## POPULATION DENSITY

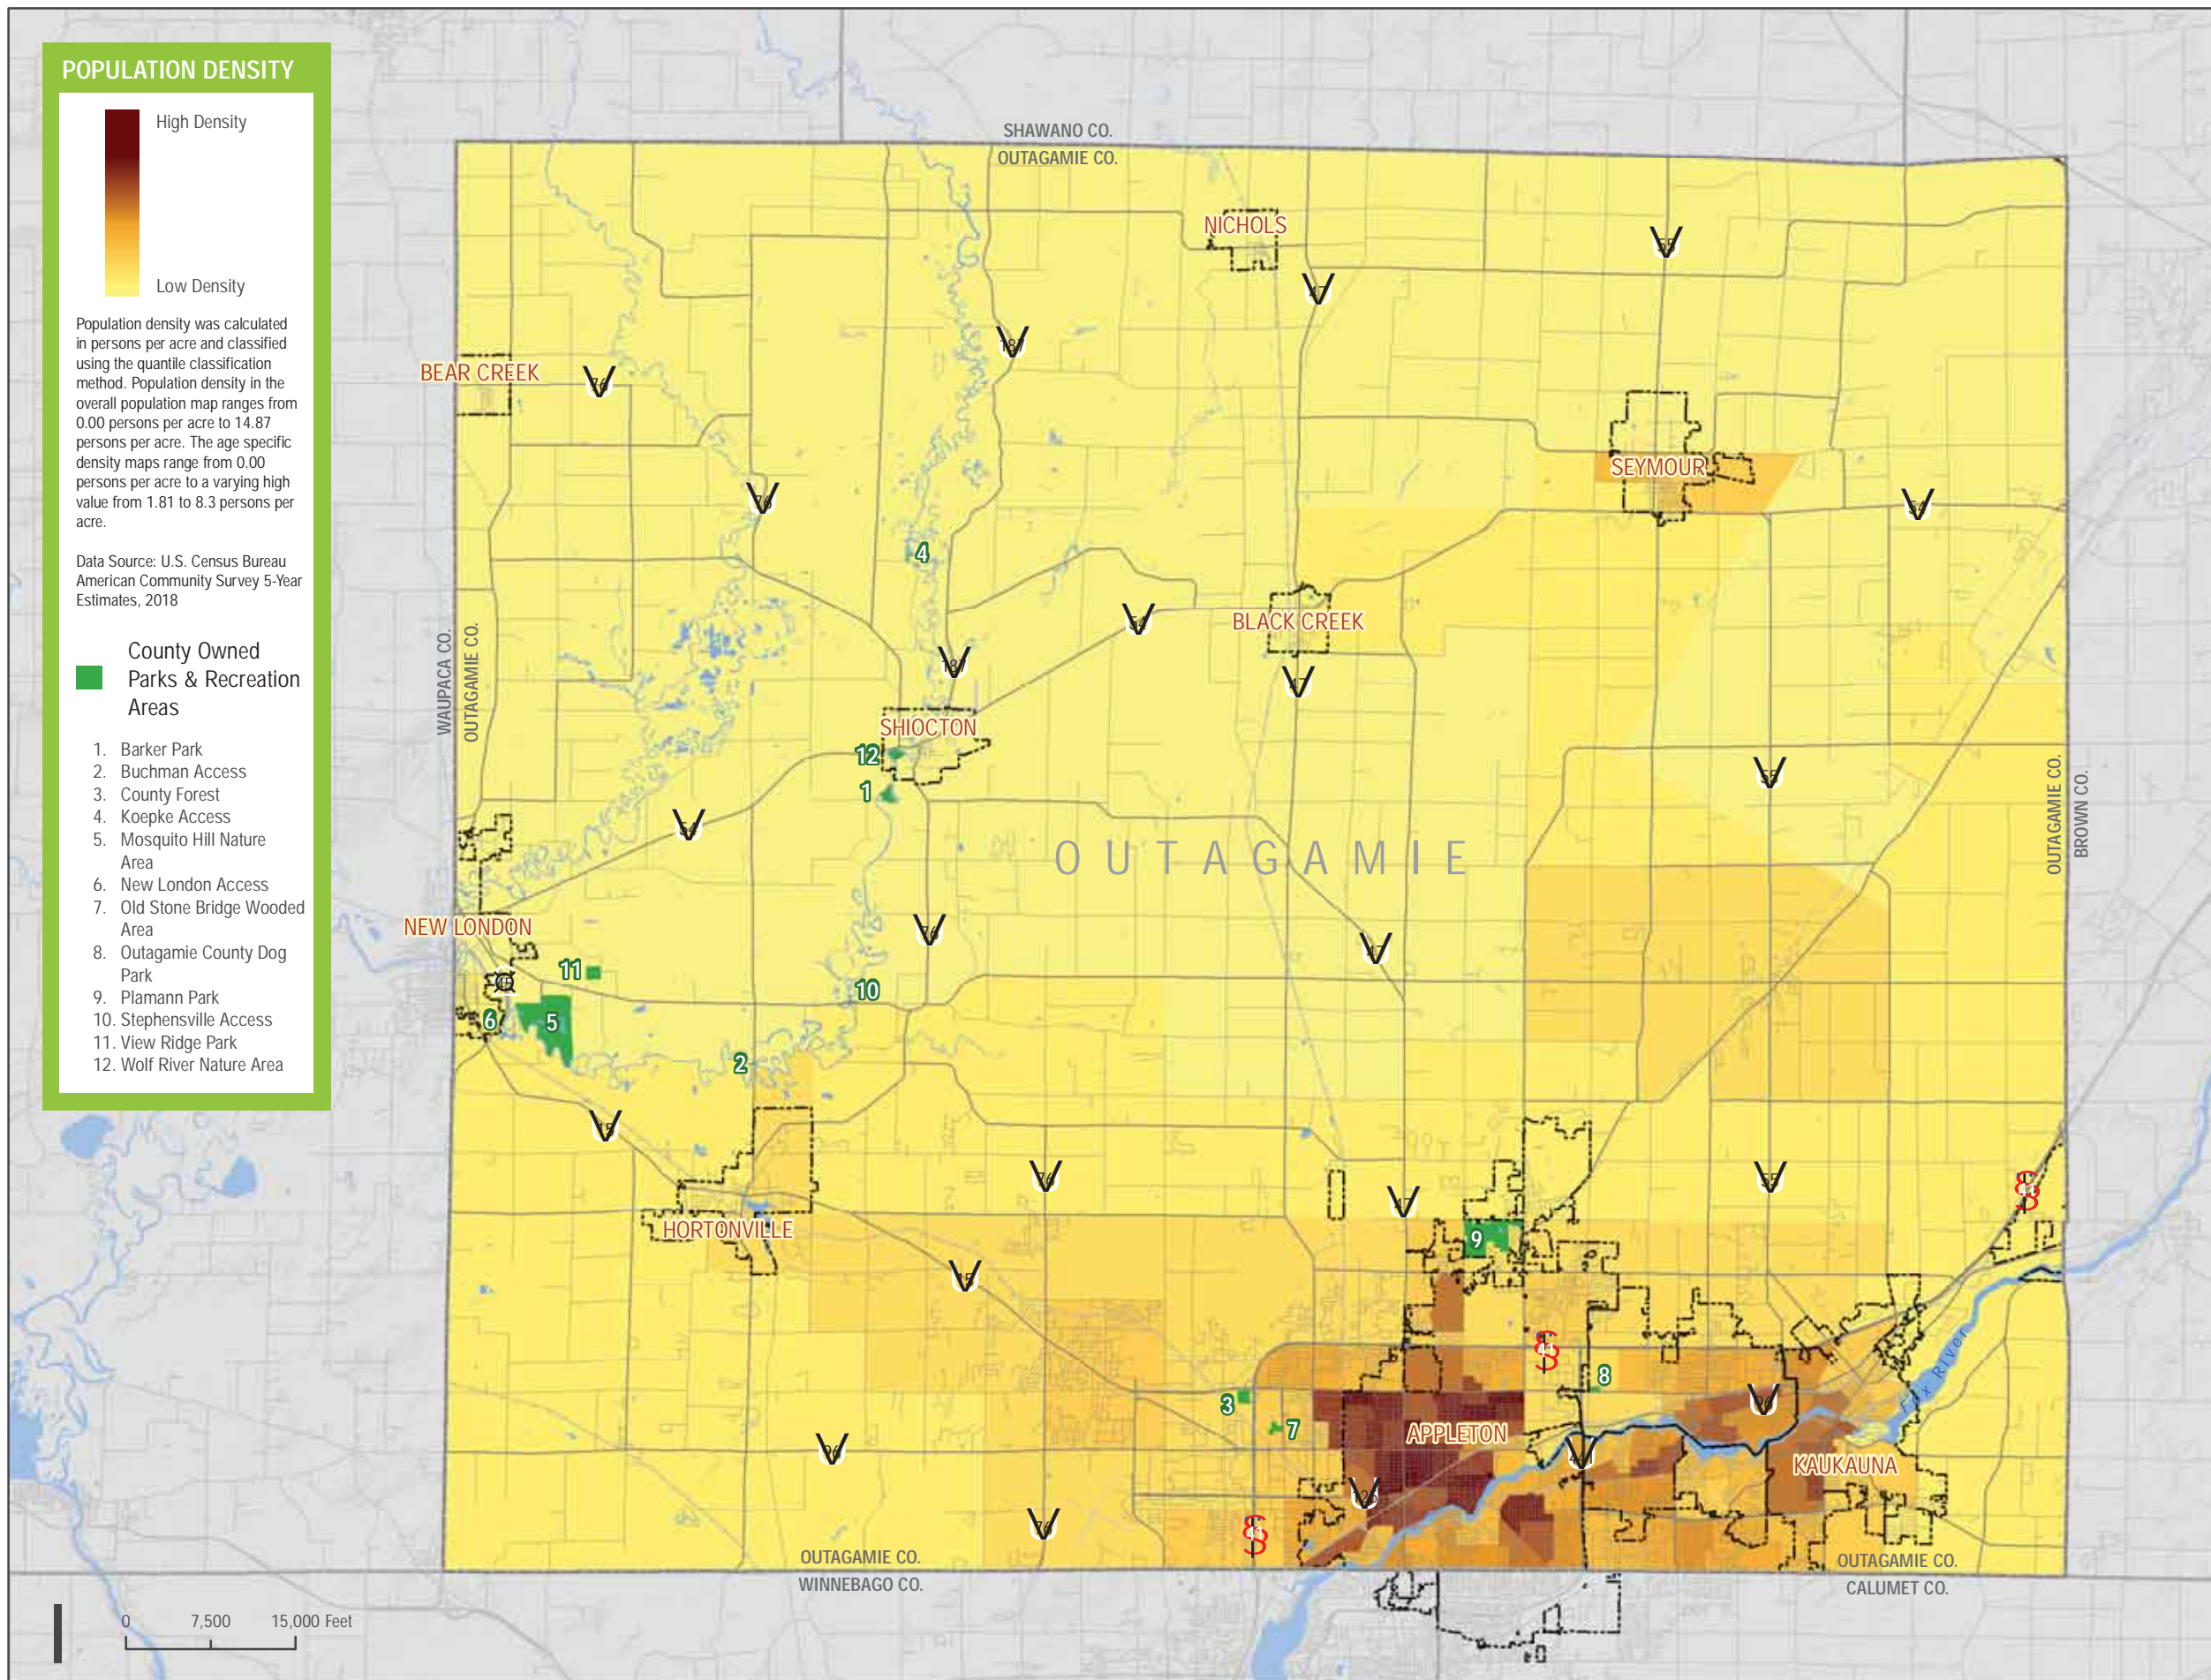

Population density was calculated in persons per acre and classified using the quantile classification method. Population density in the overall population map ranges from 0.00 persons per acre to 14.87 persons per acre. The age specific density maps range from 0.00 persons per acre to a varying high value from 1.81 to 8.3 persons per acre.

Potentially Underserved Areas

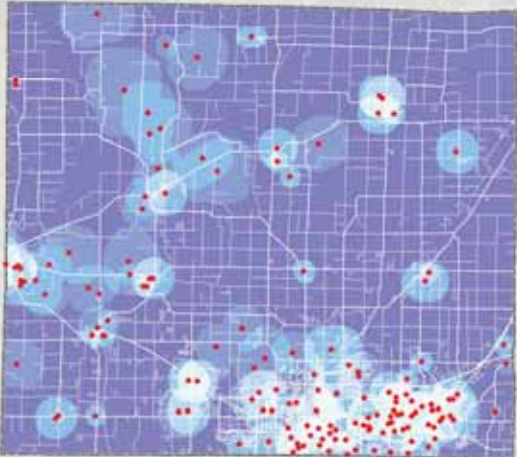

This map is an overlay of maps A & B and represents areas that are potentially underserved in terms of access to park facilities. Darker areas are areas that are more highly populated relatively and have less access to parks compared to the rest of the County.

A Population Density

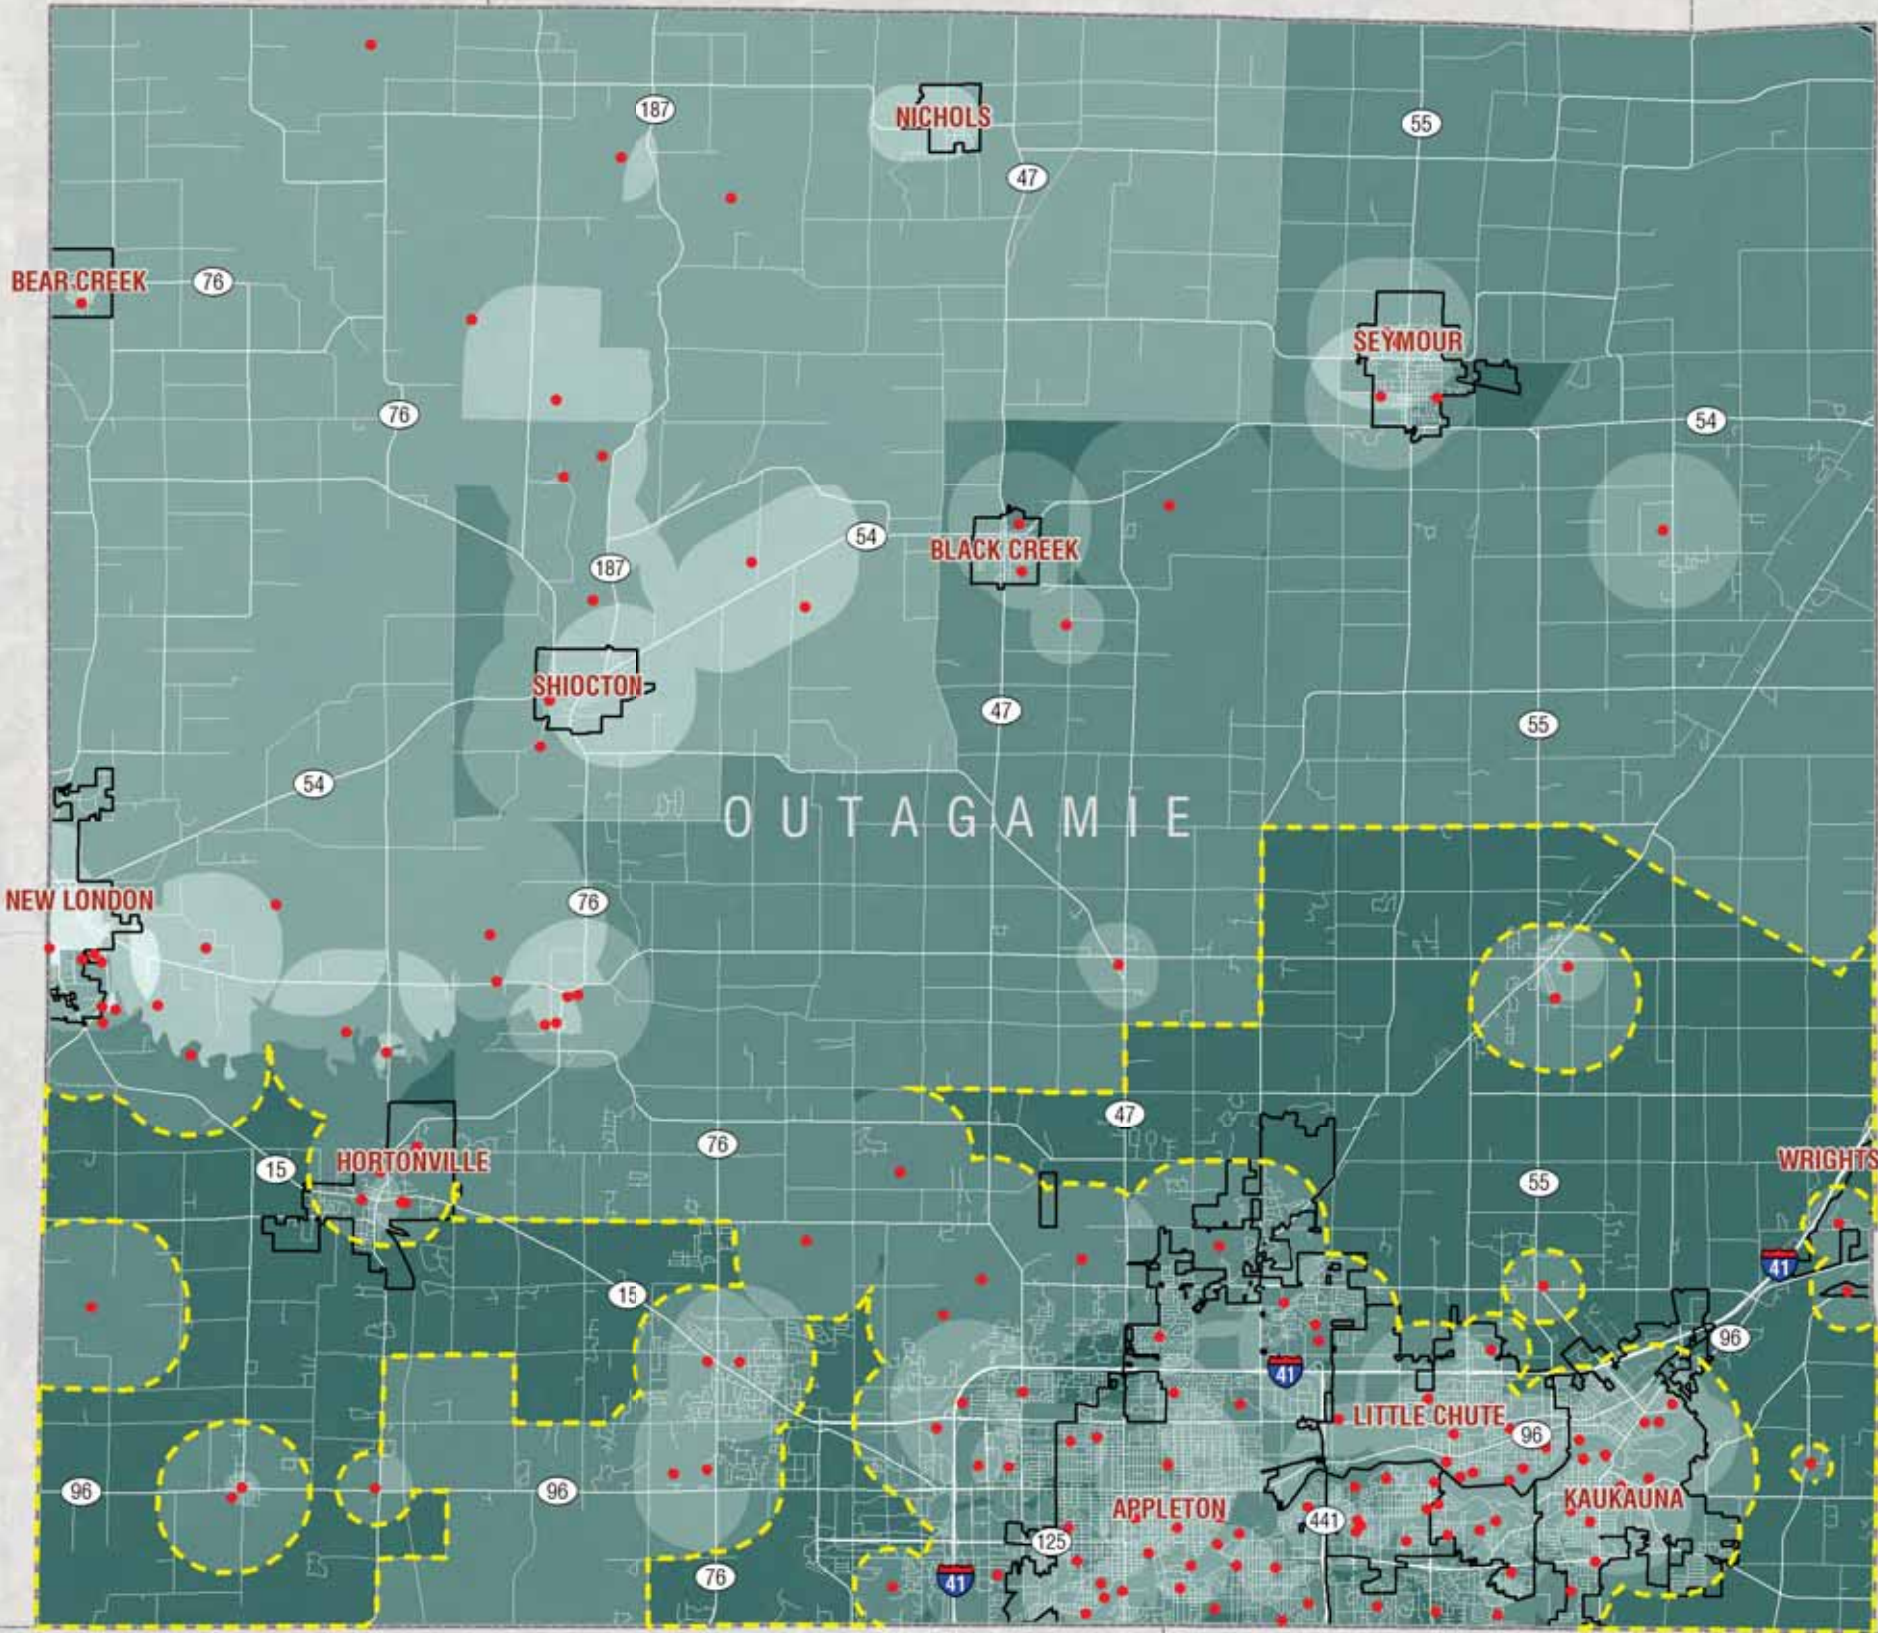

Darker areas represent areas with higher population density.

B Park Density

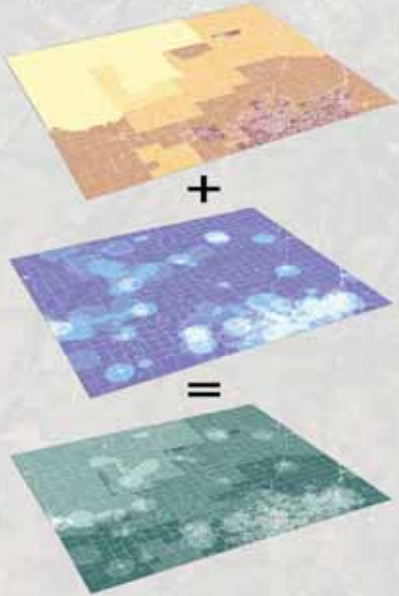

Darker areas represent areas with fewer available park facilities nearby.

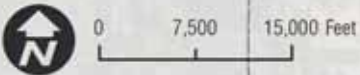

- What is the purpose of this map?
1. To determine if there are areas of the County underserved by parks. The most underserved areas are indicated on the map by the yellow, dashed polygons. The County may want to consider these areas as potential locations for new park land in the future.
  2. To identify parks that may be subject to heavy use. High population combined with few alternative facilities in the area may result in higher than normal use of existing parks. Parks near these areas therefore may require more maintenance and repair than otherwise expected.

Overlay Analysis  
(Perspective View)

Overlay Analysis is a GIS technique in which each cell of a raster layer is added to the corresponding cells from another raster layer. This creates a third layer which is an overlaid sum or average of the two rasters. In this example, the value of each cell in the newly created raster is higher for cells that are both high in population density and low in park density.

1	Dog park needed!!! With the closing of outagamie dog park, a place for man's best friend to really run and play is needed, especially for those of us who don't have much of a yard for them to run In!!!	3/13/2021 10:58 AM
2	There needs to be more access for those with physical challenges.	3/12/2021 4:41 PM
3	Please consider opening plamann park to mt and snow biking	3/12/2021 3:07 PM
4	ADA, walkers, wheelchair, mom with strollers have to cross roads, travel through grass, rock no trails	3/12/2021 1:12 PM
5	Need more paved surface trails	3/12/2021 11:23 AM
6	I only know about Mosquito Hill as I live in Waupaca and have not used any of the other parks in Outagamie County. Don't know how much help my survey will be to you.	3/12/2021 10:22 AM
7	more groomed cross country ski trails needed	3/12/2021 7:29 AM
8	In the parks, if you do not play a sport there is nothing to do other than take a walk. Can't even sit in a swing, as they are made for small children.	3/12/2021 2:09 AM
9	Additional playground equipment at outlying locations in western half of the county	3/11/2021 10:27 PM
10	We need more bike trails and walking trails and Pickleball courts. It would be nice to get from Greenville to Downtown appleton on bike without going on roads.	3/11/2021 9:50 PM
11	More Pickleball courts are needed.	3/11/2021 5:54 PM
12	I am answering these questions with Mosquito Hill Nature Center in mind. I am not considering any other site.	3/11/2021 5:42 PM
13	This is a nature center. Toddlers come with their parents.	3/11/2021 5:09 PM
14	Need more trails for seniors only!	3/11/2021 5:00 PM
15	2020 census indicated 1/3 of population over the age of 55+. By 2034 (tipping point) there will be more older adults over the age of 65 then any other category. Access to paved trails for seniors for recreation and transportation (ie) trishaws (pedal assisted bikes) will be needed. Typically, seniors outlive their ability to drive by 6-10 years, making alternative transportation important. Parks need to be accessible and older adult friendly, so we can provide a liveable community for people of all ages. Think parks & greenspaces in every neighborhood.	3/11/2021 2:56 PM
16	Need more trails where adults and seniors can walk with dog. Pick up after your own dog is mandatory!	3/11/2021 2:20 PM
17	More nature trails that seniors can access easily.	3/11/2021 2:14 PM
18	Adolescents through Seniors- More Natural Surface Trails for Hiking/Trail Running/Mountain Biking - More Restroom Facilities, especially Wiowash and CE Trails, - More Winter Trails for Nordic Skiing, Snowshoeing and Fat Biking Frail Seniors and People of Differing Abilities - More benches on CE Trail, Wiowash Trail, Mosquito Hill Trails, Plaman Park Trails, - More Outdoor Adult Exercise Equipment - More ADA Accesible Trails	3/11/2021 2:07 PM
19	We're all returning to nature spending more time outdoors as a result of C-19	3/11/2021 1:57 PM
20	More walking and hiking trails.	3/11/2021 1:55 PM
21	There are not enough activities for young adults at Mosquito Hill	3/11/2021 12:44 PM
22	We need more family shore fishing areas.	3/11/2021 9:54 AM
23	It would be nice to see more fitness areas on the trails for working out instead of just walking the trails.	3/11/2021 8:56 AM
24	While I'm always an advocate for more park/recreational space I'm not sure which age group needs to be addressed.	3/10/2021 8:06 PM
25	Dog park needed ASAP! It is unacceptable to close it due to a city landfill	3/10/2021 1:27 AM

## Outagamie County Comprehensive Outdoor Recreation Plan

26	Outagamie county is lacking in the number of parks that it operates and needs more staff directed activities and programs. All age groups would benefit from an increased focus on our natural world and native plants and animals. Having more open space and parks in our county would benefit current and future generations. Our buildings are almost all in need of replacement and repair.	3/9/2021 6:29 PM
27	Many of the trails @ Plamann need more upkeep for safety reasons.	3/8/2021 3:38 PM
28	In Outagamie County - There are NO Mountain Bike Trails in all of the beautiful parks or land areas. This is a missed opportunity to serve the community and potentially have some income with a trail pass. This is a great life sport for families and should be encouraged. Now families drive to either Green Bay, Hartmann Creek or Nordic Mountain to go mountain biking.	3/8/2021 3:38 PM
29	Need acceptable dog park accommodations. Severely lacking concentration.	3/7/2021 5:11 PM
30	A lot more natural hiking trails for families and family dogs	3/7/2021 8:19 AM
31	These seems to be more focus on younger children/families - more places to enjoy. For families with older children, and children with a wider range of ages, there are fewer options. For places that do meet all age groups, they become very busy and may detract older populations from enjoying spaces. If there were more locations with outdoor areas for all ages, people could spread out more and older people may enjoy more.	3/6/2021 11:27 AM
32	It would be nice to see more accessible seating for older people such as benches . or picnic tables for one or two people.	3/6/2021 11:08 AM
33	We need at least 2 or more dog parks. I have lived in appleton most of my life but also in the Madison area for 5 years. They have many very nice dog parks. Very much worth the fee i would pay each year. It would be nice if outagamie would have siml	3/6/2021 10:41 AM
34	More bike/walk trails needed....one along JJ would be great.	3/6/2021 10:09 AM
35	There's not enough dog friendly areas around that even allow families to be with their dog on a leash.	3/6/2021 5:50 AM
36	If there is a new dog park in the future, ADA paths and bridge crossings needed.	3/5/2021 10:47 PM
37	Need a CE trail along JJ.	3/5/2021 2:07 PM
38	There is no mountain bike trails. There is not much for skate lanes while cross country skiing. There should be more access to fishing from shore.	3/4/2021 3:47 PM
39	When I look at recreational activities offered throughout the county, including those that have a fee, there isn't much for those of us who are adults but are not seniors. I know it's difficult because this age group is in school or busy running their kids everywhere. I would like some options outside of the YMCAs and my church.	3/4/2021 1:20 PM
40	Lots of progress has been made for Seniors but as the population continues to grow, would like to see more ADA compliant and paved trails for wheelchair access	3/4/2021 10:26 AM
41	Need more playground/play areas safe for age groups - currently older kids can dominate play areas.	3/4/2021 9:20 AM
42	I think that these 2 specific age groups need room where they are going to be safe from others. Adolescent these days are less respectful and not careful around other age groups.	3/4/2021 8:02 AM
43	Appleton could use more trails or dog friendly areas. Very much support a new dog park with areas that don't get so muddy like the current Outagamie Co dog park plus shady areas.☺	3/4/2021 6:12 AM
44	My "Not Sure" answers mean the facilities do not directly affect me or we don't use them. County safe biking and hiking trails are insufficient, and do not connect. When trails are built, they are heavily used. Thanks for the new trail bridge on Lawe Street in the flats. Keep extending the trails and connecting them between communities, and please extend CE trail safely to High Cliff.	3/3/2021 10:39 PM
45	If you look at the map where the county parks are located there is not much in the northern and northeast part of the county. As the population grows in this area we will need to increase recreation areas for the public. Also making more trails multi seasonal use would be good. Cross Country ski trails for biking and hiking in the opposite seasons would be examples of	3/3/2021 8:10 PM

this. Also we need snow shoeing trails because they really mess up the cross country ski trails. Thank you.

46	More toddler friendly playground equipment would be nice	3/3/2021 7:02 PM
47	We need more hiking/walking/cross country trails. A new dog park would be nice	3/3/2021 6:56 PM
48	There are 2 football fields but they are controlled by Pop Warner Football, so no other groups can use or rent the fields. Why aren't there fields available for other sports like rugby and lacrosse. Soccer and football seem to have exclusive access to every field in the County.	3/3/2021 6:09 PM
49	Need more for teens other than picnic tables.	3/3/2021 4:21 PM
50	We need more playgrounds that are unique. So many of them are very similar.	3/3/2021 3:29 PM
51	We need a place to go 4-wheeling in Outagamie County! Bring back the mini playground that had a couple toddler swings and a merry-go-round pushing/spinning thing by the 2nd pavilion/shelter close to Montessori! And what about the swings down the hill from the 1st pavilion/shelter closest to Montessori? We need more places to go gun/bow/deer hunting in Outagamie County!	3/3/2021 2:52 PM
52	Need more dog accessible parks.	3/3/2021 1:33 PM
53	More bike trails	3/3/2021 1:02 PM
54	There is nothing for the little kids... Ages 0 to 3	3/3/2021 12:47 PM
55	Family walking and running needs are not met for any age. The speed limit signs need to be larger and more frequent. (Women were walking with strollers as cars were racing by last week.) All the roads should be plowed at Plamann for walkers and runners in the community. There is plenty of land for the other winter activities. Restrooms need to be open. (There are no confirmed cases of the virus being transferred by touching things so if people are wearing masks restrooms are safe.) Thank you for doing this survey! I feel that the parks (especially Plamann) are unfortunately turning into big expensive organized sports venues for huge numbers of spectators instead of places where people can, walk, exercise, and enjoy nature.	3/3/2021 11:37 AM
56	I would love more natural space to explore nearer to Seymour. We have to travel well into the county to experience public natural land with hiking trails. It would also be wonderful to have a dog park nearby. It seems we just have the walking trail and a couple playgrounds near us.	3/3/2021 10:12 AM
57	Would like allow leashed dogs in parks.	3/3/2021 9:42 AM
58	Need to keep rest rooms open throughout the year.	3/3/2021 9:27 AM
59	there is cool and unique stuff the county is doing, but the pandemic makes outdoor recreation even more important. let's keep improving the great things we offer.	3/3/2021 9:02 AM
60	Access to more courts or areas for tennis, pickleball, volleyball, and disk golf are necessary to fulfill needs for older children and adult populations.	3/3/2021 8:33 AM
61	I think more Pickleball Courts would be appreciated by Adults and Seniors.	3/3/2021 8:11 AM
62	I wish there was more older kid/tween friendly things. My kids like the park but get bored on equipment. They like climbing things and zip lines.	3/3/2021 7:57 AM
63	I am a single, middle-aged adult. I would like more hiking trails and trails/parks I can take my dog to.	3/3/2021 7:20 AM
64	Adolescents need safe areas to gather. There doesn't seem to be any adequate programs or spaces for this age group. For seniors, stop assuming all seniors are immobile and provide accessible recreational facilities for those of us who are active.	3/3/2021 7:01 AM
65	The adolescent and younger adult age population in the New London area could be better serviced by having available mountain biking facilities in the New London area.	3/3/2021 6:56 AM
66	Generally more nature based facilities are needed.	3/3/2021 6:34 AM
67	We need more things having to do with the outdoors for children over 5. For example, we have used the archery area in Combined Locks, however, right now we are not aware of any others in this area. As to the older adults, yes, there's trails, BUT, even us "mature older" actives can	3/3/2021 6:32 AM

have mobility issues, so if there were parts of the parks or areas with other activities that could be added for this group, it'd be great.

68	Would like to see more bike/shared use trails that separates people from the roads	3/3/2021 6:31 AM
69	Playground areas need additional activities for toddlers.	3/3/2021 5:54 AM
70	More walking trails that bikers and skateboarders are not allowed. It gets very crowded on nice days. Sometimes these groups feel they own the path.	3/3/2021 4:18 AM
71	Safe areas are needed for these age groups	3/3/2021 3:23 AM
72	It is very difficult to find areas to go with the kids with Covid going around. Would love to see a nice shuffle puck area.	3/3/2021 2:19 AM
73	Need more hiking trails to walk on, and a loop with outdoor built in exercise equipment	3/2/2021 11:52 PM
74	Due to the outagamie county dog park being closed later this month, me and the 100's of other dog owners i speak to regularly there have been wondering what will come of the future of dog parks in the appleton area. this is a great area and I have no desire to go to the disease infested waters of the kaukauna park, or travel to oshkosh for theirs.	3/2/2021 11:07 PM
75	More sports options for teens, doesn't have to be competitive	3/2/2021 11:07 PM
76	More updated playground and bathroom facilities for families and young families. More dog friendly areas or dog parks as well as additional disc golf locations within outagamie county.	3/2/2021 10:37 PM
77	Need more activities for families. Outdoor preferred. Mosquito Hill is a great resource, would love to see more investment there to make this an even better family recreational resource.	3/2/2021 9:57 PM
78	Lots of growth, need more outside choices for folks, particular need for single track mountain biking, development for mtb at View Ridge site seems like a natural fit	3/2/2021 9:00 PM
79	Please consider putting in taller swings, the autistic young adults love to swing, but are unable to because the swing hight is way too low. You left out this population when you were updating the parks.	3/2/2021 9:00 PM
80	More small children playground features. I'd like to see more adult leagues, soccer especially.	3/2/2021 8:33 PM
81	Wheelchair accessibility could be improved	3/2/2021 8:24 PM
82	Availability of full size baseball fields for games and practice is needed.	3/2/2021 8:22 PM
83	We enjoy walking and snow shoeing at MosquitoHill. Excellent facility. We enjoy walking and biking on the Wiouwash trail. Anything that can be expanded in the County like those 2 things would be great.	3/2/2021 7:57 PM
84	Other than Plamaan and the dog park most people are unaware of parks and recreation at the county level	3/2/2021 7:49 PM
85	Allow camping at Plamann Park	3/2/2021 7:43 PM
86	Many seniors can not enjoy trails because of physical handicaps including but not limited to wheel chairs. It's the same gor watching grandchildren play on the playground. Playgrounds are not wheel chair accessible. I have to watch from a distance or not enjoy this time at all.	3/2/2021 7:40 PM
87	I don't know of places that have facilities where kids can roam around like a large enclosed (fenced) in space	3/2/2021 7:33 PM
88	Restroom facilities need to be open all year.	3/2/2021 7:32 PM
89	Trails need maintenance	3/2/2021 7:13 PM
90	I feel parks need to be expanded on. It would be nice to see more Piers for fishing and trails of all sorts. Picnic areas could really use some attention. This would benefit all age groups, especially adolescent. Give them something to do besides stare at a screen.	3/2/2021 7:13 PM
91	Single track mountain bike trails. Snow bike/fat bike trails. The cycling community general gets forgotten	3/2/2021 7:10 PM
92	More walking /running only trails needed	3/2/2021 6:27 PM

# Outagamie County Comprehensive Outdoor Recreation Plan

93	Another disc golf facility would be really nice. An ice skating facility would have been super this year!	3/2/2021 6:17 PM
94	Facilities for more thrilling or adventurous popular experiences like singletrack for mountain biking are missing from Outagamie County that would serve and attract a younger population.	3/2/2021 6:13 PM
95	Allow dogs	3/2/2021 5:44 PM
96	We need dedicated Pickleball courts.	3/2/2021 5:03 PM
97	I'd love to see some benches & more picnic areas to support multigenerational activities.	3/2/2021 4:26 PM
98	Need more chairs with shelter for those who wants to stay out of sun. Need way more dog parks	3/2/2021 4:10 PM
99	Very little courts or fields to use. A lot are either being used or reserved	3/2/2021 3:33 PM
100	I do not have children nor grandchildren and the only park I use daily is the dog park which is either iced over completely ,sloppy from rain or uninhabitable due to mud pits all over the course...The paths are nonexistent due to so much erosion going on there and the parks dept. Is so strapped for workers that they cannot devote any time to the dog park for basic maintenance like cutting down dead trees and filling in mud holes which is then left up to FOTOCDP to peace meal what they can with limited funds!!!!	3/2/2021 3:33 PM
101	Mountain biking trails. I routinely drive over 100 miles round trip multiple times a week to go ride in other counties due to the lack of quality trails in our area.	3/2/2021 3:18 PM
102	Assuming Outagamie population keeps growing there is a need for more walking, biking, hiking routes that are separated from vehicles. Including winter outdoor activities.	3/2/2021 3:07 PM
103	ADA accessibility is limited. Wheelchair, walkers, and motorized chairs need hard, slip proofed surfaces. Winter also presents problems/opportunities.	3/2/2021 2:55 PM
104	It is difficult to answer this and the other questions as pertaining to the entire County Park system. I am not familiar with each and every park in the county, so I am not able to answer these questions completely or accurately. the shared trails for biking and hiking at Plamann Park are a bad idea. Plamann Park has a very fragile wooded area/forest ecosystem. Biking should not be allowed.	3/2/2021 2:48 PM
105	Need a new dog park since existing one is closing. Need to open the pools this year.	3/2/2021 2:29 PM
106	More benches or sitting areas along trails would be helpful for those who walk, but yet possibly need a rest now and then.	3/2/2021 1:57 PM
107	Need to allow access to ATV's and UTV's on trails such Newton Blackmour, Wiuwash, etc.	3/2/2021 1:45 PM
108	More disc golf courses	3/2/2021 1:43 PM
109	Please increase access to all county parks. Include Valley Transit bussing to Plamann Park.	3/2/2021 1:32 PM
110	Updated playground equipment at Plamann would be great	3/2/2021 1:21 PM
111	There is always room for improvement in any area. Overall I think so far this is a lousy survey. Without doing research before this survey many people don't know of all the Outagamie County facilities. Last I heard as a couple of weeks ago by the Appleton Police Dept. that Plamann Park is now part of Appleton Park and recreation.	3/2/2021 1:20 PM
112	Connecting parks with walking and biking trails would be nice. Need more paths to walk without interruption of traffic or people playing disc golf or other activities.	3/2/2021 1:15 PM
113	There is a need for more bicycle access to trails, including mountain bikes and fat bikes. There is considerable trail development taking place in all neighboring counties, but Outagamie is oddly missing out on this opportunity. Plamann Park could be an unbelievably good hub for cycling of all kinds, from tots to adults. Please...look into this and consider. From Appleton, I have to drive almost an hour in any direction to ride singletrack mountain bike trails. That's crazy.	3/2/2021 1:12 PM
114	Could use mountain bike trails aimed towards adult/ more advanced riders	3/2/2021 1:07 PM
115	Would like to see more age appropriate outdoor clinics/activities	3/2/2021 1:06 PM
116	Various rental programs to support some of the park efforts would be helpful. ie: Snow shoes,	3/2/2021 1:03 PM

cross country ski's, Fat bike program (I'm focusing on snow because its cold out).

117	We need more mountain biking trails.	3/2/2021 12:58 PM
118	More hiking only trails and better taken care of too	3/2/2021 12:41 PM
119	More hiking, biking, and mountain bike trails would be amazing.	3/2/2021 12:32 PM
120	Unpaved bike trails are desperately needed	3/2/2021 12:22 PM
121	Fairly new to area	3/2/2021 12:15 PM
122	We need a community pool on the North side of Appleton. And more police patrol at night to get the drug dealers out of the parking lot to stop selling drugs and doing donuts in the parking lot.	3/2/2021 12:02 PM
123	There is nothing but the NewtonBlackmore trail around Seymour, Black Creek, Shiocton, and Isaar! Of course I'm going give poor marks to how we are being served!	3/2/2021 11:55 AM
124	More people are getting older ai we will need more recreation for them, more and easier to navigate.	3/2/2021 11:54 AM
125	Safety needed and areas to walk and hike	3/2/2021 11:43 AM
126	Level groomed, maintained surfaces on trails	3/2/2021 11:43 AM
127	Really like the combination of nature and loose parts activities (ie Montessori, Waldorf, whimsical/imaginary play, like new Heckrodt play area), also explore ways to make some of these more accessible without taking away from that natural look	3/2/2021 11:43 AM
128	We need more innovative outdoor activity centers for pre/teens, such as: skate parks, obstacle & ropes courses, wall climbing, parkour, etc.	3/2/2021 11:40 AM
129	Bocche ball or pitonique courts needed for this age group.	3/2/2021 11:33 AM
130	Playground equipment needs updates, some equipment, near Plaman large shelter is outdated and perhaps dangerous	3/2/2021 11:24 AM
131	Park and Rec focuses more on you g families but could use more opportunities for older age groups	3/2/2021 11:24 AM
132	I think more needs to be done for seniors, like horseshoe areas, more fishing access, senior activity center.	3/2/2021 11:17 AM
133	Dogs need to be allowed - current leash and litter laws already exist to address any concerns, so banning dogs unfairly punishes pet owners. Banning human males in order to prevent violent attacks or litter would be more effective but obviously discriminatory, so public saftey suffices with laws against assault and littering. Not a perfect system but not unfairly punishing to families who have adult males among their members.	3/2/2021 11:13 AM
134	Needs more exercise park.	3/2/2021 10:57 AM
135	Need more benches, trash bins, shelters, walk ways	3/2/2021 10:42 AM
136	I support maintaining existing facilities. I do not support increasing any taxes for county parks!	3/2/2021 10:41 AM
137	Senior dog park which is smaller, more easily accessible, has paved walking paths. Not meant for young adults and families, but for seniors with pets. Quieter, less commotion.	3/2/2021 10:24 AM
138	People are currently walking dogs and riding fat tired bikes in places where signs indicate this is not acceptable. Parks should be more flexible to handle these activities.	3/2/2021 9:58 AM
139	More hiking and biking trails needed	3/2/2021 9:49 AM
140	I'd love to see Plamann park as an option for dog walking. Such a beautiful park, but not available to our dog companions.	3/2/2021 9:39 AM
141	I am 82 years old and the last time I went to walk there, there was no place to sit down to rest along the trail. the last time I was there was 3 years ago. It is right behind my house.	3/2/2021 9:31 AM
142	Connect the walking/biking paths with other countries. A good job so far but could use more through wooded areas and other environments. I do a lot of walking/biking. Dog parks could	3/2/2021 9:26 AM

use a updating.

143	Nearly not enough pickleball courts.	3/2/2021 9:25 AM
144	We need more natural areas as destinations for trails. More trails that connect to each other would are also in short supply. A lack of natural areas supporting wildlife is my main concern.	3/2/2021 9:04 AM
145	Running water is important for drinking and bathrooms. Open bathrooms.	3/2/2021 8:52 AM
146	Dog owners' needs are not met: it's time to open our parks and paths to dogs on leash.	3/2/2021 8:08 AM
147	Outagamie county needs multi use trails that connect. Current trails are a hodge podge of short distances.	3/2/2021 7:53 AM
148	Paved walking trails for elders. Library books/trail.	3/2/2021 6:47 AM
149	Old people like me need more quiet recreation places	3/2/2021 5:47 AM
150	I think the county could provide additional skate parks (with safety requirements) for youth, and more teen-related activities. Seniors need safe, multi-use, walking/hiking trails outside high traffic urban cores.	3/2/2021 5:36 AM
151	Pickle ball courts	3/2/2021 5:23 AM
152	Additional pickleball courts and well-maintained trails to eliminate tripping hazards	3/1/2021 10:24 PM
153	Pickleball	3/1/2021 8:10 PM
154	We could use some pickleball courts.	3/1/2021 7:08 PM
155	The CE Trail should be plowed in the winter. The Plamann Park disk golf courses should be available in the winter.	3/1/2021 5:12 PM
156	More areas need to be made ADA accessible. I know progress is being made, but please keep in mind the needs of people with disabilities and elders.	2/25/2021 11:35 AM
157	We r so sorry to here the north park at the dog park is closing. My daughter has a service dog and it is the one place she loves to go and let loose. We always meet so many wonderful other dogs and owners there	2/24/2021 9:54 PM
158	More places that allow people and dogs to be outdoors together.	2/23/2021 10:17 PM
159	More ADA accessible trails/facilities	2/23/2021 1:57 PM
160	The North dog park closing is going to have a big impact. Only having the South side of the park open will cause over crowding making owners and dogs anxious and irritable. There will be an increase in aggressiveness in dogs when you put too many dogs in one area. Is there any way the County can find a large temporary area to replace the North park?	2/23/2021 9:32 AM
161	for most age groups we need more trail options in rural towns	2/22/2021 9:59 PM
162	Programming for teenagers and adults other than movement classes is fewer. Lessons for adults and groups gatherings at historical sites would be wonderful.	2/22/2021 9:11 PM
163	For a better explanation of my thoughts on this, read Edward Abbey's Desert Solitaire. Specifically, the chapter titled "Polemic."	2/22/2021 7:40 PM
164	There are so many possible ways that people can enjoy or use parks & trails, I think it's difficult to say what is objectively adequate. If you want to increase use by families, you have to create a "destination" facility with many options, so it easily comes to mind. I realize that's a vague request.....	2/22/2021 5:04 PM
165	Most playgrounds are designed for children between the ages of 5-12. We need playgrounds designed for the 0-5 age group. We also fail to provide recreational (passive) opportunities for the adolescent age group. This group is especially important due to how impressionable they may be in terms of making sure that they have safe, quality recreational opportunities.	2/22/2021 10:08 AM
166	More trash cans	2/22/2021 9:39 AM
167	Need more teen activities. Hiking groups and or educational type events. Zipline would be fun. Mountain Bike trails. Seniors need programs like playing cards, walking dogs, gardening events, etc.	2/22/2021 8:17 AM

# Outagamie County Comprehensive Outdoor Recreation Plan

168	Would love to see more trails and nature centers. It's a bit of a drive for us to go to any nature center and only one trail nearby that we have to drive to get there still.	2/21/2021 11:24 AM
169	More mtn. Biking trails would be great	2/21/2021 9:13 AM
170	Need parking at the trail access points from Oneida to New London	2/21/2021 7:19 AM
171	Need more hiking biking snowshoeing skiing trails. Yoga Bootcamp pairing classes outside.	2/20/2021 9:31 PM
172	Really need more wheelchair access for a lot of areas, including restrooms!	2/20/2021 8:17 PM
173	Playground areas for toddlers only. Walking trails/paths that are paved for seniors.	2/20/2021 7:27 PM
174	Need more pickleball courts.	2/20/2021 6:58 PM
175	Need for more facilities, trails, tennis, volleyball, kayak/canoe access, biking trails (connections! ) and most importantly Dog park / dog trails/access. Outdoor facilities are most important and draw families and individuals to the area. Money spent wisely!	2/20/2021 4:07 PM
176	1- We need to generally be a more dog friendly community and allow dogs in parks and (especially) on trails of all kinds be them paved or on natural terrain. 2- pickleball is here to stay. Please build more courts, and please light them (tennis courts included). 3- although Outagamie County is doing a nice job putting in bike lanes on the roads, there is embarrassingly little mountain biking and snow biking opportunity. Tsk tsk. 4- did I mention that we are not dog friendly enough?	2/20/2021 3:25 PM
177	Adequate biking paths. It appears that you are serving commuters but not recreational Riders.	2/20/2021 12:50 PM
178	I was unable to have children so my dog is my family, one park for the entire county that I can take my family to and half of it is closing. Please open more dog/pet friendly areas!	2/20/2021 11:02 AM
179	Our Golden retrievers are part of our family... as there are so many friends of ours who also have a dog as part of their family. Having access to parks and trails for those with tails would be a MAJOR addition to our quality of life.	2/20/2021 10:40 AM
180	Adult space is harder to find especially when there are disc courses put in, great activity but takes away a ton of spare footage. Benches along walking paths in shaded areas and natural areas including 2 benches facing each other would be nice. Or maybe, the bench that turns j to a 1/2 picnic table. Maybe local high school construction classes could design and construct using tax payer money for supplies.	2/20/2021 9:31 AM
181	Most things require you to drive to get to, but it would be really wonderful if these facilities were connected somehow.	2/19/2021 9:21 PM
182	My concern are the fishing docks near stephensville on the Wolf River. Driving by in our boat, they were either under construction or were junk. Also at that location, there are no bathrooms.	2/19/2021 7:31 PM
183	Need more wheelchair assessability at. pl aman park possible trail for them? The playgrounds need to upgrade to make them safe for smaller children. My family often visit Plamann. It's a beautiful park that is sadly under used.	2/19/2021 6:51 PM
184	I believe there could always be more spaces for the younger children to play as they are the ones who typically use the facilities leading to the family and older groups who may bring them there.	2/19/2021 5:11 PM
185	More native plants,trees,woodlands and prairie areas are needed in Outagamie County. Of the few areas where preindustrial native plant communities still exist, these areas should be protected as part of our natural history. Other areas should be restored. Families could use more picnic tables scattered around county properties. Families and people of all areas could use some areas for camping, such as at Mosquito Hill.	2/19/2021 3:25 PM
186	What are the facilities for 55+ ? If they exist, perhaps awareness could be improved.	2/19/2021 2:11 PM
187	I like to use the bike paths. I get disgusted when I see "Warning Pesticides" signs along a path, especially in natural surrounds and the smell of the chemicals are overwhelming. Nature need not be poisoned to make them appear like golf course grade lawn. If it is natural area, stop poisoning it and the wild life! IMHO Chemicals should never be used on areas were children play!	2/19/2021 11:33 AM
188	SLED HILL!!! More biking trails. Plamann parks playground NEEDS a new playground	2/19/2021 10:51 AM

# Outagamie County Comprehensive Outdoor Recreation Plan

189	I know it might be more difficult to do but it would be nice if somehow bathroom facilities could be available in the winter where it is feasible.	2/19/2021 10:18 AM
190	Playgrounds are out of walking range and require transportation. Trails are either not maintained or not suitable for strollers.	2/19/2021 9:53 AM
191	Need a swimming pool between Greenville and Hortonville.	2/19/2021 9:25 AM
192	The county need more paved, multi use trails.	2/19/2021 9:08 AM
193	more bike paths	2/19/2021 8:49 AM
194	We need more trails for walking and cycling closer to downtown and commercial areas so that residents can walk or bike to get to work or to run errands.	2/19/2021 8:34 AM
195	MORE PLAYGROUND EQUIPMENT FOR ALL AGES. REST ROOMS IN ALL PARKS	2/19/2021 8:11 AM
196	Many shelters have bathrooms locked and not maintained. So new growth needs to be measured by maintaining what you do have.	2/19/2021 7:36 AM
197	Need more safe things, possibly monitored for our teens. More parks need to allow trained pets. Would like to take our dog to ball games, some people do when they're not supposed to. Enforce or remove restriction.	2/19/2021 7:25 AM
198	We need a swimming pool on the west side. Greenville/Hortonville area. Right now we travel to Appleton for these needs and Erb pool is over crowded. Pools should open earlier than 1:00. We go to Plammon lake to swim because they open at 12:00	2/19/2021 6:55 AM
199	A swimming option on the west side of the county is greatly needed.	2/19/2021 6:43 AM
200	Need Mountain biking trails	2/19/2021 5:09 AM
201	More walking trails	2/19/2021 4:52 AM

204	Families with dogs	2/18/2021 10:11 PM
205	Just don't feel like there really is anything for my kids 2 and 5. The farm is a joke, kids want to touch animals and get close. Plamann park is a hot mess I never can figure it out where to go or what is available.	2/18/2021 9:29 PM
206	Could use more disc golf	2/18/2021 9:27 PM
207	Higher visibility of area would draw more people to it. Connecting trails to each other will also encourage people to explore new areas.	2/18/2021 9:18 PM
208	Many people own dogs yet you don't allow them to bring their leashes pets at Plamann and Mosquito Hill. Change this policy at once to allow people to bring their pets.	2/18/2021 8:17 PM
209	Additional seating, trash receptacles and accessible restrooms needed.	2/18/2021 7:59 PM
210	There are not enigmatic handicap parking spots. So many nondisabled people park in those spots and dont care. I've had to walk long distances I am disabled.	2/18/2021 7:36 PM
211	We need more nature trails and places to get out and just walk. We spend way too much time and money on playgrounds and sporting facilities.	2/18/2021 7:03 PM
212	I feel as though the county puts far too much time and money into maintaining the downtown bar scene, rather than education, history, and healthy lifestyles. We should be putting our energy into positive forms of recreation such as hiking, camping, parks, and nature centers, or bringing the city center back to life with fresh new businesses and locally owned companies.	2/18/2021 6:15 PM
213	Disc golf short courses or even some practice holes. There needs to be another archery course. We need more river access for fishing.	2/18/2021 6:13 PM
214	Parks could use more benches, places to rest	2/18/2021 4:58 PM
215	Pickle ball getting very popular add some courts??	2/18/2021 12:42 PM
216	Young adults and teens need to have easy access to organized activities, especially now that	2/18/2021 11:02 AM

school is partially virtual. They just do not get enough social interaction and having facilities available for extra curricular activities is a great need I feel.

217	The safety in the parks for young children. Access to Tellulah park involves crossing multiple railroad tracks. My child's bike tires and roller blades have caught on the tracks and have resulted in injuries. Could there be a first aid station in the pavilions?	2/18/2021 10:20 AM
218	The trails and parks need to be more ADA accessible. Wheelchair accessible bathrooms at all parks, wheelchair accessible playground areas at all parks, wheelchair accessible nature paths at all parks. More senior parks & recs activities.	2/18/2021 10:08 AM
219	As the senior population increases there will be increased need for assessable recreation. Serving this need meets the needs of attracting growing families to the area as well. All can enjoy more access to nature. The dog park is so nice it's so sad to see it shrink. I hope This can be addressed as it is a safety issue as well. More dogs crowded into a smaller area is not a good thing	2/17/2021 5:22 PM
220	We need more areas to walk our dogs. They are loving, important members of our families and our health sometimes depends on their health and that means having adequate area to walk them.	2/17/2021 2:21 PM
221	Disc golf is becoming more popular than ever. I grew up here and always loved playing plamann, but it needs a makeover. Also some new courses in general. In appleton they canceled a great 18 hole course at tellulah park. The 9 hole layout there is hardly a disc golf course. I know that's a city thing but maybe the county has more land to put in some new courses. You can follow Ohauser disc course and Madison and Milwaukee courses that are pay to play and generate their own revenue for care taking and the clubs I'm sure would be more than willing to help. All the other parks and amenities are basically free to the public. Anyway the way the sport is growing we definitely need some fresh courses to put us back on the map. also I lived in Outagamie most of my life and live in Winnebago County now.	2/16/2021 10:15 PM
222	Skateboarding	2/16/2021 7:15 PM
223	I previously used plauman park a lot for walking and hiking but the trails have got so bad I rarely go out there anymore ( probably 2-3 times last year. There is the opportunity to put mountain bike trails there and I'm confident they would get used since the terrain would work well.	2/16/2021 7:02 PM
224	Please adjust current offerings to what the current trending outdoor activities are. Organized/ball sports are losing interest ... Where other sports are gaining popularity. Take into covid .... The majority of park property set aside for those sports was unused	2/16/2021 4:11 PM
225	With so much natural areas and river frontage but no County Campground?	2/16/2021 1:39 PM
226	Too few places to walk dogs! Plamann Park would be a great place to allow dogs on the trails if leashed.	2/16/2021 11:52 AM
227	Playgrounds for children are not of sufficient quantity or quality. Need to be more hiking only and multi-use trails for adults. Snowshoeing facilities are very inadequate.	2/16/2021 7:49 AM
228	I think there are a lot of us out here who need the ability to put on Rollercoaster and hit a trail. Some of us cannot go to gyms and do the exercises that are expected. There are not many safe places in Appleton to Rollerblade with out obstacles in the way. To have a long trail to be able to access daily will help many people. Rollerblading is a healthy way to stay in shape. I would love to see a very long trail constructed and maintained for rollerblading. I also want to add.....all that money for Appleton West HS sports was a waste. The tennis courts are so poor and what a shame. Also....you need more fields for female players. Female athletics get shit for fields. Let's start investing in other things besides football and baseball for the dudes. Thank you.	2/16/2021 5:50 AM
229	Activities minimal	2/15/2021 10:00 PM
230	The parks are geared more towards bigger kids. It would be nice to have some park equipment for smaller children.	2/15/2021 9:21 PM
231	Single track, programming, usages all need addressing	2/15/2021 8:01 PM
232	So many activities for kids. Need more traffic free (no crossings of vehicle traffic) fitness trails for walking, skating and biking. A closed to traffic loop would be ideal and safe. And could be	2/15/2021 6:08 PM

used for events such as fundraisers and races.

233	Not an age group, but mountain bikers.	2/15/2021 6:07 PM
234	More MTB trails could help service teen population, as well as others.	2/15/2021 5:59 PM

447	Absolutely would love to see dog walking on leashes in Plamann Park. It is a shame that those who do not clean up after their dog ruin the area for those of us who are diligent about it. This is a must area that needs to be looked at for dog walking. The roads in the area are narrow and winding which makes walking on them dangerous at times. Cars are continuously driving in excess of speed limit on Apple Creek Road and with needing to walk a dog and a baby at the same time, I am given no option but the road. IT SUCKS!	2/17/2021 2:29 PM

38	Misquito Hill - improve interior displays used in teaching, add a dog walking trail, add an arrow sign on south side of S at Rogers Road. New sign is attractive, but for safety should have been placed on south side of road so that drivers are not looking from one side of road to the other...this is distracting for drivers.	3/11/2021 2:28 PM
39	I enjoy Mosquito Hill as it is close to my home. The displays need to be updated to teach youth about the outdoors.	3/11/2021 2:16 PM
40	Prairie Hill: signage of Mountain Bike Trail Plaman: Trails need to be repaired and add Mountain Bike Trails CE Trail: Restrooms, Benches Wiowash Trail: Restrooms Ridge View: Restrooms, Shelter, Mountain Bike Trails, Picnic Facility, Parking, Bike Fix It Station Mosquito Hill: Trail Repair, More Benches	3/11/2021 2:16 PM
41	The Visitor Center at Mosquito Hill. The current displays and indoor classroom areas are very old, dated and not engaging.	3/11/2021 2:03 PM
42	Almost anything to better the offerings at Mosquito Hill. We always enjoy the wildflower/native plantings, walks through differing ecosystems and esp viewing displays inside the building. We believe they would benefit from more support besides just from FOMH, the dues we pay and special events that are held to support their efforts. Much underappreciated and a truly special opportunity. The butterfly house when open was awesome too	3/11/2021 2:03 PM
43	Update some components of nature center More dog parks	3/11/2021 2:03 PM
44	Mosquito Hill Nature Center - trail maintenance, improved signage and displays.	3/11/2021 1:59 PM

47	Mosquito Hill Nature Center - the inside displays are very dated - the Friends group is taking on an impossible task to replace them given the cost of professionally made displays and will probably need county help funding it all. The nature center could be so much more, and better reflect on the county, if the county provided additional funding. Outdoor restrooms are a big need.	3/11/2021 10:55 AM
48	Need more dog parks on West side of the county.	3/11/2021 10:05 AM

# Outagamie County Comprehensive Outdoor Recreation Plan

57	Our native plant areas in our parks have been replaced by buckthorn in many places. Please work on reducing these invasive species. More parks are needed, perhaps one in the north east part of the county. Camping would be nice at Mosquito Hill for primitive and camper camping. Bathroom amenities would be needed with shower facilities. Mosquito Hill should be supported more in general by the county, and less pressure should be on fundraising. PLamann park needs more staff and programs. When snow showing was offered at Plamann Park, lead by a naturalist, it was very well received with about 40 people participating. Plamann Park has become surrounded by houses. Please don't develop any more of the park. The prairie and woodland areas need maintenance, and not just mowing the lawn. It would be great to have a separate paved trail in Plamann Park for biking and stroller use. Please do not add mountain biking to Plamann Park. There is already enough stress on the natural areas.	3/9/2021 6:48 PM
58	Restrooms, hand sanitizer & a place to lock up a bike at each location.	3/9/2021 7:47 AM
59	More benches spread throughout, for distancing might be helpful, as some are located right near the children's equipment. Park hours signage. Overall pleased with park maintenance we've seen.	3/8/2021 8:20 PM
60	NE corner of Plamann trails needs removal of dozens of dead trees and removal of dead tree dams in Apple Creek flowing through there. Flooding causes trees to have roots washed out so they fall down. Allow firewood sellers to clear up current dead trees with wood as their payment.	3/8/2021 3:44 PM
61	Love the Disc Golf and the Swim Lake at Plamann Park. Great for all ages.	3/8/2021 3:42 PM

66	Erb park. There is almost always pre teen kids hanging around cussing and swearing around young kids.	3/7/2021 11:50 AM
67	The Outagamie Dog Park needs to be serviced by the county. If the county required permits, this could help keep it nice for all. The dog park is often crowded and unsafe. There are many aspects of the dog park that need maintenance.	3/7/2021 10:16 AM

83	Dog park Appleton Downtown area	3/5/2021 8:16 AM
84	More trailing for bicycling	3/4/2021 4:22 PM
85	The machine that grooms the cross country trails at plamman Park should be upgraded to a professional one	3/4/2021 3:52 PM
86	West	3/4/2021 2:02 PM
87	Hiking trails with places to get water, snacks, etc. We would spend more time if we didn't have to take everything with us.	3/4/2021 1:23 PM
88	Volleyball courts! Lions park has been sitting in a sad state of disrepair for TWO YEARS! The volleyball court at Patriot park has stones and thorny weeds growing in it.	3/4/2021 1:05 PM
89	I view Plamann Park and Mosquito Hill as examples of a lot of features for people of all ages. I would like to see one more area in the county like these two parks. More advertising of the parks and what is available. During this past Covid year I was looking for more trails to hike and I have to be honest, I hadn't heard of the NewTon BlackMour State Trail or the Old Stone Bridge Trail. It was preparing for this survey that I became familiar with these two trails. I am very very familiar with the CE trail and Wiouwash State Trail/ I didn't realize that Mosquito Hill is actually an Outagamie County Park.....I love this park and hope that more people are aware of it in the future. When I tried to click on the hyperlink for Mosquito Hill, the page wasn't found. However, in the About Us Section, I could easily find information about Mosquito Hill....a true gem.	3/4/2021 10:46 AM
90	More dog parks are needed.	3/4/2021 9:20 AM
91	I would love to see updates playground equipment at Plamman, and I am always in favor of more hiking areas along the lines of Plamman, Purdy and High Cliff, but truly we are blessed with a wonderful parks system. The dog park is my biggest concern currently. It is well used and I've read it's being partially closed which will put more strain on it. We love the dog park. I'm hoping to see a location for the dog park where we could also run and hike with our dogs off leash. I would also love to see more trash receptacles around all park areas.	3/4/2021 9:02 AM
92	Dog park and plan an park	3/4/2021 8:02 AM
93	Plamann Disc Golf course used to be world class, it needs to be modernized. Disc golf is the fastest grow sorry in the US and plamann had the space to be a destination course. Put in a second professional level set of Tee pads and additional locations\baskets on every hole so more variations can be played	3/4/2021 6:56 AM

98	Plamann Park disc golf upgrade and a beginner course at Plamann or another park	3/3/2021 9:27 PM
99	View Ridge with some parking, poison ivy control on main trails, and possibly a hand pump, pit toilet, and a picnic table or two. Some trail markings too.	3/3/2021 9:11 PM
100	Hessakker pavilion	3/3/2021 9:01 PM
101	I would like to see more trail connectivity. For example wiouwash trail connecting better to Appleton and or plaman Park area. Also great to have the tressle bridge but downtown river trial system should be better developed.	3/3/2021 8:56 PM
102	Allow leashed licensed dogs in Plaman park even if it is for street walking only	3/3/2021 8:50 PM
103	All restrooms should be available/unlocked more often than just at odd/limited hours with mystery schedules that aren't posted at facilities.	3/3/2021 8:36 PM
104	I wish I could say but are to far for me to go to. I live in south eastern Appleton. Most are quite the drive. My suggestion is to find the funds now before it's to late to develop a few more parks. Parks enhance a community's in so many ways.	3/3/2021 8:20 PM

# Outagamie County Comprehensive Outdoor Recreation Plan

137	Dog parks - the current one is too small and is being closed. More trails. More wilderness areas.	3/3/2021 7:22 AM
138	Dog park - needs. NEEDS a water source for humans and their dogs. I was thinking a pump handle well, and a shelter with more seating. Us who are mobility challenged have issues finding seats at times due to a lack of. And the garbage receptacles are too high for those young & old in wheel chairs to throw away they're dog waste. (What a concept, mobility challenged dogs owners! We are underserved which only makes us NOT want to leave with our kids, or dogs, or grandkids, as applies, and to me, it is all 3 groups.)	3/3/2021 7:05 AM
139	Boating access sites throughout. * Parking and road access facilities * Boat ramps designs	3/3/2021 7:01 AM
140	Better tennis courts and lights at erb... More large trees at erb	3/3/2021 6:50 AM
141	Aside from Newton Blackmor trail, there are no park facilities in northeast outagamie county.	3/3/2021 6:38 AM
142	A few new parks like Plaman are needed.	3/3/2021 6:36 AM
143	Expanded CE trail	3/3/2021 6:34 AM
144	Plamann Park restrooms. They need to be reopened daily. Numerous elderly people walk early and other than one or two portable unsanitary portable toilets nothing is open.	3/3/2021 6:07 AM
145	Shelters at Plamann Park	3/3/2021 5:45 AM
146	I would like to see more paved biking trails that avoids crossing busy streets or even streets in general. Would like to not have to share bike trails with cars. Parents are able to enjoy their experience more without worrying too much.	3/3/2021 5:07 AM
147	Plaaman. Need shelter updates	3/3/2021 4:44 AM
148	Erb park - safety and age appropriate	3/3/2021 3:30 AM
149	Need more activities that return to creativity and nature for kids. A bunch of logs for kids to build lean to's. A park that kids can safely get to from Seymour Street. Utilize Riverview Gardens so kids surrounding the area feel welcome to play and use their imagination without crossing Oneida or Memorial.	3/3/2021 2:29 AM
150	Lutz park update Pierce park pavilion refresh Make a park on all that open grassy land down between the fox river mills apts and fratellos.	3/2/2021 11:56 PM
151	Arrowhead Park needs more benches along boardwalk. Older people walking need to be able to sit at intervals. Repair broken slats in boardwalk.	3/2/2021 11:34 PM
152	Plamaan Lake bathrooms, Schaefer Park equipment, sand volleyball courts, a small sledding hill like Fritsch Park in Menasha	3/2/2021 11:15 PM
153	outagamie county dog park! we would really love to see updates for the closure and opening of another park facility.	3/2/2021 11:09 PM
154	All the park shelters could be cleaned more nature is natural but no one wants to picnic and have spiders and bugs in there food	3/2/2021 11:00 PM
155	Appleton area parks need more disc golf and horseshoe options. Appleton area parks could use rubber kickball field similar to Neenah, and could use an outdoor splash pad area on west side of Appleton/Greenville area. Also a dog park on the west side of Appleton would be appreciated as well as other park investments towards Greenville/Appleton-northwest as well as near the airport location.	3/2/2021 10:44 PM
156	Plamann Park has good resources that are heavily used but all could use refreshing.	3/2/2021 10:37 PM
157	Definitely more ADA accessible places, better fishing areas, and free family water areas to play in also definitely dog parks not just the one way out in nowhere	3/2/2021 9:23 PM
158	Lately, the dog park always seems to have one dog and owner that's causing issues no matter what time of day.	3/2/2021 9:19 PM

173	Plamann	3/2/2021 8:30 PM
174	Not enough trail signage at Plamann Park. It is hard to find and stay on the trails. The playground options at Plamann Park are also minimal.	3/2/2021 8:29 PM
175	The county lacks full size baseball fields for games and practices. Most fields are either privately owned/controlled or school fields that are inaccessible to the public. Even 1 or 2 rentable fields would be great.	3/2/2021 8:26 PM
176	Please consider more dog parks or having more dog friendly areas within existing parks. With covid the only dog park is crowded. It is difficult to find parking and dangerous to exit the lot due to the trees blocking the drive. Also it would be nice to have a year round park for dogs for winter exercise. 220	Start your survey next time to inform everyone one what parks Outagamie County has.	3/2/2021 1:25 PM
221	Generally speaking, more miles of mountain bike trail would be greatly appreciated. I am unaware of which parks specifically need improvements	3/2/2021 1:23 PM

222	The cross country ski trails are few and not tracked and groomed as often as needed	3/2/2021 1:16 PM
223	County parks should allow pets on leash of course. We're disappointed in the dog park closing, and the 2 year delay to open a new park. It seems that the dump expansion would have been a known concern, and the county would have explored alternative sites long before this announcement.	3/2/2021 1:16 PM
224	Plamann park restroom areas could use some work. The trails could be re-assigned to multi - use and then expanded on.	3/2/2021 1:16 PM
225	I wish plamann Park would have skate style cross country skiing, also it would be great to have signs instructing walkers to stay off of ski tracks... also a dirt pump track for bikers would be very popular and would be great for kids and adults to get outside	3/2/2021 1:04 PM
226	Mosquito Hill, View Ridge access to biking and running.	3/2/2021 1:01 PM
227	I really enjoy Plamann park, but it needs playground improvements and biking and additional hiking trails around and to it would be appreciated. Memorial park was already the coolest park for kids but then they got the biggest upgrade with a huge new playground?? City park has developed safety concerns over the years with growing numbers of homeless adults wondering the park worth visible drug activity. Jones park used to be an issue but that seems to have shifted to city park.	3/2/2021 12:55 PM
228	Veterans Park on south memorial	3/2/2021 12:51 PM
229	Add more off-road trails.	3/2/2021 12:48 PM
230	Continue to "refresh" Plamann Park Make it the Crown Jewel of County Parks	3/2/2021 12:44 PM
231	More access to river and hiking near it.	3/2/2021 12:40 PM
232	How is this going to be paid for should be the 1st question instead of this wish list!! Especially during a pandemic where many people have reduced income. The giant playground downtown behind the Convention Center was redone twice within 10 years!! What a waste of money!! The parks are fine!!	3/2/2021 12:36 PM
233	More mountain bike trails, expand the trail system at Heesaaker Park, add trails to the upper trail area at 1000 islands	3/2/2021 12:36 PM
234	Neighborhood Parks and County Parks on the North Side of Appleton. Would like to see more open hiking trails and nature preserves throughout the county.	3/2/2021 12:31 PM

239	I don't go to any parks other than Plamann	3/2/2021 11:34 AM
240	County-wide: lack of trash/recycling bins, lack of snow clearance, lack of trail maintenance, unfair bans on dogs.	3/2/2021 11:29 AM
241	Plamann could use better playground equipment	3/2/2021 11:28 AM
242	Baseball/softball complex with turf fields to maximize use throughout the year	3/2/2021 11:27 AM
243	plaman	3/2/2021 11:26 AM
244	We have one archery range in Appleton that gets a lot of use from spring through the fall. It is very small and not in very good shape. I would like to see it expanded or another range added in Appleton. I would not be opposed to some kind of fee or sticker to offset the cost.	3/2/2021 11:18 AM
245	The dog park (which I know is in the works)	3/2/2021 11:17 AM
246	Plamann, better and more walking trails	3/2/2021 11:01 AM
247	plamann park, better drainage	3/2/2021 11:00 AM
248	Can't stress enough the need for good dog park facilities.	3/2/2021 10:51 AM

251	More trash bins along peabody park riverside area.	3/2/2021 10:27 AM

257	In general maintenance is an issue. I use to appreciate the identification signs, ie Wild Leeks. One never knows if there will be bathrooms available.	3/2/2021 8:57 AM
258	Not familiar with all of the parks.	3/2/2021 8:49 AM
259	I don't know about the all the parks and don't where to learn about all of them. These parks may be the best kept secret in Outagamie County.	3/2/2021 8:25 AM

271	Cleaner bathrooms	3/1/2021 6:49 PM
272	At this point it appears only Plamann Park is suitable for adding more tennis courts and lighting them all; the other county 'parks' don't seem to be truly parks, the Nature Center, Barker Park are not really what we would consider parks. The other county grounds that are listed on the County website under "Parks" are not parks either. So, more tennis courts in Plamann Park and light them all.	3/1/2021 6:27 PM
273	Nothing much I can think of. Maybe more bike routes?	3/1/2021 5:37 PM
274	The Plamann Park tennis courts are in deplorable condition. There should be four lighted courts available. The CE Trail should be plowed in the winter. The Plamann Park disc golf baskets should remain in place throughout the winter months. The Wiouwash and Newton Blackmour trails should be asphalt paved. 281	Outagamie County Dog Park. Will need a bigger park with all the daily traffic. Benches in newer parks ( by old Appleton waste water plant) and park on prospect a few blocks south of the county human services building	2/23/2021 10:23 PM
282	More paved trails along county and town roads	2/23/2021 5:08 PM
283	picnic area at Mosquito Hill	2/23/2021 11:46 AM
284	The Dog Park needs expansion due to imminent closure of North Park area. As one of the most frequently used facilities in the country park system, this should become a priority.	2/23/2021 11:02 AM
285	Town center	2/23/2021 10:49 AM
286	more dog parks	2/23/2021 9:33 AM
287	More staff to upkeep all park properties	2/23/2021 9:26 AM
288	Outagamie Dog Park's North Fiend is going away soon. This part of the dog walk is well used and loved and will be sorely missed. The community needs a replacement for this area. Please help us!	2/23/2021 4:41 AM
289	Part of the dog park is being closed, it was nice having such a large open space for my dog to run in. It would be nice if a potable water source could be established in the dog park so everyone doesn't have to bring gallon jugs of water with them. Some parts of the park are bare dirt now, so reseeding the grass and filling in giant holes is necessary. Lastly, a covered shelter somewhere in the park would be extremely helpful for both dogs and humans during the rain and hot summer days.	2/22/2021 9:47 PM
290	It would be great to have more patrolling of the Wiouwash trail in all counties. I have had many encounters with unleashed dogs and owners who couldn't care less. There are always horses on the trail when it isn't open to horses. I love that there have been improvements made on the trail but it would be great if you could enjoy them without people's dogs jumping on you or twisting your ankle on the divots left behind by hooves in soft spring mud	2/22/2021 7:44 PM
291	unsure of needs	2/22/2021 3:13 PM

296	The dog park is highly needed since the current park is being greatly downsized and the dog park needs more parking	2/21/2021 6:19 PM
297	Dog park fences and gates need much repair. ☹	2/21/2021 2:55 PM
298	The dog park has absolutely inadequate and potentially dangerous fencing around the creek areas. I have seen many dogs jump this fencing and end up in the horrible water of the creek. Several of the paths have broken pavement and washed out areas that become dangerous and slippery during wet weather. All paths need to be mulched to cut down on the mud. Lots of invasive burdock plants that must be cut out and destroyed. (I personally cut several hundred burdock plants out 2 summers ago, but ill health didn't allow me to continue with this.) The county needs to install and maintain dog waste stations throughout the park (as was done in the past) to encourage people to clean up after their pets.	2/21/2021 2:36 PM
299	North county dog park	2/21/2021 10:59 AM

333	More parks are needed to support a growing population in Outagamie County. The lack of parks wasn't addressed in this survey, unfortunately. A county park is needed on the eastern part of the county to serve the growing areas of Wrightstown and Freedom. Camping with showers and toilets would be a nice addition to Mosquito Hill. Also, county parks should have a lot of open space and undeveloped areas. Please don't over build. Put more resources into protecting and enhancing the natural areas. Thank you.	2/19/2021 3:40 PM

# Outagamie County Comprehensive Outdoor Recreation Plan

336	The trails at Plamann used to be better maintained. This needs some improvement. The summer swimming program at Plamann Lake used to be popular with families, and with growth on Appleton northside, could be again, but Parks Dept. needs to better promote it's offerings through social media, newsletters, e-blasts, etc.	2/19/2021 12:50 PM
337	Plamann park disc golf	2/19/2021 12:45 PM
338	I really don't visit every park. Honestly, there are too many which duplicate the same run down unmanaged facilities. I think Outagamie would benefit by classifying parks as play grounds and parks, and not make every park "something for everyone" because this is wasteful. Don't make every playground a full park. A run down unmanaged volleyball court is a waste. If you can't maintain them... they can lead to physical injuries. I recommend every park be honestly accessed and let the condition speak for themselves rather than asking the public to do the job for you.	2/19/2021 11:48 AM

365	The ski trails in plamann park seem to only be groomed once or twice a year and the groomed trails only last a few days because people walk / sled on them. After a few days the ski tracks are gone and the entire trail is a uniform flat packed surface	2/18/2021 7:52 PM
366	We need less small parks and more nature/hiking trails. We need more Plamann and Buboltz and less Jefferson	2/18/2021 7:06 PM

I know hundreds of people of all ages that were devastated when we were told it's no longer open to the public. 406	I like the ski trails at Plamann Park, but they're almost always destroyed by hikers. Would like to see more signage, education, and enforcement to keep those trails nice.	2/15/2021 8:35 PM
407	Plamann trail updates and maintenance	2/15/2021 8:03 PM
408	Vosters Park could use a toilet/water, would love a roller rink outside somewhere.	2/15/2021 7:30 PM
409	All handicap fishing piers	2/15/2021 7:28 PM
410	Please open the children's farm this summer at plamann park!	2/15/2021 7:25 PM
411	Tennis courts	2/15/2021 6:35 PM
412	Plamann park disc golf needs improvement or expansion. Pay to play would work wonders to fund the park and keep vagrants away.	2/15/2021 6:29 PM
413	CE Trail needs many repairs. Almost not safe in a few areas near combined locks and by kaukauna high school. Thanks for all of your hard work!	2/15/2021 6:12 PM
414	Need 8-12 Pickleball courts at 1 location - doesn't matter where	2/15/2021 6:11 PM
415	Would like to see additional signage for Plamann Park hiking trail(s)	2/15/2021 6:03 PM
416	Plamann east end is a garbage dump.	2/15/2021 5:52 PM
417	Plamann could use a good facelift to most of its pavilions and playgrounds.	2/15/2021 4:58 PM
418	Overall quality of Plamman Park	2/15/2021 4:20 PM
