Haul Roads (project) is ineligible for federal funding on local program projects as per the State/Municipal Agreement. The repair of damages as a result of hauling materials for the project is the responsibility of the Municipality as specified in the State/Municipal Agreement Terms and Conditions under "Municipal Responsibilities and Requirements."

LEGAL RELATIONSHIPS:

17. The State shall not be liable to the Municipality for damages or delays resulting from work by third parties. The State also shall be exempt from liability to the Municipality for damages or delays resulting from injunctions or other restraining orders obtained by third parties.

18. The State will not be liable to any third party for injuries or damages resulting from work under or for the Project. The Municipality and the Municipality's surety shall indemnify and save harmless the State, its officers and employees, from all suits, actions or claims of any character brought because of any injuries or damages received or sustained by any person, persons or property on account of the operations of the Municipality and its sureties; or on account of or in consequence of any neglect in safeguarding the work; or because of any act or omission, neglect or misconduct of the Municipality or its sureties; or because of any claims or amounts recovered for any infringement by the Municipality and its sureties of patent, trademark or copyright; or from any claims or amounts arising or recovered under the Worker's Compensation Act, relating to the employees of the Municipality and its sureties; or any other law, ordinance, order or decree relating to the Municipality's operations.

DocuSign Envelope ID: 14440E6D-5622-4084-8CB0-C88A10B12BED

19. Contract modification: This State/Municipal Agreement can only be modified by written instruments duly executed by both parties. No term or provision of either this State/Municipal Agreement or any of its attachments may be changed, waived, or terminated orally.

20. Binding effects: All terms of this State/Municipal Agreement shall be binding upon and inure to the benefits of the legal representatives, successors, and executors. No rights under this State/Municipal Agreement may be transferred to a third party. This State/Municipal Agreement creates no third-party enforcement rights.

21. Choice of law and forum: This State/Municipal Agreement shall be interpreted and enforced in accordance with the laws of the State of Wisconsin. The Parties hereby expressly agree that the terms contained herein and in any deed executed pursuant to this State/Municipal Agreement are enforceable by an action in the Circuit Court of Dane County, Wisconsin.

PROJECT FUNDING CONDITIONS

22. Non-appropriation of funds: With respect to any payment required to be made by the State under this State/Municipal Agreement, the parties acknowledge the State's authority to make such payment is contingent upon appropriation of funds and required legislative approval sufficient for such purpose by the Legislature. If such funds are not so appropriated, either the Municipality or the State may terminate this State/Municipal Agreement after providing written notice not less than thirty (30) days before termination.

23. Maintenance of records: During the term of performance of this State/Municipal Agreement, and for a period not less than three years from the date of final payment to the Municipality, records and accounts pertaining to the performance of this State/Municipal Agreement are to be kept available for inspection and audit by representatives of the State. The State reserves the right to audit and inspect such records and accounts at any time. The Municipality shall provide appropriate accommodations for such audit and inspection.

    In the event that any litigation, claim or audit is initiated prior to the expiration of said records maintenance period, the records shall be retained until such litigation, claim or audit involving the records is complete.

24. The Municipality agrees to the following 2024-2027 HSIP project funding conditions:

    a. ID 6521-06-00: Design is funded with 90% federal funding up to a funding limit of **$231,750** when the Municipality agrees to provide the remaining 10% and any funds in excess of the **$231,750** federal funding limit. This phase includes plan development and state review. The work includes project review, approval of required reports and documents and processing the final Plan, Specification & Estimate (PS&E) document for award of the contract. Costs for this phase include an estimated amount for state review activities, to be funded 90% with federal funding and 10% by the Municipality.

    b. Real estate is funded 100% by the Municipality. Real estate acquisition is 100% the responsibility of the Municipality.

    c. Costs for utility items are funded 100% by the Municipality.

    d. ID 6521-06-70: Construction:

        i. Costs for roadway reconstruction are funded with 90% federal funding up to a funding limit of **$1,692,830** when the Municipality agrees to provide the remaining 10%, and any funds in excess of the **$1,692,830** federal funding limit.

        ii. Non-participating costs are funded 100% by the Municipality. Costs include construction delivery.

        iii. Costs for this phase include an estimated amount for state review activities, to be funded 90% with federal funding and 10% by the Municipality.

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1675), Controller (1674) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** Request to support future funding for the CTH A & CTH JJ intersection and pavement rehabilitation.

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

The Highway Department submitted an application for Highway Safety Improvement Funds (HSIP) and was approved for 90% federal funding for the project. The project includes construction of a single lane roundabout at the intersection of CTH A & CTH JJ. The cost of the project is anticipated to be $2,138,422 of which the federal funding is capped at $1,924,580. The county would be responsible for $213,842 which is 10% and any excess. The project is scheduled for the year 2029 county share, along with the federal portion to account for the full cost of construction will be included in the 2029 Highway budget.

Therefore, the Highway Department is seeking support from the County Board to grant the Highway Commissioner authority to enter into a State Municipal Agreement for the project and to support future funding of the CTH A & CTH JJ intersection construction.

Current Year Budget Impact (Check one or more of the following boxes)

[ ] Revenues [ ] Expenses (Cost) [X] None

3. Is the specific cost or revenue included in the current year's budget? yes ( ) no ( ) n/a (X) N/A – future budget
4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no ( ) n/a (X) N/A – future budget
5. Is the proposal to accept additional revenues only? yes ( ) no (X)
6. Does this request modify/adjust the current year budget? yes ( ) no (X)
   If no, skip to question 8 below.
7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

COST CENTER NAME	LINE ITEM (i.e. Salaries, Supplies, Etc.)	ACCOUNT NUMBER INCLUDING COST CENTER (i.e. 1004100.5100, 1004100.5400, etc.)	INCREASE (DECREASE) AMOUNT
Not Applicable – Future Budget			

Annual and Long-Term Impact

8. Is the above Increase/Decrease a nonrecurring one-time expense or revenue? yes ( ) no ( ) n/a (X)
9. What is the anticipated annual and/or long-term cost or revenue impact? Annual Cost 0.00 Annual Revenue 0.00

Outagamie County

6-25-24 County Board Meeting - June 25 2024 08:03:29 PM

June 25, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 23—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Federal Aid Highway Act of 1962 requires a continuing, comprehensive transportation planning process carried out cooperatively by the State and local communities of each urban area of more than 50,000 population in order to qualify transportation projects for federal aid.

East Central Wisconsin Regional Planning Commission (ECWRPC) was designated as the Appleton (Fox Cities) Metropolitan Planning Organization (MPO) by Wisconsin's Governor in January 1974. Due to a population in excess of 200,000 following the 2010 U.S. Census, the Appleton (Fox Cities) Urban area was designated by the federal government as a Transportation Management Area (TMA) in 2012. The ECWRPC Board, consisting of elected and appointed officials from member counties within East Central's ten (10) county region has served as the Policy Board for the Appleton (Fox Cities) MPO since 1974. However, ECWRPC identified the creation of a separate Appleton (Fox Cities) MPO Policy Board within their 2020 Strategic Plan.

A change to the Appleton (Fox Cities) MPO Policy Board was identified as necessary by ECWRPC, Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) to ensure that local elected officials representing 75% of the affected population serve on the MPO Policy Board, consistent with federal requirements as outlined in 23 CFR 450.310.

Outagamie County is located within the Appleton (Fox Cities) Metropolitan Planning Organization. A new Appleton (Fox Cities) MPO Policy Board structure has been developed by ECWRPC staff, in coordination with FHWA, FTA, WISDOT, and local impacted communities, which is outlined in the attached Table.

The main functions of the Appleton (Fox Cities) MPO Policy Board shall be to provide policy guidance throughout the transportation planning process, review and approve the Metropolitan Transportation Plan (MTP), Congestion Management Process, Transportation Improvement Program (TIP), the Unified Planning Work Program (UPWP), and promote the implementation of the TIP and UPWP.

Approval of each governing body of the municipalities and counties located within the Appleton (Fox Cities) Metropolitan Planning Area is necessary to demonstrate local support for the formal request that the Governor redesignate the Appleton (Fox Cities) MPO Policy Board structure as outlined in the attached table. Each local unit of government located within the Appleton (Fox Cities) MPO area will be party to the formal redesignation agreement (draft attached), and the final agreement will be negotiated and executed between the State of Wisconsin Governor, ECWRPC, and the local units of government.

NOW THEREFORE, the undersigned members of the Highway, Recycling and Solid Waste Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does support and approve the new structure of the Appleton (Fox Cities) Metropolitan Planning Organization (MPO) Policy Board as reflected in the attached Appleton (Fox Cities) Metropolitan Planning Organization Table, which by reference is made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does agree to participate in the Appleton (Fox Cities) MPO Policy Board meetings to ensure a continuing, comprehensive, and cooperative transportation planning process for the Appleton (Fox Cities) Metropolitan Planning Area, and

BE IT STILL FURTHER RESOLVED, that the Outagamie County Board of Supervisors does support the provisions as outlined in the attached Draft Agreement Redesignating the Metropolitan Planning Organization Policy Board Structure For The Appleton (Fox Cities) Urbanized Area, which by reference is made a part hereof, and the final Agreement will be negotiated and executed between the State of Wisconsin Governor, East Central Wisconsin Regional Planning Commission, and the local units of government, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Executive, the Outagamie County Development and Land Services Director, and East Central Wisconsin Regional Planning Commission.

Dated this 25th day of June 2024

Respectfully Submitted,

HIGHWAY, RECYCLING AND SOLID WASTE COMMITTEE

AN AGREEMENT REDESIGNATING THE METROPOLITAN PLANNING ORGANIZATION POLICY BOARD STRUCTURE FOR THE APPLETON (FOX CITIES) URBANIZED AREA

Introduction

The parties to this Agreement (hereinafter the "Signatories") hereby agree to the redesignation of East Central Wisconsin Regional Planning Commission arising out of the need to address actions recommended by the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) pertaining to the organization and structure of the existing Metropolitan Planning Organization's Policy Board.

WHEREAS, The Metropolitan Planning Organization (MPO) for the Appleton (Fox Cities) Urban Area is charged, under Title 23 U.S.C., Section 134, as the organization responsible for cooperative transportation planning and decision making for the Appleton (Fox Cities) Metropolitan Planning Area, and;

WHEREAS, the Metropolitan Planning Area consists of the City of Appleton, the Appleton Urban Area, and all or portions of the contiguous cities, villages, and towns which are or are likely to become urbanized within a 20-year period as shown on the attached map and agreed to by the MPO and the Governor, and;

WHEREAS, the responsibilities of the Metropolitan Planning Organization include:

1. Carrying out a cooperative, continuous, and comprehensive planning process for making transportation investment decisions in the metropolitan area with program oversight from the Federal Highway Administration (FHWA), the Federal Transit Administration (FTA), and the Wisconsin Department of Transportation (WisDOT).

2. Preparing and maintaining a Metropolitan Transportation Plan.

3. Preparing and implementing an annual unified planning work program.

4. Preparing a transportation improvement program to provide for transportation investments to meet metropolitan transportation needs.

5. Preparing and maintaining the Congestion Management Process, the Public Participation Process and the Title VI plan.

6. Establishing operating rules and procedures.

7. Working in cooperation with Valley Transit.

8. Other duties as required to comply with State and Federal regulations, and;

WHEREAS, the Appleton (Fox Cities) Urban Area was created through an agreement between the Governor and East Central Wisconsin Regional Planning Commission (ECWRPC), effective January 15, 1974 designating the MPO for the Appleton (Fox Cities) Urban Area in accordance with federal law. East Central Wisconsin Regional

Planning Commission assumed the responsibility to conduct transportation planning and programming for the Appleton (Fox Cities) Urban area, and;

WHEREAS, the Appleton (Fox Cities) MPO Policy Board membership and voting structure was identified by ECWRPC, Federal Highway Administration, and Federal Transit Administration as requiring adjustments to ensure compliance with federal requirements, and;

WHEREAS, federal law allows for the redesignation of the Metropolitan Planning Organization by agreement between the Governor and units of general-purpose local government that together represent at least 75 percent of the population within the Planning Area, including the largest incorporated city, and;

WHEREAS, a redesignation process to implement the necessary changes was initiated by ECWRPC, in partnership with FHWA, FTA, and WisDOT, in late 2023. On March 28, 2024, the East Central WI Regional Planning Commission Board took the first step in the process and approved a resolution in support of engaging the local impacted communities on the structure and membership of the Appleton (Fox Cities) MPO Policy Board to bring it into compliance with federal requirements, as outlined in 23 CFR 450.310, and;

WHEREAS, a Redesignation Agreement cannot be amended without the consent of all the Signatories, and so;

NOW, THEREFORE, IT IS MUTUALLY AGREED:

That the revised structure of the Appleton (Fox Cities) Metropolitan Planning Organization's Policy Board is described below.

B. Composition of the Appleton (Fox Cities) MPO Policy Board

The members of the Appleton (Fox Cities) Metropolitan Planning Organization Policy Board are appointed by the Wisconsin Department of Transportation, Valley Transit, City of Appleton, Outagamie, Calumet and Winnebago Counties, small villages, cities and towns within the Metropolitan Planning Area in recognition of their respective roles as the owners and operators of the major modes of transportation serving the Metropolitan Planning Area. Each appointee to the Policy Board shall reside within the Metropolitan Planning Area and shall serve until their successor is appointed. As of September 3, 2024, the Metropolitan Planning Organization Policy Board for the Appleton (Fox Cities) Urbanized Area and Appleton (Fox Cities) Metropolitan Planning Area consist of the following members:

(INSERT NEW POLICY BOARD STRUCTURE)

In addition, all appointments must be in accordance with Title 23, United States Code, Section 134, Paragraph (d)(2) that indicates the voting membership of the Policy Board shall consist of:

a. Local elected officials;

b. Officials of public agencies that administer or operate major modes of transportation in the metropolitan area; and

c. Appropriate State officials.

When each of the appointing authorities is making an appointment under condition (b) above, the MPO also accepts members in good standing that come from local boards and commissions with a focus on transportation or land use, including mayoral representatives, or representatives of the chief executive officer of any city, village, or town in the MPO Planning area with said focus.

Policy board members representing any local government jurisdiction or collective group of local government jurisdictions (such as Cities, Villages, or Towns) must be selected by the elected officials of the local government jurisdiction(s) they represent.

C. Future Changes to the Policy Board Composition

The composition of the Appleton (Fox Cities) MPO Policy Board will be reviewed following each decennial U.S. Census to ensure appropriate and proportional representation.

Revising the composition of the Policy Board (e.g. adding membership, the number or requirements of members appointed by each appointing authority) or expansion of the metropolitan planning area boundary does not necessarily require redesignation of the MPO.

A change to the Appleton (Fox Cities) MPO Policy Board can be made following the notification of the appointing authorities, all the local units of government in the MPO Planning Area, a public hearing on the proposed changes, and ratification by those units of government with 75 percent of the population in the planning area, including the City of Appleton as the largest incorporated city.

D. Designation of Fiscal Agent

East Central Wisconsin Regional Planning Commission shall be designated to serve as the fiscal agent for the Appleton (Fox Cities) Metropolitan Planning Organization.

1. Location. MPO staff will be provided by the East Central WI Regional Planning Commission

2. Matching Contribution. Outagamie, Calumet and Winnebago Counties shall be responsible for providing the local matching contributions, through their annual levy contribution to ECWRPC.

E. Initial Plan Updates

Subject to state and federal laws and fiscal constraint, to maintain consistency and continuity in the region planning efforts to-date the existing planning documents of the

previous MPOs are adopted, including the fiscally constrained TIPs, as the starting point for future updates, and prioritizing projects currently.

F. Effective Date and Conditions of the Agreement

1. This agreement is effective on September 3, 2024 after obtaining signatures of approval by the Governor and representatives of units of government with 75 percent of the population in the MPO Planning Area, including Appleton as the largest incorporated city.

2. This agreement supersedes and voids the designation agreement entered into by the Governor and East Central Wisconsin Regional Planning Commission dated January 15, 1974.

G. Amendments

Any changes to the Redesignation Agreement shall be enacted by a written amendment executed by all signatories.

H. Non-Discrimination

In the performance of the services under this Agreement, the parties shall not discriminate against any employee or applicant because of race, religion, marital status, age, color, sex, handicap, national origin, or ancestry, income level, or source of income, arrest record or conviction record, less than honorable discharge, physical appearance, sexual orientation, political beliefs, or student status. The parties further agree not to discriminate against any subcontractor or person who offers to subcontract on this contract because of race, color, age, disability, sex or national origin.

WITNESS WHEREOF, the parties have caused this to be executed by individuals and officers duly authorized on the dates noted below.

Outagamie County 6-25-24 County Board Meeting - June 25 2024 08:04:24 PM
June 25, 2024 County Board Meeting
OpenMeeting

RESOLUTION NO.: 24—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Sheriff's Office is requesting to transfer one existing Lieutenant position from the Corrections cost center to the Patrol cost center. The request is budget neutral, and will better serve the needs of each division.

In March of 2022, the Sheriff's Office reassigned the duties of one Corrections Lieutenant to fill gaps in Patrol and the Communication Center, as other positions did not have capacity to complete necessary tasks. Although this was intended to be temporary, the need for additional management in the Patrol division increased. The Sheriff's Office was able to successfully distribute the Corrections Lieutenant duties to the six remaining Lieutenants, other management, and part-time positions without disrupting jail operations.

Currently, there are seven Patrol Lieutenant positions on the Sheriff's Office Table of Organization. Six of these positions are primarily responsible for overseeing, managing and supervising patrol operations 24/7, while one oversees training as well as backfills for the other six. The extra duties associated with these positions, along with the span and control, have made it difficult to adequately oversee patrol operations and manage special assignments during the regular scheduled hours. The extra duties Patrol Lieutenants must manage when time allows include snow patrol, boat patrol, body cameras, county wide towing rotation, vehicle impoundment, firearms certification/training, ammunition inventory, Taser certification/training, use of force training/certification/incident review, in-service training schedules, legal updates, field training program, county wide rescue task force (covering law, fire, schools, and EMS), fleet management, vehicle contract instruction, officer evaluations, equipment management, honor guard, emergency vehicle operations, Emergency Response Team (SWAT), Bomb Squad (Hazardous Device Response Team), new officer orientation, Grants (speed, seatbelt, OWI, and other special enforcement), domestic violence intervention team, policy review team, public information officers, Humane Society representative, deficit hours, drone program, MRAP driver training, MCV operation, peer support team, crash investigation teams, dive/search team, K9 program, Chaplaincy program, citizen complaints, town meetings, and other duties as assigned.

Patrol calls for service continue to increase along with the amount of time Patrol Lieutenants have to spend on direct supervision and extra duties. With limited funds available to add positions, moving one Lieutenant from Corrections to Patrol will increase supervision capacity, allow more time to complete extra duties, and reduce overtime.

NOW THEREFORE, the undersigned members of the Legislative/Audit and Human Resources Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does approve an in-year Table of Organization request to move one (1) full-time Lieutenant position from the Sheriff's Office Corrections cost center to the Patrol cost center effective June 16, 2024, as noted on the attached Out of Budget – Position Cost Center Change Form, Job Description, and Table of Organization which by reference are made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve of increasing the Patrol Salaries line item by $48,900; increasing the Patrol Fringe Benefits line item by $18,600; decreasing the Corrections Salaries line item by $48,900; and decreasing the Corrections Fringe Benefits line item by $18,600 as noted on the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director, the Outagamie County Human Resources Director, and the Outagamie County Sheriff.

Dated this 25th day of June 2024

Respectfully Submitted,

LEGISLATIVE/AUDIT & HUMAN RESOURCES COMMITTEE

Cathy Spears

Position Justification

Briefly summarize why this change is needed, as well as areas of revenue and savings.

The Sheriff's Office requests to move one existing Lieutenant position from the Corrections cost center and transfer that position to the Patrol cost center. The attachment shows the changes requested to the Table of Organization. This is a budget neutral request, and will better serve the needs of each department.

In March of 2022 the Sheriff's Office reassigned the duties of one Corrections Lieutenant to fill gaps in Patrol and the Communication Center, as other positions did not have capacity to complete necessary tasks. Although this was intended to be temporary, the need for additional management in the Patrol division increased. We were able to successfully distribute the Corrections Lieutenant duties to the six remaining Lieutenants, other management, and part time positions without disrupting jail operations.

Currently there are Seven Patrol Lieutenants in the table of organization. Six of these positions primarily responsible for overseeing, managing and supervising patrol operations 24/7, while one oversees training as well as backfills for the other six. The extra duties associated with these positions along with the span and control have made it difficult to adequately oversee patrol operations and manage special assignments during the regular scheduled hours. The extra duties Patrol Lieutenants must manage when time allows include snow patrol, boat patrol, body cameras, county wide towing rotation, vehicle impound, firearms certification/training, ammunition inventory, Taser certification/training, use of force training/certification/incident review, in-service training schedules, legal updates, field training program, county wide rescue task force (covering law, fire, schools and EMS), fleet management, vehicle contacts instruction, officer evaluations, equipment management, honor guard, emergency vehicle operation, Emergency Response Team (SWAT), Bomb Squad (Hazardous Device Response Team), new officer orientation, Grants (such as speed, seatbelt, OWI grants and other special enforcement grants), domestic violence intervention team, policy review team, public information officers, Humane Society representative, deficit hours, drone program, MRAP driver training, MCV operation, peer support team, crash investigation team, dive/search team, K9 program, Chaplaincy program, citizen complaints, town meetings and other duties.

Patrol calls for service continue to increase along with the amount of time Patrol Lieutenants have to spend on direct supervision and extra duties. With limited funds available to add positions, moving one Lieutenant form Corrections to Patrol will increase supervision capacity, allow more time to complete extra duties, and reduce overtime.

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1674), Controller (1675) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** Sheriff's Department requesting budget adjustment and update to Table of Organization to transfer one Lieutenant from Corrections to Patrol

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

The Sheriff's Office requests to move one existing Lieutenant position from the Corrections cost center and transfer that position to the Patrol cost center. The attachment shows the changes requested to the Table of Organization. This request is budget neutral, and will better serve the needs of each department.

In March of 2022 the Sheriff's Office reassigned the duties of one Corrections Lieutenant to fill gaps in Patrol and the Communication Center, as other positions did not have capacity to complete necessary tasks. Although this was intended to be temporary, the need for additional management in the Patrol division increased. We were able to successfully distribute the Corrections Lieutenant duties to the six remaining Lieutenants, other management, and part time positions without disrupting jail operations.

Currently there are Seven Patrol Lieutenants in the table of organization. Six of these positions primarily responsible for overseeing, managing and supervising patrol operations 24/7, while one oversees training as well as backfills for the other six. The extra duties associated with these positions along with the span and control have made it difficult to adequately oversee patrol operations and manage special assignments during the regular scheduled hours. The extra duties Patrol Lieutenants must manage when time allows include snow patrol, boat patrol, body cameras, county wide towing rotation, vehicle impound, firearms certification/training, ammunition inventory, Taser certification/training, use of force training/certification/incident review, in-service training schedules, legal updates, field training program, county wide rescue task force (covering law, fire, schools and EMS), fleet management, vehicle contacts instruction, officer evaluations, equipment management, honor guard, emergency vehicle operation, Emergency Response Team (SWAT), Bomb Squad (Hazardous Device Response Team), new officer orientation, Grants (such as speed, seatbolt, OWI grants and other special enforcement grants), domestic violence intervention team, policy review team, public information officers, Humane Society representative, deficit hours, drone program, MRAP driver training, MCV operation, peer support team, crash investigation team, dive/search team, K9 program, Chaplaincy program, citizen complaints, town meetings and other duties.

Patrol calls for service continue to increase along with the amount of time Patrol Lieutenants have to spend on direct supervision and extra duties. With limited funds available to add positions, moving one Lieutenant form Corrections to Patrol will increase supervision capacity, allow more time to complete extra duties, and reduce overtime.

Current Year Budget Impact (Check one or more of the following boxes)

[ ] Revenues [X] Expenses (Cost) [ ] None

3. Is the specific cost or revenue included in the current year's budget? yes (x) no ( ) partially ( )

Outagamie County

6-25-24 County Board Meeting - June 25 2024 08:09:14 PM

June 25, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 25—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Outagamie County Corporation Counsel Office is requesting approval to delete one (1) part-time Assistant Corporation Counsel position and replace with one (1) full-time Assistant Corporation Counsel position.

Currently, the part-time Assistant Corporation Counsel position is dedicated 50% to child support and 50% to general Corporation Counsel issues. Other than child support duties, this position is generally dedicated to prosecution of Chapter 51 cases, Guardianships, and research on other projects for various departments. In reviewing staff assignments, three and a half (3.5) of the five (5) attorneys in the office are either dedicated solely, or do the vast majority of their work for the Health and Human Services Department (HHS). This leaves one and a half (1.5) attorneys to address the needs of the remaining 31 departments. This has led to increased wait times for departments on legal opinions, and other legal projects. By adding one full-time general Assistant Corporation Counsel position, the department will have the full-time equivalent of two (2) attorneys to address the areas outside of HHS.

Current year fiscal impact will include an increase in the Corporation Counsel operating budget of $31,078.

NOW THEREFORE, the undersigned members of the Legislative/Audit and Human Resources Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does approve an in-year Table of Organization request to delete one (1) part-time Assistant Corporation Counsel position and add one (1) full-time Assistant Corporation Counsel position effective July 1, 2024, for the Corporation Counsel Department, as noted on the attached Position Deletion Form, Position Addition Form, Job Description, and Table of Organization, which by reference are made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve of increasing the Corporation Counsel Salaries line item by $22,675, increasing the Corporation Counsel Fringe line item by $8,403, and decreasing the General Funds Applied, Fund Balance Applied line item by $31,078, as noted on the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director, the Outagamie County Human Resources Director, and the Outagamie County Corporation Counsel.

Dated this 25th day of June 2024

Respectfully Submitted,

LEGISLATIVE/AUDIT & HUMAN RESOURCES COMMITTEE

Cathy Spears

Position Justification		
Briefly summarize why this position is needed, as well as areas of revenue and savings.		
Currently Corporation Counsel has an Assistant Corporation Counsel Position which is dedicated 50% to child support, and 50% to general corporation counsel issues. Outside of the child support duties this position is generally dedicated to prosecution of Chapter 51 cases, Guardianships, and research on other projects for the various departments. In reviewing staff assignments, 3.5 of the 5 attorneys in the office are either dedicated solely, or do the vast majority of their work for the Department of Health and Human Services. This leaves about 1.5 attorneys to address the needs of the remaining 31 departments. This has led to increased wait times for departments on legal opinions, and other legal projects. By adding one full time general Assistant Corp Counsel, and removing the 50% general Assistant Corporation Counsel, we will at least have the full time equivalent of 2 attorneys to address the areas outside of HHS. This increase will give corporation counsel 5.5 total attorneys; 1.5 attorneys in the child support role, and 4 attorneys addressing non child support matters. The time of 2 of those attorneys will be solely dedicated to departments other than health and human services.

Outagamie County

Assistant Corporation Counsel

CLASS CODE	1300-1	**SALARY**	$84,801.60 - $110,656.00 Annually
ESTABLISHED DATE	June 08, 2017	**REVISION DATE**	December 17, 2023

Position Purpose

Reporting to the Corporation Counsel, the Assistant Corporation Counsel provides a wide range of legal services to the County Executive, County Board of Supervisors and its Committees, other County Committees, Boards, Commissions and authorities, and County officers and employees

Key Responsibilities

The following duties are most critical for this position. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Advise the County Executive, County Board of Supervisors and its Committees, other County committees, boards, commissions and authorities, and County officers and employees of applicable law as assigned by the Corporation Counsel, doing such legal research as necessary to give such advice.
- Advises the County Board of Supervisors and/or committees on parliamentary procedure in the absence of or at the direction of the Corporation Counsel.
- Represent and defend the County and its officers and employees in Court actions and administrative proceedings as assigned by the Corporation Counsel.
- Demonstrates a working knowledge in the areas of Planning and Zoning, Unemployment Compensation, public records and open meetings laws so as to provide legal advice, representation and training to the involved departments, officers and employees.
- Develop an overview of Insurance Law, Worker's compensation Law, Construction Law, Labor Relations (including grievances and discipline), Airport Law, Highway Law, Real Estate Law, Municipal Finance Law and other areas of law applicable to the County so as to assist the Corporation Counsel as required.
- Review and draft contracts and other legal documents to which the County is a party.
- Prosecute Zoning and other Ordinance violations.
- Serve as back-up to the Assistant Corporation Counsel (Child Support and Mental Health Commitments) when necessary.
- Perform the duties of the Corporation Counsel in his/her absence.
- Maintains regular and predictable attendance, works overtime/extra hours as required.
- Performs other duties as assigned.

Education/Certifications/Experience Requirements

- Law degree and admission to practice in the State of Wisconsin.
- One to two years legal experience.
- Or any combination of education and experience that provides equivalent knowledge, skills, and abilities.

Required or Preferred Skills

- Ability to operate a variety of office equipment including personal computer, typewriter, fax machine, calculator, photocopier, and fax machine.
- Ability to perform most work independently, with supervision by the Corporation Counsel at times. Ability to review the work of others.
- Ability to add, subtract, multiply, divide, and calculate decimals and percents and make use of the principles of descriptive statistics and statistical inference.
- Ability to comprehend and interpret a variety of legal documents including statutes, case records, case management and other handbooks, etc.
- Ability to prepare a variety of documents including Court orders, Motions, Summons, Complaints, etc. Ability to use and interpret medical, legal and accounting terminology.

  Ability to communicate effectively with County Officials and Employees, Judges, Family Court Commissioner, court Commissioner, Attorneys, Physicians, Consultants, witnesses, clients, and the general public verbally and in writing.

OUTAGAMIE COUNTY IS AN EQUAL OPPORTUNITY EMPLOYER. IN COMPLIANCE WITH THE AMERICANS WITH DISABILITIES ACT, THE COUNTY WILL PROVIDE REASONABLE ACCOMMODATIONS TO QUALIFIED INDIVIDUALS WITH DISABILITIES AND ENCOURAGES BOTH PROSPECTIVE EMPLOYEES AND INCUMBENTS TO DISCUSS POTENTIAL ACCOMMODATIONS WITH THE EMPLOYER.

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1674), Controller (1675) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** Addition of a .5FTE Assistant Corporation Counsel to the Table Of Organization for Corporation Counsel

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

This position will increase a current .5FTE Assistant Corporation Counsel position to a full time Assistant Corporation Counsel Position. This will be accomplished by deleting the current .5FTE and adding a 1.0FTE. Current year fiscal impact will include an increase in the Corporation Counsel Operating Budget of $31,078. The position is being requested to provide additional support for various departments outside of the Department of Health and Human Services which currently utilizes a significant portion of the Corporation Counsel Resources.

Current Year Budget Impact (Check one or more of the following boxes)

RESOLUTION NO.: 26—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Land Conservation Department is requesting approval for an in-year position classification to change the Watershed GIS Analyst position to a Programs Manager/GIS Analyst position. The position has taken on supervisory responsibilities and additional programs in the department. The additional costs will be covered by existing grant funding.

NOW THEREFORE, the undersigned members of the Legislative/Audit and Human Resources Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does approve an in-year Table of Organization classification request to change the Watershed GIS Analyst position to a Programs Manager/GIS Analyst position effective May 15, 2024, in the Land Conservation Department, as noted on the attached Position Classification / Grade Change Form, Job Description, and Table of Organization, which by reference are made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve of increasing the following Land Conservation line items: Salaries by $2,642; Fringes by $395; Intergovernmental Revenue by $3,037 as noted on the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director, the Outagamie County Human Resources Director, and the Outagamie County Land Conservation Director.

Dated this 25th day of June 2024

Respectfully Submitted,

LEGISLATIVE/AUDIT & HUMAN RESOURCES COMMITTEE

Position Description

####

Position Title:	Programs Manager/GIS Analyst	December 27, 2023
Department:	Land Conservation	
Reports to:	County Conservationist	

Purpose of Position

Reporting to the County Conservationist, the Programs Manager/GIS Analyst supervises conservation program and administrative activities and employees. This position involves Geographic Information Systems (GIS) work in the areas of complex spatial data analysis, application development, watershed modeling, project management and assists with County GIS Initiatives.

Essential Duties and Responsibilities

The following duties are normal for this position. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

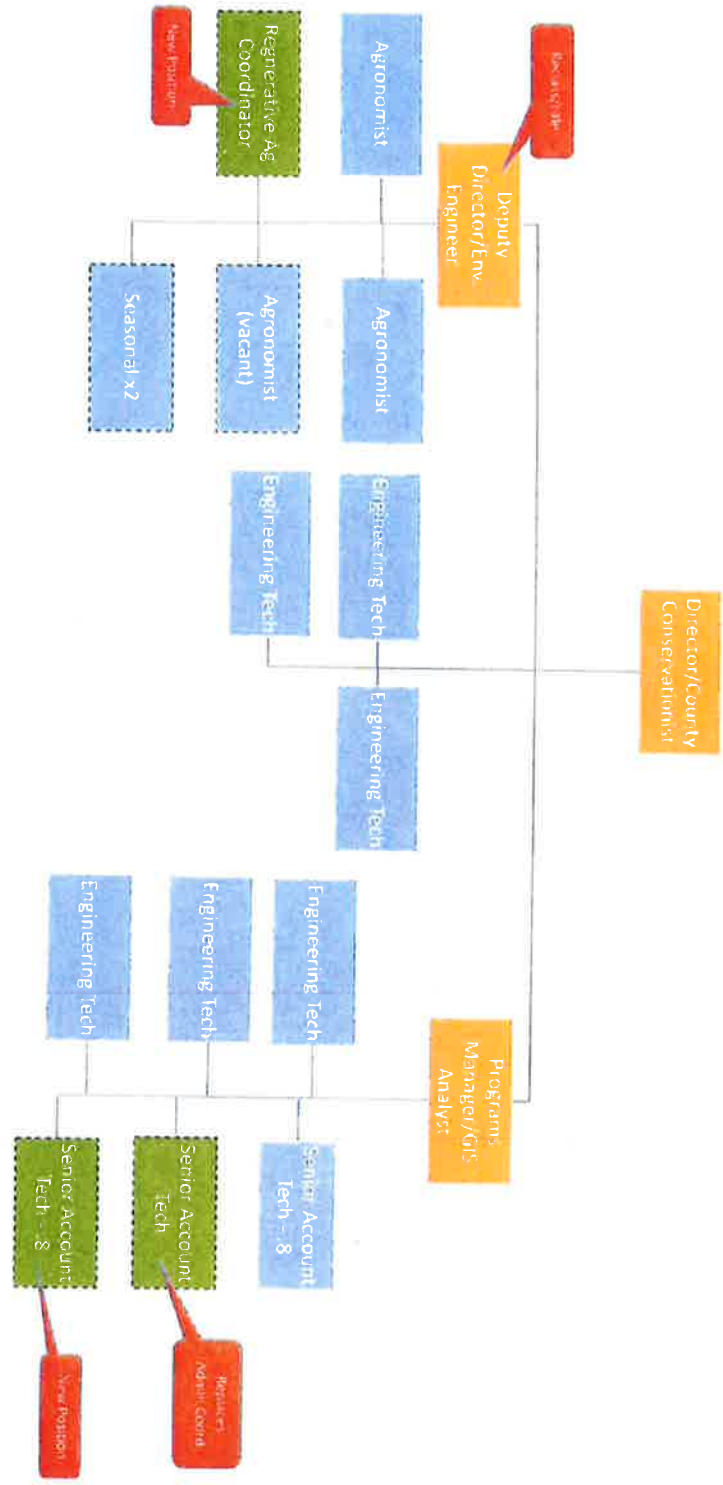
- Supervises subordinate program and administrative staff. Assigns work to and reviews work of program and administrative staff; establishes performance expectations and recommends disciplinary actions and terminations.
- Responsible for Department administrative work flows and procedures. Trains staff on departmental procedures, grant/program documentation requirements, software and conservation contracts.
- Assists County Conservationist with annual department budget process and tracking of department and grant budgets.
- Serves as the lead watershed planner, including conducting field investigations, surveys, watershed inventory, streambank monitoring, and analytical reports. Develops watershed plans for DNR & EPA review.
- Develop and maintain GIS datasets and utilize GIS data to perform various watershed modeling (ACPF, EVAAL, STEPL/PLET) in the planning and implementation of watershed projects.
- Assists with the preparation of grant proposals by conducting research, gathering support data, and preparing maps/graphics.
- Department lead on configuration and maximizing the use of CityView database software and other programs/software/technologies to drive efficiencies within Land Conservation operations.
- Responsible for analysis and improvement of department systems and processes. Assists in maintaining records, monitoring, developing and writing departmental policies and

procedures while working closely with County Conservationist and other Leadership team staff.

- Participate in regional planning/GIS initiatives.
- Responsible for all Land Conservation Department general mapping on the County computerized mapping system and major GIS projects; compiles geographic data from a variety of sources including existing databases, field observation, orthophotography, and existing maps.
- Analyzes GIS data to assist in targeting various BMP's and conservation efforts in order to provide the greatest benefit to the resources of Outagamie County.
- Provides mapping support for department staff.
- Coordinate, manage, and participate in research projects.
- Participate on committees where appropriate.
- Prepares and provides graphic and other educational information to the general public, project partners and others, including digital materials, aerial photography, brochures, paper maps and through in person presentations.
- Maintains regular and predictable attendance, works overtime/extra hours as required.
- Performs other duties as assigned.

Minimum Training and Experience Required to Perform Essential Job Functions

Bachelor's Degree in Planning, Geography, Engineering, Cartography, Watershed Management, Natural Resource Management, Soil Science, or related field or any combination of education and experience that provides the equivalent knowledge, skills and abilities. Previous experience preferred; experience or training in GIS (ESRI suite); experience in watershed project management/planning and experience in supervising staff.



Minimum Physical and Mental Abilities Required to Perform Essential Job Functions

- Ability to operate a variety of office equipment, including a personal computer, telephone, fax machine, photocopier, scanner, etc.
- Ability to transport oneself to and from various locations in a timely and efficient manner.
- Knowledge of computers, database management and experience with software utilized by the department.
- Ability to operate a variety of map making and design equipment, including AutoDesk and ESRI software.
- Ability to develop and manage a GIS and related databases, transferring and receiving GIS data from a variety of sources and formats.
- Ability to effectively supervise and train subordinate staff positions and delegate tasks to provide optimal workflow.

- Ability to add, subtract, multiply, divide, calculate decimals and percentages, and make use of the principles of descriptive statistics and college level algebra, trigonometry, and geometry.
- Ability to comprehend and interpret a variety of documents, including survey data and other maps, address and other requests, site plans, permits, deeds, pertinent federal, state, and/or local statutes and regulations, planning reports, accounting records, etc.
- Ability to prepare a variety of documents, maps, billing statements, contracts, letters and other correspondence.
- Ability to interpret aerial photos and soils maps.
- Ability to communicate effectively with co-workers, cooperating agencies, program partners, and the general public both verbally and in writing.
- Basic knowledge of cartographic skills required for producing professional mapping products.
- Working knowledge in the functions and application of GPS related to GIS management.

Outagamie County is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, the County will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective employees and incumbents to discuss potential accommodations with the employer.

RESOLUTION NO.: 27—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Land Conservation Department is requesting approval for an in-year position classification to change the Environmental Engineer/Project Coordinator position to a Deputy Director/Environmental Engineer position. The proposed change is presented in order to be consistent with other deputy Director positions with other County departments. Additionally, this position has considerable responsibility. The additional costs will be absorbed by existing grant funding, with no budget adjustment needed at this time.

NOW THEREFORE, the undersigned members of the Legislative/Audit and Human Resources Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does approve an in-year Table of Organization classification request to change the Environmental Engineer/Project Coordinator position to a Deputy Director/Environmental Engineer position effective May 15, 2024 in the Land Conservation Department, with no budget adjustment needed at this time, as noted on the attached Position Classification / Grade Change Form, Job Description, Table of Organization, and Fiscal Note which by reference are made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director, the Outagamie County Human Resources Director, and the Outagamie County Land Conservation Director.

Dated this 25th day of June 2024

Position Title:	Deputy Director/Environmental Engineer	April 3, 2024
Department:	Land Conservation	
Reports to:	County Conservationist	

Purpose of Position:

Reporting to the Land Conservation Director/County Conservationist, the Deputy Director/Environmental Engineer assists the Director in all administrative functions of the Department, including the management of operations and personnel; budgeting and fiscal management; contracting; programming; and development of internal policies and procedures. The Deputy Director substitutes for and represents the Director in their absence. Leads, performs complex work, and supervises professional staff to ensure programs and services are carried out effectively. Builds and sustains partnerships; liaisons with strategic groups to further the Department and County's goals and objectives. Serves on various boards, commissions, and/or committees as needed. Coordinates TMDL watershed implementation for the County and also provides professional engineering assistance for the project and to other departmental staff and County departments

Duties and Responsibilities:

The following duties are normal for this position. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Assists the Director in all administrative functions of the Department, including the management of operations and personnel; budgeting and fiscal management, 3 year budget planning; contracting; programming; and development of internal policies and procedures.
- Substitutes for and represents the Director in their absence.
- Leads, performs complex work, and supervises professional staff to ensure programs and services are carried out effectively. Builds and sustains partnerships; liaisons with strategic groups to further the Department and County's goals and objectives.
- Builds and sustains partnerships; liaisons with strategic groups to further the Department and County's goals and objectives. Serves on various boards, commissions, and/or committees as needed.
- Acts as TMDL Implementation Coordinator and serves as principal liaison representing County at related meetings/events, Coordinates implementation with adjoining counties LCD's and regularly communicates with staff to assure consistent efforts across the entire watershed.
- Trains and supervises project staff, seasonal employees and work crews assigned to watershed projects.
- Serves as co-author of 9-key element watershed plans and subsequent grant applications.
- Serves on applicable committees/boards as related to the position (Fox/Wolf Watershed Alliance, NE WI Stormwater Consortium, etc.)
- Works with Point Sources to facilitate Pollutant Trading efforts between point and non-point sources in the watersheds.

- Maintains files for records received and sent; maintains accounting and other financial records; prepares various reports.
- Provides professional engineering assistance to project and other departmental staff in the design and installation of Best Management Practices (BMP's).
- Provides professional engineering consultation to Zoning, Highway, and other departments on a limited basis.
- Attends DNR, DATCP, EPA, and other professional training sessions, seminars, and conferences as relevant to the Departments mission.
- Coordinates GIS activities within the Department, Creates and maintains GIS data, develops standards for GIS procedures, analysis, map production, documentation, data management, provides quality control to ensure that data meets approved County operational standards provides GIS technical support, troubleshoots GIS related issues and provides training to LCD staff to help integrate GIS technology to meet the specific needs of various programs.
- Analyzes GIS data to assist in targeting various BMP's and conservation efforts in order to provide the greatest benefit to the resources of Outagamie County.
- Researches and evaluates new GIS related technology and makes recommendations to Director to help staff work more efficiently with it.
- Approves, selects or designs appropriate rural and urban Best Management Practices; supervises and approves construction by independent contractors.
- Provides consultation regarding erosion control and stormwater management to individuals, developers, engineers and units of government.
- Maintains regular and predictable attendance, works overtime/extra hours as required.
- Performs other duties as assigned.

Minimum Training and Experience Required to Perform Essential Job Functions

- Requires graduation from an accredited college or university with a degree in Environmental Engineering, Agricultural/Biological Systems Engineering, or Civil Engineering; seven plus years related engineering and project management experience.
- Five years of experience in supervising staff
- Or, any combination of education and experience that provides equivalent knowledge, skills and abilities.
- Wisconsin Professional Engineer certification.
- Must possess a valid driver's license.

Knowledge, Skills, and Abilities

- Ability to effectively supervise and train subordinate staff positions and delegate tasks to provide optimal work flow.
- Experience or training in conservation practices design and construction, surveying, operation of topographic surveying equipment, and GIS software.

- Knowledge of computers, database management and experience with the software utilized by the department.
- Understanding of stormwater engineering practices/principles, Wisconsin DNR Best Management Practices, NRCS Technical Guides, National Conservation Planning Manual, Engineering Field Manual, and Agricultural Waste Field manual.
- Knowledge of rural and urban land use/management issues and activities and appropriate federal, state and local regulations and requirements.
- Ability to interpret aerial photos and soils maps.
- Ability to maintain composure and effectively use tact and diplomacy with co-workers, general public, clients, etc.
- Ability to develop and manage a GIS and related databases, transferring and receiving GIS data from a variety of sources and formats.
- Basic knowledge of cartographic skills required for producing professional mapping products.
- Working knowledge in the functions and applications of GPS related to GIS management.
- Ability to budget time and schedule work to efficiently complete tasks.
- Ability to understand and follow written and oral instructions, communicate effectively with a wide range of individuals and organizations both verbally and in writing, maintain accurate and complete records, and prepare clear and comprehensive reports.
- Ability to add, subtract, multiply, divide, and figure mathematical calculations.
- Ability to walk, stoop, climb, bend, stretch; push, pull and lift up to 75 pounds, understanding and utilizing proper body mechanics.
- Ability to operate a variety of office equipment including, but not limited to personal computer, typewriter, calculator, photocopier, and telephone.
- Ability to comprehend and interpret a variety of documents including billing invoices, reports, accounting records, state and other statutes and regulations, technical guides and manuals, etc.
- Ability to transport oneself to and from various locations in a timely and efficient manner.

Outagamie County is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, the County will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective employees and incumbents to discuss potential accommodations with the employer.

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1674), Controller (1675) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** In Year Land Convservation Position Request – Environmental Engineer/Project Coordinator to Deputy Director/Environmental Engineer

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

Request to reclass the current Environmental Engineer/Project Coordinator to Deputy Director/Environmental Engineer. This position will increase salary ($2,936), fringe ($435) and will be absorbed by current grant funding the department receives.

Current Year Budget Impact (Check one or more of the following boxes)

[ ] Revenues [ ] Expenses (Cost) [x] None

3. Is the specific cost or revenue included in the current year's budget? yes (x) no ( ) partially ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no ( ) n/a (x)

5. Is the proposal to accept additional revenues only? yes ( ) no (x)

6. Does this request modify/adjust the current year budget? yes ( ) no (x)
If no, skip to question 8 below.

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)
The project on

COST CENTER NAME	LINE ITEM (i.e. Salaries, Supplies, Etc.)	ACCOUNT NUMBER INCLUDING COST CENTER (i.e. 1004100.5100, 1004100.5400, etc.)	INCREASE (DECREASE) AMOUNT
No budget adjustment needed at this time			

Annual and Long-Term Impact

8. Is the above Increase/Decrease a nonrecurring one-time expense or revenue? yes (x) no ( ) n/a ( )

9. What is the anticipated annual and/or long-term cost or revenue impact?

RESOLUTION NO.: 28—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Land Conservation Department is requesting approval for an in-year Table of Organization change by adding one (1) full-time Regenerative Ag Coordinator position (sunset position).

The Land Conservation Department was sub-awarded a Climate Smart Agronomy Grant through the Fox/Wolf Watershed Alliance. This position will work with area farmers and processors to enhance carbon sequestration efforts, better position farms to track and take credit for their carbon sequestration efforts, and work with area processors on strategies for marketing milk and dairy products that are produced in an environmentally sustainable manner. This position will help to ensure sustainable agriculture in the county and region well into the future.

This position is a requirement of the Climate Smart Agronomy Grant, which is funding the position. No budget adjustment is needed at this time.

NOW THEREFORE, the undersigned members of the Legislative/Audit and Human Resources Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does approve an in-year Table of Organization request by adding one (1) full-time Regenerative Ag Coordinator position (sunset position) effective May 15, 2024 for the Land Conservation Department, with no budget adjustment needed at this time as noted on the attached Position Addition Form, Job Description, Table of Organization, and Fiscal Note which by reference are made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director, the Outagamie County Human Resources Director, and the Outagamie County Land Conservation Director.

Dated this 25th day of June 2024

Respectfully Submitted,

LEGISLATIVE/AUDIT & HUMAN RESOURCES COMMITTEE

Cathy Spears

Job Title: Regenerative Ag Coordinator

Department: Outagamie County Land Conservation Department

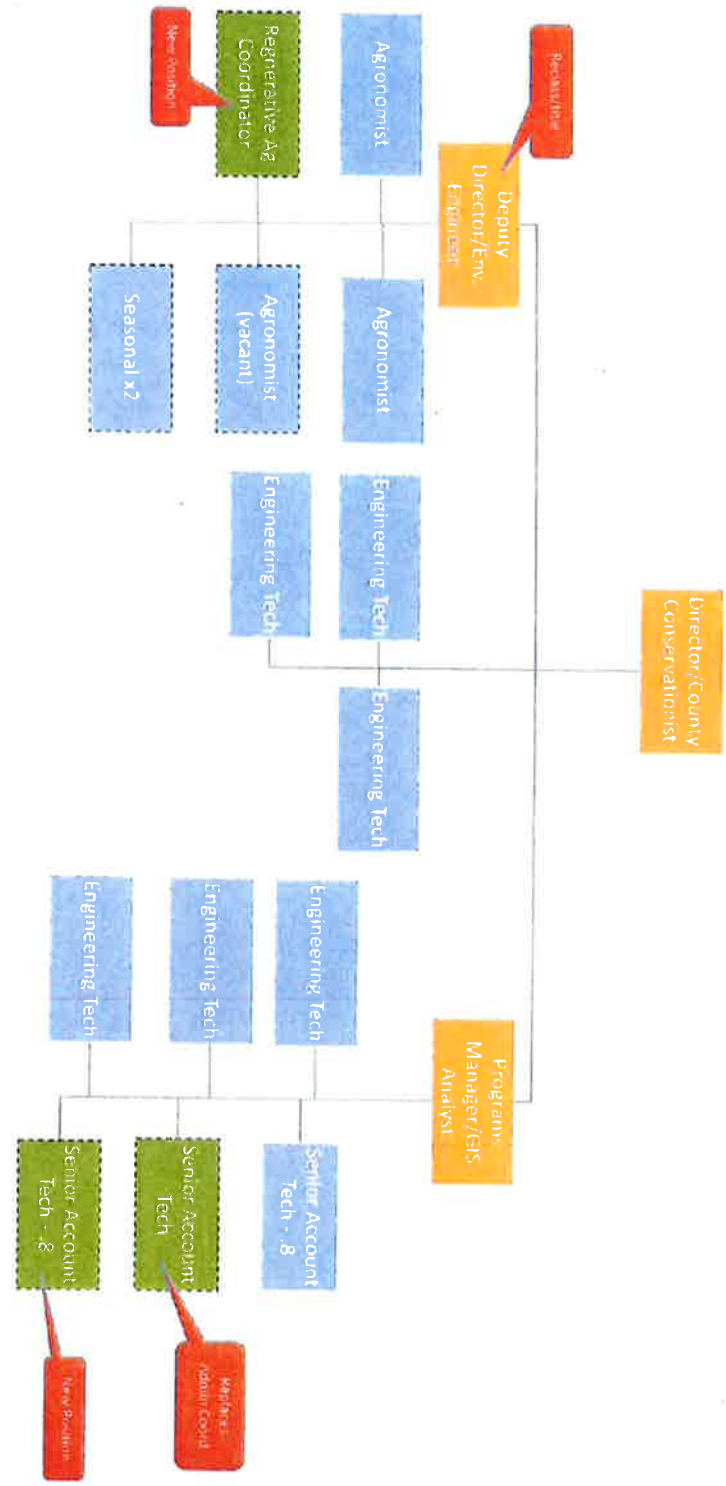
Position Overview: The Regenerative Ag Coordinator will play a pivotal role in advancing agricultural practices focused on climate smart commodities and our newly funded USDA Climate Smart Commodities Grant award for Outagamie County. This position involves spearheading initiatives, collaborating with various entities, and leveraging expertise to enhance carbon sequestration measurements and agronomic practices. Additionally, the role involves providing guidance, training, and support to regional teams and stakeholders. This role is eligible for the County's telecommuting program.

Responsibilities:

The following duties are most critical for this position based on the grant deliverables. These are not to be construed as exclusive or all-inclusive.

1. **Regional Climate Specialist**
   - Obtain and maintain specialist-level training in climate and carbon spaces related to regional agriculture.
   - Act as the Wisconsin Farmer's Union and Pheasants Forever Climate Specialist for contractual practices funded by respective grants.
   - Serve as the Fox-Wolf Basin's Climate Specialist, staying updated on Agricultural Climate Modeling solutions and providing leadership and resources to the region.

2. **Carbon Sequestration Modeling and Recommendations**
   - Recommend a regional carbon sequestration measurement model, detailing the pros/cons of each considered tool in a comprehensive report.
   - Provide guidance on measuring on-farm factors requested by the supply chain in addition to carbon sequestration metrics.
   - Train the Basin Agronomy Team on the chosen model and ensure consistency in its application.
   - Collaborate with Fox-Wolf staff to integrate Climate Components into Farm Reports.



3. **Milk Study Documentation**
   - Document conservation plans with regular updates and justifications, including problem-solving sections.
   - Verify and document the implementation of plans, detailing field activities, cover crops, fertilization, crop specifics, tillage, etc., with accompanying photos.
   - Provide quarterly reports with field observations and progress updates.
   - Collaborate to create a comprehensive guide based on project outcomes, outlining farm management options for achieving higher nutritional value in milk.

Education/Certifications/Experience Requirements:

- Bachelor's or advanced degree in Agronomy, Environmental Science, Sustainability, Natural Resource Management, or a related field.
- Proficient computing and mobile phone application skills
- Strong documentation and reporting skills with attention to detail.
- Ability to interpret and analyze data and lab test reports.
- Ability to collaborate effectively with diverse stakeholders and organizations.
- Ability to interpret aerial photography, soil maps, and to use in-field measuring devices.
- Ability to prepare and give presentations during training sessions to associations, community groups, schools, governmental entities and professionals, related to current agronomy issues and pertinent LCD programs.
- Ability to work independently with limited supervision.

Preferred Requirements:

- Experience collaborating with the agriculture supply chain and sustainability initiatives
- Knowledge of agronomy, animal husbandry/biology, farming practices, nutrient management and soil health, and the economics of conservation practices.
- Knowledge of agricultural climate modeling and carbon sequestration practices.
- Experience in providing training, guidance, and support to agricultural teams.
- Knowledge of agricultural soil health and climate smart best management practices.

RESOLUTION NO.: 29—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Recycling and Solid Waste Department is requesting approval for an in-year Table of Organization change to delete two (2) full-time Industrial Maintenance Technician positions and add one (1) full-time Recycling Equipment/Maintenance Technician position and add one (1) full-time Solid Waste Equipment/Maintenance Technician position.

One (1) Industrial Maintenance Technician position has not been filled in over a year. The position was used to complete larger projects on 3rd shift that could not be completed on the 1st or 2nd shifts while the recycling facility is operating. Due to not being able to fill the position, an outside vendor was hired to complete these tasks. The removal of the position shows a net cost to the department as the wages were not adjusted for this position and would assumed to have been classified higher as it was in the previous wage schedule. If the Industrial Maintenance Technician position was classified at a higher wage, it would be a net savings.

The Recycling Equipment/Maintenance Technician position will be able to assist with general maintenance, preventative maintenance and other projects as they arise, thereby taking some of the duties off the outside vendor used to staff the 3rd shift. Currently, many projects are handled on 3rd shift by an outside vendor and the addition of an Equipment/Maintenance Technician would take some of the smaller projects that can be completed on 1st or 2nd shifts, resulting in fewer costs from the outside vendor.

NOW THEREFORE, the undersigned members of the Legislative/Audit and Human Resources Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does approve an in-year Table of Organization change to delete two (2) full-time Industrial Maintenance Technician positions and add one (1) full-time Recycling Equipment/Maintenance Technician position and add one (1) full-time Solid Waste Equipment/Maintenance Technician position effective May 6, 2024 in the Recycling and Solid Waste Department as noted on the attached Position Deletion Form, Position Addition Form, Job Description, and Table of Organization, which by reference are made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does approve of increasing the Landfill Operations Salaries line item by $984.50; increasing the Landfill Operations Fringes line item by $672; decreasing the Landfill Operations Fund Balance Applied line item by $1,656.50; increasing the Single Stream Operations Salaries line item by $984.50; increasing the Single Stream Operations Fringes by $672; decreasing the Single Stream Operations Fund Balance Applied line item by $1,656.50 as noted on the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director, the Outagamie County Human Resources Director, and the Outagamie County Recycling and Solid Waste Director.

Dated this 25th day of June 2024

Respectfully Submitted,

LEGISLATIVE/AUDIT & HUMAN RESOURCES COMMITTEE

Cathy Spears

Sara MacDonald

Ryan Ferguson

John Kostelny

Sarah Weinberg

Duly and officially adopted by the County Board on: June 25, 2024

Request Details		
Effective Date of Requested Change:	5/6/2024	
Department:	Recycling and Solid Waste	
Department Head:	Greg Parins	
Cost Center Number:	5040100.5100	
Position Title:	Recycling Equipment/Maintenance Technician & Solid Waste Equipment/Maintenance Technician(2 positions)	
Sunset Position? (Yes or No)	No	
Exempt (Salaried) or Non-Exempt (Hourly):	Non-Exempt	
Pay Grade of Position:	145	
Estimated Starting Step:	1	
Position exists in current the Table of Organization?	Yes	
Is this position full time or part time? *(If more than one position, use the worksheet for Multiples)*	Full Time:	Yes
	Part Time:	
If Part Time position, how many hours per week will this position be working?	Hours:	
What other alternatives were considered?	Outside vendor, Hiring Industrial Maintenance Tech	
If deleting a position to add this position; which position(s) will be deleted?	Industrial Maintenance Technician (Recycling)	
(If deleting a position, complete the Position Deletion Form and include the Cost Savings below)		
List any positions in your Table of Organization that have been vacant for 6 months or longer:	Industrial Maintenance Technician (Recycling)	
Position Justification		
Briefly summarize why this position is needed, as well as areas of revenue and savings.		
We are looking to shift the Industrial Maintenance Technician position to this position because we are looking to hire another in house maintenance employee in the Recycling Facility. This employee would be able to assist with the general maintenance, preventative maintenance and other projects as they arise taking some of the duties off of the outside vendor used to staff our 3rd shift. Currently, many projects are handled on 3rd shift by an outside vendor and the addition of an Equipment/Maintenance Technician would take some of the smaller projects that can be completed on 1st or 2nd shifts, resulting in fewer costs from the outside vendor.		
Employee(s) Impacted By This Change (If no one in position - leave blank)

Position Purpose
Reporting to the SW Facilities/Equipment Superintendent, the Recycling Equipment/Maintenance Technician performs skilled work at the journeyman level for the maintenance and repair of machinery, buildings and equipment.

Key Responsibilities
The following duties are most critical for this position. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Performs skilled work at the journeyman level in one or more of several trades which include mechanical systems, electrical/electronics, pneumatic controls, and/or HVAC.
- Performs various skilled and semi-skilled tasks in the repair and maintenance of machinery, buildings, and equipment.
- Installs electrical conduit, wiring, switching devices, controls, outlets, fixtures, motors and other such equipment.
- Tests, troubleshoots, maintains, and evaluates equipment performance using instruments such as voltmeters, ohmmeters, pyrometers and pressure gauges.
- Tests and troubleshoots HVAC controls, automation systems, security systems and fire alarm systems.
- Troubleshoots recycling equipment including conveyors, compactors, balers, disc screens, vibratory units, aspirators, and other machines.
- Performs skilled maintenance activities including construction, welding, brazing, soldering and plumbing.
- Checks and repairs pumps, fans, valves, and motors.
- Troubleshoots, adjusts, repairs, and replaces electrical and electronic pneumatic relays.
- Prepares accurate records for preventative maintenance performed.
- Performs equipment operations for testing and production.
- Communicates arising problems to department supervisors.
- Provides on-call support as needed.
- Maintains regular and predictable attendance, works overtime/extra hours as required.

- Performs other duties as assigned.

Education/Certifications/Experience Requirements

- Two years experience in building or plant maintenance work and strong skills in at least one of the following: electrical/electronics, pneumatic controls, and/or HVAC.
- Two years technical school training and trade certification preferred.
- Or, any combination of education and experience which provides equivalent knowledge, skills and abilities.
- **Within one year of employment valid State of Wisconsin Commercial Driver's License Class B with endorsement N (Tanker) is required. As well as the ability to legally operate Commercial Motor Vehicles (CMV's) with Air Brakes.**
- This position does require successful completion of a Post Offer Pre Employment Examination (POPE).

Required or Preferred Skills

- Knowledge of and demonstrated ability to harmonize and align with the mission/vision/purpose/core values/goals of the Department and comply with all policies, and procedures of the Outagamie County Work Rules and Terms of Employment.
- Demonstrated ability to comply with appropriate safety regulations.
- Good communication skills, oral and written, to relate to supervisors and co-workers in problem identification and solving.
- Ability to effectively communicate in English and understand and follow written and oral instructions.
- Ability to work semi-independently making sound decisions using good judgment.
- Ability to use tact and diplomacy when dealing with co-workers, county officials and officers, general public, etc.
- Demonstrated reliability in attendance and flexibility to work hours, especially in adverse weather conditions.
- Ability to organize and maintain accurate and complete records, and prepare clear and comprehensive reports
- Understanding of basic electronics related to computerized building maintenance systems and ability to troubleshoot and program these systems.
- Considerable knowledge of the methods, materials, tools and practices used in at least two of the building, electrical or mechanical trades.
- Considerable knowledge of the occupational hazards and safety precautions of the trades involved.
- Skill in the care and use of tools and equipment used in the trades involved.
- Ability to detect defects in equipment and to make proper repairs or adjustments.
- Ability to lead a small group of semi-skilled workers and custodians.
- Ability to interpret and work from pencil sketches and diagrams.

- Ability to stoop, bend and lift up to 50 pounds frequently and up to 100 pounds occasionally, understanding and utilizing proper body mechanics.

Essential Physical Demands

1. Stand/walk
2. Lift/carry 100 lbs. from floor to waist level
3. Push/pull (estimated up to 100 lbs. of force to clear jams on belts and screens)
4. Climbing stairs, stepladder and rung ladders (climbs up to, on and above machinery/equipment)
5. Stooping
6. Kneeling
7. Repeated bending
8. Crawling (in confined spaces)
9. Reaching: high/low level
10. Finger movement-repetitive
11. Repetitive twisting/pressure with wrist or hands (working with various hand tools
12. Both hands required
13. Both legs required
14. Ability to communicate verbally
15. Visual requirements for working around machinery with moving parts

OUTAGAMIE COUNTY IS AN EQUAL OPPORTUNITY EMPLOYER. IN COMPLIANCE WITH THE AMERICANS WITH DISABILITIES ACT, THE COUNTY WILL PROVIDE REASONABLE ACCOMMODATIONS TO QUALIFIED INDIVIDUALS WITH DISABILITIES AND ENCOURAGES BOTH PROSPECTIVE EMPLOYEES AND INCUMBENTS TO DISCUSS POTENTIAL ACCOMMODATIONS WITH THE EMPLOYER.

Position Purpose
Reporting directly to the Solid Waste Equipment/Maintenance Supervisor and informal reporting to the Solid Waste Operations Supervisor, the Solid Waste Equipment/Maintenance Technician performs generalized labor and technical skills in the maintenance and repair of machinery, buildings and equipment.
Key Responsibilities

- The following duties are most critical for this position. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.
- Performs routine preventative hourly interval maintenance on heavy equipment utilized in the landfill.
- Performs skilled technical work in one or more of several trades which include mechanical systems, electrical/electronics, pneumatic controls, and/or HVAC.
- Performs various skilled and semi-skilled tasks in the repair and maintenance of machinery, buildings, and equipment.
- Organizes and maintains landfill service building, parts room, and other areas in a neat and serviceable manner.
- Installs electrical conduit, wiring, switching devices, controls, outlets, fixtures, motors and other such equipment.
- Tests, troubleshoots, maintains, and evaluates equipment performance using instruments such as voltmeters, ohmmeters, pyrometers and pressure gages.
- Tests and troubleshoots HVAC controls, automation systems, security systems and fire alarm systems.
- Performs skilled maintenance activities including construction, welding, brazing, soldering and plumbing.
- Checks and repairs pumps, fans, valves, and motors.
- Troubleshoots, adjusts, repairs, and replaces electrical and electronic pneumatic relays.
- Prepares accurate records for preventative maintenance performed.
- Performs equipment operations for testing and production.
- Communicates arising problems to department supervisors.
- Maintains regular and predictable attendance, works overtime/extra hours as required.
- Performs other duties as assigned.

Maintenance Technicians working within the Solid Waste Landfill and/or Transfer Station Operations may receive training and/or perform all or some of the following:

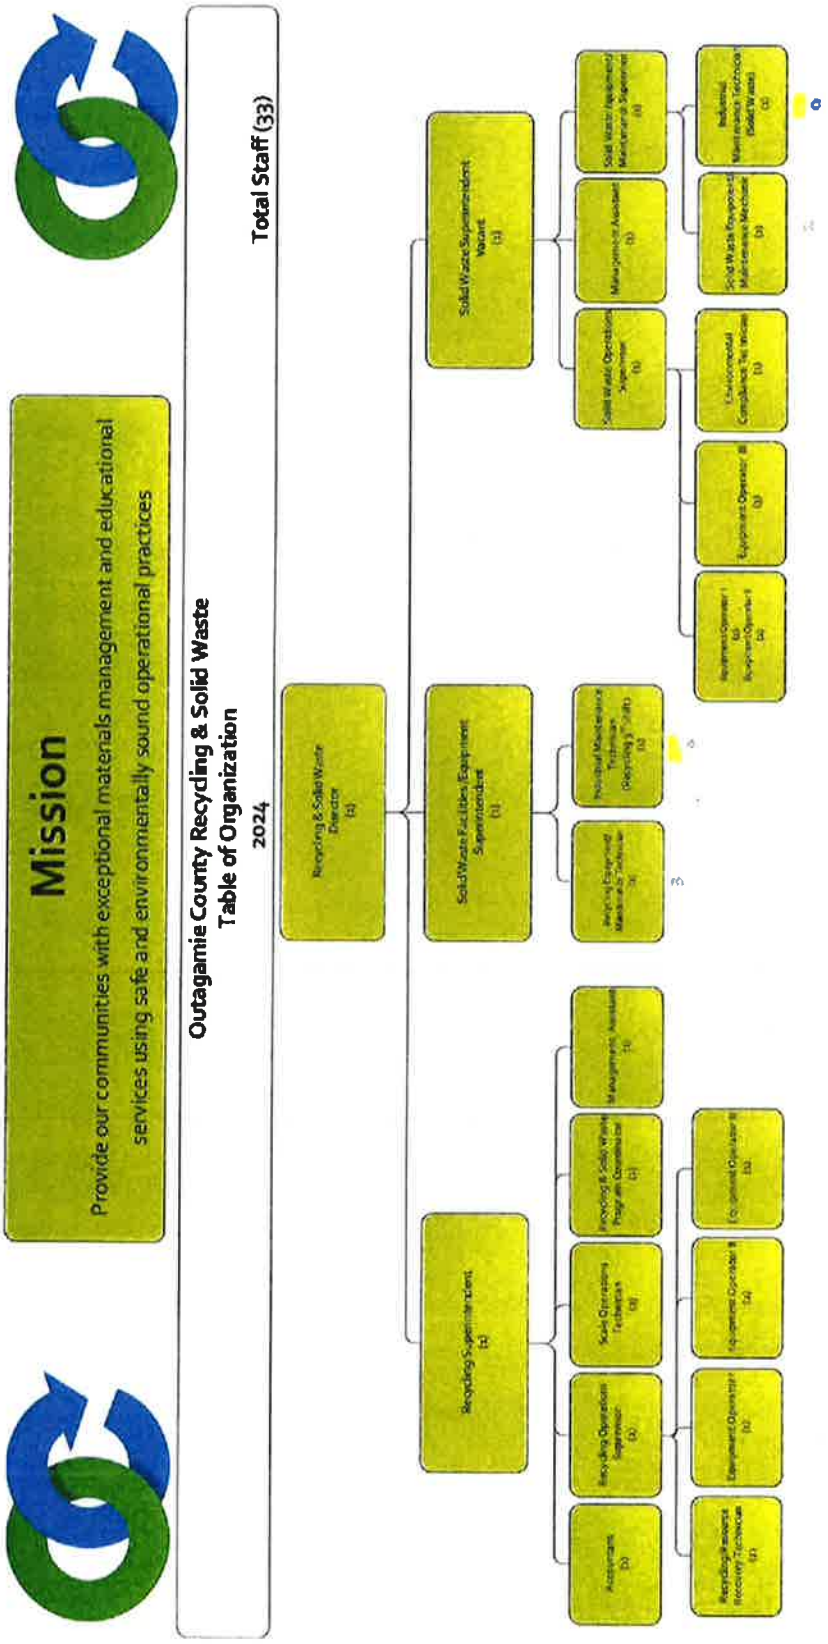
- Receives training on the methane collection field, ensures functionality of the wells, and monitors the quality of the methane.
- Receives training in landfill operations to include spreading and compacting refuse
- Receives training in the safe operation of equipment at the transfer station in how to process materials and loads transfer trucks

- May be required to operate other equipment at various locations on site in support of landfill diversion or other resource recovery programs
- Installs daily spray on or other alternative landfill cover systems

Education/Certifications/Experience Requirements

- Two years' experience in equipment preventative maintenance and repair.
- General experience in facility or plant maintenance work.
- Two years technical school training and trade certification preferred.
- Or, any combination of education and experience which provides equivalent knowledge, skills and abilities.
- **Within one year of employment valid State of Wisconsin Commercial Driver's License Class B with endorsement N (Tanker) is required. As well as the ability to legally operate Commercial Motor Vehicles (CMV's) with Air Brakes.**
- This position does require successful completion of a Post Offer Pre Employment Examination (POPE).

Required or Preferred Skills



- Knowledge of and demonstrated ability to harmonize and align with the mission/vision/purpose/core values/goals of the Department and comply with all policies, and procedures of the Outagamie County Work Rules and Terms of Employment.
- Demonstrated ability to comply with appropriate safety regulations.

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1674), Controller (1675) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** In Year Recycling & Solid Waste – Recycling Equipment/Maintenance Technicians

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

Addition of a Recycling Equipment/Maintenance Technician, addition of a Solid Waste Equipment/Maintenance Technician and deletion of Industrial Maintenance Technician to assist with the general maintenance, preventative maintenance and other projects.

Current Year Budget Impact (Check one or more of the following boxes)

[ ] Revenues [x] Expenses (Cost) [ ] None

3. Is the specific cost or revenue included in the current year's budget? yes ( ) no ( ) partially (x)

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no ( ) n/a ( )

5. Is the proposal to accept additional revenues only? yes ( ) no (x)

6. Does this request modify/adjust the current year budget? yes (x) no ( )
If no, skip to question 8 below.

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)
The project on

COST CENTER NAME	LINE ITEM (i.e. Salaries, Supplies, Etc.)	ACCOUNT NUMBER INCLUDING COST CENTER (i.e. 1004100.5100, 1004100.5400, etc.)	INCREASE (DECREASE) AMOUNT
Landfill Operations	Salaries	5039002.5100	$984.50
Landfill Operations	Fringes	5039002.5200	$672
Landfill Operations	Fund Balance Applied	5039002.8955	($1656.50)
Single Stream Operations	Salaries	5040100.5100	$984.50
Single Stream Operations	Fringes	5040100.5200	$672
Single Stream Operations	Fund Balance Applied	5040100.8955	($1656.50)

Annual and Long-Term Impact

8. Is the above Increase/Decrease a nonrecurring one-time expense or revenue? yes (x) no ( ) n/a ( )

9. What is the anticipated annual and/or long-term cost or revenue impact?
Annual Cost: Including in future budgets
Annual Revenue: 0

Outagamie County 6-25-24 County Board Meeting - June 25 2024 08:15:39 PM
June 25, 2024 County Board Meeting
OpenMeeting

CORRECTED
RESOLUTION NO.: 30—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Appleton International Airport (the Airport) is requesting approval for the following in-year Table of Organization changes:

- Add one (1) full-time Marketing and Social Media Coordinator position
- Add one (1) full-time Assistant Airport Director position
- Add one (1) full-time Airport Electrician position

The above positions are being requested due to the significant growth of the Airport. Funding for the positions will be recouped partially through airline rates and charges and partially through increased revenues from the growth of the Airport. In addition, there should be cost savings as the Airport has been outsourcing some electrical work as well as social media consulting. The impact on the 2024 budget will be approximately $179,900.

NOW THEREFORE, the undersigned members of the Legislative/Audit and Human Resources Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does approve an in-year Table of Organization request by adding one (1) full-time Marketing and Social Media Coordinator position, one (1) full-time Assistant Airport Director position, and one (1) full-time Airport Electrician position effective July 1, 2024 at the Appleton International Airport as noted on the attached Position Addition Forms, Job Descriptions, and Table of Organization, which by reference are made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve of the following budget adjustments to the Airport Terminal cost center: increase Salaries line item by $115,100; increase Fringe Benefits line item by $53,000; increase IT Direct Billed line item by $11,800; decrease Fund Balance Applied line item by $179,900 as note on the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director, the Outagamie County Human Resources Director, and the Appleton International Airport Director.

Dated this 25th day of June 2024

Respectfully Submitted,

LEGISLATIVE/AUDIT & HUMAN RESOURCES COMMITTEE

Cathy Spears

Sara MacDonald

Ryan Ferguson

John Kostelny

Briefly summarize why this position is needed, as well as areas of revenue and savings.		
The marketing and social media coordinator (MSMC) position will play a crucial role in the success of our marketing team and the overall marketing strategy. ATW participates in numerus community events, trade shows, and internal airport customer events where the MSMC will help planning and execution of these activities. Further tasks that will include coordinating logistics, designing promotional materials, and ensuring a strong brand presence. Each year we have over 50 ice cream bus events, 14+ in-terminal customer events, and 5 major community partnership events that MSMC will support. ATW has six social media channels that we monitor, use for creating awareness and as vehicle to fill the airplanes. The MSMC's role in email marketing encompasses planning and executing campaigns. They will create engaging content, manage subscriber lists, and implement automation workflows along with ensuring compliance to prescribed standards, monitoring delivery, and optimization. This position will also be able to help with tracking and analyzing key metrics, generating reports, and coordinating with other marketing channels. The role also involves customer segmentation, continuous optimization, and staying informed about industry trends to contribute to the overall success of the marketing strategy. At ATW we've made an effort to organically grow our email list to 73,000+ subscribers. This is a way for us to communicate airport updates and sell airplane tickets to fill our seats.

Airport Marketing & Social Media Coordinator

SALARY RANGE

$40,289.60 - $46,696.00 Annually

POSITION PURPOSE:

Reporting to the Marketing & Communications Specialist, the Marketing and Social Media Coordinator is essential for promoting ATW's brand, engaging with our digital audience, and creating memorable events that enhance passenger experience and community engagement.

KEY RESPONSIBILITIES:

The following duties are normal for this position. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Social Media Management: Manage and grow our presence across six social media channels. Create engaging content, monitor engagement, and use social media as a tool to fill airplanes and enhance brand awareness. Analyze the effectiveness of social media campaigns and other marketing efforts, providing reports on ROI and suggestions for improvement.
- Event Planning: Coordinate over 50 ice cream bus events, 14+ traveler and employee events, plus 5+ major community partnership events annually. This includes logistics, promotional material design, and ensuring brand presence.
- Email Marketing: Execute email marketing campaigns for our 73,000+ subscriber list. Develop content, manage automation workflows, conduct A/B testing, and analyze performance to optimize reach and effectiveness.
- Graphic Design: Manage the visual aspects of our marketing materials, from concept to execution. Collaborate with designers, create basic design assets, and ensure all materials meet our brand standards.
- Market Research: Conduct market research to stay ahead of industry trends, understand competitor strategies, and gather customer insights through surveys and events.
- Project Coordination: Oversee the scheduling and content updates for our diverse in-terminal advertising spaces, ensuring regular updates and brand consistency.

EDUCATION/CERTIFICATIONS/EXPERIENCE REQUIREMENTS:

- Bachelor's degree in Marketing, Communications, or a related field.
- Proven experience in marketing and social media management.

- Strong organizational and project management skills, with the ability to manage multiple projects simultaneously.
- Excellent written and verbal communication skills.
- Creative mindset with a strong eye for design.
- Proficiency in graphic design software is a plus.
- Ability to analyze data and derive meaningful insights to inform strategy.
- Team player with the ability to work collaboratively across different departments.

REQUIRED OR PREFERRED SKILLS:

- Excellent oral, written and visual communication skills
- Knowledge in Adobe Photoshop and Illustrator; WordPress; Microsoft Office, Outlook, Word, Excel, and PowerPoint; Google aps including Drive and Docs; file sharing/storage aps including Dropbox and iCloud; Apple iMovie and GarageBand; Prezi preferred
- Experience working with the public
- Knowledge of photography
- Understanding of writing for the news media and creation writing
- Understanding of principles of design
- Ability to work independently and with teams, and maintain effective working relationships to accomplish job responsibilities
- Ability to quickly learn and put to use new skills and knowledge brought about by rapidly changing information and/or technology
- Ingenuity and inventiveness in the performance of assigned tasks

OUTAGAMIE COUNTY IS AN EQUAL OPPORTUNITY EMPLOYER. IN COMPLIANCE WITH THE AMERICANS WITH DISABILITIES ACT, THE COUNTY WILL PROVIDE REASONABLE ACCOMMODATIONS TO QUALIFIED INDIVIDUALS WITH DISABILITIES AND ENCOURAGES BOTH PROSPECTIVE EMPLOYEES AND INCUMBENTS TO DISCUSS POTENTIAL ACCOMMODATIONS WITH THE EMPLOYER.

Position Justification		
Briefly summarize why this position is needed, as well as areas of revenue and savings.		
The Assistant Airport Director is pivotal for maintaining operational efficiency, safety, and regulatory compliance at ATW. This role supports the Airport Director in overseeing daily operations, emergency preparedness, and stakeholder engagement, while also ensuring the airport meets safety standards and operates within its budget. With the growing complexity of airport management and the need for continuous infrastructure and service improvement, the Assistant Airport Director is essential for enhancing service quality, fostering positive community relations, and securing the airport's financial sustainability. This position supports the successful day-to-day operation and long-term development of the airport.

Assistant Airport Director

POSITION PURPOSE:

Reporting to the Airport Director, the Assistant Director oversees all operational divisions of the airport to ensure compliance with federal regulations, safety of users, performance objectives are met, and customer experience metrics are achieved. Through leadership, accountability, and stakeholder engagement, the Assistant Director is responsible for short term and long term strategic direction of the division, promoting efficient and deliberate use of resources, and planning innovative solutions for the success of Appleton International Airport.

KEY RESPONSIBILITIES:

The following duties are normal for this position. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Provides airport leadership in the absence of the airport director; directs, administers, and manages the operations of the Appleton International Airport; develops and monitors internal policies and procedures; aids in the development and administration of the annual budget; supervises, directs and evaluates the activities of all division staff, either directly or through senior staff.
- Consults frequently with the Airport Director and department directors, helps develop policy and procedural directives for the airport's possible adoption, and carries out policies and directives of the Airport.
- Assists in creating policy recommendations to the Airport regarding compliance requirements of federal and state directives affecting airport operations and development.
- By direction, represents the Airport when communicating with legislative bodies and public officials. Develops relationships with key stakeholders and maximizes partnerships for the Win-Win-Win.
- Builds strategic vision and goals for airport operations including airfield, terminal operations, Fixed Base Operator, and other operational divisions.
- Reviews performance standards for airport service contractors and tenants to ensure goals are met and lease requirements are fulfilled.
- Oversees the development and compliance with the Airport Certification Manual, the Snow and Ice Control Plan, the Wildlife Hazard Mitigation Plan, and the Airport Emergency Plan; coordinates agencies who have responsibility under all airport plans, including the Airport Emergency Plan.
- Explore and implement solutions to increase revenue, reduce expenses, push innovation and/or elevate customer experience throughout airport divisions.
- Develops and implements budget process for airport operations, prepares cost estimates for new construction/renovation projects, acquisition of equipment, and coordinates work of associated subcontractors.
- Guide and oversee the airport relationships with the following federal agencies, TSA, Air Traffic Control Tower, law enforcement agencies, mutual aid agencies, FAA Airport Certification Office.
- Serves as designated Airport Security Coordinator in compliance with TSR 1542.

- Remains on-call twenty-four (24) hours a day for emergency situations.
- Maintains regular and predictable attendance, works overtime/extra hours as required.
- Performs other duties as assigned.

EDUCATION/CERTIFICATIONS/EXPERIENCE REQUIREMENTS:

- Bachelor degree in airport management, business administration, aeronautical engineering or related field.
- Certified Member of American Association of Airport Executives; A.A.A.E preferred.
- Minimum of five (7) years of progressively responsible experience
- Supervisory experience required.

REQUIRED OR PREFERRED SKILLS:

1. Ability to operate a variety of motorized vehicles and equipment.
2. Ability to hear, speak, walk, stoop, climb ladders, bend, stretch; push, pull, and lift objects up to 50 pounds, understanding and using proper safety equipment and body mechanics.
3. Must possess a valid Wisconsin Driver's License.
4. Ability to assign, supervise, and review the work of maintenance, operations, and public safety staff.
5. Ability to make decisions regarding the selection, discipline and discharge of employees.
6. Ability to add, subtract, multiply, divide, calculate decimals and percent.
7. Ability to comprehend and interpret a variety of documents including labor agreements, personnel manual, time cards, budgets, work orders, building blueprints electrical and wiring diagrams, etc.
8. Ability to prepare a variety of documents including performance evaluations, interoffice memos, letters, etc.
9. Ability to use and interpret electrical, mechanical, plumbing and construction related terminology.
10. Ability to effectively communicate with the Airport Director, Property/Airport committee, County Executive, maintenance, operations, and public safety, outside vendors, contractors and others both verbally and in writing.
11. Ability to use and comprehend standard airport phraseology, and operate a two-way radio.

Position Justification		
Briefly summarize why this position is needed, as well as areas of revenue and savings.		

Appleton Airport currently has one Airport Electrician that is responsible for maintaining electrical needs campus wide which includes multiple buildings, parking lots, and the airfield electrical systems. Prior to 2013, the electrician was responsible for approximately 417,610 square feet of building electrical maintenance. Since 2013, the airport has seen significant growth with additional Air Carrier Service and campus buildings to support that growth. The current square footage of buildings the Electrician is responsible for is 598,802, a 43.3% increase and growing. Because of this growth, the electrician spends a majority of their time responding to critical issues. Many projects that are preventative and scheduled are unable to be accomplished. Delaying preventative maintenance and projects creates the potential safety and reliabilty issues which will have an effect on airport tenants and users. An example of delayed preventative maintenace are the airport generators and airfield lighting/ switchgear systems. These systems alone have values in excess of $750,000. If the generators and airfield systems are not maintained properly we risk the potential of flight delays and reduced confidence by our tenants and traveling public. In recent years, the electrician positon work scope has expanded to include items related to network and camera issues. Network related components encompass a large protion of daily activities and will remain a focus as all new electrical products require some type of network cabling or interface. Afterhour's calls for electrical related issues (including network problems) requires our current electrician to travel back/forth to the airport. With the increase of evening and weekend activity (flight activity) this has put a strain on the current electrician. We have suplemented with contract staff but additional resources are still needed. The new position will help reduce many of the items mentioned above including: providing additional knowledge base for electrical and network issues, multiplying workforce for afterhours/ weekend issues, addressing preventive maintenance work, and completing project work. Finally, this position will also provide support for snow operations durlng winter months as they will be included as an equipment operator within our snow removal team.

Electrician (Airport)

Position Purpose

Reporting to the Airport Director or as assigned, to the Operations Supervisor Airfield or Operations Supervisor Landside, the Electrician performs skilled electrical work in installing, maintaining and repairing various lighting systems, CCTV, phone, computer cable, fiber optics, machinery and equipment controls for the airport and other Outagamie County departments as necessary.

Key Responsibilities

- Maintains and repairs Airside and Landside electrical systems and components.
- Assists with snow and ice removal.
- Assists with preventive maintenance and repair of buildings, grounds and equipment.
- Maintains and repairs airfield lighting, regulators, and circuits as needed.
- Works with contractors in updating electrical prints for new and existing electrical facilities.
- Prepares project layout, cost estimates, and performs installation of electrical and other work as needed on projects.
- Oversees projects to ensure quality of work and standards are met.
- Performs skilled electrical work for various Outagamie County departments as required.
- Establishes and follows safety procedures for troubleshooting high voltage.
- Conforms to federal, state and local codes.
- Provides on-call coverage as assigned.

- Maintains regular and predictable attendance, works overtime/extra hours as required.

- Performs other duties as assigned.

Education/Certifications/Experience Requirements

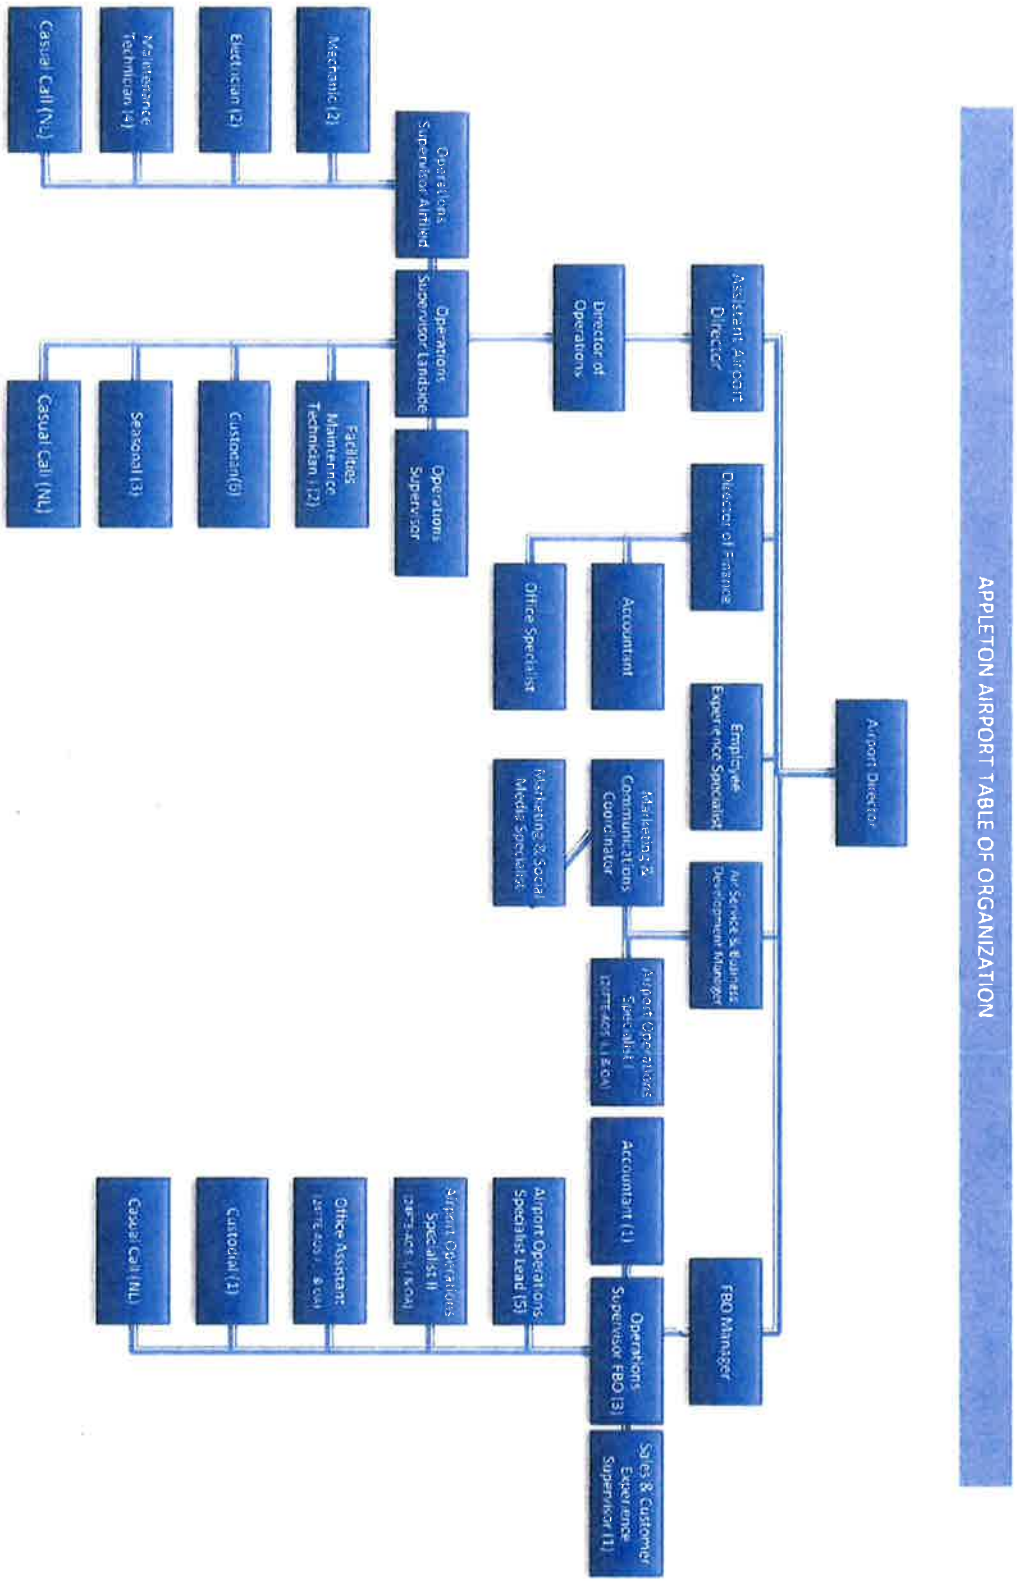
- High School graduate or GED.

- Completion of an accredited 4 year electrical apprenticeship and certified as a journeyman.

Required or Preferred Skills

- Knowledge of and demonstrated ability to conform to goals, policies, and procedures of the Department as well as the Outagamie County Work Rules and Terms of Employment.

- Ability to hear, speak, walk, stoop, climb ladders, bend, stretch, push, pull, and lift maximum of 100 pounds, understanding and utilizing proper body mechanics.



- Ability to operate heavy equipment such as snow removal equipment, trencher, front loader, maintenance equipment, lawnmowers, etc.

- Ability to work long hours, including evenings, weekends and holidays during emergencies, snow and ice removal operations, and as other circumstances dictate.

- Ability to add, subtract, multiply, divide, and calculate decimals and percentages.

- Ability to communicate effectively both verbally and in writing, with County department staff, vendors, contractors, engineers, architects and others in an articulate and professional manner.

- Ability to use and comprehend standard airport phraseology, and operate a two-way radio.

RESOLUTION NO.: 30—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Appleton International Airport (the Airport) is requesting approval for the following in-year Table of Organization changes:

- Add one (1) full-time Marketing and Social Media Coordinator position
- Add one (1) full-time Assistant Airport Director position
- Add one (1) full-time Airport Electrician position

The above positions are being requested due to the significant growth of the Airport. Funding for the positions will be recouped partially through airline rates and charges and partially through increased revenues from the growth of the Airport. In addition, there should be cost savings as the Airport has been outsourcing some electrical work as well as social media consulting. The impact on the 2024 budget will be approximately $167,000.

NOW THEREFORE, the undersigned members of the Legislative/Audit and Human Resources Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does approve an in-year Table of Organization request by adding one (1) full-time Marketing and Social Media Coordinator position, one (1) full-time Assistant Airport Director position, and one (1) full-time Airport Electrician position effective July 1, 2024 at the Appleton International Airport as noted on the attached Position Addition Forms, Job Descriptions, and Table of Organization, which by reference are made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve of the following budget adjustments to the Airport Terminal cost center: increase Salaries line item by $103,700; increase Fringe Benefits line item by $51,200; increase IT Direct Billed line item by $12,100; decrease Fund Balance Applied line item by $167,000 as note on the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director, the Outagamie County Human Resources Director, and the Appleton International Airport Director.

The marketing and social media coordinator (MSMC) position will play a crucial role in the success of our marketing team and the overall marketing strategy. ATW participates in numerus community events, trade shows, and internal airport customer events where the MSMC will help planning and execution of these activities. Further tasks that will include coordinating logistics, designing promotional materials, and ensuring a strong brand presence. Each year we have over 50 ice cream bus events, 14+ in-terminal customer events, and 5 major community partnership events that MSMC will support. ATW has six social media channels that we monitor, use for creating awareness and as vehicle to fill the airplanes. The MSMC's role in email marketing encompasses planning and executing campaigns. They will create engaging content, manage subscriber lists, and implement automation workflows along with ensuring compliance to prescribed standards, monitoring delivery, and optimization. This position will also be able to help with tracking and analyzing key metrics, generating reports, and coordinating with other marketing channels. The role also involves customer segmentation, continuous optimization, and staying informed about industry trends to contribute to the overall success of the marketing strategy. At ATW we've made an effort to organically grow our email list to 73,000+ subscribers. This is a way for us to communicate airport updates and sell airplane tickets to fill our seats.

Airport Marketing & Social Media Coordinator

SALARY RANGE

$40,289.60 - $46,696.00 Annually

POSITION PURPOSE:

Reporting to the Marketing & Communications Specialist, the Marketing and Social Media Coordinator is essential for promoting ATW's brand, engaging with our digital audience, and creating memorable events that enhance passenger experience and community engagement.

KEY RESPONSIBILITIES:

The following duties are normal for this position. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Social Media Management: Manage and grow our presence across six social media channels. Create engaging content, monitor engagement, and use social media as a tool to fill airplanes and enhance brand awareness. Analyze the effectiveness of social media campaigns and other marketing efforts, providing reports on ROI and suggestions for improvement.
- Event Planning: Coordinate over 50 ice cream bus events, 14+ traveler and employee events, plus 5+ major community partnership events annually. This includes logistics, promotional material design, and ensuring brand presence.
- Email Marketing: Execute email marketing campaigns for our 73,000+ subscriber list. Develop content, manage automation workflows, conduct A/B testing, and analyze performance to optimize reach and effectiveness.
- Graphic Design: Manage the visual aspects of our marketing materials, from concept to execution. Collaborate with designers, create basic design assets, and ensure all materials meet our brand standards.
- Market Research: Conduct market research to stay ahead of industry trends, understand competitor strategies, and gather customer insights through surveys and events.
- Project Coordination: Oversee the scheduling and content updates for our diverse in-terminal advertising spaces, ensuring regular updates and brand consistency.

EDUCATION/CERTIFICATIONS/EXPERIENCE REQUIREMENTS:

- Bachelor's degree in Marketing, Communications, or a related field.
- Proven experience in marketing and social media management.

- Strong organizational and project management skills, with the ability to manage multiple projects simultaneously.
- Excellent written and verbal communication skills.
- Creative mindset with a strong eye for design.
- Proficiency in graphic design software is a plus.
- Ability to analyze data and derive meaningful insights to inform strategy.
- Team player with the ability to work collaboratively across different departments.

REQUIRED OR PREFERRED SKILLS:

- Excellent oral, written and visual communication skills
- Knowledge in Adobe Photoshop and Illustrator; WordPress; Microsoft Office, Outlook, Word, Excel, and PowerPoint; Google aps including Drive and Docs; file sharing/storage aps including Dropbox and iCloud; Apple iMovie and GarageBand; Prezi preferred
- Experience working with the public
- Knowledge of photography
- Understanding of writing for the news media and creation writing
- Understanding of principles of design
- Ability to work independently and with teams, and maintain effective working relationships to accomplish job responsibilities
- Ability to quickly learn and put to use new skills and knowledge brought about by rapidly changing information and/or technology
- Ingenuity and inventiveness in the performance of assigned tasks

Assistant Airport Director

POSITION PURPOSE:

Reporting to the Airport Director, the Assistant Director oversees all operational divisions of the airport to ensure compliance with federal regulations, safety of users, performance objectives are met, and customer experience metrics are achieved. Through leadership, accountability, and stakeholder engagement, the Assistant Director is responsible for short term and long term strategic direction of the division, promoting efficient and deliberate use of resources, and planning innovative solutions for the success of Appleton International Airport.

KEY RESPONSIBILITIES:

The following duties are normal for this position. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Provides airport leadership in the absence of the airport director; directs, administers, and manages the operations of the Appleton International Airport; develops and monitors internal policies and procedures; aids in the development and administration of the annual budget; supervises, directs and evaluates the activities of all division staff, either directly or through senior staff.
- Consults frequently with the Airport Director and department directors, helps develop policy and procedural directives for the airport's possible adoption, and carries out policies and directives of the Airport.
- Assists in creating policy recommendations to the Airport regarding compliance requirements of federal and state directives affecting airport operations and development.
- By direction, represents the Airport when communicating with legislative bodies and public officials. Develops relationships with key stakeholders and maximizes partnerships for the Win-Win-Win.
- Builds strategic vision and goals for airport operations including airfield, terminal operations, Fixed Base Operator, and other operational divisions
- Reviews performance standards for airport service contractors and tenants to ensure goals are met and lease requirements are fulfilled.
- Oversees the development and compliance with the Airport Certification Manual, the Snow and Ice Control Plan, the Wildlife Hazard Mitigation Plan, and the Airport Emergency Plan; coordinates agencies who have responsibility under all airport plans, including the Airport Emergency Plan.
- Explore and implement solutions to increase revenue, reduce expenses, push innovation and/or elevate customer experience throughout airport divisions.
- Develops and implements budget process for airport operations, prepares cost estimates for new construction/renovation projects, acquisition of equipment, and coordinates work of associated subcontractors.
- Guide and oversee the airport relationships with the following federal agencies, TSA, Air Traffic Control Tower, law enforcement agencies, mutual aid agencies, FAA Airport Certification Office.
- Serves as designated Airport Security Coordinator in compliance with TSR 1542.

- Remains on-call twenty-four (24) hours a day for emergency situations.
- Maintains regular and predictable attendance, works overtime/extra hours as required.
- Performs other duties as assigned.

EDUCATION/CERTIFICATIONS/EXPERIENCE REQUIREMENTS:

- Bachelor degree in airport management, business administration, aeronautical engineering or related field.
- Certified Member of American Association of Airport Executives; A.A.A.E preferred.
- Minimum of five (7) years of progressively responsible experience
- Supervisory experience required.

REQUIRED OR PREFERRED SKILLS:

1. Ability to operate a variety of motorized vehicles and equipment.
2. Ability to hear, speak, walk, stoop, climb ladders, bend, stretch; push, pull, and lift objects up to 50 pounds, understanding and using proper safety equipment and body mechanics.
3. Must possess a valid Wisconsin Driver's License.
4. Ability to assign, supervise, and review the work of maintenance, operations, and public safety staff.
5. Ability to make decisions regarding the selection, discipline and discharge of employees.
6. Ability to add, subtract, multiply, divide, calculate decimals and percent.
7. Ability to comprehend and interpret a variety of documents including labor agreements, personnel manual, time cards, budgets, work orders, building blueprints electrical and wiring diagrams, etc.
8. Ability to prepare a variety of documents including performance evaluations, interoffice memos, letters, etc.
9. Ability to use and interpret electrical, mechanical, plumbing and construction related terminology.
10. Ability to effectively communicate with the Airport Director, Property/Airport committee, County Executive, maintenance, operations, and public safety, outside vendors, contractors and others both verbally and in writing.
11. Ability to use and comprehend standard airport phraseology, and operate a two-way radio.

Position Justification		
Briefly summarize why this position is needed, as well as areas of revenue and savings.		

Appleton Airport currently has one Airport Electrician that is responsible for maintaining electrical needs campus wide which includes multiple buildings, parking lots, and the airfield electrical systems. Prior to 2013, the electrician was responsible for approximately 417,610 square feet of building electrical maintenance. Since 2013, the airport has seen significant growth with additional Air Carrier Service and campus buildings to support that growth. The current square footage of buildings the Electrician is responsible for is 598,802, a 43.3% increase and growing. Because of this growth, the electrician spends a majority of their time responding to critical issues. Many projects that are preventative and scheduled are unable to be accomplished. Delaying preventative maintenance and projects creates the potential safety and reliabilty issues which will have an effect on airport tenants and users. An example of delayed preventative maintenace are the airport generators and airfield lighting/ switchgear systems. These systems alone have values in excess of $750,000. If the generators and airfield systems are not maintained properly we risk the potential of flight delays and reduced confidence by our tenants and traveling public. In recent years, the electrician positon work scope has expanded to include items related to network and camera issues. Network related components encompass a large protion of daily activities and will remain a focus as all new electrical products require some type of network cabling or interface. Afterhour's calls for electrical related issues (including network problems) requires our current electrician to travel back/forth to the airport. With the increase of evening and weekend activity (flight activity) this has put a strain on the current electrician. We have suplemented with contract staff but additional resources are still needed. The new position will help reduce many of the items mentioned above including: providing additional knowledge base for electrical and network issues, multiplying workforce for afterhours/ weekend issues, addressing preventive maintenance work, and completing project work. Finally, this position will also provide support for snow operations during winter months as they will be included as an equipment operator within our snow removal team.

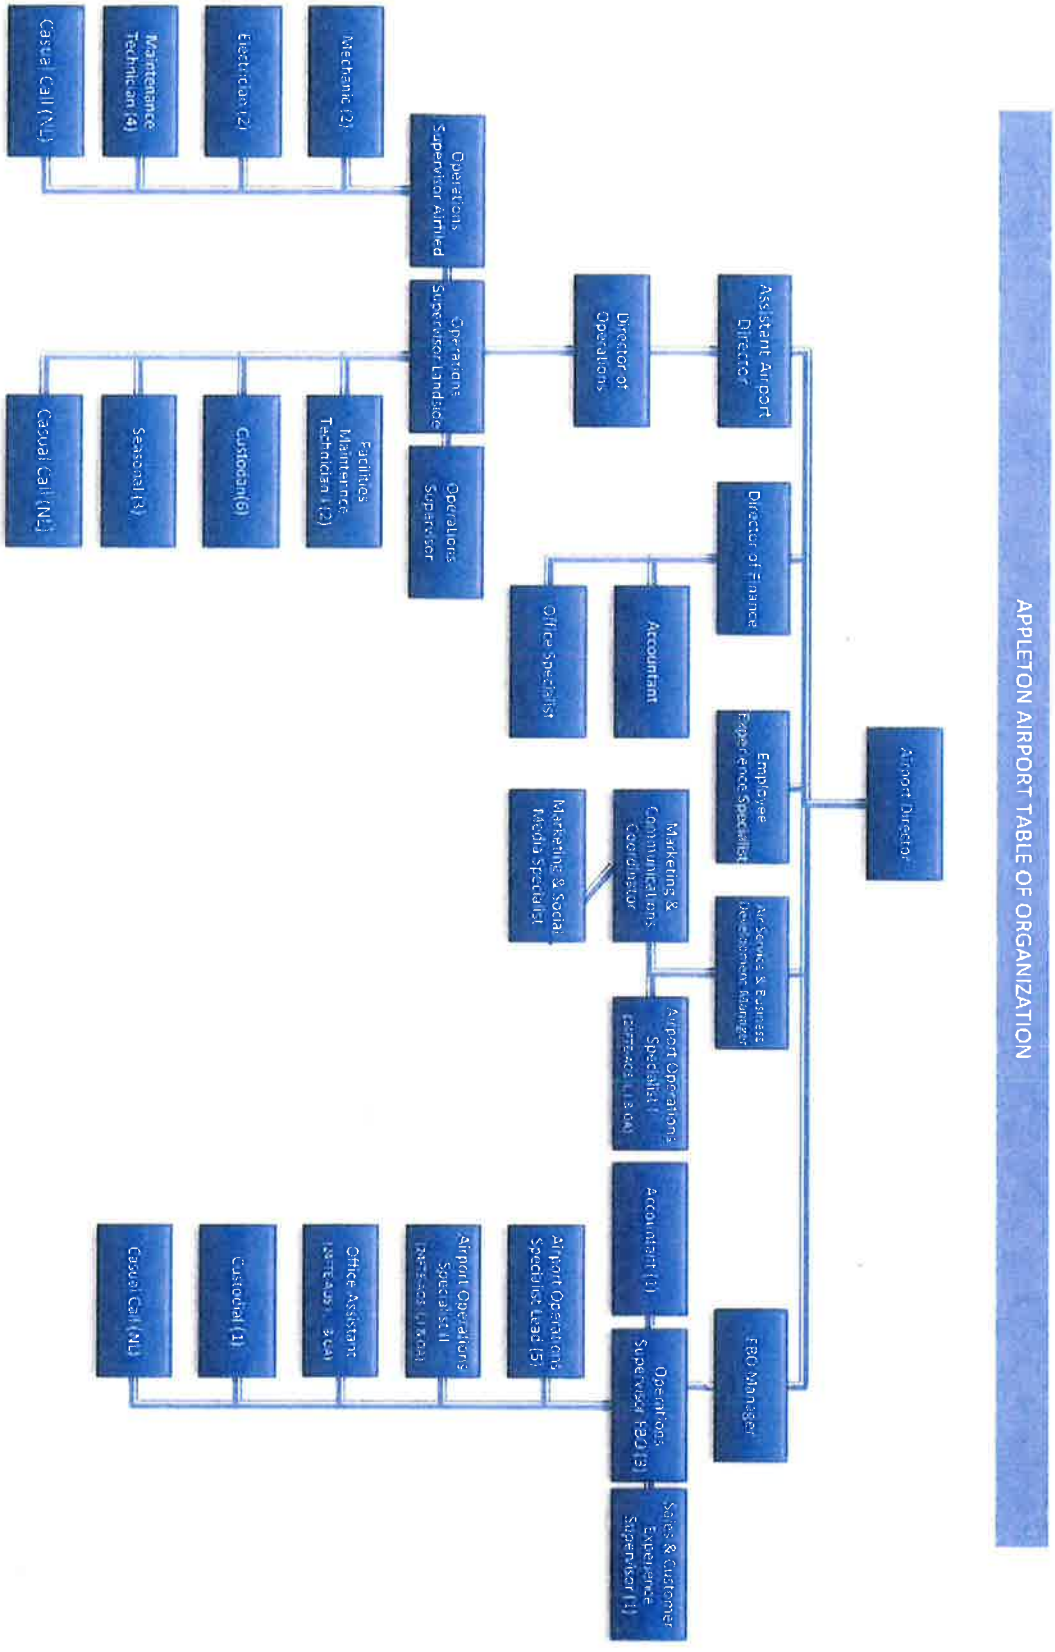
Electrician (Airport)

Position Purpose

Reporting to the Airport Director or as assigned, to the Operations Supervisor Airfield or Operations Supervisor Landside, the Electrician performs skilled electrical work in installing, maintaining and repairing various lighting systems, CCTV, phone, computer cable, fiber optics, machinery and equipment controls for the airport and other Outagamie County departments as necessary.

Key Responsibilities

- Maintains and repairs Airside and Landside electrical systems and components.
- Assists with snow and ice removal.
- Assists with preventive maintenance and repair of buildings, grounds and equipment.
- Maintains and repairs airfield lighting, regulators, and circuits as needed.
- Works with contractors in updating electrical prints for new and existing electrical facilities.
- Prepares project layout, cost estimates, and performs installation of electrical and other work as needed on projects.
- Oversees projects to ensure quality of work and standards are met.
- Performs skilled electrical work for various Outagamie County departments as required.
- Establishes and follows safety procedures for troubleshooting high voltage.
- Conforms to federal, state and local codes.
- Provides on-call coverage as assigned.



- Maintains regular and predictable attendance, works overtime/extra hours as required.
- Performs other duties as assigned.

Education/Certifications/Experience Requirements

- High School graduate or GED.
- Completion of an accredited 4 year electrical apprenticeship and certified as a journeyman.

Required or Preferred Skills

- Knowledge of and demonstrated ability to conform to goals, policies, and procedures of the Department as well as the Outagamie County Work Rules and Terms of Employment.
- Ability to hear, speak, walk, stoop, climb ladders, bend, stretch, push, pull, and lift maximum of 100 pounds, understanding and utilizing proper body mechanics.
- Ability to operate heavy equipment such as snow removal equipment, trencher, front loader, maintenance equipment, lawnmowers, etc.
- Ability to work long hours, including evenings, weekends and holidays during emergencies, snow and ice removal operations, and as other circumstances dictate.
- Ability to add, subtract, multiply, divide, and calculate decimals and percentages.
- Ability to communicate effectively both verbally and in writing, with County department staff, vendors, contractors, engineers, architects and others in an articulate and professional manner.
- Ability to use and comprehend standard airport phraseology, and operate a two-way radio.

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1674), Controller (1675) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. Subject: Request to adjust the budget for addition of 3 new positions

2. Description: This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

The Appleton International Airport (ATW) is requesting to add 3 positions. These positions are needed due to the significant growth of the Airport. The positions will be recouped through partially through airline rates and charges, and partially through increased revenues from the growth of the airport. In addition, there should be cost savings as the Airport has been outsourcing some electrical work as well as social media consulting. The 2024 impact would be approximately $167,000.

Current Year Budget Impact (Check one or more of the following boxes)

[ ] Revenues [X] Expenses (Cost) [ ] None – Will bring forward if approved

3. Is the specific cost or revenue included in the current year's budget? yes ( ) no (X) partially ( ) n/a ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no (X) n/a ( )

5. Is the proposal to accept additional revenues only? yes ( ) no (X)

6. Does this request modify/adjust the current year budget? yes (X) no ( ) To be determined ( )
If no, skip to question 8 below.

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

COST CENTER NAME	LINE ITEM (i.e. Salaries, Supplies, Etc.)	ACCOUNT NUMBER INCLUDING COST CENTER (i.e. 1004100.5100, 1004100.5400, etc.)	INCREASE (DECREASE) AMOUNT
Airport Terminal	Salaries	5000110.5100	103,700
Airport Terminal	Fringe Benefits	5000110.5200	51,200
Airport Terminal	IT Direct Billed	5000110.5575.15	12,100
Airport Terminal	Fund balance applied	5000110.8955	(167,000)

Annual and Long-Term Impact

8. Is the above increase/decrease a non-recurring one-time expense or revenue? yes ( ) no (X) n/a ( ) Multi-year

9. What is the anticipated annual and/or long-term cost or revenue impact? Annual Cost $316,000
Annual Revenue

RESOLUTION NO.: 31—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Outagamie County Sheriff's Office is requesting to accept and expend an unsolicited donation from Keller, Inc. in the amount of $2,500. The funds will be applied to the purchase of fitness equipment to be used by employees in the lower level workout room at the Justice Center. Any costs above the donation will come from already budgeted funds. No county match is required.

NOW THEREFORE, the undersigned members of the Public Safety Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve the Sheriff's Office to accept and expend an unsolicited donation from Keller, Inc. in the amount of $2,500, said funds to be applied to the purchase of fitness equipment to be used by employees in the lower level workout room at the Justice Center, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve of increasing the Corrections Revenue line item and the Corrections Supplies line item by $2,500 each, as noted on the attached fiscal note, which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Sheriff and the Outagamie County Finance Director.

Dated this 25th day of June 2024

Respectfully submitted,

PUBLIC SAFETY COMMITTEE

Katrin Patience

Christine Lamers

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1674), Controller (1675) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** Sheriff's Department to accept and expend unsolicited donation from Keller, Inc.

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

The Sheriff's Office requests to accept and expend an unsolicited donation from Keller, Inc. in the amount of $2,500. The funds will be applied to the purchase of fitness equipment to be used by employees in the lower level workout room at the Justice Center. Any costs above the donation will come from already budgeted funds. No County match is required.

Outagamie County **6-25-24 County Board Meeting - June 25 2024 08:17:03 PM**

June 25, 2024 County Board Meeting

OpenMeeting

ORDINANCE NO.: A—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Legislative/Audit and Human Resources Committee is requesting to amend the Outagamie County Board Rules. The amendments pertain to East Central Wisconsin Regional Planning Commission and Fox Cities Metropolitan Area Planning Organization (MPO) Policy Board Appointments.

NOW THEREFORE, the undersigned members of the Legislative/Audit and Human Resources Committee recommend adoption of the following ordinance.

BE IT ORDAINED, that the Outagamie County Board of Supervisors does approve the following amendments to Chapter 2 of the Outagamie County Code of Ordinances (additions are underlined and in italics; deletions are struck through):

Article II. – Governing Body
Division 3. – Standing Committees
Subdivision IV. – Finance Committee
Sec. 2-163. – Duties.

The duties of the Finance Committee shall be to:
(1) Annually review the county budget prepared by the County Executive for submission to the County Board and make its recommendations at the annual meeting in November.
(2) Advise the County Executive and his staff on policy and legislation regarding financial and purchasing matters.
(3) Prepare schedule of fees and charges for instruments, services, blanks and forms as are carried by the county for the convenience of the public.
(4) Make a contract for emergency expenditures that may be incurred by any office or department of the county not exceeding $5,000.00.
(5) Review all financial reports submitted by the County Executive, County Officials and Auditors. Recommend to the County Board Auditors for the audit of financial records, reports and internal controls as required by law, state statute or as deemed necessary.
(6) Recommend to the County Board necessary insurance protection for the county.
(7) Act as the county's in Rem Committee and members of the Finance Committee shall serve on the Bond Review Committee along with the County Board Chair.
(8) Meet with the State Department of Taxation, Equalization Committee to keep the county informed on all equalization matters.
(9) Recommend to the Executive for appointment one committee member and one alternate to serve as liaison to the University of Wisconsin Oshkosh, Fox Cities Campus *Board of Trustees.* ~~and the East Central Wisconsin Regional Planning Commission~~.
(10) Evaluate the qualification of candidates for the position of county fiscal auditor as may be established under Wis. Stats. § 59.47.

(11) Recommend to the County Board such financial programs designed to improve the economic status of the community.
(12) Have advisory responsibilities for and over the conduct of performance audits done by the county or for the county and may:
a. Study and review the post audit or other reports submitted by any firm providing audit services for the County, including conferring with any firm providing audit services and with other standing committees in regard to such reports and, if necessary, confer with any audit in order to obtain full and complete information in regard to any fiscal transactions and governmental operations within the county.
b. Refer to the County Board or to an appropriate standing committee information that warrants action by the County Board or by a committee of the Board. Seek the advice of the appropriate standing committee with respect to the program/performance portion of an audit relating to a county department, board, committee, commission, division or agency which is within the budgetary/policy purview of such committee.
c. Annually determine within the resources provided by the County Board which county departments, programs, operations, activities or functions should be subjected to fiscal and performance evaluations or audits and ensuring any such audit be conducted in accordance with government auditing standards.
(13) Claims with an actual value of less than $10,000.00 may be denied by the County Finance Committee with no County Board approval required; claims with an actual value of $10,000.00 or more will require County Board denial after review by the Finance Committee.
(14) Approve all county imposed rates or fee changes proposed in the annual budget and recommend adoption of these rates/fees to the County Board as part of the budget process. Rates/fees not approved during the annual budget process shall be brought before the Finance Committee for approval and the Finance Committee shall draft a resolution for County Board approval.

Article VII. – Boards, Committees and Commissions
Division 3. – Local Emergency Planning Committee
.....
Secs. 2-729 – ~~2-754.~~ *2.739* – Reserved.

Division 4. – East Central Wisconsin Regional Planning Commission and Appleton (Fox Cities) Metropolitan Planning Organization Policy Board
Sec. 2-740 – Appointments to the East Central Wisconsin Regional Planning Commission.
In accordance with the East Central Wisconsin Regional Planning Commission's bylaws, the County Executive, the County Board Chair, and two at-large county representatives shall be appointed to the East Central Wisconsin Regional Planning Commission. The County Executive and the County Board Chair may each select a permanent alternate to serve in their place. The Finance Committee and the Property, Airport, Recreation, and Economic Development Committee shall each recommend to the County Executive for appointment one committee member to serve as at-large representatives to the East Central Wisconsin Regional Planning Commission.

Sec. 2-741 – Appointments to the Appleton (Fox Cities) Metropolitan Area Planning Organization Policy Board. *In accordance with the Appleton (Fox Cities) Metropolitan Area Planning Organization's (MPO) bylaws, there shall be two elected official representatives from Outagamie County appointed to the MPO Policy Board and a representative of Appleton International Airport. The County Executive and County Board Chair shall serve as the County's representatives to the Fox Cities MPO Policy Board, and the Appleton International Airport Director shall serve as the Appleton International Airport's representative. The County Executive and County Board Chair may choose an alternate, provided however, that the alternate member is a County Board Supervisor.*

Secs. 2-742 – 2-754. – Reserved.

BE IT FURTHER ORDAINED, that this ordinance shall be in effect upon completion of publication in accordance with Wisconsin Statutes, and

BE IT FINALLY ORDAINED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Corporation Counsel, the Outagamie County Development and Land Services Director, and Municipal Code Corporation for inclusion in the Outagamie County Code of Ordinances.

Dated this 25th day of June 2024

I, Kelly Gerrits, County Clerk for the County of Outagamie Wisconsin do hereby certify that the foregoing is a true and correct copy of the June 25, 2024 County Board Minutes approved by a majority vote at a meeting of the County Board on July 23, 2024, 2024 and recorded in the minutes of said meeting a quorum of members being present.

In testimony whereof, I have hereunto set my hand and the seal of the County of Outagamie, Wisconsin, this 24th Day of July, 2024

/s/ Kelly Gerrits
County Clerk

Please call the Outagamie County Clerk's Office (832-5077) if you would like further elaboration of these minutes.

RUN: August 5, 2024

* * MINUTES * *
* * OUTAGAMIE COUNTY BOARD * *

Office of the County Clerk, July 23, 2024.

The Board met pursuant to adjournment, and was called to order by Chairperson Gabrielson at 7:00 p.m. in the County Board Room, located at 320 South Walnut Street, Appleton, Wisconsin.

ROLL CALL: 32 present, 4 absent. Members present: Thompson, Johnson, Smith, Patience, Gabrielson, Kostelny, Hammen, Lawrence, Krueger, Lamers, Ferguson, McCabe, Wegand, Hermes, Croatt, Spears, Heiser, Mitchell, Cuff, Hagen, Klemp, Janke, Weinberg, Culbertson, Monfils, Winterfeldt, Nejedlo, Clegg, Thyssen, VanderHeiden, Rettler, and Lautenschlager. Members absent: MacDonald, Schroeder, Thiede, and Koury.

The Board Chairperson requested the Board's confirmation to excuse Supervisor MacDonald, Supervisor Schroeder, Supervisor Thiede, and Supervisor Koury. No objections; so ordered.

The Pledge of Allegiance was led by Chairperson Gabrielson.

MINUTES OF THE JUNE 25, 2024 COUNTY BOARD MEETING
Supervisor Krueger moved, seconded by Supervisor McCabe, to approve the minutes of the June 25, 2024, County Board meeting.

ROLL CALL: 29 yes, 3 abstain (Wegand, Hermes, VanderHeiden), 4 absent. MINUTES OF THE JUNE 25, 2024, COUNTY BOARD MEETING ARE APPROVED.

SPECIAL ORDER OF BUSINESS – Highway Commissioner Dean Steingraber will give an update on the I-41 construction project

Highway Commissioner Dean Steingraber provided an update on the I-41 construction project. Highlights of the update included:

- The mainline project improvements on I-41 spanning from Appleton to De Pere (with the plan on expanding the 23 mile mainline to six (6) travel lanes, construct auxiliary lanes between closely spaced interchanges, and constructing collector-distributor roads between County E and WIS-441).
- Other project improvements including updating interchanges, replacing overpasses and underpasses, resurfacing three (3) park and ride lots, constructing a new salt shed, constructing a Wrightstown Post and Safety and Weight Enforcement Facility (SWEF), and location/intention of providing noise barriers near Capital Drive, Lynndale Drive, HWY 47, and Ballard Road, as much of those areas are surrounding residential communities.
- The coordination efforts with local communities to enhance aesthetics and cohesion of ramps, which will also be reconstructed to accommodate the speed change.
- First Responders/lane changes, traffic and incident management for construction for ongoing activities to be prepared during construction season.
- The addition of WisDOT Highway Safety Patrol by GEICO (specially equipped vehicles patrol high-volume roadways and major work zones and offer free roadside services).
- A reminder was given to be mindful when passing through work zones.

Supervisor questions and comments followed.

ESTABLISH ORDER OF THE DAY – Chairperson Gabrielson reported the request to have all appointments and resolutions locked in at the meeting.

Chairperson Gabrielson asked for unanimous consent to handle all reconsiderations and lock ins at the end of the meeting as noted. No objections; so ordered.

COMMUNICATIONS –

Chairperson Gabrielson summarized the following communications:

- Roll Call Request - The Proceedings of the Board of Supervisors 2023-2024 Electronic Version, in accordance to Resolution No. 150—2018-19, are available for viewing on the County's intranet website under the County Clerk section (can be only accessible while on the County's network), and a link was provided to each Supervisor. The County Clerk's Office is currently reviewing options for external viewing options. A roll call was conducted as a result of some Supervisor requests of obtaining a portable thumb drive option, which will cost $3 per drive. ROLL CALL: 8 yes (Gabrielson, Hammen, Lawrence, Mitchell, Cuff, Hagen, and Janke), 24 no, 4 absent.
- The outstanding requirement of three (3) Supervisors who still need to complete cyber security training, which was sent out in May 2024. Chairperson Gabrielson emphasized the importance of completing the trainings, as they are a way to continue to help with remediation and recovery.
- Loren Dieck's final day with Outagamie County as longtime Parks Director was Friday, July 12, 2024. Chairperson Gabrielson wished Mr. Dieck well in his future endeavors.
- County Board Room upgrades are being implemented (new chairs were installed this week). Additional updates to be aware of that will occur in the near future will include new power sources at desks, enhanced security measures, new projectors and A/V equipment. Updates are being funded through ARPA dollars.
- County Executive Nelson provided a memorandum on the upcoming August Partisan Primary referendum questions and is available via DropBox.
- Chairperson Gabrielson recognized the following County Board Supervisor birthdays: Supervisor Winterfeldt (7/11), Supervisor Spears (7/21), Supervisor Hermes (7/23), Supervisor Lawrence (7/26), Supervisor Johnson (7/30) and Chairperson Gabrielson (8/17).

PUBLIC PARTICIPATION IS LIMITED TO ONLY MATTERS LISTED ON THE AGENDA AND FOR A TOTAL OF FIFTEEN MINUTES WHICH MAY BE EXTENDED TO 30 MINUTES AT THE DISCRETION OF THE CHAIR – None.

APPOINTMENTS –

County Executive Nelson nomination for reappointments of Jeff Dietzen and appointments of Kevin Grondahl, Traci Robinson, and Matthew Wrege to the Local Emergency Planning Committee; said terms expire June 30, 2027.

Supervisor Croatt moved, seconded by Supervisor Kostelny, for confirmation of the above-listed reappointment and appointments.

ROLL CALL: 32 yes, 4 absent. JEFF DIETZEN IS REAPPOINTED AND KEVIN GRONDAHL, TRACI ROBINSON, AND MATTHEW WREGE ARE APPOINTED TO THE LOCAL EMERGENCY PLANNING COMMITTEE.

County Executive Nelson nomination for appointment of Joy Hagen (alternate) to the Appleton (Fox Cities) Metropolitan Area Planning Organization Policy Board; said term expires April 2026.

Supervisor Lamers moved, seconded by Supervisor Spears, for confirmation of the above-listed appointment.

ROLL CALL: 31 yes, 4 absent, 1 abstain (Hagen). JOY HAGEN (ALTERNATE) IS APPOINTED TO THE APPLETON (FOX CITIES) METROPOLITAN AREA PLANNING ORGANIZATION POLICY BOARD.

UNFINISHED BUSINESS – None.

NEW BUSINESS – *NOTE: The minutes that follow list the synopsis of the ordinances/resolutions and roll calls. At the end of this set of minutes, the scanned copies of the each ordinance/resolution will be appended along with the physical roll call.*

Resolution No. Z-5—2024-25 – Agriculture, Extension Education, Zoning and Land Conservation Committee. Approve the rezone request for JBW Properties LLC, for parcel 030065702, from the General Agriculture District, Local Commercial District, and Industrial District to the Industrial District only, in the Town of Buchanan, as noted on the attachments.

Supervisor VanderHeiden moved, seconded by Supervisor Krueger, for adoption.

ROLL CALL: 32 yes, 4 absent. RESOLUTION NO. Z-5—2024-25 IS ADOPTED.

Resolution No. 32—2024-25 – Highway, Recycling and Solid Waste Committee. Authorize the Highway Commissioner to enter into a State/Municipal Financial Agreement for the County E interchange reconstruction project, with the county share of the project costs to be included in future budgets, as noted on the attachments.

Supervisor Hagen moved, seconded by Supervisor Nejedlo, for adoption.

ROLL CALL: 32 yes, 4 absent. RESOLUTION NO. 32—2024-25 IS ADOPTED.

Resolution No. 33—2024-25 – Highway, Recycling and Solid Waste Committee. Authorize the Highway Commissioner to enter into a revised State/Municipal Agreement for the County Z improvement project, with the county share of the project costs to be included in a future budget (2025), as noted on the attachments.

Supervisor Clegg moved, seconded by Supervisor Cuff, for adoption.

ROLL CALL: 32 yes, 4 absent. RESOLUTION NO. 33—2024-25 IS ADOPTED.

Resolution No. 34—2024-25 – Property, Airport, Recreation and Economic Development Committee. Authorize and approve the Appleton International Airport entering into an agreement for branded display advertising with ThedaCare, Inc., with no budget adjustment needed as the lease revenue has been included in the 2024 budget, as noted in the attachments.

Supervisor Culbertson moved, seconded by Supervisor Kostelny, for adoption.

ROLL CALL: 32 yes, 4 absent. RESOLUTION NO. 34—2024-25 IS ADOPTED.

Resolution No. 35—2024-25 – Health and Human Services Committee. Approve the Opioid Settlement Agreements, as noted on the resolution and attachments.

Supervisor McCabe moved, seconded by Supervisor Johnson, for adoption.

ROLL CALL: 32 yes, 4 absent. RESOLUTION NO. 35—2024-25 IS ADOPTED.

Resolution No. 36—2024-25 – Property, Airport, Recreation and Economic Development Committee. Approve an Underground Telecommunication Easement made by and between the State of Wisconsin Department of Natural Resources and Bug Tussel Wireless LLC for the area described as Part of the NE ¼ of the SE ¼ of Section 5, Township 22 North, Range 15 East, Town of Liberty and Part of the SW ¼ of the SW ¼ of Section 9, Township 22 North, Range 17 East, Village of Black Creek, as noted on the resolution and attachments.

Supervisor Culbertson moved, seconded by Supervisor Hammen, for adoption.

ROLL CALL: 31 yes, 1 abstain (Heiser), 4 absent. RESOLUTION NO. 36—2024-25 IS ADOPTED.

Resolution No. 37—2024-25 – Finance Committee. Authorize and approve that the following Development and Land Services accounts shall not lapse to the County's General Fund: Contract with CHM Government Services for Campground Feasibility Study for County-owned Trapper's Lane properties; Contract with Pro-West for NG911 Implementation; and Contract with TriMin Systems for Recorded Document Back Indexing project, as noted on the attachments.

Supervisor Patience moved, seconded by Supervisor Croatt, for adoption.

ROLL CALL: 32 yes, 4 absent. RESOLUTION NO. 37—2024-25 IS ADOPTED.

Resolution No. 38—2024-25 – Finance Committee. Authorize and approve the unused levy from 2019 in the amount of 1.903% of the county's valuation be carried forward, as noted on the resolution and attachments.

Supervisor Croatt moved, seconded by Supervisor Lawrence, for adoption.

ROLL CALL: 32 yes, 4 absent. RESOLUTION NO. 38—2024-25 IS ADOPTED.

Resolution No. 39—2024-25 – Legislative/Audit and Human Resources Committee. Approve the Administrative Rule AR-2024-01 (attached), replacing AR-2023-02, which amends the County Employee Handbook with adjustments and clarifying language to reflect current practice in several areas (as noted on the resolution and attachments), and will be on file in the County Clerk's Office in a manual labeled "Outagamie County Administrative Rules".

Supervisor Spears moved, seconded by Supervisor Weinberg, for adoption.

ROLL CALL: 32 yes, 4 absent. RESOLUTION NO. 39—2024-25 IS ADOPTED.

RECONSIDERATION OF ALL APPOINTMENTS AND RESOLUTION NOS. Z-5, 32, 33, 34, 35, 36, 37, 38 AND 39 —2024-25.

Supervisor Smith moved, seconded by Supervisor Patience, to reconsider all appointments and the above listed resolutions.

Outagamie County **7-23-24 County Board Meeting - July 23 2024 07:36:03 PM**

July 23, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: Z-5—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Town of Buchanan has adopted a comprehensive Zoning Ordinance separate from that of Outagamie County. Section 60.62 (3) of the Wisconsin State Statutes require that all zoning amendments made by the Town of Buchanan be approved by Outagamie County before they are effective. The Outagamie County Planning Staff and Zoning Committee both recommend approval.

NOW THEREFORE, the undersigned members of the Agriculture, Extension Education, Zoning and Land Conservation Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does approve of the proposed rezoning request for JBW Properties LLC. The proposed rezoning is for parcel 030065702, from the General Agriculture District, the Local Commercial District, and the Industrial District to the Industrial District only. The parcel is located east of State Road 55 in the Town of Buchanan, Outagamie County, WI, as depicted on the attached review and map, which by reference are made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a certified copy of this resolution to the Outagamie County Zoning Administrator and the Clerk of the Town of Buchanan.

Dated this 23rd day of July, 2024

Respectfully Submitted,

AGRICULTURE, EXTENSION EDUCATION, ZONING & LAND CONSERVATION COMMITTEE

MEMORANDUM

TO: Outagamie County Zoning Committee
FROM: Sadie DiNatale Burda, Deputy Director
DATE: June 12, 2024
RE: PL202400248: Town Rezoning, Review and Recommendation

Application Details:

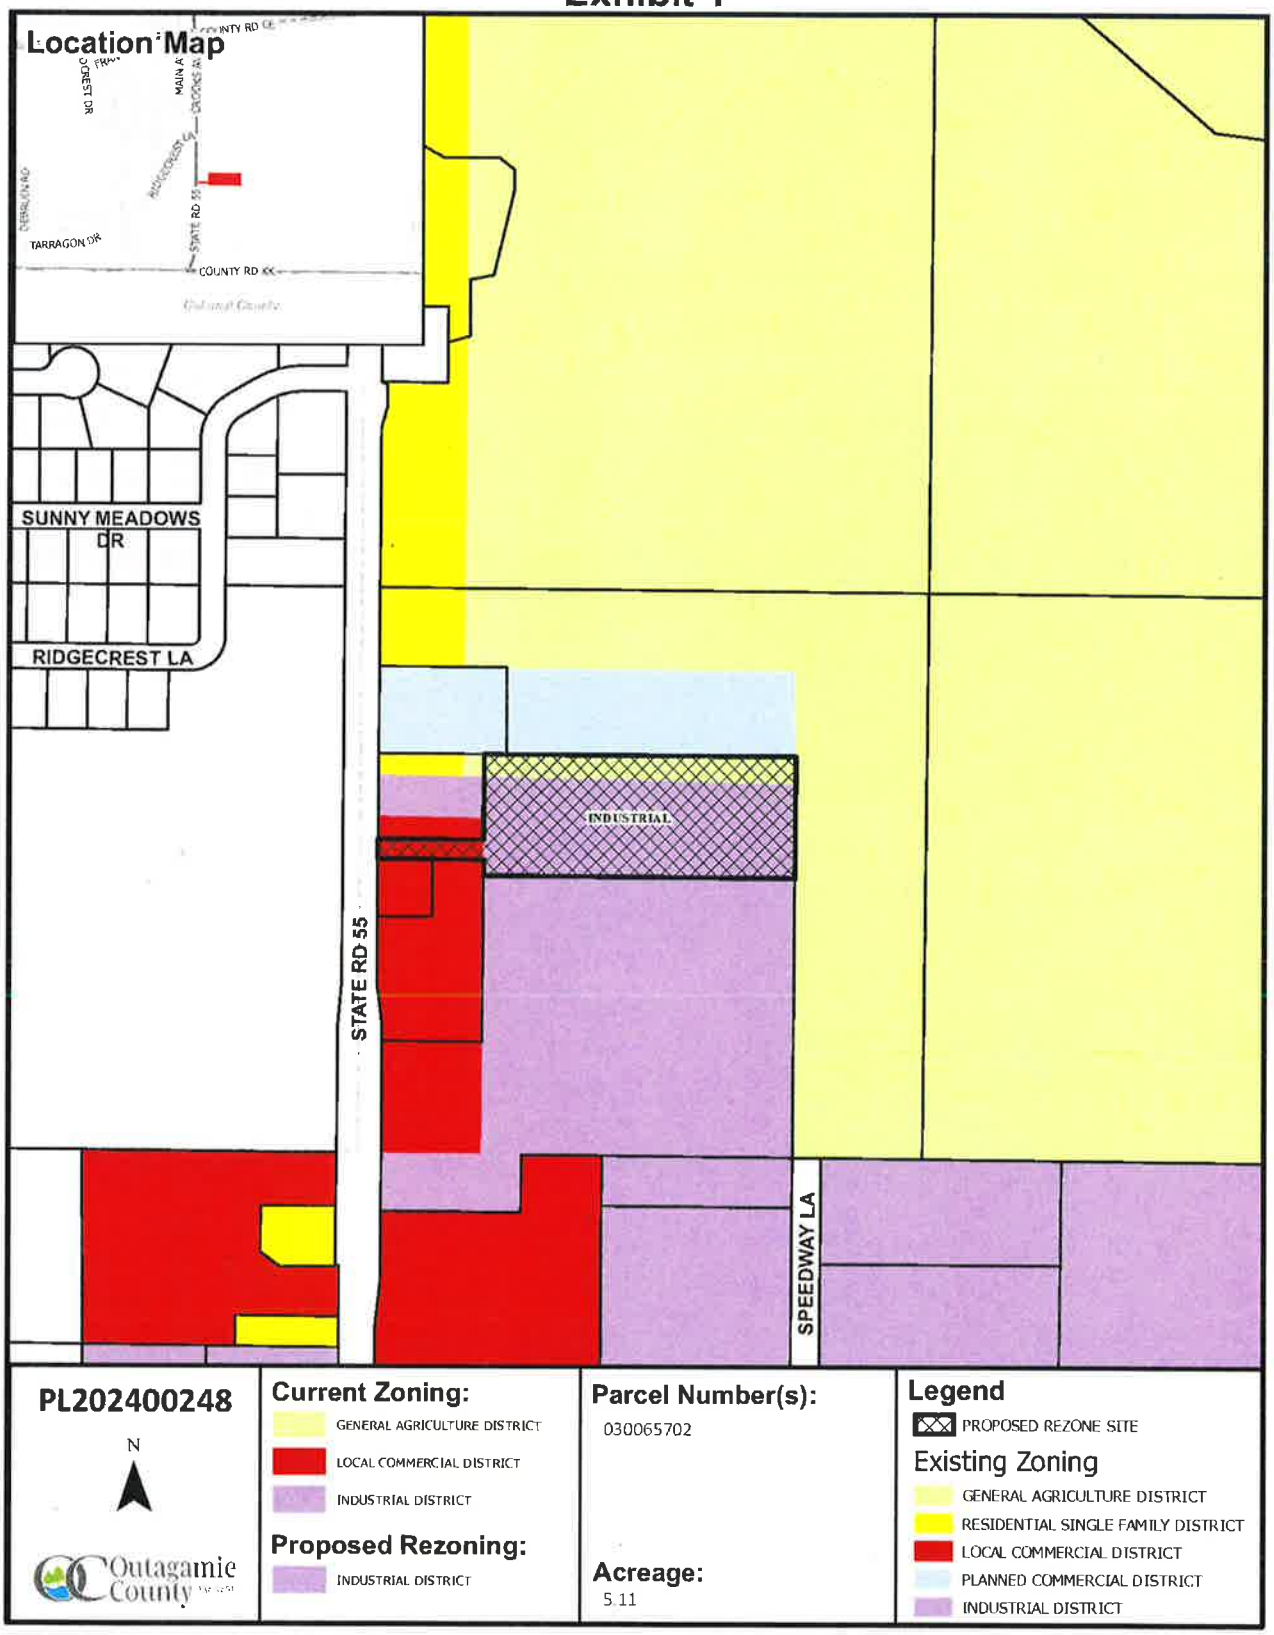
Applicant/Owner:	Town of Buchanan, Applicant on behalf of JBW Properties LLC (Owner)
Request:	Rezoning - Town
Parcels:	030065702
Location:	East of State Road 55 Town of Buchanan
Public Hearing:	May 14, 2024 at 7:00 PM held by the Town of Buchanan

Background:

Outagamie County received a Town Rezoning request from the Town of Buchanan, as depicted on the attached Rezoning Map. The proposal would rezone parcel 030065702 (5.11 acres) from the General Agriculture District, the Local Commercial District, and the Industrial District to the Industrial District only. The rezoning would accommodate the existing use (a truss manufacturing business) and the proposed expansion of the existing use.

The Town of Buchanan exercises village powers and adopted General Town Zoning. The Town of Buchanan is required to find this rezoning consistent with its Comprehensive Plan. They have identified the rezoning to be consistent with its Comprehensive Plan Future Land Use Map, which identifies the area as "Commercial and Retail Service Hub (middle)" which allows for industrial zoning.

Outagamie County concurs that the rezone is also consistent with the County Comprehensive Plan Future Land Map, which identifies the area as "Community Mixed Use." This designation potentially allows for industrial land uses and activities.



The Buchanan Town Board voted to approve the rezoning request on May 21, 2024.

Staff Recommendation:

Based on County staff's review of this proposed Town Rezoning, Staff recommends to: approve the rezoning of parcel 030065702 from the General Agriculture District, the Local Commercial District, and the Industrial District to the Industrial District only.

***Lock-in Request* Due to Outagamie County Board of Supervisors' summer meeting schedule, County Staff requests that the Board's decision be locked-in at the first County Board meeting where the request is considered.**

PLAN COMMISSION MEETING:	**May 14, 2024**	**AGENDA ITEM #: 7a**
ACTION TYPE:	**Legislative**	**(For Approval/Denial)**

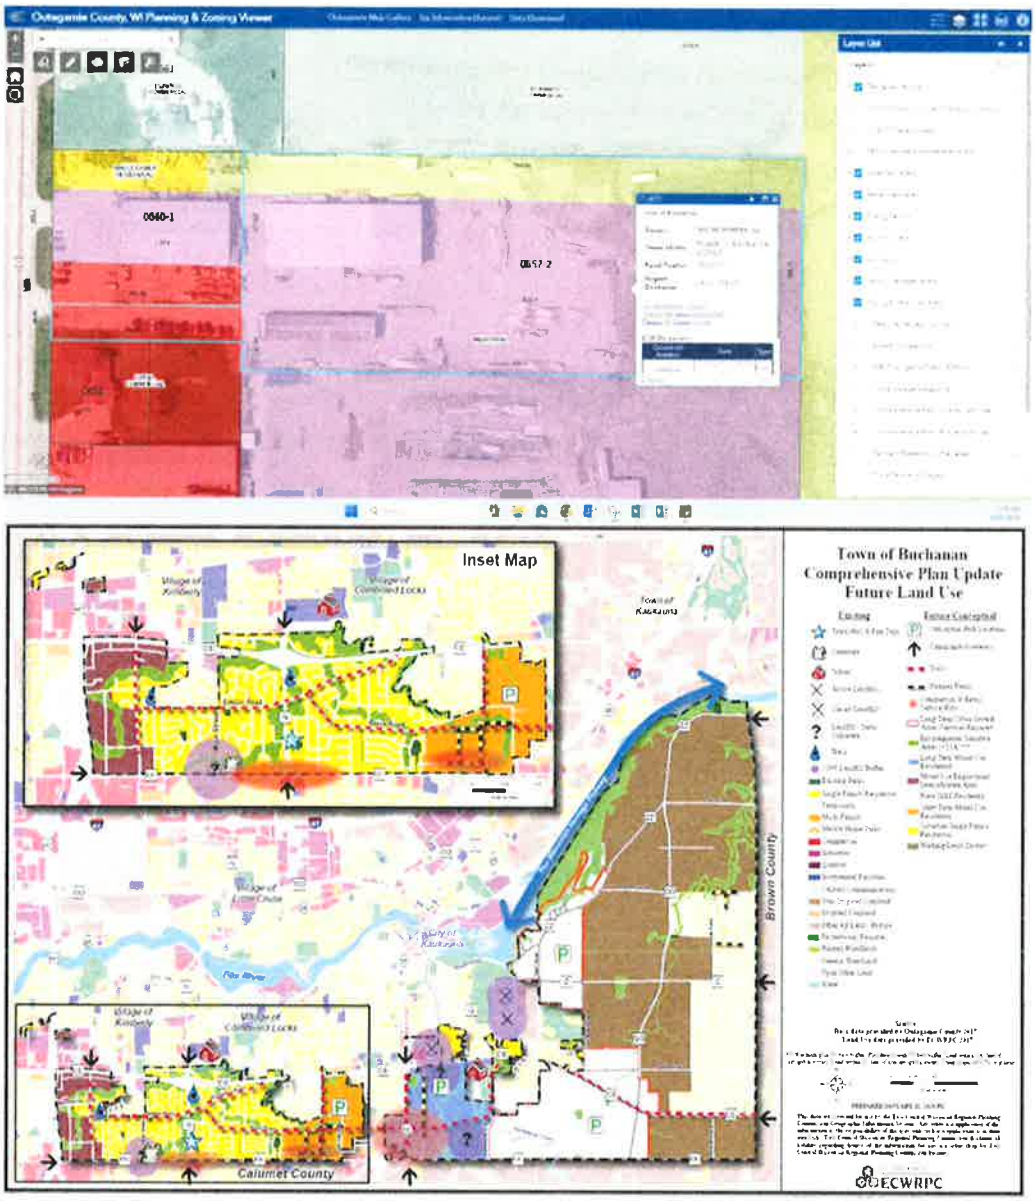
"In the Spirit of Town Government"

AGENDA MEMORANDUM

To:	Plan Commission Chairperson and Members
From:	Michael J.D. Brown, Administrator
Date:	May 14, 2024
RE:	**Rezoning of N250 State Rd 55 Parcel 030065702**

SUMMARY: Mike Klarner with Fox Structures, Inc, applicant, submitted a rezoning request on behalf of the owner JBW Properties for N250 State Rd 55 Parcel 030065702 in order to rezone the property from AGD General Agriculture and CL Local Commercial to Ind Industrial. The property currently is zoned General Agriculture (northern strip of property), Local Commercial (driveway entrance area) and Industrial (majority of property). A building permit was submitted for an addition to the north side of the existing building; however, that portion of the property is zoned General Agriculture and site plan approval will also be required prior to issuance of a building permit. The existing and proposed use of the property is a truss manufacturing business and therefore requires industrial zoning.

In order for the Town to rezone it must find the request is consistent with the comprehensive plan which indicates this area is Commercial & Retail Service Hub (middle) which allows for industrial zoning and is consistent with the majority of the existing zoning of the property as well as the manufacturing use.



RECOMMENDED ACTION: If the Commission finds the request to be consistent with the Comprehensive Plan staff recommends approval and the following motion may be made.

Motion to recommend approval of Resolution 2024-07 to the Town Board.

Outagamie County — 7-23-24 County Board Meeting - July 23 2024 07:36:51 PM

July 23, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 32—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Wisconsin Department of Transportation (WisDOT) is planning for reconstruction of the I-41 corridor which includes interchanges with local highways. The interchange of County E (Ballard Road) has been identified as one of those to be reconstructed within the project limits. The existing interchange will be reconstructed as a diverging diamond interchange. County E will be reconstructed within the project limits and bicycle lanes will be added. Additional work will entail removal and replacement of existing pavement and storm sewers, replacement of the existing overpass structure with two new bridge structures, and construction of new sign structures, retaining walls, traffic signals, signing, pavement markings, and incidentals. Non-participating work that is being incorporated into the project includes reconstruction of the County E & Capitol Drive intersection, landscaping and aesthetic treatments. Current WisDOT policy prevents the use of state funds on local intersection improvements that occur outside the interchange touchdown points and aesthetic elements adjacent to, or part of, a state highway improvement project and require local participation. Construction is currently scheduled for 2025. Outagamie County's share is currently estimated to be $411,000 for non-participating items. The county share of the project cost is to be funded within future budgets.

As shown in the State/Municipal Financial Agreement (SMFA), Outagamie County will share the total cost of non-participating items with the City of Appleton in a 50%-50% split. This resolution authorizes the Outagamie County Highway Commissioner to enter into a SMFA for this state-let improvement project and to support future funding for the County E interchange reconstruction project.

NOW THEREFORE, the undersigned members of the Highway, Recycling and Solid Waste Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize the Highway Commissioner to enter into a State/Municipal Financial Agreement for the County E interchange reconstruction project, as noted on the attached State/Municipal Financial Agreement for a State-Let Highway Project document, which by reference is made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize funding for the county share of the project costs to be included in future budgets as noted on the attached fiscal note which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Highway Commissioner and the Outagamie County Finance Director.

Dated this 23rd day of July 2024

Respectfully Submitted,

HIGHWAY, RECYCLING AND SOLID WASTE COMMITTEE

WISCONSIN DEPARTMENT OF TRANSPORTATION	**STATE/MUNICIPAL FINANCIAL AGREEMENT FOR A STATE- LET HIGHWAY PROJECT**	Date:March 12, 2024 I.D.:1130-65-76 (Design 1130-63-01) Road Name: IH 41 Title: Appleton – De Pere Limits: Ballard Rd (CTH E) Intchg County: Outagamie Roadway Length: 0.51 Miles

The signatories Outagamie County and City of Appleton, hereinafter called the Municipality, through its undersigned duly authorized officers or officials, hereby requests the State of Wisconsin Department of Transportation, hereinafter called the State, to initiate and affect the highway or street improvement hereinafter described.

The authority for the Municipality to enter into this agreement with the State is provided by Section 86.25(1), (2), and (3) of the Statutes.

NEEDS AND ESTIMATE SUMMARY:

Existing Facility - Describe and give reason for request: The I-41 Project corridor, which has four travel lanes – two in each direction – is congested and sees a higher rate of crashes than similarly configured freeways in Wisconsin. By federal standards, the project area has multiple roadway design deficiencies, and much of its pavement and several bridges are nearing the end of their useful lives and must be replaced.

Much of the original pavement in the corridor was built in the 1960s and has reached the end of its useful life, meaning further rehabilitations are no longer cost-effective. The project corridor also has narrow road shoulders, outdated ramp designs, and interchanges spaced too closely to one another – deficiencies that can contribute to safety and operational problems.

The I 41 and County E (Ballard Road) interchange will be reconstructed to address safety and capacity concerns.

Proposed Improvement - Nature of work: WisDOT identified the diverging diamond interchange as the preferred alternative for the County E interchange. At the County E interchange, the diverging diamond interchange (DDI) is the safest interchange option, has the best traffic operations, and has the support of Outagamie County and the municipalities. Impacts between alternatives considered are not substantially different.

County E will be reconstructed, and bike lanes will be added from Capitol Drive to Evergreen Drive. Sidewalk and shared use paths impacted by reconstruction will be replaced. New storm sewer will be installed withing the project limits. The existing structures carrying County E over I 41 will be replaced with structures B-44-0324 and B-44-0325. Retaining walls R-44-0040 and R-44-0041 will be constructed. Sign structures S-44-0367, S-44-0369, S-44-0370, S-44-0371, S-44-0372, and S-44-0373, New traffic signals will be installed at the I 41/ County E ramp terminals. MUTCD compliant signing and pavement markings will be installed with the project.

Describe non-participating work included in the project and other work necessary to finish the project completely which will be undertaken independently by the municipality: The core and west approach to the County E/ Capitol Drive intersection will be reconstructed to allow for the addition of an eastbound left turn lane (two total eastbound left tun lanes after reconstruction). Bike lanes will be constructed on both sides of the roadway. Sidewalk will be replaced on the north side of the roadway. The limits of the reconstruction of Capitol Drive extend from the core of the County E/ Capitol Drive intersection to 250 ft west of Commerce Court.

Work along Capitol Drive and Ballard and Capitol Drive intersection core will also include storm sewer installation, erosion control, fertilizer/seed/ mulch, permanent signing, traffic signals, pavement marking and temporary traffic control.

Landscaping elements such as trees, bushes, and grass will be added to the medians and islands of the IH 41 and Ballard Road diverging diamond interchange (DDI).

City of Appleton Intelligent Transportation Systems (ITS) infrastructure will be added to the IH 41 and Ballard Road DDI.

This request shall constitute agreement between the Municipality and the State; is subject to the terms and conditions that follow (pages [1] – [6]); is made by the undersigned under proper authority to make such request for the designated Municipality, upon signature by the State, upon fully executed signature of applicable State Municipal Maintenance Agreement and delivery to the Municipality. The initiation and accomplishment of the improvement will be subject to the applicable federal and state regulations. No term or provision of neither the State/Municipal Financial Agreement nor any of its attachments may be changed, waived or terminated orally but only by an instrument in writing executed by both parties to the State/Municipal Financial Agreement.

TERMS AND CONDITIONS:

1. The Municipality shall pay to the State all costs incurred by the State in connection with the improvement which exceeds federal/state financing commitments or are ineligible for federal/state financing. Local participation shall be limited to the items and percentages set forth in the Summary of Costs table, which shows Municipal funding participation. In order to guarantee the Municipality's foregoing agreements to pay the State, the Municipality, through its above duly authorized officers or officials, agrees and authorizes the State to set off and withhold the required reimbursement amount as determined by the State from General Transportation Aids or any moneys otherwise due and payable by the State to the Municipality.

2. Funding of is subject to inclusion in an approved program and per the State's Facility Development Manual (FDM) standards. Federal aid and/or state transportation fund financing will be limited to participation in the costs of the following items as specified in the Summary of Costs:

   (a) Design engineering and state review services.

   (b) Real Estate necessitated for the improvement.

   (c) Compensable utility adjustment and railroad force work necessitated for the project.

   (d) The grading, base, pavement, curb and gutter, and structure costs to State standards, excluding the cost of parking areas.

   (e) Storm sewer mains, culverts, laterals, manholes, inlets, catch basins, and connections for surface water drainage of the improvement; including replacement and/or adjustments of existing storm sewer manhole covers and inlet grates as needed.

(f) Construction engineering incidental to inspection and supervision of actual construction work, except for inspection, staking, and testing of sanitary sewer and water main.

(g) Signing and pavement marking necessitated for the safe and efficient flow of traffic, including detour routes.

(h) Replacement of existing sidewalks necessitated by construction and construction of new sidewalk at the time of construction. Sidewalk is considered to be new if it's constructed in a location where it has not existed before.

(i) Replacement of existing driveways, in kind, necessitated by the project.

(j) New installations or alteration resulting from roadway construction of standard State street lighting and traffic signals or devices. Alteration may include salvaging and replacement of existing components.

(k) WisDOT will replace the existing trees located in the median of the Ballard Road interchange.

3. Work necessary to complete the improvement to be financed entirely by the Municipality or other utility or facility owner includes the following items:

(a) New installations of or alteration of sanitary sewers and connections, water, gas, electric, telephone, telegraph, fire or police alarm facilities, parking meters, and similar utilities.

(b) New installation or alteration of signs not necessary for the safe and efficient flow of traffic.

(c) Roadway and bridge width in excess of standards.

(d) Construction inspection, staking, and material testing and acceptance for construction of sanitary sewer and water main.

(e) Provide complete plans, specifications, and estimates for sanitary sewer and water main work. The Municipality assumes full responsibility for the design, installation, inspection, testing, and operation of the sanitary sewer and water system. This relieves the State and all of its employees from the liability for all suits, actions, or claims resulting from the sanitary sewer and water system construction.

(f) Parking lane costs.

(g) Coordinate, clean up, and fund any hazardous materials encountered for city utility construction. All hazardous material cleanup work shall be performed in accordance to state and federal regulations.

(h) Ballard and Capitol Intersection costs.

- Compensable utility adjustment and railroad force work necessitated for the project.
- The grading, base, pavement, curb and gutter, and structure costs to State standards
- Storm sewer mains, culverts, laterals, manholes, inlets, catch basins, and connections for surface water drainage of the improvement; including replacement and/or adjustments of existing storm sewer manhole covers and inlet grates as needed.
- Signing and pavement marking necessitated for the safe and efficient flow of traffic.
- Replacement of existing sidewalks necessitated by construction and construction of new sidewalk at the time of construction. Sidewalk is considered to be new if it's constructed in a location where it has not existed before.
- Replacement of existing driveways, in kind, necessitated by the project.
- New installations or alteration resulting from roadway construction of standard street lighting and traffic signals or devices. Alteration may include salvaging and replacement of existing components.

(i) Ballard Road Interchange Landscaping (CSS)

(j) City of Appleton Intelligent Transportation System (ITS)

4. As the work progresses, the Municipality will be billed for work completed which is not chargeable to federal/state funds. Upon completion of the project, a final audit will be made to determine the final division of costs.

5. If the Municipality should withdraw the project, it shall reimburse the State for any costs incurred by the State in behalf of the project.

6. The work will be administered by the State and may include items not eligible for federal/state participation.

7. The Municipality shall, in cooperation with the State, assist with public relations for the project and announcements to the press and such outlets as would generally alert the affected property owners and the community of the nature, extent, and timing of the project and arrangements for handling traffic within and around the project.

8. Basis for local participation:

The Project Agreement will be revised if necessary, as the project progresses. All costs shown are approximate and subject to final audit.

Construction ID 1130-65-76

Ballard Rd Interchange

The State will pay 100% of the construction costs under Ballard Rd Interchange unless otherwise noted.

Ballard and Capitol Intersection

In accordance with Local Participation Policy Section 3-25-5 of the State's Program Management Manual proposed improvements requested by the Municipality within the project limits, but outside the original project scope, are considered 100% the responsibility of the Municipality.

Ballard Rd Interchange Landscaping (CSS)

In accordance with the Local Participation Policy Section 3-25-5 of the State's Program Management Manual Wis. Stat. 85.0205 (1m) prevents the use of improvement funds on elements of a highway improvement project that are determined to be primarily related to the aesthetic preferences of communities adjacent to the improvement. These aesthetic preferences are commonly called community sensitive solutions (CSS) or community sensitive design (CSD).

In accordance with Local Participation Policy Section 3-25-5 of the State's Program Management Manual proposed improvements requested by the Municipality within the project limits, but outside the original project scope, are considered 100% the responsibility of the Municipality.

Ballard Rd Tree Replacement

In accordance with the Local Participation Policy Section 3-25-15 of the State's Program Management Manual landscaping replacement in the median or terrace area that is approved by WisDOT is eligible for WisDOT participation.

Landscaping is 80 percent eligible for WisDOT participation when placement is in the right-of-way or when the municipality or WisDOT legally arranges for placement on private property in cases where there is insufficient space in the right-of-way.

Landscaping will be consistent with the adopted WisDOT standards (limited to trees and shrubs as appropriate), provided the municipality or property owner accepts responsibility for the maintenance of the landscaping items.

City of Appleton Intelligent Transportation System (ITS)

In accordance with Local Participation Policy Section 3-25-5 of the State's Program Management Manual proposed improvements requested by the Municipality within the project limits, but outside the original project scope, are considered 100% the responsibility of the Municipality.

Comments and Clarification: This agreement is an active agreement that may need to be amended as the project is designed. It is understood that these amendments may be needed as some issues have not been fully evaluated or resolved. The purpose of this agreement is to specify the local and state involvement in funding the project. A signed agreement is required before the State will prepare or participate in the preparation of detailed designs, acquire right-of-way, or participate in construction of a project that merits local involvement.

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1674), Controller (1675) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** The Highway Department is requesting approval to enter into a State Municipal Financial Agreement for the County Highway E (Ballard Road) interchange project.

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

The Wisconsin Department of Transportation is reconstructing the interchange at I-41 & CTH E (Ballard Road). The Highway Department has asked to enter into an agreement to fund non-participating items as part of the reconstruction. There will be a 50/50 cost share with the City of Appleton. The County's estimated cost is $411,000 to be covered in future budgets.

The request is to allow the Highway Department to enter into the State Municipal Financial Agreement and support future funding for the reconstruction project.

Current Year Budget Impact (Check one or more of the following boxes)

[ ] Revenues [X] Expenses (Cost) [ ] None

3. Is the specific cost or revenue included in the current year's budget? yes ( ) no ( ) partially ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes (x) no ( ) n/a ( )

5. Is the proposal to accept additional revenues only? yes ( ) no (x)

6. Does this request modify/adjust the current year budget? yes ( ) no (x)
If no, skip to question 8 below.

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

Outagamie County **7-23-24 County Board Meeting - July 23 2024 07:37:32 PM**

July 23, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 33—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Outagamie County Highway Department previously entered into a State/Municipal Agreement for the County Z project from County ZZ to Outagamie Road in order to accept STP-Rural funding and begin engineering for the project in 2020.

The State recently increased the amount of available funding through the STP-Rural Local Program. The Highway Department is requesting approval to enter into a revised State/Municipal Agreement for the project to reflect updated funding levels. The updated State/Municipal Agreement increases state/federal participation by $1,504,410, thereby reducing County participation by the equivalent amount. The county share of the project cost is to be funded within a future budget (2025).

NOW THEREFORE, the undersigned members of the Highway, Recycling and Solid Waste Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize the Outagamie County Highway Commissioner to enter into a revised State/Municipal Agreement for the County Z improvement project, as noted on the attached 3rd Revision State/Municipal Agreement for A State-Let STP-Rural Program, which by reference is made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize funding for the county share of the project costs to be included in a future budget (2025) as noted on the attached fiscal note which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Highway Commissioner and the Outagamie County Finance Director.

Dated this 23rd day of July 2024

Respectfully Submitted,

HIGHWAY, RECYCLING AND SOLID WASTE COMMITTEE

	3rd REVISION **STATE/MUNICIPAL AGREEMENT FOR A STATE- LET STP-RURAL PROGRAM** *This agreement supersedes the agreement signed by the Municipality on December 18, 2020 and signed by State on December 21, 2020.* **Program Name: STP-RURAL** **Sub-program #: 206** **Cycle: 2020-2025**	Revised Date: MAY 29, 2024 Date: MAY 11, 2020 I.D.: 4679-02-00/01/71 Road Name: CTH Z Limits: CTH ZZ – OUTAGAMIE ROAD County: OUTAGAMIE Roadway Length: 2.0 MILES Functional Classification: MAJOR COLLECTOR Project Sponsor: OUTAGAMIE COUNTY

The signatory, Outagamie County, hereinafter called the Municipality, through its undersigned duly authorized officers or officials, hereby requests the State of Wisconsin Department of Transportation, hereinafter called the State, to initiate and effect the highway or street improvement hereinafter described.

The authority for the Municipality to enter into this agreement with the State is provided by Sections 86.25(1), (2), and (3) and Section 66.0301 of the Statutes.

NEEDS AND ESTIMATE SUMMARY:

All components of the project must be defined in the environmental document if any portion of the project is federally funded. The Municipality agrees to complete all participating and any non-participating work included in this improvement consistent with the environmental document. No work on final engineering and design may occur prior to approval of the environmental document.

Existing Facility - Describe and give reason for request: **CTH Z is a major collector that last experienced an improvement in 2005. The pavement is near the end of its useful life with a pavement rating of 4 and is experiencing longitudinal and transverse cracking that has settled causing poor ride quality. The existing cross section is substandard with no paved shoulders and 3 foot or less gravel shoulders in areas. Steep foreslopes and backslopes exist, creating a potential for severe crashes with poor clear zone recovery area for errant vehicles. There are no bicycle or pedestrian accommodations. Drainage issues exist along portions of the highway. There are three (3) navigable waterways within the project limits. No horizontal curves exist. Vertical curves will be evalutated for reconstruction to current sight distance standards.**

Proposed Improvement - Nature of work: **The proposed improvement is a reconstruction level improvement. The proposed roadway will be a rural cross section consisting of two (2) 12-foot lanes with 6 foot shoulders, 5-foot paved and 1-foot gravel. Beam guard will be evaluated and replaced where appropriate. There will be extensive grading throughout the project area. Real estate acquisition is anticipated in Fee and temporary limited easements.**

Describe non-participating work included in the project and other work necessary to completely finish the project that will be undertaken independently by the Municipality. Please note that non-participating components of a project/contract are considered part of the overall project and will be subject to applicable federal requirements: **The 0.5 mile segment of CTH Z between CTH ZZ and Kavanaugh Road is within the Appleton Urbanized area boundary and will be included in the reconstruction project as 100% locally funded. State review of design for this segment is under Project ID 4679-02-01.**

The Municipality agrees to the following 2020-2025 STP-Rural project funding conditions:

Project ID 4679-02-00/71 costs are funded with up to 80% federal funding up to a funding limit of $4,963,770. The Municipality agrees to provide the remaining 20% and any funds in excess of the $4,963,770 federal funding limit.

Project ID 4679-02-01 costs are funded with 100% local funding. Non-participating costs are 100% the responsibility of the Municipality. Any work performed by the Municipality prior to federal authorization is not eligible for federal funding. The Municipality will be notified by the State that the project is authorized and available for charging.

This project is currently scheduled in State Fiscal Year 2025. **In accordance with the State's sunset policy for STP-Rural projects, the subject 2020-2025 STP-Rural improvement must be constructed and in final acceptance within six years from the start of State Fiscal Year 2021, or by June 30, 2026.** Extensions may be available upon approval of a written request by or on behalf of the Municipality to State. The written request shall explain the reasons for project implementation delay and revised timeline for project completion.

The dollar amounts shown in the Summary of Costs Table below are estimates. The final Municipal share is dependent on the final federal participation, and actual costs will be used in the final division of cost for billing and reimbursement. In no event shall federal funding exceed the estimate of $3,459,360 in the Summary of Costs Table, unless such increase is approved in writing by the State through the State's Change Management Policy prior to the Municipality incurring the increased costs.

	SUMMARY OF COSTS				
PHASE	**Total Est. Cost**	**Federal Funds**	**%**	**Municipal Funds**	**%**
ID 4679-02-00

*Design ID# 4679-02-00 federal funding is limited to **$521,120.**
*Construction ID# 4679-02-71 federal funding is limited to **$4,442,650**.

This request is subject to the terms and conditions that follow and is made by the undersigned under proper authority to make such request for the designated Municipality and upon signature by the State and delivery to the Municipality shall constitute agreement between the Municipality and the State. No term or provision of neither the State/Municipal Agreement nor any of its attachments may be changed, waived or terminated orally but only by an instrument in writing executed by both parties to the State/Municipal Agreement.

Signatures certify the content has not been altered by the municipality.

GENERAL TERMS AND CONDITIONS:

1. All projects must be in an approved Transportation Improvement Program (TIP) or State Transportation Improvement Program (STIP) prior to requesting authorization.

2. Work prior to federal authorization is ineligible for federal funding.

3. The Municipality, throughout the entire project, commits to comply with and promote all applicable federal and state laws and regulations that include, but are not limited to, the following:

    a. Environmental requirements, including but not limited to those set forth in the 23 U.S.C. 139 and National Environmental Policy Act (42 U.S.C. 4321 et seq.)

    b. Equal protection guaranteed under the U.S. Constitution, WI Constitution, Title VI of the Civil Rights Act and Wis. Stat. 16.765. The municipality agrees to comply with and promote applicable Federal and State laws, Executive Orders, regulations, and implementing requirements intended to provide for the fair and equitable treatment of individuals and the fair and equitable delivery of services to the public. In addition the Municipality agrees not to engage in any illegal discrimination in violation of applicable Federal or State laws and regulations. This includes but is not limited to Title VI of the Civil Rights Act of 1964 which provides that "no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance." The Municipality agrees that public funds, which are collected in a nondiscriminatory manner, should not be used in ways that subsidize, promote, or perpetuate illegal discrimination based on prohibited factors such as race, color, national origin, sex, age, physical or mental disability, sexual orientation, or retaliation.

    c. Prevailing wage requirements, including but not limited to 23 U.S.C 113.

    d. Buy America Provision and its equivalent state statutes, set forth in 23 U.S.C. 313 and Wis. Stat. 16.754.

    e. Competitive bidding and confidentiality requirements set forth in 23 U.S.C 112 and Wis. Stat. 84.06. This includes the sharing of financial data prior to the conclusion of the competitive bid period.

    f. All applicable Disadvantaged Business Enterprise (DBE) requirements that the State specifies.

    g. Federal statutes that govern the Surface Transportation Program (STP), including but not limited to 23 U.S.C. 133.

    h. General requirements for administrating federal and state aids set forth in Wis. Stat. 84.03.

STATE RESPONSIBILITIES AND REQUIREMENTS:

4. Funding of each project phase is subject to inclusion in Wisconsin's approved 2020-2025 STP-Rural program. Federal funding will be limited to participation in the costs of the following items, as applicable to the project:

    a. The grading, base, pavement, and curb and gutter, sidewalk, and replacement of disturbed driveways in kind.

    b. The substructure, superstructure, grading, base, pavement, and other related bridge and approach items.

    c. Storm sewer mains necessary for the surface water drainage.

    d. Catch basins and inlets for surface water drainage of the improvement, with connections to the storm sewer main.

e. Construction engineering incident to inspection and supervision of actual construction work (except for inspection, staking, and testing of sanitary sewer and water main).

f. Signing and pavement marking.

g. New installations or alteration of street lighting and traffic signals or devices.

h. Landscaping.

i. Preliminary engineering and design.

j. State review services.

5. The work will be administered by the State and may include items not eligible for federal participation.

6. As the work progresses, the State will bill the Municipality for work completed that is not chargeable to federal/state funds. Upon completion of the project, a final audit will be made to determine the final division of costs subject to funding limits in the Summary of Costs Table. If reviews or audits show any of the work to be ineligible for federal/state funding, the Municipality will be responsible for any withdrawn costs associated with the ineligible work.

MUNICIPAL RESPONSIBILITIES AND REQUIREMENTS:

7. Work necessary to complete the 2020-2025 STP-Rural improvement project to be financed entirely by the Municipality or other utility or facility owner includes the items listed below.
   a. New installations of or alteration of sanitary sewers and connections, water, gas, electric, telephone, telegraph, fire or police alarm facilities, parking meters, and similar utilities.

   b. Damages to abutting property after project completion due to change in street or sidewalk widths, grades or drainage.

   c. Detour routes and haul roads. The municipality is responsible for determining the detour route.

   d. Conditioning, if required and maintenance of detour routes.

   e. Repair of damages to roads or streets caused by reason of their use in hauling materials incident to the improvement.

   f. All work related to underground storage tanks and contaminated soils.

   g. Real estate for the improvement.

   h. Street and bridge width in excess of standards, in accordance with the current WisDOT Facilities Development Manual (FDM).

   i. Other 100% Municipality funded items: State review costs for design ID 4679-02-01 and all items associated with the reconstruction of CTH Z from CTH ZZ to Kaukauna Road.

8. The construction of the subject improvement will be in accordance with the appropriate standards unless an exception to standards is granted by State prior to construction. The entire cost of the construction project, not constructed to standards, will be the responsibility of the Municipality unless such exception is granted.

9. Work to be performed by the Municipality without federal funding participation necessary to ensure a complete improvement acceptable to the Federal Highway Administration and/or the State may be done in a manner at the election of the Municipality but must be coordinated with all other work undertaken during construction.

10. The Municipality is responsible for financing administrative expenses related to Municipal project responsibilities.

11. The Municipality will include in all contracts executed by them a provision obligating the contractor not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability as defined in Wis. Stat. 51.01 (5), sexual orientation as defined in Wis. Stat. 111.32 (13m), or national origin.

12. The Municipality will pay to the State all costs incurred by the State in connection with the improvement that exceed federal/state financing commitments or are ineligible for federal/state financing. To guarantee the Municipality's foregoing agreements to pay the State, the Municipality, through its above duly authorized officers or officials, agrees and authorizes the State to set off and withhold the required reimbursement amount as determined by the State from any moneys otherwise due and payable by the State to the Municipality.

13. **In accordance with the State's sunset policy for STP-Rural projects, the subject 2020-2025 STP-Rural improvement must be constructed and in final acceptance within six years from the start of State Fiscal Year 2021, or by June 30, 2026.** Extensions may be available upon approval of a written request by or on behalf of the Municipality to State. The written request shall explain the reasons for project implementation delay and revised timeline for project completion.

14. If the Municipality should withdraw the project, it will reimburse the State for any costs incurred on behalf of the project.

15. The Municipality will at its own cost and expense:

    a. Maintain all portions of the project that lie within its jurisdiction (to include, but not limited to, cleaning storm sewers, removing debris from sumps or inlets, and regular maintenance of the catch basins, curb and gutter, sidewalks and parking lanes [including snow and ice removal]) for such maintenance in a manner consistent with reasonable industry standards, and will make ample provision for such maintenance each year.

    b. Regulate [or prohibit] parking at all times in the vicinity of the proposed improvements during their construction.

    c. Regulate [or prohibit] all parking at locations where and when the pavement area usually occupied by parked vehicles will be needed to carry active traffic in the street.

    d. Assume general responsibility for all public information and public relations for the project and to make fitting announcement to the press and such outlets as would generally alert the affected property owners and the community of the nature, extent, and timing of the project and arrangements for handling traffic within and around the project.

    e. Provide complete plans, specifications, and estimates to State upon request.

    f. Provide relocation orders and real estate plats to State upon request.

    g. Use the *WisDOT Utility Accommodation Policy* unless it adopts a policy, which has equal or more restrictive controls.

    h. Provide maintenance and energy for lighting.

    i. Provide proper care and maintenance of all landscaping elements of the project including replacement of any plant materials damaged by disease, drought, vandalism or other cause.

16. It is further agreed by the Municipality that:

    a. The Municipality assumes full responsibility for the design, installation, testing and operation of any sanitary sewer and water main infrastructure within the improvement project and relieves the state

and all of its employees from liability for all suits, actions, or claims resulting from the sanitary sewer and water main construction under this agreement.

b. The Municipality assumes full responsibility for the plans and special provisions provided by their designer or anyone hired, contracted or otherwise engaged by the Municipality. The Municipality is responsible for any expense or cost resulting from any error or omission in such plans or special provisions. The Municipality will reimburse State if State incurs any cost or expense in order to correct or otherwise remedy such error or omission or consequences of such error or omission.

c. The Municipality will be 100% responsible for all costs associated with utility issues involving the Contractor, including costs related to utility delays.

d. All signs and traffic control devices and other protective structures erected on or in connection with the project including such of these as are installed at the sole cost and expense of the Municipality or by others, will be in conformity with such *Manual of Uniform Traffic Control Devices* as may be adopted by the American Association of State Highway and Transportation Officials, approved by the State, and concurred in by the Federal Highway Administration.

e. The right-of-way available or provided for the project will be held and maintained inviolate for public highway or street purposes. Those signs prohibited under federal aid highway regulations, posters, billboards, roadside stands, or other private installations prohibited by federal or state highway regulations will not be permitted within the right-of-way limits of the project. The Municipality, within its jurisdictional limits, will remove or cause to be removed from the right-of-way of the project all private installations of whatever nature which may be or cause an obstruction or interfere with the free flow of traffic, or which may be or cause a hazard to traffic, or which impair the usefulness of the project and all other encroachments which may be required to be removed by the State at its own election or at the request of the Federal Highway Administration, and that no such installations will be permitted to be erected or maintained in the future.

f. The Municipality is responsible for any damage caused by legally hauled loads, including permitted oversize and overweight loads. The contractor is responsible for any damage caused to haul roads if the contractor does not obey size and weight laws, use properly equipped and maintained vehicles, and does not prevent spilling of materials onto the haul road (WisDOT *Standard Specifications* 618.1, 108.7, 107.8). The local maintaining authority can impose special or seasonal weight limitations as defined in Wis. Stat. 349.16, but this should not be used for the sole purpose of preventing hauling on the road.

The bid item 618.0100 Maintenance and Repair of Haul Roads (project) is ineligible for federal funding on local program projects as per the State/Municipal Agreement. The repair of damages as a result of hauling materials for the project is the responsibility of the Municipality as specified in the State/Municipal Agreement Terms and Conditions under "Municipal Responsibilities and Requirements."

LEGAL RELATIONSHIPS:

17. The State shall not be liable to the Municipality for damages or delays resulting from work by third parties. The State also shall be exempt from liability to the Municipality for damages or delays resulting from injunctions or other restraining orders obtained by third parties.

18. The State will not be liable to any third party for injuries or damages resulting from work under or for the Project. The Municipality and the Municipality's surety shall indemnify and save harmless the State, its officers and employees, from all suits, actions or claims of any character brought because of any injuries or damages received or sustained by any person, persons or property on account of the operations of the Municipality and its sureties; or on account of or in consequence of any neglect in safeguarding the work; or because of any act or omission, neglect or misconduct of the Municipality or its sureties; or because of any claims or amounts recovered for any infringement by the Municipality and its sureties of patent, trademark or copyright; or from any claims or amounts arising or recovered under the Worker's Compensation Act, relating to the employees of the Municipality and its sureties; or any other law, ordinance, order or decree relating to the Municipality's operations.

19. Contract modification: This State/Municipal Agreement can only modified by written instruments duly executed by both parties. No term or provision of either this State/Municipal Agreement or any of its attachments may be changed, waived or terminated orally.

20. Binding effects: All terms of this State/Municipal Agreement shall be binding upon and inure to the benefits of the legal representatives, successors and executors. No rights under this State/Municipal Agreement may be transferred to a third party. This State/Municipal Agreement creates no third-party enforcement rights.

21. Choice of law and forum: This State/Municipal Agreement shall be interpreted and enforced in accordance with the laws of the State of Wisconsin. The Parties hereby expressly agree that the terms contained herein and in any deed executed pursuant to this State/Municipal Agreement are enforceable by an action in the Circuit Court of Dane County, Wisconsin.

PROJECT FUNDING CONDITIONS

22. Non-appropriation of funds: With respect to any payment required to be made by the State under this State/Municipal Agreement, the parties acknowledge the State's authority to make such payment is contingent upon appropriation of funds and required legislative approval sufficient for such purpose by the Legislature. If such funds are not so appropriated, either the Municipality or the State may terminate this State/Municipal Agreement after providing written notice not less than thirty (30) days before termination.

23. Maintenance of records: During the term of performance of this State/Municipal Agreement, and for a period not less than three years from the date of final payment to the Municipality, records and accounts pertaining to the performance of this State/Municipal Agreement are to be kept available for inspection and audit by representatives of the State. The State reserves the right to audit and inspect such records and accounts at any time. The Municipality shall provide appropriate accommodations for such audit and inspection.

    In the event that any litigation, claim or audit is initiated prior to the expiration of said records maintenance period, the records shall be retained until such litigation, claim or audit involving the records is complete.

24. The Municipality agrees to the following 2020-2025 STP-Rural project funding conditions:

    a. ID 4679-02-00: Design is funded with 80% federal funding up to a funding limit of $521,120 when the Municipality agrees to provide the remaining 20% and any funds in excess of the $521,120 federal funding limit. This phase includes plan development and state review. The work includes project review, approval of required reports and documents and processing the final Plan, Specification & Estimate (PS&E) document for award of the contract. Costs for this phase include an estimated amount for state review activities, to be funded 80% with federal funding and 20% by the Municipality.

    b. ID 4679-02-01: The Municipality is responsible for 100% of design related costs. This phase includes Plan Development and State Review. The work includes project review, approval of required reports and documents and for processing the final PS&E document for award of the contract. Costs include an estimated amount for state review activities.

    c. Real estate is funded 100% by the Municipality. Real estate acquisition is 100% the responsibility of the Municipality.

    d. ID 4679-02-71: Construction:

        i. Costs for roadway reconstruction are funded with 80% federal funding up to a funding limit of $4,442,650, when the Municipality agrees to provide the remaining 20%, and any funds in excess of the $4,442,650 federal funding limit.

        ii. Non-participating costs for roadway reconstruction between CTH ZZ and Kaukauna Road are funded 100% by the Municipality. Costs include construction delivery.

iii. Costs for this phase include an estimated amount for state review activities, to be funded 80% with federal funding and 20% by the Municipality.

[End of Document]

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1674), Controller (1675) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** The Highway Department previously entered into a State/Municipal Agreement for the County Z project from County ZZ to Outagamie Road in order to accept STP-Rural funding and begin engineering for the project in 2020.

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

The Highway Department is requesting approval to enter into a revised State/Municipal Agreement for the project to reflect updated funding levels. The updated State/Municipal Agreement increases state/federal participation by $1,504,410, thereby reducing County participation by the equivalent amount. The county share of the project cost is to be funded within a future budget (2025).

Current Year Budget Impact (Check one or more of the following boxes)

[ ] Revenues [ ] Expenses (Cost) [x] None

3. Is the specific cost or revenue included in the current year's budget? yes ( ) no () n/a ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes () no ( ) n/a (x)

5. Is the proposal to accept additional revenues only? yes ( ) no ( )

6. Does this request modify/adjust the current year budget? yes ( ) no ( )
If no, skip to question 8 below.

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

7-23-24 County Board Meeting - July 23 2024 07:38:12 PM

July 23, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 34—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Appleton International Airport desires to enter into an agreement for branded display advertising with ThedaCare, Inc. The term of the agreement shall be for two (2) years beginning March 1, 2024. Annual sponsorship under the agreement shall be $195,000. The lease revenue has already been included in the 2024 budget, therefore, no budget adjustment is required.

NOW THEREFORE, the undersigned members of the Property, Airport, Recreation and Economic Development Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve the Appleton International Airport entering into an agreement for branded display advertising with ThedaCare, Inc., with no budget adjustment needed as the lease revenue has been included in the 2024 budget as detailed in the attached Agreement for Display Advertising Between Outagamie County and ThedaCare, Inc. and fiscal note, which by reference are made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director and the Appleton International Airport Director.

Dated this 23rd day of July 2024

Respectfully submitted,

PROPERTY, AIRPORT, RECREATION & ECONOMIC DEVELOPMENT COMMITTEE

Dean Culbertson

Lee W. Hammen

Ronald Klemp

Yvonne Monfils

AGREEMENT FOR DISPLAY ADVERTISING

BETWEEN

OUTAGAMIE COUNTY

AND

THEDACARE, INC.

DocuSign Envelope ID: 0C9701BD-C71E-4B06-BF4B-C1C4EDA58C7A

This Agreement for Display Advertising ("Agreement") is effective as of the 1st day of March, 2024 by and between Outagamie County, ("County") and ThedaCare, Inc. ("Company").

NOW, THEREFORE, in consideration of the mutual promises in this Agreement, the parties hereby agree as follows:

1. PREMISES, RENT AND TERM

Company is authorized to display advertisements and content, whether digital, print or through a display box, to promote its business at Appleton International Airport ("Airport"). The annual lease rate during the Term and any renewal thereof for each designated display area under lease within the Airport terminal is set forth in Exhibit B, attached hereto. Exhibit A, attached hereto, sets forth a diagram of locations within the airport terminal along with the approximate square footage occupied by each exhibit. Exhibits A and B are incorporated by reference herein.

The base term of this Agreement shall be for 2 years beginning March 1, 2024 and expiring on February 28, 2026 ("Term"). Company may terminate this Agreement for any reason during the Term or any renewal thereof upon at least ninety (90) days prior written notice of termination to County, served by certified mail with a postmark at least ninety (90) days prior to the proposed termination date. Rent payments shall be annual. Rent for the first year shall be due on June 30, 2024 and shall be due on April 30 for each subsequent year of the Term or extension thereof.

2. CONTENT, OWNERSHIP, AND DUTY TO DISASSEMBLE AND REMOVE EXHIBIT MATERIALS

A. The content of exhibit materials must pertain and be relevant to the promotion of Company's business, be presented in a professional, consistent and tasteful manner and must not cast the County or the Airport in a negative light. All advertising and promotional content must be approved by the Airport Director prior to display. Such approval shall not be unreasonably withheld.

DocuSign Envelope ID: 0C9701BD-C71E-4B06-BF4B-C1C4EDA58C7A

B. All display materials shall be the property of the Company and the Company must maintain the display in good condition. In the event a display is not maintained in good condition, the Airport Director shall provide written notice to the Company and Company shall have ten (10) business days to repair or return the display to good condition. In the event the display is not repaired or returned to good condition within the ten (10) business days, the Airport Director shall be authorized to take down the display at his discretion.

C. Upon giving the proper notice of termination, as set forth in this Agreement, it shall be the duty of the Company to remove all displays on the termination or expiration of the relevant lease period. The Company must also return the premises, upon which the display was located, to its condition prior to the placement of the display, reasonable wear and tear excepted. Failure to remove displays by the expiration or termination date of the lease shall result in holdover status and the Company shall be on a month to month lease for up to two (2) months until such displays are removed. In the event the displays are not removed within two (2) months of the lease termination or expiration date, the Airport Director may remove the displays, repair or return the premises to their previous condition and assess a reasonable charge for such removal and/or repair as needed.

3. NON-EXCLUSIVE LEASE

Although Company shall be assigned specific areas and spaces in the Airport Terminal to display its advertising and promotional content, the Airport reserves the right to display advertising and promotional content for other lessees within the same general area or vicinity as Company's display; however, any other display shall not encroach upon or obstruct the view of Company's display.

4. UTILITIES

In the event a display requires electricity or other utility, the airport shall provide and pay for such utilities.

DocuSign Envelope ID: 0C9701BD-C71E-4B06-BF4B-C1C4EDA58C7A

5. HEADINGS

The article and paragraph headings are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision of this Agreement.

6. TERMINATION BY COUNTY

The Airport Director may terminate this Agreement immediately upon or after any one of the following events:

A. Company defaults on a rental payment of the whole or any part of the amount agreed upon herein for a period of ten (10) days after the time such payments become due; provided that any such amount(s) are not subject to a good faith dispute. This non-payment of an undisputed amount shall be considered a material breach and as such is subject to immediate termination without notice; or

B. The breach by Company in the performance of any Agreement required herein, and Company's failure to cure such breach within thirty (30) days of written notice by County of such breach, unless otherwise specified within this Agreement (e.g. default in rental payment as stated above); provided, however, that no notice of termination, as above provided, shall be of any force or effect if Company shall have cured such breach within such thirty (30) day period.

Failure of the Airport Director to declare this Agreement terminated upon default of Company for any of the reasons set out above shall not operate to bar or destroy the right of the Airport Director to terminate this Agreement by reason of any subsequent violation of the terms of this Agreement. Further, the acceptance of rent by the County for any period after a default of any of the terms, covenants or conditions by Company shall not be deemed a waiver of any right on the part or the Airport Director to terminate this Agreement.

DocuSign Envelope ID: 0C9701BD-C71E-4B06-BF4B-C1C4EDA58C7A

7. TERMINATION BY COMPANY

In addition to the termination rights set forth in Section 1 of this Agreement, Company may terminate this Agreement as follows:

A. In the event an LCD digital kiosk is removed; or any restrictions on the maintenance or operation of advertising displays are imposed by statute or ordinance of the Municipality in which the Airport Terminal is located, or by legislation, rules or regulations of Federal/State, municipal or other public authorities which in the judgment of the Company shall have the effect of materially diminishing the value of the digital display for advertising purposes, the Company may terminate this Agreement upon thirty (30) days notice to the County. The County shall in this case refund pro rata any rent paid in advance for the unexpired term of this Agreement.

B. Upon the breach by County in the performance of any agreement, condition or requirement required herein, and County's failure to cure such breach within thirty (30) days of written notice by Company of such breach; provided, however, that no notice of termination, as above provided, shall be of any force or effect if County shall have cured such breach within such thirty (30) day period. In the event of any such termination under this provision, the County shall refund to Company pro rata any rent paid in advance for the unexpired term of this Agreement.

8. SEVERABILITY

In the event that any provision herein contained is held to be invalid by any court of competent jurisdiction, the invalidity of any such provision shall in no way affect any other provision contained herein, provided that the invalidity of any such provisions does not materially prejudice either County or Company in their respective rights and obligations contained in the valid provisions of this Agreement.

9. INDEPENDENCE OF CONTRACT

It is further mutually understood and agreed that nothing herein contained is intended or shall

DocuSign Envelope ID: 0C9701BD-C71E-4B06-BF4B-C1C4EDA58C7A

be construed as in any way creating or establishing the relationship of co-partners between the parties hereto or and constituting the Company as the agent or representative or employee of the County for any purpose or in any manner whatsoever.

10. RIGHTS UPON TERMINATION

Upon expiration or termination of this Agreement, Company's rights herein shall cease.

11. MISREPRESENTATION AND INVALID PROVISIONS

All terms and conditions with respect to this Agreement are expressly contained herein, and both parties agree that no representative or agent of the County or Company has made any representation or promise with respect to this Agreement not expressly contained herein.

12. HOLDING OVER

In the event that the Company should hold over after the expiration of the Term or any extension of this Agreement or termination for any other cause, such holding over shall be deemed not to operate as a renewal or extension of this Agreement, unless otherwise provided herein.

13. FEES AND NOTICES

All fees due under this Agreement shall be made payable to Outagamie County Treasurer, with notation "Airport Digital Display", and shall be remitted to the Outagamie County Courthouse, 320 South Walnut Street, Appleton, Wisconsin, 54911.

Notices shall be sufficient if hand delivered or sent by certified mail, postage prepaid, addressed to:

County

Airport Director
Appleton International Airport
W6390 Challenger Drive
Suite 201
Appleton WI 54914

Company

ThedaCare, Inc.
3 Neenah Center, 4th Floor

or to such other addresses as the parties may designate to each other in writing from time to time.

14. ASSIGNMENT OF AGREEMENT

Neither the Agreement nor any of its provisions shall be assigned by either party hereto without written consent of the other party hereto. In the event of Company's merger, acquisition, corporate reorganization, or sale of all or substantially all of Company's assets, consent will not be unreasonably withheld.

15. CHOICE OF LAW

This Agreement shall governed by and construed in accordance with the laws of the State of Wisconsin without regard to the conflicts of law rules thereof.

16. CONFIDENTIALITY

County acknowledges that patient medical information is confidential and is protected by state and federal law. County shall not disclose patient-identifiable information to any third party and shall use patient-identifiable information only to the extent necessary to perform the services under this Agreement, if applicable. County shall be liable for any misuse, misappropriation, disclosure, or any other breach of this Agreement.

17. MEDICARE ACCESS TO BOOKS AND RECORDS

Until the expiration of four years after the furnishing of the services provided under this Agreement, County will make available to the Secretary, U.S. Department of Health and Human Services, and the U.S. Comptroller General, and their representatives, this Agreement and all books, documents and records necessary to certify the nature and extent of the costs of those services. If County carries out the duties of the contract through a subcontractor worth $10,000 or more over a 12-month period with a related organization, the subcontract will also contain an access clause to permit access by the Secretary, Comptroller General, and their representatives to the related organization's books and records. This provision shall survive the termination of this Agreement.

DocuSign Envelope ID: 0C9701BD-C71E-4B06-BF4B-C1C4EDA58C7A

18. MEDICARE REPRESENTATIONS AND WARRANTIES.

County represents and warrants that neither it nor anyone performing services under this Agreement has ever been (1) convicted of a criminal offense related to health care and/or related to the provision of services paid for by Medicare, Medicaid or another federal health care program; or (2) excluded or debarred from participation in any federal health care program, including Medicare and Medicaid.

19. BOOKS AND RECORDS.

If County provides any "discount or reduction in price" as referred to under Section 1128B(b)(3)(A) of the Social Security Act, 42 U.S.C. 1320a-b(b)(3)(A), it shall disclose the discount or reduction in price on its invoices to Company, and Company agrees to disclose that discount or reduction in price as required by law. Further, until the expiration of four (4) years after the furnishing of any products or services hereunder, County will make available to government entities, this Agreement and all books, documents, and records necessary to certify the nature and extent of the costs of such products and services. If County carries out the duties of this Agreement through a subcontractor worth $10,000 or more over a 12-month period with a related organization, the subcontract will also be subject to this obligation. This provision shall survive the termination of this Agreement.

20. NO LIEN RIGHTS.

County may neither file nor assert any lien, security interest, or encumbrance (collectively "Lien Right") on Company's real or personal property without first providing no less than 60 days prior written notice to Company. The notice shall specify in detail the reason County seeks the Lien Right. The parties further agree that they shall meet and negotiate in good faith within 30 days of the date Company receives notice.

21. MEDICARE NOTIFICATION REQUIREMENTS.

County shall notify Company immediately in the event that it or anyone performing services under this Agreement (1) is convicted of a criminal offense related to health care and/or related to the provision of services paid for by Medicare, Medicaid or another federal health

DocuSign Envelope ID: 0C9701BD-C71E-4B06-BF4B-C1C4EDA58C7A

care program; or (2) is excluded or debarred from participation in any federal health care program, including Medicare and Medicaid. Company may terminate this Agreement immediately upon the occurrence or notification of any of the above. In the event of any such termination under this provision, the County shall refund to Company pro rata any rent paid in advance for the unexpired term of this Agreement.

Dated this 14 day of June, 2024.

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1674), Controller (1675) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** ThedaCare, Inc Display Advertising Agreement

2. Description: This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

The Appleton International Airport desires to enter into an agreement for branded display advertising with ThedaCare, Inc. The term of the agreement shall be for 2 years beginning March 1, 2024. Annual sponsorship under the agreement shall be $195,000. The lease has already been included in the 2024 budget therefore no budget adjustment is being requested.

Current Year Budget Impact (Check one or more of the following boxes)

[ ] Revenues [ ] Expenses (Cost) [X] None

3. Is the specific cost or revenue included in the current year's budget? yes (X) no ( ) partially () n/a ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no ( ) n/a (X)

5. Is the proposal to accept additional revenues only? yes (X) no ( )

6. Does this request modify/adjust the current year budget? yes ( ) no (X) To be determined
if no, skip to question 8 below.

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. For example, an increase in an expenditure account must be offset by a decrease in another expenditure account or the contingency fund or an increase in a revenue account or other funding sources such as fund balance applied.)

COST CENTER NAME	LINE ITEM (i.e. Salaries, Supplies, Etc.)	ACCOUNT NUMBER INCLUDING COST CENTER (i.e. 1004100.5100, 1004100.5400, etc.)	INCREASE (DECREASE) AMOUNT
No Budget Adjustment needed. Revenue included in 2024 budget			

Annual and Long-Term Impact

8. Is the above Increase/Decrease a nonrecurring one-time expense or revenue? yes ( ) no (x) n/a ( )

9. What is the anticipated annual and/or long-term cost or revenue impact? Annual Cost 0
Annual Revenue 195,000

Outagamie County

7-23-24 County Board Meeting - July 23 2024 07:40:20 PM

July 23, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 35—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Outagamie County Board of Supervisors previously authorized the County to enter into an engagement agreement with von Briesen & Roper, s.c., Crueger Dickinson LLC and Simmons Hanly Conroy LLC (the "Law Firms") to pursue litigation against certain manufacturers, distributors, and retailers of opioid pharmaceuticals (the "Opioid Defendants") in an effort to hold the Opioid Defendants financially responsible for the County's expenditure of vast money and resources to combat the opioid epidemic.

On behalf of Outagamie County, the Law Firms filed a lawsuit against the Opioid Defendants.

The Law Firms filed similar lawsuits on behalf of 66 other Wisconsin counties and all Wisconsin cases were coordinated with thousands of other lawsuits filed against the same or substantially similar parties as the Opioid Defendants in the Northern District of Ohio, captioned *In re: Opioid Litigation,* MDL 2804 (the "Litigation").

Four (4) additional Wisconsin counties (Milwaukee, Dane, Waukesha, and Walworth) hired separate counsel and joined the Litigation.

Since the inception of the Litigation, the Law Firms have coordinated with counsel from around the country (including counsel for Milwaukee, Dane, Waukesha, and Walworth Counties) to prepare the County's case for trial and engage in extensive settlement discussions with the Opioid Defendants.

The settlement discussions with The Kroger Co. (the "Settling Defendant") resulted in a tentative agreement as to settlement terms pending agreement from the County and other plaintiffs involved in the Litigation.

Copies of the settlement agreement relating to the Settling Defendant ("Settlement Agreement") representing the terms of the tentative settlement agreement with the Settling Defendant has been made available at https://nationalopioidsettlement.com/wp-content/uploads/2024/05/Kroger-Multistate-Settlement-Agreement-Circulated-to-States-March-25-2024.pdf.

The Settlement Agreement provides, among other things, for the payment of certain sums to Participating Subdivisions (as defined in the Settlement Agreement) upon the occurrence of certain events detailed in the Settlement Agreement.

The County is a Participating Subdivision in the Settlement Agreement and has the opportunity to participate in the benefits associated with the Settlement Agreement provided the County (a) approves the Settlement Agreement; (b) approves the Addendum Two to the Memorandum of Understanding allocating proceeds from the Settlement Agreement ("MOU") among the various Wisconsin Participating Subdivisions, a copy of which is attached to this Resolution ("Addendum Two"); and (c) the Legislature's Joint Committee on Finance approves the terms of the Settlement Agreement.

Pursuant to Section 12 of the State-Local MOU entered into between the Wisconsin Participating Subdivisions and the Attorney General of the State of Wisconsin ("State-Local MOU"), the Attorney General has provided notice that the terms of the State-Local MOU shall apply to the Settlement Agreement and all proceeds of such Settlement Agreement.

2021 Wisconsin Act 57 created Section 165.12 of the Wisconsin Statutes relating to the settlement of all or part of the Litigation.

Pursuant to Wis. Stat. § 165.12(2), the Legislature's Joint Committee on Finance is required to approve the Settlement Agreement.

Pursuant to Wis. Stat. § 165.12(2), the proceeds from any settlement of all or part of the Litigation are distributed 70% to local governments in Wisconsin that are parties to the Litigation and 30% to the State.

Wis. Stat. § 165.12(4)(b)2. provides the proceeds from the Settlement Agreement must be deposited in a segregated account (the "Opioid Abatement Account") and may be expended only for approved uses for opioid abatement as provided in the Settlement Agreement.

Wis. Stat. § 165.12(7) bars claims from any Wisconsin local government against the Opioid Defendants filed after June 1, 2021.

The definition of Participating Subdivisions in the Settlement Agreement recognizes a statutory bar on claims such as that set forth in Wis. Stat. § 165.12(7) and, as a result, the only Participating Subdivisions in Wisconsin are those counties and municipalities that were parties to the Litigation (or otherwise actively litigating a claim against one, some, or all of the Opioid Defendants) as of June 1, 2021.

The Legislature's Joint Committee on Finance is not statutorily authorized or required to approve the allocation of proceeds of the Settlement Agreement among Wisconsin Participating Subdivisions.

The Wisconsin Participating Subdivisions previously negotiated and approved the allocation of proceeds among themselves, which allocation is reflected in Exhibit A to the MOU, which is an agreement between all of the entities identified in the Allocation MOU as to how the proceeds payable to those entities under the Settlement Agreements will be allocated.

The County and all other Wisconsin Participating Subdivisions agreed to and entered into that certain Addendum to the MOU ("Addendum One") that provided for allocation of settlement proceeds from previous settlements with certain pharmacies and manufacturers according to the same percentages as that provided in the MOU.

The County has been informed as to the deadlines related to the effective dates of the Settlement Agreement, the ramifications associated with the County's refusal to enter into the Settlement Agreement, the form of Addendum Two and an overview of the process for finalizing the Settlement Agreements and such information, together with additional resources related to the settlement can be found at https://nationalopioidsettlement.com/kroger-co-settlement/.

The County, by this Resolution, shall deposit the proceeds of the Settlement Agreement consistent with the terms of this Resolution and Wis. Stat. § 165.12(4)(b).

Pursuant to the County's engagement agreement with the Law Firms, the County shall pay up to an amount equal to 25% of the proceeds from successful resolution of all or part of the Litigation, whether through settlement or otherwise, plus the Law Firms' costs and disbursements, to the Law Firms as compensation for the Law Firms' efforts in the Litigation and any settlement.

The Law Firms anticipate making application to the national fee fund established in the Settlement Agreement seeking payment, in whole or part, of the fees, costs, and disbursements owed the Law Firms pursuant to the engagement agreement with the County.

It is anticipated the amount of any award from the fee fund established in the Settlement Agreements will be insufficient to satisfy the County's obligations under the engagement agreement with the Law Firms.

The County, by this Resolution, and pursuant to the authority granted the County in the applicable Order emanating from the Litigation in relation to the Settlement Agreement and payment of attorney fees, shall authorize and direct the escrow agent responsible for the receipt and distribution of the proceeds from the Settlement Agreement to establish an account for the purpose of segregating funds to pay the fees, costs, and disbursements of the Law Firms owed by the County (the "Attorney Fees Account") in order to fund a local "backstop" for payment of the fees, costs, and disbursements of the Law Firms.

In no event shall payments to the Law Firms out of the Attorney Fees Account and the fee fund established in the Settlement Agreement exceed an amount equal to 25% of the amounts allocated to the County by virtue of the Addendum Two (Exhibit A to the MOU).

The intent of this Resolution is to authorize the County to enter into the Settlement Agreement, the Addendum Two, establish the County's Opioid Abatement Account, and establish the Attorney Fees Account.

The County, by this Resolution, shall authorize the County's corporation counsel to finalize and execute any other document or agreement necessary to effectuate the Settlement Agreement and the other agreements referenced herein.

NOW THEREFORE, the undersigned members of the Health and Human Services Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve:

1. The execution of the Settlement Agreement and any and all documents ancillary thereto and authorizes the Board Chair or designee to execute same.

2. The final negotiation and execution of Addendum Two in form substantially similar to that presented with this Resolution and any and all documents ancillary thereto and authorizes the Board Chair or designee to execute same upon finalization provided the percentage share identified as allocated to the County is substantially similar to that identified in the Addendum Two provided to the Board with this Resolution.

3. The execution by the Board Chair or designee of any additional documents or agreements for the receipt and disbursement of the proceeds of the Settlement Agreement.

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve all proceeds from the Settlement Agreement not otherwise directed to the Attorney Fees Account shall be deposited in the County's Opioid Abatement Account. The Opioid Abatement Account shall be administered consistent with the terms of this Resolution, Wis. Stat. § 165.12(4), and the Settlement Agreement, and

BE IT STILL FURTHER RESOLVED, that Outagamie County hereby authorizes the establishment of an account separate and distinct from any account containing funds allocated or allocable to the County which shall be referred to by the County as the "Attorney Fees Account." An escrow agent shall deposit a sum equal to or up to, but in no event exceeding, an amount equal to 20% of the County's proceeds from the Settlement Agreement into the Attorney Fees Account. If the payments to the County are not enough to fully fund the Attorney Fees Account as provided herein because such payments are made over time, the Attorney Fees Account shall be funded by placing up to, but in no event exceeding, an amount equal to 20% of the proceeds from the Settlement Agreement attributable to Local Governments (as that term is defined in the MOU) into the Attorney Fees Account for each payment. Funds in the Attorney Fees Account shall be utilized to pay the fees, costs, and disbursements owed to the Law Firms pursuant to the engagement agreement between the County and the Law Firms provided, however, the Law Firms shall receive no more than that to which they are entitled under their fee contract when considering the amounts paid the Law Firms from the fee fund established in the Settlement Agreement and allocable to the County. The Law Firms may make application for payment from the Attorney Fees Account at any time and the County shall cooperate with the Law Firms in executing any documents necessary for the escrow agent to make payments out of the Attorney Fees Account, and

BE IT FURTHER RESOLVED that all actions heretofore taken by the Board of Supervisors and other appropriate public officers and agents of the County with respect to the matters contemplated under this Resolution are hereby ratified, confirmed and approved, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Health and Human Services Director, the Outagamie County Finance Director, the Outagamie County Corporation Counsel, and the Outagamie County Executive.

Dated this 23rd day of July 2024

Respectfully Submitted,

HEALTH AND HUMAN SERVICES COMMITTEE

Jeff McCabe

ADDENDUM TWO TO WISCONSIN LOCAL GOVERNMENT MEMORANDUM OF UNDERSTANDING

WHEREAS, the undersigned local governments ("Local Governments") entered into that certain Memorandum of Understanding relating to, among other things, the allocation of the proceeds of the settlements with McKesson Corporation, Cardinal Health, Inc., AmerisourceBergen Corporation, Johnson & Johnson, Janssen Pharmaceuticals, Inc., Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc. ("Original MOU"); and

WHEREAS, the undersigned Local Governments entered into that certain Addendum to the MOU relating to, among other things, the allocation of the proceeds of the settlements with Walgreens, Walmart, CVS, Teva, and Allergan ("Addendum 1" and, together with the Original MOU, the "MOU"); and

WHEREAS, the settlement discussions with The Kroger Co. has resulted in a tentative agreement as to settlement terms ("Kroger Settlement Agreement") pending agreement from the State of Wisconsin, the Local Governments and other parties involved in the Litigation; and

WHEREAS, the Local Governments intend this Addendum Two to the MOU ("Addendum Two") to effectuate the terms of the Kroger Settlement Agreement and allocate the proceeds of the Kroger Settlement Agreement to each of the Local Governments in the same manner and same percentages as set forth in the MOU and Exhibit A to the Original MOU, a copy of which is appended to this Addendum Two with the elimination of the dollar amounts attributable to the settlements referenced in the Original MOU.

NOW, THEREFORE, the Local Governments enter into this Addendum Two upon the terms described herein.

1. The Local Governments ratify, confirm and agree to in all respects the MOU. By this Addendum Two, the Local Governments agree that any and all proceeds of the Kroger Settlement Agreement shall be distributed, allocated and otherwise disposed of in the same manner and same percentages as set forth in the MOU and Exhibit A to the Original MOU. Terms not defined in this Addendum Two shall be given the definition ascribed to such terms in the MOU and the Kroger Settlement Agreement.

2. Nothing in this Addendum Two is intended to alter or change any Local Government's right to pursue its own claim. Rather, the intent of this Addendum Two is to provide a mechanism for the receipt and expenditure of Opioid Funds, as that term is defined in the MOU.

3. This MOU may be executed in counterparts. Electronic signatures shall in all respects be considered valid and binding.

[*Signatures on Following Page*]

Allocation of Proceeds Among the Local Governments

The following chart is agreed upon by and between the Local Governments identified below as representing the allocation of proceeds from the Settlement Agreements following (a) allocation to the Local Governments; and (b) allocation to the Attorney Fee Fund. The Local Governments shall cooperate with one another and the State in the negotiation and execution of an Escrow Agreement to effectuate the terms of the State-Local Government MOU, the Local Government MOU and the allocation set forth below. **The monetary value associated with the percentages below will be calculated consistent with the Settlement Agreements.**

Resolution No. 36—2024-25 – Property, Airport, Recreation and Economic Development Committee. Approve an Underground Telecommunication Easement made by and between the State of Wisconsin Department of Natural Resources and Bug Tussel Wireless LLC for the area described as Part of the NE ¼ of the SE ¼ of Section 5, Township 22 North, Range 15 East, Town of Liberty and Part of the SW ¼ of the SW ¼ of Section 9, Township 22 North, Range 17 East, Village of Black Creek, as noted on the resolution and attachments.

Supervisor Culbertson moved, seconded by Supervisor Hammen for adoption.

ROLL CALL: 31 yes, 1 abstain (Heiser), 4 absent. RESOLUTION NO. 36—2024-25 IS ADOPTED.

RESOLUTION NO.: 36—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Outagamie County Parks Department is requesting approval of an Underground Telecommunication Easement made by and between the State of Wisconsin Department of Natural Resources (DNR) ("Grantor") and Bug Tussel Wireless LLC ("Grantee"). The Grantee desires to install, construct, operate, maintain, repair, remove, replace and/or abandon in place one fiber optic telecommunication cable under and across the Newton Blackmour State Trail by directional drilling at a minimum depth of 36 inches.

NOW THEREFORE, the undersigned members of the Property, Airport, Recreation and Economic Development Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does hereby and herewith approve an Underground Telecommunication Easement made by and between the State of Wisconsin Department of Natural Resources and Bug Tussel Wireless LLC for the area described as Part of the NE ¼ of the SE ¼ of Section 5, Township 22 North, Range 15 East, Town of Liberty and Part of the SW ¼ of the SW ¼ of Section 9, Township 22 North, Range 17 East, Village of Black Creek, all in Outagamie County, Wisconsin; said land is shown on the attached Underground Telecommunication Easement (Cooperative Trail) and Exhibit "A" and Exhibit "A-1" which by reference are made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Parks Director.

Dated this 23rd day of July 2024

Respectfully submitted,

PROPERTY, AIRPORT, RECREATION &
ECONOMIC DEVELOPMENT COMMITTEE

Dean Culbertson

RECITALS

WHEREAS, the Grantor is the successor in title of the former railroad corridor of Wisconsin Central Ltd. known today as the "Newton Blackmour State Trail" ("Trail" or "Premises");

WHEREAS, the Grantor has provided an Easement for the trail management and operations to Outagamie County Parks Department ("Trail Manager");

WHEREAS, the Grantee desires to install, construct, operate, maintain, repair, remove, replace and/or abandon in place one fiber optic telecommunication cable under and across the Trail by directional drilling at a minimum depth of 36 inches; and

WHEREAS, the fiber optic telecommunication cable will be installed within a 12-foot-wide corridor crossing under the Trail (the "Easement Area"), which is depicted on the attached Exhibits "A" and "A1" and more particularly described as follows:

> **Part of the NE ¼ of the SE ¼ of Section 5, Township 22 North, Range 15 East, Town of Liberty, and Part of the SW ¼ of the SW ¼ of Section 9, Township 22 North, Range 17 East, Village of Black Creek, all in Outagamie County, Wisconsin,** that is further described below:
>
> Section 15: Commencing on the NW corner of the NE ¼ SE ¼ of said Section 5, moving easterly 99 feet, then southerly 116 feet is the POINT OF BEGINNING.
> Thence moving 99 feet southeasterly along the right-of-way along Liberty Hall Road a distance of 99 feet southerly to the POINT OF TERMINATION.
>
> Section 9: Commencing on the NW corner of the SW ¼ SW ¼ of said Section 9, moving easterly 416 feet, then southerly 506 feet is the POINT OF BEGINNING.
> Thence moving 108 feet southerly along the right-of-way along N. Maple Street a distance of 108 feet southerly to the POINT OF TERMINATION.

NOW, THEREFORE, the Grantor hereby grants to the Grantee, and its corporate successors in interest for good and valuable consideration of the sum of $500.00 a non-exclusive right-of-way Easement allowing for the

installation, construction, operation, maintenance, repair, removal, replacement and/or abandonment in place of a fiber optic telecommunication cable encased within a duct in the Easement Area.

It is understood by the Grantor and the Grantee that this grant of non-exclusive Easement is subject to the following conditions:

1. **Recitals.** The Grantor and Grantee confirm and agree that the recitals set forth above are true and correct and incorporate the same herein for all purposes.

2. **Purpose.** The Grantor grants and conveys to Grantee a non-exclusive Easement for the installation, construction, operation, maintenance, repair, removal, replacement and/or abandonment in place of a fiber optic telecommunication cable which is to be directionally bored within the Easement Area. Any additional ducts, cables, or other structures, or duct, cable or other upgrades will require prior written approval of the Grantor and Grantor may require the Grantee to obtain a new, separate easement.

3. **Parties.** This Easement is limited to the Grantee and is not transferable to a non-affiliated third-party. The Grantee may assign this Easement to its affiliate with notice to Grantor. For purposes of this section, "affiliate" means any entity that directly or indirectly owns or controls, is owned or controlled by, or is under common ownership or control with Grantee. The Grantee will not have the right to allow additional co-location of facilities by a third party without written consent from the Grantor and amendment to the Easement. Grantor may also require a new and separate easement to accommodate additional facilities.

4. **Non-Exclusive Use.** The Easement shall be non-exclusive, and the Grantor may use the Easement Area and may lease or convey other easements to one or more other person(s), company(ies) or other entity(ies), provided that any such subsequent use, lease or conveyance shall not interfere with the Grantee's rights.

5. **Construction.** Grantee shall submit a written notification of project commencement to the Grantor's Trail Manager at least five business days prior to initiation of any construction, installation, maintenance, repair, removal, replacement and/or abandonment work on the Easement Area. The Grantee shall receive approval from the Grantor's Trail Manager prior to commencing any project. In the event that Grantee's planned commencement of project activities conflicts with Grantor's use of the Premises or the Grantor's Trail Manager's plans for the Trail, the Grantor or the Grantor's Trail Manager shall notify Grantee of the conflict and the parties shall agree on an alternative date to begin the project. If an emergency arises within the Easement Area requiring immediate action by the Grantee, the Grantee shall immediately notify the Grantor's Trail Manager that an emergency exists and that the Grantee is proceeding to correct the emergency situation. The Grantor's Trail Manager can be reached at 920-832-4791.

6. **Access**. If notification is provided in advance to Grantor's Trail Manager, Grantee may enter upon the Premises at locations outside of the Easement Area using Grantor's existing roads if necessary to gain access to the Easement Area in order to construct, install, operate, maintain, repair, remove, replace and/or abandon in place an underground fiber optic telecommunication cable and to do any and all other such work as is reasonably necessary in accordance with the rights granted under this Easement.

7. **Vegetative Management.** No cutting or trimming of trees shall be done without the prior written approval of the Trail Manager, except for dead and down trees that obstruct the Trail may be removed without such written approval. Any trees removed from the Premises remain the property of the Grantor. All trees having commercial value including firewood shall be cut in standard lengths and be piled at a location on the Premises designated by the Grantor's Trail Manager. All stumps, slash, waste materials and other debris shall be disposed of by the Grantee as directed by the Grantor's Trail Manager. Use of pesticides

and herbicides shall only be allowed with the prior written approval of the Grantor. Any pesticides used, including but not limited to herbicides, insecticides, fungicides, must follow the label and adhere to all local, county, state and federal rules related to pesticide use. Upon request, Grantee must provide pesticide application records for at least 2 years post-application. Grantee agrees to modify its pesticide use if requested by Grantor.

8. **Signage.** Any signs, postings and other markers not in accordance with standard utility practice to be located on the Easement Area by the Grantee shall be approved by the Grantor prior to placement.

9. **Maintenance.** The Grantee shall maintain the Easement Area in a decent, sanitary, and safe condition and at no time shall the Grantee allow its work to cause a hazard or unsafe conditions on the Easement Area.

10. **Existing Utilities.** The Grantee is responsible for determining the location of any existing utilities within the Easement Area. Grantee is responsible for any and all damages, costs or liabilities that result from damages caused by the Grantee to existing utilities within the Easement Area.

11. **Compliance with Other Laws.** This Easement does not relieve Grantee from the responsibility to comply with all applicable federal and state laws and local ordinances and does not supersede any other governmental requirements for plan approval or for authority to exercise any other rights granted herein.

12. **Conditions of Construction and Maintenance.** Relating to installation, operation, and maintenance work within the Easement Area, work shall be completed as follows:
    a. Other than as otherwise permitted herein, the Trail should remain open for public use at all times. Trail closures will not be allowed during snowmobile season and may not be allowed at certain times during bicycling season depending on planned events, activities, or volume of use. All closures must be coordinated with the Grantor's Trail Manager.
    b. If the Trail must be blocked at any time due to safety, a flag person must be present or appropriate signage must be installed such that Trail users are informed of the blockage and an acceptable detour (if needed) must be provided by the Grantee so users can pass through safely. Grantee shall not use the Trail right-of-way for backing of any equipment unless a flag person is present and directing Trail traffic.
    c. Warning signs and lights shall be placed informing Trail users of any construction work or as otherwise directed by the Grantor's Trail Manager.
    d. If needed, as determined by the Grantor's Trail Manager, Grantee shall place passable barricades at entry points for Trail users that require Trail users to substantially reduce their speed and proceed single file. Barricade points must include signs stating that construction activities are taking place along the Trail, listing a reduced speed limit, and indicating 2-way, single-file traffic.
    e. All excavated open holes must be adequately marked at all times by the Grantee and warning signs must be placed and maintained by Grantee a safe distance ahead in both directions.
    f. All excavated holes shall be filled in and made level with the original grade by the Grantee prior to project activity completion.
    g. Insofar as is practicable and when the Grantor requests other than during the initial construction or due to an emergency situation, the Grantee shall schedule any construction work in an area used for recreational purposes at times when the ground is frozen in order to prevent or reduce soil compaction. All work will be conducted to minimize soil disturbance. All rutting will be repaired and the Easement Area restored as promptly as possible by Grantee following its work. If soils are not frozen or stable to a point that avoids rutting, timber mats, mud tracks, or equivalent must be utilized to access construction, installation, or maintenance locations.
    h. Any and all ground settling or Trail surface damage caused by the exercise of the Grantee's rights within a 2 year period from the date of installation or any maintenance is the sole responsibility of

the Grantee and must be restored or repaired to pre-construction or better conditions using the same type and quality materials as approved by the Grantor's Trail Manager. Upon failure to perform by the Grantee within 20 days of notification by the Grantor's Trail Manager of needed repairs or restoration, repairs or restoration may be contracted by the Grantor's Trail Manager and the Grantee shall be liable for all costs associated with such repairs and restoration.

i. Grantee shall not park or store any vehicles or equipment on the Trail at any time unless authorized in writing by Grantor or Grantor's Trail Manager.

13. **AREMA Compliance.** The Premises may be encumbered by federal or state railroad interest and subject to future restoration and reconstruction of the right-of-way for rail purposes consistent with Section 208 of the National Trails System Act Amendment of 1983, Publ. L. No. 98-11 (16 U.S.C. 1247(d)) or Wis. Stat. s. 85.09, including possible termination of this Easement, and subject to reservations, exceptions and leases, agreements and permits authorized by the former railroad company or the Grantor prior to the execution of this Easement. Grantor shall provide written notice of the necessity for the reestablishment of railroad, which may result in the termination of this Easement upon the discretion of the railroad. Grantee shall: (1) not materially change the grade or topography of the Trail or the Easement Area; (2) not construct and install or remove any permanent improvement which violates American Railway Engineering and Maintenance-of-Way Association ("AREMA"), or its successors' published practices and procedures or would make such reestablishment of railroad impracticable; and (3) not allow the installation of any facility, above or below grade that does not conform to AREMA's standards or clearances for railroad.

14. **Non-Disturbance.** Grantee shall not disturb wetlands or waterways unless it first obtains all necessary permits. No work may be done that alters drainage or allows water to drain onto adjoining land.

15. **Restoration.** The Grantee shall restore the Easement Area in a timely workmanlike manner consistent with the original condition of the Easement Area prior to such entry by the Grantee or its employees or agents. This restoration, however, does not apply to the initial installation of said facilities or to any trees, bushes, branches or roots which may interfere with Grantee's use of the Easement Area.

16. **Violation.** If Grantor identifies a violation of this Easement by Grantee that does not constitute an emergency, the Grantor will notify Grantee of the violation(s) in writing, and the Grantee will have 30 days to provide Grantor with a plan and a schedule for correcting the violation(s). If Grantee's plan is not approved by the Grantor, Grantor will provide Grantee with a list of acceptable modifications to the plan and allow Grantee an additional 30 days to revise its plan to meet Grantor's requirements. If Grantee refuses Grantor's modifications, Grantor may declare this Easement null and void, and it may take full control of the Easement Area without hindrance or delay, and it may use its legal remedies to recover from the Grantee any damages sustained by acts of the Grantee. Grantor's approval of the plan for correcting the violation(s) shall not be unreasonably withheld, delayed, or denied. Any violations that constitute a health or safety emergency shall be immediately rectified by the Grantee in accordance with paragraph 5.

17. **Termination.** The Easement shall automatically terminate, without right of reentry, upon:
    a. Grantee's acknowledgement that it is abandoning the Easement Area; or
    b. An implied abandonment as evidenced by Grantee's non-use of the Easement Area for a period of two consecutive years.

18. **Indemnification.** Except for the willful misconduct or negligence by the Grantor, its agents, officers, and employees, Grantee assumes and agrees to protect, indemnify and save harmless the Grantor, and its agents, officers and employees from and against any and all claims, demands, suits, liability and expense

by reason of loss or damage to any property or bodily injury including death, arising directly or indirectly from:

a. The construction, installation, operation, maintenance, existence, use, repair, removal, replacement and/or abandonment in place of the underground telecommunication line;
b. Any defect in the telecommunication line or failure thereof;
c. Any act or omission of the Grantee, its agents or employees while on or about the Easement Area(s) or any of Grantor's adjoining land;
d. Grantee's exercise of any and all rights, duties and responsibilities granted by this Easement; and/or
e. Any defect or insufficiency of title or authority of the Grantor to convey this Easement.

19. **Insurance.** At all times the Grantee shall be required to provide the Grantor adequate evidence of financial responsibility to meet the liabilities, losses, demands and actions from which the Grantee is required to meet. Evidence of adequate financial responsibility shall be either appropriate evidence that the Grantee is self-insured and has sufficient resources to provide coverage equivalent to an insurance policy having combined single limits of not less than $500,000.00 or, alternatively, evidence of an appropriate insurance policy having combined single limits of not less than $500,000.00. Upon request, the Grantee shall furnish the Grantor the requisite certificate, or other proof of insurance showing that the Grantor and its officers, employees and agents, are named as additional insureds under the insurance policy. The Grantor may require greater evidence of resources or higher limits of insurance coverage if it determines that greater coverage is reasonably required to cover the risks presented by the underground line. The Grantee shall furnish the Grantor evidence of adequate financial responsibility on or before the effective date of the Easement. If at any time the Grantor determines that the Grantee has not provided adequate evidence of financial responsibility, the Grantee shall immediately suspend any construction, installation, operation, maintenance, repair, removal or replacement on the Easement Area until adequate evidence of financial responsibility is again provided to the Grantor.

20. **Notices.** With the exception of emergency notice provided to the Trail manager, all notices or other writings this Easement requires to be given, or which may be given, to either party by the other shall be deemed to have been fully given when made in writing and either by certified mail, return receipt requested or through regular commercially available overnight delivery service with proof of delivery as follows:

a. To the Grantor: Wisconsin Department of Natural Resources, Bureau of Facilities and Lands, 101 S. Webster St., Madison, WI 53703.
b. To the Trail Manager: Director of Parks Department, Outagamie County, 1375 Broadway Drive, Appleton, WI 54913.
c. To the Grantee: Bug Tussel Wireless LLC, 417 Pine Street, Green Bay, WI 54301.
d. The address to which any notice, demand, or other writing may be given, made or sent to any party as above provided may be changed by written notice given by such party as above provided.

The Trail Manager shall be notified of emergencies via telephone at (920)832-4791 or the DNR Call Center at 1-888-936-7463.

21. **NR 45 Enforcement.** The Grantor retains management, supervision and control over the Premises for the purpose of enforcing pertinent state laws needed to protect the Premises, its natural resources or the general public, including Chapter NR 45, Wis. Admin. Code, which governs the conduct of visitors to state lands.

22. **Non-Warrantable Title.** The Grantor does not warrant that title to the Easement Area is free and clear of all encumbrances or that it will defend the Grantee in its peaceful use and occupancy of the Easement Area.

23. **Relocation Costs.** If Grantor requests that Grantee's facilities that serve Grantor be relocated, Grantor will be responsible for the costs associated with that relocation and shall grant easement rights covering the new location. If Grantee's facilities that do not serve Grantor need to be relocated at the request of Grantor, Grantee will be responsible for all costs associated with the same.

24. **Headings.** The headings of clauses contained in this Easement are used for convenience and ease of reference only and do not limit the scope or intent of the clause.

25. **Governing Law.** This Easement shall be construed and enforced in accordance with the internal law of the State of Wisconsin.

26. **Acknowledgement**. This Easement sets forth the entire understanding of the Grantor and the Grantee and may not be changed except by a written document executed and acknowledged by the Grantor and the Grantee.

27. **Invalidity.** If any term or condition of this Easement shall be deemed invalid or unenforceable, the remainder of this Easement shall not be affected thereby, and each term and condition shall be valid and enforceable to the fullest extent permitted by law.

28. **Enforcement.** Enforcement of this Easement may be by proceedings at law or in equity against any person or persons violating or attempting or threatening to violate any term or condition in this Easement, either to restrain or prevent the violation or to obtain any other relief.

29. **Additional Conditions.** Additional conditions that apply to this Easement are enumerated below: None.

OpenMeeting

RESOLUTION NO.: 37—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

It is necessary that various accounts of Outagamie County be closed as of December 31, 2023, except special funds, commonly known as Revolving Funds, which are in the best interest of Outagamie County to remain intact. The budget adjustments will be made to the 2024 budget.

Resolution 8—2024-25, presented to the County Board on May 14, 2024 included the majority of the requested County's Revolving Funds for the year 2023 into 2024. Resolution 18—2024-25, presented to the County Board on May 28, 2024 included the Highway Department revolving funds, ARPA revolving funds, and Other Miscellaneous revolving funds.

This resolution approves miscellaneous Development and Land Services contracts that were not included in the previously adopted resolutions. These items will be included in the budget adjustments that will be made to the 2024 budget.

NOW THEREFORE, the undersigned members of the Finance Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve that the following Development and Land Services accounts shall not lapse to the County's General Fund: Contract with CHM Government Services for Campground Feasibility Study for County-owned Trapper's Lane properties; Contract with Pro-West for NG911 Implementation; and Contract with TriMin Systems for Recorded Document Back Indexing project as detailed in the attached fiscal note and 2023 to 2024 Revolving Funds Request summary page, which by reference are made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director and Outagamie County Development and Land Services Director.

Dated this 23rd day of July 2024

Respectfully Submitted,

FINANCE COMMITTEE

RESOLUTION NO.: 38—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

Wisconsin State Statute Section 66.02602(3)(fm) provides that unused levy from prior years can be carried forward by a two-thirds majority vote of the governing body. There is a percentage of unused levy from 2019 due to the use of sales tax as opposed to debt issues. The amount available is 1.903% of the county's valuation. This is only available for five years prior and this is the last year to use the 2019 carryforward. There is no carryforward provisions for years 2020 – 2023.

NOW THEREFORE, the undersigned members of the Finance Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve that unused levy from 2019 in the amount of 1.903% of the county's valuation be carried forward as noted on the attached fiscal note and Summary of Tax Levy Limit memo, which by reference are made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Finance Director and Outagamie County Executive.

Dated this 23rd day of July 2024

RE: Summary of Tax Levy Limit

Per your request, this memo briefly explains the Tax Levy Limit in accordance with State Statute 66.0602. We will not go into details of all of the calculation but will describe the items the County has used and dealt with in the past 10 years or so or are available in the future. I have included several attachments and will explain them at a high level as follows:

I. 2022 Actual County Levy Limit Worksheet completed for the 2023 Budget
   A) Determination of 2022 Payable 2023 Allowable Levy Limit
   B) Adjustment for Previous Year's Unused Levy
   C) Adjustment for Prior Years' Unused Levy Carryforward
II. Excerpt of page I-28 of the County's 2023 Adopted Budget that shows the County's calculation of the Property Tax Levy Limit for transparency purposes

I. **2022 Actual County Levy Limit Worksheet completed for the 2023 Budget** – This is the actual form completed by the County.

A) Determination of 2022 Payable 2023 Allowable Levy Limit

1- Essentially starts with the County's prior year levy, excluding those items exempt from the levy limit as well as adjusting for the State reimbursement for the current year's personal property tax payment. For Outagamie County (OC), those items that are exempt from the levy limit cap are the Town Bridge Aid, Library Aid and State Special Charges – see attachment II for those amounts excluded from the levy limit calculation.
2- Exclusion for unreimbursed emergency expenses – has not applied to OC that I'm aware of
3- Exclusion for new GO Debt authorized after July 1, 2005 – has not applied to OC since implementation of the sales tax in the 2020 budget.
4- Adjusted County Levy Subtotal.
5- Terminated Tax Increment increase percentage and amount. Amount adjusted for any TIDs that were terminated prior to May of the current year. (The County usually has zero to two TIDs that terminate during a given year).
6- Net New Construction increase. Based on Net New Construction percentage as calculated by the DOR.
7- Greater of line 5 or 6. Since the TID terminations are generally far under our average net new construction, we have always used line 6.
8- Levy limit taking into account the next years projected personal property tax payment.

9- Any other adjustments – See second page of attachment A. The County has only occasionally used the adjustment for the transfer of services for the past many years. For example, we had to transfer to local municipalites the pro-rated share of our levy amount for the operations of the emergency sirens several years ago. However, our expenses were reduced by a like amount.

10- Final calculated Allowable Levy Subject to the Levy Limit calculation.

B) **Adjustment for Previous Year's Unused Levy** – Per the State's instructions

Section B.

1- Previous year's allowable levy.
2- Previous year's actual levy.
3- Previous year's unused levy – Line 1 minus line 2.
4- Previous year's actual levy multiplied by 0.015%.
5- Allowable increase (Lessor of line 3 or 4). Since the County has levied up to our levy limit the past two years, we are not eligible for this exception for the past two years as well as for the 2023 budget.

C) **Adjustment for Prior Years' Unused Levy Carryforward** – Per the State's instructions, the DOR goes through a formula of comparing taxes levied compared to the prior year times a valuation factor. See attachment B for the example calculation.

Section C.

1-6- This is computed the State DOR and it is a 5 year rolling amount. Each year a new year is added and a prior year is taken off. The total of the rolling 5 year percentage is calculated.
7- This is the last year's tax levy applicable to the levy limit
8- This row calculates the total unused carryforward percentage of the years times the tax levy.

The County is only able to use this section if the following applies or happens:

- Approved by a two-thirds vote of the County Board.
- The County's outstanding general obligation (GO) debt for the current year is less than the prior year. (Note – if the County does take out promissory notes for the Broadband expansion and/or a substantial amount of GO debt for the Airport, that may/would preclude the County to use this portion for the 2024 budget. However, it would not preclude the County from using this section for the 2025 budget since the calculation is based on a 5 year rolling amount.)

This carry forward amount is then built into the County's new base tax levy and is available for the next budget etc.

Note that the County is only eligible to use either Section B or Section C, not both.

II. **Excerpt of page I-28 of the County's 2023 Adopted Budget**. Shows the County's calculation of the Property Tax Levy Limit for transparency purposes.

P	Increase in levy due to a reduced utility aid payment for a decommissioned or closed plant		
Q	**Total Adjustments** *(sum of Lines A-P)*		$0

(B)

Municipal Levy Limit Worksheet Instructions

As a municipal clerk, you are required to submit this form to the Wisconsin Department of Revenue (DOR) by December 15, 2022.

If you have questions:

- Email: lgs@wisconsin.gov
- Call: (608) 266-8618 or (608) 261-5167

Section A: Determination of 2022 payable 2023 Allowable Levy Limit

Lines 1 through 8 are auto-filled by DOR.

- **Line 1** – previous year actual levy reported on your 2021 Statement of Taxes plus 2022 personal property aid
- **Line 2** – amount reported in Sec. D, Line G of your 2021 Levy Limit Worksheet
- **Line 3** – amount reported in Sec. D, Line E of your 2021 Levy Limit Worksheet
- **Line 4** – 2021 adjusted actual levy (Line 1 minus total of Lines 2 and 3)
- **Line 5** – allowable increase for growth, terminated tax increment district (TID) and TID territory subtractions applied to 2021 adjusted actual levy
- **Line 6** – allowable levy including increase for net new construction, terminated TID and TID territory subtractions applied to 2021 adjusted actual levy
- **Line 7** – Greater of Line 5 or 6
- **Line 8** – 2022 allowable levy limit before adjustments less 2023 personal property aid
- **Line 9** – total adjustments from Sec. D, Line U
- **Line 10** – 2022 allowable levy limit (sum of Lines 8 and 9)
- **Line 11** – for towns with a population of less than 3,000, enter higher levy approved by special resolution at a special meeting of town electors. You must provide the following documents to DOR:
  - Resolution to propose exceeding levy limit
  - Notice of special town meeting
  - Signed resolution for electors to exceed levy limit (with voting results)
  - Note: Resolution and notice templates are available on the Wisconsin Towns Association website

Section B: Adjustment for Previous Year's Unused Levy (sec. 66.0602(3)(f), Wis. Stats.)

This section calculates the allowable increase for the previous year's unused levy (auto-filled by DOR).

- **Line 1** – previous year's allowable levy reported on your 2021 Levy Limit Worksheet
- **Line 2** – previous year's actual levy reported on your 2021 Statement of Taxes
- **Line 3** – previous year's unused levy (Line 1 minus Line 2)
- **Line 4** – previous year's actual levy multiplied by 1.5%
- **Line 5** – allowable increase (lesser of Line 3 or 4)
- **Note:** Each year, you may use the allowable increase calculated in Sec. B **or** Sec. C

Section C: Adjustment for Prior Years' Unused Levy Carryforward (sec. 66.0602(3)(fm), Wis. Stats.)

This section calculates the allowable increase for the prior five years' unused levy carryforward (auto-filled by DOR).

- **Line 1** – 2021 unused percentage
- **Line 2** – 2020 unused percentage
- **Line 3** – 2019 unused percentage
- **Line 4** – 2018 unused percentage
- **Line 5** – 2017 unused percentage

- **Line 6** – total unused percentage, which cannot exceed 5% (sum of Line 1 through 5)
- **Line 7** – previous year actual levy due to valuation factor (actual levy reported on your 2021 Statement of Taxes minus total adjustments reported on Sec. A, Line 9 of your 2021 Levy Limit Worksheet)
- **Line 8** – allowable increase (Line 6 multiplied by Line 7)
- **Note:** Each year, you may use the allowable increase calculated in Sec. B or Sec. C

Section C – Example

2021 Unused Percentage		2020 Unused Percentage		2019 Unused Percentage		2018 Unused Percentage		2017 Unused Percentage	
2021 actual levy due to valuation factor	$5,220,000	2020 actual levy due to valuation factor	$5,185,000	2019 actual levy due to valuation factor	$5,125,000	2018 actual levy due to valuation factor	$5,050,000	2017 actual levy due to valuation factor	$5,000,000
2020 actual levy due to valuation factor	$5,185,000	2019 actual levy due to valuation factor	$5,125,000	2018 actual levy due to valuation factor	$5,050,000	2017 actual levy due to valuation factor	$5,000,000	2016 actual levy due to valuation factor	$4,955,000
Increase from 2020 to 2021	$35,000	Increase from 2019 to 2020	$60,000	Increase from 2018 to 2019	$75,000	Increase from 2017 to 2018	$50,000	Increase from 2016 to 2017	$45,000
% increase from 2020 to 2021	0.675%	% increase from 2019 to 2020	1.171%	% increase from 2018 to 2019	1.485%	% increase from 2017 to 2018	1.000%	% increase from 2016 to 2017	0.908%
Greater of net new construction or growth (set at 0%) for 2021	1.150%	Greater of net new construction or growth (set at 0%) for 2020	1.460%	Greater of net new construction or growth (set at 0%) for 2019	1.550%	Greater of net new construction or growth for 2018	1.500%	Greater of net new construction or growth for 2017	1.000%
Line 1 – 2021 unused percentage (1.150% - 0.675%)	0.475%	2020 unused percentage (1.460% - 1.171%)	0.289%	2019 unused percentage (1.550% - 1.485%)	0.065%	2018 unused percentage (1.500% - 1.000%)	0.500%	2017 unused percentage (1.000% - 0.908%)	0.092%
		Percentage used in prior year	0.289%	Percentage used in prior year	0.000%	Percentage used in prior years	0.250%	Percentage used in prior years	0.092%
		Line 2 – 2020 remaining unused percentage (0.289% - 0.289%)	0.000%	Line 3 – 2019 remaining unused percentage (0.065% - 0.000%)	0.065%	Line 4 – 2018 remaining unused percentage (0.500% - 0.250%)	0.250%	Line 5 – 2017 remaining unused percentage (0.092% - 0.092%)	0.000%
Line 6 – Total unused percentage (sum of Lines 1 through 5)							0.790%		
Line 7 – Previous year actual levy due to valuation factor							$5,220,000		
Line 8 – Allowable increase							$41,238		

Section D: Adjustments to Levy Limit

The reported adjustments in this section will increase or decrease your allowable levy limit.

- **Line A –** to use the allowable increase provided in Sec. B, enter an amount less than or equal to Sec. B, Line 5. To qualify for this adjustment:
  - Your governing body must approve by majority vote (for an increase of 0.5% or less); two-thirds majority vote (for an increase more than 0.5% to 1.5%); or three-quarters majority vote (for cities, villages and counties with at least five members approving an increase more than 0.5% to 1.5%)
  - You cannot report an amount on Line A **and** Line B
- **Line B** – enter the amount of decrease in debt service levy for debt authorized prior to July 1, 2005
- **Line C –** enter the amount of increase in debt service levy for debt authorized prior to July 1, 2005. This is rare.
- **Line D** – enter the levy increase for your municipality's share of refunded or rescinded taxes certified by DOR under state law (sec. 74.41(5), Wis. Stats.)

PROPERTY TAX LEVY FREEZE

Excerpt - 2023 Budget

The County is subject to a property tax levy freeze. Below is a calculation of the levy freeze. Under current law, a certain amount under the levy cap is available to be carried over to a future year if approved under certain conditions by the County Board.

2023 Levy Limit

2021 Payable 2022 County Levy (Line 27 County Apportionment Sheet)			$64,714,987
Less:	Bridge Aid Levy		(200,000)
	Library Aid Levy		(1,905,587)
	State Special Charges: General Hospital Charge		(160)
	Subtotal		62,609,240
Add: Personal Property Tax Aid			529,394
	Subtotal		63,138,634
	Debt Service for GO Debt Authorized after July 1, 2005		(0)
			63,138,634
Larger of 0% or Net New Construction			
	1.98% Net New Construction	1,250,144

RESOLUTION NO.: 39—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

Rule 9 of the Outagamie County Board Rules, Sec. 2-52 Administrative Rule Review, establishes a procedure for the review of Administrative Rules. The County Board may approve of the rule or refer it back to administration for revision and re-submission. A rule regarding updates to the Outagamie County Employee Handbook has been submitted for review.

Administrative Rule AR-2024-01 updates the Outagamie County Employee Handbook with adjustments and clarifying language to reflect current practice in several areas including bereavement leave, breastfeeding friendly workplace, commercial driver's license, compensatory time, continuing education, corrective discipline, dental insurance, health insurance, holidays, overtime, performance evaluations, clothing allowance, pet policy and service animals, sick leave, and termination.

Administrative Rule AR-2024-01 replaces Administrative Rule AR-2023-02.

NOW THEREFORE, the undersigned members of the Legislative/Audit and Human Resources Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does hereby approve Administrative Rule AR-2024-01 as attached and by reference made a part hereof, which amends the Outagamie County Employee Handbook with adjustments and clarifying language to reflect current practice in several areas, including bereavement leave, breastfeeding friendly workplace, commercial driver's license, compensatory time, continuing education, corrective discipline, dental insurance, health insurance, holidays, overtime, performance evaluations, clothing allowance, pet policy and service animals, sick leave, and termination, and

BE IT FURTHER RESOLVED, that this rule shall be numbered AR-2024-01, shall replace AR-2023-02, and will be on file in the manual entitled "Outagamie County Administrative Rules" in the Outagamie County Clerk's Office, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Human Resources Director and the Outagamie County Executive, who, in accordance with Sec. 59.03 Wis. Stats., shall be charged with the duty of distributing said rule to affected departments for compliance.

Dated this 23rd day of July 2024

Respectfully Submitted,

LEGISLATIVE/AUDIT & HUMAN RESOURCES COMMITTEE

Cathy Spears

Outagamie County Employee Handbook

Subject:	Outagamie County Employee Handbook
Number:	AR-2024-01
Effective:	07/24/2024
Replaces:	AR-2023-02 Outagamie County Employee Handbook
Adopted:	TBD

Introduction

This Administrative Rule updates the Outagamie County Employee Handbook with adjustments and clarifying language to reflect current practice in several areas including bereavement leave, breastfeeding friendly workplace, commercial driver's license, compensatory time, continuing education, corrective discipline, dental insurance, health insurance, holidays, overtime, performance evaluations, clothing allowance, pet policy and service animals, sick leave, and termination.

Procedure

Outagamie County Ordinance, Sec. 30-2 -- Purpose, authorizes the creation of a human resources manual through administrative rule which shall be a working document provided to all affected employees and shall contain procedures as listed in Sec. 30 – 12. The human resources manual shall be approved by the County Board as an administrative rule in accordance with Section 2.52.

Outagamie County Ordinance, Sec. 2-52 – Rule 9 – Administrative Rule Review requires all administrative rules to be submitted to the Legislative/Audit and Human Resources Committee who shall submit them to the full County Board for review. The County Board shall approve of the rule or refer the rule back to the Executive for revision and resubmission.

Policy

The attached matrix details the specific language changes to the handbook which can be found in the attached modified Employee Handbook.

Employee Handbook

Matrix of Changes

July, 2024

TOPIC	PAGE #	TYPE OF CHANGE	PROPOSED VERSION	ORIGINAL VERSION
Purpose of the Handbook	3 (Paragraph 4)	Clarification	The language set forth in this handbook supersedes all previous Outagamie County Employee Handbooks, as well as Personnel and Interim Personnel Manuals, and is effective July 2024.	The language set forth in this handbook supersedes all previous Outagamie County Employee Handbooks, as well as Personnel and Interim Personnel Manuals, and is effective August 2022.
Acceptable Behavior	8 (Paragraph 3)	Clarification	This report can be made verbally or by completing a Behavior Complaint Form found on MyOC.org/Human Resources/Employee Relations.	This report can be made verbally or by completing a Complaint Form found on the HR webpage.
Acceptable Behavior	8 (Paragraph 7)	Clarification	Other allegations of unacceptable conduct will be investigated in a timely and thorough manner by department management or Human Resources staff in conjunction with department management staff if appropriate.	Other allegations of unacceptable conduct will be investigated in a timely and thorough manner by department management or Human Resources staff in conjunction with department management staff.
Bereavement Leave	12 – top of 13	Addition/Removal	All regular full-time and part-time employees are eligible for pay from regularly scheduled duty as outlined below: • Up to five (5) days in the event of death of the employee's spouse, domestic partner, child, parent, brother, sister, and an adult who stood in loco parentis to the employee during childhood. *(Note: this section includes applicable step relatives)* • Up to three (3) days for grandparents, father-in-law, mother-in-law, and grandchild. *(Note: this section includes applicable step and great relatives)*; and • Up to one (1) day for aunt, uncle, nephew, and niece. *(Note: this section includes applicable step and great relatives)* • Up to five (5) days for your or your spouse's pregnancy loss. This will run concurrently with FMLA if applicable and cannot be paid simultaneously with Short-Term Disability.	All regular full-time and part-time employees are eligible for up to five (5) days with pay for death in the family to include spouse, child, parent, stepparent, stepchild, brother, sister, step-brother, and step-sister; three (3) days with pay for (great) grandparents, step-grandparents, father-in-law, mother-in-law, grandchild, and step-grandchild; and one (1) day with pay for uncle, aunt, nephew, niece. Family members covered in this section must be legal relatives at the time of death. For example, a person who once was a step-parent but has since divorced is no longer considered a step-parent at the time of death.
Bereavement Leave	13	Remove		Bereavement leave will normally be granted unless there are unusual business needs, or staffing requirements.

Bereavement Leave	13 (Paragraph 5)	Change	Employees under discipline for attendance issues may be required to provide documentation with regard to their bereavement leave.	The employee's supervisor and Human Resources will consider this time off on a case-by-case basis and may require verification of the need for the leave in special circumstances.
Breastfeeding Friendly Workplace	13	Remove	Outagamie County provides a supportive environment to enable breastfeeding employees to express their milk during work hours.	In recognition of the well documented health advantages of breastfeeding for infants and mothers, Outagamie County provides a supportive environment to enable breastfeeding employees to express their milk during work hours.
Breastfeeding Friendly Workplace	14	Remove		Breastfeeding Equipment:
				The employee is responsible to purchase their own breast pump equipment. The Affordable Care Act requires health insurance to cover a breast pump for all new mothers.
				A list of breast pump distributors is available upon request from the Human Resources Department.
Breastfeeding Friendly Workplace	15	Remove (redundant – also on 14)		Employees shall use the Staff Lactation Room Outlook calendar to schedule milk expression times that are most convenient or best meet their needs.
Commercial Driver's License	16 (paragraph 2)	Change (RSW also has CDL's)	Any employee who receives a citation for any offense that has a potential penalty of the suspension, revocation, or disqualification of their CDL shall notify their Department Head.	Any employee who receives a citation for any offense that has a potential penalty of the suspension, revocation, or disqualification of their CDL shall notify the Highway Commissioner.
Commercial Driver's License	16 (paragraph 5)	Change (RSW also has CDL's)	Prior to granting the leave of absence, the county may choose to continue the active employment of the affected employee to the extent that the Department Head determines that work is available.	Prior to granting the leave of absence, the county may choose to continue the active employment of the affected employee to the extent that the Highway Commissioner determines that work is available.
Commercial Driver's License	16 (paragraph 8)	Change (RSW also has CDL's)	The decision of the Department Head to offer, or not to offer, continued work or to assign other work duties in other departments is final and cannot be grieved.	The decision of the Highway Commissioner to offer, or not to offer, continued work or to assign other work duties in other departments is final and cannot be grieved.
Compensatory Time	18 (paragraph 1)	Change	If an exempt/salaried employee transfers to another department that does not utilize compensatory time, the employee will retain and be able to use unused compensatory time but will not be able to earn additional compensatory time. ~~the employee has earned will be lost.~~	If an exempt/salaried employee transfers to another department that does not utilize compensatory time, any unused compensatory time the employee has earned will be lost.
Continuing Education	19 (last paragraph)	Addition	Any regular full-time or part-time Outagamie County employee in good standing, averaging twenty (20) hours or more per week during the six (6) months prior to the start of the course, is eligible to apply.	Any Outagamie County employee in good standing, averaging twenty (20) hours or more per week during the six (6) months prior to the start of the course, is eligible to apply.

Continuing Education	20 (Class Application)	Change	Forms are available on the MyOC.org/Human Resources/Administrative Support webpage.	Forms are available the HR webpage.
Corrective Discipline	22 (paragraph 1)	Change	The aim of discipline is to address and rectify unsatisfactory job performance or behavior.	The purpose of discipline is intended to correct unacceptable job performance.
Corrective Discipline	22 (paragraph 1)	Change	Because all performance criteria which may make disciplining an employee necessary cannot be listed, each employee is expected to follow all county or departmental policies and processes outlined in the Employee Handbook and conduct themselves in a manner which is consistent with County Values and is appropriate to the employment setting.	Because all performance criteria which may make disciplining an employee necessary cannot be listed, each employee is expected to follow all county or departmental policies and processes outlined in the Employee Handbook and conduct themselves in a manner which is appropriate to the employment setting.
Corrective Discipline	23	Remove		An employee shall be terminated and the employment relationship ended for any of the following reasons: 1. Discharge; 2. Resignation; (Resignation will become effective upon receipt by the county of a written notice of resignation from the employee.) 3. Retirement; 4. Unexcused failure to return to work after the expiration of a leave of absence or period for which Worker's Compensation was paid; 5. Failure to report availability to return to work within five (5) calendar days after notice of recall from layoff or failure to return to work within fourteen (14) calendar days after reporting availability. 6. On layoff for a continuous period of time equivalent to twelve (12) calendar months.
Deferred Compensation	23 (Paragraph 2)	Remove		The county offers two deferred compensation plans, currently administered by ICMA and Wisconsin Deferred Compensation.
Deferred Compensation	23 (Paragraph 2)	Change	Additional information is available in the Human Resources Department, or at MyOC.org/Human Resources/Benefits webpage.	Additional information is available in the Human Resources Department, or on the Human Resources webpage.
Dental Insurance	24 (Paragraph 3)	Change	Upon termination of employment or retirement, coverage will end at the end of the month of last day worked or last day on paid leave, whichever is later provided employee contributions for that month have been deducted from final paycheck or paid to the County Treasurer.	Coverage continues through the end of the month in which termination of coverage occurs.

Electronic Resources: Computers, Internet & Email	25 (last paragraph)	Change	See the ACCEPTABLE USE POLICY located on MyOC.org/Applications/Policies & Procedures/IT webpage.	See the ACCEPTABLE USE POLICY located on the IT webpage.
Employee Assistance Program (EAP)	25 (Paragraph 3)	Change	This free, comprehensive counseling service offers employees and their spouse or children six (6) visits per issue each year and a 24-hour hotline answered by professional, degreed counselors. Employees may contact the Employee Assistance Program directly. Contact information can be found on the MyOC.org/Department/Human Resources/Benefits/EAP webpage.	This free, comprehensive counseling service offers employees and their spouse or children three visits per issue each year and a 24-hour hotline answered by professional, degreed counselors. Employees may contact the Employee Assistance Program directly. Contact information can be found on the HR webpage.
Health Insurance	32 (Paragraph 1)	Change	Upon termination of employment or retirement, coverage will end at the end of the month of last day worked or last day on paid leave, whichever is later provided employee contributions for that month have been deducted from final paycheck or paid to the County Treasurer.	Coverage continues through the end of the month in which termination of coverage occurs.
Holidays	33 (Paragraph 1)	Change	The Holiday Calendar can be found on MyOC.org/Departments/Human Resources/Administrative Support/Holiday webpage.	The Holiday Calendar can be found on the HR website.
Holidays	34 (Paragraph 4)	Change	Unless previously granted an exception, exempt employees who are required to work on a holiday will be eligible, based on the departments use of compensatory time, to earn compensatory time for all hours worked over 40 (Grades 100-165) or 45 (Grades 170 and over) in a week.	Unless previously granted an exception, exempt employees who are required to work on a holiday will be eligible, based on the departments use of compensatory time, to earn compensatory time for all hours worked over 40 (Grades 1-8) or 45 (Grades 9 and over) in a week.
Overtime	47 (2nd Bullet)	Change	...for hours worked over 40 in a week for Grades 100-165 or over 45 hours in a week for Grades 170 and over.	...for hours worked over 40 in a week for Grades 1-8 or over 45 hours in a week for Grades 9 and over.
Performance Evaluations, and Salary Administration	51 (5th paragraph)	Remove / Addition	In cases of poor performance, the department head or County Executive may, after conferring with the Human Resources Director, ~~reduce the pay of an employee by up to 3.0%~~ withhold, or delay a scheduled general base salary adjustment for an employee.	In cases of poor performance, the department head or County Executive may, after conferring with the Human Resources Director, reduce the pay of an employee by up to 3.0% or withhold a scheduled general base salary adjustment for an employee.
Clothing Allowance	53 (paragraph 1)	Remove	~~Airport,~~ Plamann Park, Maintenance and Custodial employees who are required to wear uniforms will be provided with the following initial allotment:	Airport, Plamann Park, Maintenance and Custodial employees who are required to wear uniforms will be provided with the following initial allotment:
Clothing Allowance	53 (Paragraph 3)	Addition	Appleton Airport will provide the necessary uniforms to any employee whose job duties require such attire. Uniform attire and annual allowances may differ based on position and department needs. Details are available from Airport leadership.	
Pet Policy & Service Animals	54 (Last paragraph)	Remove	Employees requesting accommodation for a disability that includes a service animal ~~dog~~ or service animal dog in training, must contact ~~the Human Resources~~	Employees requesting accommodation for a disability that includes a service dog or service dog in training, must contact the Human Resources (HR) Department

			~~(HR) Department and complete a Documentation of Disability form. All service dogs must be registered with the~~ Risk Management Administrator.	and complete a Documentation of Disability form. All service dogs must be registered with the Risk Management Administrator.
Safety & Accident Prevention	63 (paragraph 4)	Change	Additional information regarding vehicle usage and insurance coverage requirement can be found at MyOC.org/Departments/County Executive/Administrative Rules/Vehicle Usage Policy.	Additional information regarding vehicle usage and insurance coverage requirement can be found on the Risk Administration webpage.
Sick Leave	65 (Paragraph 2)	Change	New employees that are eligible to earn sick leave can use it once it is available on the first of the month following their hire date. Any sick leave taken prior to having it available would be without pay if vacation and/or floating holiday pays are not approved to be used or available.	New employees that are eligible to earn sick leave can use it once it is available on the first of the month following their hire date. Any leave taken prior to having it available would be without pay.
Sick Leave	65 (Paragraph 5)	Addition	An employee eligible for sick leave with pay may use such leave upon approval of the manager/supervisor/department head for absence due to an employee's illness, injury, exposure to contagious disease, dental or medical appointments or due to illness in the employee's immediate family (i.e, the employee's spouse, domestic partner or dependent children living in the employee's household) hospitalization, illness, or dental/medical appointment requiring the employee's personal attendance. In addition, employees who are not eligible for FMLA will be able to use sick leave for a continuous absence related to the birth of their child, provided notification and paperwork is completed with the HR Advisor – Leave Administrator.	An employee eligible for sick leave with pay may use such leave upon approval of the manager/supervisor/department head for absence due to an employee's illness, injury, exposure to contagious disease, dental or medical appointments or due to illness in the employee's immediate family (i.e, the employee's spouse, or dependent children living in the employee's household) hospitalization, illness, or dental/medical appointment requiring the employee's personal attendance.
Sick Leave	65 (Paragraph 5)	Change	HR Advisor – Leave Administrator	Employee Leave Administrator
Sick Leave	65 (Paragraph 6)	Remove	In order to use sick leave for serious health conditions of family members not in the immediate family, it must be covered under FMLA Family Medical Leave. ~~Sick leave pay may only be used for baby bonding and serious health conditions of family members not in the immediate family under Family Medical Leave.~~	In order to use sick leave for serious health conditions of family members not in the immediate family, it must be covered under FMLA Family Medical Leave. Sick Leave pay may only be used for baby bonding and serious health conditions of family members not in the immediate family under Family Medical Leave.
Sick Leave	66 (Paragraph 2)	Change	Sick leave and retirement – Employees hired prior to January 1, 2014 who ~~are retiring~~ meet the definition of retirement under Wisconsin Retirement System will receive a 100% payout of accumulated sick leave. Employees hired on or after January 1, 2014 who ~~are retiring~~ meet the definition of retirement under Wisconsin Retirement System will receive a graduated percentage payout of up to 120 days of accumulated sick leave based on their length of service with Outagamie County....	Sick leave and retirement – Employees hired prior to January 1, 2014 who are retiring under Wisconsin Retirement will receive a 100% payout of accumulated sick leave. Employees hired on or after January 1, 2014 who are retiring under Wisconsin Retirement System will receive a graduated percentage payout of up to 120 days of accumulated sick leave based on their length of service with Outagamie County....

Termination	69 (Paragraph 5)	Change	Retirement: Voluntary withdrawal from one's position with Outagamie County, similar to voluntary termination, ~~but receives a Wisconsin Retirement annuity~~ is retiring under the Wisconsin Retirement System and has at least 5 years of service with Outagamie County immediately prior to the retirement. An employee will only be considered to be retiring once from Outagamie County. If the employee returns to Outagamie County employment, any subsequent voluntary termination will be considered a resignation regardless of length of service.	Retirement: Voluntary withdrawal from one's position with Outagamie County, similar to voluntary termination, but receives a Wisconsin Retirement annuity.
Glossary of Terms	87 (Adjusted Date of Hire)	Addition	Adjusted Date of Hire: A date used as a starting point to track such things as time in grade, position and employment status.	Adjusted Date of Hire: A date used as a starting point to track such things as time in grade.
Glossary of Terms	87 (Domestic Partner)	Addition	Domestic Partner: a person with whom an employee shares a committed relationship akin to marriage. This relationship is characterized by mutual financial interdependence and a shared residence, and typically involves a level of emotional and physical commitment similar to that found in a traditional marriage. Domestic partners may or may not be legally married or have registered their partnership, depending on local laws and regulations.	
Glossary of Terms	88 (Immediate Family)	Addition	Immediate Family: unless otherwise defined, includes spouse, domestic partner, child, parent, brother, sister, mother-in-law, father-in-law, sister-in-law, brother-in-law, daughter-in-law, son-in-law, grandparent, stepparent, stepchild, stepbrother, or stepsister.	Immediate Family: includes spouse, child, parent, brother, sister, mother-in-law, father-in-law, sister-in-law, brother-in-law, daughter-in-law, son-in-law, grandparent, stepparent, stepchild, stepbrother, or stepsister.

EMPLOYEE HANDBOOK

Your guide in understanding the way we work at

Outagamie County Est. 1851

Revision Date: July 2024

INTRODUCTION

We are pleased that you are employed with us at Outagamie County. We depend on the skill and energy of people like you to provide our citizens with the kind of efficient and courteous service they deserve and expect.

Please read all the information in this handbook carefully and keep this as a ready reference. You will undoubtedly have questions about your job with the County. When questions arise which are not answered in the handbook, do not hesitate to ask your supervisor/manager or department head for assistance.

You are an important member of the County work force; we hope your employment is mutually rewarding.

Thomas

Thomas Nelson
Outagamie County Executive

OUTAGAMIE COUNTY CORE VALUES

Devoted to positively impacting our communities

Better Together
Inspire unity by promoting collaboration, trust and respect

Create Progress
Encourage growth through innovation to advance and succeed

Support Through Compassion
Prioritize one another through communication, inclusion, and transparency to bolster our community

Revision Date: July 2024

PURPOSE OF THE HANDBOOK

The Employee Handbook is designed to promote consistent, uniform personnel administration throughout Outagamie County. It is the intent of Outagamie County that all employees be treated with dignity and respect.

This handbook is not designed to be an all-inclusive or all exclusive document, as there may be other policies that may apply to you. However, it will help you familiarize yourself with important matters that relate to you, your job, and your career.

This handbook is for general information purposes only, and applies to all non-bargaining unit employees. The statements in this book are intended as explanation only and create no new rights or obligations. It is not, nor is it intended to be, a contract of employment or a promise of employment. The County reserves the right to modify, revoke, suspend, terminate, or change any or all of such plans or processes, in whole or in part, at any time, with or without notice. Any statements set forth which are in conflict with, are superseded by, and subject to all federal and state laws, county ordinances and resolutions, and, if applicable, collective bargaining agreements and individual employment contracts, related to employee rights and benefits. In addition, your department may have unique characteristics that may require special consideration within these guideline areas and may develop work rules within the parameters of this Manual. Employees of Outagamie County are employees-at-will. No person has authority to make any agreement for employment for any specified period of time or to make any agreement contrary to the foregoing.

The language set forth in this handbook supersedes all previous Outagamie County Employee Handbooks, as well as Personnel and Interim Personnel Manuals, and is effective July 2024. When there is a conflict regarding the present handbook and any other past practices related to personnel matters, the present manual will prevail.

Constructive comments on the usefulness and completeness of this handbook are welcome. Please direct them, as well as any questions you may have, to the Outagamie County Human Resources Department.

ABSENCES

Employees unable to come to work must contact their supervisor or designee prior to the start of their work day as determined by their department. While it is recognized that there may be extenuating circumstances for unauthorized absences; and due consideration will be given for each case, an employee who is absent from duty without approval for three (3) consecutive scheduled work days will be considered to have voluntarily terminated their position.

Employees absent from work must account for their missed time through the use of vacation, sick leave, comp time, unpaid leave, or floating holidays. The provisions of this section apply to both Fair Labor Standards Act exempt and non-exempt employees and are in accordance with the county's policy of ensuring public accountability of its employees.

ACCEPTABLE BEHAVIOR

It is the policy of Outagamie County to promote a safe and respectful environment for employees and clients that is free from all forms of harassment, offensive language, violence, bullying, and other non-productive behaviors.

It is a violation of this section of the handbook to engage in any behavior that is offensive, unprofessional, illegal, disrespectful, or in any way does not meet the high professional standards expected in our workplace. Unacceptable behavior will include but will not be limited to:

Harassment or other discriminatory behavior toward individuals in protected classes as defined and covered by Title VII of the Civil Rights Act of 1964. Harassment includes physical, verbal, and non-verbal abuse, intimidation, and threats. Sexual harassment is defined as unwelcome or unsolicited verbal, non-verbal, or physical conduct of a sexual nature in which submission to or rejection of such conduct is used as the basis for making decisions effecting conditions of employment or has the purpose or effect of substantially interfering with an employee's job performance, or creates an intimidating hostile or offensive work environment.

General harassment, bullying, other forms of psychological harassment, and any use of hostile, intimidating, threatening or humiliating behavior.

Violence, including the use or threat of use of any weapon on county property unless as a requirement of the job; the use of physical violence, including threat of physical violence on county property (reasonable force may be used in the defense of oneself or others).

Possession of any weapon in county facilities or vehicles, or in the performance of county duties, unless as a requirement of the job.

RESPONSIBILITY

It is the responsibility of each member of management to create an atmosphere free of unacceptable behavior. All members of management are responsible for preventing and/or eliminating unacceptable behavior in their work areas. In addition, it is the responsibility of all employees, contractors, vendors and visitors to respect the rights and feelings of other individuals.

COMPLAINT PROCESS

Any employee who believes they have been subjected to unacceptable behavior is encouraged to file a report of such conduct by either:

a) notifying their department management staff who will then notify the Human Resources Department, or;
b) notifying the Human Resources Deputy Director or Director.

This report can be made verbally or by completing a Complaint Form found on MyOC.org/Human Resources/Employee Relations. Complaints should include specific detail about the parties involved, what day and time the incident occurred, a list of any witnesses, and any other relevant information.

In cases of violent behavior where the threat of injury is imminent, or an injury has occurred, emergency responders such as police, fire and/or ambulance personnel should be notified immediately by calling 9-911. Human Resources should then be notified. Human Resources and/or department management will take steps to minimize the potential for further violence or the fulfillment of any threatened violence.

The county recognizes that false accusations can have serious effects on innocent individuals and their families. Consequently, false accusations will result in appropriate disciplinary action against the complaining party.

INVESTIGATION PROCESS

Allegations of protected class harassment will be investigated in a timely and thorough manner by members of the Human Resources Department in conjunction with department management staff.

Other allegations of unacceptable conduct will be investigated in a timely and thorough manner by department management staff or Human Resources staff in conjunction with department management staff if appropriate.

Where allegations of violent behavior have been made, the county reserves the right to search an employee's belongings while on county property and county owned property being used by the employee or have law enforcement personnel search any employee's person if there is a reasonable suspicion that a weapon or evidence of violent behavior has been concealed. Any employee failing to cooperate with such a search will be subject to disciplinary action.

REMEDIAL ACTION

Discipline may include warning, suspension or termination depending on the severity of the incident and the repetitious nature of the behavior.

NOTIFICATION TO COMPLAINANT

Following investigation and imposition of any discipline, the complaining party will be notified as to the resolution of the case and that any further incidents should be reported promptly.

RETALIATION

Any and all forms of retaliation against a complainant or witness are expressly prohibited by the county. Appropriate disciplinary action will be taken against anyone retaliating against either the person filing a complaint or anyone assisting in the investigation.

CONFIDENTIALITY

To every extent possible, complaints and investigation results regarding unacceptable behavior will be treated with the utmost discretion and confidentiality for both the complaining party and the person against whom the complaint was filed.

ALCOHOL AND DRUGS

Outagamie County has a vital interest in maintaining safe, healthy, and productive working conditions for employees and providing safe, quality services to constituents. Employees under the influence of alcohol or other drugs while in the workplace pose a threat to the safety and wellbeing of themselves, co-workers and the general public.

The county encourages employees who have an alcohol or other drug problem to seek help to deal with their problem. Help is available through the Employee Assistance Program. For more details on this program, contact the Human Resources Department.

Some positions within Outagamie County fall within the purview of the DOT, Law Enforcement, FAA or other state or federal agencies that have different alcohol/drug standards that apply. Where a different standard exists, the more stringent standard will supersede.

POLICY STATEMENTS

The unauthorized consumption of alcohol during work hours or on county property is prohibited.

The unauthorized use, possession, distribution or sale of drugs, illicit drugs and/or controlled substances during work hours or on county property is prohibited.

Being under the influence of alcohol at work is a violation of this policy. Under the influence of alcohol is defined as a Breath Alcohol Concentration (BRAC) of .02 or greater.

Being at work under the influence of any drug not lawfully prescribed, or the misuse of any lawfully prescribed drug while at work is a violation of this policy. Under the influence of drugs

is defined as meeting or exceeding urine concentration levels of prohibited substances as established by the DOT. Misuse is defined as exceeding the normal urine concentration range for a drug as prescribed.

Employees will not be permitted to work if under the influence of legal drugs or prescribed medications whose use adversely affects the employee's work.

Employees violating this policy will be subject to discipline.

REASONABLE SUSPICION

Where reasonable suspicion exists that an employee is under the influence of alcohol or drugs, the employee may be required to submit to testing specified by the employer.

Where reasonable suspicion exists that an employee is in possession of drugs or has been consuming alcohol or drugs during work hours or on county property, the employer reserves the right to inspect any and all storage devices on county property including personal storage devices.

Reasonable suspicion is defined as specific, contemporaneous, articulable observations about the conduct, appearance, speech or body odors of the employee and may include information provided by co-workers. Involvement in, or causation of an on-the-job accident may constitute a basis for reasonable suspicion. Anonymous tips will not be accepted as the sole basis for reasonable suspicion.

Reasonable suspicion must be established by a member of management and wherever possible, be confirmed by a second member of management.

PROCESS

Where reasonable suspicion exists, if at all possible, the Human Resources Department should be consulted before proceeding. Human Resources will provide the manager with a list of state certified testing facilities.

Where testing is indicated, a member of management must complete a Referral Authorization Form and escort the employee to the designated testing facility, present the Referral Authorization Form, and remain with the employee at the test site throughout the testing process. Under no circumstances should an employee, suspected of being under the influence of alcohol or drugs, be permitted to drive themselves to the testing site.

Standard testing will include a Breath Alcohol Test (BAT) and a Rapid Drug Screen. The employer reserves the right to test for other illegal drugs at its discretion.

Following testing, the escort will return the employee to the worksite. If during normal business hours, the employee will be brought to the Human Resources Department to await test results. If not during normal business hours, or if test results are not immediately available, arrangements should be made for the employee to get home where the employee will await return to work instructions.

Test results will be reported to the Human Resources Department as either positive or non-positive as soon as they are available. An employee will not be permitted to work while awaiting test results.

Refusal to be tested, tampering with the samples and/or non-cooperation with the process will be considered a positive test and the employee will be subject to discipline.

Where non-positive results are obtained from the BAT and Rapid Drug Screen, Human Resources will clear the employee to return to work immediately. Management should investigate the circumstances that led to reasonable suspicion. The EAP may be consulted in this regard.

CHALLENGING RESULTS

An employee may request a blood sample be drawn at the time of the BAT if they wish to ultimately challenge the results of the BAT. The blood sample may be analyzed at a lab of the employee's choice. The results of the blood analysis will govern.

An employee may challenge the results of the Rapid Drug Screen findings with a confirmation test at a lab of the employee's choice within 14 calendar days of the initial test. In the event of conflicting results, the confirmation test will determine the outcome.

RETURN TO WORK FOLLOWING POSITIVE RESULTS: ALCOHOL

Employees testing positive will be subject to discipline. An EAP referral may be made in conjunction with discipline. If an EAP referral is indicated, the employee must execute a consent agreement allowing the release of information regarding treatment recommendations, cooperation, follow-through, and readiness to return to work.

If discipline does not result in termination of employment, the date and time of return to work will be determined by the Human Resources Department or the employee's manager.

RETURN TO WORK FOLLOWING POSITIVE RESULTS: DRUGS

A positive Rapid Drug Screen requires the test sample to be forwarded to a lab for a more detailed chemical analysis. Human Resources will be notified immediately that the sample is being sent for analysis. The analysis process may take several days. The employee will be sent home pending receipt of results.

Positive results are forwarded to the Medical Review Officer (MRO) at the designated testing facility who will review the results of the detailed analysis and contact the employee for additional information. The employee may be required to present proof regarding the usage of prescription medications. The MRO will then consult with the Human Resources Department.

After the results are made known to the Human Resources Department, the employee testing positive will be subject to discipline. An EAP referral may be made in conjunction with discipline. If an EAP referral is indicated, the employee must execute a consent agreement allowing the release of information regarding treatment recommendations, cooperation, follow-through, and readiness to return to work.

If discipline does not result in termination of employment, the employee may not return to work without evidence of a non-positive test.

Testing for purposes of return to work may be completed at a state certified facility of the employee's choice but must use threshold levels established by the employer.

Revision Date: July 2024

RECORDS AND FOLLOW-UP

All test results and test related information will be maintained by the Human Resources Department in a confidential manner.

If discipline does not result in termination of employment, an employee, after having tested positive, may, without reasonable suspicion, be subject to a maximum of three subsequent screens related to the initial positive test during the following 12 month period unless more frequent or random testing is prescribed by the EAP.

ASSOCIATED COSTS

All initial testing required by the employer will be paid for by the employer.

Random testing and follow-up testing prescribed by the EAP as described will be paid for by the employer.

Testing required for return to work will be determined by and paid for by the employer. Return to work testing not approved by the employer will be paid for by the employee.

All costs related to any challenge of initial test results, including any medical procedures, will be the responsibility of the employee unless the results are non-positive.

SALARY AND WAGES

Employees will be paid their regular wages for the time spent in the initial testing process.

Employees waiting for clearance to return to work following testing will be paid their regular wages for all missed time if the tests are non-positive. Where the tests are positive, the employee will not be paid their regular wages nor have access to sick leave, vacation or floating holiday pay for missed time.

Where return to work is delayed by an employee challenge of test results, the employee will be paid their regular wages for missed time in the event of a non-positive result and will not be paid for hours missed if the result is positive.

BEREAVEMENT LEAVE

Bereavement leave is leave taken by an employee due to the death of another individual, usually a close relative.

The time is usually taken by an employee to grieve the loss of a close family member, prepare for and attend a funeral, and/or attend to any other immediate post-death matters.

All regular full-time and part-time employees are eligible for pay from regularly scheduled duty as outlined below:

- Up to five (5) days in the event of death of the employee's spouse, domestic partner, child, parent, brother, sister, and an adult who stood in loco parentis to the employee during childhood. *(Note: this section includes applicable step relatives)*
- Up to three (3) days for grandparents, father-in-law, mother-in-law, and grandchild. *(Note: this section includes applicable step and great relatives)*; and
- Up to one (1) day for aunt, uncle, nephew, and niece. *(Note: this section includes applicable step and great relatives)*
- Up to five (5) days for your or your spouse's pregnancy loss. This will run concurrently with FMLA if applicable and cannot be paid simultaneously with Short-Term Disability.

The hour equivalent of the term "days" is determined by the proration factor of the employee, with a maximum factor of eight (8) hours per day.

An employee may, with their supervisor's approval, use any available vacation or floating holidays for additional time off as necessary. Sick leave may not be used to extend bereavement leave without a physician's certification.

Generally, bereavement leave is taken immediately following the death. However, there may be circumstances when a supervisor will recognize the need for flexibility, for example, if a memorial service is scheduled at a time in the future.

Bereavement pay is calculated based on the base pay rate at the time of absence, and it will not include any special forms of compensation, such as incentives, commissions, bonuses, overtime or shift differentials.

Employees under discipline for attendance issues may be required to provide documentation with regards to their bereavement leave.

BREASTFEEDING FRIENDLY WORKPLACE

Outagamie County provides a supportive environment to enable breastfeeding employees to express their milk during work hours.

EMPLOYEE RESPONSIBILITIES

Employees who wish to express milk during the work period shall keep supervisors informed of their needs so that appropriate accommodations can be made to satisfy the needs of both the employee and the department.

It is the employees' responsibility to initiate this communication and to clearly state their needs to their supervisor.

Maintenance of Milk Expression Areas:

Breastfeeding employees are responsible for keeping milk expression areas clean, using anti-microbial wipes to clean the surfaces they utilize to pump.

Employees are also responsible for keeping the general lactation room clean for the next user.

This responsibility extends to both designated milk expression areas, as well as other areas where expressing milk will occur.

Milk Storage:

If milk is stored in a common refrigerator, employees should label all milk expressed with their name and date collected so it is not inadvertently confused with another employee's milk.

Use of Times to Express Milk:

Employees shall use the Staff Lactation Room Outlook Calendar or sign-up calendar displayed on lactation room door to schedule milk expression times that are most convenient or best meet their needs.

A Staff Lactation Room has been established on Level 3 of the Administration Building, on Level 2 (Heritage Square) at Brewster Village and ground floor of the Justice Center. All county employees are welcome to schedule time in these rooms. In other buildings where there is not a dedicated lactation room, the employee must work with their management staff to establish appropriate accommodations. Temporary Lactation Rooms have been identified at Highway Department, YFS, Solid Waste and the Sheriff's Department. If an employee has comments, concerns, or questions, regarding this issue, they may contact Human Resources.

EMPLOYER RESPONSIBILITIES

Milk Expression Breaks:

In accordance with the Fair Labor Standards Act (FLSA), Outagamie County will provide nursing mothers reasonable break time each time the employee needs to express milk for up to one year after the birth of a child.

Lactation times shall be established for each employee based on her work schedule. If possible, the lactation time is to run concurrently with any break time already provided.

Lactation time beyond the regular break time is unpaid and will be determined between the employee and the employee's supervisor.

A Place to Express Milk:

In accordance with the Fair Labor Standards Act (FLSA), a private room (not a toilet stall or restroom) shall be available for employees to breastfeed or express milk. The room will:

- Be private and sanitary
- Be located near a sink with running water for washing hands and rinsing out breast pump parts
- Have an electrical outlet
- Be in close proximity to the employee's work area
- Contain comfortable seating

- Have appropriate signage and/or other security measures will be used to identify the occupied status of the lactation area

If employees prefer, they may also breastfeed or express milk in their own private offices, or in other comfortable locations agreed upon in consultation with the employee's supervisor.

Supervisors will be responsible for reviewing policies and practices that will help facilitate each employee's infant feeding goals.

It is expected that employees will assist in providing a positive atmosphere of support for breastfeeding employees.

CIVIC DUTY

The county supports employees in their civic duty to serve on a jury, and their responsibilities as an active citizen.

Employees must present any summons to jury duty to their supervisor as soon as possible after receiving the notice to allow advance planning for an employee's absence.

An employee when subpoenaed in connection with county business, called upon to serve jury duty, or subpoenaed as a witness, will be paid their regular salary up to eight (8) hours per day.

The employee will not be entitled to jury duty pay or witness fees in addition to their regular pay except on those occasions when the employee chooses to take vacation or floating holiday time equal to the time lost by serving on the jury or as witness.

No employee will receive salary for attending court in cases involving a criminal act by the employee or a civil case initiated by the employee.

COMMERCIAL DRIVERS LICENSES

Highway Employees: The county shall pay up to one hundred fifty dollars ($150.00) per renewal toward the cost of successfully obtaining / renewing a CDL and endorsements that are required by the county, including background screening fees, upon presentation of receipts.

Recycling / Solid Waste Employees: The county shall pay up to one hundred fifty dollars ($150.00) toward the cost of successfully obtaining an initial CDL license and required endorsements and all subsequent renewals of a CDL and endorsements that are required by the county, including background screening fees, upon presentation of receipts.

The parties agree that they will comply with all federal and state regulations that pertain to the commercial driver's licenses.

Any employee who receives a citation for any offense that has a potential penalty of the suspension, revocation, or disqualification of their CDL shall notify their Department Head, or their designee, by 7:00 a.m. on the next business day. Failure to comply will make the employee ineligible for this Section and subject to discipline.

This opportunity shall be given to any employee only once during that employee's employment with Outagamie County. A second major offense, or a series of serious traffic violations resulting in CDL disqualification, shall result in termination.

The county will provide an unpaid leave of absence not to exceed thirteen (13) months to a maximum of two (2) employees at a time, who are disqualified from holding a CDL due to circumstances arising outside of work. Furthermore, it is recognized that loss of a CDL due to circumstances occurring during working hours is a severe offense and may result in termination of employment.

Prior to granting the leave of absence, the county may choose to continue the active employment of the affected employee to the extent that the Department Head determines that work is available. The employee may also be assigned to other work duties in other departments for which the employee may be qualified, at the sole discretion of the county.

It is understood that if a job assignment pays less than the employee's assigned position, the employee's wage will be adjusted accordingly. If the assignment is into a higher classification, the employee will be paid their normal rate.

Once a leave of absence is granted, the employee will not be required to return to work for intermittent, sporadic work assignments, unless said employee makes themselves available for such work.

The decision of the Department Head to offer, or not to offer, continued work or to assign other work duties in other departments is final and cannot be grieved.

Said employee shall have their CDL privileges reinstated within thirty (30) days following the end of the suspension, revocation, or disqualification period, and failure to do so will result in termination of employment.

The county has the sole discretion to fill the employee's position on a temporary basis during the leave of absence in any manner it deems appropriate. The county may also temporarily fill the position internally, and it shall not be subject to the posting process.

The employee will be required to use available vacation and floating holidays prior to an unpaid leave of absence. Following the utilization of any paid leave, the leave of absence shall be without pay or benefits. It is agreed that the employee shall not file for unemployment benefits while on paid leave of absence. During the unpaid leave of absence, health, dental, and life insurance coverage will be available if the full premiums are paid by the employee, in accordance with county Policy.

The employee will not lose benefits accrued prior to the paid leave of absence but will not accrue benefits while on the unpaid leave.

COMPENSATORY TIME

It is the policy of Outagamie County to permit employees to earn compensatory time off, at the discretion of the supervisor, manager, or department head. For purposes of computing compensatory time, authorized paid leaves of absence are only considered time worked, if the additional work hours are required by the department. All overtime/compensatory work must be approved in advance by a supervisor or manager.

GRANTING COMPENSATORY TIME

There is no legal requirement or obligation of Outagamie County to grant compensatory time off to employees. A supervisor may choose to grant compensatory time off to employees who work in excess of 40/45 hours in a standard workweek for special projects, to perform urgent county business or during weekends/normally scheduled time off. Compensatory time will be granted on an hour-for-hour basis for exempt/salaried employees and at a rate of 1.5 hours for each hour worked for non-exempt/hourly employees. Compensatory time and overtime only applies after 40 hours for those positions that fall in a 37.5 hour/week category. (Note: all hours over 40 in a work week for non-exempt/hourly employees must either be compensated in compensatory time or overtime, with no exceptions.)

PROCESS

The maximum amount of compensatory time is a rolling amount of 40 hours (i.e. you cannot have more than 40 accumulated hours at any given time).

The approval for earning compensatory time must be approved by the supervisor in advance, whenever possible. Regardless of whether advance approval is required, all employees are responsible for tracking their compensatory time. Time reporting should reflect regular pay and any compensatory time earned or used for a select pay period.

An employee who has accrued compensatory time and requests use of the time must be permitted to use the time off within a "reasonable period" after making the request. Compensatory time usage must be taken in increments of fifteen (15) minutes. Supervisors may deny the request if the use of compensatory time will "unduly disrupt" the department's operations. Supervisors can also require an employee to take compensatory time off to manage the accrual limitation.

PAYOUT OF COMPENSATORY TIME

Non-exempt/hourly employees should intend to use all earned compensatory time off before the first pay period ending in December of the year it was earned. If a non-exempt/hourly employee has any remaining compensatory time off, it will be paid out on the second paycheck in December of the calendar year in which it was earned. Compensatory Time will also be paid out upon separation of a non-exempt/hourly employee or when an employee transfers to a department that does not utilize compensatory time.

For Exempt/Salaried employees, compensatory time may be carried over from one year to another, never to exceed 40 hours at any given time, and will not be paid out upon separation, unless approved by the HR Director due to extenuating circumstances. If an exempt/salaried employee transfers to another department that does not utilize compensatory time, the employee will retain and be able to use unused compensatory time but will not be able to earn additional compensatory time.

CONFLICTS OF INTEREST AND CODE OF ETHICS

Outagamie County expects all employees to conduct themselves and county business in a manner that reflects the highest standards of ethical conduct, and in accordance with all federal, state, and local laws and regulations. This includes avoiding real and potential conflicts of interests, as well as perception of a conflict of interest.

Exactly what constitutes a conflict of interest or an unethical business practice is both a moral and a legal question. Outagamie County recognizes and respects the individual employee's right to engage in activities outside of employment which are private in nature and do not in any way conflict with or reflect poorly on the county.

The proper operation of government requires that employees be independent, impartial, and accountable to the people and for the public to have confidence in the integrity of its government. Nothing in this section will deny any individual rights granted by the United States Constitution, the Constitution of the State of Wisconsin, or the laws of the United States and State of Wisconsin.

No county employee will use their office or position for personal financial gain or the financial gain of their family. No employee shall engage in their own business activity, accept private employment, or render services for private interests when such employment, business activity, or service is incompatible or conflicts with the proper discharge of their official duties or would impair their independence of judgment or action in the performance of their official duties. No employee will participate in the selection, award or administration of a contract supported by a federal/state award if they have a real or apparent conflict of interest. No employee shall use or disclose "privileged, confidential, or HIPAA protected information" gained in the course of or by reason of their official position or activities.

No county employee is allowed to conduct business relating to outside employment while on county paid time, nor is an employee allowed, at any time, to use county facilities, supplies, equipment, telephones, or property in the performance of outside duties.

Employees can engage in political activity outside of the employee's county employment provided that such activity does not interfere with normal work performance, does not interfere with specific job duties, is not conducted during normal working hours and does not involve the use of county equipment or property. Employees are specifically prohibited from directly or indirectly coercing any person to hold or contribute monetary or other types of assistance to any political candidate, party, or purpose. Under provisions of the Federal

Hatch Act, employees who are principally employed in positions which are financed in whole or in part by federal loans or grants cannot become political candidates in partisan elections.

No person shall be employed, promoted, or transferred to any department within Outagamie County government or to a division thereof when, as a result, they would be directly supervising or receiving direct supervision from a member of their immediate family. No county employee will solicit or accept for themselves, or another person any gift, campaign contribution, gratuity, favor, services, promise of future employment, entertainment, loan, or any other thing of monetary value from a person who has or is seeking contractual or other business activities from or which are regulated by the county. This does not include acceptance of loans from banks or other financial institutions on customary terms of finance for personal use, such as home mortgage loans, the acceptance of unsolicited advertising or promotional material, such as pens and calendars, and acceptance of an award for meritorious public or personal contributions or achievements.

Any perceived conflict of interest that is detected or suspected by an employee or third party shall be reported to your supervisor or manager or to their supervisor or manager in their absence. An investigation by the supervisor/manager and/or department head will follow upon notification of perceived violations of this policy. Corporation Counsel should also be contacted to determine if any additional follow-up is needed and to determine what disclosures should be made. Disclosure of known conflicts will be included in federal/state grant applications or will provide prompt notification upon subsequent awareness prior to the awarding of grant funding, as required by federal and state laws. Subsequent identification of known violations (including fraud, bribery, or gratuity violations) must be disclosed, in a timely manner, in writing to the Federal awarding agency or pass-through entity with the department taking prompt, corrective action to ensure such conduct ceases and will not recur.

Violations of this policy may result in disciplinary action consistent with Board policies, procedures, and federal and state laws

CONTINUING EDUCATION

Outagamie County encourages continuing education by offering Education Reimbursement. This reimbursement is intended to provide assistance to the employee for out of pocket expenses for continuing education for the mutual benefit of the employee and Outagamie County, not covered in the departmental budget.

This section of the handbook describes eligibility requirements, criteria for approval and reimbursement, and the process for application, approval and reimbursement.

Any regular full-time or part-time Outagamie County employee in good standing, averaging twenty (20) hours or more per week during the six (6) months prior to the start of the course, is eligible to apply.

CRITERIA FOR APPROVAL

Classes must meet during non-working hours. Exceptions can be made only with the approval of the department head and Human Resources.

Courses must be directly related to the employee's current job, be preparation for a promotion to an existing county job for which the applicant would otherwise qualify, meet the requirements for specialized training related to a current assignment; or be required as part of a degree program that meets these qualifications.

Funds must be available in the department budget of the employee. If funds are not available in the employee's department budget, application may be made to the Human Resources Department, with prior approval by the department head.

Any expenses covered by grants or any other form of payment are not eligible for reimbursement under this program.

MAXIMUM AMOUNTS

Reimbursement is limited to tuition and books. All other fees and expenses are the responsibility of the employee.

Maximum reimbursement amounts, unless approved otherwise by the Legislative/Audit/Human Resources Committee, Finance Committee and County Board, include:

a) $1,600 per calendar year for an accredited Associates/Undergraduate degree program

b) $2,450 per calendar year for an accredited Graduate degree program

Reimbursement for books is limited to half the cost incurred.

Qualifying part-time employees will be eligible for one-half of the stated maximum amounts. Where an employee changes status from part-time to full-time or full-time to part-time, reimbursement maximums will be based on the status that the employee maintained for the majority of the length of the actual course.

Where an employee takes both undergraduate and graduate classes in the same year, total reimbursement for the year will not exceed the maximum for graduate level courses.

CLASS APPLICATION

Application for approval should be made in advance of the class by completing an Outagamie County Tuition Reimbursement Request for Course Approval form. One Application for Approval must be completed for each class. Forms are available on the MyOC.org/Human Resources/Administrative Support webpage.

APPROVAL PROCESS

The completed Request for Course Approval form must be submitted to the employee's Department management for review and approval. If approval is granted at the department level, the department will then forward the form to the Human Resources who will review the application for completeness and approve or disapprove the application in

accordance with established approval criteria and annual maximums. A copy of the Request for Course Approval will then be returned to the employee's supervisor with indication that the course was either approved or disapproved. If the course was not approved, the reason will be clearly stated.

CRITERIA FOR REIMBURSEMENT

- Requests for reimbursement must be made within a sixty (60) day period following the conclusion of class.
- Exceptions to this criteria require special approval from Human Resources and the appropriate Department.
- Employee must be employed with Outagamie County at the time of request for reimbursement.
- A grade of "C" (or better) or "pass" must be attained.

REIMBURSEMENT PROCESS

Employee must submit to Human Resources, a completed Reimbursement Request Form with appropriate signatures and account numbers and attach the following:

(a) Verification from the educational institution that payment covering or in excess of the reimbursement amount was made.

(b) Verification from the educational institution of the course, credit and grade received by the employee.

Upon verification that all requirements have been met, the Human Resources Department will initiate the payment process. The reimbursed amount will be charged against the "Maximum Amounts" for the calendar year in which the course is completed.

EMPLOYMENT LONGEVITY

Employees that voluntarily terminate employment with the county prior to the completion of two (2) years of employment from the course End Date will be required to pay back a pro-rated portion of their reimbursement amount. The pay back will be 1/24th of the total reimbursement for each month short of twenty-four (24) months employment post course End Date. Authorization to deduct any payback amounts are provided by the employee on the Request for Course Approval form.

Employees who are involuntarily terminated prior to the completion of two (2) years of employment from the course End Date will be obligated to pay back a pro-rated portion of their reimbursement amount. The pay back will be 1/24th of the total reimbursement for each month short of twenty-four (24) months employment post course End Date. This amount may be collected from the employee by the employer in the form of a deduction on the employee's final paycheck, a cash or check payment from the employee, or referred to a collection agency. Authorization to deduct any payback amounts are provided by the employee on the Request for Course Approval form.

For courses with no established End Date, the date of reimbursement will be considered the End Date.

RECORDS

Copies of all reimbursement related applications, documentation and payments will be scanned and preserved in the accounts payable records in Financial Services.

SEMINARS, CONFERENCES, TRAINING, AND OTHER ITEMS OUTSIDE OF REIMBURSEMENT AND PAYBACK PROCESS

1. Staff submit request directly to their supervisor.

2. Supervisor evaluates appropriateness of request based upon:

- Applicability to their job function or individual training needs.
- Cost effectiveness of the seminar.
- Willingness of the attendees to share the knowledge gained with the organization.
- Evaluate the number of seminars the individual has attended.

3. The supervisor/manager will then confirm their recommendation with the department head who will either approve or disapprove request.

4. Decisions go to the supervisor and employee.

5. Charges will be applied to the appropriate account within the department budget.

CORRECTIVE DISCIPLINE

The aim of discipline is to address and rectify unsatisfactory job performance or behavior. Disciplinary action is intended to be administered in a corrective fashion, concentrating on performance improvement rather than on punishment. The county will attempt to inform the employee of standards of conduct and performance which are expected. Because all performance criteria which may make disciplining an employee necessary cannot be listed, each employee is expected to follow all county or departmental policies and processes outlined in the Employee Handbook and conduct themselves in a manner which is consistent with County Values and appropriate to the employment setting.

Normally, when disciplinary actions are required for employees, the concept of progressive discipline will be followed; however, it must also be understood that the degree of disciplinary action will match the severity of the infraction. Therefore, depending upon the severity of the offense and an employee's disciplinary history, the action chosen by management may involve immediate application of one or more of the progressive steps, including immediate discharge, if warranted. Repeated infractions of even minor offenses can and will result in increasingly severe disciplinary actions. Unless there are mitigating circumstances, the normal sequence of discipline will be:

1st offense - The employee will be given a verbal reprimand. This normally will be done in private. The department head or supervisor will explain to the employee the reasons for being disciplined and also the manner in which the employee should correct their problem in the future to avoid further discipline. A document confirming the conversation will be provided to the employee, at which time the employee should respond in writing acknowledging

receipt. The document should then be forwarded to the Human Resources Specialist to be placed in the employee's personnel file.

2nd offense - The employee will be given a written reprimand, with a copy to the Human Resources Department to be placed in the employee's personnel file. This document, like the verbal warning, will give the rule or policy broken and the manner to improve performance. (Note: a Performance Improvement Plan template is available on the HR webpage, for use as appropriate.)

3rd offense - The employee may be suspended without pay. A confirmation letter will be sent to the employee with a copy to Human Resources to be placed in the employee's personnel file.

[Note: Employees considered exempt under the Fair Labor Standards Act will be suspended in weekly increments only, with the exception of a suspension for a major safety infraction or a serious work place conduct violation.]

4th offense - The employee will be terminated. Before any employee is terminated, the matter will be reviewed with the Human Resources Director.

COUNTY RESIDENCY

Employees of Outagamie County are not required to reside within the physical boundaries of the county. (Exception: All sworn employees of the Sheriff's Department, according to county ordinance, must, within six (6) months of employment with the county, establish residency within twenty seven (27) radius miles of Sheriff Headquarters.)

DEFERRED COMPENSATION

Section 457 of the Internal Revenue Code allows public sector employees to defer a portion of their pre-tax income into an investment account. Employees are allowed to defer up to one hundred percent (100%) of gross income, subject to an annual maximum deferral amount.

The county offers two deferred compensation plans. Both plans also offer an after-tax Roth option. Additional information is available in the Human Resources Department or at MyOC.org/Human Resources/Benefits webpage.

DENTAL INSURANCE

All regular employees who are hired at or are pro-rated at twenty (20) or more hours per week are eligible for dental insurance coverage.

Eligible employees may choose either single, limited family, or family coverage. In the event an employee has a spouse who is also a county employee, that employee and spouse may choose either two single plans or one family plan.

Insurance becomes effective the first day of the month following one full month of employment or eligibility. Upon termination of employment or retirement, coverage will end at the end of the month of last day worked or last day on paid leave, whichever is later provided employee contributions for that month have been deducted from final paycheck or paid to the County Treasurer.

Specific details regarding dental premium amounts can be found on the Benefits Summary on the Human Resources webpage.

ELECTRONIC RESOURCES: COMPUTERS, INTERNET AND EMAIL

The county provides a wide variety of communication tools and resources to employees for use in running day-to-day business activities. Whether it is the telephone, voicemail, fax, scanner, internet, intranet, e-mail, or any other county-provided technology, use should be reserved for business. All communication using these tools shall be handled in a professional and respectful manner.

Employees do not have any expectation of privacy in their use of county computer, phone, or other communication tools. All communications made using county-provided equipment or services, including e-mail and internet activity, are subject to inspection by the county. Employees should keep in mind that even if they delete an email, voicemail, or other communication, a copy will be archived on the county's systems on a real-time basis.

E-mails that are not job-related have the potential to drain, rather than enhance, productivity and system performance. You should also be aware that information transmitted through e-email is not completely secure and that information you transmit and receive could damage the reputation of the county.

The county encourages employees to use communication tools only to communicate with fellow employees, suppliers, and clients regarding county business. Internal and external e-mails are generally considered public records and may also be subject to discovery in the event of litigation. Be aware of this possibility when sending e-mails within and outside of the county.

Using communications in a manner that violates any county guidelines or policies is strictly prohibited, including but not limited to the Equal Opportunity and Harassment policies, the Conflict of Interest Policy, etc. Delete any e-mail messages prior to opening that are received from unknown senders and advertisers.

It is the county's goal to respect the dignity of employees at all times. Because e-mail, telephone and voicemail, and internet communication equipment are provided for county business purposes and are critical to the county's success, your communications may be accessed without further notice by Information Technology department administrators and county management to ensure compliance with this guideline.

The electronic communication systems are not secure and may allow inadvertent disclosure, accidental transmission to third parties, etc. Sensitive information should not be sent via unsecured electronic means.

Office telephones are for business purposes. While the county recognizes that some personal calls are necessary, these should be kept as brief as possible and to a minimum. Abuse of these privileges is subject to corrective action, up to and including termination. With the exception of emergency situations, personal cell phones should be used at break times or lunch hours.

It is also against county policy to turn off anti-virus protection software or make unauthorized changes to system configurations installed on county computers. Violations of this policy may result in termination for a first offense.

All employees are subject to the Outagamie county Acceptable Use Policy and are required to review such policy provided during new hire orientation.

See the ACCEPTABLE USE POLICY located on MyOC.org/Applications/Policies & Procedures/IT webpage.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

The Employee Assistance Program (EAP) is a resource designed to provide highly confidential and experienced help for employees in dealing with issues that affect their lives and the quality of their job performance.

Outagamie County wants employees to be able to maintain a healthy balance of work and family that allows them to enjoy life.

This free, comprehensive counseling service offers employees and their spouse or children six (6) visits per issue each year and a 24-hour hotline answered by professional, degreed counselors. Employees may contact the Employee Assistance Program directly. Contact information can be found on MyOC.org/Department/Human Resources/Benefits/EAP webpage.

The county encourages employees to use this valuable service whenever they have such a need. Employees who choose to use these counseling services are assured the information disclosed in their sessions is confidential and not available to the county, nor is the county given any information on who chooses to use the services.

The initial appointment to the agency will not be charged to the employee's sick leave or vacation leave; however, should follow-up counseling be required, the employee is expected to use sick leave, vacation, or non-scheduled time.

EMPLOYMENT OF RELATIVES

Due to potential for perceived or actual conflicts, such as favoritism or personal conflicts from outside the work environment, which can be carried into the daily working relationship. Outagamie County will hire or consider other employment per the guidelines below concerning relatives of persons currently employed. This policy applies to all current employees and candidates for employment.

For the purposes of this policy, "relatives" are defined as spouses, children, siblings, parents, or grandparents.

Outagamie County will hire or consider other employment only if: a) candidates for employment will not be working directly for or supervising a relative, and b) candidates for employment will not occupy a position in the same line of authority in which employees can initiate or participate in decisions involving a direct benefit to the relative. Such decisions include hiring, retention, transfer, promotion, wages and leave requests

Current employees who marry each other will be permitted to continue employment with the county provided they don't work in a direct supervisory relationship with each other or otherwise pose difficulties. If employees who marry do work in a direct supervisory relationship with each other, the county will attempt to reassign one of the employees to another position for which they are qualified, if such a position is available. If no such position is available, one of the employees may be required to leave the county.

EMPLOYMENT RECORDS

Information contained in an employee's personnel file is generally considered confidential and is available only to the employee or the employee's designee, the County Executive, Departmental Supervisory staff, Human Resources staff, legal staff, and authorized federal or state representatives who have cause to review the records for official reasons, unless otherwise disclosable under the Wisconsin Public Records Law.

The employer will grant at least two (2) requests to inspect their file by an employee in a calendar year. The employer will provide the employee with the opportunity to inspect the employee's personnel records within seven (7) working days after the employee submits a written request for inspection.

EQUAL EMPLOYMENT OPPORTUNITY

Outagamie County is committed to a policy of equal opportunity for all candidates and employees without regard to age (over 40), race, religion, color, sex, national origin or ancestry, disability or association with a person with a disability, arrest record, conviction record, sexual orientation, gender identity, marital status, pregnancy or childbirth, military participation, genetic testing, submitting to honesty testing, or use or non-use of lawful products off the employers premises during non-working hours.

The county pledges not to engage in illegal discrimination against employees or applicants in any employment activity including, but not limited to recruitment, hiring, job classification, firing, promotion, demotion, wages, benefits and training.

This section of the handbook sets forth the responsibility for compliance with EEO legislation and the methods of policy communication.

RESPONSIBILITY

It is the responsibility of the HR Deputy Director to instruct, counsel and provide training material to management staff on EEO related issues.

It is the responsibility of all participants in employment related decisions to be knowledgeable of, and to comply with the Outagamie County EEO Policy and federal, state and local legislation.

COMMUNICATION

Outagamie County complies with federal and state posting regulations by posting the required Equal Employment Opportunity is the Law notices at all facilities.

Each employment advertisement in any medium, or any other public announcement contains the Equal Opportunity Employer statement.

Each Outagamie County job description contains an Equal Opportunity Employer statement.

EXIT INTERVIEWS

The exit interview is a function of the Human Resources Department and is used as a tool to look at reasons for turnover, recommendations for improvement, and job satisfaction.

This section of the handbook outlines how exit interviews are managed.

SCHEDULING THE EXIT INTERVIEW

When termination notification is received in Human Resources, an exit interview link is forwarded by Human Resources via Survey Monkey to the exiting employee. While completing the survey, employees will have the option to notify Human Resources of their desire to meet personally to discuss their exit interview responses in greater detail. This email notification will also include a link to the Termination Frequently Asked Questions document.

The exit interview is voluntary.

The exit interview can be done on paid work time.

CONDUCTING THE EXIT INTERVIEW

When an in-person meeting is requested, Human Resources introduces the exit interview purpose, points out that it is voluntary, and reminds the exiting employee that the information obtained will be routed to the Human Resources Director, the employee's department head, the employee's supervisor or manager, and to the County Executive.

PROCESSING THE EXIT INTERVIEW

Human Resources will route the questionnaire after the employee's last paid day.

Exit metrics are provided to the Leg/Audit/HR Committee as requested or at least annually.

FAMILY and MEDICAL LEAVE ACT (FMLA)

Outagamie County complies with the federal and state Family and Medical Leave Act (FMLA), which requires employers to grant unpaid leaves of absence to qualified workers for certain medical and family-related reasons. The more generous of the two laws will apply to the employee if the employee is eligible under both federal and state laws.

Please note there are many requirements, qualifications, and exceptions under these laws, and each employee's situation is different. Whether an employee is eligible is determined by the number of hours they were paid (Wisconsin State FML) or have worked (Federal FML) within the past year of employment with Outagamie County and the health condition requiring the leave.

Reasons for Taking Leave: Under federal law, unpaid leave may be requested for pregnancy and prenatal care; pre-placement activities, birth, adoption, or foster placement of a child; or the serious health condition of a child, spouse, parent, domestic partner, or the employee. State law may have additional reasons defined.

Military Family Leave Entitlements: Under federal law, unpaid leave may also be requested by eligible employees who have any qualifying exigency arising out of the fact that the spouse or a son, daughter, parent, domestic partner, or next of kin of the employee is on covered active duty (or has been notified of an impending call or order to covered active duty) in the armed forces and may use their 12-week entitlement to address certain qualifying circumstances. Qualifying circumstances may include deploying on short-notice, attending certain military events, arranging for alternative child care and school activities, addressing certain financial and legal arrangements, attending certain counseling sessions, engaging in rest and recuperation, and attending post deployment reintegration briefings.

Employees wishing to request either of the Family Medical Leaves, should first have a conversation with their manager/supervisor to inform them of the need for a leave. Following that discussion, the employee should complete a leave request form, found on the Human Resources webpage. The Employee Leave Administrator will then review the leave and process accordingly.

Any employee with a serious health condition that misses more than three consecutive days of work is expected to open an FML claim by completing the online request form.

Outagamie County reserves the right to place a qualifying employee on Family Medical Leave, if the employee refuses to follow the outlined process.

FRINGE BENEFITS

Fringe benefits are types of compensation offered by the county to its employees in addition to wages. Fringe benefits are not offered to lease or employment agency workers.

Each fringe benefit has its own eligibility criteria, such as length of service. In addition, each type of benefit must be examined to determine whether it is available to any particular group of employees, such as regular full-time, temporary part-time, etc.

Unless otherwise stated, part-time employees are generally eligible for prorated benefits at such time as they average twenty (20) hours or more per week during each proration period.

References to "day" and "week" in the county policy refers to the part-time employee's prorated "day" or "week", e.g. a 50% employee's day is equal to 4 hours and a week to 20 hours.

Proration calculations are performed by Payroll and forwarded to each department.

Requirements for eligibility for certain benefits noted in other sections of the Employee Handbook (including, but not limited to, employer portion of health/dental insurance, vacation and sick leave and holidays) are based on the following: Full-time employees must receive pay for an equivalent of their Full Time Factor multiplied by ten (10) for each applicable month; pay to include wages for time worked, in addition to holiday, bereavement and jury duty paid hours, vacation, holiday, floating holiday, comp or sick hours used); Part-time benefit eligible employees must receive pay equivalent to their Part Time Factor multiplied by ten (10) at minimum. Full time employees have a factor of 8 (except those full time employees in roles working 7.5 hours per day whose Factor is 7.5). Part time factors are determined each Anniversary Date and provided to employees by the Payroll team or employee's department.

GRIEVANCES/COMPLAINTS

It is Outagamie County's standard to treat all employees equitably and fairly in matters affecting their employment. The county has established this Grievance section for an employee to utilize for matters concerning discipline, termination, or workplace safety covered by this Grievance section. This section of the handbook provides an employee with the individual opportunity to address concerns regarding discipline, termination, or workplace safety matters, to have those matters reviewed by an Independent Hearing Officer, and to appeal to the County Board.

Information on the complaint process is available to each employee by contacting the Human Resources Department.

The grievance shall mean a dispute regarding the application of county policies regarding an employee's discipline or termination of employment, or a dispute concerning workplace safety. No grievance shall be processed under this policy unless it is in writing and contains all of the following:

1. The name and position of the grievant;
2. A clear and concise statement of the grievance;
3. The issue involved;
4. The relief sought;
5. The date the incident or alleged violation took place;
6. The specific section of the policy or workplace safety rule alleged to have been violated; and
7. The signature of the grievant and the date.

The term "days" means regular business days, Monday through Friday, other than weekends and holidays, regardless of whether the employee or their classification is scheduled to work. The time within which an act is to be done under this policy shall be computed by excluding the first day and including the last day.

A "grievant" is an employee of Outagamie County and shall not include employees subject to a collective bargaining agreement addressing employee discipline, termination and workplace safety, statutorily appointed individuals identified specifically in statute as serving at the pleasure of an appointed authority, elected officials, and independent contractors. Any grievant may request a peer or outside representative of their choice to attend meetings related to the grievance. Any cost associated with external representation is the responsibility of the employee.

"Workplace safety" means those conditions related to physical health and safety of employees enforceable under federal or state law, or county rule related to: safety of the physical work environment, the safe operation of workplace equipment and tools, provision of protective equipment, training and warning requirements, workplace violence, and accident risk.

"Discipline" means oral reprimands (where a written record of the reprimand is placed in the employee's file), written reprimands, suspension, performance improvement plans, and demotion. Discipline does not include counseling, job coaching, paid administrative leave for pending investigation, change in job assignment or location, performance reviews, work plans, or corrective actions that do not include a reprimand or other adverse employment action.

"Termination" means discharge from employment. Layoffs (reduction in force), voluntary resignation, failure to return to work from a layoff, absences when not on an approved leave, job abandonment (no call / no show) and loss of license or certification. Inability to perform due to physical or mental condition are not considered terminations and are not subject to this process.

First Step

Within ten (10) days after the facts upon which the grievance is based or should have reasonably become known, the employee shall present the written grievance to their immediate supervisor, who will review the grievance with the department head. The department head shall give a

written answer within ten (10) days of receipt of the grievance, with a copy to the Human Resources Director.

An employee who has been notified of termination may process the grievance commencing at Step 3.

Second Step

If the grievance is not satisfactorily resolved at Step 1, it may be submitted by the grievant to the Human Resources Director within five (5) days after having received the answer in the First Step. After receipt of the written grievance by the Human Resources Director, they or the designated representative of the Human Resources Director will meet with the grievant in an effort to resolve the issue(s) raised by the grievance. Within ten (10) days after the meeting, the Human Resources Director shall respond to the grievance in writing.

The Human Resources Director shall also determine if the grievance is timely and if the subject matter of the grievance is within the scope of this policy and otherwise properly processed as required by this policy. If the Human Resources Director is aware of other similar pending grievances, the Human Resources Director may consolidate those matters and process them as one grievance.

Third Step

Upon the written request of the grievant in response to an adverse decision, the decision at the second step may be appealed by a written statement forwarded to the Human Resources Director, particularly describing the reason for appeal. The grievance will be referred to an Independent Hearing Officer (IHO), who will be designated by the County Executive. Any costs incurred by the IHO will be paid by the county. The IHO will convene a hearing in the manner the IHO determines necessary. The IHO shall have the authority to administer oaths, issue subpoenas at the request of the parties, and decide if a transcript is necessary. The IHO may require the parties to submit grievance documents and witness lists in advance of the hearing to expedite the hearing. The burden of proof shall be "a preponderance of the evidence". In termination and discipline cases, the county shall have the burden. In workplace safety cases, the employee shall have the burden. The IHO may apply relaxed standards for the admission of evidence, including allowing the admission of hearsay. The IHO may request oral or written arguments and replies. The IHO shall provide the parties a written decision.

The IHO may only consider the matter presented in the initial grievance filed by the employee. The IHO shall have the power to order only the following remedies: withdrawal of a verbal or written reprimand, reduction of suspension, and transfer to original position from demoted position, reinstatement with or without some or all back pay. All other remedial authority shall be subject to the determination and approval of the County Executive.

Fourth Step

Either party may appeal an adverse determination at Step 3 to the County Board, by filing written notice appealing the decision of the IHO in the Human Resources Director's office within ten (10) days of the decision of the IHO. The County Board shall, within thirty (30) days after submission of the appeal, schedule the review of the IHO's decision. The review will be conducted by the Board during a closed session meeting unless an open session is requested by the employee. The Board may make its decision based on the written decision of the IHO or the Board may examine any

records, evidence, and testimony produced at the hearing before the IHO. A simple majority vote of the Board membership shall decide the appeal within twenty (20) days following the last session scheduled for review. The Board will issue a final written decision, which shall be binding for all parties.

Timelines: Failure to process the grievance by the grievant within the specified time limit or agreed upon extensions shall constitute waiver of the grievance and will be considered resolved on the basis of the county's last answer. Failure of a management representative to meet the time limits shall cause the grievance to move automatically to the next step in the process. To encourage that grievances are addressed in a prompt manner, the time limits set by this policy are intended to be strictly observed and may not be extended except in extreme circumstances, and then only upon the express written consent of the parties.

Exclusive Remedy: This section of the handbook constitutes the exclusive process for the redress of any employee grievances as defined herein. However, nothing in this grievance section shall prevent any employee from addressing concerns regarding matters not subject to the grievance process with administration, and employees are encouraged to do so. Matters not subject to the grievance process that are raised by employees shall be considered by administration, which has final authority, subject to any applicable Board policy or directive, to resolve the matter.

HEALTH INSURANCE

All regular employees who are hired at or are pro-rated at 20 or more hours per week are eligible for health insurance coverage. Eligible employees may choose either single or family coverage. In the event an employee has a spouse who is also a county employee, that employee and spouse may choose either two single plans or one family plan. Insurance becomes effective the first day of the month following one full month of employment or eligibility due to a change in status. Upon termination of employment or retirement, coverage will end at the end of the month of last day worked or last day on paid leave, whichever is later provided employee contributions for that month have been deducted from final paycheck or paid to the County Treasurer.

Health Insurance Choices: The county currently offers a Low-Deductible Health Plan and a High Deductible Health Plan with a Health Savings Account (HSA). Each of these plans are available for single or family coverage. Contribution rates are determined each year during the budget planning process. Specific details can be found on the Benefits Summary.

Health Savings Account (HSA): Effective on the first pay period following December 31st for employees who are enrolled in the High Deductible Health Plan, the county will contribute to an employee's Health Savings Account. The amount deposited into this account is also determined each year as part of the budget planning process and is based upon the employee's job status and health insurance coverage level in effect on January 1st of that year. The amount the county deposits into an employee's HSA account is not adjusted during the calendar year for changes to the employee's job status or health insurance coverage levels.

- HSA - New employees: For new employees who enroll in the Consumer-Driven Health Plan after January 1st of the calendar year, the county will contribute a pro-rated amount to the employee's Health Savings Account for that calendar year.

- HSA - Part-Time Employees: For regular part-time employees who work at least an average of twenty (20) hours per week, the county will contribute to the employee's Health Savings Account an amount equal to sixty-five percent (65%) of the amount contributed on behalf of full-time employees.
- Specific details regarding Health Savings Account contribution amounts can be found on the Benefits Summary.
- HSA – Payroll Deduction: As allowed by law, the county agrees to allow employees to contribute, through payroll deduction, additional funds to their Health Savings Account, up to the amount allowed by the IRS.
- HSA - Hold Harmless: The county will be held harmless for any employee eligibility issues or tax consequences caused by outside insurance coverage, inappropriate withdrawals, payroll deductions in excess of the allowable limits, or other matters beyond the county's control that would interfere with an employee's Health Savings Account eligibility.

Leave of Absences: Employees on official leaves of absence without pay, with the exception of USERRA (Military Leave) which allows COBRA for twenty-four (24) months, may elect continuation for up to eighteen (18) months under COBRA, and must pay the full premium to the County Treasurer by the 25th of the month for the following month's coverage.

Pursuant to 2019 Wisconsin Act 19, Outagamie County will pay health insurance premiums for the surviving spouse and dependent children of a law enforcement officer who dies in the line of duty. This coverage may continue until a surviving spouse remarries or reaches the age of 65, or to a surviving child until they reach the age of 26.

Retirees: Early Wisconsin Retirement annuitants and enrolled spouses may remain in the group policy, provided the retiree pays the full premium to the County Treasurer by the 25th of the month for the following month's coverage. Once the retired annuitant becomes eligible for Medicare, Medicare Coverage Parts A & B must be applied for and will become primary payer, while the group plan pays second.

Terminations/Change in Status Resulting in Reduction of Hours: Under federal COBRA regulations, terminated employees (except for terminations due to gross misconduct) and employees with reduction of hours due to change in status into a non-benefit eligible position that are/were enrolled in a county health plan may elect to continue group coverage for up to eighteen (18) months by paying the County Treasurer the required premium by the twenty-fifth (25th) of the month for the following month's coverage.

HOLIDAYS

The county observes and allows time off with pay for various holidays across departments. Any additional holidays will be designated by the county for each calendar year. The Holiday Calendar can be found on MyOC.org/Department/Human Resources/Administrative Support/Holiday webpage.

If one of these holidays falls on a Sunday, it will be observed on the following Monday. If the holiday falls on a Saturday, it will be observed the preceding Friday. However, if Christmas Day

and New Year's Day fall on the weekend, the following Monday will be the observed holiday; and if December 24th or 31st fall on the weekend, the preceding Friday will be the observed holiday.

To be eligible for holiday pay, employees must either work the actual/observed holiday itself, or work the last regularly scheduled workday preceding the holiday and the first regularly scheduled workday following the holiday, unless the employee is on approved paid time off. When a holiday falls within a period of leave without pay, the employee will receive no holiday pay. When a designated holiday falls on an employee's scheduled day off, an additional day off will be substituted. A "regularly scheduled day" is based on the proration amount of the employee, with a maximum of eight (8) hours per holiday.

Employees assigned to those departments that work a 24 hours, seven (7) day a week schedule will follow the specific holiday practices and schedules currently in effect in those departments.

All regular full-time and benefit-eligible part-time employees shall receive their regular compensation for county-observed holidays, based on their proration factor. Employees normally scheduled to work more than their prorated holiday hours may use vacation, floating holiday, or comp time to make up for the difference unless the employee is already scheduled to work on that day. Non-Exempt/hourly employees required to work on a holiday will receive overtime pay of time and one half for all hours actually worked or given compensatory time off at a rate of time and one half for anything worked over 40 hours in the week, in addition to holiday pay. As always the use of compensatory time is to be scheduled at the mutual convenience of the employee and their supervisor and in accordance with the provisions of applicable law, but must be used within the year it was earned. Unless previously granted an exception, exempt employees who are required to work on a holiday will be eligible, based on the departments use of compensatory time, to earn compensatory time for all hours worked over 40 (Grades 100-165) or 45 (Grades 170 and over) in the week. This time must also be scheduled at the mutual convenience of the employee and their supervisor, but does not need to be used within the year it was earned. Departments that do not use compensatory time have the option to allow the employee to flex their schedule due to additional hours worked on the holiday, within the holiday week. Exempt employees are not eligible for overtime for time worked on holidays and not eligible for straight pay for hours paid over 40 in that week, unless previously granted an exception. For shift pay purposes, the holiday shall be defined to include those shifts which start on the actual holiday.

Floating holidays are paid leave not tied to any particular day (as are county observed holidays), and are available for use at a time mutually agreeable between the employee and their supervisor, and can be taken in increments no smaller than fifteen (15) minutes. Like county observed holidays, full-time employees receive credit for a full day's time, not to exceed eight (8) hours, and part-time benefit eligible employees will receive a pro-rated amount.

Floating holidays will be available for employee use upon hire and must be used within the calendar year granted with the following exception:

New employees hired prior to July 1 are eligible for floating holidays, and those hired on or after July 1 are not eligible for any floating holidays during that calendar year.

If an employee moves from one department, role or shift to another that has a different floating holiday schedule, any floating holidays they are eligible for will be based on the transfer date into the new role or status.

If they move to the new role prior to July 1st, they will acquire the floating holiday count for their new department, role or shift less any hours that they have already used. If they move July 1st or later, there is no change and they will keep the balance they had at the beginning of the year, less any floating holidays used.

Employees are not allowed to use floating holidays during the two weeks of notice to terminate or retire from employment. No pay-out of floating holidays will be made.

The total number of holidays (including observed and floating) that all employees receive annually is 12. A matrix of observed holidays and floating holidays by department/role/shift are listed on the intranet.

IDENTIFICATION CARDS

Outagamie County is committed to providing a safe and secure environment for its employees and those who visit Outagamie County. In order to maintain a safe and secure environment for employees and visitors, and to ensure the public that individuals providing services on behalf of the county are indeed county employees, all Outagamie County employees shall display an identification card while performing their job. This section will outline the responsibility, identification card information, requirements for wear, new employee process, and replacement and use of employee identification cards.

In most cases, the responsibility to issue identification cards to all Outagamie County employees lies with the Human Resources and Maintenance Departments, with Human Resources issuing the badge and Maintenance establishing security access.

There may be some off-site locations that print and administer their own badging process.

REQUIREMENTS FOR WEAR

All Outagamie County employees, County Board members, temporary contract workers, State employees assigned to the county location and county emergency personnel shall obtain an identification card. Volunteers may be given a department temporary card or individual card based on length of and type of assignment.

The identification card should be worn while performing duties as an Outagamie County employee, and must be used to swipe in and out of employee entrances and exits.

All Outagamie County employees (exceptions may be made by department heads due to safety or uniform requirements) should wear their identification card on the front of their person on their outermost garment.

Outagamie County will provide the cardholders. An employee may obtain their own cardholder.

Departments shall ensure that their employees are wearing the identification card.

Supervisors of volunteers or temporary contract employees should contact the Human Resources Department if a card needs to be issued for an individual.

NEW EMPLOYEE IDENTIFICATION CARD PROCESS

New employees will fill out an Outagamie County Employee Identification Card Information Sheet and will submit a headshot picture to be used for their badge, prior to their first day of hire.

Contract workers who are determined to need an individual identification card must fill out the Contractor Identification Card form located on the HR website and have it filled out and signed by a supervisor.

Badge information created for new employees is provided to the maintenance department, who will then establish facility access for designated departments.

REPLACEMENT AND USE

If an employee forgets their identification card, they may obtain a temporary department identification card to wear for that day. This should be obtained through the employee's department.

If an employee misplaces their identification badge, they may use the department temporary card for up to one week. The employee should immediately notify their supervisor or Maintenance so the security access can be disabled. If the employee has not located their card in one week, a new card must be obtained through Human Resources.

Upon termination, all employees shall surrender their identification card to their supervisor or Human Resources. All Supervisors shall collect Id badges as part of the termination checklist process. If an employee refuses to surrender the badge or does not have the badge the supervisor shall immediately contact Maintenance so the badge can be disabled.

Any employee who is found to have used their identification card for purposes other than for authorized Outagamie County business, or who allows another person to use their identification card for personal use, will be subject to the discipline process.

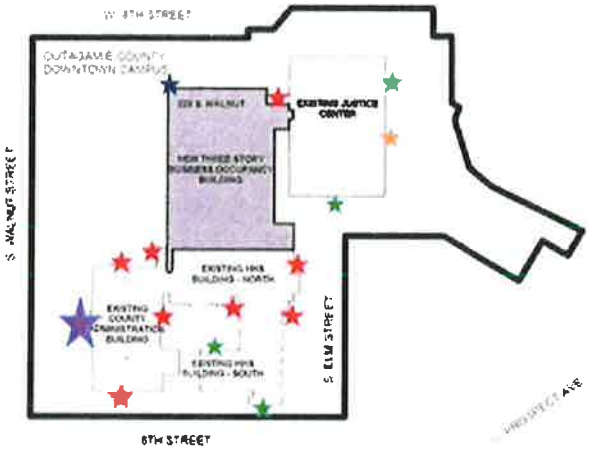
If an employee changes department or name, the supervisor or employee may contact the Human Resources Department for a new identification card.

If the identification card is broken, worn, or no longer works for security access, the employee should contact Maintenance for a replacement card.

BADGING IN/OUT OF THE BUILDING

All visitors MUST use the Main Visitor Entrance and be cleared through CJU security. Visitors must also exit through the public exit near the front door security.

All employees should utilize the Employee Only Entrances rather than the Main Visitor Entrance whenever possible. If an employee forgets their access card, they shall be required to enter at the visitor's entrance and go through security screening. Employees shall not let other employee in through the employee entrances.



When using the Main Visitor Entrance employees will be screened just like the general public All employees MUST badge OUT of the building when exiting at the Employee Only Entrances (do not need to badge out of exits with green stars on the map) Employees should listen for the beep to ensure their badge was recorded. If a beep is not heard they should rescan their badge.

It is not necessary to close the door between entering/exiting employees, but each employee MUST badge in/out individually.

If you accidentally sound the alarm when exiting, please immediately badge out and the alarm will clear

All building entrances are monitored by video camera.

The CAB West Entrance onto the front lawn/plaza (large purple star on the map) is NOT available to employees or visitors to enter or exit, other than emergency evacuation.

INCLEMENT WEATHER

The safety of our employees is a priority for Outagamie County. We realize there are emergency situations caused by inclement weather. This inclement weather section outlines how the county will handle notification and pay of employees in such situations.

Inclement weather may make it impossible for employees to come to work, or it may require employees to leave work before the end of normal office hours. Employees may request that this time off be charged to unused vacation, leave without pay, or choose to "make-up" the lost time, consistent with flex, comp-time and Fair Labor Standards Act requirements. In addition, contrary to the unpaid leave policy, employees may use, leave without pay,, even if they have available vacation to use. All arrangements must be confirmed with department approval.

Note: Due to the nature of services provided at 24/7 facilities, employees at those locations are expected to make arrangements for safe and timely arrival for all scheduled shifts, wherever possible.

There are no provisions to close the county offices. However, it may be determined that it is appropriate to cancel or postpone work in a particular department because of inclement weather. If this determination is made, a general announcement will be made over the following radio stations: WPKR (99.5 FM), WIXX (101.1 FM), and WNCY (100.3 FM), WTAQ (1360 AM), WHBY (1150 AM), WNAM (1280 AM), and WAPL (105.7 FM).

Updates and announcements will be sent via e-mail and also included on the County Executive Facebook page.

JOB SHARING

Outagamie County, recognizing the importance of balance between work and family/life issues, supports the concept of job sharing. This section identifies the conditions under which job sharing will be approved and the process for approval.

CONDITIONS

Job sharing is not an entitlement. Management retains the right to approve, reject or cancel a job share request or agreement based on the business needs of the county.

Work quality, productivity and level of service cannot be compromised by the sharing of a position.

The value of the work performed must be shared on a relatively equal basis.

Cost (wages and benefits) to the county for a shared job must approximate the cost of the same position when not shared.

The hours of the job may not be expanded to gain a "forced advantage." For example, a 37½ hour position cannot be expanded to 40 hours in order for both to be eligible for benefits.

PROCESS

An employee requesting a job share arrangement should direct a written request to their immediate supervisor/manager.

A supervisor/manager initiating a job share request or in support of an employee request, should document their position relative to the request and route for review and approval by their immediate supervisor, department head and Human Resources.

Components of the job share agreement such as the division of hours, split of duties and other relevant terms will be documented for inclusion in the job share request.

Employees involved in a job share arrangement must sign a Job Share Agreement, which can be obtained from Human Resources.

In the event a job share request is denied, the requestor will be notified by their immediate supervisor of the decision and the reason(s) for that decision.

Copies of the request, all supporting documentation and the signed job share agreement will be maintained in each job share employee's personnel file.

Monitoring of the job sharing process at Outagamie County is the responsibility of the Department and the Human Resources Department.

LAYOFF AND RECALL

If Outagamie County determines that it must reduce employment because of adverse economic or other conditions, then layoffs and recall from layoffs will generally be conducted in a manner that is consistent with Outagamie County requirements and in accordance with the process described below.

Employees shall be laid off as determined by the county until the work force is reduced to the required number. Employees shall be rehired as determined by the county. The employee shall be notified in writing.

The county shall pay the county's share of the premium for Health, Dental, Long Term Disability and Life Insurance for the remainder of the month of layoff where the enrolled employee has not received pay for at least ten (10) regular workdays during the month of layoff, or the county shall pay the county's share of the premium for Health, Dental, Long Term Disability and Life Insurance for one additional month following the month of layoff where the enrolled employee has received pay for at least ten (10) regular workdays during the month of layoff.

Employees who continue on layoff after the county no longer pays the county's share of the premiums may exercise their COBRA rights by paying the full cost of the premium in advance by the twenty-fifth (25th) of the month for the following month's premium. Upon return from layoff, so long as the employee receives pay for at least ten (10) regular workdays during the month of return, the county shall reimburse to the employee the county's share of the Health, Dental, Long-Term Disability and Life Insurance premiums that the employee had previously paid for that month of return.

LIFE INSURANCE

Outagamie County provides group life insurance for full-time employees. All employees are eligible the 1st of the month following six (6) full months of continuous employment.

The cost of this coverage is paid for in full by the county and coverage is $50,000.

Within thirty-one (31) days of termination, the employee shall have the opportunity to elect conversion to a personal policy. Application can be obtained through the Human Resources Department.

In the event of an unpaid leave of absence or layoff, employees can elect up to twelve (12) months of continuation by paying the group rate premium to the county Treasurer by the 25th of the month for the following month's coverage.

If the unpaid leave is a medical leave, the county will pay the premium during the elimination period for the waiver of the life premium until the waiver of the life premium begins or until the waiver of life premium is denied.

LONG-TERM DISABILITY

All regular, full-time employees are eligible for long-term disability coverage. Premiums are fully paid by the county.

Coverage becomes effective the first of the month following three (3) full months of continuous employment of eligibility.

Provisions of the plan are contained in the plan booklet.

In the event an employee is on an unpaid leave of absence or layoff, they can elect up to three (3) months of continuation by paying the group premium to the Outagamie County Treasurer by the 25th of the month for the following month's coverage. If the unpaid leave is a medical leave, the county will pay for the six (6) month elimination period.

MEAL AND REST BREAKS

While lunch and rest breaks are not mandated by law, the county encourages departments to provide a break of at least 30 minutes at or near the usual meal period, whenever operationally possible.

Employees are eligible for a 15-30 minute unpaid meal break each day. If a non-exempt / hourly employee is required to work through a meal break, they will be paid for the meal period. Meal and rest breaks will be scheduled by the department supervisor or manager. It is not acceptable to skip a normally taken lunch break in order to shorten the workday.

As coverage needs allow, employees may also be able to take two paid personal breaks of fifteen (15) minutes throughout their workday. Such fifteen (15) minutes shall be computed from the time the employee leaves their work station until they return to said work station.

Employees under the age of 18 must be given a 30 minute unpaid, uninterrupted meal break if they have worked six hours or more.

MILITARY LEAVE

GENERAL INFORMATION

All Outagamie County employees who are serving, have served, or will serve in the uniformed services are covered under this policy, regardless of length of employment or part-time or full-time status. "Employee", however, does not include contracted staff, and may not include seasonal or temporary staff who worked for a brief, nonrecurring period where there is no reasonable expectation that the employment would have continued indefinitely or for a significant period.

"Service in the uniformed services" covers all categories of military training and service, including duty performed on a voluntary or involuntary basis, in time of peace or war, and includes a period of absence for an examination to determine the fitness of the employee to perform such duty, absence for the purpose of performing authorized funeral honors duty, as well as travel time to allow the employee to arrive at the duty station fit to perform the service and, depending on the duration of service, the amount of notice received, and the location of the service, additional time to rest or to arrange affairs and report to duty.

Uniformed services includes the U S Armed forces; Army National Guard and Air National Guard when engaged in Federal orders for active duty for training, inactive duty training, or full-time National Guard duty; the commissioned corps of the Public Health Service; any other category of persons designated by the President in time of war or national emergency; and service as an intermittent disaster response appointee of the National Disaster Medical System (NDMS) when federally activated or attending authorized training in support of their Federal mission.

PRIOR TO BEGINNING THE LEAVE

It is the employee's responsibility to inform Outagamie County in advance, whenever possible, of the intent to be off work for military leave. This notice can be verbal or written.

A copy of the military orders or a Leave and Earnings Statement (LES) is required by the county in order for the employee to take advantage of any military stipend pay and/or validate the right to claim the county's share of the Wisconsin Retirement System (WRS) contribution be made on their behalf upon reemployment.

Additional information regarding benefit coverage may be forwarded to the employee depending on the length of time the employee is expected to be off work.

DURING THE MILITARY LEAVE

During the period of uniformed services, the employee is considered on the employment status of "leave of absence" and is entitled to length of service-based benefits. Specifically, Outagamie County length of service-based benefits include:

Military stipend. The applicable Union contract, or Employee Handbook may provide for additional pay for a short period of time, if the military pay is less than the pay the employee would have received from the county for that same period of time. Proof of the amount of military pay received must be provided to Payroll in order to calculate any amount due.

Insurance coverage. County sponsored health, dental, life and long term disability insurance coverage will continue through the end of the month in which the employee is last paid prior to the start of the military leave of absence. Effective the first of the following month for military leaves expected to exceed 30 days, the employee is eligible to exercise their COBRA rights by paying the full premium for health and dental insurance for up to twenty-four (24) months.

If the employee returns to work with an absence of fewer than thirty-one (31) days, the premium amount paid for that COBRA continuation will be refunded to the employee. Also effective the first of the following month, the employee is eligible to continue the long term disability insurance coverage for up to three (3) months and life insurance coverage for up to twelve (12) months by paying the full premium.

Step increases and base salary increases. The length of time the employee is on military leave of absence will be credited towards any step increase(s) and/or base salary increase(s) he/she would have otherwise been awarded during that absence. Those adjustment(s) in the wage rate will be made following the employee's reemployment with Outagamie County.

Seniority. Where seniority exists in an applicable collective bargaining agreement, the length of time the employee is on military leave of absence will be credited towards seniority as though the employee was not absent.

During the period of uniformed services, the employee is considered on the employment status of "leave of absence" and is not entitled to non-length of service-based benefits. Specifically, Outagamie County non-length of service-based benefits include:

Holiday pay. Employees are required to be paid a certain number of scheduled day(s) prior to and following the fixed holiday(s) that are listed in the Employee Handbook in order to be paid the holiday pay.

Floating holiday pay. Employees who are awarded one (1) or more floating holiday(s) at the beginning of a calendar year are able to use that / those day(s) during military leave upon request and with approval of their supervisor. Note that floating holiday(s) do not carry over into a new calendar year. If the floating holiday(s) are not used prior to the end of a calendar year, they are lost and will not be reinstated.

Vacation allotment. Earning vacation time is tied to satisfying the definition of "full month of service". The definition of "full month of service" can be found in the Employee Handbook. For each full month of service an employee satisfies that definition, they earn one-twelfth (1/12th) of their allotment of vacation for use during the following anniversary year. Conversely, for those months when an employee does not satisfy that definition, they do not earn any vacation time. Any earned vacation hours not spent prior to or during an employee's military leave of absence will be held in trust pending the reemployment of that employee.

Sick leave accrual. Sick leave accrual is tied to the employee satisfying the definition of "full month of service". The definition of "full month of service" can be found in the Employee Handbook. For each full month of service an employee satisfies that definition, they earn one (1)

day of sick leave time available for use the first of the following month. "Day" is defined as the number of hours an employee normally works, with full-time status equating seven and one-half (7½) hours or eight (8) hours and part-time status equaling a prorated amount compared to full time status. Any earned sick leave not spent prior to an employee's military leave of absence will be held in trust pending the reemployment of that employee.

Wisconsin Retirement System (WRS) contributions. WRS is a contributory defined benefit plan with a vesting schedule as well as employer and employee required contributions. During a military leave of absence, no WRS contributions will be made to the employee's account. Additionally, no creditable service will be deemed unless a USERRA certification is completed. Adjustments may be made following the employee's reemployment.

GENERAL ELIGIBILITY REQUIREMENTS FOR REEMPLOYMENT.

To be considered for reemployment following their military service, the employee must have met all of the following conditions:

a) The employee must have given reasonable advance notice, most often at least thirty (30) days, to the county of their intent to leave work for military service. That notice can be either verbal or written, may be informal and is not required to follow a certain format. [Note: Submission of specific documents is, however, required for Wisconsin Retirement System (WRS) purposes.] In the event an employee is unable to provide advance notice because of, for example, the classified nature of the service, Department of Defense regulations allow an "appropriate officer" to give notice on the employee's behalf. [Note: Under Wisconsin law, an employee enlisted in the U S Armed Forces is not required to give their employer advance notice of the need for leave.]

b) The employee has been absent from work for Outagamie County because of their military service for a cumulative five (5) years or less in any combination of U S Armed Forces service and / or National Guard Federal duty. In addition, other military leaves may also not qualify in the five (5) year maximum (see USERRA 1002.103 for complete list). [Note: National Guard members who serve under State orders are allowed a cumulative maximum absence of up to four (4) years.] Regardless, it is the employee's responsibility to provide documentation as to the exact length of the cumulative military leave of absence, upon request of the county.

c) The employee returns to work or applies for reemployment, either verbally or in writing, in a timely manner.

An employee returning from U S Armed Forces duty or Federal National Guard duty must report to work or submit a timely application for reemployment depending upon the length of service as follows:

a) Period of Service less than thirty-one (31) days or for a period of any length for the purpose of a fitness examination. The employee must report to work no later than the beginning of the first full regularly scheduled work period on the first full calendar day following the completion of the period of service and the expiration of eight (8) hours after a period allowing for safe transportation from the place of that service to the employee's residence.

b) Period of service more than thirty (30) days but less than one hundred and eighty one (181) days. The employee must submit an application for reemployment, which can be written or verbal, not later than fourteen (14) days after completing service.

c) Period of service more than one hundred and eighty (180) days. The employee must submit an application for reemployment, which can be written or verbal, not later than ninety (90) days after completing service.

d) If, however, the employee is hospitalized for or convalescing from an illness or injury incurred in or aggravated during the performance of the service, they must report to or submit an application for reemployment at the end of the period necessary for recovery from the illness or injury. Absent extenuating circumstances, this period may not exceed two (2) years from the date of the completion of service.

e) The employee has not been separated from military service with a disqualifying discharge or under other than honorable conditions; is not absent from service without authority for more than three (3) months; is imprisoned in a civilian court; or was dismissed by court martial. [Note: the employee may be required to provide documentation to prove the condition(s) of the military separation.]

REEMPLOYMENT RIGHTS AND BENEFITS

Absent other circumstances and so long as the criteria listed in this policy have been met, the employee has the right to prompt reemployment. As an example, "prompt reemployment" is considered generally practicable by the next scheduled work day following National Guard duty; and within two (2) weeks of the employee's application for reemployment following several years of active duty in the U S Armed Services.

Generally speaking, the employee is entitled to reemployment in the position they would have attained with reasonable certainty if not for the military absence. This "escalator principle" takes into consideration such factors as the position the employee left, the employee's length of service, qualifications, and disability (if any). The reemployment position may be either the escalator position; the pre-service position; a position comparable to the escalator or pre-service position; or the nearest approximation to one of these positions, depending on the circumstances.

The employee may be required to take qualifications tests, become relicensed or recertified, or be retrained in order to assume such position. The course of action will be determined by Outagamie County on a case-by-case basis.

The county's obligation to grant the returning service member reemployment rights may result in adverse consequences and cause an employee to be laid off, or even terminated.

The wage rate paid to the employee on reemployment will take into account the escalator principle, and in combination with language found in an applicable collective bargaining agreement or Employee Handbook and employment practice(s), will result in the military leave of absence time being allowed to "credit" time towards a step increase(s) and/or longevity increase(s) that would have occurred with reasonable certainty if the employee had not been away in military service.

The time-in-grade toward any next step increase(s) and/or base salary increase(s) that were missed because of the employee's military leave of absence, will be determined and their rate of pay will be adjusted accordingly so that the rate of pay on reemployment will begin immediately upon the employee's reemployment.

A reemployed employee who belongs to a Union with seniority rights will be granted seniority credit equal to the military leave of absence time as though the employee had had no military leave of absence.

A reemployed employee who would otherwise be eligible for Federal or Wisconsin Family and Medical Leave (FML) but for the military leave of absence, will be credited with the number of hours of work they would have normally been scheduled to work during that military leave of absence, toward their eligibility requirements for the FML.

Upon reemployment, the employee must make a choice regarding catch-up contributions to the WRS. An employee can choose to make all, some or none of the employee required make-up contributions. Contributions can be made within a timeframe beginning with the date of reemployment and ending either three (3) times the period of military service or five (5) years, whichever is shortest. Be advised the degree to which the county's contribution to the employee's WRS account will be made is determined by the degree to which they make their own WRS contribution. However, any vested amount already in the employee's WRS account will not be affected by the decision whether to participate in making up the missed contribution(s).

Reinstatement of health, dental, life and long term disability insurance coverage is not subject to a waiting period, although service-related injuries or illnesses may create an exclusion of coverage. If there has been a lapse in coverage, the employee must complete enrollment applications within thirty (30) days of the date they returned to work. Reemployed employees are subject to the same insurance carrier(s) and plan(s) as those offered to all other Outagamie County employees.

Any sick leave or vacation balance(s) will be available to the reemployed employee without a waiting period, and future accruals will be subject to the satisfaction of the definition of "full month of service" provisions of the Employee Handbook. If the employee's anniversary date passed during their military leave of absence, they will be credited with one-twelfth (1/12th) of their vacation allotment earned prior to the beginning of the leave of absence for each of the months they satisfied the definition of "full month of service". Specific approval of a request(s) to use vacation time following reemployment is subject to the practices of the reemployed employee's department and the Employee Handbook language in effect at the time of the request.

If a reemployed employee whose most recent period of military service was:

a) between thirty-one (31) and one hundred and eighty (180) days, they must not be terminated without cause during the first one hundred and eighty (180) days following his/her date of reemployment; or
b) greater than one hundred and eight (180) days, they must not be terminated without cause during the first one (1) year following his/her date of reemployment.

DISCLAIMER

This information is published to provide a general overview and encourage a basic understanding of the interaction of the various military leave laws and the practices of Outagamie County. It is

not, however, intended to be an exclusive or all-inclusive document that will cover all parameters of all the various regulations that impact the employee and/or Outagamie County when an employee takes a military leave of absence. Management staff and employees are encouraged to contact Human Resources for additional information or to obtain answers to questions or concerns that may arise.

OFF DUTY CONDUCT

Generally, employees are held accountable for their actions and behaviors while working. However, as a public organization providing services to our community, there are certain instances where employees may be held accountable for actions or behaviors while off-duty, as well.

FIRST AMENDMENT RIGHTS

The content of free speech (both online and offline) covered under the First Amendment by an employee is not restricted but for a narrow category. Employee protections under the First Amendment apply in most but not all circumstances. First, speech is only protected by the First Amendment when you are speaking as a private citizen. If their speech is part of their official job duties, then the employee may be disciplined including up to termination. Second, even if an employee is speaking as a private citizen you can be disciplined by your employer for certain conduct. If you are speaking as a private citizen on a matter of public concern, the First Amendment will *not* protect your speech. If you are speaking on a matter of public concern, the First Amendment will not protect your speech if your right to speak freely is outweighed by the County's interest in efficiently fulfilling its public services. This determination can consider factors such as whether the speech could interfere with the performance of the employee's duties, the nature of the relationship between the speaker and those toward which the speech was directed, and whether the speech could create a hostile work environment.

OTHER OFF DUTY CONDUCT

Employees who engage in certain conduct while off duty may also be subject to discipline if substantially related to the County's interests. Whether or not an action or behavior is substantially related is determined on a case by case basis. Employees may be disciplined, suspended or potentially terminated if they engage in any of the following:

1) Illegal Conduct, regardless of whether the conduct results in arrest or conviction, which substantially relates to the job duties of the position held by the employee, or the interests of the County.

2) The use or possession of illegal drugs, including prescription drugs which have not been prescribed to the employee, and where the use and/or possession bears a substantial relationship to the job duties of the employee or the interests of the County.

3) Harassment of any person, where such harassment creates a negative effect on the work environment for an employee of the County, a vendor who provides services for the County, a client of the County, or any individual who has a substantial relationship with Outagamie County such that the harassment creates a hostile environment.

OVERTIME

When required by the needs of the business or by County policy or contract, employees may be required to work or get paid for overtime. Overtime is generally due to working hours in excess of 40 hours in a workweek for most county employees with various exceptions that follow in this section or appendix. Unless noted elsewhere, non-exempt employees, will be paid time for overtime at one and one-half their regular rate of pay for all hours worked over 40 hours in a work week. For the purposes of computing overtime, all authorized paid leaves of absence are considered time worked. All overtime must be approved in advance by a supervisor or manager.

Sheriff's Department: Overtime in certain Sheriff's Department areas are determined by Section 7(k). Section 7(k) of the Fair Labor Standards Act provides that employees engaged in law enforcement may be paid overtime on a "work period" basis. A "work period" may be from seven (7) consecutive days to 28 consecutive days in length. For work periods of at least 7 but less than 28 days, overtime pay is required when the number of hours worked exceeds the number of hours that bears the same relationship to 171 as the number of days in the work period bears to 28. For example, law enforcement personnel must receive overtime after 86 hours worked during a 14-day work period.

Eligibility for overtime compensation is determined by individual department and in accordance with the Fair Labor Standards Act as noted below.

- Non-exempt employees are eligible for overtime pay at the rate of time and one-half for all hours worked in excess of forty (40) in a given work week. Where applicable within the department, compensatory time may also be used, also at a rate of time and one-half.
- Exempt employees are not eligible for overtime. Unless previously granted an exception, exempt employees are only eligible to earn compensatory time, if the department allows, for hours worked over 40 in a week for Grades 100-165 or over 45 hours in a week for Grades 170 and over.
- Brewster Village: As determined by the Fair Labor Standards Act, all applicable seven day a week health care and maintenance staff will earn overtime over 8 hours in a day and over 80 in a two week period. All other Brewster Village staff will earn overtime over 40 hours in a workweek.
- Sheriff Department staff exceptions when paid overtime or different than general categories:
    - Correctional Officer - Over 171 hours in a 28 day cycle or outside of their normal schedule. Part- time staff will only earn over 171 hours in a 28 day cycle.
    - Operations Assistant - For 5/2 and 5/3 shift staff, over 40 hours in a work week or outside of their normal schedule.

- Telecommunicator - For 5/2 and 5/3 shift staff, over 40 hours in a work week or outside of their normal schedule. Part-time staff will only earn over 40 hours in a one week period.
- Records Specialist - Over 40 hours in a work week. Telecommunications Supervisor - Over 40 hours in a work week.
- Staff Sergeant - Earn comp time at straight-time regular rate but are paid overtime on any hours worked outside of their normal schedule.

- Highway (with the exception of eligible Recycling and Solid Waste department employees) - Earn overtime over 10 hours in a day and/or 40 hours in a workweek and for all hours on Sunday. Recycling and Solid Waste department eligible employees only earn overtime over 40 hours in a workweek.

For Brewster Village employees, holidays, vacations, sick leave, and bereavement leave shall be considered time worked for the purpose of overtime, provided, however, that employees on a seven (7) day per week schedule shall not have the hours of holiday pay (8) considered as time worked for the purpose of computing overtime, unless such holiday falls on a scheduled workday and the employee is given the day off as holiday off time. Employees who work a double shift at the direction of the county shall receive eight (8) hours pay at the straight-time rate for the first shift and eight (8) hours overtime pay (time and one-half) for the second shift and may be provided with a meal during the second shift at no cost to the employee.

PAID ADMINISTRATIVE LEAVE

Administrative leave occurs when an employee must temporarily leave their position and work duties for a certain time period. Administrative leave differs from a leave of absence because a leave of absence is an authorized absence from work for an extended time period and granted due to dispensary reasons. Any paid administrative leave must be approved by Human Resources and the Department Head prior to communicating to the employee or entering a personal action.

PARKING

Designated employee parking spaces are required for each county facility to ensure ample parking for all employees.

Maintenance Department issued parking permits are required for all workers (County/State employees, and contract workers) based at the Outagamie County Government Center and parking on county-controlled lots within the Outagamie County Government Center. Although all reasonable attempts shall be made to afford free parking to employees, such a benefit is not guaranteed.

For employees who move to the Outagamie County Government Center from an outlying campus (Highway/Solid Waste, Airport, UW Extension/Ag/Brewster), the employee must complete and submit a parking permit request form to the Maintenance Department. The permit will be issued and sent to the employee via interoffice mail.

PAY REMITTANCE AND DEDUCTIONS

Pay can be viewed via self-service functionality in the Human Resources-Payroll system. If a pay day falls on a federal holiday, employees will receive their pay on the preceding workday. Pay is directly deposited into the employee's checking and/or savings accounts. Direct deposit is mandatory for all employees.

The following deductions are mandatory and are made each pay period, unless exempt by law:

a) Federal Withholding Tax
b) Social Security
c) State Withholding Tax
d) Wisconsin Retirement Plan

Various deductions may be made from the employee's pay when so authorized by the employee. Noted below are a few examples:

a) Deferred Compensation
b) Insurances
c) Flexible Spending
d) Health Savings Account

Circumstances in Which Outagamie County May Make Reductions from Pay for Exempt/Salary Employees: Reductions in pay are permissible when an exempt employee is: absent from work for a partial day or one or more full days for personal reasons other than sickness or disability and/or for absences of a partial day or one or more full days due to sickness or disability, if the reduction is made in accordance with a bona fide plan, policy, or practice of providing compensation for salary lost due to illness, to offset amounts received as jury or witness fees or for military pay; or for unpaid disciplinary suspensions of one or more full days imposed in good faith for workplace conduct rule infractions.

Also, Outagamie County is not required to pay the full salary in the initial or termination week of employment for penalties imposed in good faith for infractions of safety rules of major significance or for weeks in which an exempt employee takes unpaid leave under the Family and Medical Leave Act. In these circumstances, either partial-day or full-day reductions may be made.

Outagamie County Policy for Employees Paid on a Salary Basis: It is Outagamie County's policy to comply with the salary basis requirements of the Fair Labor Standards Act. Except as noted, any county official is prohibited from making any improper reduction from the salary of exempt employees. Outagamie County wants its exempt employees to be aware of this policy and to know that Outagamie County does not allow reductions that violate the Fair Labor Standards Act.

What to Do If an Improper Reduction Occurs: If an employee believes an improper reduction has been made from their salary, the employee should immediately report this to their supervisor or the Human Resources Director. Reports of improper reductions will be promptly investigated. If it is determined that any improper reduction has occurred, the employee will be promptly reimbursed for any improper reduction. The provisions of this section apply to Fair Labor Standards Act exempt employees and are in accordance with the county's policy of ensuring public accountability of its employees.

PERFORMANCE EVALUATIONS AND SALARY ADMINISTRATION

The purpose of the annual performance evaluation is to assess an employee's work effectiveness and to discuss good performance while also identifying areas for development. Performance evaluations are considered in decisions affecting placement, salary advancement, overtime assignments, promotions, demotions, termination, order of layoff, reemployment, and training. Acknowledgement of the performance evaluation discussion must be completed in Tyler-Munis before a personnel action for the resulting step increase is submitted. No step increase will occur until the evaluation discussion has occurred. Performance evaluation are not required for Casual Call employees, as they are not eligible for step increases.

Human Resources is responsible for the overall administration of the employee performance evaluation and salary administration processes and takes an active role in advising and assisting employees, supervisors, and department heads to ensure that performance evaluation processes are handled according to the provisions of the program and result in meaningful discussions for the employee.

The purpose of salary administration is to fairly allocate each position in the county to a wage grade in such a manner as to maintain equity between positions, balancing such job duties/factors as education required, impact of errors, and supervision exercised. It also sets initial hiring rates and salary ranges, as well as promotion guidelines, and sets standards and processes for performance evaluations and step increases.

The Human Resources Director can recommend necessary amendments in the compensation program to the County Executive and County Board's Legislative Audit / Human Resources Committee.

The County Executive may seek the input of the various committees, commissions, and boards, as needed in the evaluation process.

New employees will normally be hired at the lower end of the pay grade established for their position. However, a new employee's starting wage may be at a higher step of their pay grade if warranted by such reasons as exceptional qualifications or competitive market conditions. Discussion with the Human Resources Recruiter and approval of the department head and the Human Resources Director is required before a starting salary above the pay grade minimum may be offered to a new hire.

At twelve month intervals following the employee's date of hire, reclassification, or promotion, the employee will be eligible to advance to the next highest step within the employee's pay grade.

Regular part-time employees in the Sheriff's Office (in positions formerly a part of the OCJCA employee group) will be eligible for step increases as long as their proration is 20 or more hours per week after 12 months. Conversely, in the Sheriff's Office, full time employees who take a part time position that is less than 20 hours per week will be frozen at their current step and will not be eligible for step increases while in that part time status.

At twelve month intervals following the employee's date of hire, reclassification, or promotion; both the employee and the employee's manager/supervisor will complete a comprehensive evaluation of the employee's performance for the previous twelve months and will establish goals or areas of focus for the coming year. For all employees, the manager/supervisor will then finalize the evaluation by determining approval, denial, or delay of step increases performance or other wage schedule requirements.

The Step Program is dependent on budget conditions and may be put on hold by approval of the County Executive and County Board.

Other than in the case of annual step progression within the Deputy Sheriff's Association, advancement in the pay grade is predicated on the employee meeting the key expectations of their position and as defined by the job description, as well as the standard county evaluation categories outlined in the evaluation form. Step increases shall occur at the beginning of the pay period following the employee's date of hire or adjusted date of hire.

In cases of poor performance, the department head or County Executive may, after conferring with the Human Resources Director, withhold or delay a scheduled general base salary adjustment for an employee. These actions apply to those situations where the employee's job performance is unsuitable for the employee's step position within their pay grade. Disagreement with the performance evaluation is not grievable under the Employee Complaint process.

An employee promoted or reclassified to a position in a higher pay grade will be put at that step in their new pay grade which typically provides for an increase of between 3% and 10%. Any promotional or reclassification increases of more than 5% of the employee's current wage will require approval from Human Resources before offering the position. Promotional or reclassification increases of more than 10% may only be given if needed to bring the employee up to the Minimum Step of the employee's new pay grade.

An employee who is promoted, demoted, or reclassified to a position in a lower pay grade may be paid at any step in their new pay grade as recommended by Human Resources and approved by the County Executive. All step increases will become effective on the first pay period following the anniversary date of that event.

Upon the recommendation of Human Resources, the County Executive may authorize specific salary adjustments due to extraordinary circumstances, subject to availability of appropriated funds. The Legislative Audit / Human Resources Committee will be notified of all such salary adjustments.

In order to reflect necessary increases in the minimum and maximum rates appropriate for each job, the salary structure recommended will be reviewed and updated annually as part of the annual budget process.

In a situation where the assignment or scheduling of work requires an employee to perform in a higher level classification (higher pay grade or pay range), a temporary pay rate may be

established for the period of that assignment or work schedule. This action requires the recommendation of the department head, as well as the approval of the Human Resources Director or the County Executive. This practice will not be applied to vacation replacement.

PERSONAL APPEARANCE

Outagamie County allows departments and their employees the flexibility to "**Dress for Your Day**." The "Dress For Your Day" policy is intended to be relaxed when you have a workday that does not include meetings with clients, vendors or business associates. The expectation is that employees will wear clothing appropriate for the nature of our business and the type of work performed. It gives employees the flexibility to dress in a way that adheres to their schedule for that day. If you are at a client, training/conference, recruitment activity, or other professional circumstances, employees must dress in business attire.

At the discretion of the Department Head, an employee not otherwise required to wear a uniform may wear casual, yet appropriate, work attire (including wearing denim jeans) on days when the employee has no obligations to interact in-person with clients, visitors, customers, vendors, and/or the public. Department Heads may determine what positions or duties constitute an employee's ability to wear casual work attire. Even though the dress code is casual, it is important to project a professional image to our customers, visitors, and co-workers, consistent with the environment in which an employee works. All employees are expected to dress in a manner consistent with good hygiene, safety, and good taste.

Supervisors should communicate any department-specific workplace attire and grooming guidelines to staff members during new-hire orientation and evaluation periods. Not adhering to this policy may result in disciplinary action or the removal of the "Dress for Your Day" option.

Below are some guidelines to help employees differentiate what is appropriate. Any questions about the department's specific guidelines for attire should be discussed with a supervisor.

APPROPRIATE FOR CASUAL DAYS	APPROPRIATE FOR BUSINESS DAYS	INAPPROPRIATE
• PANTS: leggings under a dress or long shirt, (the length of the shirt should reach the person's fingertips when arm is facing downward), jeans (must be clean and free of rips, tears and fraying; may not be excessively tight or revealing). • SHIRTS: denim or flannel shirts, non-hooded plain sweatshirts. • SHOES: dress sandals or open toe shoes. ***Note:*** *Casual attire may be further defined by departments based on*	• PANTS: dress slacks, khakis or corduroys, business suit. • SHIRTS: blazers/sport coats, collared knit or golf shirts, oxford shirts, County logo wear, short-sleeve blouses or shirts, sweaters • SHOES: Closed toe dress shoes such as loafers, flats, deck shoes, and dress boots. ***Note:*** *Business attire may be further defined by departments based on*	• PANTS: jeans that are frayed, damaged, washed-out, dingy or dirty with holes, shorts/skorts, yoga/exercise pants, sweat pants and form-fitting leggings. • SHIRTS: t-shirts, tank tops, halter tops, tops with spaghetti straps, shirts with lettering or logos larger than 4"x4", hooded sweatshirts, off-the-shoulder tops, low-cut/sheer blouses/shirts or shirts that bare the midriff, sports attire (unless communicated otherwise by Human Resources or the County Executive Office), beachwear.

the expected dress for specific work related activities.	*the expected dress for specific work related activities.*	• SHOES: Thong sandals, flip flops, athletic shoes, tennis shoes, croc-like shoes.

CLOTHING ALLOWANCES

Plamann Park, Maintenance and Custodial employees who are required to wear uniforms will be provided with the following initial allotment:

- 2 summer shirts
- 2 summer pants
- 2 winter shirts
- 2 winter pants
- 1 summer jacket
- 1 summer cap
- 1 winter jacket
- 1 winter cap

The county will pay fifty percent (50%) of the replacement cost of such uniforms, up to a maximum of one hundred dollars ($100.00) per employee per calendar year. Employees shall submit receipts for such replacement cost of uniforms two times per year, no later than the work day immediately prior to July 1 and January 1. The county will pay for and provide any identification patches required to be placed on the uniforms.

Appleton Airport will provide the necessary uniforms to any employee whose job duties require such attire. Uniform attire and annual allowances may differ based on position and department needs. Details available from Airport leadership.

Highway and Recycling / Solid Waste Employees: The county agrees to provide, at such employee's option, either a pants and shirt or coveralls, to an employee classified as a mechanic to be used by such employee when that employee is performing mechanic's work, and to an employee who is assigned as the gasman. Employees will be provided with a hard hat, vest, goggles, and fuel cards, which will be their responsibility to replace if they are lost or stolen, provided that if there is clear evidence of forced entry, the employee will not have the responsibility to replace the item. These items will be inventoried on an annual basis. The county shall make disposable coveralls available to employees as set forth below. The Employee shall reimburse the county for its cost of such coveralls, except those employees who are required to change oil will receive two (2) pair of disposable coveralls per year, free of charge. The Employer agrees to provide employees normally assigned to perform body shop work during the year and the one employee normally assigned to perform welding during the year with each employee's option of either pants and a shirt or coveralls, to be used by these employees when they are performing body shop work or welding.

The amount and administration of the clothing allowance for uniformed Sheriff's Office staff will be made in accordance with existing policies, with a summary of current policies provided below:

• Sheriff, Chief Deputy, Commander, Corrections Administrator, Captains, Jail Lieutenants, Telecommunications Supervisor and Communications Shift Supervisor shall receive a $275 initial allowance and an annual $275 allowance.

• Patrol Lieutenants shall receive a $375 initial allowance and an annual $375 allowance.

• Operations Assistants and Telecommunicators will receive an initial $275 allowance and then an annual $250 allowance after that. The Sheriff's Office Mechanic is required wear safety shoes and is responsible for purchasing and wearing safety shoes/boots to comply with the County's Personal Protective Equipment policy and is eligible to receive an annual (per calendar year) reimbursement up to $40 for purchase of safety shoes, with presentation of proper receipt to your supervisor. The Sheriff's Office Mechanic will be reimbursed for tools purchased up to $250.00 per year, payable upon the submission of a receipt substantiating the purchase.

• All employees paid during the pay period in January each year when the clothing allowance has been disbursed (typically the 2nd payday in January), will be paid the full annual rate for clothing allowance for that year. As an example: if you were hired in Feb or Dec of 2017, you will receive your clothing allowance as a new employee in Feb or Dec of 2017 and in January of 2018 you will receive the 2018 annual clothing allowance. The only exceptions are for new employees hired Jan 1 through the pay period of the uniform allowance, as they will receive just their initial hiring allowance; whereas those not leaving in good standing during that disbursement pay period will not receive the allowance. All uniformed Sheriff's Office staff, including part-time, shall receive a clothing allowance on the above basis, excluding the Administrative Supervisor, Systems Analysts, Staff Accountant and Records Specialists.

All uniformed Sheriff's Office staff, including part-time, shall receive a clothing allowance on the above basis, excluding Operations Assistants, Process Servers, and Health Records Specialists.

Any questions or complaints regarding the appropriateness of attire should be directed to your department head or the Human Resources Department.

PET POLICY & SERVICE ANIMALS

Outagamie County prohibits employees from bringing a pet to work or having a pet in Outagamie County controlled buildings and premises, with the exception of service dogs for a person with disabilities or in the case of certified therapy dogs/cats for specific departments or as part of the K-9 unit in the Sheriff's Department. Animals other than service dogs or certified therapy dogs/cats are not allowed at work or in any Outagamie County controlled buildings.

SERVICE ANIMALS

According to the Americans with Disabilities Act (ADA), a service animal is defined as "any animal individually trained to work or perform tasks for the benefit of an individual with a disability, including, but not limited to, guiding individuals with impaired vision, alerting individuals to an impending seizure or protecting individuals during one, and alerting individuals who are hearing impaired to intruders, or pulling a wheelchair and fetching dropped items."

A person with a disability uses a service animal as an auxiliary aid. In compliance with the ADA, service animals are welcome in all buildings on company property and may attend any class, meeting or other event. There may be an exception to certain areas.

Employees requesting accommodation for a disability that includes a service animal or service animal in training, must be registered with the Risk Management Administrator.

REQUIREMENTS OF SERVICE DOGS OR CERTIFIED THERAPY DOGS/CATS AND THEIR OWNERS:

- All animals need to be immunized against rabies and other diseases common to that type of animal. All vaccinations must be current.
- Animals must wear a rabies vaccination tag.
- All service dogs and certified therapy dogs/cats must be licensed per state law.
- Service dogs and certified therapy dogs/cats must wear an owner identification tag (which includes the name and phone number of the owner) at all times.
- Service dogs in training, must wear the designated service animal vest throughout their training period.
- Animals must be in good health.
- Dogs must be on a leash, harness or other type of restraint at all times, unless the owner/partner is unable to retain an animal on leash due to a disability.
- The owner must be in full control of the animal at all times. The care and supervision of the animal is solely the responsibility of the owner/partner.
- The owner/partner must provide the HR department staff with information as to how the service dog accommodates for the individual's disability.

Reasonable behavior is expected from service dogs while on company property. The owners of disruptive and aggressive service dogs or certified therapy dogs/cats may be asked to remove them from Outagamie County facilities. If the improper behavior happens repeatedly, the owner may be told not to bring the service/therapy animal into any facility until the owner takes significant steps to mitigate the behavior.

Cleanliness of the dog/cat is mandatory. Consideration of others must be taken into account when providing maintenance and hygiene of animals. The owner/partner is expected to clean and dispose of all animal waste.

Animal owners are responsible for any injury, death or damage caused by their animal.

POSITION CLASSIFICATION

Position classification is the process used to allocate a position's defined duties and responsibilities to a job standard. The position classification process involves the department, Human Resources, and at times an external market analysis, reviewing the duties and responsibilities assigned to a position and determining the appropriate classification for the position.

In order to determine eligibility for benefits and overtime status and to ensure compliance with federal and state laws and regulations, Outagamie County follows Fair Labor Standards and classifies its employees as shown below. Outagamie County may review or change employee classifications at any time.

Exempt: Exempt employees are paid on a salaried basis and are not eligible to receive overtime pay, based on criteria established by the Fair Labor Standards. Some exceptions may apply by county policy.

Non-Exempt: Non-exempt employees are paid on an hourly basis and are eligible to receive overtime pay for overtime hours, based on criteria established by the Fair Labor Standard or county policy.

Full-Time Regular Employee: Works a regular schedule of 37.5 or 40 hours per week or meets the hours requirements of Section 7(k) of the Fair Labor Standards Act (FLSA).

Part-Time Regular Employee: Works a regular schedule that is, on average, less than 37.5 hours per week, with the exception of Section 7(k) for Sheriff Department employees. Part-time employees, on a pro-rated basis, are entitled to the same benefits as full-time employees, with the exception of Life Insurance and Long Term Disability Insurance, provided they are hired at or averaged at least 20 hours per week for the 12 months preceding their anniversary date. Under federal laws, part-time employees are treated the same as full-time employees under the Fair Labor Standard Act concerning minimum wage and overtime pay.

Job Share Employee: Job sharing means that two (or more) workers share the duties of one full-time job, each working part-time. Employees involved in a job share arrangement must sign a Job Share Agreement.

See the Job Share section of handbook for additional details.

Casual-Call Employee: One who is hired to satisfy or meet the needs of a department which are cyclical and recurring in nature. They may have a regular/consistent, infrequent, or variable schedule and may work as needed throughout the year but they may not work more than 960 hours in a 12- month period. A department may hire casual call employees for approved positions on their Table of Organization as their budget allows in order to meet the needs of the department. If an employee is anticipated to work beyond 960 hours within a 12-month period, the supervisor should speak with Human Resources to determine whether the status of the employee should be changed.

Temporary Employee: A direct hire temporary employee is an hourly appointment used to fill a classified job title in the county. A temporary employee is one who will be with the county for less than a year and one who has a specific expiration date. Temporary employees are eligible to earn leave and are covered by Social Security and unemployment compensation but do not receive any other fringe benefits.

Seasonal Employee: Any employee who works one hundred twenty days a year or less for the county. These days need not be consecutive. The work being provided does not fulfill a classified job title in the Table of Organization. For example, if an employee works for the months of January, July, and October. then the employee is a seasonal employee.

Intern: A student who works, sometimes without pay, at a trade or occupation in order to gain practical work experience as part of an academic requirement. Internships will most often be viewed as employment, unless described below, relating to other academic compensation. Interns who qualify as employees typically must be paid at least the minimum wage and overtime compensation for hours worked over 40 in a work week. There are some circumstances under which individuals who participate in internships or training programs may do so without compensation. This may apply to interns who receive training for their own educational benefit, if the training meets certain criteria. The determination of whether an internship or training

program meets this exclusion depends upon all of the facts and circumstances of each such program.

Contract Workers: Typically hired to cover for absent employees (such as those who are on medical or disability leave) and temporary vacancies or to fill gaps in a county's workforce. Contract workers are typically hired through a temporary staffing agency -- in which case the temp is on lease with the staffing county but not an employee of the county. Contract workers may be contracted to perform work in a range of industries, such as system support, labor, education, information technology, and healthcare. Some temporary jobs may lead to regular employment where appropriate. More often, however, departments procure contracted staff for a specific business purpose while avoiding the cost of hiring regular employees.

Contract workers may work full or part-time but are not eligible for county benefits. Any benefits a worker may be eligible for would be provided by the contracting agency, where applicable. The maximum contract assignment for any temporary contract worker is twelve (12) calendar months. Any assignment needed beyond twelve (12) months must be approved by Human Resources.

Note: Contract workers are not considered benefit eligible employees of Outagamie County and would not fall into the category of Employee as it pertains to this Employee Handbook.

Throughout one's employment with the county, an employee's status may change, whether by voluntary or involuntary means. They may be granted a promotion, make a lateral transfer, get laid off, terminate the employment relationship, or become part or full-time. Since changes such as address and marital status are quite straight forward, they will not be discussed here. Instead, following is an explanation of the usual types of changes that may occur.

Temporary to Regular Status: A temporary employee is one who occupies a temporary slot on the Table of Organization, holds a position of limited duration for a specified period of time, or is hired to perform a specific project. A regular employee is one who occupies a regular slot on the Table of Organization and is expected to remain employed by Outagamie County so long as the work is required and the individual performs in a satisfactory manner. Temporary and regular employees may be either part-time or full-time. A temporary employee who, through continuous employment, obtains regular status in the same job classification in the same department, will have their date of employment for the purpose of determining wage rate and date of hire, vacation eligibility, and sick leave accrual established as of their date of employment as a temporary employee.

Promotion: A promoted employee is one who accepts a job assignment in a higher classification with a higher pay range. Upon moving to this new position, the employee will receive an adjusted date of hire.

Demotion: A demoted employee is one who is assigned, either voluntarily or involuntarily, to a job in a lower classification with a lower pay range. Whether the employee receives an immediate decrease in salary is determined by the circumstances at the time of the demotion and the spread of the new salary range. Demotions may be made in lieu of layoff, may be used as a disciplinary measure, or can be voluntary. Demotions must be approved in advance by the Human Resources Director. Upon moving to this new position, the employee will receive an adjusted date of hire.

Reclassification: Reclassification is the reassignment of a position from one class to another to recognize a change in the duties and responsibilities of a position or to correct a misclassification in the original assignment. Reclassifications must be approved by the Legislative Audit / Human Resources Committee and County Board. Upon moving to this new position, the employee will receive an adjusted date of hire.

Full-Time / Part-Time: In response to changing business needs or priority, the time allotted to a particular job may change from part-time to full-time, or vice versa. In those cases where a part-time position is expanding to fill full-time hours, or where a full-time position is reducing to part-time, the posting process is not normally followed. Instead, the employee who has the part-time or full-time position expands or reduces his/her hours. Occasionally, when the situation warrants, job sharing one full-time position may be allowed.

Lateral Transfer: When necessary, Outagamie County may change an employee or group of employees from one job to another within the same pay grade. When an employee is transferred to a position in the same pay grade, they will not receive an adjustment in pay nor an adjusted date of hire.

An employee in good standing may also request to transfer to another comparable vacant position for which they are qualified. Requests for such voluntary transfer should be made to Human Resources and requires the approval of the employee's department head.

Termination: This is a term used to refer to the removal of an employee from the payroll for voluntary or involuntary reasons including dismissal, resignation, retirement, or death.

Layoff: A layoff is the involuntary separation of an employee due to lack of work, lack of funds, the abolishment of a position, or other reason. Layoff plans must be approved by the Human Resources Director before they are implemented. No regular employee will be laid off while there are temporary workers serving in the same classification in the same department. Layoffs are based on job performance and seniority. Regular employees will receive at least ten (10) business days' notice prior to layoff, and each laid-off employee will be notified of all of their rights, including reinstatement eligibility and benefits. Laid-off employees will be held in a layoff pool for a period of time equal to their length of service but no longer than one year. Employees in the layoff pool have a priority for reinstatement when a vacancy occurs for which they are qualified. A laid-off employee loses their reinstatement rights if they do not return to work within ten (10) calendar days after notification. This does not apply to sunset or grant positions.

PROPERTY INSPECTION

The county provides desks, filing cabinets, lockers and/or other storage devices, electronic or otherwise, for employee's convenient safekeeping of work materials and personal items. The storage devices remain the property of the county, and the county makes no assurance of an expectation of privacy regarding the contents thereof. Further, the county reserves the right to inspect any and all such storage containers or devices at any time and may inspect personal property on county premises where reasonable suspicion exists that the container or device may

contain stolen items, firearms, drugs, alcohol, or other contraband. Further, county information in or on personal containers or devices may be accessed, if necessary, by the county.

RECRUITMENT

The standard of the county is to recruit and select the most qualified persons for county positions. Recruitment and selection is conducted in compliance with all applicable laws. Whenever possible, vacancies are filled from current county employees, providing they meet qualification standards and are the most qualified candidate. The filling of Union positions is done in accordance with the applicable bargaining agreement. Recruitment is the responsibility of the Human Resources Department, who works in conjunction with the department in need of staff.

This section sets forth general process guidelines to be used by Outagamie County management personnel relative to the employment function. It is understood that adjustments to this process may be made as dictated by special circumstances. The following process will be the recognized process for employment functions at Outagamie County.

JOB OPENING

Open positions are either identified by a vacancy created or upon approval for an additional position by the County Executive and Board of Supervisors. Positions being requested from the Not Posted list will require approval from the HR Director or their designee.

The hiring manager will complete a requisition request form in the applicant tracking system for submission to Human Resources.

Human Resources will verify the opening against the Table of Organization (TO).

The HR Recruiter, in conjunction with the hiring manager, will review the position job description and update as required.

POSTING

Except as noted below for internal department/division promotions or transfers, the position will be posted for a minimum of five days (excluding holidays and weekends).

- Human Resources will develop the posting using the duties and requirements found in the job description/class spec and review the posting with the hiring manager.
- Postings will be on the Current Openings sections of the Outagamie County intranet site and internet sites. In addition to the official posting sites, Human Resources and the hiring manager may identify other industry and recruitment sites where the position will be posted.
- Postings will remain on the official posting sites until the position has been filled or a suitable amount of applications have been received.
- Once a position has been posted, the hiring manager(s) can view applicant data within the applicant tracking system and determine next steps within the system.

Internal Department/Division Promotions or Transfers Only – Hiring Managers are allowed to fill open positions in their department without posting the job for the minimum five (5) day requirement, if they fill it with an active employee from the same department and division.

To hire someone internally from within their department and division, the hiring manager must complete a requisition request in NeoGov and the departmental employee must complete the inter-department application in NeoGov. Once the application has been completed the hiring manager can then move the applicant to hire in NeoGov to begin the hiring process. While this approach may help departments fill vacancies more rapidly, hiring managers must still select the best candidate for the job based on skills, education, and performance factors reflected in satisfactory performance evaluations.

If a department or division wants to hire someone from another department or division, they must post the job internally for five (5) days at minimum, following the procedures outlined above.

RECRUITMENT/SOURCING

Methods and timing of external recruitment will be determined by Human Resources and the hiring manager on a case-by-case basis.

Advertising should be coordinated through and tracked by the Human Resources Department. Advertising costs may be charged back to the department.

APPLICANT FLOW

In order to be considered for a position, an applicant must submit their application electronically via the applicant tracking system. Only electronic applications will be accepted. Inquiries received in other departments should be directed to apply via the Outagamie County internet/intranet sites.

Unsolicited applications will not be accepted.

All applicants must apply separately for each posted opening.

Human Resources will maintain applicant data and hire records within the applicant tracking system.

SCREENING OF CANDIDATES

The HR Recruiter will work with the hiring manager to determine on a case-by-case basis the process for screening applicants. As requested by the hiring manager, Human Resources will assist in reviewing resumes and applications.

Candidates will be evaluated based upon their qualifications for the job being filled without regard to gender, race, color, religion, age, national origin, sexual orientation, gender identity, genetic testing, and military service or on the basis on any other protected status.

In general, consideration will be given to applicants in the following order:

- In the case of county employees who are members of a bargaining unit and who may have contractual rights related to the open position within that same bargaining agreement, primary consideration will be given according to the contractual language.

- In the case of non-union employees, selection of candidates for job openings will be determined by the county from the available internal and external applications.
- As a best practice, hiring managers should contact current managers of internal applicants with questions related to overall performance. It is expected that all internal applicants be provided either a telephone or in-person conversation.

INTERVIEWING

The hiring manager will coordinate and conduct interviews of candidates. The HR Recruiter will be available for consultation or to participate in the interview process.

Human Resources should be involved in interviews involving managerial or critical positions.

Hiring managers should establish and utilize set interview questions for all applicants and keep separate notes and comments on candidates interviewed. Notes and comments are not to be recorded on the original resume or application.

Employees are encouraged to discuss their interest in open positions with their supervisor. However, supervisor approval is not required to submit an application if the employee meets all eligibility requirements. When an employee is selected to be interviewed for an opening, the employee must notify their supervisor that they are being considered for a particular opening. Such notification must take place before the interview. Non-exempt/hourly employees will not be paid for the time they are interviewing or testing. They will be allowed to make up that time or take as some sort of leave time. Exempt employees should adjust their schedule accordingly.

Upon completion of interviewing, all accompanying notes and comments should be uploaded to the applicant tracking system by the hiring manager or their designee.

TESTING

The HR Recruiter, in conjunction with the hiring manager, will determine testing needs based on requirements of the position and will determine the point in the interviewing process where testing will be administered.

All testing will either be coordinated through the Human Resources Department or within their respective department.

Test results will be shared with the hiring manager and become part of the candidate's file.

Results of testing will remain valid for a period of six (6) months.

SELECTION

The hiring manager makes the hiring decision. Prior to acting on any employment decision, the hiring manager should consult with the appropriate department head and the HR Recruiter.

REFERENCE CHECKS

Whenever possible, a minimum of two (2) references should be secured prior to any offer of employment being extended. References are to be obtained by the department designee. Human Resources is available for assistance. Documentation of references should be maintained in the employee's personnel file or uploaded into the applicant tracking system.

OFFERS OF EMPLOYMENT

Starting wage rates will be determined by Human Resources in conjunction with the hiring manager in accordance with established bargaining agreement and compensation administration guidelines.

Start dates of all new hires coincide with the orientation calendar to ensure new hires are beginning employment on an orientation day and complete the necessary steps to be placed on the payroll. There may be exceptions allowed in this timing based on critical business needs. Any exceptions must be discussed with the HR Recruiter and approval obtained from the HR Director or their designee.

Verbal offers of employment may be extended by the hiring manager after consultation with the appropriate department head and HR Recruiter. Hiring managers will complete the hire process in the applicant tracking system in order to initiate the written offer letter.

Written offer letters should be drafted by the HR Recruiter. Signed offer letters and applicable new hire paperwork will be provided electronically or in hard copy to the HR Recruiter who will then attach these documents to the exam plan in the applicant tracking system.

New hire details will be provided to the HR Administrative team for entry into HR system.

CONTINGENT OFFERS OF EMPLOYMENT

Offers of employment are contingent on appropriate background check, POPEs (Post Offer Pre Employment Screens), education records, required certifications, and/or driver's license requirements.

Education levels will be verified for any position that requires a particular degree level. Verification will consist of receipt of transcripts or direct contact with the educational institution. The Human Resources Department is responsible to ensure that proper verification has been obtained. Documentation regarding education level verification will be filed in the personnel files located in the Human Resources Department.

Human Resources will process the appropriate background request forms upon receipt of signed release of information statements. Sheriff's department will perform investigations and administer appropriate background checks for their hires or those county employees working within the Sheriff's department. Releases must be received and background checks run prior to the employee beginning employment. Exceptions to this will be considered based on Human Resources Director approval.

With the exception of the Sheriff's department, Human Resources will review the report information. Results of background investigations will be forwarded to the hiring manager as applicable. In the case of negative results, a course of action will be determined with the hiring manager and input from Corporation Counsel when appropriate.

Contingency documents will be stored in the employee's personnel file.

RELEASE OF INTERNAL CANDIDATES

It is the responsibility of the hiring manager and the selected employee's current manager to mutually agree on the starting date for the new position. In general the new starting date should

be within 20 days (excluding holidays & weekends) of the accepted offer and should begin at the beginning of a pay period.

NOTIFICATION OF UNSUCCESSFUL CANDIDATES

All internal candidates not selected will be notified directly (in person, by phone or e-mail) by either the hiring manager or Human Resources.

Notification to external candidates interviewed but not selected, will be communicated by either telephone or using the notification functionality within the applicant tracking system.

SAFETY AND ACCIDENT PREVENTION

Outagamie County has a long-standing philosophy of taking pride in its practices to ensure the safety, health and well-being of all its employees. This section serves to provide guidance to all employees on the standards the county expects its employees to adhere to.

Employees injured on the job must report the injury to their supervisor immediately. All reports must be filed within twenty-four (24) hours of the injury. Suggestions from all employees regarding safety are welcome and encouraged. See Worker's Compensation section of this handbook for additional details related to reporting an injury.

Employees who transport county clients in their own personal vehicle (excluding motorcycles) and whose vehicle suffers damage during that transport may be eligible for partial reimbursement for damages.

Additional information regarding vehicle usage and insurance coverage requirement can be found on MyOC.org/Departments/County Executive/Administrative Rules/Vehicle Usage Policy webpage.

SEPARATION FROM EMPLOYMENT

Employment with Outagamie County is governed by the common law doctrine of "at-will" employment. An employee may be dismissed at any time at the option of the county. In such case of involuntary separation, the employee's supervisor or department head will discuss the proposed action with Human Resources prior to taking action. Employees involuntarily terminated or who resign due to misconduct or poor job performance are not eligible for rehire without department head and Human Resources approval. An employee may quit employment with the county at any time. The publishing of this Employee Handbook does not guarantee or make a promise of employment nor does it create a contractual employment relationship.

Revision Date: July 2024

Employees are encouraged to provide a two-(2)-week written notice of intent to terminate their employment. The two weeks' notice begins the day after they turn in their notice. This allows the county time to begin a search for the employee's replacement and/or to realign the duties within the department. An employee is considered as having terminated in good standing if they gave the fourteen-(14)-day notice or if their employment was terminated by the county for reasons other than performance or misconduct, at the discretion of the HR Director. Furthermore, failure to give proper notice will affect sick leave payout, earned and accrued vacation payouts, etc. In addition to providing a two-(2)-week notice, resigning employees must work on their last day of employment, with the exception of those on an approved medical leave, in order to be considered to have left in good standing. Other paid leave restrictions within the two-week notice period may apply and could impact the employee's ability to leave in good standing, as outlined on the Retirement/Resignation Notice on the county intranet.

In most cases, Human Resources or a department representative will collect all county property as appropriate and to discuss final pay. The exit interview is conducted by the Human Resources Department with an employee who is separating from employment with the county and is intended to gain insight into the effectiveness of county practices, to determine where personnel guidelines and processes are in need of review or revision, and to determine where supervisory or managerial practices need modification or improvement. Exit interviews will be provided whenever possible, regardless of reason for leaving, position held, or length of service.

Return of county equipment: Employees leaving county employment must return county identification cards, cars, books, manuals, keys, tools, equipment, and other county-owned items on or before their last day of work. If applicable, information regarding benefits continuation through the Consolidated Omnibus Budget Reconciliation Act (COBRA) will be sent to the employee's home address.

SHORT-TERM DISABILITY

Short-Term Disability pays the employee a portion of their income for a specified period of time, as determined by the plan. The Short Term Disability plan provides coverage for injuries and illnesses that occur outside of work. Employees are eligible if they are an active full-time employee who works at least 37.5 hours per week on a regularly-scheduled basis. Active part-time employees are eligible if their current pro-ration is at or above the threshold for benefit eligibility (i.e., health and dental insurance).

Employees may purchase coverage that would pay a percentage of the employee's weekly earnings. The maximum Voluntary Short-Term Disability Insurance benefit is determined by the plan.

Short-term disability benefits run concurrently with the Family and Medical Leave Act and/or any other leave where permitted by state and federal law. Employees on Unpaid Medical Leave while receiving Short-Term Disability payments are not required to use sick leave or vacation leave balances.

SICK LEAVE

Every full-time employee shall earn one (1) sick day (eight (8) hours or 7.5 hours) for each month of full-time, regular service with the County, regardless of department. Part-time employees earn one prorated day for each full month of service. A full month of service is any month in which an employee received pay for at least ten (10) times the employee's factor (Full Time Factors: 8 and 7.5; Part Time Factors: As assigned by Payroll or employee's department).

New employees that are eligible to earn sick leave can use it once it is available on the first of the month following their hire date. Any sick leave taken prior to having it available would be without pay if vacation and/or floating holiday pays are not approved to be used or available.

Unused sick leave may be accumulated to a total of one hundred and twenty (120) days. Part time employees may accumulate up to 120 days times your factor.

Employees absent from work on legal holidays, during sick leave, vacation, for disability arising from injuries sustained in the course of their employment, or for other authorized leaves of absence with pay shall continue to accumulate sick leave at the regularly prescribed rate during such absence as though they were present for duty.

An employee eligible for sick leave with pay may use such leave upon approval of the manager/supervisor/department head for absence due to an employee's illness, injury, exposure to contagious disease, dental or medical appointments or due to illness in the employee's immediate family (i.e., the employee's spouse, domestic partner or dependent children living in the employee's household) hospitalization, illness or dental/medical appointment requiring the employee's personal attendance. In addition, employees who are not eligible for FMLA will be able to use sick leave for a continuous absence related to the birth of their child, provided notification and paperwork is completed with the HR Advisor – Leave Administrator. An employee on sick leave shall inform their immediate supervisor of the fact and reason therefore as soon as possible and failure to do so within reasonable time may be cause for denial of pay for the period of absence. The department head may request a doctor's certificate before approving such leave with pay if three (3) or more consecutive workdays are missed. If an employee is eligible for Family Medical Leave, that employee is required to complete FML paperwork after more than three (3) consecutive workdays are missed. Questions regarding qualifications for FMLA should be directed to the HR Advisor - Leave Administrator. The department head may also request a doctor's certificate, for any sick leave use, before approving such leave with pay after four (4) instances of sick leave, without a doctor's certificate, are taken in a calendar year.

In order to use sick leave for serious health conditions of family members not in the immediate family, it must be covered under Family Medical Leave.

In the event that an employee becomes ill on the job, the time actually spent off the job shall be charged to sick leave.

Absences for a fraction or part of a day that are chargeable to sick leave in accordance with these provisions may be charged in no less than fifteen (15) minute increments. Sick leave usage of less than fifteen (15) minutes must still be reported as fifteen (15) minutes.

SICK LEAVE AND RETIREMENT - Employees hired prior to January 1, 2014 who meet the definition of retirement under Wisconsin Retirement System will receive a 100% payout of accumulated sick leave. Employees hired on or after January 1, 2014 who meet the definition of retirement under the Wisconsin Retirement System will receive a graduated percentage payout of up to 120 days of accumulated sick leave based on their length of service with Outagamie County so that: after ten (10) years of service the employee is eligible for a fifty percent (50%) payout of sick leave accumulation; after fifteen (15) years of service the employee is eligible for a seventy-five percent (75%) payout of sick leave accumulation; and after twenty (20) years of service the employee is eligible for a one hundred percent (100%) payout of sick leave accumulation. In the event of the death of an employee, the County will make the same 100% payment to the employee's estate. If an employee does not participate in the life insurance program, the employee may specify a beneficiary with the Human Resources Department for the purpose of this Section.

SICK LEAVE AND RESIGNATION – Grandfathered and accreted employees hired prior to January 1, 2014 who terminate in good standing will receive a 50%-100% payout up to 120 days of accumulated sick leave, based previously agreed to terms.

For all other employees, sick leave is cancelled upon resignation.

SOLICITATION & BULLETIN BOARDS

In order to protect our employees and visitors, solicitation by employees is strictly prohibited while either the employee being solicited or the employee doing the soliciting is on "working time." "Working time" is defined as time during which an employee is not at a meal, on break, or on the premises immediately before or after their shift.

Employees are also prohibited from distributing written materials, handbills, or any other type of literature on working time and, at all times, in "working areas," which includes all office areas. "Working areas" do not include break rooms, parking lots, or common areas shared by employees during non-working time.

All required governmental postings are posted on the boards located in the break rooms of county buildings. These boards may also contain general announcements. The county reserves the right to refuse permission to post or to take down any announcement.

Visitors may not solicit or distribute materials anywhere on county property, at any time.

TELECOMMUTING

Telecommuting allows employees to work remotely for all or part of their workweek. Outagamie County considers telecommuting to be a viable, flexible work option when both the employee and the job are suited to such an arrangement. Telecommuting may be appropriate for some employees and jobs but not for others. Telecommuting is not an entitlement, it is not a county wide benefit, and it in no way changes the terms and conditions of employment with Outagamie County. This guidance provides a general overview and does not attempt to address each unique situation or technology need.

Telecommuting is not designed to be a replacement for appropriate child care. Although an individual employee's schedule may be modified to accommodate child care needs, the focus of the arrangement must remain on job performance and meeting business demands. Prospective telecommuters are encouraged to discuss expectations of telecommuting with family members prior to entering a trial period.

PROCEDURES

Telecommuting can be informal, such as working remotely for a short-term project or a formal set schedule of working away from the office as described below. Either an employee or manager can suggest telecommuting as a possible work arrangement.

Any telecommuting arrangement made will be on a trial basis for the first three months and may be discontinued at will and at any time at the request of either the telecommuter or the supervisor/county. Every effort will be made to provide 30 days' notice of such change to accommodate commuting, child care and other issues that may arise from the termination of a telecommuting arrangement. There may be instances, however, when no notice is possible.

ELIGIBILITY

Individuals requesting formal telecommuting arrangements must typically be employed in their current role for a minimum of six (6) months of continuous, regular employment and must have a satisfactory performance record. Department Heads have the discretion to authorize remote work prior to the employee's first six months of employment, if applicable.

Before entering into any telecommuting agreement, the employee and manager, with the assistance of the Human Resources and Information Technology departments, will evaluate the suitability of such an arrangement, reviewing the following areas:

Employee suitability. The employee and manager will assess the needs and work habits of the employee, compared to traits customarily recognized as appropriate for successful telecommuters.

Job responsibilities. The employee and manager will discuss the job responsibilities and determine if the job is appropriate for a telecommuting arrangement.

Equipment needs, workspace design considerations and scheduling issues. The employee and manager will review the physical workspace needs and the appropriate location for the telework. This can be done in person or virtually, as requested.

Tax and other legal implications. The employee must determine any tax or legal implications under IRS, state and local government laws, and/or restrictions of working out of a home-based office. Responsibility for fulfilling all obligations in this area rests solely with the employee.

The employee understands that they are responsible for all equipment needs related to a home workspace, with the exception of a county provided laptop/tablet. The County will provide supplies related items such as: paper, ink, pens, etc. The county will not provide laptops for the purpose of working remotely. Only employees identified as having a need for a laptop when working onsite will be provided a county laptop, which can then be used for remote work as needed.

If the employee and manager agree, and the Human Resources department concurs, a draft telecommuting agreement will be prepared and signed by all parties, and a three-month trial period will commence.

Evaluation of telecommuter performance during the trial period will include regular interaction, by phone and e-mail between the employee and the manager, and weekly face-to-face meetings to discuss work progress and problems. At the end of the trial period, the employee and manager will evaluate the arrangement and make recommendations for continuance or modifications.

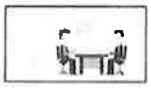
EQUIPMENT

With the exception of a county issued laptop, the employee will be responsible for providing/acquiring the appropriate equipment needs (including hardware, software, high speed internet, secure Wi-Fi, phone lines and other office equipment) for each telecommuting arrangement, at their own expense. The Human Resources and Information Technology departments will serve as resources in this matter. Outagamie County reserves the right to make determinations as to appropriate equipment, subject to change at any time, and in ensuring proper security is in place to protect County related data.

Outagamie County will supply the employee with appropriate office supplies (pens, printer ink, paper, etc.) as deemed necessary. Outagamie County will also reimburse the employee for business-related expenses, such as phone calls and mailing costs that are reasonably incurred in carrying out the employee's job.

The employee will establish an appropriate work environment within their home for work purposes. Outagamie County will not be responsible for support of personally owned equipment, costs associated with the setup of the employee's home office, such as remodeling, furniture or lighting, nor for repairs or modifications to the home office space. Outagamie County Information Technology Department will not provide technical support for personal equipment, even when co-mingled with county provided equipment. For liability reasons, Information Technology will also not remote into personal equipment and some technical issues for county equipment may need to be addressed onsite.

SECURITY



Employees must adhere to all Federal State and local confidentiality laws including *but not limited* to 45CFR160-164 Wis. Stat. §146.81 and .82 (HIPAA protected health information), Wis. Stat.

Chapters 51, 54 and 55 (Mental Health and Guardianship Information), and Wis. Stat. Chapters 48, 938, and 118 (Protected Juvenile Information). Employees who choose to operate under this agreement are responsible for ensuring that all confidential information deemed to be confidential under these or any other applicable state, federal or local law remains confidential. Maintaining confidentiality includes working in a location where third parties, including family members, will not be able to overhear or see confidential information in any format, written, verbal or electronic. Employees must also take steps to secure this information including the use of locked file cabinets and desks, regular password maintenance, and any other measures appropriate for the job and the environment.

SAFETY

Employees are expected to maintain their home workspace in a safe manner, free from safety hazards. Outagamie County will provide each telecommuter with a safety checklist that must be completed at least twice per year. Injuries sustained by the employee in a home office location and in conjunction with their regular work duties are normally covered by the company's workers' compensation policy. Telecommuting employees are responsible for notifying the employer of such injuries preferably by the end of the work shift, or as outlined in a departmental policy. The employee is liable for any injuries sustained by visitors to their home worksite.

Employee request forms and supervisor assessment forms can be found on the Human Resources webpage located on MyOC.

TERMINATION

The Human Resources Department wants terminations to be conducted accurately and efficiently for both the employee and Outagamie County. Based on the type of termination, certain information must be provided to Human Resources.

This section will define the steps required to process an employee's termination, whether it is an involuntary termination, voluntary termination, or retirement.

Involuntary Termination: Determination by the employer that the employee's services are no longer needed. Misconduct has occurred or the employee is unable to perform satisfactorily. Note: Does not include layoff which is considered a temporary arrangement with return to work possible.

Voluntary Termination: Determination by the employee where they desire to continue the employment relationship with Outagamie County no longer exists.

Retirement: Voluntary withdrawal from one's position with Outagamie County, similar to voluntary termination, but is retiring under the Wisconsin Retirement System and has at least 5 years of service with Outagamie County immediately prior to the retirement. An employee will only be considered to be retiring once from Outagamie County. If the employee returns to Outagamie County employment, any subsequent voluntary termination will be considered a resignation regardless of length of service.

INVOLUNTARY TERMINATION

Prior to termination, the Human Resources department will need to be contacted and a file review will need to be completed. No involuntary terminations can take place without approval from the Human Resources Director.

In the case of involuntary termination, a meeting should be scheduled with the employee, the employee's manager, and a member of the Human Resources team to discuss the details of the termination. If there are any safety concerns regarding the employee's reaction or behavior after notification, notify someone in the Sheriff's department in advance of the termination so a deputy can be placed on standby.

All involuntary terminations should be done with two persons present with the employee.

Prior to or immediately after, make arrangements for Information Technology to discontinue system access and to contact department IT resource to discontinue any department specific access.

Meet with the employee in a neutral area, such as a conference room. Inform the employee of their last day and termination reason.

Inform the employee that benefits information will be mailed to them and encourage the employee to contact the Employee Benefits Specialist for detailed benefits information. The exiting employee should also be given a copy of the Termination Frequently Asked Questions document.

Retrieve all keys, the ID badge, and any other county property before the exiting employee leaves the building.

Complete a Personnel Action in HR System to notify HR, Payroll, IT, and Maintenance. The Personnel Action should indicate if the employee is eligible for any normal payouts.

VOLUNTARY TERMINATION

Obtain a signed resignation from the employee indicating the employee's last day of work and complete a Personnel Action in HR System to notify HR, Payroll, IT, and Maintenance. The Personnel Action should indicate if the employee is eligible for any normal payouts.

Employees must provide two weeks' notice in order to be considered as Leaving in Good Standing. Direct the employee to the Leaving in Good Standing policy indicating what needs to be done or can be done their last two weeks.

Human Resources will contact the employee regarding an exit interview.

For employees subject to annual audiogram requirements, the supervisor will contact an appropriate medical provider to obtain an exit audiogram prior to the employee's last day of work. Contact the Risk Administrator for assistance.

TIME REPORTING

Accurately reporting time worked is the responsibility of every employee and their supervisor/manager. Outagamie County must keep an accurate record of time worked to calculate employee pay and benefits.

Accurate time reports showing all time actually worked or time to be paid are required. These records are required by governmental regulations and are used to calculate regular and overtime pay. At the end of each pay period, the employee and their supervisor must submit the time record attesting to its accuracy, before final submission for processing.

Highway Employees: Time and equipment used must be prepared by the employee daily and submitted to the foreman.

TOBACCO FREE WORKPLACE

A tobacco-free environment helps create a safe and healthy workplace. Outagamie County recognizes the hazards caused by tobacco use and exposure to second-hand tobacco smoke. Our goal is to provide a safe and healthy workplace environment for all employees and visitors.

No use of tobacco products including, but not limited to, cigarettes, e-cigarettes, and "spit tobacco" will be allowed within the facilities of Outagamie County, and employees must abide by department vehicle policies at all times.

Smoking or tobacco use shall be permitted only during break times and in designated smoking areas located at least 20 feet outside of the building entrance.

All materials used for smoking in designated smoking areas, including cigarette butts and matches, will be extinguished and disposed of in appropriate containers.

TRAVEL

Travel regulations as set forth herein are subject to approval by the Outagamie County Board of Supervisors. Included are mileage reimbursement rates, porterage tips, moving expenses, temporary lodging allowances, meals and lodging rates and other employee travel related

expenses. All travel paid or reimbursed to employees from county-administered funds must be done in compliance with these regulations, regardless of the funding source. Anticipated travel expenses are to be appropriated as part of the annual budget process.

Employees who travel are expected to exercise good judgment when incurring travel costs. An employee may be reimbursed for reasonable and necessary travel expenses actually incurred in the performance of official duties in accordance with the provisions herein. Reimbursement is generally limited to the most reasonable cost-effective transportation available.

A claimant shall not seek reimbursement for goods or services provided free of charge, not personally paid for by the claimant, reimbursed by another source, or which will be paid or reimbursed from another source. Any reimbursement which is received by the employee from another source for the same costs reimbursed by Outagamie County shall be deposited back to the county funding source which was initially charged.

Only travel expenses related to the conduct of Outagamie County business, including meetings, conferences, and other appropriate departmental activities, may be reimbursed.

See the My OC webpage http://myoc.org/departments/financial-services for additional details related to this policy.

UNPAID LEAVES OF ABSENCE

The reason for Unpaid Leaves of Absence is for the county to allow time off, flexibility for employees, or reduce county expenses by providing an opportunity for employees to voluntarily take time off without pay. Additionally, Unpaid Leaves of Absence may be required if an employee does not have any paid leave balances, as outlined below.

ELIGIBILITY

All full-time and part-time employees of Outagamie County. This leave is not to be used in lieu of Unpaid Medical Leave.

PROVISIONS

Typically, participation in the program is subject to approval of the employee's supervisor and/or department head when an employee has exhausted their paid leave balances.

Requests to take unpaid time off will be reviewed on a case-by-case basis and may be granted at the sole discretion of the county, department or division.

Leave may be granted as a continuous block of time or in 7.5, 8, or part-time hour increments. Less than eight-hour increments may be allowed at the discretion of the department head.

An employee's vacation, floating holiday and compensatory time balance(s) MUST be exhausted before they can utilize an unpaid leave of absence.

If an employee is ill and does not have paid sick leave available, the employee will be required to substitute and exhaust remaining vacation, floating holiday, and/or compensatory time balance(s) before becoming eligible for unpaid time off.

If the leave is initiated by the department, the employee's current benefits (i.e.: vacation and sick leave accrual, and county sponsorship of the insurance programs for which the employee is a current participant) and status (full-time or part-time at a specific proration) will be maintained.

If unpaid leave is not initiated by the department, benefit eligible employees will be responsible to ensure they are paid enough hours within a month to maintain health and dental benefits or will be responsible for the entire portion of the benefit contribution to maintain their benefits. Unpaid Leave may also affect the proration of a part time employee as unpaid hours are not counted into proration calculations. If the leave is two (2) weeks or longer and/or may affect the employee's ability to have ten (10) times their Factor worth of pay on their timesheet in a month, the Unpaid Leave of Absence Request Form must be completed and sent to Human Resources. The form may be found on the intranet.

If an observed holiday occurs during an employee's unpaid leave, or occurs either the normally scheduled work day(s) prior to and / or normally scheduled work day(s) following an observed holiday, the employee will not receive his/her normal holiday pay for that holiday. The holiday may be paid in the case of a department initiated leave.

Employees who are receiving Short Term Disability (STD) payments from the voluntary STD insurance plan must be on an Unpaid Medical Leave, if not already on FMLA, in conjunction with the STD. Similarly, employees are not eligible to be on another leave while on an unpaid leave of absence.

The county reserves the right to rescind or modify the program with or without notice, and at its sole discretion.

PROCESS

Employees requesting an unpaid leave of absence must notify their immediate supervisor of their need for leave and the day(s) requested. If the leave request is approved and this is the first time the employee is requesting an unpaid leave of absence, the supervisor must inform the payroll department to add this pay code to the employee's self-service timesheet.

If the absence is 2 weeks or longer an Unpaid Leave of Absence Form must be completed. Instructions for completion are on the form.

The employee must record time used as Unpaid Leave of Absence as part of the time reporting process.

UNPAID MEDICAL LEAVE

An employee who has exhausted or is not yet eligible for paid sick, vacation or compensatory time and who still is unable to work because of the employee's non-work related illness or injury may, upon prior written request may be granted an unpaid medical leave of absence not to

exceed six (6) months by the Human Resources Director (or their designee). Such leave may be extended up to an additional six (6) months by the Human Resources Director (or their designee) upon prior written request. Where it is impossible to make a prior written request, such request shall be made as soon as possible.

Such requests shall be submitted to Human Resources and shall be accompanied by a doctor's certificate substantiating the need for such medical leave of absence. An employee granted such medical leave under this provision shall be required, at the discretion of the Human Resources Director (or their designee), to furnish the county with a medical report from their doctor for each six (6) weeks of leave.

An employee who is on an extended medical leave of absence may be placed in a similar position within one (1) year with a doctor's certificate. While the county may rely upon the determination of the employee's doctor regarding the employee's request for a leave or any extension, or for the employee's return to work, it shall have the right to obtain a second opinion from another doctor, mutually agreed upon by the employee and the county, for any extension or return to work with which a final determination will be made. If the county requires a second opinion from another doctor, the county will pay the cost of such opinion. In the event a second doctor is not mutually agreed upon, the employee and the county shall each submit three (3) doctors qualified in the area of illness or injury involved. From those six (6) doctors, five (5) names will be drawn. The parties shall then proceed to alternately strike names from that panel until a doctor is selected. The striking order shall be determined by a coin toss.

Employees on an unpaid leave of absence because of such non-work related illness or injury who are enrolled in the group health and/or dental insurance program shall be permitted to continue their participation in such programs while on such leave, under the applicable COBRA provisions. The county shall pay the county's share of the premium for any month in which a full or part time employee received pay for at least ten (10) times their Factor in a month.

Employees on an unpaid leave of absence because of such non-work related illness or injury who are enrolled in the life insurance plan can elect up to twelve (12) months of continuation by paying the group rate premium to the County Treasurer by the twenty-fifth (25th) of the month for the following month's coverage. However, for absence caused by such non-work related illness or injury, the county shall pay the life insurance premiums during the elimination period for the waiver of life premium. The cessation of this county sponsorship for the life insurance plan shall be triggered by the end of the nine (9) month time frame, employee's return to work, denial of the waiver premium by the life insurance company, or death, whichever occurs first.

Employees on Unpaid Medical Leave while receiving Short-Term Disability payments are not able to use sick leave or vacation leave balances.

VACATION

Outagamie County recognizes the importance of time off from work to relax, spend time with family, and enjoy leisure activities. The county provides paid vacation time to full-time and benefit-eligible part-time employees for this purpose, and employees are encouraged to take vacation

during the year. Part-time employees who are regularly scheduled to work 20 or more hours per week will be eligible for paid vacation on a pro-rated schedule.

Vacation is determined by an anniversary year system, where on the anniversary date of hire, the employee is granted a new allotment of vacation benefit. The exact allotment granted is determined by the years of continuous service, the full-time/part-time status, and the employee's continuity of service.

Vacation benefits for full-time employees are accrued at the rate of one-twelfth (1/12th) of the employee's authorized vacation for each full month of employment in the previous anniversary year. A full month of employment is any month in which an employee received pay for at least ten (10) times the employee's Factor (Full Time Factors: 8 and 7.5; Part Time Factors: As assigned by Payroll or employee's department).

Part-time employees meeting the benefits-eligibility requirements of the county receive a pro-rated portion of the vacation allotment, according to actual time worked in relation to a full-time employee with the same number of continuous years of service. Vacation hours are determined on the employee's anniversary date of hire by Financial Services, taking into account the hours paid during the twenty-six (26) pay periods immediately prior to the anniversary date.

Vacation granted upon hire within the first year of employment may be adjusted if an employee takes a new position or posting. For example, if a part time employee takes a full time posting within the initial year of hire, his or her vacation balance will be increased based on the number of months in the full-time position. Conversely, for example, if a full time employee takes a part time position within the initial year of hire, his or her vacation will be reduced based on the number of months in the part time position.

Vacation can be taken at times mutually agreed upon by the employee and their supervisor. Employees are encouraged to take their vacation in half day, full day, or full week increments. However, a department head may allow vacation time to be used in as small as fifteen (15) minute increments.

An employee who presents an acceptable medical excuse from their physician as proof of illness, and which includes the dates of the illness, may have that portion of their vacation leave converted to available sick leave.

Vacation allowances are not cumulative from year to year. However, on those occasions when an employee has not used all their vacation allotment prior to reaching their anniversary date, a maximum of five (5) days will be automatically carried over into the employee's next anniversary year. Any accumulated vacation over five (5) days will only be carried over with written approval of the department head and Human Resources. Benefit eligible part-time employees vacation carryover will be prorated. This carry over vacation must be used prior to the employee's following anniversary.

Upon leaving in good standing from county service and following one (1) year of employment, an employee shall be paid for all unused vacation leave at the time of their leaving county employ due in the current anniversary year plus a pro-rated amount of vacation allowance due in the succeeding anniversary year, based on length of service subsequent to the employee's anniversary date. Leaving in good standing includes death and retirement and also voluntary termination, where the employee gives notice thereof at least fourteen (14) calendar days prior

thereto and remains in active employment during such fourteen (14) day period, and termination caused by layoff, but it does not include discharge for disciplinary reasons. Such pro-rated amount will be computed on the employee's eligibility as of the time of termination, during the second year – pro-ration of two weeks, etc. In the event of the death of the employee, any wages and vacation payments due the employee will be made by a check issued to the employee's life insurance beneficiary, or if none is designated, to the estate of the employee. If an employee does not participate in the life insurance program, the employee may specify a beneficiary with the Human Resources Department for purposes of this Section.

Those employees who terminate in good standing, following one year of service, will be paid for earned but unused and/or accrued vacation allowance. However, if the employee terminated employment prior to completing an anniversary year of continuous service, they are not eligible for any vacation payout. Employees satisfying the service criteria will receive payment for accrued vacation allowance on a pro rata basis from the previous anniversary date to the date of termination (computed to the nearest one-quarter (1/4) month) and based on their eligibility level as of the date of termination and the provisions of the definition of "full month", above.

Retiring employees may extend their final date of retirement up to 30 days, by using unused vacation days, provided they satisfy the adequate fourteen (14) day notice provisions.

Employees who are leaving in good standing must have any vacation requests for time off during their fourteen (14) day period of notice re-approved by their department head, and cannot have vacation as their last day of pay, unless the absence was pre-approved, due to medical leave, or the result of retirement.

Employees who are on Federal Family Medical Leave will be required to use their vacation accumulation if they remain off work and have exhausted their sick leave accumulation following their choice period, unless on short-term disability.

A full-time employee's earned vacation to be taken during their anniversary year is determined as of the anniversary date of employment. Service shall be construed as full-time regular service with the county, regardless of department.

Each department head/manager/supervisor shall approve vacation in accordance with operating requirements, and insofar as possible, based upon a request of the employee.

Below is a table outlining the vacation schedule for all employees.

	Upon Hire	After three years of service	After eight years of service	After 15 years of service
ALL EMPLOYEES (excluding DSA)	Two Weeks	Three Weeks	Four Weeks	Five Weeks

Revision Date: July 2024

VISION INSURANCE

The county offers single, employee plus one, employee plus children, and family voluntary vision insurance for those that are benefit eligible. Vision Insurance is paid 100% by the employee.

Vision insurance coverage provides an opportunity for employees to save money on routine vision exams, contacts, eyeglass frames, and lenses. Additional details regarding this benefit can be found on the Human Resources webpage.

VOLUNTARY SHARED LEAVE

The Outagamie County Human Resources Department administers a County Executive initiative called Voluntary Shared Leave which allows one employee to assist another employee by donating earned vacation in case of a prolonged, life-threatening medical condition or accident which exhausts the employee's available paid leave sources, i.e. sick leave, vacation, floating holiday and compensatory time, and forces the employee to be on a leave without pay.

Because Voluntary Shared Leave is a County Executive initiative, authorizations and approvals under this program are at the sole discretion of the County Executive.

This section of the handbook describes the conditions under which an employee may be eligible to receive or donate leave, the process of application for receipt or donation of leave, and provides forms for those purposes.

Voluntary Shared Leave is intended to be used by employees with a prolonged, life threatening medical condition and one that is likely to require an employee's absence from work for a prolonged time.

Voluntary shared leave does not apply to incidental, normal, and/or short-term medical conditions or illnesses. This includes conditions such as short-term, sporadic recurrence of chronic allergies or conditions; short-term or sporadic absences due to contagious disease; or short-term, recurring medical or therapeutic treatments. These examples are illustrative only, and are not intended to be all inclusive. Each case will be examined and decided based on its conformity to policy intent.

Voluntary shared leave is not intended to circumvent the requirement of management to have duties performed, or limit management's right to deny a request for leave without pay.

RESPONSIBILITY

Human Resources responsible for coordinating this program and interacting between the employees involved, the County Executive or their designee, and Payroll staff.

GUIDELINES

Donated hours can be used while an employee is on a Family and Medical Leave or unpaid Medical Leave as described in the Employee Handbook, or Collective Bargaining Agreement. When an employee is on unpaid Medical Leave and using shared leave, the income generated by the shared leave will not disqualify the employee from eligibility for the unpaid Medical Leave.

Revision Date: July 2024

Employees on worker's compensation are not eligible to participate in Voluntary Shared Leave as a recipient.

Employees who are receiving Short Term Disability (STD) payments from the voluntary STD insurance plan available through Outagamie County are not eligible to participate in Voluntary Shared Leave as a recipient.

Program participation is limited to 1,040 hours (prorated for part-time recipients), either continuously or, if for the same condition, on a recurring basis. Additional verification from the physician may be required. The number of hours of leave an employee can receive is equal to the projected recovery or treatment period (up to a maximum of 1,040 hours), less the employee's combined vacation and sick leave balance as of the beginning absence, including Family and Medical Leave.

The employee must exhaust all available vacation, sick leave, floating holiday, and compensatory time (comp time) before using any donated shared leave.

Shared leave ends when the employee returns to work, even for a part of the employee's regular shift. In the event that there is a balance of donated leave when the employee returns to work, the donated leave will be returned to the donator(s) in reverse order of the date the donation was received in Human Resources.

The establishment of a leave bank for use by unnamed employees is prohibited. Leave must be donated on a one-to-one personal basis.

An employee may not directly or indirectly make any attempt to intimidate, threaten, or coerce any other employee for the purpose of soliciting leave. Such action is considered a personal conduct issue and subject to disciplinary action, including dismissal.

All information from the applicant and the donator will be kept strictly confidential, including the identity of the donator. In the event the applicant wishes to divulge any information, medical or otherwise, they may do so. However, there will be no release of information by Outagamie County, Human Resources, or Payroll, with the exception of a short announcement if the recipient grants permission to disclose their information.

ELIGIBILITY

Any county employee who is eligible to accrue vacation may participate in this program and may apply to receive leave donations at any time when faced with a prolonged, life threatening medical condition.

A prolonged, life-threatening medical condition is one which has already or is likely to require an employee's absence from work for a prolonged period. A prolonged period is generally considered to be at least twenty (20) consecutive work days.

An exemption to the twenty (20) day requirement may be made if the employee has had previous, random, and excessive absences for the same condition as that for which shared leave is currently being requested; or if the employee has had a different but prolonged, life-threatening medical condition within the past twelve (12) months.

PROCESS

An eligible employee may apply to receive shared leave by submitting a completed Application to Receive Voluntary Shared Leave form to the Human Resources Department.

Only those applicants who currently have a zero balance in all paid leave accounts, i.e. sick leave, vacation, compensatory time, and floating holiday, will be considered.

The employee requesting the shared leave must provide a physician's statement describing the specific nature of the medical condition, prognosis, and the estimated recovery or treatment time. To do this, the employee can either attach such certification to the application form, or, in the event the employee is currently on Family and Medical Leave, they can choose to use the Health Care Provider Certification that justified that leave, so long as the date of the Family and Medical Leave Certification is within twelve weeks of the date of the Voluntary Shared Leave application. If an employee has used all of their Family and Medical Leave and is now applying for or is currently receiving unpaid Medical Leave, they must once again provide a certification from their physician justifying the need for the continued absence.

Human Resources will research the requesting employee's attendance history, provide information as to paid leave balances; and present the application form to the County Executive or their designee who will approve or deny the request.

The employee requesting the shared leave will be informed by Human Resources as to the results of the approval process.

DONATION PROCESS

Any eligible employee, i.e. one who currently has earned vacation in their vacation account, can donate vacation leave to another eligible employee. Attempts to donate sick leave, compensatory time or floating holidays will not be approved.

An employee may donate shared leave by submitting a completed Voluntary Shared Leave Donation form to the Human Resources Department.

An employee may not donate more than his/her available earned vacation amount.

The minimum allowable donation must be equal to the donator's full workday increments, whether in eight (8) hour, seven and one-half (7.5) hour, or prorated (part-time) blocks.

A full-time employee's donated hours, whether eight (8) hour or seven and one-half (7½) hour blocks, will be received by the full-time applicant in that same increment. That is, if an employee who normally works a seven and one-half (7½) hour day donates a day to an applicant who normally works an eight (8) hour day, the donation will be credited as seven and one-half (7½) hours. Likewise, if an eight (8) hour employee donates a day, it will be received by the seven and one-half (7½) hour recipient as eight (8) hours. In the event a part-time employee donates one of their regular days, for example a four (4) hour day, to a full-time employee, that recipient will receive four (4) hours. In the event a full-time employee donates an eight (8) hour day to a part-time employee, the part-time recipient will receive eight (8) hours. At no time will a recipient be paid for more than the number of hours they normally work. In all cases, donations will be credited to the first day the recipient has been unpaid. For example, if the recipient had unpaid days beginning June 2nd, and on July 10th they received a donation of one (1) day, that donation would be paid out on the current check cycle but credited to June 2nd.

Human Resources will confirm that an employee who wishes to donate earned vacation actually has the vacation, will coordinate the donation with Payroll, and will inform the employee that their donation has been accepted or rejected.

DISCLAIMER

The Voluntary Shared Leave Program is an initiative of the County Executive and may be continued or discontinued at any time and without recourse by the participants in this Program.

The form to request Voluntary Shared Leave can obtained from Human Resources.

VOLUNTEERS

Outagamie County recognizes the value of the contributions made by volunteers to the community and in support of county programs. However, volunteers also expose the county to potential risk and liability. Proactive risk management efforts can control and minimize liability exposures and help ensure that the use of volunteers is a positive experience for the volunteers, Outagamie County and its residents.

This section of the handbook sets forth minimum requirements for the use of volunteers in support of county objectives. Due to the nature of various volunteer programs throughout the county, additional steps, training or safeguards may be prudent or required and are not limited by this section.

A volunteer of Outagamie County is defined as an individual recognized and authorized by Outagamie County or one of its officials, agents or employees to perform services on behalf of Outagamie County without receipt of salary or compensation other than expense reimbursement.

RESPONSIBILITY

It is the responsibility of the management staff of each department utilizing volunteers to ensure the provisions of this section of the handbook are followed and that any additional steps, training or safeguards which would minimize exposure to liability are instituted.

The Human Resources Department, Risk Administrator, Corporation Counsel and other departments are available as needed to assist with evaluation of technical issues associated with the operation of the volunteer programs.

INSURANCE COVERAGES

General Liability. The county's general liability insurance policy provides that any expressly authorized volunteer of the county, while acting within the scope of their volunteer service, is covered by the policy, subject to its terms, conditions and exclusions.

If a volunteer's actions cause physical injury or property damage to another and the injured party files a claim against or sues the volunteer, the county or its insurer will defend the volunteer and be responsible for any financial judgment incurred, provided that the volunteer was acting within the scope of their responsibilities, gives notice of the claim to the county and cooperates in the defense or litigation.

Automobile Liability. The county's automobile liability insurance policy states that anyone operating a county owned vehicle with the permission of the county, or their personal vehicle while conducting county business, is an insured subject to policy terms, conditions and exclusions. However, when using a personal vehicle, the county's automobile liability coverage is secondary, or excess, over any other insurance available to the volunteer. Volunteers who use their own vehicle to conduct county business should confirm with their insurance provider that there is coverage for such use. The county does not provide any physical damage coverage for the volunteer's personal vehicle.

For any volunteer that is likely to drive in the course of their service, the Department is required to obtain and maintain on file a Certificate of Insurance or Insurance Identification Card that verifies automobile insurance coverage at least equal to the Wisconsin minimums. The Department will also obtain evidence of continued coverage if the volunteer's insurance expires during the term of service with the county. State minimums are listed on the Risk Administration website under the "Insurance Info" tab.

Volunteer Accident Policy. The county provides accident insurance to all volunteers which covers medical, dismemberment and death benefits to a maximum of $25,000 per occurrence along with a $1,000 dental benefit. These benefits are payable for an injury sustained while on the county premises and participating in authorized volunteer work or while traveling in connection with volunteer activities while under direct supervision of the county. The county does not provide any coverage for loss of income, permanent disability or other non-monetary damages or injuries.

Reporting. Volunteers must report all incidents/accidents related to their volunteer service to their supervisor as soon as possible and complete a Volunteer Report of Injury or Accident (Addendum 3) which must be forwarded to the Risk Administrator within 48 hours. Verbal notification to the Risk Administrator should be made as soon as possible.

MINIMUM PROCEDURAL REQUIREMENTS

All volunteer candidates should be screened and interviewed based on interests and suitability for the responsibilities of the assignment by the supervising department. References should be obtained, documented and retained.

Basic information will be collected and maintained by the supervising department or agency for all individuals retained as volunteers prior to the provision of any services on behalf of the county. The basic information will include: Name, Telephone Number, Address and Date of Application.

An Outagamie County Volunteer Information Form is attached (Addendum 1). Use of this particular form is optional. Based on the nature of the volunteer assignment, additional information may be required.

Criminal Background Investigations will be required for volunteers who are assigned tasks in which there will be unsupervised interaction with clients and/or where the handling of money or sensitive information is involved. The Human Resources Department will pay for Criminal Background Checks and will assist with processing the checks as necessary. Any questionable information obtained in a background check should be discussed with the Human Resources Department or Risk Administrator.

Motor Vehicle Operations Checks are required for all volunteers whose responsibilities will include driving any vehicle (county or personal) in the fulfillment of their assignments. Any check that

reveals an infraction within the past 3 years must be reviewed with the Risk Administrator. Details for completing Motor Vehicle Operations Checks can be found on the Risk Administration website under the "Insurance Info" tab.

The supervising department or agency will provide all volunteers with a written description of their responsibilities and duties and should include at a minimum: volunteer title, supervisor or point of contact, objective of the position, duties of the position, and requirements necessary to perform the duties. The supervising department or agency will control the time and activities of the volunteer and maintain records which will, at a minimum, indicate the beginning and end of volunteer service for each individual.

All volunteers should receive basic training on how to carry out their responsibilities. Based on the complexity and responsibility of the assignment, instruction will vary from an informal orientation to a formalized training program. Training will include safety issues and incident reporting information.

It will be the responsibility of the supervising department or agency to monitor the performance of volunteers and ensure that volunteers are performing up to standards and in the best interests of the county. Those not performing up to expectations will be relieved of their responsibilities.

RECORDS RETENTION

Records of each volunteer's basic information, begin and end dates, and any other pertinent information will be retained by the supervising department or agency for a period of seven years. In the event a juvenile is retained as a volunteer, those records will be kept for a period of seven years from the date the individual reaches the age of majority (18).

A copy of the Volunteer Form can be obtained from Human Resources.

WHISTLEBLOWER PROTECTIONS

A whistleblower as defined by this policy is an employee of Outagamie County who reports an activity that they consider to be illegal or dishonest to one or more of the parties specified in this Policy. The whistleblower is not responsible for investigating the activity or for determining fault or corrective measures; appropriate management officials are charged with these responsibilities.

Examples of illegal or dishonest activities include but are not limited to violations of federal, state or local laws; billing for services not performed or for goods not delivered; and other fraudulent financial reporting.

If an employee has knowledge of or a concern of illegal or dishonest fraudulent activity, the employee is to contact the Human Resources Director or their designee. The employee must exercise sound judgment to avoid baseless allegations. An employee who intentionally files a false report of wrongdoing will be subject to discipline up to and including termination.

Whistleblower protections are provided in two important areas – confidentiality, and anti-retaliation. Insofar as possible, the confidentiality of the whistleblower will be maintained. However, identity may have to be disclosed to conduct a thorough investigation, to comply with the law and to provide accused individuals their legal rights of defense. Outagamie County will not retaliate against a whistleblower. This includes, but is not limited to, protection from retaliation in the form of an adverse employment action such as termination, compensation decreases, or poor work assignments and threats of physical harm. Any whistleblower who believes they are being retaliated against must contact the Human Resources Director immediately. The right of a whistleblower for protection against retaliation does not include immunity for any personal wrongdoing that is alleged and investigated.

In the event that such a report requires disclosures of trade secrets, the DTSA provides for immunity to the employee for certain disclosures of trade secrets.

Pursuant to 18USC1893(3) and Wis. Stat. § 134.90(1)(c), the term "trade secret" means all forms and types of financial, business, scientific, technical, economic, or engineering information, including patterns, plans, compilations, program devices, formulas, designs, prototypes, methods, techniques, processes, procedures, programs, or codes, whether tangible or intangible, and whether or how stored, compiled, or memorialized physically, electronically, graphically, photographically, or in writing if— (A)the owner thereof has taken reasonable measures to keep such information secret; and (B)the information derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable through proper means by, another person who can obtain economic value from the disclosure or use of the information.

Defend Trade Secrets Act (DTSA) Compliance: "Immunity from Liability for Confidential Disclosure of a Trade Secret to the Government or in a Court Filing:

(1) Immunity—An individual shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a federal, state or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.

(2) Use of Trade Secret Information in Anti-Retaliation Lawsuit—An individual who files a lawsuit for retaliation by an employer for reporting a suspected violation of law may disclose the trade secret to the attorney of the individual and use the trade secret information in the court proceeding, if the individual—(A) files any document containing the trade secret under seal; and (B) does not disclose the trade secret, except pursuant to court order."

WISCONSIN RETIREMENT SYSTEM

Employees expected to work 1200 hours and at least one year are eligible to participate in the Wisconsin Retirement System (WRS) as administered by Employee Trust Fund (ETF). This State-

administered program covers employees from the first day in a qualifying position; however, employees hired on or after July 1, 2011 will be subject to a five (5) year vesting requirement.

The retirement plan consists of two parts: an employee-required portion and an employer-required portion. Outagamie County pays the employer portion, and employees are responsible for paying the employee-required portion. However, Sheriff's Department protective status management staff hired prior to July 1, 2011 will have the same Wisconsin Retirement System contribution arrangement as the Deputy Sheriff's Association. Contribution rates are determined by the Trust Funds Board and are subject to change.

A separation benefit from the Wisconsin Retirement Fund can be taken upon termination of employment. The termination must occur any time prior to age 55 for general category employees, or if over 55, a separation benefit would be available to participants who are not vested. A separation benefit is a lump sum withdrawal of the employee contribution balance which will include all employee contributions (whether deducted from the employee's salary or paid on the employee's behalf by the county) plus accumulated interest. The employer-required contributions are forfeited.

On retirement, employees vested in the Wisconsin Retirement System can apply for a lifetime monthly annuity based on the plan's available formula calculation or other options as allowed by ETF. Employees severing their employment status with the county should contact the Human Resources Department to obtain the applicable forms and information regarding their retirement account. Retiring employees are encouraged to contact ETF at least six (6) months in advance of their anticipated retirement date.

WORK WEEK AND HOURS

Outagamie County maintains work hours which are compatible with state law, departmental functions, and the maintenance of effective work schedules. The county reserves the right to modify the normal schedule of hours.

Each payroll period is two weeks long, beginning on a Sunday and ending on a Saturday, and is known as a bi-weekly payroll, with the exception of certain Highway employees who are on a semi-monthly schedule. Payday for most county employees is every other Friday.

With the exception of Section 7(k) Sheriff Department employees, the normal work day for regular full-time employees shall generally be 7.5 - 8 hours and a normal work week shall generally be 37.5 - 40 hours. Employees on a 37.5 hour work week schedule shall be compensated at straight-time pay for all hours worked between thirty-seven and one-half (37.5) and forty (40) hours per week.

Brewster Village: Full-time regular Brewster Village employees shall work a normal day of eight (8) hours and a normal work period of forty (40) hours or eighty (80) hours, depending on assignment. Brewster Village nursing staff will receive a shift differential as defined on the wage schedule. The work schedule will be posted at least two (2) pay periods in advance and posted on the respective neighborhoods. In the event of a layoff, the work schedule shall be made two (2) weeks in advance of the effective date of the layoff and posted on the respective neighborhoods. Any deviation from this schedule, if requested by an employee, shall be the

responsibility of the employee to have someone to work in their place as long as it does not involve overtime pay. Exceptions may be made in cases of illness, bereavement leave, or vacation.

Sheriff's Department: The normal work week for full-time employees classified as Telecommunicator, Correctional Officer, and Jail Operations Assistant will typically be 5 on – 2 off, 5 on – 3 off, and the normal work day for such employees shall consist of an eight and one-third (8.20) hour shift. Shifts for Communication Center Personnel and Jail Operations Assistants shall be assigned as determined by the county. Other assignments to the various shifts may be made by the county as needed.

WORKER'S COMPENSATION

It is the policy of the Outagamie County to provide a workers' compensation program at no cost to employees. This program covers any injury or illness sustained in the course of employment.

Workers' compensation is a "no-fault" system that provides compensation for reasonable medical expenses and wage losses to employees who are injured or who become ill because of employment.

Outagamie County has self-funded workers' compensation insurance with a third-party claims administrator. The insurance provides coverage for related medical and rehabilitation expenses and a portion of lost wages to employees who sustain an injury on the job. Worker's Compensation begins on the employee's first day of work.

The County abides by all applicable state workers' compensation laws and regulations.

If an employee sustains a job-related injury or illness, the employee is required to notify the Supervisor and/or Risk Administration. The employee will complete and sign an Injury Report. The Supervisor will also complete an injury report and return both the employee's and their form to the Risk Administrator who will file the claim. In cases of true medical emergencies, the employee should report to the nearest emergency room and notify his or her supervisor as soon as possible.

In the case of serious work-related injury which requires the employee to leave work to seek medical attention on the date of the injury, a full day's pay will be allowed for the first day, regardless of what time of day the injury was sustained after the official starting time. Per Wisconsin statutes, Chapter 102, if an employee misses work due to a work injury (or work illness), workers' compensation will pay up to two-thirds of the employee's gross average weekly wage. A three-day waiting period may apply. To receive any wage benefit, missed time must be authorized by the employee's treating physician.

No employee will be allowed to take sick leave for an occupational injury except as cited above, as per ruling of the Wisconsin Division of Workers' Compensation. Compensation is always paid on legal holidays falling on a work day, and when an employee is off work due to an injury over a holiday, they cannot receive holiday pay from the County. Compensation is figured at six (6) days per week.

If an employee returns to work after an injury and they have to go back to their doctor for treatment or checkup, such time can be charged to sick leave. If any employee is off from work at the close of the year because of occupational injury and still has unused vacation time, such time can be taken in the following year, with authorization from the Administrator.

During the time an employee is receiving temporary-total Worker's Compensation benefits, the County will continue paying its share of the Health Insurance premium, for a maximum of twelve (12) months.

Worker's Compensation Differential Pay for Correctional Officers, Telecommunicators, Process Servers, Operations Assistants & Records Specialists (former OCJCA employee group): In the event a full time employee becomes entitled to and receives Worker's Compensation payments for temporary-total or temporary-partial disability under Chapter 102 of Wisconsin Statutes, the employee's Worker's Compensation payments will be supplemented so that the employee will receive eighty percent (80%) of their full salary during said period up to a maximum of twenty-six (26) calendar weeks from the date of the original injury or illness. This shall be accomplished by the County paying the employee the difference between the employee's Worker's Compensation check and the employee's normal salary for the period covered by said Worker's Compensation check. For purposes of this paragraph only, an employee shall be considered as entitled to Worker's Compensation payments for temporary-total or temporary-partial disability during the first three (3) days of any illness or injury, notwithstanding the provisions of Chapter 102 of Wisconsin Statutes. Part time employees in these positions do not qualify for this differential pay.

Workers' compensation benefits (paid or unpaid) will run concurrently with the Family and Medical Leave Act, if applicable, and where permitted by state and federal law.

Information on how to report an injury can be found on the Risk Administration webpage http://myoc.org/home/showpublisheddocument/4646/638047862218330000

GLOSSARY OF TERMS

The following definitions are in alphabetical order and are presented here as resources for your use as you use the handbook.

Active Employment: Performing actual work for the county for which the employee receives pay.

Adjusted Date of Hire: A date used as a starting point to track such things as time in grade, position, and employment status.

Allocation: The assignment of a position to a class.

Anniversary Date: The date an employee begins county employment. Also known as "Date of Hire".

Board: The Outagamie County Board of Supervisors.

Class: One or more positions which are sufficiently alike in duties and responsibilities to warrant using the same title, similar qualifications, selection processes and the same pay range.

Class Specification: A written description of a class containing the class title, a general statement of the duties and responsibilities, examples of typical duties performed, and minimum qualifications required.

Class Title: The official designation or name of the class as stated in the class specification. The class title shall be used on all personnel records and other official personnel actions.

Classification Plan: The sum total of all job class specifications in the county service and a system showing salary and classification relationships.

Compensatory Time: The hours absent from duty granted to compensate for authorized overtime worked.

Continuous Service: The total length of employment with the county without break or interruption.

Demotion: The assignment of an employee from one class to another class with a lower pay range.

Department: A unit of government having a separate operational budget, usually reporting directly to the County Executive.

Department Head: A county official with the responsibility for the operation of a county department and that department's budget.

Disciplinary Action: The action taken to discipline an employee for cause which may include any action from a verbal reprimand up to and including discharge.

Domestic Partner: A person with whom an employee shares a committed relationship akin to marriage. This relationship is characterized by mutual financial interdependence and a shared residence, and typically involves a level of emotional and physical commitment similar to that found in a traditional marriage. Domestic partners may or may not be legally married or have registered their partnership, depending on local laws and regulations.

Effective Date: The date at the beginning of a payroll period on or following the eligibility date for which a change in pay is to be implemented.

Eligible: A person certified as meeting the training, experience, and skill requirements and as successfully completing all parts of the selection process when formal selection devices are used.

Eligibility Date: The date an employee becomes eligible for benefits and/or change in salary.

Eligibility List: A list of persons eligible to fill positions in a particular job class.

Emergency Appointment: An appointment not to exceed thirty calendar days which may be made in case of unforeseen emergency and when necessary to prevent impairment of county service.

Employee: An individual who is employed by the county and is paid in part or whole through the county payroll. This specifically excludes leased, employment agency and independent contractors.

Employee Complaint: A formal employee complaint regarding alleged poor working conditions, unjust application of discipline, or unfair application or violation of the personnel rules and regulations of the county or the department for which the employee works.

Entrance Pay Rate: The rate at which an individual not currently on the payroll will normally be paid upon joining the county service.

Full Month of Service: Minimum of ten (10) times an employee's Factor (Full Time Factors: 8 and 7.5; Part Time Factors: As assigned by Payroll or employee's department); 10 is derived from 10 days of service in a month.

Immediate Family: Unless otherwise defined, includes spouse, domestic partner, child, parent, brother, sister, mother-in-law, father-in-law, sister-in-law, brother-in-law, daughter-in-law, son-in-law, grandparent, stepparent, stepchild, stepbrother, or stepsister.

Jurisdictional Committee: That committee established by the County Board to be the policy and budget oversight committee for a particular department.

Layoff: The involuntary separation of an employee because of lack of work, lack of funds, or the abolishment of a position.

Leave: An authorized absence from regularly scheduled work hours which has been approved by proper authority.

Overtime: Time an employee is directed and authorized to work in excess of forty (40) hours in one work week, or other hours as determined by Federal or State law for applicable law enforcement or Brewster Village staff.

Pay Plan: A schedule of pay ranges for all classes of positions in the county service.

Pay Range: The minimum and maximum rates of pay established for each class of positions.

Position: A grouping of duties and responsibilities to be performed by an employee. A position may be filled or vacant, full-time or part-time, regular or temporary.

Promotion: The assignment of an employee from one class to another class with a higher pay range.

Reclassification: The reassignment of a position from one class to another to recognize a change in the duties and responsibilities of a position or to correct an error in the original assignment.

Reinstatement: The action by which a former employee may be reinstated to a position with pay and/or fringe benefits comparable to that received at the time of separation or as may be appropriate at the time.

Reprimand: A written notice to an employee that the supervisor believes a deficiency exists in the employee's work performance or conduct and improvement is needed, which is filed in the employee's Human Resources Department personnel file.

Supervisor: The person responsible for the assignment, direction and evaluation of the work of another employee.

Termination: The removal of an employee from the payroll for voluntary, or involuntary reasons, including dismissal, resignation, retirement, or death.

Transfer: The assignment of an employee from one position to another in the same class or to a class with the same pay range.

Vacancy: A duly created position which is not occupied and for which funds have been provided.

Revision Date: July 2024

I, Kelly Gerrits, County Clerk for the County of Outagamie Wisconsin do hereby certify that the foregoing is a true and correct copy of the July 23, 2024 County Board Minutes approved by a majority vote at a meeting of the County Board on August 27, 2024 and recorded in the minutes of said meeting a quorum of members being present.

In testimony whereof, I have hereunto set my hand and the seal of the County of Outagamie, Wisconsin, this 28th Day of August, 2024.

/s/ Kelly Gerrits
County Clerk

Please call the Outagamie County Clerk's Office (832-5077) if you would like further elaboration of these minutes.

RUN: September 9, 2024

* * MINUTES * *
* * OUTAGAMIE COUNTY BOARD * *

Office of the County Clerk, August 27, 2024.

The Board met pursuant to adjournment, and was called to order by Chairperson Gabrielson at 7:03 p.m. in the County Board Room, located at 320 South Walnut Street, Appleton, Wisconsin.

ROLL CALL: 35 present, 1 absent. Members present: Thompson, Johnson, Smith, Patience, Gabrielson, Kostelny, Hammen, Lawrence, Krueger, Lamers, Ferguson, McCabe, Wegand, Hermes, MacDonald, Croatt, Spears, Heiser, Mitchell, Cuff, Hagen, Klemp, Thiede, Janke, Weinberg, Culbertson, Monfils, Winterfeldt, Nejedlo, Clegg, Thyssen, VanderHeiden, Rettler, Koury, and Lautenschlager. Members absent: Supervisor Schroeder.

The Board Chairperson requested the Board's confirmation to excuse Supervisor Schroeder. No objections; so ordered.

The Pledge of Allegiance was led by Chairperson Gabrielson.

MINUTES OF THE JULY 23, 2024 COUNTY BOARD MEETING
Supervisor Patience moved, seconded by Supervisor Culbertson, to approve the minutes of the July 23, 2024, County Board meeting.

ROLL CALL: 33 yes, 2 abstain (MacDonald, Thiede), 1 absent. MINUTES OF THE JULY 23, 2024, COUNTY BOARD MEETING ARE APPROVED.

SPECIAL ORDER OF BUSINESS – None.

ESTABLISH ORDER OF THE DAY – Chairperson Gabrielson reported the request to have the Parks Director and Veterans Service Officer appointments and Resolution Nos. 46 and 47 —2024-25 locked in at the meeting.

Supervisor Spears requested to have Resolution No. 48 —2024-25 locked in at the meeting due to timing.

Chairperson Gabrielson asked for unanimous consent to handle all reconsiderations and lock ins at the end of the meeting as noted. No objections; so ordered.

COMMUNICATIONS –

Chairperson Gabrielson summarized the following communications:

- There are twelve outstanding County Board Supervisors who still need to complete the July 2024 security awareness training. This training should be completed by the end of August; any questions can be posed to Legislative Services. Two supervisors still need to complete the May 2024 cyber security training. Chairperson Gabrielson emphasized the importance of completing the trainings, as they are a way to continue to help with remediation and recovery efforts, and align the County to be in compliance with its cyber security insurance.

- Chairperson Gabrielson recognized the following County Board Supervisor birthday: Supervisor Lamers (8/29).
- The approved 2024 County Budget is now available on the Legislative Services page.
- Password e-mail reset instructions are available in each County Supervisor's mailbox slot in the Legislative Services office.
- Chairperson Gabrielson introduced Valerie Neuman, Chief Deputy County Clerk, who started with the County Clerk's Office in July 2024.
- Chairperson Gabrielson commended County Clerk Gerrits and her staff on the successful completion of the August Partisan Primary Election and Canvassing.

PUBLIC PARTICIPATION IS LIMITED TO ONLY MATTERS LISTED ON THE AGENDA AND FOR A TOTAL OF FIFTEEN MINUTES WHICH MAY BE EXTENDED TO 30 MINUTES AT THE DISCRETION OF THE CHAIR –

Robert Kramer, W6461 Summer Wind Lane, Greenville, WI – Spoke to the County Board of Supervisors in opposition to Resolution No. 46—2024-25.

APPOINTMENTS –

County Executive Nelson nomination for appointment of Justin Schumacher as Parks Director.

Supervisor Croatt moved, seconded by Supervisor Clegg, for confirmation of the above-listed appointment.

Supervisor Spears moved, seconded by Supervisor MacDonald, to suspend County Board rules and allow Human Resources Director, Valarie Wunderlich, address the Board.

ROLL CALL: 35 yes, 1 absent. JUSTIN SCHUMACHER IS APPOINTED AS PARKS DIRECTOR.

County Executive Nelson nomination for appointments of Phil Anhalt, Denise Chorne, Andrew Olson, and the reappointment of Chris Shea to the Local Emergency Planning Committee; terms expire June 30, 2027.

Supervisor Kostelny moved, seconded by Supervisor Thiede, for confirmation of the above-listed appointments and reappointment.

ROLL CALL: 35 yes, 1 absent. PHIL ANHALT, DENISE CHORNE, AND ANDREW OLSON ARE APPOINTED AND CHRIS SHEA IS REAPPOINTED TO THE LOCAL EMERGENCY PLANNING COMMITTEE.

County Executive Nelson nomination for appointment of Michelle Uitenbroek to the Department of Recycling and Solid Waste and Highway Department Facility and Land Use Oversight Committee; for the duration of the project.

Supervisor Thiede moved, seconded by Supervisor Krueger, for confirmation of the above-listed appointment.

ROLL CALL: 35 yes, 1 absent. MICHELLE UITENBROEK IS APPOINTED TO THE DEPARTMENT OF RECYCLING AND SOLID WASTE AND HIGHWAY DEPARTMENT FACILITY AND LAND USE OVERSIGHT COMMITTEE.

County Executive Nelson nomination for appointment of Kelly "Kell" Bales as Veterans Service Officer.

Supervisor Kostelny moved, seconded by Supervisor Janke, for confirmation of the above-listed appointment.

ROLL CALL: 35 yes, 1 absent. KELLY "KELL" BALES IS APPOINTED AS VETERANS SERVICE OFFICER.

County Board Chair Gabrielson nomination for appointment of Karen Lawrence to the Department of Recycling and Solid Waste and Highway Department Facility and Land Use Plan Oversight Committee; term expires April 2026.

Supervisor Koury moved, seconded by Supervisor Patience, for confirmation of the above-listed appointment.

VOICE VOTE CARRIED UNANIMOUSLY. KAREN LAWRENCE IS APPOINTED TO THE DEPARTMENT OF RECYCLING AND SOLID WASTE AND HIGHWAY DEPARTMENT FACILITY AND LAND USE PLAN OVERSIGHT COMMITTEE.

REPORT BY THE COUNTY EXECUTIVE –
County Executive Nelson provided an Administrative update.

Supervisor questions and comments followed.

UNFINISHED BUSINESS – None.

NEW BUSINESS – *NOTE: The minutes that follow list the synopsis of the ordinances/resolutions and roll calls. At the end of this set of minutes, the scanned copies of the each ordinance/resolution will be appended along with the physical roll call.*

Resolution No. 40—2024-25 – Agriculture, Extension Education, Zoning, and Land Conservation Committee. Approve the Land Conservation Department to accept and expend $108,575 Reserve Funds from the Wisconsin Department of Agriculture, Trade and Consumer Protection as a landowner cost sharing project at Olson's Best Dairy waste storage project site; and increase the line items of Cost-Share for the Land Conservation Grant and Landowner Payment by $108,575 each, as noted on the attached fiscal note.

Supervisor Vanderheiden moved, seconded by Supervisor Rettler, for adoption.

ROLL CALL: 35 yes, 1 absent. RESOLUTION NO. 40—2024-25 IS ADOPTED.

Resolution No. 41—2024-25 – Highway, Recycling and Solid Waste Committee. Authorize the County Highway Commissioner to enter into a State/Municipal Financial Agreement for the I-41 salt shed project, as noted on the attached State/Municipal Financial Agreement for a State-Let Highway Project, and the county share of the project costs to be included in future budgets, as noted on the attached fiscal note.

Supervisor Clegg moved, seconded by Supervisor Nejedlo, for adoption.

ROLL CALL: 35 yes, 1 absent. RESOLUTION NO. 41—2024-25 IS ADOPTED.

Resolution No. 42—2024-25 – Highway, Recycling and Solid Waste Committee. Authorize the Highway Commissioner to enter into a State/Municipal Financial Agreement for the County J interchange improvement project, as noted on the attached State/Municipal Financial Agreement for a State-Let Highway Project, and the county share of the project costs to be included in future budgets, as noted on the attached fiscal note.

Supervisor Hagen moved, seconded by Supervisor Croatt, for adoption.

ROLL CALL: 35 yes, 1 absent. RESOLUTION NO. 42—2024-25 IS ADOPTED.

Resolution No. 43—2024-25 – Highway, Recycling and Solid Waste Committee. Authorize the Highway Commissioner to enter into a State/Municipal Financial Agreement for the County U interchange and I-41 mainline improvement projects, as noted on the attached State/Municipal Financial Agreement for a State-Let Highway Project, and the county share of the project costs to be included in future budgets, as noted on the attached fiscal note.

Supervisor Clegg moved, seconded by Supervisor Croatt, for adoption.

ROLL CALL: 35 yes, 1 absent. RESOLUTION NO. 43—2024-25 IS ADOPTED.

Resolution No. 44—2024-25 – Highway, Recycling and Solid Waste Committee. Authorize the Highway Commissioner to enter into a State/Municipal Financial Agreement for the I-41 mainline improvement project, as noted on the attached State/Municipal Financial Agreement for a State-Let Highway Project, and the county share of the project costs to be included in future budgets, as noted on the attached fiscal note.

Supervisor Wegand moved, seconded by Supervisor Nejedlo, for adoption.

ROLL CALL: 35 yes, 1 absent. RESOLUTION NO. 44—2024-25 IS ADOPTED.

Resolution No. 45—2024-25 – Health and Human Services Committee. Approve the County Department of Health and Human Services to solicit for donations from the community for the programs listed on this resolution and the attached Solicitation of Donations Policy and Procedure and Record of Donation Form that shall be used by all Department of Health and Human Services units, divisions, and programs within the department.

Supervisor McCabe moved, seconded by Supervisor Johnson, for adoption.

ROLL CALL: 27 yes, 8 no (Lamers, Hermes, Mitchell, Klemp, Janke, Winterfeldt, Clegg, Lautenschlager), 1 absent. RESOLUTION NO. 45—2024-25 IS ADOPTED.

Resolution No. 46—2024-25 – Legislative/Audit and Human Resources Committee. Approve an in-year Table of Organization request to add two (2) part-time Driver positions and reclassify one (1) full-time Maintenance Lead position, effective September 8, 2024, for Brewster Village, with no budget adjustment needed, as noted on the attachments.

Supervisor Spears moved, seconded by Supervisor Kostelny, for adoption.

ROLL CALL: 33 yes, 1 no (Winterfeldt), 1 abstain (Mitchell), 1 absent. RESOLUTION NO. 46—2024-25 IS ADOPTED.

Resolution No. 47—2024-25 – Property, Airport, Recreation and Economic Development Committee. Authorize granting We Energies an easement for the area described as strips of land twelve feet in width, being part of the Grantor's land for parcels 311931406, 311931411, and 311931410, in the City of Appleton (Plamann Park); as shown on the attached Distribution Easement Underground and Temporary Exhibit A.

Supervisor Culbertson moved, seconded by Supervisor Monfils, for adoption.

ROLL CALL: 35 yes, 1 absent. RESOLUTION NO. 47—2024-25 IS ADOPTED.

Resolution No. 48—2024-25 – Legislative/Audit and Human Resources Committee. Approve transferring $5,600 from the Human Resources Salaries line item to the Human Resources Capital Outlay line item to upgrade chairs and the department conference room for video conference capabilities, as noted on the attached fiscal note.

Supervisor Spears moved, seconded by Supervisor Ferguson, for adoption.

ROLL CALL: 35 yes, 1 absent. RESOLUTION NO. 48—2024-25 IS ADOPTED.

Supervisor VanderHeiden requested to have Resolution No. 40—2024-25 locked in due to timing.

RECONSIDERATION OF APPOINTMENTS JUSTIN SCHUMACHER, PARKS DIRECTOR, AND KELLY "KELL" BALES, VETERANS SERVICE OFFICER.

Supervisor Patience moved, seconded by Supervisor MacDonald, to reconsider the above listed appointments.

Vote for reconsideration. ROLL CALL: 35 yes, 1 absent. APPOINTMENTS FOR JUSTIN SCHUMACHER, PARKS DIRECTOR, AND KELLY "KELL" BALES, VETERANS SERVICE OFFICER ARE RECONSIDERED.

Vote for lock in. ROLL CALL: 35 yes, 1 absent. APPOINTMENTS FOR JUSTIN SCHUMACHER, PARKS DIRECTOR, AND KELLY "KELL" BALES, VETERANS SERVICE OFFICER ARE ADOPTED & LOCKED IN.

Supervisor Thiede moved, seconded by Supervisor MacDonald, to have Resolution Nos. 40, 46, 47, and 48 —2024-25 reconsidered and locked in separately.

RECONSIDERATION OF RESOLUTION NO. 40 —2024-25.
Supervisor VanderHeiden moved, seconded by Supervisor Mitchell, to reconsider the above listed resolution.

Vote for reconsideration. ROLL CALL: 34 yes, 1 no (Thiede), 1 absent. RESOLUTION NO. 40 —2024-25 IS RECONSIDERED.

Vote for lock in. ROLL CALL: 35 yes, 1 absent. RESOLUTION NO. 40 —2024-25 IS ADOPTED & LOCKED IN.

RECONSIDERATION OF RESOLUTION NO. 46 —2024-25.

Supervisor Smith moved, seconded by Supervisor Thiede, to reconsider the above listed resolution.

Vote for reconsideration. ROLL CALL: 33 yes, 1 no (Winterfeldt), 1 abstain (Mitchell), 1 absent. RESOLUTION NO. 46 —2024-25 IS RECONSIDERED,

Vote for lock in. ROLL CALL: 34 yes, 1 abstain (Mitchell), 1 absent. RESOLUTION NO. 46 —2024-25 IS ADOPTED & LOCKED IN.

RECONSIDERATION OF RESOLUTION NO. 47 —2024-25.

Supervisor Krueger moved, seconded by Supervisor Patience, to reconsider the above listed resolution.

Vote for reconsideration. ROLL CALL: 34 yes, 1 no (Thiede), 1 absent. RESOLUTION NO. 47 —2024-25 IS RECONSIDERED,

Vote for lock in. ROLL CALL: 35 yes, 1 absent. RESOLUTION NO. 47 —2024-25 IS ADOPTED & LOCKED IN.

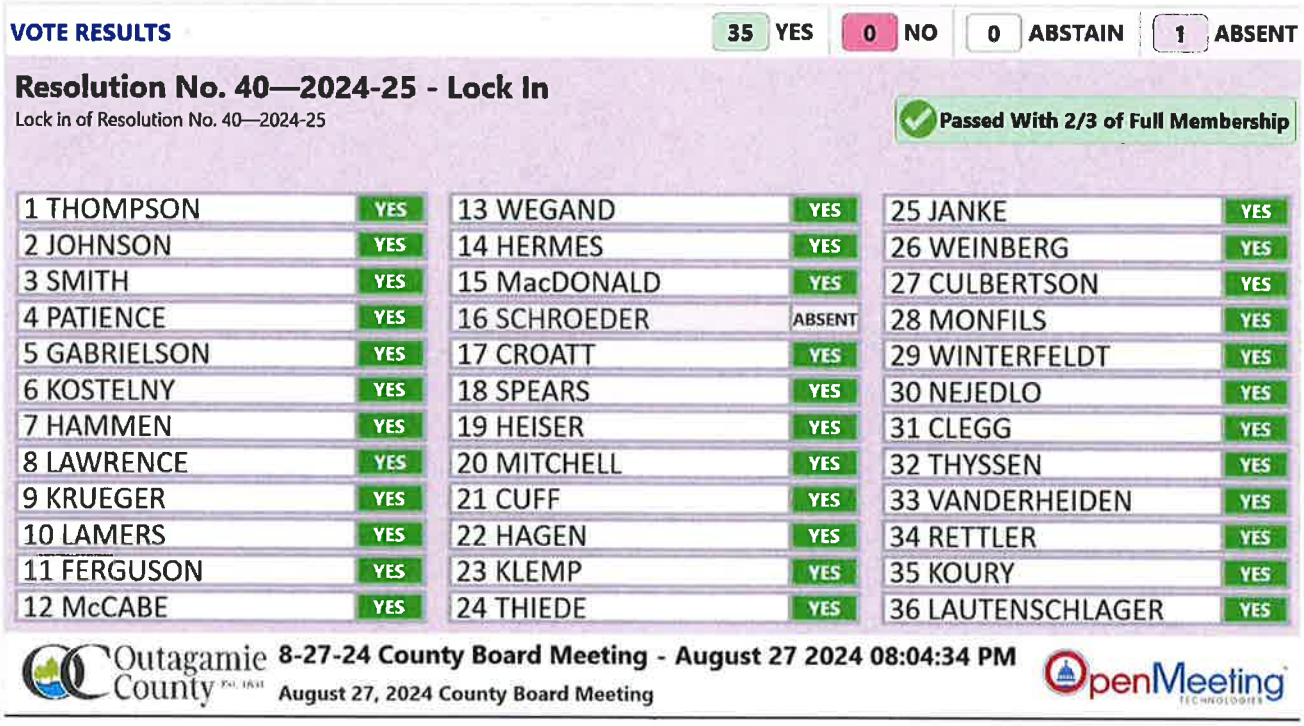
RECONSIDERATION OF RESOLUTION NO. 48 —2024-25.

Supervisor Smith moved, seconded by Supervisor Lautenschlager, to reconsider the above listed resolution.

Vote for reconsideration. ROLL CALL: 34 yes, 1 no (Thiede), 1 absent. RESOLUTION NO. 48 —2024-25 IS RECONSIDERED,

Vote for lock in. ROLL CALL: 35 yes, 1 absent. RESOLUTION NO. 48 —2024-25 IS ADOPTED & LOCKED IN.

REPORTS – None.



ADJOURNMENT
Supervisor MacDonald moved, seconded by Supervisor Lawrence to adjourn until September 10, 2024 at 7:00 p.m. VOICE VOTE CARRIED UNANIMOUSLY.

The meeting adjourned at 8:10 p.m.

8-27-24 County Board Meeting - August 27 2024 07:42:01 PM

August 27, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 40—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***2/3 MAJORITY – 24 VOTES***

The Outagamie County Land Conservation Department (LCD) has been awarded $108,575 in engineering reserve funds from the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP). The funds will be used to address issues identified at Olson's Best Dairy waste storage project site and will be a landowner cost sharing project.

NOW THEREFORE, the undersigned members of the Agriculture, Extension Education, Zoning, and Land Conservation Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve the Land Conservation Department to accept and expend $108,575 Reserve Funds from the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) as a landowner cost sharing project at Olson's Best Dairy waste storage project site, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize and approve of increasing the Land Conservation Cost-Share Grant line item and Landowner Cost-Share Payment line item by $108,575 each as noted on the attached fiscal note which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Land Conservation Department Director and the Outagamie County Finance Director.

Dated this 27th day of August 2024

OUTAGAMIE COUNTY FISCAL NOTE

INTRODUCTION: This form must be attached to any resolution or ordinance which contains a spending or revenue proposal. The form should be completed by an individual within the department initiating the resolution or ordinance with assistance from the Financial Services Department. Contact the Finance Director (1675), Controller (1674) or Staff Accountant (1681) for assistance. Once completed, forward a copy of the form to the Financial Services Department for their review. Financial Services will forward a reviewed copy of the fiscal note to Legislative Services.

1. **Subject:** LCD Request to accept and expend DATCP Reserve Funds 2024

2. **Description:** This section must be completed for all fiscal notes. Briefly and concisely describe the request. State assumptions used and discuss any current year and long-term fiscal impacts. (A separate attachment can be used)

Land Conservation has been awarded DATCP Reserve Funds in the amount of $108,575 for landowner cost sharing. This will increase our budget amount for cost-share.

Current Year Budget Impact (Check one or more of the following boxes)

[X] Revenues [X] Expenses (Cost) [ ] None

3. Is the specific cost or revenue included in the current year's budget? yes ( ) no (X) partially ( )

4. If the proposal requests additional spending, can the additional cost be absorbed within the current year's line item? yes ( ) no ( ) n/a (X)

5. Is the proposal to accept additional revenues only? yes ( ) no (X)

6. Does this request modify/adjust the current year budget? If no, skip to question 8 below. yes (X) no ( )

7. Detail current year budget changes. Please list cost center name, line item, account number and either the increase or decrease amount. (Please note that all budget adjustments must balance. 8-27-24 County Board Meeting - August 27 2024 07:42:55 PM

August 27, 2024 County Board Meeting

OpenMeeting

RESOLUTION NO.: 41—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Wisconsin Department of Transportation (WisDOT) is planning for reconstruction of the I-41 corridor, which includes intersections with local highways. The reconstruction will expand the I-41 mainline from four (4) lanes to six (6) lanes throughout the project limits and add additional ramp and collector-distributor lanes as well. The increased pavement area has driven the need for additional salt storage capacity to service the additional State Highway winter maintenance needs and maintain an acceptable level of service. WisDOT is proposing to construct a new salt storage facility on the current Appleton campus. Construction is currently scheduled for 2025. Outagamie County's share is currently estimated to be $15 for non-participating items. The county share of the project costs will be funded within future budgets.

This resolution authorizes the Outagamie County Highway Commissioner to enter into a State/Municipal Financial Agreement (SMFA) for this state-let improvement project and to support future funding for the I-41 salt shed project.

NOW THEREFORE, the undersigned members of the Highway, Recycling and Solid Waste Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize the Outagamie County Highway Commissioner to enter into a State/Municipal Financial Agreement for the I-41 salt shed project, as noted on the attached State/Municipal Financial Agreement for a State-Let Highway Project, which by reference is made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize funding for the county share of the project costs to be included in future budgets as noted on the attached fiscal note which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Highway Commissioner and the Outagamie County Finance Director.

ORIGINAL STATE/MUNICIPAL FINANCIAL AGREEMENT FOR A STATE – LET HIGHWAY PROJECT	Date: 7/16/2024 ID: 1130-65-88 (Design 1130-63-01) Road Name: IH 41 Title: Appleton – De Pere Limits: Salt Storage Facility County: Outagamie County Roadway Length: 0.0

The signatory County of Outagamie, hereinafter called the Municipality, through its undersigned duly authorized officers or officials, hereby requests the State of Wisconsin Department of Transportation, hereinafter called the State, to initiate and affect the highway or street improvement hereinafter described.

The authority for the Municipality to enter into this agreement with the State is provided by Section 86.25(1), (2), and (3) of the Statutes.

NEEDS AND ESTIMATE SUMMARY:

Existing Facility - Describe and give reason for request:

The IH 41 Project corridor, which has four travel lanes – two in each direction – is congested and sees a higher rate of crashes than similarly configured freeways in Wisconsin. By federal standard, the project area has multiple roadway design deficiencies, and much of its pavement and several bridges are nearing the end of their useful lives and must be replaced. Because of these issues, the number of mainline lanes is being expanded and the additional lanes will require additional salt storage capacity in order to provide the necessary winter snow clearing and acceptable Level of Service (LOS).

Proposed Improvement – Nature of work:

The proposed project will construct a salt shed within property owned by Outagamie County in order to service additional State Highway winter maintenance needs due to the expansion of IH 41.

Describe non-participating work included in the project and other work necessary to finish the project completely which will be undertaken independently by the municipality:

Non-participating work is not necessary to finish the project, but the Municipality has requested a 100% non-participating category be included to be able to address any unanticipated non-participating needs during construction.

SUMMARY OF COSTS

Phase	Total Est. Cost	Federal/State Funds	%	County of Outagamie	%
Design Engineering	N/A	N/A	100%	$0	0%
Real Estate Acquisition	N/A	N/A	100%	$0	0%
Utility Coordination:	N/A	N/A	100%	$0	0%
Construction :					
Category 1000 – Roadway/Site Items	$1,610,000.00	$1,610,000.00	100%	$0	0%
Category 1600 – 100% Outagamie County Funded	$15.00	$0	0%	$15.00	100%
Subtotal	$1,610,015.00	$1,610,000.00		$15.00	
Total Est. Cost Distribution	$1,610,015.00	$1,610,000.00		$15.00	

[1] Costs shown are estimates only and may be updated as design progresses

[2] Estimates include construction engineering, estimated at 15%

This request shall constitute agreement between the Municipality and the State; is subject to the terms and conditions that follow (pages [2] – [4]); is made by the undersigned under proper authority to make such request for the designated Municipality, upon signature by the State, upon fully executed signature of applicable State Municipal Maintenance Agreement and delivery to the Municipality. The initiation and accomplishment of the improvement will be subject to the applicable federal and state regulations. No term or provision of neither the State/Municipal Financial Agreement nor any of its attachments may be changed, waived or terminated orally but only by an instrument in writing executed by both parties to the State/Municipal Financial Agreement.

TERMS AND CONDITIONS:

1. The Municipality shall pay to the State all costs incurred by the State in connection with the improvement which exceeds federal/state financing commitments or are ineligible for federal/state financing. Local participation shall be limited to the items and percentages set forth in the Summary of Costs table, which shows Municipal funding participation. In order to guarantee the Municipality's foregoing agreements to pay the State, the Municipality, through its above duly authorized officers or officials, agrees and authorizes the State to set off and withhold the required reimbursement amount as determined by the State from General Transportation Aids or any moneys otherwise due and payable by the State to the Municipality.

2. Funding of each project phase is subject to inclusion in an approved program and per the State's Facility Development Manual (FDM) standards. Federal aid and/or state transportation fund financing will be limited to participation in the costs of the following items as specified in the Summary of Costs:

   (a) Design engineering and state review services.

   (b) Real Estate necessitated for the improvement.

   (c) Compensable utility adjustment and railroad force work necessitated for the project.

   (d) The grading, base, pavement, curb and gutter, and structure costs to State standards, excluding the cost of parking areas.

   (e) Storm sewer mains, culverts, laterals, manholes, inlets, catch basins, and connections for surface water drainage of the improvement; including replacement and/or adjustments of existing storm sewer manhole

covers, and inlet grates as needed.

(f) Construction engineering incidental to inspection and supervision of actual construction work, except for inspection, staking, and testing of sanitary sewer and water main.

(g) Signing and pavement marking necessitated for the safe and efficient flow of traffic, including detour routes.

(h) Replacement of existing sidewalks necessitated by construction and construction of new sidewalk at the time of construction. Sidewalk is considered to be new if it's constructed in a location where it has not existed before.

(i) Replacement of existing driveways, in kind, necessitated by the project.

(j) New installations or alteration resulting from roadway construction of standard State street lighting and traffic signals or devices. Alteration may include salvaging and replacement of existing components.

3. Work necessary to complete the improvement to be financed entirely by the Municipality or other utility or facility owner includes the following items:

   (a) New installations of or alteration of sanitary sewers and connections, water, gas, electric, telephone, telegraph, fire or police alarm facilities, parking meters, and similar utilities.

   (b) New installation or alteration of signs not necessary for the safe and efficient flow of traffic.

   (c) Roadway and bridge width in excess of standards.

   (d) Construction inspection, staking, and material testing and acceptance for construction of sanitary sewer and water main.

   (e) Provide complete plans, specifications, and estimates for sanitary sewer and water main work. The Municipality assumes full responsibility for the design, installation, inspection, testing, and operation of the sanitary sewer and water system. This relieves the State and all of its employees from the liability for all suits, actions, or claims resulting from the sanitary sewer and water system construction.

   (f) Parking lane costs.

   (g) Coordinate, clean up, and fund any hazardous materials encountered for city utility construction. All hazardous material cleanup work shall be performed in accordance with state and federal regulations.

   (h) Conditioning, if required, and maintenance of detour routes.

4. As the work progresses, the Municipality will be billed for work completed which is not chargeable to federal/state funds. Upon completion of the project, a final audit will be made to determine the final division of costs.

5. If the Municipality should withdraw the project, it shall reimburse the State for any costs incurred by the State on behalf of the project.

6. The work will be administered by the State and may include items not eligible for federal/state participation.

7. The Municipality shall, in cooperation with the State, assist with public relations for the project and announcements to the press and such outlets as would generally alert the affected property owners and the community of the nature, extent, and timing of the project and arrangements for handling traffic within and around the project.

8. Basis for local participation:

   Design Engineering, Real Estate Acquisition, Utility Coordination:

The State will pay 100% of the cost for design engineering, real estate acquisition, and utility coordination.

Costs for design engineering, real estate acquisition, and utility coordination are shown as not applicable (N/A) in the summary of costs table due to the complexities of isolating individual Let Project costs from the Appleton-Green Bay corridor wide design ID (1130-63-01) and this information is not relevant to the municipal construction cost share.

Construction ID: 1130-65-88

The Project Agreement will be revised, if necessary, as the project progresses. All costs shown are approximate and subject to final audit. Cost estimates include construction engineering.

Category 1000 – Roadway/Site Items

The State will pay 100% of the construction costs under Category 1000 - Roadway items unless otherwise noted.

Category 1600 – 100% Outagamie County Funded

In accordance with Local Participation Policy Section 3-25-5 of the State's Program Management Manual proposed improvements requested by the Municipality within the project limits, but outside the original project scope, are considered 100% the responsibility of the Municipality.

Item Number	Item Description	Units	Estimated Qty	Unit Price	Amount
305.0120	Base Aggregate Dense 1 ¼-Inch	TON	1	$13	$13.00

1130-65-88 Construction Total	$13.00
15% Construction Engineering	$2.00
1130-65-88 Project Total	$15.00

Comments and Clarification: This agreement is an active agreement that may need to be amended as the project is designed. It is understood that these amendments may be needed as some issues have not been fully evaluated or resolved. The purpose of this agreement is to specify the local and state involvement in funding the project. A signed agreement is required before the State will prepare or participate in the preparation of detailed designs, acquire right-of-way, or participate in construction of a project that merits local involvement.

Outagamie County 8-27-24 County Board Meeting - August 27 2024 07:43:37 PM
August 27, 2024 County Board Meeting
OpenMeeting

RESOLUTION NO.: 42—2024-25

TO THE HONORABLE, THE OUTAGAMIE COUNTY BOARD OF SUPERVISORS

LADIES AND GENTLEMEN: ***MAJORITY***

The Wisconsin Department of Transportation (WisDOT) is planning for reconstruction of the I-41 corridor, which includes interchanges with local highways. The interchange of County J has been identified as one of those to be reconstructed within the project limits. Work will entail removal and replacement of existing pavement and base material and operational improvements on the interchange ramps and along County J. The typical cross section will remain as an urbanized two-lane typical cross section between the ramp terminals and a rural cross section at the project limits. The existing bridge structure will be replaced. Construction is currently scheduled for 2025. Outagamie County's share is currently estimated to be $15 for non-participating items. The county share of the project costs is to be funded within future budgets.

This resolution authorizes the Outagamie County Highway Commissioner to enter into a State/Municipal Financial Agreement (SMFA) for this state-let improvement project and to support future funding for the County J interchange improvement project.

NOW THEREFORE, the undersigned members of the Highway, Recycling and Solid Waste Committee recommend adoption of the following resolution.

BE IT RESOLVED, that the Outagamie County Board of Supervisors does authorize the Highway Commissioner to enter into a State/Municipal Financial Agreement for the County J interchange improvement project, as noted on the attached State/Municipal Financial Agreement for a State-Let Highway Project, which by reference is made a part hereof, and

BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors does authorize funding for the county share of the project costs to be included in future budgets as noted on the attached fiscal note which by reference is made a part hereof, and

BE IT FINALLY RESOLVED, that the Outagamie County Clerk be directed to forward a copy of this resolution to the Outagamie County Highway Commissioner and the Outagamie County Finance Director.
