### UNFINISHED BUSINESS

Resolution No. 71--2018-19 – Highway, Recycling & Solid Waste Committee and Public Safety Committee. Request the Wisconsin Department of Transportation to conduct an engineering and traffic investigation on I-41 from County BB (Prospect Avenue) to Kaukauna exit County J and ultimately lower the speed limit on that stretch of the highway from 10-15 miles per hour as soon as possible.

At the October 23, 2018 County Board Meeting, Supervisor Grady moved, seconded by Supervisor McDaniel, for adoption. Supervisor Woodzicka moved, seconded by Supervisor Sturn, to amend lines 24 and 32 to strike “ultimately lower the speed limit on that stretch of the highway from 10 – 15 miles per hour.” and insert “recommend the DOT take immediate action to improve highway safety on that stretch of the highway,”. The amendment carried and the resolution was then adopted as amended by a vote of 27 aye, 3 nay, 6 absent. At the November 5, 2018 Meeting, Supervisor Iverson moved, seconded by Supervisor Croatt, to reconsider Resolution No. 71. Reconsideration motion carried. Supervisor Iverson then moved, seconded by Supervisor Marcks, to amend as follows: on page 31, to add “including the possibility of reducing the speed limit until such stretch is upgraded to six lanes,” and add a resolve after that paragraph to read, “BE IT FURTHER RESOLVED, that the Outagamie County Board of Supervisors requests the DOT provide a time frame for the County Board as to when such proposals will be implemented, and”. Amendment carried. Supervisor Spears subsequently moved, seconded by Supervisor Thomas, to refer the resolution to the Legislative/Audit & Human Resources Committee. Motion carried.

At the December 11, 2018, County Board Meeting, Supervisor Iverson noted amended resolution language was not placed in the County Board Dropbox folder. The County Clerk reported amended language was placed in Dropbox, but the amended language was from the County Board actions, not the committee actions.

Discussion took place regarding procedures related to amended language that had occurred at both the Highway, Recycling & Solid Waste Committee and at the Legislative/Audit & Human Resources Committee.

Corporation Counsel Guidote recommended that a motion be made for the amended language. The County Board would vote on the amendment and then a vote for approval for adoption would lock in the resolution as the resolution had been reconsidered on November 5, 2018.

Supervisor McDaniel moved, seconded by Supervisor Peterson, to amend the resolution (as noted with language in the committee Dropbox folders). On line 12 and 13, after the word “staff” add, “and cause excessive calls for 12 service by our police, fire and emergency medical services.” On lines 25 & 26, delete the word “Kaukauna”, change County “J” to County “U” and add after the word “highway,” the following: “by upgrading the highway to six lanes 25 with safe ramp spacing exits and entrances, to upgrade”. On line 32, remove the word “Kaukauna” and change County “J” to County “U” after “U” add “for the immediate purpose of improving highway safety on that stretch of the highway,”; remove, “and recommend the DOT take immediate action to improve highway safety on that stretch of the highway, including the possibility of reducing the speed limit until such stretch is upgraded to six lanes” before the word “and”. Replace the next resolve clause with, “BE IT FURTHER RESOLVED that the Outagamie County Board of Supervisors requests 5 that the DOT provide the details of said study, which could

include reducing the speed limit until said 6 stretch is upgraded, prior to implementation of any findings and that the details provide a timeline for 7 such recommendations to be completed, and”

Because of the confusion with the amendment, Supervisor Thomas moved, seconded by Supervisor Rettler, to table the resolution until the first meeting in January.

ROLL CALL to table: 3 aye, 31 nay, 2 absent. MOTION DEFEATED TO TABLE THE RESOLUTION.

ROLL CALL to amend: 33 aye, 1 nay, 2 absent. AMENDMENT CARRIED.

ROLL CALL to adopt as amended, lock in: 34 aye, 2 absent. RESOLUTION NO. 71—2018-19 IS ADOPTED AS AMENDED & LOCKED IN.
