

Understanding a Monument ID

The monument identification number is derived from the meridian, town, range, section, northing and easting.

ID = MTTRRSSNNEE

42216362020 breaks down as follows:

M = East of Meridian (4)

TT = Township (22)

RR = Range (16)

SS = Section (36)

NN = Northing Location (20)

EE = Easting Location (20)
