Suggested communities of interest

Justin Krueger – Combined Locks – School district boundary (Kimberly)

Q&A Summary

Roshaun Higgins (Post Crescent) – how did we decide on those communities of interest?
- Function like their own community or village but not technically a municipality

Roshaun Higgins (Post Crescent) - How is the State process different than our local process?
- State process happens separately however if state maps conflict with local maps and state finishes during or after local process, local needs to amend to match state plans
Kara will follow up via email on how to handle a conflict between State and Local plans.
- Roshaun Higgins (Post Crescent) – Explain muni coordination with ward plans and agenda for next redistricting committee meeting.
Kara explained agenda and muni/ward process
