Maint_Point

The map displays the Center Valley Drainage District, which is a green-shaded area. It is bordered by Krueger Rd to the north, Center Valley Rd to the south, and Hamble Rd to the west. To the east, it borders Duck Creek Northwest (pink) and Duck Creek Southwest (pink). The map shows several legal drains (blue dashed lines) and maintenance needs (colored lines). Key features include:

- Legal Drains:** MAIN DITCH, LATERAL 1, DITCH 2, and a drain along the eastern boundary.
- Maintenance Needs:** Dredge (green), Other (yellow), Phragmites (cyan), RemoveTrees (orange), SprayBrush (red), and SprayCattails (purple).
- Maint Points:** Marked with 'X' symbols.
- Distances:** 170 ft, 1089 ft, 691 ft, 351 ft, 556 ft, and 19 ft.
- Other Labels:** CTY TK A, CTY TK S, HY 47, HARMATTAN RD, MISTRAL LA, SUB, and OUTLET INTO WOODED AREA.
